“Mammonator” Bull Durham Flies/Lies Again!

RE: VK DURHAM-MAMMONATOR;
ADVICE OF LEGAL COUNSEL

IN AND OUT OF THE EVIL EMPIRE

EDITORIAL COMMENT: The headline above may appear like something from Kookville but is DIRECTLY from VK DURHAM and her band of silly elves and micro-minds.

“Mammonator” is simply a new “pen alias” for VK and is her most “telling” yet. “Satan must wear a clue/sign” and this one has clues written all over it.

Comments range from obscure to obvious; funny to outright TRUTH.

One writer: “Mammon-ate-her; how’s that for a sign?”

Observation: This one is more interesting for you

who like numbers to study your clues: “Mammonator VK Durham”=18 letters. 18 divided by 3 = 6, OR, = 6 6 6!”

The best clue, however, might be in the actual root words or “what makes up a word/term”.

Mammon: That which represents foul or evil material—as in money or riches.

Or: That which is representative of Satan or The Devil.

And: **“ator”**: That which “IS” as in “I am” whatever is written before the suffix as in: I am Satan or The Devil or simply: I am EVIL.

You can do your own for in many instances “ator” and “ater” are interchangeable and in Arabic or even Hebrew, the meaning is the same.

This becomes interesting in that “Aton” is also “Aten” (the one light). Here is where languages and spelling are “interesting”.

A couple of years ago VK wrote DIRECTLY to Doris and stated the following (paraphrased): “We have met before many times. (Doris has yet to “meet” VK Durham.) My whole

purpose in life for which I am born and TRAINED from my birth is to stand against and destroy you. We shall meet again and I will destroy you.”

Interesting? It was stated in such a way as to present herself as “God” against “Evil Satan” whom she pronounced as “The Evil Beast”.

We will leave it rest here and now but we are not by any means through with the topic or the enlightenment. VK DURHAM IS NOTHING!

To recognize that she is possibly and simply a “fool” is unworthy of our time or space for sharing. Counsel has required that we run the ongoing “hits” on the Internet from whatever source she posts—in the (a) paper of international distribution and that for obvious legal cause.

It might be comforting to you who are truly concerned about the possibilities of a VK prevailing in her trashing to read on.

There is now added to our TA-FDN one of the most highly respected “Criminal Investigators” in this part of the world—serving now as member and

“Mr. Speaker. Please note in the Records the word “Shall” (mandatory to do, or not to do) in such

and such Act of such and such a date, will here-after be identified as “may” (giving free hand/liberty to do as one pleases).

Did the “BILATERAL” parties of the second part i.e., Agreeing/Treaty Nations agree to these changes? NO! This is a “Unilateral” encroachment into Treaties and Sovereignities by “those intending to cause harm to the other parties” by simply changing the words “Will, Can, Shall and May” to fit their own agenda’s.

All of us older ones who know what these issues are about, watch the deliberate MAL-ADMINISTRATION of our Laws, Treaties international agreements other than treaties; In a state of SHOCK & AWE!

V.K. DURHAM

A burden (of shock and awe) shared is a burden lessened. I am thankful the V K Durham is broadening all of our understanding on these issues with her energetic and enlightening messages. Hopefully, one day soon, we will reach a critical mass of understanding that will be the light of truth bursting forth into these dark and shadowy circumstances that are our shared history (and present consequences!). Blessings,
Mammonator

VKD: ON OKC & UNHEEDED WARNINGS re: 98 EKKERS MESSAGES

Posted By: Mammonator
Date: Thursday, 11 March 2004, 2:39 a.m.
In Response To: OKC - TERRY NICHOLS - DOVE and MARCH 13-14 (Mammonator)
What follows are some comments by VK Durham on my post, with some clarifications sent later within the text {in braces}. My comments will be [in brackets] HERE

Re: OKC - TERRY NICHOLS - DOVE and MARCH 13-14

Outside this “box”.. The Hatonn-Gaia-Ekker Cult wrote TWO MESSAGES in 1998 in encryped messages IN THE CONTACT THE PHOENIX PROJECT JOURNAL, to each pod-cell of these “UN-American” hostile groups attempting to overthrow all of our Rights by Constitution

1. THE WAR MUST COMENCE HERE AT HOME, and
{This was in reference to what we watched on 9/11. As was the BOMBS ON AIRPLANES. [just below]}
2. Information regarding BOMB’S ON AIRPLANES, and this ongoing, continual DISINFORMATION crap keeps spewing, designed for incitement of Civil Unrest here in the U.S. which has all of our heads spinning.

{The before mentioned EVIDENCE was previously provided to the following; The U.S. Dept. of the Treasury’s Sec. Serv., The White House, The U.S. House of Representatives House Oversight Committee, BATF, U.S. Senator Charles E. Grassley, the U.S. Sec. Exchange Commission , ad infinitum, further including INTERPOL; PRE-9/11/01.}

- It is very strange;
1. The Treasury (U.S. SEC. SERV.) will not investigate COUNTERFEITING OF PRIME BANK INSTRUMENTS (GAIA-EKKERS) under 18 U.S.C. Stat. 471, because their only “duty” is to protect the “president”...
 2. The REFUSAL TO INVESTIGATE has

caused a Global Banking Crisis reminiscent of THE 1980’S S&L CRISIS in the Global Banking.
Instead of DOING THEIR DUTIES every citizen of the U.S.A. has had their CIVIL RIGHTS, CONSTITUTIONAL RIGHTS TRAMPLED ON by this UN-Patriot Act, which, has been designed TO PROTECT THE CROOKS & CRIMINALS aka NEOCONS venture of THE NON GOVERNMENTAL OFFICES of THE BILLIONAIRE BOYS CLUB.
This entire mess is “disgustingly Un-Constitutional, disgustingly oppressive, disgustingly despotic” and that is putting it mildly.

VKD
[Re: OKC]
{In regards to my point of view on OKC; My own personal opinion is in agreement with THE PUBLIC.
(1) What all of us saw, is in contra-distinction with WHAT WAS REPORTED that “happened.”
(2) The EVIDENCE was removed too quickly, as with THE WTC’S.}
More puzzle pieces for those seeking the big picture!
Blessings,
Mammonator

According to the Laws of the State of Illinois and the U.S. Federal Government “Corporate Agencies” “A person dying in TESTATE, without having a Last Will and Testament; All properties go to the State and U.S. Federal Government.

CEO, COSMOS SEAFOOD ENERGY MARKETING, LTD; NEVADA ID# 1707 85 had his Last Will and Testament in order. The CEO, Russell Herman did not die In Testate.
Last Will and Testament of Russell Herman, filed of Record, Gallatin County Illinois, Sept. 6, 1994 at 12:05, signed received by John Ellis, County Treasurer filed of Public Record, and Published by: CONTACT, Inc., PO box 27800, Las Vegas, Nevada 89126; 36 Page “RUSSELL HERMAN MEMORIAL” September 27, 1994 (filed into this site).
In order to accomplish this BANKING, FINANCIAL & ECONOMIC TERRORISM the following acts had to be put into place, to wit:
1. CEO, Cosmos Seafood Energy Marketing, Ltd; Russell Herrman (Primary signature) aka Russell Herman (Secondary Signature) was tortured and murdered (photos of body as evidence showing brutal beating on back of ankles, and bottom of feet. Then, injected 8-9 times to knock him out, then thrown into the VA MORGUE FREEZER to finish him off by FREEZING HIM TO DEATH, and
a. These photos evidence the BRUTAL BEATING ON BACK OF THE ANKLES and HEELS, BURNING WITH CIGARETTES and other injuries by torture prior to death of the MURDERED CEO, COSMOS SEAFOOD ENERGY MARKETING, LTD; NEVADA ID# 1707-85, which were not on his body the day prior when “I” rubbed his body down with lotions.
b. VA SEALED DOCUMENT STAMPED RECEIVED, September 26, 1994, V.A. FORM 21534 “Application for Dependency and Indemnity Compensation or Death Pension by a Surviving Spouse or child including accrued benefits and death compensation” No. 10 Box. Are you claiming that the cause of death was due to service? Box marked “Yes” initialed by WBR (W. Bruce Roher intake who reviewed Herman’s Military Records with CEO, RUSSELL HERMAN, prior to CEO, RUSSELL HERRMAN aka HERMAN’S MURDER (August 29, 1994). There is attachment to these postings verifying same, including GRAPHIC PHOTOS OF THE BODY which was denied to me, the wife, from August 29, 1994 up to September 5, 1994. The photos deny (a) Date of Death and (b) Cause of Death as stated on Death Certificate of Record.
c. VA SEALED DOCUMENT STAMPED RECEIVED, also notes HERMAN WAS STILL ACTIVE IN THE SERVICE OF THE UNITED STATES “AT DATE OF DEATH.”
I. TWO DOUBLE HITCHES, the man could not retire. His work was too valuable to the U.S. Naval Intelligence, U.S. Coast Guard, U.S. Dept. Of the Treasure and “It would be too costly to train another to fill in after HERMAN’S RETIREMENT which would cause loss of valuable investigative time, and materials.”
d. This was HIS LAST INVESTIGATION; He was investigating THE MENA ARKANSAS DRUG RING and FOLLOWING THE MONEY which involved THE CLINTON’S and VINCE FOSTER.
2. Legally Murder the Owner-Signatory i.e., V.K. Durham in the Computer U.S. Federal Government “Agency” Department of Health and Human Services Data Base, deleting all work histories, all records of marriage, children, parents, owned properties etc., whereas
a. No records of V.K. Durham’s existence would, or could be traced by those knowing the TRUE (FAMILY) OWNERSHIP of BONUS 3392-181, which was not CEO, COSMOS

SEAFOOD ENERGY MARKETING, LTD; NEVADA ID# 1707-85, Russell Herrman aka Herman who was so brutally tortured and ultimately murdered by those currently engaged in ACTS OF BANKING, FINANCING and ECONOMIC AGGRESSION against the United States and Allies.

b. If Social Security Retirement Benefits were paid to V.K. DURHAM; ADMISSION OF “V.K. DURHAM” BEING “ALIVE” WOULD BE IN EFFECT; and

c. THIS BEING THE CASE: A entire new CAN OF WORMS would be opened up, because these “FEDERAL AGENCIES” acting under the U.S. Federal Governmental Authority, WOULD HAVE HEAVY EXPLAINING TOO DO TO “THE U.S. HOUSE OF REPRESENTATIVES” as to how all of this COUNTERFEITING and AL QAEDA UNDERWRITING was allowed to slip through under THE RADAR SCREEN of THE “ALLEGED” HOMELAND DEFENSE who allege they are “interested in arresting and prosecuting the AL QAEDA SYMPATHIZERS AND “MONEY LAUNDERER’S.”

b. At age 67, V.K. Durham cannot receive SOCIAL SECURITY RETIREMENT due to the Deliberate Record Tampering and Destruction by those currently engaging in BANKING, FINANCIAL and ECONOMIC TERRORISM against the United States and Allies.

This BLACK OPS operation of the DISSIDENT MUSLIM MILITANTS known as E. J. Ekker and Doris J. Ekker formerly of Tehachapi California, as owners and publishers of the CONTACT, Inc. paper, currently operating with DIPLOMATIC IMMUNITY out of THE PHILIPPINES.

December 2nd, 1993; Russell Herman signed a witnessed document known as “CODICIL TO LAST WILL AND TESTAMENT” which identified the 24% (twenty four percent) held by Cosmos Seafood Energy Marketing, Ltd; Nevada ID# 1707-84 which was left to the wife’s discretion as to the disposition of same. Document filed of Public Record.

The LAST WILL AND TESTAMENT was originally filed September 6, 1994 in Gallatin County Illinois, “Received by John Ellis, County Recorder”..

Since that time, these documents filed of public record in Gallatin County Illinois, were “copied” and filed of TITLE RECORD by the MILITANT MUSLIM DISSIDENTS “August 10, 1998 at 8:35 A.M. Clark County Nevada Recorder, 500 S. Grand Central Parkway, Las Vegas, Nevada 891-55-1510, Book 980810, Instrument No. 00323

In what was “Historical Documentation”.

Contained in this alleged “Historical Documentation” is a forged signature of the MURDERED CEO; Russell Herman, evidencing the “lifted signature” was lifted from page 271, being a former RECORDED INSTRUMENT filed in Gallatin County, Illinois “Last Will and Testament” filed and Received by Gallatin County Recorder, and John Ellis County Treasurer; which alleges a “Assignment of Interest” allegedly owned by Russell Herman, allegedly signed on August 5, 1993, Notarized FOUR YEARS after Mr. Herman’s Murder, further SELF WITNESSED by “RICK MARTIN” of CONTACT, Inc.

For those of you viewing the photos of the MURDERED CEO’S BODY, take a look at the cigarette burns on his body. Take a look at the horrible invasive’s which the VA TRANSCRIPT “Refuse’s to conduct a autopsy to prove the true cause of death, which could be used in a court of law in this country.”

TAKE A LOOK AT HERMAN’S MOUTH. ALL HIS GOLD TEETH WERE PULLED, AFTER “I” RUBBED HIS BODY DOWN WITH LOTIONS THE DAY BEFORE HE “ALLEGEDLY DIED.”

Take a look also at what appears to be rope burns on his shoulders, then take a look at how this Officer of the United States suffered having his RIBS KICKED IN.

IF YOU LOOK CLOSELY at his left hip, there is a old RADIATION BURN. You will find eight or nine injection marks inside this old radiation burn, which knocked him out, allowing this INHUMANE TREATMENT to this ACTIVE OFFICER IN THE SERVICE OF THE UNITED STATES, WHILE ALLEGEDLY RECEIVING

Please keep in mind that we are publishing this “Mammonator” VK Durham disinformation upon advice of legal counsel. There simply is not enough time and energy available to even try to set things straight on a point-by-point basis. Readers should note the near-total incoherence of some of these ramblings, along with obvious grammatical and punctuation errors. As you read, remember:

- 1) VK Durham was never married to Russell Herman (although she obviously wishes it were otherwise);*
- 2) There is no “holding trust” (“TIAS” or otherwise);*
- 3) Procedure for public notices is not satisfied merely by putting a bunch of this stuff out somewhere on the Internet.*

“QUALITY CARE” IN THE PRIVATIZED VA HOSPITAL, MARION ILLINOIS, ALL PAID FOR BY “THE DEPARTMENT OF HEALTH AND HUMAN SERVICES “MEDICARE” INSURANCE.

VA refused to conduct a autopsy that could be used in any court of law (documents in congressional hands).

VA’S REFUSAL, to conduct the autopsy, defies the INVASIVES ON HERRMAN aka HERMAN’S BACK, which was done while he was still alive, and just prior to BEING THROWN INTO THE VA MORGUE FREEZER TO “FREEZE TO DEATH.”

The condition of the body, and fiery redness, deny (a) Date of Death as stated on the Death Certificate, and (b) Cause of death as cited on the Death Certificate. The condition of this body evidences “Herman could not have been in the morgue less than EIGHT HOURS, nor MORE THAN TEN when the body was finally gained possession of by the Widow Herrman aka Herman.

RUSSELL’S BODY WAS REFUSED TO ME, BY THE VA FROM August 29TH, TO September 5TH, 1994. The photos deny (a) DATE OF DEATH and (b) CAUSE OF DEATH.

WHERE WAS CEO, COSMOS SEAFOOD ENERGY MARKETING, LTD; NEVADA ID # 1707-85 and WHAT HAPPENED TO HIM DURING THOSE DAYS FROM August 29, 1994 TO September 5TH, 1994?

For those of you in THE CIA, U.S. NAVAL

INTELLIGENCE, U.S. COAST GUARD-U.S. TREASURY; THINK HARD, WHEN YOU ARE ASKED TO INVOKE “THE CODE OF SILENCE”.. THIS IS WHAT HAPPENS TO “THE PRESIDENT’S CENTURIONS” WHEN THEY “ARE NO LONGER USEFUL” OR; ARE THOUGHT TO HAVE SOMETHING OF “GREAT VALUE” such as those thinking Russell Herrman aka Herman OWNED BONUS 3392 181, when he “owned nothing.” KEEP ON MAINTAINING THAT “CODE OF SILENCE” letting this filth rub off on GOOD MEN who take your Duties Seriously, and consider: Your lives are not worth “Plugged nickels.”

Those issuing COUNTERFEIT GOLD INSTRUMENTS on the FORGED SIGNATURE of the murdered CEO, Cosmos Seafood Energy Marketing, Ltd; Nevada ID# 1707-85 make public statements in public print “I was there as Russell was dying, and in his dying breath he told me what to do with his interest in the BONUS 3392 181(quote Commander Hatonn aka Doris J. Ekker and/or E.J. Ekker (both write as Hatonn).

At this time, Banking Transactions are surfacing which involved MONEY TRANSACTIONS which also involved Mr. Herrman aka Herman, which I knew nothing about, or had prior knowledge. Documents submitted for C O N G R E S S I O N A L INVESTIGATION. Those will be posted also.

Mr. Herrman aka Herman was heavily involved in projects originally initiated by President Harry S. Truman such as; PROJECT PHOENIX, PROJECT ROSEBUD, PROJECT HAMMER etc. These were operations to bring the Gold back to the United

States of America, which was stolen during the 1870’s 1907, 1913, 1919, 1933 etc., which was to restore the Sovereignty of this nation back to the People from foreign Banking Control.

Recently PROJECT HAMMER RELOADED <http://www.nexusmagazine.com/ProjectHammer2.html> was re opened. This exposed one of Herrman’s Associates, Dan Hughes who was, and currently remains a VICTIM of these operations gone wrong, and in the wrong hands, currently being used against the nation of the United States of America.

Mr. Hughes provided documents and other information which verify these transactions. Documents submitted for CONGRESSIONAL INVESTIGATION.

In regards to my own personal records, personal histories, many show I AM DEAD, while most of those RECORDED RECORDS, DATA BASE RECORDS have been successfully WIPED by the DISSIDENT MILITANT MUSLIMS working deep inside these Agencies of the U.S. Federal Government, currently in “Agreement to split 50% & 50% all money taken down off shore on BONUS 3392-181” with the Al quaeda underwriters, aka BANKING, FINANCIAL & ECONOMIC TERRORISTS [quote] “Sitting in the Philippines, awaiting instructions from the U.S. Federal R./UST as to when to bring the gold home” from the COUNTERFEIT COLLATERAL written on BONUS 3392-181 without Authorization from

this TRUST, which was actually intended to bring down the BANK OF JEDDAH and RYADI after the term 180 MONTH AGREEMENTS expired. The Fed. R./UST would have then, told those banks “SORRY. THOSE INSTRUMENTS ARE COUNTERFEIT” but, we have 50% of those COUNTERFEIT INSTRUMENTS IN “GOLD.”

At this present time; NO RECORDS ARE AVAILABLE ON V.K. DURHAM?

Not under the Birth Certificate spelling of Vina Catherine Durham, or the Vina Kathryn Durham found in Educational and Property Records.

However; THE STATE OF ILLINOIS REGION V. and the U.S. FEDERAL RESERVE/ U.S. DEPT. OF THE TREASURY have fraudulently used PROPERTY BEING THAT FOR WHICH “CEO-COSMOS SEAFOOD ENERGY MARKETING, LTD; NEVADA ID# 1707-85 was tortured and ultimately murdered, in order to TERRORIZE the entire Banking, Financial and Economic Community of those in TREATY international agreements other than treaties as defined and listed in TIAS 12087 (which allegedly does not exist?)(TIAS 12087 will also be filed on the INTERNET with these documents).

The IMF/World Bank, U.S. Dept. of the Treasury, U.S. Federal Reserve searches turn up over 5685 unauthorized uses of BONUS 3392-181 “COLLATERAL”.

Additionally; THE FAR EAST Banking reflects over 62,000 Unauthorized uses of BONUS 3392-181 COLLATERAL by U.S. Banks, U.S. Federal Reserve, U.S. Dept. of the Treasury, Region V. Great Lakes Center Department of Health and Human Services, Department of Veteran’s Affairs, Department of Energy, Department of Agriculture and the list goes on, and on.. telling the story as to WHY the United States of America has a EXTERNAL DEBT of over \$400 Trillion Dollars in “Not now performing Gold Derivatives, written on BONUS 3392-181 Gold Collateral.”

In closing; THE HERMAN ESTATE due to the interference by the State of Illinois and The Agencies of the U.S. Federal Government, was not allowed to be probated. The mandatory time for TIMELY FILING “Expired” at such expiration; THE ESTATE was put into TRUST for SAFE KEEPING. V.K. Durham, CEO-SIGNATORY and Hereditary Owner Bonus 3392-181 held in Trust

PUBLIC NOTICE PART TWO
by V.K. Durham
11/12/03

_THE PRESIDENT’S CENTURION (CIA-BANKING CONTRACTOR) Russell Herrman aka Herman was murdered by his own men i.e., U.S. Naval Intelligence aka U.S. Treasury aka U.S. Coast Guard.

Why was he murdered? They thought he owned something, he did not own. He was kidnapped and tortured by his own men (out of Chicago’s Region V.).

Check it out and see who headed up the CHICAGO REGION V. U.S. Naval Intelligence-CIA Offices. You will be dammed surprised at who headed up those offices, and who gave the order, who is presently on the U.S. Senate Judiciary (Sherman Skolnick has many of the answers in his investigations which can be found on

<http://www.rense.com/Datapages/skolnickdatapage.html>

<http://www.skolnicksreport.com> or on .
<http://www.rumormillnews.com> The EVIDENCE

is at
<http://www.theantechamber.net> .

Why was the man murdered? To coverup UN-AMERICAN ACTIVITIES which had been ongoing since the 1970’s involving IRAN, IRAQ etc.

WHY is this MURDER currently being “CONCEALED?” The U.S. Federal Reserve and U.S. Dept. of the Treasury HAVE GOT IN OVER THEIR HEADS in INTERNATIONAL BANKING & MONEY LAUNDERING using other people’s properties without Authorization.

These before-mentioned entities as Agencies of the United States Federal Government, ARE WITHOUT JURISDICTION to “MURDER, AND USE PROPERTY THOUGHT TO BE OWNED BY THE MURDERED INDIVIDUAL.”

Currently; THE EXTERNAL U.S. DEBT exceeds \$400 trillion dollars, all backed by COUNTERFEIT GOLD INSTRUMENTS issued out of the PHILIPPINES by THE “IRANIAN” MUSLIM “AL QUAD” currently underwriting the Al Qaeda (tape recorded verification).

To cover all of this up, and keep the people from knowing about all the AL QUAD aka AL QAEDA mess which was allowed by U.S. SEC. OF THE TREASURY, “RUBIN” who allowed the incorporation of U.S. CORPORATIONS to be incorporated by the AL QUAD, further entering into agreements with the U.S. Fed. R. to “split 50-50 all monies taken down on THE MURDERED MAN’S ALLEGED PROPERTY i.e., BONUS 3392-181”.who currently sit in the Philippines awaiting instructions from the Fed.R./UST as to when to bring the gold home on this “COUNTERFEITING RING OPERATION” which was intended to take down the MUSLIM-SAUDI BANKS,CHINA’S BANKS etc; Actually BACK FIRED putting the FED.R./UST in JEOPARDY by the WORLDS BIGGEST “TRIPLE CROSS.”

Pursuant to Federal Rules of Civil Procedure (28 U.S.C.) undeniable, irrefutable evidence has been provided to Representatives of the People of the United States in conformance with THE EVIDENCE RULES of FEDERAL CIVIL PROCEDURE in the form of ORIGINAL EVIDENCE RULES by providing PHOTOGRAPHS of COL. RUSSELL HERRMAN aka HERMAN’s “Body” in detail.

EVIDENCE OF “SUFFOCATION/ ASPHYXIATION” is visible verifying RUSSELL HERRMAN aka HERMAN suffered LACK OF OXYGEN while in the VA MORGUE FREEZER at the V.A. Hospital in Marion Illinois. The EVIDENCE? THE BODY EVIDENCED MR. HERRMAN aka HERMAN HAVING A ERECTION. The erection is first indicator of “asphyxiation” at post mortem.

We did not post those photos on the first PUBLIC NOTICE due to the respecting of Mr. Herrman aka Herman’s “dignity” even though deceased.

However; This HARD, IRREFUTABLE EVIDENCE was provided to the Illinois States Attorney Feb. 13, 1995, Nashville Illinois. Investigation was denied.

Additionally; The same evidence was provided to U.S. Congressman, John Shimkus of Illinois.

This resulted in U.S. Congressman John Shimkus Office Staff chewing me out, because “Russell was U.S. Treasury. He had no right to break his Code of Silence.” The Evidence alone BREAKS THE CODE OF SILENCE in regards to THIS HOMICIDE.

EVIDENCE was further provided to the ILLINOIS ATTORNEY GENERAL subsequently. ILLINOIS ATTORNEY GENERAL responds in writing:

[quote]
“The Illinois Attorney General’s Office does not investigate criminal matters such as this unless recommended by the State Attorney.”

[end quote]
These photos were provided to U.S. Senator Charles E. Grassley (Sioux City Federal Offices) February 21, 1999. Senator Grassley forwarded on to the FBI. The FBI DENIES any criminal activity involving THE MURDER of COL. HERRMAN aka HERMAN, further sending a nasty letter to the Widow chewing her out for having the audacity to request inquiry. Grassley washed his hands of the HOMICIDE.

Recently; U.S. Congressman, Steve King was provided with “undeniable, irrefutable, hard evidence of the Homicide, MONEY LAUNDERING, UN-AMERICAN ACTIVITIES, TREASON, SEDITION and COUNTERFEITING OF GOLD INSTRUMENTS BY THE “IRANIAN AL QUAD” operating deep inside the U.S. Fed. Government using U.S. Fed. Govt. Corporations to UNDER-WRITE THE AL QAEDA through these U.S. Fed. Govt. Corporations.

U.S. Congressman King was also provided with FICA “FRAUDS” INVOLVING FEDERAL BENEFITS i.e., Social Security Benefits due the Widow, Military Benefits and Insurance’s due the Widow, and her own SOCIAL SECURITY which has been denied by deliberate destruction of Work Histories, plus V.K. 9. V.K. Durham has QUALIFIED all these years under the Existing Laws at the DATE OF INCIDENT... DHHS refuses to pay the DISABILITY due since February 17, 1983?

It was necessary to DENY ALL Federal Benefits due to V.K. Durham aka Mrs. Russell Herrman aka Herman; To keep her with out the funds necessary to find out what really happened to Russell, and protecting HER PROPERTY (BONUS 3392-181, 13,520 ACRES OF GOLD PROPERTY IN YVAPIA AND MARICOPA COUNTIES ARIZONA, WATER RIGHTS TO THE HEMET-SAN JACINTO VALLEY, THE CONTRA ACCOUNTS, \$10 MILLION DOLLARS INSURANCE (SAFECO), \$2 Million Dollar Homein San Jacinto (Offer to Purchase for \$2MM), BOATMANS NATIONAL BANK ACCOUNT (Cosmos Seafood Energy Marketing,

Instead of DOING THEIR DUTY’S AS OFFICERS OF PUBLIC TRUST by conducting as requested; A FULL, FORMAL, FEDERAL, CONGRESSIONAL INVESTIGATION into these matters; THE PATRIOT ACT is imposed which COERCES EVERY U.S. REPRESENTATIVE, LAW ENFORCEMENT AGENCY “TO INTIMIDATE THE VICTIMS” ALLOWING “THE AL QUAD USING U.S. FED. I have been warned; My phones are tapped; My emails are intercepted; Every conversation held inside the home is TAPPED etc.

I have also been warned by U.S. Col. Russell Herrman aka Herman’s “Golden Boys” THE U.S. FED. R./UST HAS PUT A STOP ON ANY MONIES COMING IN FROM INSIDE THE U.S. OR OUTSIDE THE U.S. INTO MY “BANK ACCOUNTS”..

QUESTION? What in the Hell is the Fed. R./UST afraid of that would constitute this type of behavior from either?! They must be afraid of something, because THIS IS NOT NORMAL PROCEDURE. Perhaps they are afraid THE REAL INSTRUMENTS will give the COUNTERFEITS a run for their money.

*Of course (I am told); THEY WANT TO GET CONTROL OVER THE INSTRUMENTS ON BONUS 3392-181... Well, the FED. R./UST might as well “spit in one hand, and Sh*t in the other” before that happens.*

We saw their GOOD INTENTIONS when we paid the U.S. DEBT with \$6.5 TRILLION DOLLARS GOLD COLLATERAL issued May 21, 2003. THE BASTARDS USED IT “PLAYING THE STOCK MARKETS” instead of CREDITING THE DEBT back to THE PEOPLE.

*I will restate: “They can spit in one hand, and sh*t in the other”.. They i.e., THE FEDERAL RESERVE BANKING SYSTEM, NATIONAL AND INTERNATIONAL; HAS STOLEN ALL THEY ARE GOING TO STEAL FROM THE AMERICAN PEOPLE!*

Fellow Americans; THIS IS NOT “WHAT THIS COUNTRY IS ABOUT!” For these U.S. Fed. Governmental Agencies to INFRINGE ON “RIGHTS TO PRIVACY AND CIVIL LIBERTIES” further DISCOURAGING U.S. REPRESENTATIVES FROM “DOING THEIR

DUTY AS OFFICERS OF OFFICES OF PUBLIC TRUST” further causing these U.S. REPRESENTATIVES TO VIOLATE THEIR “OATH OF OFFICE” while making these Representatives Accessories to the Act of Homicide, before, during and after the fact.

I will re-state; THIS IS NOT WHAT IS DEFINED AS “CONSTITUTIONAL REPRESENTATION BY THE U.S. FEDERAL GOVERNMENT” This is TREASON AND SEDITION by MOB RULE.

It is believed, time has come for We, the People to; CALL A “NATIONAL GRAND JURY” to inquire into these Acts of Sedition and Treason against WE, THE PEOPLE by those U.S. Federal Government Agencies “abusing the powers authorized by the U.S. Federal Government.” It is time we as a nation of people of the Sovereign Civil Governments in unity, make qualified determinations in regards to ABUSE OF POWER and ACTS OF CONFLICT OF INTEREST by the U.S. Federal Government against the Sovereign Civil Governments of the We, the People of the Republics of the Union of the United States of America.

Bye the way; THE WIDOW HERRMAN aka HERMAN aka V.K. Durham is also denied ALL MILITARY & FEDERAL BENEFITS “Mr. Herrman aka Herman and I lacked TWO days being married “long enough to qualify” for his Social Security Benefits”... Documents have been provided by the MINISTER PASTOR LOHANES stating this was a second marriage ceremony due to the marriage license of the first marriage (October 27, 1987) was lost, and we were married outside the U.S. Plus, Witnessed Affidavit by a Witness present at the October 27, 1987 Marriage has been IGNORED by DHHS, along with Statements by family and friends.

DID YOU KNOW? IF I WAS A ILLEGAL ALIEN; HELL I WOULD HAVE QUALIFIED YEARS AGO! V.K. Durham aka

Mrs. (Col.) Russell Herrman-Herman, Widow

This web site is set up to fully inform the following;

INTERPOL
Law Enforcement (Duly Constituted), and NATIONAL and INTERNATIONAL BANKS of Counterfeiting of Gold Instruments by those authorized by the U.S. Fed. R./UST issuing said Counterfeit Gold Instruments, Joint Venture Agreements etc, out of Makita City Philippines underwriting the Al Qaeda using U.S. Corporations to SCAM THE INTERNATIONAL BANKING, FINANCING and ECONOMIC SYSTEMS with “Counterfeit Gold Instruments.”

Taking into consideration the PREDATORY BANKING PRACTICES of ORGANIZED CRIMINALS operating within the U.S. Federal Reserve/U.S. Dept. of the Treasury who have raped nation after nation, murdered and caused the deaths of hundreds of millions of persons around the globe; We will be more than happy to JOIN with those BANKING CARTELS currently opposing THE ROTHSCHILD CORPORATIONS known as The U.S. Federal Reserve Banking System and the U.S. Foreign Federal Reserve Banking Systems.

These are not U.S. Federal Government Offices. These are merely U.S. Corporations authorized to

“manage money and pay the U.S. Debts.” In doing so, these CORPORATIONS have ABUSED and MISUSED, THE GRANTING OF “AGENCY” AUTHORITY by; the Act of Congress mandatory “All acts must at all times be in compliance with Law.”

We will be more than happy to JOIN THOSE OPPOSING THIS “ORGANIZED CRIMINAL CORPORATE ACTIVITY.”

This UNLAWFUL, UN-AMERICAN “CORPORATE” ACTIVITY has caused over \$400 Trillion Dollars in EXTERNAL U.S. DEBT via COUNTERFEIT GOLD INSTRUMENTS which were designed to take down Central Banks of other Nations. Instead, the ones authorized by the Fed.R./UST turned the tables on the U.S. Fed.R./UST.

Extortion and Racketeering Practices, Murder for Profit, Conflict of Interest, Excessive Abuse of Offices of Public Trust are the reasons for “accepting the invitation to JOIN the opposing BANKING CARTELS who are opposed to this PREDATORY BANKING OF THE U.S. FEDERAL RESERVE BANKING SYSTEMS “CORPORATIONS” OF THE ROTHSCHILD BANKING.”

We are not “anti-American;” We are ANTI ORGANIZED CRIME, EXTORTION, RACKETEERING, COERCION, INTIMIDATION, MURDER FOR PROFIT (MURDER INC.) AS DEFINED IN “TITLE 18. U.S.C. CRIMINAL CODES. RICO STATUTES.”

This type of Un-American Activity is not conducive to the betterment of GOOD INTERNATIONAL RELATIONS as relating to THE CITIZENS OF THE UNITED STATES OF AMERICA.

We will be happy to ACCEPT THE OFFERS TO JOIN with the opposing Banking Cartels.

EJ CLOSING COMMENT:

One of the several reasons why we must spend our time, money and energy responding to VK’s inane claims and accusations is that we are in a part of the world where most of the people do not have the knowledge base from which to make the logical comparisons needed to sort truth from fiction and are thus conditioned to accept foreigners’ statements, especially when they are in writing, as truth. For instance, how many Americans could buy her fabrication: “\$400 Trillion Dollars in EXTERNAL U.S. DEBT via COUNTERFEIT GOLD INSTRUMENTS which were designed to take down Central Banks of other Nations”? Unhappily, in countries wherein currencies are 50 or 100 or 10,000 to one US dollar, trillions are easier to accept.

Another “for instance”: VK has falsified documents to show that she and Russell Herman were married December 2, 1993. Now, in Public Notice (#1) she says he signed a “document known as CODICIL TO LAST WILL AND TESTAMENT” on that very same day. We find it strange that this new document took nearly ten years to find its way to the surface. If any of those marriage documents had been authentic she would have been collecting benefits from the US government as his widow but she even failed in that endeavor.

We will thank her, however, for her never-flagging assertions that the asset is owned by Cosmos Seafood Energy Marketing, Ltd. She claims that to be in her Trust, but no one can find her Trust because it does not exist. However, if you use the Internet and go to the Secretary Of State, Nevada, (<http://sos.state.nv.us/corpsrch.asp>), you will find it there with Mr. and Mrs. Ekker listed as its Officers.

EDITORIAL COMMENT

I, DJE, have been asked to type and recopy several documents. I will do so to the best of my ability and as time permits as I would if assembling a “*NEWS DESK*”. The writing will be long and may have to be separated as to topic and space requirements.

We have no one currently doing a “News Desk” section for the paper, *CONTACT*, and we ask for your patience. Hopefully, when we can resume regular publication, we will also find some one willing to find, read, sort, organize and comment on those articles unique and topical enough for a “News Desk” and also make room for many additional recognized contributors. In the meantime, we will do the best we can.

By the way, for you curious and continued inquirers: We did not EVER pursue anyone called VK Durham. She came, she used, and we have to realize she ASSUMED involvement into and within our business. We found the woman to be without moral purpose or intent and we found NO TRUTH IN HER. We did make an attempt to help her and then attempted to help her realize what she claimed she held—but did NOT!

We received, yesterday, a very warm greeting from a close associate and friend in South Africa. He has asked that he might send a message to VK Durham regarding her attacks. He was sending it anyway but felt it courteous to inform us.

We laughed for the MO of one VK is to disconnect the FAX, etc., and refuse to accept a message which she did not pre-plan or write for herself. The party, AB, wanted to make sure she got the message, etc.

Well, the only way one can, I suppose, insure VK gets a message is to put it right out there in the paper, *CONTACT*, for she reads every word before even we get a copy.

So, with that in mind, no, I do not mind copying the text and the cover letter. We will not, however, publish personal information or specifics. We will offer a mailing box address but no phone numbers. He does not utilize email—to our knowledge.

We will clear that material out of the way first because the latest barrage of insulting VK material is yet to reach Mr. AB and we recognize it will increase his “indigestion” and for that we might well be “sorry” but we cannot impact it.

The following will be direct copy from a FAX received 8:45, Mar. 18, 2004.

[QUOTING/COPY:]
18 March 2004-
Dearest E.J. Ekker,

I wish to inform you that since 1st January I live home in the same suburb, and that my tel/fax no. is the same. I have some security now, but the whole city is very rough; in fact, lately I’ve been attacked (I was the only white around) and I got away only with a swollen jaw, while a brick was supposed to test the hardness of my skull. Luckily, I can still tell the story, and certainly Someone UP-There is helping me to

complete my little part in the GAIA program. Every now and then I do have these awakenings, but I believe in the immorality of man...

- The promise of a banker to come and meet me about GAIA, is still a promise.
- My trip to Italy is getting nearer every month. I will let you know.
- The cartoon below perhaps provides an answer to some previous questions. [FAX copy of cartoon is illegible. It is a “Hagar the Horrible” and concerns “Why me...?” Sorry.]
- I have read that John Kerry, the Democrats’ candidate in the USA, is a Skull and Bones man, and so in November two clansmen will put up a show. In a Jewish newspaper it was reported that his grandfather, Fritz Kohn, was a Jew who went to the USA FROM THE Austro-Hungarian Empire and then converted to Catholicism.
- By the middle of April we’ll know the result of our elections. The situation is volatile and dangerous.
- I would like to send V.K. Durham the writing below which I submit first to you, and which can be kept as a record by yourselves, as the previous one. I do not know if this time she will talk to me, or will allow the fax through, but I’ll inform you of the outcome. (I’ll call you next week)—AB
* * * *

ATTENTION V.K. DURHAM

On 9 March 2003 I faxed to you 2 pages of material concerning the Moslems after a short telephonic conversation. I’d have liked to receive an answer, but it never came.

After one year I have read on the newspaper *CONTACT* a letter dated 1 Feb. 04, in which you and your gang refer again to the Moslems and the Ekkers.

In my previous and very clear message to you, I explained what I have personally experienced in my several years of dealing with a big number of Moslem nations, mostly at top levels, often at the highest. You refuse to acknowledge and swallow the results of my direct interchanges with them, and by not replying to me, and by continuing with your attacks on the Ekkers in this matter, you prove your dishonesty which has been your typical behaviour for too long now.

Whenever the Moslems are touched, in their positive or negative aspects (I should add the Hindus, Jews, and obviously the Christians, but this doesn’t concern you here), I feel that I have enough ‘ammunitions’ to intervene if the interchanges somehow regard me too.

In one of your previous assaults on the Ekkers you accused them of defrauding the Moslems of \$15 trillions, to which I’ve replied, and now you claim that the Ekkers have instead formed an alliance with them and their Islamic banks and Al-Qaeda to destroy the Federal Reserve and the other western banks. Quite astonishing indeed!

You mentioned the gold Dinar, and I want you to know the following:

1. Before the Ekkers went to Manila I was dealing with the local representative of the Sufi of the Murabitum, a group that was already minting the Dinar (gold) and the Dirham (silver) coins, of which I saw the various types and sizes, and I have photos of them. Unfortunately, the response from the local Moslems was totally disappointing, to which it must be added their newspaper [was] meant to educate their community on

this matter, besides the religious and political affairs.

I have all the copies of this now-closed-down publication for future reference. I gave the Rep. several copies of the contract 3392-181, to be passed on to other members of this particular Sufi group at 2 international conferences in Europe and North Africa, in which the Dinar/Dirham plan was discussed.

The international leader of this plan is Mr. Umar Ibrahim Vadillo, and he received a copy too. He is a Spanish, now living in Scotland, where their Head Office is.

These people are very hostile to the non-Moslems, that they call Kaffirs (non-believers), and they even feel superior to the other Moslems, for they consider themselves the holders of the true and original Islamic teachings.

From my direct experience with them, and from their peculiar utterings in their publication, I can state that it is a pretense with a high degree of fanaticism, and that they have a limited knowledge of how the system really works, although their desire to return to a just trade based on the exchange of gold and silver, without usury (riba), is certainly of high merit.

In Feb. and March 2001, Mr. Vadillo came to South Africa and I jumped on the opportunity (all data are in my possession). He received personally the new greatly improved version of the Contract, and after a few days of reading it we spoke for one hour. Being an expert in financial matters (he wrote a small book on the Islamic system and several articles in their publication, which I have), he quickly understood the GAIA offer, or so it seemed. He had his plan backed by several Moslem authorities, some Islamic banks, and a couple of mints. GAIA had the collateral, while the Marcos’ gold was not clearly in the picture yet.

Before Mr. Vadillo left South Africa we spoke on the phone for another 20 minutes. With Murphy I had a chat again in May. He also got the Contract.

All of us agreed to cooperate and it seemed (!) we would accomplish our respective goals. Vadillo even promised me that he would go and meet the Ekkers in Manila in his forthcoming trip to Indonesia. I kept in touch with him by phone and fax in Scotland in order to get an update of his progress. He never called me.

Abruptly, his contact number was changed and there was total silence. The local leader told me some general happenings, but didn’t want to give me the new tel. number of his boss. One day I was told that Vadillo didn’t go to meet the Ekkers because the Philippines was dangerous(!). This may answer your accusation that life in Manila is “sweet”. I do have the permanent address of the organization in Scotland, but what’s the use?

I heard that the Dinar plan goes on slowly and painfully, but will their gold be enough? Are the Moslem nations rushing to it?

The above story should discredit your incessant accusations of the Ekkers for ‘conspiring’ with the Moslems to break the Federal Reserve and the other Western banks.

2. For what concerns the Islamic banks, I dealt with the only one here that caters mostly for Moslems. It is a branch of an Arab bank, and they replied: “Not interested”. All the other many banks of the system in South Africa and neighbouring nations approached by myself: Europeans, Indians, Taiwanese, etc., gave me the same answer.

I can conclude that your constant assaults towards the Ekkers are, according to me, based on sheer wickedness with intent to hurt, and with a sadistic pleasure to inflict pain at all costs till the end, and on deep envy for the fantastic progress (success) made in this impossible mission, in which a high degree of patience, endurance to suffering, and a daily spitting blood on all fronts, have been the inevitable ingredients to reach the goal; your desire for revenge for personal reasons, among which the exposure in the public domain of your deceptions and lies by people who are morally and spiritually beyond reproach; the awareness that your gigantic ego and presumption have been hammered to smithereens in every respect and in every encounter;

your desire to even ‘hurt’ Hatonn (as He once mentioned) through your attempted (but failed) neutralization of His faithful (and indestructible) servants. How idiotic of you!

This deadly situation in which you have put yourself and your helpers, has now become a vortex of desperate actions that border on insanity and self-destruction, which is typical of many criminals when squashed in an inescapable corner.

The GAIA program, with its mind-boggling value and mountains of gold, will bury you and your accomplices, and my suggestion is that you should start preparing to flee your country and find refuge in a nation with no extradition agreement with the USA, if you have the ‘bucs’ and the connections to do so. Nowadays it is nearly impossible to hide even in the Amazon, but with a plastic operation on your face and a false passport, you may delay your fate a bit.

Perhaps you have had a role to play in this whole saga, but I can’t say.

Before I close I’d like to ask you if any of your parents or grand-parents were of Jewish lineage? I hope that this time you’ll reply to me to both of my writings, by mail, fax or phone.

In my previous writing I ended with “Respectfully yours” but this time I can’t.

Reminder

The GAIA program shall be implemented in the Philippines by the Ekkers! Period.

P.S.:

Two days before sending this writing to you, I have read in the latest *Contact* (March 10, 2004), which follows the previous issued mentioned above (Feb 25, 2004), another of ‘your’ articles (dated Feb. 6, 2004). You say: “..... the WEAPONS OF MASS DESTRUCTION were, and are ‘COUNTERFEIT’ gold instruments used to bankrupt or try to bankrupt the ASIAN BANKING and ISLAMIC BANKING.. WITH THE THROWING IN OF THE EUROPEAN UNION’S BANKING SYSTEM!”

So, only 5 days after stating that the Ekkers are working with the Moslems and their banks and Al-Qaeda to destroy the Federal Reserve and the other Western banks, you affirm that the Ekkers have changed their minds and are instead willing to bankrupt the Moslems. Initially you asserted that the Ekkers had defrauded the Moslems of \$15 trillion!

I am now nearly convinced that alcohol, as publicly confirmed by witnesses, has irreparably damaged your brains; perhaps there is also an incipient, if not advanced, form of bovine spongiform encephalopathy, better known as mad cow disease.

It is certain that the combination of these is even more deadly. I truly pity you.

[AB]

[END QUOTING/COPY]

Facts are that VK has done her dirties all over everywhere and certainly damaged and put into jeopardy the very lives of people who were TRYING TO HELP HER in the beginning. Remember that there was something prior to GAIA as herein referred and that was prior to Ekkers’ travels to Manila.

How can these people attached to VK make way for “forgiveness”? Well, they can’t and “forgiveness” is not an issue—but perhaps atonement and PARDON might be the consideration at some point.

I trust you readers will understand that we will no longer protect VK from herself for we have NOTHING which interchanges, impacts or connects with anything she does. She was behind the absurd Land Claims, the NESARA garbage and you name it. There is no Trust of any kind in her keeping and she has NO CLAIM whatsoever to the assets of anything once transferred to Cosmos Seafood Energy Marketing Ltd. OR ANYTHING ATTACHED OR RELATIVE TO GLOBAL ALLIANCE INVESTMENT ASSOCIATION. VK Durham is obviously a proven cheat, thief, liar, fabricator, “Mammonator” and FRAUD.

[END OF SEGMENT]

Ed: More segments to come, presumably.

“Bull” Durham Piles It Even Higher

In keeping with the advice of counsel, we present even more from VK Durham’s more recent postings at www.theantechamber.net. Hip waders are recommended but in any case keep your barf bags handy as you work through this mess, readers. There simply is no better way to demonstrate her lack of mental competence. [QUOTING:]

They should think, very carefully about this “process”..— The Republic of the Union of the united States of America “IS NOT BROKE!” The correct phraseology is THE U.S. & ENGLISH CORPORATIONS KNOWN AS THE FED. R. BANKING SYSTEM; IS BROKE. We have the CORPORATE U.S. LIENED. We have all debtor nations liened also, who have not paid THEIR DEBTS to the We, the People’s “Treasury Trust”..

(Formal Notice of lien was made to both Congress and the President. Bill Clinton responded with a thank you, and Newt Gingrich resigned shortly thereafter).

No legislature, No President can “cancel indebtedness”.. That is THE LAW. They are prohibited from INTERFERING WITH CONTRACTS. THAT IS THE LAW. ONLY THE “CREDITOR” can forgive or cut a deal on THE DEBT owed to THE CREDITOR. THAT IS THE LAW. The only Law that can effect the CONTRACT “THE ONE TIME ONLY BONUS 3392 is; THE LAW IN EFFECT AT THE TIME & DATE OF CONTRACT. No ex post facto law can touch it. The FED R./UST got themselves into THE AL QAEDA MESS..., They were big boys when they CUT THE AGREEMENT with GAIA-EKKERS. We paid THE U.S. & AMERICAN CONTINENTAL DEBT and “they are sure as hell big boys enough to take their medicines from THE VICTIMS.” Never again will THE AMERICAN PEOPLE be forced out of their LAND, HOMES etc by this UN-AMERICAN TACTICS of the PIRATE CORPORATIONS OF THE CROWN OF ENGLAND. Time they went back to England, and let Americans get about their BUSINESS of GETTING THIS CONTINENT BACK ON TRACK with their 24% (U.S.)and 24% (S. OF U.S. BORDERS, PLUS TERRITORIES) OWNED BY THE PEOPLE, HELD IN TRUST..

Back in the fall of y2k, a U.S. Citizen visited the Trust. This individual represented the Banking “Control Group.”

**We sat and listened as it was told by the
Representative of the Banking Control Group:**
”George Bush has just been anointed as the next president of the United States. Once he is in the Office of the President; He will sit down, shut up, and do as he is told. Or else.

*There is a Banking War going on between the Fed. R. Banking Systems and the **other banking cartels. The other Cartels intend to bring the Fed. R. down. The Fed. R. has become too abusive, in every nation it is allowed to conduct business.***

The Banking Control Group knows about the Trust. They know it is THE TRUST who owns the Bonus 3392 and 181.

The TRUST is required to STAY OUT OF EUROPE. Once the Fed. R. and UST is taken down, THE TRUST CAN PICK UP THE PIECES and put the US back together.”

There is more, but the story was told with supportive documentation, irrefutable evidence to the U.S. Sec. Service on May 23, 2001

The TRUST was told later by U.S.S.S. “Our only duty is to protect the president of the US. We will not investigate.” The U.S.S.S. was reminded by the TRUST of their Duty to the American People and 18 U.S.C. St. 471’s provisions in regards to COUNTERFEITING PRIME BANK INSTRUMENTS.

The position of the U.S.S.S. remained the same as before: “Our only duty is to protect the president of the US. We will not investigate.”

The TRUST at that time informed the U.S.S.S.
“You have a duty to protect the We, the People of the united States of America. You know it! This TRUST knows it! If you refuse to protect the We, the People; THE TRUST WILL.”

THE ENGLISH PIRATE CORPORATION(S) operating within and without the United States, operating a GORDIAN KNOT^(Click) group of Banking Buddies known as THE U.S. FEDERAL RESERVE

and U.S. FOREIGN FEDERAL RESERVE BANK-ING SYSTEMS along with THE COUNCIL ON FOR-EIGN RELATIONS, unfortunately entered into Agree-ments with Global Alliance Investment Association a Nevada Corporation, corporate officers E.J. Ekker and Doris (Eloise) Ekker back in 1997-98 (PUB-LISHED BY THE GAIA-EKKERS) to use BONUS CERTIFICATE 3392-181 “gold collateral”.

This agreement (PUBLIC PRINT)
<http://www.theantechamber.net/VkDocuments/DocGroupG/Gpage4.html> allowed a 50%-50% split between the GAIA EKKERS and the Fed. R./UST on all monies taken down off shore in regards to these now known; “Not now performing gold derivates” written on BONUS CERTIFICATE 3392-181” which has become THE EXTERNAL DEBT OF THE US.

The GAIA-EKKER’S proceeded to pounce on un-suspecting Islamic, Asian, S. African, Lybian, Indonesian, Malaysian, Japanese, Argentinean and other Latin American Banking Systems with “not now performing gold derivatives”.. written on BONUS CERTIFICATE 3392-181. (there is not, nor has there ever been a “BONUS CERTIFICATE 3392-181”)

The ENGLISH PIRATE CORPORATIONS known as the US Fed. R. BANKING SYSTEMS knew there was no such thing as a BONUS CERTIFICATE 3392-181.

This Banking Frauds on a Global scale (tape recording of the meeting)

“Was intended to take the global banking, financing and economics hostage .

For whatever purpose, is unknown, however; GAIA-EKKER’S published the entire process in CONTACT: THE PHOENIX PROJECT JOURNAL. It was carefully described as to how the Islamic Banking etc., was to be manipulated through WAREHOUSING of the Receipts and CONVERTING THE RECEIPTS AS “COLLATERAL” and purchasing GOLD.

We have in file, as does the U.S. SECRET SERVICE and INTERPOL verification of the GAIA-EKKER’S UNDERWRITING a spin off of the AL QAEDA known as AL KADA in Ghana.

Their own PUBLISHED “underwriting” of the ABBU SAYEFF and Moro Islamic Liberation Front was also provided to THE US SECRET SERVICE and INTERPOL.

*** These dissident groups i.e, ALL KADA,
<http://www.theantechamber.net/VkDocuments/DocGroupH/HpagePage5.html> AL QAEDA, MILF etc., put up 50% in Gold or Property for “not now performing gold derivatives” after being told “the instruments were collectable upon term of 180 months (some shorter term) from THE U.S. TREASURY AND U.S FEDERAL RESERVE.”

These dissident groups upon presentment for payment to the FED.R./UST are told “the instruments are worthless”.. This is the reason for THESE DISSIDENT GROUPS causing Civil Unrest around the globe, and THE HATRED of the US expressed globally.

If this does not OPEN CONGRESS’S EYES; Nothing will.

In the meantime; The GAIA-EKKERS continue to conduct business WITH DIPLOMATIC IMMUNITY while operating out of the Philippines?

Additionally, while about the business of the PIRATE ENGLISH CORPORATIONS know as the Fed. R. Banking Systems, they have used “not now performing gold derivatives” to pirate/steal properties throughout the island chain all the way to the Asian Mainland, which holds more than considerable oil reserves.

THE DEBT of the U.S. and The American Conti-nent has been paid. It’s time, these ENGLISH CROWN PIRATES^(Click) known as THE FEDERAL RESERVE BANKING SYSTEMS shipped out, and GO BACK TO ENGLAND.

These Foreign Corporations are not “Federal” they are “quasi” federal agencies who have abused their powers enumerated in the Acts of Congress allowing them to do business as a Banking System in the U.S. and U.S. Foreign Banking Activity.

Fellow Americans; This is what THE HOMELAND DEFENSE is protecting.

World Choosing Sides
http://www.theantechamber.net/V_K_Durham/WorldChoosingSides.html

OVERWHELMING OPPOSITION to the U.S. current position, is raised by over 50% of our former allies, Germany, England, France, Spain and Italy etc.

”Your either for us. Or your against us” states president Bush.

IT IS OBVIOUS by the 50% opposition, as to how our former allies stand.
WHAT IS IT THESE FORMER ALLIES ARE AGAINST which is a “common denominator?”

1. They are against the Predatory Banking Practices of the PIRATE English Crown Corporations known as The U.S. Federal Reserve and the U.S. Foreign Federal Reserve Banking Systems, and

2. They are against the PREDATORY CORPORATIONS agents “Corporations” Monopolization of global industry, global manufacturing which has created loss of jobs, loss of infra-structures, loss of natural resources, loss of ability of “Self Governance”, destruction of Constitutions, Mass Migrations of Jobless moving from one country to another, Denial of Civil Liberties, Denial of Constitutional Rights, Contamination of Drinking Water “resources” by these corporations operating with immunity who produced the contaminates, or caused the contaminates by mining etc., and EPA-GAIA refusal to ADDRESS the issues of the “Monopoly Corporate Contaminator” etc, and the list goes on.

3. TREATIES INTERNATIONAL AGREEMENTS OTHER THAN TREATIES ”Commenced 1984. Concluded November 17, 1986. Into full force and effect. Done at Washington (the White House) No. 12087 (Document can be obtained through the Government Printing Office, Washington, D.C.)

This created a special group of DRUG & MONEY LAUNDERING corporations via THE MULTI-LATERAL INTER-AMERICAN INVESTMENT CORPORATION. And; The Inter-American Development Bank (Bank Reconstruction Act No. 2).

This operation (LATIN AMERICAN CONTRA AFFAIR) operated throughout Latin America. It was under THE U.S. FEDERAL RESERVE & U.S. FOREIGN FEDERAL RESERVE BANKING SYSTEM, BCCI and BANK OF ENGLAND primarily. But, Japan, Norway, The Netherlands, Israel (amongst a few others) were or are also involved.

They will tell you This Agreement does not exist. In a pigs eye! This Agreement allows the “circumvention” of Congressional Oversight. These Agreeing parties “have their own Articles of Incorporation” which allows them to OPERATE ABOVE THE LAW.

These CORPORATIONS settle “MATTERS OF DISPUTE” amongst themselves. NO COURTS!? NO CONGRESSIONAL OVERSIGHT REVIEW?!

Currently Investigations into the Banking Practices of BCCI and BANK OF ENGLAND has provided some interesting “accounts and account transactions” which involves arms dealing, drug money and other such” (England’s Anti Corruption Act of 1905).. BUT! Believe it or not THE CROWN CORPORATIONS OF THE “MORGAN PIRATE SYNDICATE” known as THE U.S & U.S. FOREIGN FEDERAL RESERVE BANKING SYSTEMS are not under investigation?

- a. These corporations downsize,
 - i. Jobs formerly done by PEOPLE are converted and COMPUTERIZED
 - ii. They PAY NO TAX’S in THE ENGLISH FREE TRADE Systems
- b. Unlawfully use Retirement & Pension “Trusts” of the workers
- c. As with ENRON, they go to the White House as advisors, instead of going to prison?

3. They are against THE CROWN’S CORPORATIONS (FED. R. BANKING SYSTEMS) clandestine operations (Agreements with the GAIA-EKKER’S^(click), to issue out COUNTERFEIT GOLD INSTRUMENTS knowing the Victims and Global Victim Nations Banks would collapse.

CHRISTIAN is pitted against MUSLIM in a global Jihad against We, the People.

WHY?!

Because the U.S.A. a Christian Nation is thought to have SCREWED THE MUSLIMS by COUNTERFEIT GOLD INSTRUMENTS and Oil credits alleged to be backed by “BONUS CERTIFICATE 3392-181”...(the MEMORANDUM)^(Click) in a global, predatory banking scam “agreement” between THE U.S. FEDERAL RESERVE, THE U.S. FOREIGN FEDERAL RESERVE (CROWN CORPORATIONS) The Crown of England’s Knights such as Sir Alan Greenspan, Sir Geo. H.W. Bush, Sir Colin Powell and the U.S. Department of the U.S. Treasury. All involved in what the Islamic/Muslims call THE SECOND CRUSADES regarding the aggressive tactics of the U.S., England deceptively (now proven as

deceptive info coming from ISRAEL’S Mossad Intelligence) on which the IRAQ war was based.

These PREDATORS of the CROWN OF ENGLAND’S BANKING CORPORATIONS in this special Agreement, done at Washington, D.C. into full force and effect November 17, 1986 intentionally, with deliberation and deceptive practices made or allowed the MUSLIM and CHINESE banking to believe the COUNTERFEIT GOLD INSTRUMENT Operation.

Sir Geo. H.W. Bush “authorized” James Baker III to “use” the “BONUS 3392-181” in 1991, even though He had been denied by the Owner/Holder the Underwriting for Saddam Hussein’s “Agriculture Program” in 1988.

U.S. SEC. of THE TREASURY, RUBIN and Lawrence Summers allowed the GAIA-EKKERS to incorporate

(a) THE MULTI-LATERAL INTER-AMERICAN INVESTMENT CORPORATION and

(b) THE INTER-AMERICAN DEVELOPMENT BANK, which

(c) Empowered the GAIA-EKKER’S with DIPLOMATIC IMMUNITY.

(d) The Non Governmental Agency known as THE COUNCIL ON FOREIGN RELATIONS also “Agreed not to interfere” with the Agreement between THE GAIA-EKKER’S and the Crown of England’s PIRATE CORPORATIONS called the Fed. R. Banking Systems,

(e) as 50% IN GOLD was collected from the UNDERWRITING OF THE AL QAEDA (and various spellings) “HUMANITARIAN PROJECTS.”

THE MUSLIMS DISCOVERED THE INSTRUMENTS WERE “NOT COLLECTABLE” AS ALLEGED.

THE MUSLIMS blamed We, the People of the United States of America.

THE MUSLIMS should have blamed, and blamed correctly The Crown’s PIRATE CORPORATIONS known as the U.S. and U.S. Foreign Federal Reserve Banking Systems and the QUEENS “KNIGHTS.”

A simple resolution would be “NOT ALLOWING THESE CROWN CORPORATIONS TO OPERATE” in the victimized GLOBAL BANKING, FINANCING AND ECONOMIC SYSTEMS.

The English Parliament’s CORNER HOUSE (April 5, 2001 (?) INVESTIGATION REPORT addressed these “CORPORATIONS” problems, and further addressed THE FOREIGN CORPORATIONS not being a Jurisdiction of England. However; Parliament did state THE LAW OF THE LAND could over come this problem along with THE ANTI CORRUPTION ACT OF 1905.

This “Anti Corruption Act of 1905” (of England) is a corresponding Act, designed to walk hand with the U.S. ACT’S known as THE SHERMAN ANTI TRUST ACT and THE CLAYTON ACT. Sec. 8. MONOPOLIES.

These Acts before-mentioned were put into Full Force and Effect, and based on the J.P. Morgan, W.R. Grace, Rothschild’s and London Stock Exchange, English Bond Holder of Peruvian BOND DEBT “Fraudulent Practices” in Peru in

the 1870 and 1872 FRAUDS which forced Peru into a “fraudulent 60 year receivership.”

W.R. GRACE alleged he bought up all the Peruvian Bonds...DUH!? He bought up THE ENGLISH BONDS

HELLO! HELLO!

A ROUND OF APPLAUSE FOR THE AMERICAN BOND/CONTRACT HOLDER; “PLEASE”

April 14 through the 27th,1875 Peru called a special Legislature.

Peru, invoked the Constitution of Peru of 1862 to be given the Constitutional Authority to enter into THE ONE TIME ONLY BONUS 3392 COMMODITY CONTRACT, knowing they had been SET UP (by W.R. Grace, J.P. Morgan and the English Rothschild Banking, along with The London Stock Exchange) and issued THE AMERICAN BOND/CONTRACT sold in New York, New York, U.S. May 1, 1875, known as THE ONE TIME ONLY “BONUS 3392” COMMODITY CONTRACT and a Certificate of Indebtedness (no coupons)..which are held by DEED and OWNED by THIS TRUST.

In order to stop the MORGAN SYNDICATE (Crown of England), Peru made substantial INTEREST RATE PROGRESSIONS in the Commodity Contract “The one time only BONUS 3392).”

In addition to the “progression of interest rates, due in gold at its highest price” provisions; 7 PERCENT SEMI ANNUALLY ON THE PRINCIPLE and 7 PERCENT ON THE INTEREST SEMI ANNUALLY was also LEGISLATED.

Further, in addition; BY LEGISLATIVE ACT “THE ONE TIME ONLY BONUS 3392 COMMODITY CONTRACT HOLDER/BEARER” was given the Legislative Authorization the RIGHTS TO MORTGAGE THE NATURAL RESOURCES OF PERU “UNTIL PAID”...

THE U.S. assumed the DEBT of PERU through the Dept. of Ag. 1905-06 the U.S. Congress Ratification of assumption of Debt referred to as THE LATIN AMERICAN BILLS OF LADING sold in the U.S.

This PAYMENT OF LATIN AMERICAN “BILLS OF LADING” was addressed when the U.S. Foreign Federal Reserve Banking Act called THE EDGE was put through Dec. 24, 1919.

The “FED. R.” stated, in said Act: “We are not prepared, nor are we willing to pay the Latin American Bills of Lading sold in New York.”

ANOTHER “FRAUD” by THE DEBTORS which was intended TO AVOID DEBT PAYMENT which THE FED. R. BANKING SYSTEMS “ASSUMED” when assuming the U.S. Debts.

THE U.S. OBLIGATION OF DEBT PAYMENT

“We do not so read the Constitution.”

(American Judiciary 1935)

“There is a clear distinction between the power of the Congress to control or interdict the contracts of private parties when they interfere with the exercise of its constitutional authority, and the power of the Congress to alter or repudiate the substance of its own engagements when it has borrowed money under the authority which the Constitution confers. In authorizing the Congress to borrow money, the Constitution empowers the

Congress to fix the amount to be borrowed and the terms of payment.

By virtue of the power to borrow money “on the credit of the United States,” the Congress is authorized to pledge that credit as an assurance of payment as stipulated,—as the highest the Government can give, its plighted faith.

To say that the Congress may withdraw or ignore that pledge is to assume that the Constitution contemplates a vain promise, a pledge having no other sanction than the pleasure and convenience of the pledgor. This court has given no sanction to such a conception of the obligations of our Government.

When the United States, with constitutional authority, makes contracts, it has rights and incurs responsibilities similar to those individuals who are parties to such instruments. (John N. Perry vs. The United States Debt. 294 U.S. 330.”

THE PERUVIAN LEGISLATURE “INVOKED THE CONSTITUTION OF 1862” for Constitutional Authority to enter into THE ONE TIME ONLY BONUS 3392 COMMODITY CONTRACT.

THE U.S. CONGRESS invoked the Constitutional Authority TO ASSUME the Peruvian DEBT in 1905-06.

THE CROWN OF ENGLAND’S PIRATE CORPORATIONS (Fed. R. Banking Systems) have REFUSED to pay the DEBT.

The Crown of Englands PIRATE CORPORATIONS entered into agreements with the GAIA-EKKER’S to “TERRORIZE and TAKE HOSTAGE the GLOBAL BANKING, FINANCING AND ECONOMICS” with Counterfeit Gold Instruments (Abusing the Code of Silence with THE EKKERS-GAIA statement on recording).

IT CAN BE SAFELY ASSUMED, WE ALL AGREE; ENDANGERMENT OF OUR CIVIL LIBERTIES AND CONSTITUTIONAL RIGHTS has occurred.

It can further be safely assumed:

International Tribunals and U.S. CONGRESSIONAL “OVERSIGHT” is required in these matters of HOSTILE AGGRESSION AND ACTS OF TERRORISM brought about by THE AGREEMENT between THE GAIA-EKKERS and The FED.R./UST Banking.

IT SHOULD BE VERY CLEAR why the Constitution must BE RE RATIFIED.

THE “LAW OF THE LAND” is guranteed by the SIXTH AMENDMENT’S SUPREMACY CLAUSE. It takes precedent over these LAW OF THE SEA multi national agreements implemented to overthrow THE LAW OF THE LAND.

Note:

Documents reflect 5,868 unauthorized uses of Bonus 3392-181 collateral by the FedR/UST. The before mention documents plus IMF and World Bank records are the “Weapons of Mass Destruction”..... Further records show, that over 62,000 more of these bogus unauthorized uses were moved into the Far East by FedR/UST banking associates.

[END QUOTING]
Ed: ‘Nuff said? The unfortunate part of the story is that this dingbat has misled and harmed so many people in her personal, demented quest to be “Queen of the World”.

PUBLIC NOTICE

INVOCATION OF
HAGUE TREATY PROTECTION

This notice shall be construed to comply with provisions necessary to establish presumed fact (Rule 301, *Federal Rules of Evidence*), should interested parties fail to rebut any given allegation or matter of law addressed herein. The position shall be construed as adequate to meet requirements of judicial notice, thus preserving fundamental law. Matters addressed herein, if not rebutted, will be construed to have general application. A true and correct copy of this Public Notice is on file with the CLARK COUNTY RECORDER in CLARK COUNTY, NEVADA.

Due to the breach of contract evidenced by the Public Notice of December 19, 2003 and in order to protect my child, Evan Christian: Kirzinger from harm, I have removed him from Nevada. I hereby invoke the terms of the *Hague Treaty* to further protect the child pending lawful adjudication of this matter. Specifically, Article 13 of the *Hague Treaty* states:

...[T]he judicial or administrative authority of the requested State is not bound to order the return of the child if the person, institution or other body which opposes its return establishes that –

a) the person, institution or other body having the care of the person of the child was not actually exercising the custody rights at the time of removal or retention, or had consented to or subsequently acquiesced in the removal of retention; or

b) there is a grave risk that his or her return would expose the child to physical or psychological harm or otherwise place the child in an intolerable situation.

The judicial or administrative authority may also refuse to order the return of the child if it finds that the child objects to being returned and has attained an age and degree of maturity at which it is appropriate to take account of its views.

The lawful foundation for my actions in removing and protecting the child rests with the Protective Order of May 22, 2003 (a copy of which is attached to and is part of this notice), which strictly forbids Adele Dewitt from having ANY CONTACT with the child or me for a period of one full year, through May 22, 2004. This Protective Order validates BOTH primary *Hague Treaty* defenses: Adele Dewitt was not in a position to exercise custody rights at the time of removal (nor is she yet in that position); AND there is a grave risk that return would expose the child to physical or psychological harm or otherwise place the child in an intolerable situation.

I declare under penalty of perjury that the foregoing is true and correct. In witness whereof I have affixed my signature this 20th day of March, 2004.

Since there has been no objection raised to either of the two Public Notices published December 17, 2003 in the newspaper, *CONTACT*, we will continue with their publication in subsequent issues of the same newspaper. There have been questions asked, which we deem worthy of public response with appropriate exhibits.

The first exhibit is a copy of page 4 of the Philippine Securities and Exchange Commission registration form showing the ORIGINAL five incorporators of the DON ESTEBAN BENITEZ TALLANO & DON GREGORIO MADRIGAL ACOP FOUNDATION, INC. (FDN) signed September 18, 2003 by Eddyjo and Doris J. Ekker, two (40%) of the five. This document is to notify interested parties of the intent of GLOBAL ALLIANCE INVESTMENT ASSOCIATION (GAIA) to immediately begin the collection on its lien against the gold and gold-derived assets of the Royal Family/Tagean-Tallano Estate, now identified as assets of the DON ESTEBAN BENITEZ TALLANO & DON GREGORIO MADRIGAL ACOP FOUNDATION, INC. (FDN) by virtue of compliance with the Order of the Court (Judge Agana, Clarificatory Decision of January 19, 1976) and the FOURTH ALIAS WRIT OF EXECUTION, POSSESSION AND DEMOLITION ordered by Judge Sofronio C. Sayo of the Regional Trial Court in Pasay City on MARCH 7, 1995. The pertinent paragraphs of the latter (the case is properly captioned LRC/CIVIL CASE NO. 3957-P) are next quoted:

This action is taken on the advice of counsel pursuant to the following facts:

The debt of Bolivia, Chili, and Peru were assumed by the United States of America pursuant to an act of Congress in 1906. Among that debt was an unredeemed bearer gold certificate (bearer bond) #3392, issued and sold in New York City in 1875. The outstanding debt of the USA was guaranteed by the PRIVATE Federal Reserve System pursuant to the Federal Reserve Act of 1913, which of course included #3392. The bond became the property of Russell Herman, an associate of George H.W. Bush, in the late 1970s and, in the 1980s is alleged to have been used by Bush and Herman, being referred to as the "SuperFund". Because of that use, it cannot be repudiated. It was also associated with the Ferdinand Marcos/Ronald Reagan "ABL" program devised to reestablish a worldwide gold-based currency. Because it is payable in gold and is guaranteed by the FED and the owners of the FED, the International Banks, any and all gold held by any of those entities is subject to this lien.

Pursuant to the rules governing Public Notices under the Uniform Commercial Code of the USA and most other nations, this notice will be published in three consecutive issues of a newspaper of wide circulation. Copies of this Notice will be available at any of the three addresses provided above.

Legal Notices

Notices will appear in three consecutive issues, in compliance with the terms of the Uniform Commercial Code regarding sufficient Legal Notice.

GLOBAL ALLIANCE INVESTMENT ASSOCIATION

PUBLIC NOTICE

December 3, 2003

This notice will be construed as a continuation of compliance with provisions necessary to establish presumed fact (Rule 301, Federal Rules of Civil Procedure, and attending State rules). All interested parties have failed to rebut any given allegation or matter of law addressed herein. The position will be construed as adequate to requirements of judicial notice, thus preserving fundamental law. A true and correct copy of this Public Notice is on file with and available for inspection at the newspaper CONTACT which is responsible for publishing the instrument as a legal notice.

This document is to notify interested parties of the intent of Global Alliance Investment Association (GAIA) to immediately render assistance to NATIONS desiring to stabilize the value of their currencies by basing them upon RESERVES of physical gold. This assistance will be comprised of one or more of the following: Calculating the amount of gold needed sufficient for its currency base; supplying the initial RESERVES to permit the Nation's purchase of the necessary initial supply of gold; sourcing the supply of gold for purchase; and stabilizing the purchase price at a level necessary to making the mining and processing of gold a profitable enterprise.

Since 1996 GAIA has contacted many nations to encourage them to consider the benefits of returning their currencies to a gold base. (Some of those benefits will be listed below.) The question inevitably arose, will there be enough gold? GAIA can now provide proof via court documents that an adequate supply not only exists but is available and under contract to GAIA. Those documents are readily available for viewing in the Executive Offices of GAIA in Manila.

While we can say with certainty that several large deposits of gold exist in the Philippines, the most accessible deposit, exceeding 100,000 metric tons, is warehoused in Metro Manila and is subject to court orders to be released to qualified buyers, any time after the year 2000. This gold will be sold only to nations whose currencies are, or are in the process of being, based upon gold.

To give them Public Notice, we will copy, very precisely, the last six paragraphs of a Certified Copy of FOURTH ALIAS WRIT OF EXECUTION, POSSESSION AND DEMOLITION received by GALA November 25, 2003. The WRIT was ordered by Judge Sofronio C. Sayo of the Regional Trial Court in Pasay City on MARCH 7, 1995.

To fully understand the ramifications of this Order, one must also know that it was the Order of Judge Enrique A. Agana in 1976 that the Administrator establish a Foundation to administer the business of the Estate. That has been properly accomplished with a five-person Board of Directors responsible for the day-to-day operation of the Foundation. The

documentation for the Foundation is on file with the Philippine Securities and Exchange Commission. The relevant agreements are between GAIA and the Foundation.

[QUOTING the WRIT:]

6) Ordering the Court sheriff, Atty. Jose E. Ortiz, and his Deputized Private Sheriffs to collect the sum of P3 Billion plus an interest of 7% Per Annum starting 1968 to present as damages sustained by the Tallano Estate implicated by the National Government and its agencies, the National Housing Authority, the Public Estate Authority, the Department of Public Works and Highways, the Philippine National Construction Corporation, the Manila International Airport Authority, the Land Registration Administration, The Philippine Port Authority, the Base Conversion Development Authority, the University of the Philippines while damages sustained by the landowner was determined by Sec. 101 and Sec. 102 of Land Registration Act 496. Likewise, the Court Sheriff and his Deputized Private Sheriffs are also commanded to recover and/or take over the following real properties land-grabbed by the private persons, by the Barangay officials and by the national Government and its aforestated government agencies as follows:

1. Land unlawfully occupied by Philippine Port Authority, the National Housing Authority, the Public Estate Authority, the Base Conversion Authority, the Manila International Airport Authority, the Philippine National Construction Corporation.

2. Land unlawfully occupied by squatters, homeowners association, and other private persons located in Quezon City, Antipolo, Marikina, Taguig, Paranaque, Pasay City and particularly from private persons, namely: Bonifacio Regalado of Fairview, Quezon City, Jose and Antonio Suzuaregi of Old Dalara, Quezon City, Mareial Fucundo and other persons found occupying the Tallano Estate;

7) Ordering also the Sheriffs to collect/withdraw/confiscate all Gold Bullion including its cash deposits which are in the account of the late President Ferdinand E. Marcos, who was a lawyer for the clan, and either presently deposited in Central Bank, any Philippine bank here in the country or any foreign bank outside the country, including the account of the then Reverend Jose Antonio Diaz or Col. Severino Garcia Sta. Romana, while all deposits either gold or currency found deposited in the account of Dr. Alejo Rizal Lopez has been re-conveyed to and in favor of the Tallano Estate, so the same, should be recovered in favor of the Tallano clan;

8) Ordering the Sheriff to deputize the NBI, PNP, and Philippine Army to assist the recovery assigned.

9) This FOURTH ALIAS WRIT OF EXECUTION, POSSESSION AND DEMOLITION has imprescriptibility [cannot be taken away] clause until the said P3 Billion pesos including its interest has been fully collected and until the reconstituted copies of the subject land titles has been issued accordingly in favor of the Tallano

[END QUOTING]

As the Foundation withdraws and sells its gold, it can pay property and real estate taxes that have become in arrears due to the government's non-payment of the above fines and other compensation. Those taxes can flow into the municipalities where they can most quickly benefit the people. In addition, most of the "offshore deposits" made by President Marcos are dedicated to fund specific and identified projects and can be amicably released to the Foundation to be administered for their intended purpose.

The foremost, fundamental benefit offered by the Global Alliance Program and gold-based currency is: NATIONAL SOVEREIGNTY. Because gold-based currency IS "foreign exchange", and because the nation, with the assistance of GAIA, can increase its money supply to a level commensurate with its needs and abilities to build itself, there is no further need for Foreign Investors, Foreign Loans (including IMF/WB), Foreign exchange reserves, Globalization, Budget deficits, Balance of payments, Money from exports, or to "compete" with neighbor nations for the money of foreign investors, lenders, or tourists.

Nor is there any need for an Individual income tax, or a Value Added Tax, Currency fluctuations, Inflation, High interest rates, Foreclosures, Unemployment, or casino-type Stock and Bond markets.

Page 3 of 4
Public Notice 12/3/03

Each nation will have plenty of money for: Schools, Homes, Hospitals, Libraries, and Public buildings and Sports facilities; well equipped and well-paid Fire and Police forces, Coast and Forest patrols, and a well-trained, well-equipped Military; Roads & Highways, 1st class Ports and Airports, fast-craft Ferries and Hovercraft, adequate Rapid Transit and Railroads; Waste management systems that recycle, utilize, and value-enhance waste; a complete Electricity grid and more non-polluting hydro generating facilities, Irrigation and Culinary Water Distribution and Recovery systems, a national Communications Network, Employment at adequate wages for everyone who can work (rebellion, corruption, crime, gambling and drugs are less "necessary" in a prosperous society), the return of overseas workers to even better jobs in their home nation, and Reforestation programs for those areas that have suffered deforestation (the remainder of pristine growth can be saved and the need for lumber can be supplied by plantations).

GAIA is an "alliance association", ready, willing and able to serve the global community without assistance from such institutions as the International Monetary Fund, the World Bank operations, or the Federal Reserve or U.S. Treasury.

IT IS HEREBY RESOLVED that a copy of the stamped document returned by the Recorder of Clark County, Nevada will be included as a part of each information package provided to DEEDholders.

IN WITNESS WHEREOF, the undersigned have executed and sealed this authorization as of the date hereof.

Public Notice 12/3/03

(Continued)

Notices will appear in three consecutive issues, in compliance with the terms of the Uniform Commercial Code regarding sufficient Legal Notice.

PUBLIC NOTICE
SEVERANCE AND WAIVER, FORFEITURE AND REJECTION OF
BENEFITS OFFERED BY THE CROWN, THE UNITED STATES
AND ASSOCIATED PERSONS

This notice shall be construed to comply with provisions necessary to establish presumed fact (Rule 301, *Federal Rules of Evidence*) should interested parties fail to rebut any given allegation or matter of law addressed herein. The position shall be construed as adequate to meet requirements of judicial notice, thus preserving fundamental law. Matters addressed herein, if not rebutted, will be construed to have general application. A true and correct copy of this Public Notice is on file with the CLARK COUNTY RECORDER in CLARK COUNTY, NEVADA.

I, the undersigned Ronald William: Kirzinger, a competent, full-liability individual, do hereby sever, waive, forfeit and reject any and all benefits offered to me or my child-son, Evan Christian: Kirzinger by the CROWN, the UNITED STATES or associated persons.

In accordance with the above severance, waiver, forfeiture and rejection of benefits, TAKE NOTICE that any contracts presumed to exist between the CROWN or the UNITED STATES and myself are void due to failure of consideration.

In addition, TAKE NOTICE that any contracts presumed to exist between the CROWN or the UNITED STATES and myself are void *ab initio* where the CROWN or the UNITED STATES or associated persons induced the contract through fraud (see definition, next paragraph). I do not accept the liability of the compelled benefit of any unrevealed contract or commercial agreement. I reserve my inherent right not to be compelled to perform under any contract or commercial agreement that I did not enter knowingly, voluntarily and intentionally.

Fraud: “An intentional perversion of the truth for the purpose of inducing another in reliance upon it to part with some valuable thing belonging to him or to surrender a legal right; a false representation of a matter of fact, whether by words or by conduct, by false or misleading allegations, or by concealment of that which should have been disclosed, which deceives and is intended to deceive another so that he shall act upon it to his legal injury.” (*Black’s Law Dictionary*)

Further, TAKE NOTICE that I hereby deny the existence of all corporations and all persons who cause or allow harm to my children or me. In so doing, I specifically reserve my and my children’s God-given rights and responsibilities without limitation.

I declare under penalty of perjury that the foregoing is true and correct. In witness whereof I have affixed my signature this 10th day of October, 2003.

PUBLIC NOTICE
NOTICE OF BAILMENT CONTRACT AND CIVIL DEATH

This notice shall be construed to comply with provisions necessary to establish presumed fact (Rule 301, *Federal Rules of Evidence*) should interested parties fail to rebut any given allegation or matter of law addressed herein. The position shall be construed as adequate to meet requirements of judicial notice, thus preserving fundamental law. Matters addressed herein, if not rebutted, will be construed to have general application. A true and correct copy of this Public Notice is on file with the CLARK COUNTY RECORDER in CLARK COUNTY, NEVADA.

I, the undersigned Ronald William: Kirzinger, a competent, full-liability individual, do hereby declare as follows:

- I am not involved in any scheme of personal commercial enrichment of any kind whatsoever. I am “about my Father’s business”, avoiding my trespass against any man or woman to the best of my ability in the full expectation that such others will similarly avoid trespassing against me.
- The only assets I claim are the very personal properties of my own natural body and those of my children as gifted to me.
- All that I may ever appear to have in the way of possessions, properties or commercial benefits are subject to a contract of bailment dating from September 30, 1993, which binds me as the bailee for as long as I live. Whenever practicable, bailments shall be registered in the name of a suitable agency of the Bailor in the first instance but it shall be presumed that any properties not able to be so registered for any reason are nevertheless properties of the Bailor and not my personal property.
- Accordingly, for all equitable purposes I am civilly dead. Therefore, in any equitable controversy involving money or things in my possession, it shall be presumed that the appropriate party in interest for purposes of equitable recourse is the Bailor through His most proximate agency (by the *Doctrine of Instrumentality*) and that I, the bailee, may not properly be held as the surety for any such equitable claim.
- It follows that if any individual man or woman claims any harm whatsoever done by me, adjudication of the issue must be at law—not equity—in a jurisdiction where proper and lawful due process can be effected.

I declare under penalty of perjury that the foregoing is true and correct. In witness whereof I have affixed my signature this 20th day of November, 2003.

PUBLIC NOTICE
SPECIFIC NEGATIVE AVERMENT OF CORPORATION EXISTENCE

This notice shall be construed to comply with provisions necessary to establish presumed fact (Rule 301, *Federal Rules of Evidence*) should

interested parties fail to rebut any given allegation or matter of law addressed herein. The position shall be construed as adequate to meet requirements of judicial notice, thus preserving fundamental law. Matters addressed herein, if not rebutted, will be construed to have general application. A true and correct copy of this Public Notice is on file with the CLARK COUNTY RECORDER in CLARK COUNTY, NEVADA.

I, the undersigned Ronald William: Kirzinger, a competent, full-liability individual with rights inherent in Natural Law, do hereby declare as follows:

Whereas corporations are fictions of law and have no real, independent existence, I hereby deny the existence of all corporations and associated fiction-of-law “persons” who are or may be associated with any complaint against me, including but not limited to the following: the CROWN; the UNITED STATES; UNITED STATES COURTS; the STATE OF NEVADA; EIGHTH JUDICIAL DISTRICT COURT; all BAR ASSOCIATIONS; CLARK COUNTY; CLARK COUNTY DEPUTY SHERIFF BAILIFFS ASSOCIATION; CITY OF LAS VEGAS; LAS VEGAS JUSTICE COURT; LAS VEGAS METROPOLITAN POLICE DEPARTMENT; JUDGE CHERYL MOSS; CHARLES HOSKIN, Esquire; MARIA PEREZ, Esquire; FRANCES FINE, Esquire; ADELE RENEE DEWITT; and the fictitious “person”, RONALD KIRZINGER, of 5344 IMAGES COURT.

Correspondence addressed to the fictitious “person”, RONALD KIRZINGER, may be returned with a simple, handwritten notation, “That’s not me,” signed or initialed by myself, *sui juris*, which shall be construed as ongoing lawful denial of such a fiction and shall never properly give rise to a reason to cause or allow harm to me or my children.

If any man or woman has any complaint of trespass to bring against me, such complaint must be brought by the individual, *sui juris*, and not by a fiction-of-law “person” such as those listed above, for adjudication at Common Law, by true judgment and not at equity, by decree.

Whatever anyone may do with the fictitious RONALD KIRZINGER, I will not act as the surety for same and any individual who causes or allows harm to me or my children shall be subject to the penalties of the Common Law for any harm occasioned by their actions.

I declare under penalty of perjury that the foregoing is true and correct. In witness whereof I have affixed my signature this 8th day of December, 2003.

Ronald William: Kirzinger, *Sui Juris*, UCC 1-207

PUBLIC NOTICE
NOTICE OF FAILURE TO REBUT PRESUMPTIONS

This notice shall be construed to comply with provisions necessary to establish presumed fact (Rule 301, *Federal Rules of Evidence*), should interested parties fail to rebut any given allegation or matter of law addressed herein. The position shall be construed as adequate to meet requirements of judicial notice, thus preserving fundamental law. Matters addressed herein, if not rebutted, will be construed to have general application. A true and correct copy of this Public Notice is on file with the CLARK COUNTY RECORDER in CLARK COUNTY, NEVADA.

I, the undersigned Ronald William: Kirzinger, a competent, full-liability individual, do hereby declare as follows:

Whereas there has been no rebuttal to the Public Notice recorded October 10, 2003 (SEVERANCE AND WAIVER, FORFEITURE AND REJECTION OF BENEFITS OFFERED BY THE CROWN, THE UNITED STATES AND ASSOCIATED PERSONS) and whereas the *quid pro quo* of acceptance of benefits is an essential element of every valid contract, it is to be presumed that there is no valid contract in effect between myself and any such persons. This presumption can be rebutted by proof that I have knowingly, intentionally and voluntarily entered into a contract that provides me with benefits—but I declare that no such benefits have been accepted in such manner, so the presumption should stand until proven “on the record” otherwise.

Whereas there has been and truly can be no rebuttal to the Public Notice recorded December 3, 2003 (NOTICE OF BAILMENT CONTRACT AND CIVIL DEATH) and whereas any court at equity has a duty to respect, enforce and uphold such unchallenged contract, and whereas I claim no property other than my own natural body and the natural bodies of my children, and whereas I have no involvement in commerce not subject to the overriding bailment contract, and whereas I have had neither income nor assets not subject to the overriding bailment contract since September 1993, it is to be presumed that I am civilly dead and not a proper person to be involved in legal proceedings at equity.

Whereas I have caused to be recorded on this, the 9th day of December, 2003 a SPECIFIC NEGATIVE AVERMENT OF CORPORATION EXISTENCE, which is unrebuttable, and whereas parties to any controversy must be of equal status, it is to be presumed that proceedings against my person in courts at equity are a nullity and any orders that issue from such proceedings at equity are void.

Whereas ongoing efforts to involve me as the surety for the fiction-of-law RONALD KIRZINGER are fraudulent, extortionate artifices of color-of-law, *de facto* proceedings and appear to be intended to deprive me of my liberty and of my rightful property in the form of my child/son, to wit, Evan Christian: Kirzinger, TAKE NOTICE that any taking of said property without due process of law, at law and not at equity, constitutes the high crime of kidnapping, which is punishable according to the prescriptions of the Common Law.

I declare under penalty of perjury that the foregoing is true and correct. In witness whereof I have affixed my signature this 9th day of December, 2003.

PUBLIC NOTICE
NOTICE OF OBJECTIONS

This notice shall be construed to comply with provisions necessary to establish presumed fact (Rule 301, *Federal Rules of Evidence*), should interested parties fail to rebut any given allegation or matter of law addressed herein. The position shall be construed as adequate to meet requirements of judicial notice, thus preserving fundamental law. Matters addressed herein, if not rebutted, will be construed to have general application. A true and correct copy of this Public Notice is on file with the CLARK COUNTY RECORDER in CLARK COUNTY, NEVADA.

I, the undersigned Ronald William: Kirzinger, a competent, full-liability individual, do hereby declare as follows:

I OBJECT to being involved as the surety for the fiction of law, RONALD KIRZINGER.

I OBJECT to appearing in any *de facto* court of equity due to a complaint by any fictitious plaintiff.

I OBJECT to the inappropriate application of equitable powers in a rush to judgment that formed a contractual obligation where none previously existed, which resulted in deprivation of my liberty and caused me to become indebted despite my being quite civilly dead.

I OBJECT to all efforts to deprive me of my child/son, Evan Christian: Kirzinger.

I OBJECT to all court orders and to all statutes that cause harm to me or my children.

Specifically, I OBJECT to court orders drawn up by Maria Perez, Esquire in the matter of DEWITT V. KIRZINGER and signed by Judge Cheryl Moss, which inaccurately reflect the proceedings as adduced by video evidence or where “findings” of the court are otherwise objectionable:

- To wit, the orders from the 10/15/03 hearing fail to state that Nadine Dewitt was to do all the driving, while there is evidence that Adele Dewitt did most of the driving and thereby violated the court’s order, which it is presumed is the reason for this omission;
- To wit, the orders from the 10/15/03 hearing state that Plaintiff was ordered to prepare a response for the 11/18/03 hearing, when there was no such order made;
- To wit, additional orders from the 10/15 hearing that were never ordered;
- To wit, the fact that Maria Perez, Esquire, did not date her Notice of Entry of Order for the 10/15/03 hearing—filed 11/20/03—until 11/26/03, more than a week after the next hearing date.
- To wit, the orders from the 11/18/03 hearing showing the court’s “finding” of jurisdiction, whereas the record fails to overcome the presumption that Defendant experiences no benefit and that therefore no valid contract exists;
- To wit, the orders from the 11/18 hearing show that Plaintiff completed an alcohol assessment but fail to show that the result was negative, the Plaintiff did not pass the test;
- To wit, the orders from the 11/18/03 hearing showing the court’s “finding” that Defendant should participate in a home study, when a home study has already been done and the home environment was found acceptable;
- To wit, the court’s “finding” that “it is concerned about the child’s safety due to Defendant’s most recent filing and his non-appearance”, when Defendant did appear, in writing, *de bene esse*, and that appearance in no way endangered the child’s safety and probably did protect the child from unlawful taking;
- To wit, the inference that non-appearance by the Defendant at the scheduled 12/15/03 hearing may lead to a change of custody, when it is clear from the video evidence that only a failure to complete the psychological evaluation could lead to that consequence (which would still be plain wrong, given the contents of the Notice of Failure to Rebut Presumptions recorded this date), with the erroneous inference that an appearance in writing, *de bene esse*, would not qualify;
- To wit, an order from the 11/18 hearing that Defendant shall complete a psychological evaluation prior to the 12/15/03 hearing, when again it must be pointed out that any such contractual obligation is a fabrication, since the presumptions established in prior public notices have not been rebutted on the record;
- To wit, an order from the 11/18/03 hearing that spousal support arrearages be reduced to judgment, when nothing in the video evidence of the 11/18/03 hearing validates such an order;
- To wit, an order from the 11/18/03 hearing that Defendant owes a current obligation of \$1,000 per month, when, again, it must be stated that any such purported contractual obligation was severed as of the public notice of 10/10/03, which has not been rebutted on the record, and no such order is able to be deduced from the video record of the proceedings.

Given the foregoing pattern of erroneous orders, it is to be presumed that Maria Perez, Esquire, should be sanctioned for abuse of process and that if she is not so sanctioned, that Judge Cheryl Moss conspired with Maria Perez in allowing said abuse of process and should also be sanctioned.

I declare under penalty of perjury that the foregoing is true and correct. In witness whereof I have affixed my signature this 8th day of December, 2003.

NEVADA CORPORATIONS:

The Myth And Reality Of Dividend Double-Taxation

Budget’s “Tip of the Week” #13:

Getting Money Out of a Corporation Avoiding Double Taxation on Dividends

“You don’t want to take income into a corporation because there is double-taxation on dividends.” This statement is only partly true and a half-truth is almost always intended to mislead. The truth is that a corporation earns money on which it is taxed; then, IF it pays out a dividend, the dividend is taxable in the hands of the recipient. Perhaps a better way to express the truth of the matter would be: You don’t want to pay dividends out of a corporation because they are subject to double taxation. But there are many other ways of taking money out of a corporation, so the real question is why you would ever take it out in the form of dividends.

The primary method for taking money out of a corporation is in the form of payments for services rendered. Any such payment is a deductible expense to the corporation, reducing its taxable income. At the same time, however, such a payment becomes taxable income for the recipient. You don’t want to receive much income personally because in all likelihood you will pay more in taxes on income received personally than the corporation would pay in retaining that income itself. On the other hand, if an individual keeps living expenses moderate and takes out only what he needs, his personal tax rate is often not much higher than that on corporate income, resulting in an effective income split and reduced overall taxation.

Keep in mind that a corporation can pay wages to any number of persons for services rendered, so it can be quite practical to have your spouse or children on the payroll, as long as they do, indeed, provide some sort of valuable service. And before you dismiss the possibility of payments to your children, consider the potential value of intellectual property. Yes, a good idea for developing the business is compensatable as “intellectual property”. No spouse and no children and still need some income splitting? Perhaps you could acquire or pay for the “intellectual property” of another private corporation?

Don’t forget that a corporation may hold assets in the form of retained earnings. Without stating a specific plan of development, it is considered reasonable for any corporation to keep up to \$250,000 in retained earnings for future business development. Earnings may still be retained above this level without triggering the accumulated earnings surcharge prescribed by *Internal Revenue Code 531-537* provided there is a plan for expansion of the business (this could include, for instance, the acquisition of another business); for paying off debts; for product liability loss reserves; for supplying loans to either customers or suppliers to maintain the viability of the business; or for the need for increased working capital (say, to acquire additional inventory for the business).
