ODDS AND ENDS-- AND--ODD ENDS

No, Dharma, we shall not just write another nice message today. However, we will respond to some inquiries which seem to fit with all and who present the questions asked by many.

So often the inquiry comes to me as to "How" do you quiet yourself and "How" do you cause yourself to "remember"? Then comes the inquiries of, "How do I explain to my children?" "How do I speak to other people about this wondrous new information and point out the errors of the society as is?" is constant unto me. First, and this will at first sound contradictory to that which I nag you about on a daily basis, you wait upon the Lord! You must understand that the Journals and Expresses are written for over 6 1/2 billion individuals, but with a thrust from this location, to the Americans who can make the largest impact on the planet society and governments by bringing their own back within control. If the United States can regain control then they will remain the strongest nation for it is from the United States that the greatest assault on "freedom" is being thrust.

If you, as Norma Z. who writes

in great pleading for help, are pushed, seemingly beyond reasonable expectations, then you most likely have a specific task awaiting its unfoldment. That will come into your recognition as you remain ready and continue your input of information. Everyone begins with self--there is no other way. One must come into mastery of self before being qualified to teach another.

You ones must come off and ease up as you desire to "convince" others of your information for, unless they have been introduced quite slowly, they will rebel and you will have only lost ground.

To "silence your thoughts" at first seems impossible, but like all else--that which you focus on becomes that which is achieved and if you work to "empty" your mind it shall only become more filled with the mere thought of becoming empty. In this instance, I shall ask that a "quieting and receiving" tape be sent to you for you are working far too hard at "meditation" and the tendency is to follow all of the so-called "channeling teachers", etc. Stop it. The point is to totally relax and "allow" and while you relax allow the thoughts to flow as they will without stopping to ponder them. Put the thought up front which you wish to ponder and,

whether or not you realize it, the mind will accept the input if you repeat the intent many times. You will not realize, always, just what the response IS. Be patient, for it will rarely come as YOU expect; this allows WISDOM to temper and organize and allow vision of "the best way" to achieve your goal.

Aside, for all of you readers, please, may I ask your input? In the America West catalogue you will find a set of "Self Esteem/Weight Loss Program" (Dimensional Life Programs) available. That set was done by Dharma in 1985/86 for a most specific assignment. I sat with her after the loss, to suicide, of her son for whom the set was being completed for his teaching use--and I have no interest in the weight loss portion of the set, other than for those of you who struggle with weight control and wish to utilize it for same. The set was made years prior to Dharma's realization that we were in participation, or that there was a higher purpose for her training. The value of the tapes is in the thorough covering of the subject of hypnosis, how to get into a state of relaxation, etc. That set of tapes is not the point in focus herein, however.

My inquiry deals with whether or not you as the readers would

wish the same introductory tape so that you have information about WHAT YOU ARE EFFORTING TO ACHIEVE, and some relaxation tapes as follow-on. I cannot ask America West to carry one more load as the expenses are tremendous as is, but if you ones would desire such material we can keep cost to absolute minimum, delete the pretty packaging, etc., and give you ones some basic personal material with which to work. I CAN SHOW YOU HOW AND, WITH DHARMA, WALK YOU THROUGH THE EXPERIENCE--I DO NOT FIND THAT TELLING YOU HOW ON PAPER DOES VERY MUCH. WOULD YOU ONES WHO WOULD LIKE TO PARTICIPATE IN SUCH A LITTLE PROGRAM, LET DHARMA KNOW AND WE WOULD ARRANGE TO PUT ONE TOGETHER FOR YOU. WE ALREADY HAVE THE BASIC TAPES MADE FOR WE MADE TAPES IN ORDER TO ALLOW DHARMA TO COME INTO THE "QUIET" COMMUNION PRIOR TO OUR DIRECT CONTACT AND STILL, WHEN SHE IS "DOWN" OR HARRASSED GREATLY--SHE GOES INTO THE QUIET WITH US FOR A HALF HOUR OR SO. The ones structured for her own use would not be "as professional" as one professionally made--but I promise you they do the job.

Also, she made a tape several years back to help her restless grandchildren fall to sleep. Some were going through traumatic experiences and insecurity. The tape is simply a wondrous journey into the wonderland of a space-ship journey allowing a child to fall to sleep with the wonders of the cosmos and renew his own wondrous dreams. She called it the "Fairly Grandmother" tape because it stresses and re-stresses that the

child is LOVED--ABOVE ALL, THE CHILD IS LOVED. She also put together another tape to quiet the children and allow them to come into rest in the daytime with the thrust to building the desire to better do school activities and integrate more easily with others. These have never been available except as simply sharing. These two, of course, are for the young child--except the space-craft journey and that one is a joy for every age, but geared to the little child. I would ask Oberli and George to look into these possibilities of availability if enough of you wish. Dharma was a gifted therapist and it is a loss to keep her to the computer constantly for healing comes through the mind--JUST AS DOES NEGATIVE BRAIN-WASHING. AS A MATTER OF FACT, IT IS ONLY THROUGH REPLACING THOSE NEGATIVE DATA BANKS THAT YOU CAN TRULY CHANGE YOUR IDEAS AND HEREIN LIES THE GREAT BARRIER FOR HUMANITY--THE EVIL INPUTTERS HAVE BURIED YOU AND YOU HAVE NO SEEMING RECOURSE. YOU DO, OF COURSE, BUT YOU ARE ALSO TAUGHT THAT THE METHODS ARE EVIL. DO YOU NOW SEE HOW YOU HAVE BEEN DUPED? "THEY" HAVE USED ALL THE WONDROUS TOOLS FROM GOD TO HOLD YOU HOSTAGE. WE HAVE A WONDROUS SAYING REGARDING MOVING INTO AND WITHIN THE MIND THROUGH RELAXATION AND GUIDANCE--"UNLOCK YOUR MIND AND BE FREE!"

Each problem or thought has a counter thought--each and every word and thought provokes reaction and thought-conditioned response. If I say "red, white

and blue" what is your first thought? Well, it won't be the U.S. Flag--in South Africa.

Norma Z. asks for information and a separate document with instructions for children so that they can be brought into understanding--believe me, they will come into understanding instantly--far faster than we "old folk"! They are sent for specific reasons of bringing you ones home. So simply guide by giving them PERMISSION to not accept the limitations of bigoted religions, let them know that YOU KNOW THEY SEE THROUGH THE DRIVEL and encourage them to dream of positive things and come into brotherhood. They KNOW we are out here and they know they are there--for some purpose beyond the lies they see each day of their lives--but, they also must live through it in reasonable compliance UNTIL THE ADULTS DO SOMETHING TO RECLAIM THAT WHICH YOU WERE SENT TO DO--CARETAKERS FOR THE PLANET AND CARETAKERS OF THE "LAWS".

The "Journals" are new--less than two years for these first loads of bombs and information--give time for digestion and as clarity comes as to the facts of that which IS--then shall come the opportunity to begin to regain control. You must begin to understand, know and live Truth--then actions will follow as surely as night follows day. YOU must become a KINDER/GENTLER individual and then the light shall be quite contagious. As you stop efforting to measure up to all the ridiculous' projections thrust upon you, from sexual habits of performance to any other response to the lies--YOU WILL COME INTO BALANCE AND SELF-STRENGTH. AS ONE TURNS WITHIN AND INTO

BALANCE WITH THE TRUTH AND WITHIN THE TRUTH OF THE COMMANDMENTS (SIMPLE-REASONABLE LAWS OF GOD AND BALANCE OF THE CREATION'S LAWS OF NATURE), others will find their way. If "other" demands YOU break the laws in any area of experience--then YOU MUST STAND STRONG--not in argument nor thrusting nor blaming--just stand within Truth for no man, woman or child has right to pull another into that which is incorrect and against God. If you deliberately thrust against the laws of God--knowingly, the one who has pulled you down will be in worse condition for he will know your capitulation and despise you for it.

Will you err? Constantly! God does not demand perfection--He demands that you constantly effort toward perfection as the created perfection of that which you ARE. God created you in HIS image--that, dear ones, is PERFECTION! Further, He is within and there is no strength in the Universe which can stand against the power of God of Light. You hold this magnificent power in shackles when you fail to recognize that wondrous self within--when you are faint and weary--HE CAN CARRY YOU TO THE COSMOS WITHOUT EFFORT--AND THAT IS THE TRUTH WHICH MUST BE REMEMBERED. *Stop trying to remember everything; when you come into the remembering of your wondrous connection with God--all the rest shall be added unto you. I didn't say go down to the local church, by any label, and be "born again", whatever is meant by that. Usually it means to go to the club-house and pronounce something or other according to whatever doctrine is dumped*

upon your searching beings and through that HUMAN "authority" you do something else, like sip symbolic blood and eat symbolic flesh and/or dip your head in water. IT IS THE SOUL WITHIN WHICH MUST BE REBORN IN RECOGNITION OF CREATOR/CREATION, FATHER/MOTHER.

CHILDREN

As your children see the contradictions of actions, i.e., that evil lies are projected from the church pulpits and false fundamental truths are lived for only an hour once a week--they are laden with fear of transgression, etc. A parent must be strong and tell the children that it is "wrong", that adults make errors. A child is punished and told not to "lie" and yet, everything in his life is a "lie" and the child will invariably "follow the example", not the word. Precious ones, you do not have an easy path to set things to right again and bring balance again with soul and physical being. God never promised you it would be easy--it is MAN WHO DECEIVES AND SAYS YOU CAN DUMP IT ALL ON THE BACK AND BLOOD OF ONE MAN LONG BEFORE YOUR BEING. NO, EACH WILL CONFRONT SELF AND GOD AND YE WILL JUDGE SELF FOR GOD IS JUST AND JUDGES NOT IN THE SENSE WHICH YOU EXPECT.

Allow the children to SEE the contradictions and all you can do is tell them to be patient and together we can bring balance back into this place. The things of the "moment", such as their savings, etc., and massive social affairs are beyond their understanding so you must just guide and it is wondrous for a parent to say to the child, "Precious, I

love you dearly, but Mommy/Daddy just don't yet know either, but together we will find out the truth of it." A child can deal with his feelings of total inadequacy if he can see that his significant "parent figures" are capable of erring and "not knowing" either--and oh, it becomes ever so much easier for the parents. As parents--forgive yourselves first and then you can forgive your children for the reflection which they ARE--of you! Then move within and love and give honor to self, forgive self, encourage self--and it will wash over the children like waters upon the thirsty shores.

Dear ones, the first intent to gain control of the world by the Elite was to pull the family units asunder and corrupt the relationships. It has been accomplished so it will not be easy to set it to right--but the reversal again into Truth, love and unity must be accomplished, as tedious and painful as it may seem--you are experiencing in a time of total chaos and "tough love" is all that will see you through this journey. Force will do nothing except cause more rebellion so you are in difficult circumstances, but a child demands discipline and limitations given within loving/sharing and then he deserves that his roots be deep but his wings unfolded that he may dream and fly.

How do you tell children about spacemen? You tell them that the Loving God the Father always sends ones before Him to prepare the way. Tell them that Earth Man is afraid of the unknown and especially the unknown power of ones unseen. Tell them that there are billions (beyond the counting) of places in the great heavens where other beings live and LET THEM DREAM. Tell them that the foolish stories from outer space are foolish tales to frighten and

scare them. Tell them that there are different people "out there" just as there are "different" people which they see every day. Then, dear ones, insist that they watch that TV every time "Star Trek" is on and they are available. There will be great errors in Star Trek, too, but the original information from which the story was based was piped into military computers from "transmissions" from "out here"! The original series was based on costuming, craft-functioning, appearances, etc., from data which was assembled exactly as they simultaneously tape every word in this dwelling, every word as it is typed into the computer, etc.

All that we write here at this moment is flowing into computer terminals at the CIA, the military base near-by, and other surveillance groups. WE have come into a pretty workable relationship with the surveillance teams. The "Elite" know we are here and we meet with them and remind them of limits beyond which we will be allowed intervention, etc.

As for the major question asked by Norma Z. regarding speaking of reincarnation. Why speak of it at all? You ones go to funerals and listen to the mouths blather about "a better place", "...they are now in Heaven with a 'better Father'..." Use REASON--if that be Truth, then does it not stand to simple reason that there is MORE than this physical body? And if there is MORE, then allow them to simply realize that God is ALL--without limitations and therefore, ALL is possible. If the moment is lived in Truth--the future shall evolve very nicely on its own behalf. The Catholic Church is responsible for removing the portions of the scriptures which spoke of reincarnation and immortality, for

that very FACT OF TRUTH REMOVES ALL POWER AND CONTROL FROM THOSE SELF-APPOINTED GODS OF YOUR LIFE. IF YOU REMOVE "FEAR" OF DEATH YOU HAVE REMOVED FEAR FROM EVERYTHING--AND LIKEWISE POWER OF ANOTHER OVER YOUR BEING!

Mainly, with children--tell them Truth. Tell them they don't have to "perform" as adults, let them hold to their innocence--and TELL THEM THERE IS NO SUCH THING AS SAFE SEX. DEAR ONES, THERE IS NOT! This is the most abused, misused, and dastardly tool ever perpetrated upon the masses. Expectations from the act itself cannot be fulfilled and it is known to be so to cause further confusion and breakdown of moral interchange. I'm sorry, but these things given unto you and thrust upon you are lies and against the laws of God and nothing will change of it. The proof is all about you. The proof this very day is the Mayor of New York City marching in a St. Patrick's Day parade with the homosexual Gays instead of his proper place at the head of the parade. At any rate, the Mayor is black--that means he is NOT IRISH, in the first place and his actions sanction homosexual BEHAVIOR which is immoral. Why would he not wear a placard and march with the HETEROSEXUALS? Could it be that Satanic practices have saturated to the point that that which is against the Godly laws are the things to be practiced? Does it not indicate that your political leaders are less than that which they spout from twixt their teeth? They have succumbed to the lie itself for personal security and gain--and you as a nation, allow it, sanction it, bless it and continue to bring the

lie upon your children. THESE THINGS AGAINST GOD ARE NOT ALRIGHT!

I can tell you now, that AIDS will destroy your people on the planet if this thing is not stopped; it is the curse of Man upon himself--set forth, created, infections started with full intent of depopulizing the globe and only the Elite who are intended to rule have the antidote. The ANTIDOTE to AIDS was created before the virus was loosed. It was introduced into the very communities intended for destruction and "if a few million innocent people perish--so be it" is the full intent. The Elite fully plan to get rid of the undesirable elements which burden their society as planned and homosexuality is not an acceptable life-style to the would-be kings. They are as the drug-lord. Most ones who grow, produce and market drugs at the highest cartel level DO NOT USE DRUGS!

This concept is one which would take a full Journal just in the discussion. It is up to you parents to tell your children TRUTH. AIDS is spread primarily through blood contamination--then hold your breath--through saliva and airborne spittle, etc., contaminating, say, a scratch or abrasion--it is not intercourse per se that gives infection; it is the type of excretion moving through tears and wounds to the private parts in an area (as with the homosexual male of sodomy--anal intercourse) where infected semen or blood is introduced into those abrasions.

As we carefully outlaid in AIDS, THE LAST GREAT PLAGUE, the virus was introduced so as to have no cure and you would be set up so that the disease would move rampantly through the populations. You

would be totally astounded if you knew the numbers of your physicians now infected. It matters not, any longer, what group is the beginning risk group, for as it spread out it takes all in its path. Just as with an avalanche of snow--first, it will likely take the skiers in the path on the slopes, but as it breaks loose in massive assault it will bury the ski village halfway down the mountain and on to the bottom of the mountain and take everything out within the radius of the path. THERE IS NO SUCH THING AS SAFE SEX. THE CONDOMS ARE WORTHLESS AS FAR AS THE H-IV-VIRUS IS CONCERNED FOR THE VERY PORES IN THE RUBBER MATERIAL ARE LARGE ENOUGH JUST IN MANUFACTURING, TO ALLOW EASY PASSAGE OF THE VIRUS RIGHT THROUGH THE MATERIAL. THIS IS TRUE, YOU SEE--FOR SURGEONS RUBBER HAND GLOVES AS WELL. THIS FACT PUTS SURGEONS, DENTISTS, ETC., AT EVEN GREATER RISK THAN ANY OTHER ONE GROUP OF PEOPLE. THE VIRUS MOVES "BOTH DIRECTIONS". THERE NO LONGER IS SUCH A THING AS "SAFE SEX", EVEN IN THE MARRIAGE BED--ALTHOUGH MUCH LESS LIKELY OF CONTAMINATION--ESPECIALLY HANDLED WITH CARE AND MORE ACCEPTABLE ACTIVITIES. I HEREIN WARN YOU ONES--THIS I SAY HAS NAUGHT TO DO WITH "PREFERENCE" NOR PRUDISHNESS--SODOMY IS DEADLY FOR THE ACT ITSELF UTILIZES THE MOST CONTAMINATED PART OF THE HUMAN BODY AS A RECEPTACLE FOR THE MOST SENSITIVE AND OPEN-FOR-INFECTION

PORTION OF THE HUMAN BODY--ON EITHER END. BEFORE THIS DISEASE IS PUT TO REST MAN WILL AGONIZE OVER HIS FAILURE TO SIMPLY HONOR THE LAWS AND COMMANDMENTS AS GIVEN FORTH FOR YOUR GUIDELINES OF BEHAVIOR.

CHANGE OF SUBJECT

Norma Z. also asks about "Jesus" vs. "Sananda" and what do you tell your children? Tell them that Jesus represents that which is called "Christ"--which is not a NAME but a state of accomplishment--just like a child goes through the grades and finally gets a diploma from, say, high school. Then when he graduates from College, he gets another award and then he becomes a Master, a PhD., etc., and is called "Doctor", or whatever. "Sananda" represents an ancient "label/name" meaning achievement and growth--into that which is the perfection of "ONE AS/WITH GOD". If the child is familiar with "Jesus", leave it be and allow him to understand the higher title. God knows to whom the heart speaks and names are not necessary. With a child you can explain it much as you speak reverently as in "Mrs./Mr. Jones"--i.e. Sananda Jesus or Jesus Sananda for in traditional "Christian" circles "Jesus" has long been the recognized title for that particular Master Teacher of human experience. For Hindus it is different; for Buddhists it is different; for Mohammadans it is Mohammad; for the Native American Indians it is Wakan Tanka, Pale Prophet, etc. ALL refer to that "Christed" beingness of Godness of Light and Truth of perfection--the Sacred Circle of Infinity.

Do not confuse the child with great dissertations, simply ex-

plain that God, too, has other labels just as do people in other languages use other words for things, i.e. "pollo" in Spanish is "chicken" in English. "Aton" is "God" in another language. Wakan Tanka is God in native Sioux.

GOODNESS WITHIN WHICH RADIATES WITHOUT

Norma asks how she might become one who radiates that which she sees sometimes in others--a sense that some people are just "very good inside". KNOW, NUMBER ONE, THAT THEY HAVE THEIR BAD TIMES TOO! Further, YOU CANNOT PERCEIVE that which others see in YOU. As one gains into the being of goodness it just happens--further, I can promise you, precious one, that you radiate that light and love. Even if I could not see it--I can know it is there, for you care enough to write me pages of loving, searching questions in truth of desire to "find", not to just present me with a boggling bunch of time-consuming testings of MY knowledge or stature.

And lastly, now, and then Norma, we shall move on--DO NOT STRUGGLE TO RID YOURSELF OF 39 YEARS OF CATHOLIC TEACHINGS. As you recognize the Truth against the lie, you will know that which is valid as to the goodness of God as taught, but you will be free of the limitations pronounced upon you for with God's Truth as your shield--you simply become free and you see that which IS--as it is and cease to believe 'it simply because some "authority" told you thus or so.

I DO NOT WANT ANY OF YOU TO GO FORTH AND PRACTICE YOUR LIVES

AND ACTIONS BECAUSE SOME "HATONN" SAID SO. TEST MY WORDS, REASON WITH THIS WHICH I GIVE--AND THEN TURN WITHIN UNTO GOD AND KNOW YOUR TRUTH--GOD IS TOTAL SIMPLICITY--NO SECRETS, NO RITUALS, NO MYSTICAL HOOPLA. GOD IS OPEN, OPEN, OPEN AND THE ONLY THING "SECRET" IS SIMPLY A MYSTERY TO BE OPENED FOR IT IS NOT "KEPT" SECRET--ONLY THAT "YOU" MAY NOT HAVE SEEN WITHIN THE MYSTERY. GOD NEEDS ONLY YOU AND HIM--NO MIDDLE MEN TO MUDDLE THE CONNECTION--JUST YOU AND HIM AND DESIRE FROM YOUR HEART TO SHARE WITH HIM. HE LISTENS NOT TO YOUR LIPS--FOR YOU NOW KNOW THAT "LIPS" MAY SAY ONE THING AND MEAN ANOTHER--HE HEARS YOUR HEART PETITION, GOOD OR BAD IN PERCEPTION, AND UNTO THAT DOES HE RESPOND. You need no "priced ticket" to God, for God Truth is without price--it cannot be "bought" nor can it be "sold". The gift God awaits is the silent gift of self and self-will placed back into His hands that He might again give it back to thee.

A petition in Truth is instant--instant everything: forgiveness, love, acceptance, allowance--everything. For if a petition is given in Truth--then the being WILL CHANGE, if not, then naught will happen for the petition was false. If the heart, in Truth, pleads unto God, it is instant!

LASTLY, AND THIS IS FOR ALL OF YOU: DO NOT PRESENT ME AS GOD, NOR TREAT ME AS SUCH--THERE SHALL BE NO

OTHER GODS BEFORE "ME" SAITH THE LORD THY GOD. As Hatonn, I am a Commander of a ship, in charge of a very big Command. YOU must not err in holding any short of GOD HIMSELF as your perfection--I AM YOUR FRIEND; I AM YOUR BROTHER; I AM A TEACHER AND I HAPPEN TO KNOW THE WAY. MY HIGHER EXPERIENCE IS ATON BUT I CHOOSE TO SERVE AS HATONN THAT WE MIGHT FIND OUR WAY TOGETHER. IT IS PERFECTION WE SEEK. IT IS A SETTING AGAIN TO "RIGHT" THAT WHICH HAS BEEN TORN ASUNDER--IT IS THE COMING AGAIN INTO LIGHT AND TRUTH AND RECEIVING THE BROTHERHOOD OF LIGHT AGAIN UNTO A DARKEND WORLD IN PAIN AND AGONY. WE MUST SERVE TOGETHER AND, DEAR ONES, IF YE GET ON YOUR KNEES TO ME AS A SIMPLE BROTHER--THEN I MUST TRY TO DO MY WORK ON MY KNEES ALSO--DO YOU SEE? GOD DOES NOT WANT YOU ON YOUR KNEES NOR ON YOUR DUFF--HE WANTS YOU TO STAND AS THE PERFECTION WHICH HE CREATED--ON YOUR FOUNDATION OF TRUTH (FOR PHYSICAL FEET HAVE NAUGHT TO DO WITH ANYTHING)--BE HIS HANDS, HIS FEET--HIS VOICE, THE REFLECTION AND EXAMPLE OF HIMSELF. HE WANTS YOU TO COME FROM OUT THE DARK PLACES AND INTO THE LIGHT SO THAT ALL CAN SEE THE PERFECTION OF HIS CREATION REFLECTED THERE.

THE BROTHERS COMING ON THE WONDROUS SIL-

VER WINGS FROM THE COSMOS--ARE EXACTLY THAT; YOUR FELLOW-BEINGS, NO MORE AND NO LESS--DO NOT FORGET THAT FOR ONE MOMENT FOR THEY ARE INSULTED THAT YOU WOULD THINK OF THEM IN ANY OTHER MANNER. HONOR THEM, APPRECIATE THEM FOR THEY HAVE WAITED AND SERVED LONG--BUT DO NOT INSULT THEM THROUGH MISPERCEPTIONS. THEY BEAR NO ROYAL TITLES AND IF ONES TELL YOU OTHERWISE, TURN FROM THOSE ONES FOR THERE IS NO "ROYALTY" NOR "SECRETS" AMONG THE BROTHERS BRINGING THE HOSTS OF GOD'S PLACES. THERE IS ONLY REVERENCE, LOVE, SERVICE AND COMMITMENT. NONE CAN GIVE ME GREATER HONOR NOR ACCOLADE THAN TO SIMPLY CALL ME "FRIEND".

Dharma, allow us to close this for we have written far more than intended but we must respond as we can for the awakening is sometimes difficult indeed. Blessings are upon you precious ones and together, we shall do it, brothers and sisters--for this "thing" is not over until "GOD WINS"! HOLD THAT EVERMOST IN YOUR CONSCIOUSNESS--THE REST SHALL TAKE ITS PROPER WAY. GOD WINS, CHELAS! SO BE IT.

Gyeorgos, in friendship and brotherhood, to clear. Saalome'

A MOMENT'S VISIT

As the time of "Ramadam" quiets the boiling cauldron--on the surface, while men of evil work

in dark places, let us turn to our own moment in "time". Dharma cries out from the burden and pleads for answers--"How can we do it all?" The answer is simply: "We cannot nor shall we effort for same."

We have petitions, accusations, personal inquiries, demand for more, demand for less and frankly, we shall leave it unto God to make decision as to that which He shall give unto his lambs who have lost their way. If there is but one path home and it is blocked--then we shall simply remove the barriers for the alternatives to become clear and tell you the truth of your predicament and then you can stall-out or move right through the roadblocks.

I am constantly reminded of the story of the man and his donkey, actually two stories about asses which bear repeating. One, is the man who set off to market with his produce and products for the sales. He loaded his donkey, climbed on also, and began his journey. First he met people upon the road who demanded he unburden his ass. So, he got off and walked--wherein he met others who demanded the ass was still too loaded, so he removed the burden and put it on his own back. Then, he met persons who demanded that the ass do his job and therefore, he placed some of the burden back on the ass; then he met persons who noted the ass was lame and demanded the man stop his journey--whereupon he finally discarded his items for market and picked up the donkey and carried him.

At this point he had tied the burden back upon the beast so that he could carry all that remained and the load was very top heavy so the man chose to set up his place of sales right

there in the road--but people came and produced the laws which disallowed selling anywhere other than the market already established; whereon he re-loaded his donkey, again picked up the ass and off he stumbled on to come upon a narrow bridge crossing a wide gorge. In the path came a caravan of camel drivers who demanded he make room on the bridge for their passage--*whereupon the man, donkey and goods all fell into the abyss and all was lost. You cannot please all of the people all of the time--nor should you try to do so.*

Next story: There was a man who had an ass which was the talk of the village. As others complained about the cost of hay for their own beasts of burden, this man simply proclaimed that he had found the perfect beast--every week he was able to feed it less and less and save great sums of money. Then one day the man came to town bearing his own produce and his friends asked with shock, "Where is your ass?" and the man looked around, shook his head and remarked, "Son of a gun, I finally trained that ass not to eat anything and he up and died on me!!" Where are YOU America? Where are YOU, World? Is it possible that the "ass is on the wrong foot"?

COLD FUSION

How strange that the scientific community in Salt Lake City cannot repeat the cold fusion process. It most surely will work, beloved ones, for all it actually requires is cosmic energy of which you are overflooded each and every moment of your existence.

Oberli, ask GM to find those men of research who first did the project and begin a relationship--we do not need to reinvent

the wheel, so to speak. Thank you, for we can instantly find out if they do, in fact, have a proper approach to energy production.

When a whole community of "experts" come out of the halls of great authority and pronounce doom upon a project--be quite sure that the project has great portent for success. This is known as the "theory of Expert stupidity!" It is proof that the intent is to have NO FREE ENERGY RUNNING AROUND FOR YOU PEASANTS TO ENJOY--WITHOUT PURCHASING IT FROM THE ELITE.

If you ones are locked into carbon-based fuels which are destroying you, your freedoms, and your world's balance, then must we go to the cave or shall we walk the middle of the roadway right through them? I prefer the roadway rather than the abyss.

ORGANIZATION FOR "RIGHTS"

Oh, you say, "We will just get an organization to stand up and fight for `our rights'!" Will you? Who will you get? Let us look at one or two of those which run about hither and yon, protecting the "rights" of you-the-people.

The National Lawyers Guild: This is a legal communist front and for many decades has been a defender of communist causes in America. It is headed by Elite Zionists and has been as basic in the destruction of the judicial system as any group could possibly be.

The Legal Services Corp.: This is a government/taxpayer-funded legal organization used by the political "left" to push leftist social causes in America,

and

The American Civil Liberties Union (ACLU): This is the number one legal purveyor and defender of leftist causes in America and has counterparts in every nation in the world.

Let us look at what one of your more outstanding lawyers, Jack Schroeder, says about the ACLU. What, indeed, does the ACLU stand for and has pushed for over thirty years in your legal system!?

Legalization of drugs.

Abolition of the death penalty.

Fines as a preferred form of criminal penalty.

Abolition of tax benefits for churches and other religious groups.

(So far it sounds pretty good?)

Abolition of all laws restraining obscenity, indecency, and pornography; including child pornography.

Abolition of all restraints and discrimination against homosexuals; and, legalization of gay marriages, all rights and benefits of heterosexual couples--including child custody and adoption rights.

Legalization of prostitution and elimination of all legal restraints on homosexual activities--e.g., abolition of all state sodomy laws.

Elimination of "under God" from the Pledge of Allegiance.

Removal of "in God we trust" from all U.S. coinage.

Registration and confiscation

of all guns by abolition of American gun ownership.

At first glance it all seems quite proper and suitable because man-made laws seem to only restrict and cause more criminality than to be without them. They would be of total non-necessity if man would simply follow the laws of God and The Creation--but alas--"man surely knows more than out-of-date God!"

Let us look at a few selected targets of this group for those, too, are so filled with corruption that somebody could possibly target them and bring some positive changes. The brunt of their activities include businesses, conservative and Christian individuals, leaders, and groups. Examples of such leftist legal attacks are legion and often are quite positive in their results. However, anything taken to extremes is destructive and causes the entire donkey to fall into the abyss. In October of 1989, a Georgia judge sentenced anti-abortion activist and Operation Rescue leader Randall Terry to two years in jail for criminal trespassing and unlawful assembly related to a sit-in in front of an abortion clinic. The very same week in Atlanta, a drug dealer convicted of killing another drug dealer (by shooting him some fifty-eight times and thoroughly killing him quite dead) received a one-year jail sentence with time off for "time already spent awaiting trial".

Is this not a bit incredible? The American legal system has facilitated and sanctioned the murder of over 25 MILLION babies, and yet if ones speak out or "sit-in" in objection against the slaughter and carnage--they can be jailed and fined more severely than drug dealers, murderers, rapists, extortionists, and burglars? Can this be a "justice" system?

Let's read on a bit and see how ridiculous this can get. On October 10, 1989, the U.S. Supreme Court ruled that a federal anti-racketeering law (RICO--the Racketeering Influenced and Corrupt Organizations Act), originally passed to help the government fight organized crime, ***can now be used against anti-abortion protestors. Twenty-six Philadelphia anti-abortion protestors were convicted under the RICO racketeering law and fined \$108,000. A RICO conviction allows triple damages to the plaintiff if they can prove "a pattern of illegal activities."***

So now, you have formed an unholy alliance of abortion clinics and liberal Admiralty Court Zionist/Socialist judges who have combined to label any "anti" demonstrators as "criminal racketeers". Similar RICO lawsuits have been filed against pro-life activists by abortionists in Pittsburgh, Chicago, and various other cities. And so, what would the women's groups have to say about these indiscretions? Plenty: Molly Yard in her delicate soft-spoken voice that you can hear all the way to you-know-where and has reached the age of the hills to which she might well return for, she does no child-bearing-aged woman favors, screeched that, ***"Militant anti-abortion protestors are in the same league with gangsters and racketeers, so 'we' shall treat them that way."***

I ask you: Since when did your lack of any type of responsibility in the sexual participation--which results in pregnancy--give you the right to murder? Why does man and woman continue to compound their sins? There is no misunderstanding of the laws of God, chelas--this is deliberate evil and the consequences are great indeed.

"Those who participate only in the things of the flesh shall surely die by things of the flesh and there shall be found no peace within the being of that one." Thus has said the Lord thy God.

Even if these activities and practices did not include the subject of "murder" they most certainly violate the Americans' First Amendment rights of free speech. I remind you that in San Francisco, the "rotten egg gas" was NOT dropped on the pro-war demonstrators but rather, on the ones who demanded a stop to the insanity of a Middle East war. Moreover, do not the rights of 25 million unborn babies carry any legal or moral right in this world today? It becomes quite obvious to God that the answer is a resounding "NO"!

AND IN RUSSIA?

Russia set the stage and wrote the book on family destruction--beginning and flourishing with "abortion". Russia leads the world in abortions which are offered free and are utilized as contraceptives in order to not interfere with the lust of men. Women are given no respect in the predominant society structure.

But how do the "laws" compare? In the U.S.S.R. there is a nice "catch-all" law against "hooliganism" which justifies the Soviet authorities arresting, convicting and jailing Soviet citizens for virtually anything. The RICO statutes in the U.S. are being used in the same way more and more to curtail the "undesirable" activities of citizens who cannot be convicted on any other existing statutes.

Remember what the target goal of the Zionist/Communist (both inaccurate in definition) IS!

"Destroy the family, and the society WILL COLLAPSE."
(Lenin)

So, forget murder--let's look to holidays for this particular nation "under God". It matters not that which I think about Christian vs. any other kind of holiday--it is the traditional values attached to same which are under the death penalty. There is a concerted, planned, blueprinted-for-action, layout of attack by these named groups that the target, through the courts, will be to attack religious holidays--such as Christmas, Easter, etc. A coalition of leftist religious and educational groups, including the National Education Association, the National Council of Churches, etc., is targeting the holiday and other Christmas activities (e.g., pageants, creches, songs, decorations and so forth) in schools, the work place, government facilities, and you name it--. Multitudes of lawsuits are planned in order to make it not worth-while to argue about the matter.

This becomes a "legal" attack against Christianity, brothers, and your "One nation under God" for you will become a neutered populace of zombie-like existors.

WHERE DO YOU-THE-PEOPLE FIT INTO THIS?

I speak herein about "Christians" in an all inclusive sense--not the so-called Christian churches or people. I speak of those who believe in goodly truth, honesty and integrity desiring freedom through your rightful constitutional process. If you have not read Eustace Mullins' book on RAPE OF JUSTICE, I suggest you do so. Dharma, you will get your chance when we finish our own work for I weary of attacks of

"plagiarism" regarding "truth". You have, at best, experienced first-hand the most despicable form of this "injustice" system with your own property at the hands of evil conspiracy--but we fully intend to WIN. There are some still surviving within the system which was once good, and as they get a bit more brave and/or incensed at the rot being brought down, they will take a worthy stand--until the last breath is drawn, there is hope.

The **AMERICAN BAR ASSOCIATION HAS DECLARED WAR ON CHRISTIANITY**. The Judicial system is based upon the Kabalistic/Talmudic instructions of the Protocols. You have long since ceased having a "justice" system, if in fact, you ever had a worthy one. The American Bar Association has literally declared war on Christianity--they even call it by that very name stating that the "Christians" have defiled the populace in their "quest to rule".

On May 4-5, 1989, the ABA hosted a seminar in San Francisco *on how the legal profession can effectively sue Christians and Christian organizations (using tort law) because of religious fraud and the detrimental impact, emotional, financial, and civil rights-wise, of religion and religious beliefs on American society*. Dear ones, this is the American Bar Association--not even the ACLU!

Topics and specific lectures of the seminar included: "Expanding Use of Tort Law Against Religions"; "Tort Law As An Ideological Weapon"; "Tort Law As Essential Restraint On Religious Abuses"; "Liability of Clergy and Spiritual Counselors"; "Tort Liability For Fraud, Emotional Distress, and Harm to Reputation Arising

From Religiously Motivated Conduct"; "Tort Liability for Brainwashing"; "Liability Arising Out Of the Employment Relationship"; Institutional Liability For Negligent Hiring/Retention"; "Piercing the Corporate Veil--Liabilities of Religious Bodies and Affiliated Organizations"; and many, many more as much, or more ridiculous.

Oh, you ask, "*What in the world is a 'tort'?*" *Well it is not a multilayer cake of chocolate goodies.* A tort is a private or civil wrong or injury, independent of contract. Suits involving personal injuries, wrongful death, or defamation are tort suits. A tort claim usually has three elements:

1. *A legal duty to others.*
2. *A breach of that duty.*
3. *Damages as a result of that breach of duty.*

An excellent example is the cease and desist order (with threat of major lawsuit for "damages") from the Sister Thedra group, ASSK, against America West and Dharma for mention of their name, "defaming" Sr. Thedra, use of "Sananda, Sanat Kumara and/or Hatonn". But, I ask you readers: *Who might be the ones with the proper lawsuit in this instance?* Who and which might be on the side of truth according to God and who might be acting in a most worldly, greedy and evil manner as balanced action relative to God's laws and the "do unto others" law of The Creation? WHO MIGHT BE EFFORTING DILIGENTLY TO KEEP YOU--THE-PEOPLE IGNORANT AND BLIND? Years and years of service mean NOTHING, save perhaps the service is unto the clever master of deceit. Me, Hatonn, angry? FURY would be the better term--for I abhor

and despise the adversary who would USE A PRECIOUS BEING AND SEND EVIL ONES TO SURROUND AND CAPTURE A DEVOTED SERVANT UNTO STRANGLING DESTRUCTION OF THAT ONE WHOM MANY FOLLOWED IN BLINDNESS. I LOATHE THE EVIL DECEIVERS WHO HAVE DUPED THAT ONE FROM THE BEGINNING FOR SHE HAS WORKED LO, THESE MORE THAN 40 YEARS IN THE SERVICE OF ONE SHE THOUGHT TO BE HOLY GOD OF LIGHT. DO I DESPISE THAT TINY BEING? NAY, I ADORE AND REVERE THAT TINY LADY--BUT IT DOES NOT MAKE THE CIRCUMSTANCE "RIGHT" NOR DOES IT CHANGE AN IOTA OF THE TRUTH OF IT. THE REAPER SHALL SEE TO THE HARVEST OF THE USERS WHO HAVE LED THAT ONE INTO THE MORASS OF CONFUSION AND HELD HER IN BONDAGE THROUGH THESE MANY CYCLES OF THE CALENDAR, FOR GOD IS, AND HE IS OPEN AND FOR EACH AND ALL IS HIS TRUTH AND LIGHT.

Liberal judges in recent decades have been creating new duties based on what they perceive to be societal norms. Thus, as society becomes more antagonistic to Christianity, the courts will create new duties and become more receptive to litigation against Christians and Christian organizations. Did James Bakker deserve payment of his debts gained through his misbehavior? Oh indeed--but does he deserve 50 years of prison--while the criminals who have robbed you ones of trillions of dollars, murdered and plundered millions of you--go forth with at the most, a spanking and a vacation in "Club Fed"? As in some

cases I can name, like Silverado, you can bet the Bush boys won't even end up with the slap to the fingers. Both are incorrect but your system has lost all balance and integrity.

The ABA seminar (and by the way, another of these seminars on the same "updated" subject was held again in 1990) holds dire implications for Americans. For example, there can be tort liability for brainwashing, coercive persuasion, or mind control--whether or not any of the accusations are, or are not, true in the slightest degree--for anyone can sue anyone for anything, did you not know that? In the end the one who bribes and has the largest bank account will prevail. Justice enters not the equation.

In California, the Supreme Court has already ruled that there is a compelling state interest in preventing its citizens from unknowingly being subjected by religious organizations to coercive persuasion, brainwashing, or mind control. The court wrote that "where a person is subjected to coercive persuasion without his knowledge or consent," the state has a duty to intervene and entertain corrective litigation.

Psychiatrists now describe coercive persuasion as involving guilt manipulation, indoctrination, fear inducement, and peer pressure. By the way, for you who have light-bulbs for brains--Dharma has **ABSOLUTELY NO ASSETS, NO VEILS TO BE PIERCED AND CARES NOT WHO READS OR THROWS OUT THESE JOURNALS--SÓ WE RATHER WELCOME LAWSUITS FOR LAWSUITS ONLY DENOUNCE ONES WHO BRING THEM AGAINST BROTHER AND PULL THE WORMS FROM THE CARCASS AND**

ROTTING FOUNDATIONS. The courts go further, *voluntary* exposure to the persuasion by the listener/victim in no way alleviates the guilt of the perpetrator. By this definition, Billy Graham and every other evangelistic crusader in America, and a large portion of the teachings of American fundamental/evangelical religious denominations and churches, can be construed to be in total violation of tort law. So be it.

Psychiatric testimony, according to one outstanding lawyer, Barry Fisher, in his presentation, "Tort Law As An Ideological Weapon", (note, he did not say defense or justice or - - *he said "weapon"*) is now the most powerful and persuasive force in the courtroom on the issues of acceptable behavior. *Thus, a genuine Christian conversion/salvation or whatever you might call (a perceived return unto Christ teachings) experience is now being redefined by America's legal left as the result of guilt manipulation, indoctrination, fear inducement, and peer pressure.* The evangelist, pastor, parachurch organization responsible for such brainwashing or manipulation will be construed to be guilty of committing a tort.

A second implication is that the making of "allegedly" false statements is considered fraud. Now, you have something of which almost every "church" in the world is guilty--not to even mention politics, social leaders and such. "Unprovable" religious doctrines such as eternal security and concepts of Heaven and Hell can be considered to be fraud. Stanley Leak, a personal injury lawyer, maintained in his lecture that when a religious organization fails to disclose accurately its identity and *what it teaches BEFORE a person at-*

tends any of its functions, fraud has already occurred. For those "annual Easter Christians" this is a bit more difficult, I would guess.

Under this concept, liability is predicated on *what is NOT said* as opposed to making false statements. Before you say that this would never stand up in court, the ruling should be noted regarding a Maryland real estate promoter, who simply omitted "black" from his advertisement and was *found guilty of discrimination based on what he "didn't" say.*

INTENTIONAL INFLICTION OF EMOTIONAL DISTRESS

A third implication is that intentional infliction of emotional stress, as per a ruling by the California Supreme Court, is legally construed to be a tort. The elements of this emotional distress are: outrageous conduct or *intention* to cause emotional distress or suffering. An anti-Christian legal system will surely find a Sunday school teacher giving a lesson to young children on Jesus' teachings on Hell and eternal separation to be guilty of causing emotional distress. People who hear the preaching of the gospel of Jesus Christ, and/or go to the Indian "Balance of Nature" lessons often do come under emotional stress--I certainly do hope so! Therefore, this concept, like brainwashing, coercive persuasion, mind-control, and fraud, can be used to strike at the core of orthodox Christianity.

By the same, but opposite approach, it is perfectly alright for the IRS to intimidate and the police to harass--all against the laws of the Constitution--but it is NOT alright for a preacher to tell Truth unto the voluntary ears of those who might become distressed over Truth. Can you

not see the evil at work?

LIABILITY OF CLERGY AS COUNSELORS

There is also a serious concern about the liability of clergy as spiritual counselors. (Well, I have trouble with this one for it is so obviously the blind leading the blind that it becomes quite absurd--none-the-less, there is Constitutional freedom granted thereto which is the point in focus.)

Listen-up, you devoted counselors: the California Supreme Court ruled *against* John Mac Arthur's Grace Community Church (not just John Mac Arthur), which gave spiritual counseling to a man who later committed suicide. The spiritual counseling was deemed to be the cause of the suicide and held to be inferior to secular counseling. The Supreme Court held that by counseling the man on the biblical doctrine of eternal security, (failed to note the same counselling of unacceptability of suicide), that the church contributed to his suicide *"by committing outrageous conduct"*, which led to a tort. The ruling was later reversed by a higher court, but it shows the direction the U.S. legal system is moving ever and ever more madly--by the way, the costs incurred by these court cases is absolutely astronomical. Dharma and Oberli have now paid somewhere around \$150,000 to defend property wherein a "no public sale" has actually been proven--and still the case is starting again in original sequence. We shall need to write an entire Journal covering this one case in point for it is the epitome of that which has come upon you people at the hands of the conspirators. I have, however, preferred to keep my scribe ALIVE a bit longer for I can assure you

that every effort to "discredit" these ones has been presented, taunted and thrust at them. Every effort has been made to run them out of funds, give up and in to the constant barrage of insults and inability to live as on a permanent basis--threats, secret plottings and actual attacks of "dirty tricks", etc., and cause them to simply "give up". Well, brothers, God just doesn't "give up".

I can only warn you that this concept will lead to the courts controlling the spiritual/biblical content of counseling, just as other concepts advocated by the ABA will control the content of what pastors and evangelists can say from their platforms or pulpits.

INTERESTING SIDE NOTE ON CHINA

Along these lines of discussion let us look at China. Red China now claims to have "religious freedom"; however, *it is illegal to mention the biblical doctrines of sin or the second advent in religious services.* NOW TELL ME, HOW DOES THIS NEWEST U.S. LEGAL ATTACK AGAINST CHRISTIANITY DIFFER FROM THEIR SIMILAR RELIGIOUS CENSORSHIP IN COMMUNIST/ZIONIST COUNTRIES?

Additionally, the ABA seminars argue that when there is sexual misconduct by a member of the clergy, *the entire church organization, or denomination, is guilty of a tort.* Funny thing, it is all but accepted that a professional Psychiatrist can be intimate or actually rape a "patient" with impunity. Courts are now beginning to rule this way, friends, with giganti; potential financial liabilities for church/para-church organizations. Throughout the seminars, speakers kept referring to going

for the "deep pockets" in litigation involving religious organizations (e.g., after the parent organization, or denomination with larger financial assets than the individual accused. This is why there is absolutely no connection between these Journals and the activities of others who practice business. America West is a book publisher, for instance, and further, they publish some books by some authors which are totally incorrect in content--but they publish books; they are not the moral nor ethical conscience of you-the-people--although they represent total integrity in that which they effort to share with you. If they are given lies then the problem is with the one who lies or deceives and the publisher cannot be "blamed" for another's indiscretion. By the way, America West has no assets to plunder either. Not only have they utilized business assets for the publication of these Journals but their owner's private funds as well. In any event, as things become of different circumstance they also listen to advice the same as we share with you ones--for protection to the best of physical ability within the laws given. You, too, can do it if you want to. Even ASSK stated that it would be "stupid" to go through a long lawsuit for there are no assets to plunder. Rejoice over these incidents which at first seem quite negative--for they tell you that you have credible information pouring forth which is both workable and within the laws written for the protection of the Elite themselves.

Trial lawyers are urged to examine the assets of the individual who has committed the wrong conduct, then look at the assets of the organization, and finally, look at the assets of individuals who are responsible for the organization (e.g., direc-

tors, elders, deacons, officers, etc.) in order to obtain the largest possible monetary settlements. Another wrinkle advocated by the ABA seminars is the extension of liability beyond an individual to a group that is associated with the group to which the individual belongs. California courts have already ruled that major denominations (i.e., the United Methodist Church) are legally liable for the actions of a pastor or employee way down the line in a local church. In one case this was ruled due to the firing of a homosexual employee in a local church.

Why do I so often use California as example? Because this is where my scribe resides and confirmation and back-up material is readily available (for security).

Let us summarize a bit and then draw this session to a close. There is a rapidly accelerating attack, war actually, by the liberal left-dominated legal system in America on conservative and Christian individuals of any creed and on organizations. Like the pro-abortion, disarmament, nuclear freeze, anti-apartheid movements; this onslaught is not spontaneous nor accidental in nature. It is well orchestrated and organized by the political left. The legal system in America, with its leftist law schools, hundreds of thousands of parasitic lawyers, thousands of liberal lenient judges, a panoply of people-controlling laws, rules and regulations, and millions of lawsuits is like a cancer eating away at America's financial/religious and total rights under your Constitution.

You, America, along with the myriads of world nations, are now taking that giant step toward a Soviet-type, Zionist-

controlled, Talmudic-based, legal system which is designed to stifle political and religious dissent and generally remove all freedoms of action from you-the-people. It is all a beautifully and intentionally orchestrated plan to bring you into bondage unto the masters who pull your strings. Patriotic Americans and complacent, apathetic Christians must awaken and realize that the noose is all but closed to lethal loop. You are reacting like the frog placed into the soothing tepid water but has now been brought to the lethal boiling temperature--and you are just noticing that the water is hot. ***Have you also noted--in any measure whatsoever--that the pot also has a tight fitting lid with clamps atop it?***

The present thrust of the legal system in America to attack and neutralize the religious aspects and churches is the most dangerous signal to you people--for your nation, you claimed, was founded for the basic right of every individual to worship in freedom, his choice thereof.

Today tort law is "civil". But there is a trend in the U.S. legal system to **criminalize civil violations**. So count on it--before the 1990's are over, many religious freedoms and activities which you take for granted in America and around the "New World" (for all will be brought under Global Law) will become illegal and subject to severe civil or criminal penalties. It is full intent to stop all Godly/Christness activities just as has been done to the Christians of Red China and the Soviet Union this day.

Please note, chelas, that NO NEW LAWS NEED TO BE PASSED TO IMPLEMENT THIS ABA/LEGAL BROADSIDE AGAINST CHRISTIAN-

ITY. There is an army of liberal lawyers and judges set and waiting to go on the attack. The existing laws all bear "interpretation". The attack has already begun!

The moral decline can also be observed in the patriotic decline. Waving flags and wearing ribbons is NOT patriotism--that is organized control of the people left with nothing else to do, by your government.

You are also witnessing a massively irreversible decline in your educational system values. Only some 7 percent of American seventeen-year-olds are ready for college math--and considering college "beginning math"--that is terrifying. Twenty-one percent of adult Americans believe the sun goes around the earth; 17 percent think the earth orbits around the sun in one day; 78 percent cannot name a single member of Bush's Cabinet; only 10 percent of Americans know that the U.S. Secretary of State is James Baker (and that, with his presence daily before the cameras); 40 percent of U.S. college students cannot locate Japan on a map; only 1,300 out of 70,000 U.S. high schools have a global education component in their curriculum; by far the majority of all Americans--DID NOT KNOW WHERE OR WHAT WAS IRAQ, MUCH LESS KUWAIT!!!--EVEN AFTER BEING SENT TO THE SAUDI DESERT! Most service personnel could not tell the Mojave Desert from that of the Saudi Desert!

Additionally, the U.S. Supreme Court has ruled, and your government and people have acquiesced, that 25 million or more babies could be murdered in their mother's wombs, that prayer in school is illegal, but that pornography in school, in

the galleries and on television in your living rooms or anywhere else, is legal and part of "your free speech". They recently even ruled that prayers before high school sports events are now illegal. But, on the other hand, in 1988 (far worse today but figures are valid for '88), one out of every four households in America was the target of a violent crime or theft--but in the Western U.S. it was 30.3 percent. This occurs as judges release more and more criminals, or hand out minimal sentences while more and more "freedoms" are taken from you-the-people.

The prosperous, complacent, apathetic, well-entertained people (including most Christians) barely take notice that their way of life, their traditions, and their freedoms are eroding out from under them so fast that before the '90's are history, they will be slaves and will have lost it all.

It has happened in every major empire in history. They begin humble, poor, but strong in character and spiritual faith; they become prosperous; they forget their principles, values, AND **GOD**; they lose their morality and vision; and they descend right back into slavery. This is where you find your world today. So be it.

Let us close this segment. Thank you for your attention and for your kind service. God watches and waits--what will your decision be, people of the world?

Salu,

Hatonn to clear, please.

3/17/91 SANANDA

I am here Thomas, peace. Yes, I Am Sananda and I come in

radiance. I come in Light...the Light which I AM...the Light of The Father, in whose service I AM. I do not mind identification for in the realms of God there is no reluctance nor hesitation to respond to such a query. Evil will always hedge, hesitate, be evasive and vague or deceptive and vague...or, or, or... Ever be wary of identification bearing the title WE if there are no specific names of identification attached to the "we".

It is good for the soul to get away and view the world around you...for the grass is green for the first time since long in your perceived memory...the sky was magnificent in its clarity on the yesterday. There are innumerable things about you to give thanks for. Ones who come in service unto God shall not be found wanting. There is no need to enter the imbalance of materialistic focus...for with service unto God the needs shall be tended. This does not mean that God shall tend them, but rather you shall be nudged most explicitly by God to tend that which needs tending...yea, unto the smallest details. It is always the attachment to the materialistic world that has tripped man up. Within God's service there is no attachment to the worldly things, merely recognition of beauty and function. Each must be able to leave it all on a moment's notice without so much as a second thought. Who among you would be able to do this?

When your houses are tended and in order...I do not mean particularly immaculate but rather supplied...then you may put aside thoughts of these things which pull at you in the conscious or subconscious mind. These things detract from full attention within the now and thereby diminish full possibili-

ties within the productive expression of the now. There is much work that is to be done before you and each shall be given to know what must be done. There are no two jobs which are identical and to tend of your own job is the better part of wisdom. To always be concerned over what another is doing, where they are going, where they have been, did they do this or that to your specifications when, in fact, it has naught to do with you...these are trespasses of error and should be avoided most consciously within our group. These are the things that cause separation and alienation when it needn't be thus. To deny looking at such things for self is violation of self. None among our group need look to another for the meaning of this message...it serves ALL.

There are many things taking place with our ones...it is literally not important for another to know what one is doing. Tend you own job and your own business!

I herein wish to express my great appreciation to the tireless efforts of the volunteer "crew" who do the folding and the stuffing of the volumes of material that pour through America West...as fast as Hatonn can get Dharma's fingers to work. Thank you, beloved, your efforts do not go unnoticed, for God is ever present in thine spaces and knows all thoughts, all deeds, and all INTENT. So, too, the crew who serve with me work tirelessly at their posts and they are most pleased when they witness the smooth functioning among the ground crew. Perhaps tireless is the incorrect word, for you of the ground crew do grow weary. But the weariness you ones are experiencing is at a soul level, for the density of that placement weighs

heavily upon you. Give your burdens unto me, beloved, I can carry you. Offer your burdens unto God, for He shall lighten the load that you may see your way through the darkness and confusion and conflict. Keep thine light shields intact by constant petitioning for the impact is great and the danger real and present.

Give thanks for all that is about you. You are doing your jobs and the Word of God is going to the Four Corners of the Earth...as promised. Blessings and light unto you ones for though you seem to think that we know not the difficulty of your daily lives...I know...the Father knows. Be at peace for the journey is long...and for those who work in accordance with The Laws the journey is in the first second of counting.

3/18/91 SANANDA

Good morning, Thomas, Sananda present in radiance and service unto God.

Man may not turn away to return unto ignorance once faced with the truth of it. The Laws are most explicit and clear. There shall be none who shall again return to walking the path of darkness for they shall carry with them the knowledge of TRUTH. Many will read The Laws and the description thereof and turn to the side thinking it just another document, just another doctrine. 'Tis a pity. Do The Laws not make the most reasonable and logical sense? Remember, it is the return unto balance out of chaos that we bring, that The Father brings. Man may second-guess if he chooses, and many will, but it changes nothing. The gay and lesbian marchers that you wit-

nessed on the news last evening may march and march and march with all the banners in the realm and all it does is serve to pull more ones away from the lighted truth of God. And so it goes.

The old ways and patterns are difficult for man to set to the side for they have become a part of his very being. It is just that man must be taught as the little child that there is a different way, a better way, and that better way shall return you...nay, bring you, to new and wondrous discovery. Pray unto God for light and guidance, then listen and follow the guidance we bring for it is for your greatest and highest good and you shall find peace and fulfillment therein.

Always man thinks that God shall do it for him. No, no, no! God will always work with you, not for you. It is man that must come into his sense of responsible behavior and thereby take constructive action that shall serve the whole. I speak not here of some communist concept; I speak of the lighted places of Divine Will...for when you act responsibly according to The Laws of God...and you pray and ask for guidance...you become the literal hands and feet of God bringing into manifestation the very Will of God. It is not a difficult concept; it is just that man tends to complicate everything to such an extent that it becomes as the tangled web. We come to untangle the strings that keep you bound.

Man shall read The Laws and the cry shall come forth..."Oh, no, this is not truth...in God's world I MAY DO AS I PLEASE AND HAVE SEX WITH WHOM I PLEASE...GOD ALLOWS...THIS MUST BE A

LIE." Always God allows man his choices. In actual point of fact, most ones acting in such a fashion do not truly believe in God or the Hosts of Heaven. 'Tis sad. But before their soul journey is complete they shall believe in God and they shall see the error of their choices for the journey back unto the lighted realms shall be long and painful indeed. So be it.

You are dearly loved. Can you not feel it?

Look about you and give thanks. Each who reads these words has much to be thankful for. Concern not over the ones that do not read, that will not hear. They shall come to see the concepts brought to the motion picture screens and their imagination shall be captured. They shall be transfixed and transformed. And they shall seek to know. So be it.

Always it is man who shuts God out, who pushes God away, who closes the door. I come at the doorway and except through me you shall not enter the Kingdom of God for I AM THE WAY AND THE LIFE. HAS IT NOT BEEN SAID AND OFTEN SO. I GAVE THE EXAMPLE...I DID NOT DIE FOR YOUR SINS...I SHOWED THE WAY. RETURN UNTO LIVING ACCORDING TO THE LAWS OF GOD AND THEREIN YOU SHALL FIND SAFE PASSAGE INTO THE FATHER'S REALMS OF LIGHT WHEREIN I DWELL.

Many shall come to you inquiring of America West and they shall make jokes and laugh and hang-up...concern yourself not over such matters. Man is desperate to know. Ones shall call back...for they shall be pulled to find out. Seeds are being planted in places you know not

and they shall begin to germinate and grow and therein the truth shall reach unto hidden places throughout the world. Be most kind to one another for the bombardment is great indeed.

I rest my hand upon you. Walk gently and speak carefully that your words carry truth and proper meaning to your thoughts. Many shall come...let us turn none to the side through careless comments...let us welcome ALL that they may come to know TRUTH.

Salu
