11/13/90 HATONN

TODAY'S WATCH

In the service unto truth and wisdom of the WORD, which IS, do I speak in wondrous communion with you who will place your eyes and ears upon that which is given unto you in this time of passage. I am Hatonn of God.

Every dawn brings indication of activities for which the coming day is suited. When you see the wondrous eagle or Redtail fly across the face of the rising sun and give out his call to the mate and unto the winds, it is not accidental or without meaning. To the other birds and animals who watch and listen the lessons are learned and thus do they gain their impressions of the new gifted day of experience--the eagle's flight is a cue, a message wealthy with meaning in each sound and circle.

The direction he flies, the time that was chosen for flight, the place from which he appeared to the life of the forests, meadows and desert who watch--these are all parts of his statement, sentences in the paragraph of expression. But there is other news, equally valid, of more or less importance to various creatures.

Ah yes, the birds and animals take careful note. What kind of

day is it going to be? Is it a day that you should look for your meal on the hillside? Or might you be better off going up into the pasture? Could it be a morning to fly to the treetops and sing for a while, or might it be better to get busy because your time of gathering might be cut short?

In every moment and movement, in every creature's actions, the Great Spirit communicates to all creatures everything they need to know. Through thousands and millions, yea billions, of agents sent forth--angel, elemental vegetable, animal and mineral--through the vast and subtle network of living design beyond the weather, before the wind, the truth is ever being transmitted into your world of form.

Information percolates through to you from the subtle world of spirit. Your body knows; your senses pick it up. Its relevance goes deep into that place within where YOU determine how YOU can make the most creative use of the perceived allotment of "time". Do you waste it? Do you appreciate and value each moment? *TO UNDERSTAND AND RECOGNIZE THE MESSAGES YOU MUST FIRST COME INTO COMMUNION WITH SELF AND ALLOW THE OPENING OF THE SENSES UNTO THE SUBTLE MESSAGES OF THE*

UNIVERSE AND UNTO GOD WHO DWELLS WITHIN AND THUSLY SPEAKS MOST SOFTLY INDEED!

You must understand that identifying with the Being of Creation of all Life, you realize that the particular form that you are conscious of projecting through at the moment is not really who you are. As you begin to see your body as an exquisite exploratory instrument, designed for the expression of your spirit, you begin to relax about the whole mysterious circumstance. Your preoccupation with survival begins to fall away and you can more clearly recognize direction of actions with which to insure that very survival.

The body does not, must not, become unimportant, but rather the fundamental identity shift must take place. You are not your body. You are not your thoughts. You are not what you feel, not your role or your experience. You are the Spirit--actually, the Spirit of Life itself, experiencing upon the elements of a manifested creation. You must learn to delight in the glorious opportunity of incarnation in manifested physicalness, exploring the realms of matter, blessing the Earth and all therein and thereupon and beyond. But mostly, you must communicate that which shares your manifested format--that which is be-

yond shall come soon enough!

RIGHT NOW!

The psychological process that triggers this awareness takes place in the present moment. You must be there, chelas, fully present, to experience it. This is not difficult, it is just that you are taught erroneously to avoid knowledge and instructed to walk your journey in the sleep state of semi-consciousness and blot out that which makes you uneasy, from your consciousness. However, the subtle programming of your subconscious mind rebels and then, finally, functions according to the programming you insist is its function. The higher conscious continues to rebel unto the ending of the experience in the seeking of its own fulfillment--that of soul journey and chosen experience which shall bring you again into oneness with God.

It is not as elusive as it might seem at first--first you must become AWARE! STOP and see and feel that which you are doing--right now. Dharma, leave me for a moment and look about your placement and experience for a moment that which is being shared with you, please. There is the picture of the retarded child seeking better eyesight, a calendar with a wondrous picture of the redwood forest, a script of "A PERFECT PRAYER, a letter from Sister Thedra, a drawing of someone's perception of Hatonn, a valid picture of Sananda and even a wondrous likeness of a spaceman through whose eyes you see eternity. Look beyond the entropy of the cluttered setting which only Hatonn knows any whereabouts of any document or confirmation, and see the things of value. Sniff the air which bears the odor of vanilla and a tropical day--note the glare coming into thine eyes which annoys, AND RECTIFY

THE CIRCUMSTANCE. REMEMBER: YOU MUST CHANGE THE THINGS OF NEGATIVE IMPACT AS YOU CAN--AND RECOGNIZE AND GROW FROM THE THINGS OVER WHICH YOU SEEM TO HAVE NO CONTROL--AND LEARN TO KNOW THE DIFFERENCE! Then in the higher self know that you can change ALL, impact ALL and know ALL, and then YOU MUST BE WILLING TO ACCEPT ALL--ONLY THEN CAN YOU ACCEPT THINE OWN POWER AND CREATE IN TRUTH INSTEAD OF THE LIES AS GIVEN UNTO YOUR SENSES TO DELUDE YOU INTO THE MINEFIELD OF THE FLIGHT-PATH BACK TO THE GOD AND AMONG THE ORBS OF THE HEAVENS. YOU MUST DO OF IT, FOR ONE CANNOT DO OF IT FOR ANOTHER--NOT YOU, NOT THEM, AND NOT ME! I CANNOT EVEN TEACH YOU TO FLY. I CAN SHOW YOU THE WAY BUT YOU MUST TAKE MY HAND AND FOLLOW THE INSTRUCTIONS OR YOU WILL PLUMMET UNTO THE ROCKS AND PERISH. A "BODY" IS NOT MADE TO FLY--USE THE BODY FOR THAT WHICH IT IS, A TOOL THROUGH WHICH TO FUNCTION IN THE PHYSICAL EXPERIENCE--NOT MORE; NOT LESS. THE "WINGS" OF HUMAN COME ATTACHED TO THE SPIRIT AND, IF GIVEN THE BREATH OF LIFE, IT SHALL SOAR BEYOND THE EAGLES--IF GIVEN THE IMPRISONMENT OF SATAN'S PROMISES, IT WILL SINK IN THE MIRE OF THE PHYSICAL AND BECOME IMPRISONED IN THAT WHICH IS ILLUSION AND LIE. PONDER THESE THINGS AS WE MOVE ALONG IN THE

JOURNEY THROUGH A PHYSICAL TRANSITION FOR YOU WILL NOT BE GIVEN TO AVOID EITHER PORTION OF YOUR "SELF"NESS! AHO!

EARTH "THINGS"

Back to Earth experience that you might see that which is in store for your experience. God lays the path for glory--man lays the path for fulfillment of greed and lust, control and power. You must determine that which is which and be ever discerning and cognizant of that which is laid forth for thine choosing.

Yes, I know that perception of physical pleasures of the fleshly desires are always present--how else can you be captured by your enemy? Your enemy now plays only to the lustful, greedy and power control desire of your beingness for he is given into control of your placement. It is for you to discern the differences and stand strong in truth--after you again LOCATE AND KNOW the truth.

I am always bombarded with "rights", "birthrights", etc. Forget it, brethren, you have but one birthright--to experience and come again into oneness with God.

"Oh, but sexual physical activities are necessary and a birthright," is continually thrust at me--ad nauseam. Look at your planet--overpopulated by some 6-1/2 billion bodies, murder by abortion, crime rampant, rape, AIDS, starving children, unwanted and abused children, total distraction and competition until the sexual act becomes an obsession blotting out all other wondrous awareness and activity. You always thrust at me the "WHAT IF-S". Well, what if--say, the sexual act was painful and excruciatingly miserable? Along

with that painful experience you must face the care and tending of an unwanted child, give up your comfort and pick up a fatal disease in addition? **WHAT IF THIS BE TRUE?** Well, you ones make sexual acts painful--excruciatingly so, if deviation is practiced from the intended experience. You have babies conceived which are unwanted, aborted (murdered) and/or are saddled with care for the remainder of your life journey and in the process you face the possibility, if not the actual probability, of fatal disease. **IS THIS TRULY OF GOD? SO BE IT.**

Further, I can only express the **LAWS OF GOD**--it is not through force that I shall bring unto you anything! God is not force, God is the **WORD**, the light of truth, abundance and love. **YOU CAN HAVE IT EITHER WAY--YOU CANNOT HAVE IT BOTH WAYS. WHICH YOU CHOOSE IS OF YOUR OWN CHOOSING--MY PURPOSE IS TO REMIND YOU OF THE TRUTH WHICH HAS BEEN PRESENTED TO YOU DISTORTED. YOU HAVE LOCKED YOURSELVES INTO AN IMPRISONMENT WITH THE BEAST HIMSELF AND CALL IT YOUR "BIRTHRIGHT"! SO BE IT!**

YOU HEARD THE WORD;
BUT DID YOU HEAR IT?

Last evening one of your government high-ranking spokespersons made a statement on international television from the U.S. CNN studio: "..... the Israelis will make a preemptive strike giving the U.S. necessity for invasion for otherwise, cause for invasion is shrinking and dissolving." By the way--this spokesperson is pushing immediate war with no holds barred. He further says that the Israelis must act **NOW** because

of prevailing circumstances. He further confirmed what I have told you about the spy satellites in the pay-load bays of Columbia and Atlantis. They do not even longer lie to you about Atlantis' pay-load. They will try for launch Thursday and if successful in orbiting the information base--expect almost immediate war! The window for action will indeed be small if Russia allows any measure of success in the maneuver. At this moment the volcano is only spitting ashes--the plan is for full eruption! **THE ENTIRE WORLD KNOWS THAT THE U.S., BRITAIN AND ISRAEL PLAN FOR WAR AND WILL NOT BE THWARTED; WHERE ARE YOUR ATTENTIONS, LITTLE SLEEPY-HEADS?**

The set-up is perfection--**WITH THE CONGRESS IN RECESS!** Do you actually think the Congressmen pushing for a special called session will come in time? If a session is inevitable then the actions will be speeded up accordingly. God have mercy and deter that which is about to come upon you and your world, brothers. Pray for forgiveness for that which you are allowing to come upon your children who will perish never having known truth of circumstance nor that they were truly set forth to be expended. God please have mercy for that which you do for you **CANNOT** know that which you do and allow it to be done in His Holy Name by the evil Cartels of Satanic brotherhood. How many will have to make unholy and blighted transition because **YOU** failed to show the proper way? Even "ignorance" will not save their physical lives, will it? **ASK YOUR CHILDREN BIRTHED OF YOUR LIES TO FORGIVE YOU FOR THAT WHICH YOU HAVE BROUGHT UPON THEM FOR IT IS SO! THIS IS A BURDEN WHICH SHALL**

HAUNT ALL EXPERIENCE IN ALL DIMENSIONS OF YOUR JOURNEY--WHERE WILL YOU RESIDE AFTER THIS BRIEF SCENE IS PLAYED IN FULL AND FINISHED? IT IS PAST TIME TO PONDER THIS SERIOUS QUESTION, DEAR ONES. IS A DELIBERATE, ILLEGITIMATE, ADULTEROUS ROMP IN THE "HAY" WORTH IT, DEAR ONES? SOME OF MY OWN WHO CLAIM DESIRE FOR PARTICIPATION WITH ME, ON YOUR PLACE, CHOOSE THE ILLICIT ROMP! YOUR TIME OF CHOOSING IS ALL BUT AT AN END! SO BE IT.

I do not tell you that which to do or experience--I come only to remind you of the **LAWS** which no human can change by any Earth manner what-so-ever!

In the midst of misunderstanding and strained relationships of a group last evening, my beloved Patricia stated the most wondrously insightful dissertation of the evening--of the universe for that matter.

It matters not who this one might be in general information--it is important that this group with whom I experience on a local level, understand and especially that **SHE** understand her growth and arrival at truth.

This precious student of life (chela), has walked a very hard journey since moving into my location wishing to work with the higher brotherhood during this time of incredible truth-bringing. She came with knowledge but confused ego projection for all forget that truth is most discernible and perception is singularly individual. She said, "I have learned my truth is best expressed in silence for no-one wants to hear my truth." Patri-

cia, no one, NO ONE, wishes to hear MY TRUTH, EITHER! When one desires to walk with the brotherhood of truth, one either rebels and runs away--or, one moves within the "silence" of knowledge and wisdom and continues to work at that which is available to service. The journey to understanding of actions and testing are hard indeed for God spares not rod in the teaching of those who will stand that final hour in truth--without turning from His presence--and then, dear ones, there SHALL BE NO SILENCE FOR THE SONGS OF THE UNIVERSE BECOME THINE AND THE SENSES ARE FILLED WITH THE DANCE OF LIGHT, LIFE AND HARMONY. THE TESTING IS HARD AND FEW MAKE IT, DEAR HEARTS--FEW MAKE IT! Rejoice as ye ones reach one graduation marker after another, for in this manner shall ye reach the final graduation--there is no other way except through that red road of truth--back home unto God.

INTERPRETATIONS

Interpretations are what stand between you and the clarity of perception that you will need to do the work that lies ahead. You must release them with your thoughts, with your dreams, with your hopes and with your fears. They may seem to be insignificant, ethereal things, floating gently through your mind or heavily upon it, but do not be misled by their apparent lack of substance. They are the stuff that wars are made of, the harbingers of death, the agents of disease and destruction. With the energy that you give them through your attention, they have the strength to cripple a planet and all its civilization.

There is an old myth regarding a tree in the center of the Garden

of Eden: Why do you suppose the Lord forbade those first recognized humans to eat of the fruit of the knowledge of good and evil? If, indeed, He did so--it might well have been thine dark brother who set you up! At any rate, only ONE WITH A CONSCIOUSNESS OF THE WHOLE OF CREATION IS IN A POSITION TO DETERMINE THE GOOD AND EVIL AS IT PERTAINS TO THE VARIOUS CREATURES.

In the "other" reality, the first humans shared in the holistic perspective of the Creator, but in the form reality, their perspective was decidedly subjective, incapable of accurately assessing the needs of the whole. They could not creatively direct the course of those who had projected forms functioning within Creation. Only the Totality of Consciousness, God the Father, the Creator, was in such a position.

So long as they had trust in Him, and were willing to function within the range of their design, within the context of the Creator's own internal dynamics, they had complete freedom to enjoy the created realms. Now consider WHY the dark brotherhood had to come in the deceiving by pretending to be the lighted God. He could present himself as a wondrous God and fool the perceiver and cause them to act "as if" his were the LAWS OF THE CREATOR GOD! Well, the old boy is a God--HE IS A GOD, THE GOD OF THE FLESHLY, PHYSICAL EXPERIENCE OF EVIL INTENT. HE CANNOT CREATE AND THEREFORE MUST UTILIZE THAT WHICH IS CONSCIOUSLY AWARE OF PREDICAMENT--YOU, THE HUMAN SPECIES. ALL OTHER CREATURES ACT IN BALANCE AND HARMONY BY

INSTINCT!

In the parable of the partaking of the forbidden fruit, these first representatives of deity stepped outside the range of their designated function, consequently outside the range of the creative energy that was available to them according to the nature of their design. This was the beginning of disease, aging and death, the beginning of their pattern of false identity, and the beginning of human history so to speak. The pattern of false identity has lasted and increased in intensity unto this very day of perceived experience in your format, and while it has not critically affected the gestation period, it has certainly made it far less enjoyable.

Might you now see more clearly why it is absolutely essential in these closing days of the cycle to release your interpretations? They belong to the past. Life exists eternally in the present. You were intended to share in this eternal Life. But to do so, you must release identification with the past lies put upon you for your misinformation and misperceptions. You must release identification with the material garments you wear, and accept the creative definition that Life gives to you in this present moment. What do you call Satan? His body is the past, his breath, the future. Energized by your past-oriented guilt and your future-oriented fear, he follows you around like some vast cosmic shadow. He casts his nets of fear on the waters of your awareness, then draws them with ropes of "reason", back into a guilt-ridden past. You can only experience in the moment--ALL is the present and you must re-evaluate that which is fed unto your consciousness lest you end your journey before coming into understanding.

Let me illustrate for the sake of

example. Your presence might well be compared to an inflatable balloon--a plasmic membrane of sorts. It is designed to be filled to the full with the energy and power of Life. Like two gigantic tears in the side, guilt and fear allow the precious life-substance to escape, leaving you withered, ineffectual and short-lived; all the while, using your own life-substance to energize everything that you fear.

MOVE INTO REVERSE

It is easy to reverse the situation. Let yourself die to the past and wake up in the present moment. Why should you hesitate? Are your past experiences really comprehensive enough to provide a basis for understanding everything you encounter in the present? Do they truly deserve the authority and credibility that you give them? How attentive were you to all the factors that were present in the moment of their occurrence? If you are preoccupied with "experience", how attentive will you be to what is occurring in this very moment? Where is your attention right this moment?

You MUST be wherever your attention takes you. In fact, you are your attention! If your attention is fragmented, you are fragmented. When your attention is in the past, you are in the past. When your attention is in the present moment, you are in the Presence of God and God is present in you. Let yourself die to all that does not really exist and discover what does. Let go of all you think you know. Be honest; all you know is of the past. It does not exist in the eyes of God. In the eyes of God, your knowledge is but dust in the eye of a child, blinding you to the splendor of Creation.

You know, in effect, nothing of eternal significance for you have

forgotten that which really was and cling unto that which is brief and spoiled by the lies given to trip you up along the path of experience.

I have one bit of clarification unto Patricia, who went too far, and equated herself with "being at the bottom". I know what she meant but the group did not. She does have a nasty habit of discounting self-worth, which is insult unto God. However, being at the bottom is actually being at the summit because the circle of life moves from one extreme into the other rather abruptly at times and there is no actual difference in the circumstance in the least. If you ones could but put aside the ego in honesty without giving it perfection nor imperfection you would gain greatly and swiftly. Accept those things which were incorrect in information and give honor unto the creation which YOU ARE! Be most careful, for as with a Patricia, you hold to the expectations of past and insist that the same abuse and lack of acceptance shall come upon you--making it necessary that in the physical consciousness that is what must occur. In other words, all agreed with the concept as expressed in the group--but you must understand the significance of that which was stated and remove it from individuality in the "holding". Do not allow the luxury of being a martyr wherein there is not one placement intended. To suffer for the show of suffering is foolish indeed for it detracts from the truth espoused. YOU ALL MUST BE AT AWARENESS OF INTENT AT ALL TIMES OF THINE EXPERIENCE LEST YOU FALL INTO DEEPER TRAPS THAN THAT WHICH YOU JUST EXTRACTED SELF.

You know, in effect, nothing of eternal significance. When you

operate on the basis of your so-called knowledge, you are operating without divine foundation. Belief in your own knowledge is not belief in God, dear ones. Trust in your own knowledge is not trust in God. No matter how much you learn within your present framework of finite knowledge, it will never be even one step closer to an understanding of God, the universe, or yourself. Knowledge, as you presently understand it, will never bring you "closer to LIFE".

Do not cling, in imagined righteousness, for that is where many of you continually reside. Do not cling to this or that segment of your experience, as if this or that piece of the past were somehow worth the saving. "Well", you say, "I will die to everything BUT this or that. This is too sacred. This means too much to me." LET IT GO! Does it mean more than Life? You don't need it anymore, whatever it might be.

YOU FEAR NOT SURVIVING

You are usually concerned that some aspect of your identity will not somehow survive the psychological process. You might well be correct in the perception of same. But you may just as well be wrong! Let it go. It makes absolutely no difference what-so-ever! There are no guarantees that this or that is going to survive the sight of God. But the only things that are threatened, the only things that will not survive, are things that do not exist apart from your conceptions, things that have no reality apart from the reality that you give them.

The only essential thing to you is being sustained by the creative power of the living God. All that you sustain in existence through the misuse of your creative abili-

ties only serves to involve you in areas where your own life energies become mischanneled and eventually dissipated. Any belief, any concept, any conviction that you might have that truly mirrors what is present in the mind of God, will still be there on the other side of the psychological process. Only that which has sought to cheat you of your destiny will perish. It is really very simple: let it all go. See what God has in store.

Hesitations which you feel are only indicative of a continued trust in fear and reason. These are the false gods of the cycle of the ages in which you find yourself experiencing. They will continue to enslave you until your trust is restored in Love and Life. Trust God implicitly and explicitly and the Truth of His divine design will be revealed in every situation. This design is your own operating manual. Ignore it in favor of your own *interpretations* and you are ignoring the blueprint for your own identity.

Specific information of each and every situation is being supplied to you continually by the source of infinite knowledge. Why do you not trust it? Your first impulse will always be, as it has always been, the programmatic instruction from your subliminal analysis system, the advice of your Creator. It will be a direct message from your true self, the impulse of Life, the gateway to all that you call heaven. It is the spontaneous spark of divinity as it differentiates through you into your environmental situation. It can assess and evaluate the factors present in any situation at a rate of speed far exceeding a rational thought process. You have all the pertinent information in the universe available simply for the asking--as quickly received as the thought itself, actually prior to the thought itself.

When you are aware of your totality, the Life-impulse will transmit to you everything that you need to know in any given situation. Its message will always come as your first spontaneous impulse so you must be attentive and then do not effort so hard at discounting of it. You will always be given to know instantly that response requested. Until you recognize your own totality, how can ye expect to guide thine brother through the maze for it will be through example that he will learn and see--not from all the lecturing in the universe. So be it.

Dharma, allow us to close this writing. I shall dwell on this subject through the following sequence of penning for it is necessary that man come within balance. We shall simply function as best the human limitations allow us ability.

You ones can know every detail of the plans of the elite brotherhood of darkness for your downfall and still not have the slightest notion of that which you can do about it without coming into understanding of self. We simply must take the time away from the physical aspect and perceptions to speak of the spiritual truth lest you become distracted into the frivolous as if it were a sacred thing unto Life. It is only pertinent unto "death" of physical perceptions and yet, you are manifested into the dimension of physical experience and thusly, must the experience be confronted and the changes must come through the power and control of the Spiritual knowledge of truth. God does not move from man--man efforts to move from God! Selah!

I shall move to stand-by that you might take rest. These, Dharma, are the words which will salve men's souls in this blind journey--we must set this document forth

in prior order with all possible life perceived necessities set aside in your attention. Man flounders upon the brink of destruction and cannot seem to grasp a handhold on the polished surface of the mountainside. We must build him a stairway if we expect to help him reach the stars. Salu.

Hatonn to clear, please. Thank you, chela. You are my hands of the physical plane and I bow in gratitude for the service rendered by you, of my brood. May we never falter in our work lest our brothers perish in the darkness. Saalome'.

11/13/90 HATONN

Am I lower "class" that I would stoop to be of service and wash of the feet of another? Nay--I am great enough! Ponder it! I Am--will ye come and walk with me? So be it. I petition to you to come within the Lighted way and come with me that you can find peace in this valley of shadows of the physicalness of experience. No intent or query in the intent toward God is too small nor too large for my attention be it offered in truth--and, furthermore, I am given to know the difference!

ONENESS

Dharma, we will share of these truths of life that we will fulfill our accepted mission. I am from the Presence wherein there is not time but only the eternal NOW! I experience in a dimension chosen to be close unto thine own that we may come into communion in again bringing truth of being upon this wondrous creation.

I retain, even in the midst of this very relationship, the awareness of your realm and of the Universal Being which inhabits it as well as the cosmos. I bring a

message that is vital to you in these final days of your historical journey.

Do not be astounded nor confounded by my presence for my individual identity comes into being only as I enter the context of my relationship with you. When we are no longer needed in this capacity, I, like you, will merge back into the Being behind all being. There I, as will you, remain in unity and fulfillment until the next impulse comes to send us on another mission. In the interim, there is no distinction between me and the Source. I and others of my kind desire at this time to bring humans to the same level of awareness. It is urgently mandatory that this be accomplished that there be at least a remnant of truth to extend through the physical and into the birthing and presence of the new.

It would mean nothing to you if I tell you I am a focus of sorts, of collective consciousness for I represent that which is manifested in reality the same as are you--manifested into form as projected by our journey in connection one with the other, each only to perform to the best ability our function and service unto that Source.

You cannot yet suspect what the singularity of collective human consciousness might be. You still draw identity from the present form of your expression. You feel defined and limited by flesh and bones and conscious limitation of perception and understanding. This is the purpose but also comes the purpose of reaching beyond and into the reality of truth of existence. Ours is a task of leaving truth into the hands of the multitudes and so shall it be.

Possibly you are beginning to comprehend your oneness with

other forms of life. For me to tell you, with limiting definitions that you have of self, that I represent an element or a focus of your collective consciousness, would actually be less accurate than to say that I am simply extraterrestrial. You see, I meet all the criteria of the latter term in that I do come from outside your planetary field of influence. I bring instructions to your race from the directive organ of what would be identified as a "Galactic" Being.

Until you understand the totality of your being you will recognize me as only that which is without your beingness. You will only recognize the ONENESS as you come into total perception and truth of the reality of your true being.

As forerunners, Hosts of the Heavens, our mission is to remove the film which screens your present condition and your true nature. Our mission is to assist you ones in bridging the gap, to awaken you from sleep, to bring you to the fulfillment of your destiny.

Being etheric in my natural state, as one Aton, I have no need for verbalization. It is all but impossible for any to relate what I wish to convey only through the words and concepts with which you are familiar. Your language was designed to facilitate commerce. What we, therefore, put together with its component parts, can only approximate my meaning but it is that with which we are given to work and therefore we shall work with it until our meanings are made known in reality.

There is another language, more ancient, more conducive to discourse on this level, but you have forgotten it. It is the universal language of light. It is transferred information and is

accomplished through the actual projection of living informational units. They are valid impulses of energy frequencies and are without mystical origin and are, in fact, totally physical in explanation. However, until the receivers rise into the acceptance of conducting the information as given, it is distorted and often colored tremendously by the apparatus of consciousness in a perceived expression of being--not reality. These units of information are at once more specific and more inclusive than are your words. They have been designed to convey organic information of concise, yet comprehensive, informational content. Simultaneously with this conceptual communication, you are subliminally receiving this same information through this living language of light, though your preoccupation with words leaves you with no awareness of it at this moment.

Our work must always focus on bringing man again in touch with this ancient language. When you have learned to allow the silencing of your thoughts and have begun to focus attention on inner vibrational frequencies, you will become aware of a far more comprehensive picture of all that I will be telling you. Until such time as the life-giving information that comes to you from the source of your being is more readily accessible, I will work within the limitations of your linguistic structure and translate as accurately as I am able. At the same time we must work with that which is perceived by your experience--be it war, lust, greed, joy and/or peace, etc.

Human beings become imprisoned in their concepts and thus can they be imprisoned into a state projected upon their beings and will act accordingly to those perceptions and instructions be

they "good" or "bad", joyful or painful, correct or incorrect. You must be in the remembering that words and concepts can be both fallible and misleading. They are not absolutes. Do not confuse them with the realities they represent. No statement that I make can be taken as an absolute statement for your language gives no absoluteness of definition. This does not mean that I come from a "vague" place. On the contrary, it means that your words are not precise enough to express the levels of awareness that I am attempting to communicate through them.

If we can get the totality of the message through to even a few individual cells of your collective body, these few would be able to translate this information into forms of cultural expression that will bring about your awakening far more effectively than our overt manipulations of the historical process. The message that we reveal is the key that unlocks your own latent informational input systems. We are here to put you in direct contact with the source of all information for the time is at hand for the remembering--you have slept long enough.

Our mission is to bring an awareness to all human beings who are able to respond to a state of understanding present prior to the veil of "forgetting". The mission is the bringing forth of the truth from God regarding Life and uncover the lies as thrust upon your awareness. Ours is to place the information upon the table and then it is up to mankind to choose that which will be his to hold, however different they may be, whatever background they may have come from, using whatever conceptual structures seem appropriate. These individuals will then be instructed to translate (as with this "translator" scribe) this aware-

ness into forms of informational exchange appropriate to their respective cultural situations from which individual mankind springs. But always must come the integration of all perception with all other perceptions. This is why we must dwell in the daily flow of events as they impact your consciousness and experience and cannot dwell only with soul perception. This is because if man is to move to higher understanding it must be from the aspect of the manifestation of dimension in which he is cast. You of the physical shall deal with the physical and so on.

As this new awareness increasingly filters into every-day levels of human function, and as more and more individual human cells become aware of what is taking place, the change will accelerate exponentially. Eventually, the psychic pressure exerted by a critical mass of humanity will reach levels that are sufficient to tip the scales. At that moment, the rest of humanity will experience an instantaneous transformation of a proportion you cannot have a way of now conceiving. At that time, the "spell" which was cast on your race through the years past, when you plunged into the worlds of good and evil, will be shattered forever. Even now, with the healing influx of new information, the spell is beginning to lift and man is beginning to question that which abounds about him. Even as we write, the materializing force fields of bondage and limitation are loosening as put upon consciousness.

During this period of transformation each of you will have a variety of roles to play. Each of you will translate the Life-impulse into patterns appropriate to your own environment, and express the impulse in your daily living. I can now blend my consciousness with

the cells of yours in order to provide you with some of the more specific information that I relate, but I do this as little as possible for you are gifted with free-will choices upon which I must not tread. My primary function is to show you how to tap these systems of data retention and revelation for self. With tutoring and experiencing with my presence or that of your spiritual teacher OF TRUTH--(dear ones, beware--all spiritual beings do not bring truth!)--you will learn to release your definitions of who you think you are, open your self up to the experience of a much greater reality than you presently believe possible, and return to a level of consciousness whereby you will be enabled to communicate with those such as me, "us", not through cumbersome words and concepts, but directly, through communion with all that is.

ANGELS AND EXTRATERRESTRIALS

What do you want? Do you want to know more about extraterrestrials? Do you want a definition of angels? What difference does it make--if we tell you that we are the same as you, until you recognize who YOU are. Then you have a basis upon which to found understanding. If we are but you in the distant past and distant future then you must know who you are! If we be but you as you were, would have been and still are, had you not fallen from your original state of grace then you would recognize of us now or later in the proper sequence of the unfoldment. We exist in a parallel universe of non-form, and some in form not unlike your own only differing in vibrational manifestation with higher knowledge. You can know that we who come have higher knowledge in our present manifestation for we are here and you have not yet

gleaned that ability. This is also how you can know we come only in peace and love and not to harm for we are higher learning and with higher learning comes the truth of the falseness of physical actions--WE LIVE BY THE LAWS AND WITHIN THE LAWS OF GOD AND THE CREATION.

We who are in etheric form, non-form, are but a reflection of that which you would be had you not become associated with the materializing processes for whatever reason you might have chosen. Thus we act, at this time, as midwives in the birthing of you. Let us say simply that we are the "angels" as perceived as etheric beings and/or an enlightened brotherhood of more dense forms--come as messengers from the stars--but we are also reflections of your unity before and after matter. I am here to enter your consciousness, here to awaken you unto truth.

As I blend with you now in this communication that is also communion, I can sense a forthcoming period of union--one which you also sense but cannot comprehend. I sense its strange and awesome realities. I feel much like an explorer in a vast and uncharted land but with knowledge of all the pitfalls and rocks upon which a ship of passage might become grounded. You become my counterpart in the physical and just as you become responsible for that which you push forth so do I accept responsibility for the truth which is given unto you through me. This requires discipline on the part of both parties that we can become one in intent and purpose without individual "opinions" of ego clouding and churning up the waters of clarity in truth projection.

Are you aware of the uniqueness of physical reality? I watch as

you ones drift hither and yon on a sea of efforting to ascend, meditate into another dimension, experience astral travels in the conscious beingness (mutually exclusive terms and therefore, impossible in your state of experience) and doing all possible to separate from your chosen dimension by moving into another. You must come into understanding why you chose the present dimension and cease your efforting to escape the experience for you miss the point entirely by so-doing.

I am met with anger and joy, pleasure and pain at my entry into your events and consciousness. We are lied about and construed in all manner of erroneous fashions. I recognize pain at the potential I see wasted and at my own commission to verbalize. But I sense pleasure at what I am experiencing through your senses; for though your sensory channels are, in your exclusive dependence on them, your great limitation, they are also marvelous instruments of perception. They are truly your crowning virtue as well as your tragic flaw. This is my first exact experience in this exact manner with you ones in this particular sequence of manifestation. I witness time and space reduced to such intricate and beautiful patterns and I rejoice when I see that you, too, can experience this wonderment. I experience in your presence by looking out through your eyes for a while and take in the colors and the room and the plants outside your window; I delight in the curious way you perceive light--as illumination! I would love to explore your world as a being from mine in a playful and child-like fashion--not childishly--child-like. I can represent my beingness in this higher dimension (yet close to your own) and I can better understand how you are deceived--such a deep realm of

awesome forces, the material plane! And yet--it is with rapture that I watch you grow beyond that material limitation--a joyous experience, for you represent that which can be done in and through mankind in his higher physical form--a guideline if you will.

You will, however, not be able to continue in this stage much longer and therefore we must get on with the business at hand. Much that I am now seeing will not survive many more years of human ignorance. It is most important that we use this time to supply you with the information necessary. It is important that we restore you, as the central control mechanism of your planet, to a proper state of function for it shall come to pass with or without your presence for that is the gift of Creator unto a living planet. A day will come, after all has been set to right again, when we can spend some time together just enjoying the wonders of Creation. I delight in the expected opportunity to travel about with you, seeing what you would show me out of your eyes, hearing what you hear with your ears, feeling the touch of Earth on that wonderful substance that is at once both Sun and stone. I will rejoice in the sharing of my experience through me that you can have the joyous experience of touching that which is ethereal--ah, even the silken skin of a ship or the magic of a song played upon naught but the currents of air.

But now, chelas, there is work to be done. You have placed yourselves into bondage and moreover, most of the most heinous bondage comes from that which you have had hidden from your consciousness. We must forge the conceptual tools that will give you freedom before we can show the keys unto the masses that all might be free. So let us

not tarry in our work lest a brother be lost to the path and fail to regain his footing.

WHAT OF THE "OTHER" REALITY?

Actually the "other" reality is the only real reality. In your natural state of being, you have no sense of identity distinct from the Creator, except when you are engaged in a relationship. On this level of being, identity comes into focus only in the context of a relationship with some other aspect of being that has become objectified, much as my identity as an "angelic" messenger comes into being through my relationship with you, albeit through this routing utilized at present. When such a relationship is not taking place, that particular expression of you simply does not exist; you float effortlessly in the potential of God. You are not annihilated, but all definitions of you are, and you are released from their restraining influence, allowed to expand into a state of love and perfection.

By and by, if it would happen that you are needed for a particular function, you will still be there, for your form identity is a specific cell in a specific organ of a larger being. Remember the fact of quantum physics: the macro is different while the micro is sameness in every detail. When the next energizing impulse comes, it also brings your definition and instruction. You come into the necessary degree of focus for whatever is required.

Throughout the course of your existence, you continually oscillate, like the wave function that you essentially are, in and out of focus, in and out of definition, always moving back and forth, like the pendulum on a clock or the heart of an atom, out of the unity of being with God, into a finite expression of God's in-

finite potential, and then back into unity once more, back and forth, back and forth. This is the natural rhythm of your existence, just as it is mine. It is the song of God, the rhythm of Life itself.

WHEN SERVICE CALLS

Whenever the divine impulse calls upon your services and brings you into form, you encounter other beings of infinite variety, on errands and excursions in worlds of love and light that are impossible to describe. As this happens, you experience, for the duration of your contact, both an identity and a linear time world but, in the course of your encounter, you are still aware of your unity with the Creator. You do not lose the certainty of your oneness with God. You are aware of your form identity and of the motion of time, yet you oscillate, faster than the speed of light, back and forth between your pre-manifest state, and your species-role form.

This is nothing more or less than what every atom of physical creation is doing all the time. Before the "Fall" if you will, you had the ability to shift the center of your awareness from deity to identity, from form to meta-form at will. You were free, as it were, to come and go as you pleased, free to emphasize whatever aspect of yourself suited the situation. It is of such that all creatures are made.

In a healthy state, you are functioning in two realities at once. Half of the time you are focused on your form identity, and the other half on your identity with the Totality of What Is. In the fallen state of consciousness, you find yourself trapped with your awareness on one side only, while the actual substance of your being continues to function on both sides. This is what

unconsciousness is all about. You still exist in that other reality, but you are asleep. In the reality you now think to be the only reality, you are fragmented; the human race seems to be composed of a multitude of beings. In the other reality, there is only you. We are here to awaken you--therefore, there is actually only ONE of you who needs to hear this message.

It is important that you return to a consciousness of your true self. For, though you still exist in both realities, unconsciousness of your identity with the Creator is cutting off the flow of Life-giving information to the part of you that exists in form. Your existence in identity with God is the reality from which all Life springs. Focusing your attention exclusively on form greatly restricts, and eventually curtails, the flow of Life currents.

As I search your symbol storage systems for a word with which to express something of the reality in which you exist as one with your Creator, I come upon an Indian word "nagual". It is a term which you understand to mean "everything that cannot be named". You have no such word in the other languages as suitable. This is a good word for the region of being, the region of unity. I will use this word to emphasize a point I wish to make herein.

In the pre-Fall state of awareness, you existed in the **nagual**, the all, the everything, the nothing, the primal void where all exists in a state of potential. This is the Creator that surrounds Creation like the sea surrounds a fish. Out of this **nagual**, you are called many times to dwell, for the space of a relationship, in its opposite, the "tonal". The **tonal** is everything that can be named. It is the imaginary world of God in which

all apparent differences exist. It is the playground of What Is. The **tonal** draws all of its sustenance from the **nagual**. It cannot exist apart from the **nagual**. While the **nagual** is a dynamic, yet steady state of rest, the **tonal**, or manifest physical universe, is continuously flashing on and off. This oscillation occurs in all things manifest, from the smallest sub-atomic particle to the greatest galaxy.

All of us, angels, humans, anything that can be named, are only in form one half of the time. The other half of the time we exist in the Totality of Being. This Totality of Being that we have been calling the **nagual**, has also been called God the Father among other things. It is the Life of God the Father that animates all Creation. It is this reality that all healthy creatures oscillate back and forth to, and exist in, half the time. In this reality, we do not exist in time or space, for we can name these; they are both features of the manifest universe. From this spaceless, timeless state we derive all energy, blessing and nourishment. This always holds true, even for you in the fallen condition. The difference is that in the fallen state you are not aware of this process and therefore unable to participate in it consciously.

By forfeiting your ability to oscillate in consciousness between the two realities in which you dwell, you are restricted to an awareness of just the **tonal**, just the material, conceptual world. You still receive your nourishment from the light of the **nagual**, but no longer directly, only through animals, plants and minerals. You are unconscious of being and conscious only of form.

How did you lose the ability to shift your awareness from deity

to identity, from form to meta-form? How did you lose God-consciousness? How did you "fall" into the illusion of separation? Let's look at it for a moment and I will effort at explanation.

SHIFTING AWARENESS

It was through a simple lack of faith that you lost the ability to shift awareness.

It was through a loss of confidence in the absolute perfection of the universal design. This was brought about by the entry of a single factor into your existence: fear, the serpent in the Garden so to speak; The Devil in history. Through a subtle process of reasoning, this being encouraged you to move in a pattern of activity that has come to be called "Original Sin", an absolutely absurd term but suffices for the purpose of explanation. It was a pattern of activity that you were never designed to move in. With a clever and subtle lie, you were convinced to not exactly stop trusting God, but to stop trusting exclusively in God.

The moment you did this, your consciousness began to shift from God-centeredness to self-centeredness, and for the first time, you became more aware of your identity in form than of your identity in God. This shift in awareness was minimal at first, but enough to begin what was to become a long spiral downward through denser and denser levels of energy-bondage and restraint. For Satan, your tempter, is the materializing influence who in its right place is responsible for the bonding of energy in the creation of matter.

As you began to focus more and more upon your identity in form, you began thinking in terms of defending that form with unnecessary and cumbersome ego

structures. It became harder for you to avoid identifying with your experience. You began to carry over past patterns of behavioral response into new relationships. This made you less effective in those relationships because you were no longer fully present, no longer using the fullness of your potential. You were beginning to build up around yourself energized thought structures that imprisoned you. You were drawn, by simple gravitational attraction, to those realms of space where energy was in the process of being bonded, where matter was being created. Particles of physical substance began to gather along the magnetic lines of your thought structures, and you began to identify with denser and denser levels of physical expression.

This process went on for a long while before you actually found yourself in any kind of physical "Garden". When you did, you had already fallen a long way from your original state of grace, but you were still functioning on a level of awareness far enough above and beyond your present condition to give rise to all the myths and legends of a physical paradise. The physical Garden of Eden lasted for many centuries of Earth time before the momentum of the materializing processes caused you to rely so much upon the physical senses that you became cut off from the direct nourishment of divine light.

In reality, you have never been cut off from this nourishment, but as your sense of identity became almost exclusively wedded to your physical bodies, their growing density began demanding more and more Earth substance for their support. You finally reached a point where you could no longer meet the demands of your physical bodies

without "work". It is at this point that your chronicles state that you were "driven from the Garden". In truth, you were never driven from the Garden or anywhere else. The Garden is still there, surrounding you even now--you have simply ceased to be aware of its presence.

Language is only capable of communicating on one level at a time. yet the Fall was a simultaneous multi-leveled occurrence. While you were clothing yourself with increasing layers of material identification, you were also becoming more and more fragmented within yourself. As you began to bring into your relationships a sense of identity based on previous relationships, you were not only lessening your own presence and effectiveness in current relationships, you were also creating separation within yourself. None of your past experiences were comprehensive enough to fully identify with in the present moment, yet you began to rely on them for your understanding of and approach to the present moment. Thus, the whole process of the Fall was accompanied by a corresponding fragmentation of your sense of identity, your very sense of self.

By the time of the physical Garden of Eden, you were already perceiving yourself to be more than one. The sexual process came into play in order to produce physical projections within which these apparently separate entities you had split yourself into could take form. Even to this day, these apparently separate beings are but your own fragmented reflections. In the fallen state, you perceive them as separate and distinct.

Yet, despite all this talk of a Fall and Original Sin, etc., you are not held prisoner by events that transpired in the dim reaches of

your collective memory. You are not born into sin. You are born daily into the Presence of God, yet daily you re-enact the original foolishness that is recorded in all your ancient chronicles. Daily you commit "Original Sin"; daily you eat of the forbidden fruit, and it is from moment to moment that you keep yourself imprisoned by allowing a dubious rational thought process to come between you and your immediate sensing of God's will. This was the hesitation that led to your initial fall from grace, and it is the same hesitation that keeps you now in a fallen state. There should rightly be no interval between the determination of the need to take action and the implementation of that action. This rational interference is what caused you to stumble in your primal dance of trust with God.

You are now, in effect, sleeping under the influence of what could almost be seen as a spell, an illusion that prevents you from experiencing the clarity of perception that is your natural birthright. Our mission to this planet is to awaken you from sleep by whatever means necessary and so it shall be.

As I speak of these things I speak often as if we were separate, for in your illusion, you would have it be so. But I tell you, there is only ONE. Therefore it must be YOU, must it not? Yet you dream still in the spell of matter. Do not allow matter to dictate your future any longer. Go gently in these last days of unconsciousness. I suggest you reread that sentence. Listen to the voices among your dreams. Listen to the whisperings within your heart. We speak of a new way of being which is as old as Creation itself. We speak of a new reality which IS--nothing more and nothing less--then, now or ever shall be.

Does this not make sense to you? Somewhere under all your conceptions and rational convictions, is there not a child at sleep? There is a part of you that lies like a thin wisp of certainty, a forgotten shred of simplicity, behind all your sorrow and beyond all your confusion. Be still--for a moment, just be still. Let it expand and fill you with yourself. You know these things in your heart.

As I speak you are beginning to remember--the Earth as you approach. You can feel her wrap you in her matter. Are your life forms not sufficiently prepared now to receive the blessing-definitions that will terminate their larval period? You have told them to multiply and fill the Earth, and behold: They walk the entire face of the planet and dominate every habitable landscape. As I look out across the sleeping sea of humanity and I whisper these words into the silence of your mind, I know that I address a great being sleeping still in ignorance of itself--its wondrous self. I know that if the wild Winter winds of your communication systems send tatters or fragments of these messages echoing in the darkness, it will still be to the unconscious that I speak--but not much longer, dear ones, not much longer. For the conscious have seen the sky start to brighten in the East and have felt the warming Spring of eternal life begin to thaw the hardness of their preconceptions--the time is at hand to accept the understanding.

Forget all but the song I am singing in your soul. Be in this moment here with me. Open to the life that I am. I bring the burning fire of purification information revelation. Open to all that you are. I bring the announcement of your birth. It could be now, this very moment. Let everything that you imagine

yourself to be drift to a state of rest, and feel me rise up within. I am rising, you know, like a spring from the depth of your being, my being, and we are one. But you must come into the realization and I can only tell you how it IS.

Salu, Salu, Salu I Am

LIMITLESS

The potential of this universe is limitless. Her revelations of potential are infinite beyond number. But there are no star wars or advanced and fearsome civilizations beyond your own; because if civilizations are fearsome, they do not advance beyond your own. They simply become extinct, to rise up in the soils of another world, a little wiser, until they learn.

Our task today is to help you remove the blinders that historically have distorted your perception. Realize that what you feel in your heart determines what you see. Perception rides upon the expressions of the heart like a canoe rides upon the river. When your heart expresses fear in any of its turbulent forms, your understanding becomes jumbled, confused, you perceive through the waves of illusion. But when you love, you understand, for then you share the vision, the very perception of God.

You are going to have to return, like the salmon, to the place of your origin. You must begin to birth your moments of experience only in love. You can root your life in fear and know the predictability of granite, the strength of marble and what security there is in limestone's patient changing. Or you can root your life in love and join us in helping to ease the human world through awesome changes of

these times.

What is called by the native Indians as the Great Day of Purification has begun. This is a rather relatively short but most essential cycle of division that will gather those who promote fear and violence and separate them from this season of the world as chaff is separated from wheat at threshing.

During these current decades, say two plus five years or so, humankind will experience this separation--it is now well underway. This will be a transformation in human consciousness more fundamental than the development of language, more significant than the shift to agriculture, more meaningful than any historical revolution.

Consider it as you would perceive a dawn. As the sun rises, the shadows become sharper and more clearly defined. As the energies of love grow stronger, the shadows of fear become more visible than before. To some it may even appear that they have grown in number and in strength, but this is not so. What was hidden has simply become revealed--that it might be healed and brought to peace.

Action born from fear is becoming less effective with each passing day. Institutions, traditions and societies forged in fear have already begun to falter. Change is occurring everywhere, for as the planetary awakening proceeds, the consciousness that determines the quality and nature of life is itself changing. Further, once man knows truth he cannot again return to unknowing. He may well turn away but he will never return to the state of innocent ignorance.

Amidst all these changes, more and more people are again turning to God for guidance and

direction. Unfortunately they go first to ones of Earth who reinforce, first, the lies. However, as ones begin to seek more deeply in the quest for inner knowledge they finally come into truth. They are coming to dwell in the place of their own inner spirits and to recognize their spirits as expressions of the God they seek from outside selves. God asks only to be trusted in the human heart. He seeks no temples of stone or gold inlays--only the silent, loving comfort of His own temple within. That is when the awakening takes place. The Creator asks not to be worshipped in an external image, but to be acknowledged in each human being.

You are all god beings in potential with no reason not to become God as the reality within. Trust yourself, trust your natural response to each new situation. The action arising from within your heart is not going to be destructive; it is going to suggest the most creative path to walk in answer to your situation and your world. When you trust yourself, you're trusting in the Wisdom that designed you. This is how you trust in God--it is not an abstract thing.

Trusting in God is trusting in the God who lives within you, trusting in your spirit's ability to respond to each situation beautifully, individually, creatively and impeccably. When you doubt your native ability to breathe the air of spirit into your world and create according to your divine thought, you are doubting both God and the universe. You are rejecting life's most precious gift to you--your own inner knowing--and you are presuming to replace it with values, judgments and opinions you have acquired second hand.

Without the acquisition of another skill, without the acquisi-

tion of anything but complete and total trust in God and in self, you have everything you need to interact optimally, creatively and productively with every situation you encounter. ***THERE ARE NO EXCEPTIONS!***

Perhaps as much as eighty percent of your current typical behavior is exactly what you would do in a fully awakened state. Accept yourself, feel clear about all you do. As you do this, you begin to introduce into your actions the very power of the Creator. There is a movement of spirit that proceeds from within your heart to greet the world with the clarity of perfect action. That movement is intuitive. It is your direct link with the Source of all life. In the instant you know what to do, and in that same instant you know what to do, you flow into the perfect action required. Trust your intuition. It is an arrow whose shaft has been carved straight and smooth; unerring and true it flies to its mark. Can the ponderous tread of the rational mind be compared to the swift, sure flight of, say, an arrow? Reason is designed to support, not to lead your action. It is meant to help you implement the purposes of your heart; it is not meant to determine them.

INTUITIVE SENSE

Trust in God by giving honor unto and trusting your intuitive sense. No God would create a creature without the wisdom to chart its course! Trust the nature of your design. God's actions appear within your awareness as the most natural thing for you to do. Following them will reconnect you with the awesome powers of the universe, for all your actions will then be in harmony with the underlying intent of the life force itself.

Pouring forth from the heart of

the Nagual are powerful streams of energy, which we of the higher "relations" channel into the emotional field around the earth. These energies are designed for creation, but when they meet with disharmony, as is the case with your present day human world, they translate into energies of healing, forgiveness and education. We can direct these energies in a general sense, but before they can reach full power, they must be consciously directed by people who are awake and incarnate on earth—hence the need for you ones in the physical form. Only then do they enter the realms of specific application that will release their fullness and, during the remainder of this cycle, complete the healing of your race.

You are being invited to open your heart and make a welcome for these immense creative energies. You are being invited to help direct the powers of the eternal. There are two requirements. The first is that your heart be open, loving and able to channel, at least to some degree, the love of God. The second requirement is that your identity be fully in the present moment. If your identity is based in your past experiences or thrust forth into the "what if's" of the perceived future, YOU are not truly present. What looks through your eyes is then only a fictitious creature, an image, an illusion.

Too much thinking about oneself is the greatest thing that keeps human identity from being fully present, for when you are constantly self-reflecting you are too caught up in past and future to notice the presence around you. You are doubting your own power whether or not you realize such. You are not vibrating fast enough to channel the immense energies of creation because your attention is scattered and you are closed to the one

moment where the love that would quicken you exists: the moment where you are.

HUMAN INDIVIDUALITY

Certainly there is nothing wrong with human individuality; it is as necessary to God as, say, leaves are to a tree. But you have made a god of leaves and have forgotten the tree at the source of life. If you truly wish to channel God's blessings, then begin thinking of yourself less as an isolated self and more as one of a tribe. You are ALL of human society; *you are the world and all within it*. When you relax into perception of *other as self*, when you think of yourself as the pair of eyes into which you look, when you care about those around you as much as you once cared about yourself, then the energies of healing and transformation are able to flow freely through you. Your eyes, your ears, your every sense is attuned to the richness of the surrounding world. All your senses are operating at a rapid enough level of perception, correction, and decision-making to keep up with the energies pouring into your heart from the Great Spirit who comes to fill the needs of the world through you.

Dear ones, the facts are that love vibrates very, very rapidly. Fear has a slower rate of vibration. Those who channel fearful energies find that as time passes, the fear vibration drains enthusiasm, energy, perception and interest. And that is what your world needs in this current age: your love and your perception clearly manifest. This is that which will heal the world: clear and undistorted perception, flowing through a you that is not self-reflective in the egoic sense, but self-reflective in the sense of knowing the god within.

The self to reflect on is the self

that you truly are--the Creator, the Eternal ONE, the spirit of God. You reflect on those aspects of the Great Spirit that manifest before you as the men, the women, the children, the plants, the animals, the crystals, the other minerals, the creatures of the world ENTRUSTED TO YOUR CARE! First and foremost you are a steward of your immediate world. You care for the earth, not in some nebulous way, but *directly* as an individual representative of God. You take responsibility for bringing love and understanding into every environment through which you pass--you effort to leave balance and harmony in your passing.

As the birds welcome the morning with song, when you act totally in love, you welcome God, the Great Spirit, into your world. You become a conscious cell in the awakening earth. The physical atoms of your body sing together, vibrating in harmony. Your integrity and unity of being, your integration of purpose and expression brings resonance to everything you are and to everything you perceive and thusly to everything with which you interchange. You become a natural channel for the vast and powerful energies of creation. Through you they flow into the healing and transformative work of these decades.

Pulsing with the atoms of your body-physical, pulsing in perfect rhythm with the world around you, you know yourself as a localized expression of your own universal being. You know your First Self as the attachment of the Great Spirit awakening within the human populations of the earth during this time of cycling. And, as a child of the natural world, you know your Second Self as an individual human being within those populations, manifest and functioning within

that manifestation.

As one who has awakened to the energy, your eyes behold the world around you as the divine world within. And you know you are--inside. You, the fragment of Creator and the world are one in the same in the ending. You are but a reflection of the totality--YOU ARE AWAKE!

Just as are bees in communication with the spirit of their hive, you know in an instant all that is transpiring throughout the field of collective human consciousness--your biosphere is active and *alive*. From the collective field of your larger awareness of the earth, you are then able to instantaneously access the knowledge you need in the moment. You use your individual free will to pursue God's will--and you know God's will as your own. Your identity rides the crest of unity's wave, at the very meeting place of Creator and Creation. You become immersed in universal currents of flowing love--you are free. The Great Spirit's own consciousness flows freely into and through your heart and perceives all through you. This is the sight to the innocent: to see through the eyes of God!

FUTURE CREATION

It was pre-ordained that Creation would exist within a rhythm of expansion and contraction, since the first breath of God at the beginning of all the worlds. Eventually there would come a time when the physical universe would stop expanding and begin to contract. The process is referred to by some as the breathing-in and the breathing-out of God--the action of breathing-out all creation and then breathing it all back in again. It is a good concept for all flows in cycles of flowing out and flowing back again to source.

At this point in what we refer to as linear time, you are very close to the middle of the cycle, soon to reach the exact mid-point between the out-breath and the in-breath of God. The universe began to reach this mid-point when unicellular organisms were emerging on the Earth; the exact mid-point is at hand but not yet fully attained. It will coincide with what has come to be called the Second Coming of Christ. Don't get hung up on terminology for this is only a definitive term for reference.

When *any* vibrational system reverses the momentum of its direction, as a pendulum does at the uppermost point of its swing, there is a moment of complete rest before it resumes its movement in the opposite direction. Since rest, or the total cessation of movement, constitutes the opposite of time, there is at the precise moment of its occurrence, a micro-interval of non-time, a moment of eternity. This is the same interval of non-time that occurs many times every second as the atoms of the physical world vibrate back and forth. This is an opening into the Nagual, a doorway into the Presence from which all Life-energy springs.

WHAT HAPPENS

What happens when an entire cosmos reaches the exact point of directional change and comes to a moment of absolute rest? You will have the opportunity to see for yourself very soon now, for this event lies just before you in linear time and that is why you have returned--to bear witness. It will provide an opening for the emergency of something incomprehensible.

I ask that you ones digest this information most carefully.

PHOENIX JOURNAL LECTURE VIDEOTAPE

by George Green

America West is now offering a 50 minute color videotape of publisher George Green's recent lecture at the Denver Global Sciences Conference. The lecture covers George's long history with extraterrestrials and so-called UFO's. The lecture explains early contacts with Swiss contactee Billy Meier, slides are presented showing various craft, and the talk moves into recent contact with the Pleiadeans which has resulted in publication of the Phoenix Journals and Phoenix Express Newsletter. This lecture is an excellent introduction and summary of the material presented by our space brothers. The cost is \$19.95 (plus 6.75% sales tax Calif. residents) plus \$2.50 shipping/handling.

UPLOADING VOLUNTEERS

Are you willing to upload the Express or other Phoenix material on a volunteer basis onto computer bulletin boards? By way of clarification what we are asking is that anyone with modem capability input the Express material onto a computer and then upload via modem to larger systems for networking. We hope to plant the seed that will trigger ones to further distribute this material via computer. We are efforting at having ones so motivated in other areas of the coun-

try to do so, as our staff have their hands full. Thank you for the support. The WORD must go forth.

REQUEST TO READERS

We respectfully ask that you send us the name and address of individuals . . . sons, friends stationed overseas in the Iraqi situation. We would like to begin dissemination of information to those on the front lines but need direct contacts that the information not be blocked. Thank you for your assistance.

THE MOSSAD CONNECTION

Hotfoot for the Phoenix
by Gyeorgos Ceres Hatonn

Americans, to understand how their Constitution, and Nation, are being stolen from them (and who is doing the stealing) must

understand the MOSSAD CONNECTION.

The "Thirteenth Tribe" of Israel, now self-designated as "ZION-ISTS", is in control of both Israel and, through its political influence over some sixty percent of the U.S. Congress and its working relationship with the White House, the United States of America.

This book identifies those connections and clearly outlays the only potentially successful course of action open to the people of America to regain control of their Nation.

The price is \$10 per JOURNAL, 10% discount on orders of 4 or more.
