4/4/91 HATONN

TODAY, APRIL 4, 1991

Good morning, Hatonn present to further confuse your day, Dharma. However, we gave her, yesterday, her annual opportunity to complain and if she used it not for that purpose, we have 12 months to get away with overload. Bless you who have written to her for it makes MY job far easier as she then understands that the box she is in has windows. As to "Suzy Q", the suit you sent is beautifully done and fits perfectly--she will not, however, wear it as she is trying to extricate the applique "picture" from the shirt. She claims it is too beautiful for anyone "just to wear" and will figure some way in which to hang it on the wall for all to share. The hours that go into such loving work are precious indeed--just as are the pictures from the young "space cadets" who send me their perceptions in the form of drawings. I treasure them as I treasure my children fortunate to find placement in a home with parents who will allow them growth into their appointed (and accepted) missions. The children coming forth into enlightened families are blessed indeed and there is no greater service an adult can

give unto God than to allow those special children freedom of truth and growth.

Do not expect perfection as YOU believe they should be, for they are restless and bound into tiny bodies which are restricting and just the "waiting for growth" is about all they can put up with. Effort at patience, allow them "contact" and we will help you in keeping their path a bit cleared and give unto them the support to be patient in their growth and into their tasks. Please do not underestimate our capabilities if asked and/or "allowed" participation and we never like to override a parent's input--but are allowed to do so if the parent teaches things against the Truth and Laws of God and Creation. Often the lessons are so much more difficult in that sense as they must then be experienced and that often brings great problems. Blessed indeed is the parent who respects and honors the child for, in turn, the child can openly respect and revere the parent. Ah, but I am off on a side trip wherein my own heart dwells and I must be given into the things of other focus.

Please know that we are most grateful for your communications no matter how large or

small for there is not time too great to be taken in the reading of loving communion, or even that which criticizes for it gives opportunity to confront all possibilities and correct that which may need attention--ours is only intent to serve without tainting of any "opinion" by human "druthers". Short of God, nothing is of total perfection--only the striving thereto.

Ah, you ask for more on income tax while postponing gun-control for another writing since you come upon deadlines. What do I immediately suggest? Well, I cannot put it in exactly that format--we are not attorneys or accountants and do not practice as such; however, it would certainly seem that to simply not send in the form with your signature affixed might be a good idea on short notice--or, simply get an extension for filing until you can become better informed and make decisions as to action. If you have already filed your paperwork according to the illegal requirements pushed upon you--find out what can be done to recover and act properly and with wisdom or get prepared to act in the future--with even more wisdom. If you manage to allow your Constitution to fall (as is very, very possible

at present) it is all a moot issue for the man with the gun gets the gold one way or another and "lawful" means nothing--they can make every action by the police and government "legal" by rule of the gun.

SLOW POISON AND THE IRS

America didn't realize several things about the IRS--that they are a private corporation simply funded by the government by contract TO ENFORCE TAX COLLECTIONS and they are allowed to let into legal operations actions which are Constitutionally *unlawful*. I have written at great length on this subject in the Journal YOU CAN SLAY THE DRAGON, I believe--I must ask someone to please check this for it gets hard to keep track now that our output is so great. (He is correct.) It is important enough to repeat for you ones who are truly interested in cutting off some of the "blood" "food" to the unlawful thieves in this game. The only way to change the "beast" is to stop feeding him that which he must have to survive--your support through mindless actions. If you cut off the endless flow of Money to the Congress--I promise you that you will clean out Washington, D.C. in no more than three pay-periods. If the tree stops feeding the parasitic leech vines then the leeches die. If the flow of "sap" is not stopped then the parasitic growths multiply and multiply and kill the tree. *In this case, the parasites are killing the entire nation and populace. It appears that welfare SAVES--no, it destroys both the recipient and certainly the one from which the funding is seized by the*

gun. "Charity" is an altogether different subject so we will not go into it herein.

Americans have been far, far too gentle with the INTERNAL REVENUE SERVICE, whose authority/JURISDICTION by Law is restricted to tiny federal areas and those people who have *volunteered, most often by trickery*. I wrote pages and pages on the subject of *volunteering* to file and pay funds to the federal government of, not the Republic, but the legislative dupers. Chances are indeed overwhelmingly large that you are such a volunteer, and your STATUS is that of a secondary legislative "statutory" or "U.S. citizen" under the fraudulently-ratified 14th 'amendment'. With easy, but powerful, American Law in an honest court (and there are few left) you can do something about the situation. You see, you ARE as FREE as when you were born in one of your fifty States--you have simply not continued to realize it through the morass of propaganda and disinformation causing you to function "as if" it were Constitutional that you do certain things--no, once you develop the proper background for action and get knowledgeable--you can throw off the parasites.

You-the-people shout to the world that you will not deal with criminals and yet you do--over and over every day. A nation cannot survive with such parasites feasting upon your life blood. You must learn how to counter the attacks and stop the asinine blood sucking. Which is absolutely necessary for the very survival of your Nation and your posterity. You will learn to call the criminals, criminals without softening

the wording. In this case with income taxes you can make the mis-taught "IRS" bullies back off or themselves end up in deep yogurt. Those predators will remain totally "out of control", as the Congress says, until they are squarely challenged with American Law under the Constitution, and this is amazingly easy to do. But will it be successful? It depends on whether or not YOU do it properly.

Can it work? Of course, every time when it's done correctly, even in cases where Citizens have been conned into the criminals' so-called "U.S. Tax Court", which by Law is not America's and it is not a Court. Modern law schools teach little if any of the true laws, or of great American Law, as lawyers will readily admit. So this is a **DO IT YOURSELF** project, without the attorney fees (which also makes it frowned upon by the attorney clubs). Remember, too, that the American Bar Association is now an active, working member of the Khazar Elite New World Order.

FEDERAL AREAS

The Constitution *FOR AMERICA* requires a very restricted National Government, but another portion allows "exclusive Legislation" powers *without limit FOR THE FEDERAL AREAS*. So citizens must learn to see the reigning "WASHINGTON DC-CLUB" and its IRS-CEG (Criminal Element in Government) shrivel back to their **LAWFUL SIZE**. How do you require that something shrink? You cut off its water and fuel. You-the-people can severely mummify the bloated federal

government's over-funding, using and never abusing your American Law. Then and only then, dear ones, will it learn to live within ITS OWN LIMITS.

BORN FREE

The first thing you have to do is recognize and regain your Born-Free citizenship status, and then RETAIN it for the Common Good. As a side benefit you can then ELIMINATE Federal Income Tax and Withholdings. *Washington has more than adequate means to LAWFULLY fund the tasks assigned to it by You-the-people, but not the incentive to simply do it through obeying American Law. Why should it? It can easily steal from you by fraud and trickery and force which you allow in ever-increasing severity.*

You, as a "good" citizen and always ready to honor "authority", probably volunteered for a Social Security number when asked, and filed your IRS forms regularly. But there was a hidden reason why no one said that these moves automatically switched your "natural born-free Citizen" status downward to "statutory". To fool you into thinking you were getting "breaks" instead of mesmerization, the federal and State agents, for instance, in 1967 brought double-audits by federal and State agents--who authorized double-refunds. 1979's Congress promoted its "Invest in America" TAX SHELTERS, so you pooled savings and put a whopping number of federal reserve notes into alternative energy, adding more quite modestly in mining and oil by 1982 and, with long-term ideas of financial indepen-

dence, you bit on the bait as if it were mandatory that you pay the income tax in the first place.

SAVE YOUR CONSTITUTION

The Constitution provides methods of balancing budgets (which rules are TOTALLY IGNORED BY CONGRESS), giving back State sovereignty. This is why everything is hidden from you--so that you blindly follow the bureaucratic rules enforced by a mafia-type hit squad which you also pay for. This is why there is a push for a Constitutional Convention--in order to COMPLETELY REWRITE YOUR CONSTITUTION TO COVER ALL THE LAWS THEY HAVE SECRETLY WRITTEN INTO EXISTENCE--AGAINST YOU-THE-PEOPLE! They even lie to you about what your income taxes go for--THEY GO ONLY TO PAY "CREDIT" AGAINST THE DEBT. YOU HAVE NO SYSTEM OF CURRENCY--YOU HAVE A FEDERAL RESERVE NOTE SYSTEM OF "CREDIT"--ALSO A "PRIVATE" ENTERPRISE WHICH YOU-THE-PEOPLE FUND WHILE THEY STEAL FROM YOU, THEREBY "GETTING-YOU" FROM EVERY DIRECTION AND MANNER KNOWN TO MAN.

I must give warning that time to set this to right is upon you. If things continue as they are--you are doomed. Even the war must be continued ad nauseam with heinous actions by your nation and administration--to INSURE ABILITY TO CONTINUE "EMERGENCY" REGULATIONS AND FORCE UPON YOU.

Dear ones, it is NOW time for all you LOYAL CITIZENS to move into UNITY--on the offensive, with magnificent American Law for Freedom and Truth. When accomplished, no more will criminals imprison your People who stand firmly with God-given "UNALIENABLE RIGHTS" previously "SWITCHED FRAUDULENTLY" for "civil" nonsense. If you take action and refuse to longer allow this fraud, then You-the-people may well have another chance to live with LAWFUL GOVERNMENT IN A FREE AMERICA. If not--you are headed directly into the prison of slavery which is already your mode of operation.

What should you do? Get informed. I cannot urge you strongly enough to get protection--get the Journals, PRI-VACY IN THE FISHBOWL and YOU CAN SLAY THE DRAGON. I also urge you to get material which can be copied word-for-word as we showed you in the recent Express--but you need more--please get and, if necessary, share--N.A. Scott's book, FREE AT LAST - FROM THE IRS. (Ordering info. already made available.) We can only give you information--we CANNOT force you to utilize any of it. I would note, however, that if you do not take a stand soon--kiss your freedom and your "One nation under God, indivisible, with liberty and justice of ALL"--Goodbye forever. The noose is securely tied about your necks and the lever to the trap door under your feet is in movement--brothers, you are right at the "end of your rope"! (Pun with serious intent fully intended.)

DEMOCRACY VS REPUBLIC

Benjamin Franklin said to You-the-people, "You have a ***REPUBLIC***, if you can keep it." You did not keep it so, today, through fraud and theft, today's lawyers say that you are "A ***DEMOCRACY***", meaning none other than ***mob-rule***, ***INCLUDING THE PRESIDENT AND VICE PRESIDENT AND THEIR ADVISERS.***

Just yesterday I received a letter from a precious friend who stated that "...they would like to do more for your project but we are even having to *borrow money to pay our taxes*"! STOP IT AND STOP IT--NOW! It has nothing to do with helping or not helping our projects--but I promise you better and more reward from serving God than serving George Bush and Henry Kissinger and contributing to the enslavement of the nations of your world. If you must borrow money for something--borrow it to get the information outlaid for you here, keep the funds you would use for taxes and demand that you move back into freedom. Get the manual and DIGEST it. Follow the step by step "how-to" and DO IT. Then if terror grips too hard--get a loan of less than a thousand dollars and get a Nevada Corporation and get everything except social security payments, etc., OUT OF YOUR NAME AND INTO YOUR CORPORATION--WHO IS A SEPARATE INDIVIDUAL ONLY "CONTROLLED" BY YOU--AND MOREOVER--THE FEDERAL GOVERNMENT DOES-N'T KNOW YOU OWN IT. STOP BEING INTIMIDATED BY THE THUGS WHO GIVE

YOU FALSE INFORMATION AND START USING THE GUIDES SET UP TO SAVE YOUR ASS-ETS. UNLESS YOU GO OFFSHORE, WHICH IS FOR BIGGER "HIGH-ROLLERS" FOR THE MOST PART, NEVADA IS THE ONLY REMAINING STATE IN THE NATION WHICH ALLOWS PRIVACY AND ONE-OPERATOR CORPORATIONS. WE CAN EVEN HELP YOU SET YOURS UP WITHOUT HAVING TO SHOW ON THE RECORDS AS OFFICER-DIRECTORS AND STILL MANAGE THE ENTIRE OPERATION AS ONE PERSON TOTAL CONTROL. DON'T BE FOOLISH--UTILIZE THE LAWS AND BREAKS THE HOODLUMS MAKE LEGAL FOR THEMSELVES. USE INTEGRITY AND INTELLIGENCE AND YOU, TOO, CAN WIN-WIN. The important issue, however, is to regain control of your Government--thus, your nation and your freedom.

Just as following the Laws of God and The Creation is the uppermost issue with spiritual aspect of self--so is gaining and holding your freedom and "Republic" laws your physical priority. YOU CANNOT COME INTO HARMONY AND BALANCE WITHIN THE PHYSICAL DIMENSION WITHOUT FREEDOM AND YOUR FREEDOM AS A WORLD IS ALL BUT GONE!

CHURCHES

I, further, see no reason to incorporate a church at all--unless, of course, you want to do so as a Nevada Corporation for privacy purposes. But I want to present some-

thing to you. Natural Born FREE Citizens' Churches do not NEED incorporation if you adhere to the Constitutional laws of the Republic. This, despite what mistaught lawyers have counseled--after all, they want to make MONEY! They will also poo-poo Hatonn's information and scare you all to inaction if possible--as will the accountants. Will some good and daring lawyers and accountants please step forward and identify yourselves and we will give you more business than you ever dreamed of earning--and save your taxes in addition. Very, very gradually (so you wouldn't notice) the Washington D.C.-Club has given disinformation and propagandized the phony grandeur of this entrapment, when a simple inexpensive AMERICAN COMMON LAW TRUST, among other avenues of action, could have kept both the members and their respective churches "Free" without government dictates and there are cited cases to prove the point. Or you can establish the "church" as a corporation in Nevada with little "visiting" groups in other places (states). In fact, if you are State Incorporated anywhere other than Nevada and/or the Panamanian outer-limits, you might well want to consider dis-incorporation. You will find all this information of how-to in Dr. Scott's material.

Please take note--the total price for the book is some \$43.00 to Dr. N.A. (Doc) Scott, Economist and Theologian, 2649 Vista Way #8-137, Oceanside, Calif. 92054. **HOWEVER; TAKE CAREFUL NOTE THAT HE WILL ONLY ACCEPT FEDERAL RESERVE**

NOTES OR POSTAL MONEY ORDERS. NO PRIVATE CHECKS AND NO CREDIT CARDS. For information you might just TRY area code 619:555-1212 and tell him Hatonn of the Phoenix Journals/Express sent you. I hesitate to give out that number for it is usually kept secure, but YOU are out of time for this annual "robbery day". To get the other Journal information and place orders, the phone number is on the document--America West does take checks and credit cards for you who do not sufficiently value your privacy to still have either or both.

MAN LIVES NOT BY BREAD ALONE--NOT SPIRIT ALONE--YOU MUST USE THAT WHICH IS PROVIDED LEST YOU MISS THE INTENT AND GIFTING OF GOD FOR YOUR PATHWAY. SALU.

Allow us a rest please, Dharma.

4/4/91 HATONN

MORE CONFIRMATION ON FACT RE: INCOME TAX

I, Hatonn, do not bring other than information as to obtaining help in handling this matter in point. We can go on and on about the subject but I can only urge you with all possible intent to hasten and get backup information so that you do everything in properness. I can assure you that the worst that will happen if you hold up sending in your form is a possible "penalty". The "best" is that you will learn your rights and proper actions and keep your funds for your own deciding

as to how and who will receive benefit of them.

I have a second book to suggest you obtain if you find not enough support emotionally from that which I have already shared with you in prior writings and herein. It is called **IRS HUMBUG, IRS WEAPONS OF ENSLAVEMENT**, by Frank Kowalik. This is published by Universalistic Publishers, P.O. Box 70486, Oakland Park, Florida 33307-0486 and is listed as : ISBN 0-9626552-0-1 at \$29.95 (on book cover).

I WILL LEAVE THE MATTER OF MAKING AVAILABLE THESE PUBLICATIONS, THROUGH AMERICA WEST, IN THE HANDS OF AMERICA WEST. I SUGGEST THAT YOU MIGHT CONTACT A.W. FIRST FOR EASE OF ORDERING: PERHAPS G.G. CAN ADD A NOTATION TO THE END OF THIS DOCUMENT AS REGARDS TO THE AVAILABILITY. PLEASE REMEMBER, READERS, IT IS EXPENSIVE FOR A DISTRIBUTOR TO OBTAIN DISTRIBUTION RIGHTS AND, SO FAR, AMERICA WEST HAS MET EVERY REQUEST MADE OF THEM, BY ME. I AM ABOUT TO CAUSE BANKRUPTCY, I FEAR, SO WE MUST NOT SLAY OUR GOLDEN EGG LAYING GOOSE. IF HOWEVER, ENOUGH WISH TO OBTAIN THE BOOK THEN HE MAY MAKE THE EFFORT TO GAIN DISTRIBUTION RIGHTS.

Oberli, I ask that you obtain these two books in point for my reference for John needs his own copies which he has generously shared for our or-

dering use.

There are two terms which need to be identified herein before we discuss this book in point:

Humbug (as in bah-humbug) n.: 1. something designed to deceive and mislead 2. an attitude or spirit of pretense and deception.

Humbug v: DECEIVE, HOAX vi: to engage in a hoax or deception.

Kickback n: (as used herein); a return of a part of a sum received often because of confidential agreement OR COERCION.

PREFACE AND PORTIONS OF INTRODUCTION

I honor this author and ask that we reprint the preface of the book for it is very well done.

QUOTE:

The liberty of a circus elephant is restrained to a confined area by a chain that binds him. Though this chain is but a thread compared to his massive bulk it provides control because the elephant falsely believes the chain cannot be broken. This false belief is ingrained into the elephant's mind by the trainers at infancy by chaining the elephant to a stake when the chain was strong enough to bind him. Once this hoax is established it is all that is needed to control the adult elephant to act the way the trainer wants it to act. The elephant is controlled by the trainer's *humbug*.

Likewise, WE, THE PEOPLE of the United States of America, are controlled by the taxing authorities humbug, particularly the Internal Revenue Service employees have acted as trainers. We have been trained to falsely believe that we are subject to their humbug by their established false belief. That false belief is that you are required to pay federal income taxes. This is a false belief since when you file a "U.S. Individual Income Tax Return" you are not paying federal income taxes, *you are participating in a kickback scheme that is either legal or illegal depending upon whose property is involved.*

The requirement to make a "return of income" does not exist when the scheme is an illegal kickback. The false belief is based upon the misunderstanding that a "U.S. Individual Income Tax Return" is to be delivered to the Internal Revenue Service (IRS) by April 15th of each year. This misunderstanding was and continues to be enforced by stories in the newspapers, magazines, in the radio and television media, and the movie industry. By their misled cooperation in establishing the false belief they have become trainers for employees of the IRS. They aided in bringing us to the Federal Government employees control over our life, liberty, and property (which includes labor). In doing so they unwittingly created control over themselves and their family as well.

The initial link in the chain is the phrase return of income is required by law. If the enforcement of this requirement is limited to the return of U.S. Government

income in the possession of specific persons then the IRS is performing a lawful function. But, by opinions of U.S. judges in the cases before them, this vague phrase was extended to mean that a "U.S. Individual Income Tax Return" is required to be delivered to the IRS. The purpose was to impose a hoax upon us. These opinions have become another link in the chain that binds us to the IRS.

Requiring the making and delivery of a "U.S. Individual Income Tax Return" is a legal impossibility since it becomes a debt instrument upon which collection is enforced. This goes to controlling your labor against your will, which is violative of the Thirteenth Amendment and specific laws of our country. IRS employees justify their false belief control program by the label voluntary compliance--self assessment. But, the lawful fact is that there is *no such condition as a voluntary slave.*

This book is intending to provide the knowledge upon which you can break the Federal Government employee's chains that bind you to their control. You are controlled by false belief when you believe you are a "taxpayer" under the Internal Revenue Code. You are also controlled by false belief when you believe that the IRS employees have authority to control you and your income. Their authority extends only to the return of the U.S. Government income in the possession of persons who are effectively connected with it. Only a "transferee" under the Internal Revenue Code can have U.S. Government income in his possession that is

subject to being returned or kicked back.

To maintain personal control over your affairs you need to know your legal status. Reading this book will provide you with information needed to determine whether you are a "transferee" under the Internal Revenue Code or not. With knowledge you can have control over your personal income.

INTRODUCTION

IRS HUMBUG SAYS IT ALL

Continuation of Quotation:

The title of the book says it all. The Federal Government agency called the Internal Revenue Service (hereafter IRS) has used humbug in implementing what is called "income tax" for generations.

Humbug is one of the very few English words that has a singular meaning, (as we have already given you).

For decades many generations have been deceived and misled about what is commonly known as "individual income taxation." Such deception is possible because of vagueness of the laws in the Internal Revenue Code (hereafter I.R.Code). As an example, did you know that in all of the I.R.Code there is no definition of the term "income tax"? This makes possible the false belief that it means a tax on all income a person receives when it is not a tax at all, but a kickback arrangement that was first implemented in the year 1862 between the United States Government (hereafter U.S.Government) and the

people it employs. So the need to define income tax is not required, but it takes more than 1,000 pages to conceal the fact that it is a kickback arrangement.

Humbug was used to create the false belief, and humbug is used to perpetuate it. This book reveals how and why both a legal kickback and an illegal kickback exist today, and how U.S. judges aid Federal Government employees of other branches of government in fulfillment of illegal conduct that result in a form of involuntary servitude called peonage. Also explained is why tax evasion is not possible when the program is a kickback.

Once the limitation of power placed upon our public servants is understood by a sufficient number of people then WE, THE PEOPLE can keep them within those limits. Until then each person **MUST EXERT THEIR OWN PERSONAL SOVEREIGNTY** to protect their life, liberty and property from abuses.

Though some suggestions of what is needed in order to establish sovereignty over our personal property and exercise control over our own destiny are provided, it can only be accomplished by understanding what is humbug and what is legal administration of the law with regard to U.S. Government income (the only subject and matter concerning the IRS). This book provides information that surrendering control over one's personal wealth is being done because of false belief, the basis for IRS humbug.

The foundation for the information in this book is

extensive personal study, but the experience of being harassed and maliciously prosecuted and imprisoned is what really enables me (Frank Kowalik) to see how deception (humbug), not law, controls the lives and property of people. Though I am sure it was unintentional, Federal Government employees taught me a great deal.

The truth between these covers (of the book) can be the ammunition you need to defend your life, liberty and property against enforcement of a false belief. Though I cannot promise you a utopia I can share what I have learned and my experience with you. Only with truth and understanding can the fear and frustration everyone seems to have with regard to the IRS and "individual income taxation" be overcome, and personal outrage eliminated. For peace to be ever present in the world, we must experience peace on a personal basis. May it be initiated with the study of IRS HUMBUG.

END OF QUOTING.

I can only ask that you support these brothers who have dared to speak out and have undergone harassment, imprisonment and all manner of efforting to stop the information prior to reaching You-the-people. When enough of you stand on the laws of your nation, then, and only then, will you move back into freedom under your Constitution as a Republic. I repeat--under the Constitution--through sovereignty of the States of which YOU are a citizen (not the legislative Washington D.C.-Club) there is built in complete authority for funding of all governmental "services" under

direct governing of you-the-people in a Republic--not a mob-rule by majority voting "rulers"--Democracy. That is one set of definitions you had better never forget for one gives freedom and the other slavery.

Allow us a break for lunch and then, before moving back to the subject of national disarming and weapons control, I will respond as briefly as possible to inquiries stacking up regarding robotoids. Please understand that I will not jeopardize the safety of ones in service by giving other than general terminology or concept. You, the readers, must become comfortable, however, with the knowledge that this is a pretty well-perfected technology. I am not deliberately evasive about the subject; it is that we take things out of sequence and context and then we have myriads of scattered fragments which often cause more concern than giving solutions to acute problems and malfunctions. For instance, it is better to act and start shutting off the fuel supply to whichever is in **POWER OVER YOU AND YOUR NATION** than to fully understand the details of the beings themselves. These beings in charge, these days, feed on power, control and the fuel for their actions is supplied at YOUR permission and contribution.

I particularly wish to share with you a letter which came this hour to my attention. This person has gone far beyond that 'which we could hope and I want to respond to him. This man has taken all save two of the Journals and all of the Expresses and has computerized subject matter for reference purposes. We

will reprint his letter and then I will effort to give a little more intelligent response. Thank you all for your patience.

By Gyeorgos Ceres Hatonn

In this book Hatonn brings us up to the minute on world events, but more importantly he gives us the **TRUE** history of the diabolical masterminds that have led the world into all of its major problems and most of its minor problems, for their own selfish and greedy aims.

We are also given the actions we **MUST** take if we are going to stop these well-organized groups from putting together the final pieces of their **WORLD WITHOUT FREEDOM (the NEW WORLD ORDER)**.

Hatonn especially stresses the history of the **Khazars**, Judeans and the Jews and how the **Khazars** have labeled themselves as Zionists and Jews to deceive our planet and to take total control of it in the **NAME OF THE ANTI-CHRIST**, and how knowing and exposing these forces can preserve freedom for all of mankind.
