APRIL 1991 VOLUME XI NUMBER 11

4/14/91 HATONN SUNDAY

When the students are ready, the teacher will come. Blessing be unto our friends and unto our enemies that we be able to discern which are which. Think upon these things for courage is only intent and belief placed into action. Who will come and walk with me, asked the Lord in wisdom and thus did he walk alone to the hill bearing His cross. Was the time of courage 2000 years ago? Is it now?

Precious chelas, man has overflowed the cup with his evil doctrines; he has taken the places of beauty and warped them into his own image that even the services thought given unto God are left void. Man searches to find fulfillment within the soul and only finds that Man has tampered even within the halls of that which is touted to be of God. Do not become faint of heart when the roadway seems impassable for only then do you know that you are on the right path. There is hardly a "Christian Church" on the planet who would recognize of the Christed energy if He stood before them and that is precisely why He will not stand in your midst in human format for it is God ye must find--not just another physical Man with a story to tell.

I thank ye ones most humbly that you have continued to protect my scribe and speaker for the way has been hard enough; but we are now ready to confront those which denounce us and it is frightening for the human to stand at the foot of the cross, step forward and place your hand in the hand of the man from Galilee. Thine enemies always work from dark places and note they do not even sign their names to the poison letters they send.

You ones who read this must know that Dharma sat in the pits of hell this morning instead of the sanctuary of security as a young man put his very life on the line for Truth. She says to me, but I only write and speak to my brothers--I do not have to speak to the world. Ah, but she knows it is not so and it is time we begin again to meet with brothers and that means she must be ready to receive, not just from Hatonn--but from Aton and Esu as well, Germain and Michael, too. It is soon time to go forth unto the village and stand in Truth for we cannot finish our mission until we have prepared a place for our gathering. The vessel is strong--only the potter is concerned for the contents of the vessel must have no weakness. But what ye who serve, forget--is that the contents heals all flaws within the vessel. When Rick is ready

and strong enough--Hatonn is ready to present a lesson or two. I would not even be so hard as to alienate the Masonic brothers. God looks not at the group in which you serve--HE LOOKS UPON HOW YOU SERVE WITHIN THE GROUP. If you know no better--how can ye serve better? And if we tell not the errors within the bindings of the books of false doctrines--how can the brothers know? Dharma, ye need not know all and it is not of your load to know all--that is MY load to bear and in my presence neither shall ye be intimidated. So be it.

Back to Khazars, for more important than knowing who they are--is that all must know that this is the manner in which you become totally manipulated at the whims of elite would-be rulers.

CONVERSION CIRCUMSTANCES

The circumstances of the conversion are obscured by legend as are any circumstances as the centuries pass and each individual casts his "opinion" upon the facts. However, there are enough legends which come forth after a long period that Truth emerges for Truth will always "out" in its proper time.

In every instance you must look

at the features which are basically the same. Remember that Truth is not the words but rather the concept.

Al-Masudi's account of the "Jewish" rule in Khazaria, quoted earlier on, ends with a reference to a previous work of his in which he gave a description of those circumstances. That previous work of Masudi's is lost; but there exists two accounts which are based on the lost book. This is another way to measure "probable" Truth--when and how (and WHY) the books become "LOST". The first, by Dimaski (written in 1327), reiterates that at the time of Harun al Rashid, the Byzantine Emperor forced the Jews to emigrate; the emigrants came to the Khazar country where they found "an intelligent but uneducated race to whom they offered their religion". The natives found it better than their own and accepted it.

The second, much more detailed account is in al Bakri's *Book of Kingdoms and Roads* (from the eleventh century).

The reason for the conversion to Judaism of the King of the Khazars, who had previously been a pagan, is as follows. He had adopted Christianity (now this is a new twist, isn't it? But the facts are that the Kagan turned to Christianity and then to Islam as many do today and find the vessel empty of whole Truth.) Then he recognized its falsehood and discussed this matter, which greatly worried him, with one of his high officials. The latter said to him: O king, those in possession of sacred scriptures fall into three groups. Summon them and ask them to state their case, then follow the one who is in pos-

session of the truth.

So he sent to the Christians for a Bishop. Now there was with the King a Jew, skilled in argument, who engaged him in disputation. He asked the Bishop: "What do you say of Moses, the son of Amran, and the Torah which was revealed to him?" The Bishop replied: "Moses is a prophet and the Torah speaks the truth." Then the Jew said to the King: "He has already admitted the truth of my creed. Ask him now what he believes in. So the King asked him and he replied: "I say that Jesus the Messiah is the son of Mary, he is the Word, and he has revealed the mysteries in the name of God." Then said the Jew to the King of the Khazars: "He preaches a doctrine which I know not, while he accepts my propositions." But the Bishop was not strong in producing evidence. Then the King asked for a Muslim, and they sent him a scholarly, clever man who was good at arguments. But the Jew hired someone who poisoned him on the journey, and he died (early Mossad?). And the Jew succeeded in winning the King for his faith, so that he embraced Judaism.

The Arab historians certainly had a gift for sugaring the pill. Had the Muslim scholar been able to participate in the debate he would have fallen into the same trap as the Bishop, for both accepted the truth of the Old Testament, whereas the upholders of the New Testament and the Koran were each outvoted two to one. The King's approval of this reasoning is symbolic; he is only willing to accept doctrines which are shared by all three--their com-

mon denominator--and refuses to commit himself to any of the rival claims which go beyond that. It is once more the principle of the uncommitted world, applied to theology.

The facts are, brothers, that the influence of the Elite manipulators had already had a strong "Jewish" influence at the Khazar Court. The movement was already under way to form a strong movement and group which could sweep across the lands under the disguise of truth. By this time many of the nomads who practiced Judaism WERE NOT JUDEANS. They simply knew of the truth of the teachings and the thrust was more nearly relative to that which had been assumed given of God. You are also going to have to read between the lines to find confirmation--the Christian Bishop and the Muslim scholar HAD TO BE "SENT FOR"--whereas it is obvious that the "Jew" was already "WITH HIM" (the King). Ah ha! But the story gets better.

JEWISH SOURCES

Let us now turn from the principal Arab source on the conversion--Masudi and his compilers--to the principal Jewish source. This is the so-called "Khazar Correspondence": an exchange of letters, in Hebrew, between Hasdai Ibn Shaprut, the Jewish chief minister of the Caliph of Cordoba, and Joseph, King of the Khazars--or, rather, between their respective scribes. The authenticity of the correspondence has been the subject of controversy but is now generally accepted with due allowance made for the vagaries of later copyists. The entire controversy could be reprinted herein but I choose to not do so for my purpose is not in "proving" scribes but rather in bringing Truth of who are your

enemies this day, 1991. I know that they are written by Arthur Koestler in THE THIRTEENTH TRIBE and if you wish to study them, please obtain the book if you can find it. I might say that the book was a Book of the Month Club Alternate Selection and may still be found if you look diligently enough.

EXCHANGE OF LETTERS

The exchange of letters took place between 954 and 961, that is roughly at the time when Masudi wrote. To appreciate its significance a word must be said about the personality of Hasdai Ibn Shaprut--perhaps the most brilliant figure in the "Golden Age" (900-1,200) of the Jews in Spain.

In 929, Abd-al-Rahman III, a member of the Omayyad dynasty, succeeded in unifying the Moorish possessions in the southern and central parts of the Iberian peninsula under his rule, and founded the Western Caliphate. His capital, Cordoba, became the glory of Arab Spain, and a focal center of European culture--with a library of 400,000 catalogued volumes. Hasdai, born in 910 in Cordoba into a distinguished Jewish family, first attracted the Caliph's attention as a medical practitioner with some remarkable cures to his credit. Abd-al-Rahman appointed him his court physician and trusted his judgment so completely that Hasdai was called upon, first, to put the state finances in order, then to act as Foreign Minister and diplomatic trouble-shooter in the new Caliphate's complex dealings with Byzantium, the German Emperor Otto, with Castile, Navarra, Aragon and other Christian kingdoms in the north of Spain. Hasdai was a true *uomo universale* centuries before the Renaissance who, in between affairs of state, still

found the time to translate medical books into Arabic, to correspond with the learned rabbis of Baghdad and to act as a Maecenas for Hebrew grammarians and poets.

He obviously was an enlightened, yet a devoted Jew, who used his diplomatic contacts to gather information about the Jewish communities dispersed in various parts of the world, and to intervene on their behalf whenever possible. He was particularly concerned about the persecution of Jews in the Byzantine Empire under Romanus. Fortunately, he wielded considerable influence at the Byzantine Court, which was vitally interested in procuring the benevolent neutrality of Cordoba during the Byzantine campaign against the Muslims of the East. Hasdai, who was conducting the negotiations, used this opportunity to intercede on behalf of Byzantine Jewry, apparently with success.

I think it appropriate to interrupt this narrative to talk facts. Do not think that suddenly God-revering Judaists stumbled upon the Khazars and formed a brotherhood and all was evil ever after. Don't be foolish. There had been evil groups totally integrated within the Judaists since long prior to our writing of history in these Journals. We are not even speaking herein about the Judeans as such. From the onset of "time" there were the adversaries of God present all over the place efforting at every opportunity to denounce and destroy the Truth of God. If you ones continue to take these scenarios as just another gambit on some Christian story--you are doomed.

There are more evil adversaries of Christ and God in the so-called Christian churches than you will find anywhere in any

group, dead or alive; and I think "dead" might fit the Christian Churches as a whole.

Dear ones, it is not a matter of accepting or denying the Man Emmanuel "Jesus"--it is a refusal to recognize the "Christed path"--not the Man. You MUST understand that evil was birthed on your place in far greater numbers than are God-following children of light.

Earth is an adversarial dwelling place. We refer to it as a prison colony where those who would not come into balance and within the Creation's laws and cosmic rules were placed--sent, if you will, for reclamation and rehabilitation. Original sin? Well, I don't know what you mean by that phrase exactly, but the original sin was not that which is touted unto you--it is that your ancestors were simply a Godless bunch of hoodlums. There is no NICE way to put it. God told you then, He has told you now; He sent Christ teachers then and He sends them now--to show you the way back within the fold of Truth and Godness. If you as a planet full of people refuse to turn away from the evil things of the physical--you are doomed to reexperience until you recognize your plight and set your path to right. Does this mean that ALL have to change? No, we can take as few or as many home when we return home as are suitable to go. At any rate, one way or the other--planet Earth is going to be emptied of all evil that she might begin to be reclaimed and she is coming from metamorphosis into her new dimensional frequency and that which is left shall be healed, nurtured and recreated by God. Whether you move with her into her glory or transport to another experience is up to each of you. Our job as the Hosts come before God unto you is to bring

you the Truth of it and He is coming to take those sorted ones who claim Him into His places of security. As a species you have moved into the places with evil and follow the adversary (anti-Christ). Does this mean that all Christians are anti-Christians? Most are. What about these "Jews and/or Khazars?" Most are--and most non-Christians are anti-Christ but those who follow that Christ path are not--they are of Christ and God. Christ is a state of being--not a label of a given Man. If you are against the laws of God and The Creation--**YOU ARE AN ANTI-CHRIST**, no more and no less, and going to church every Sunday does not make you otherwise.

It is simply that the Anti-Christ beings have chosen this route and "RELIGION" to hopefully prevail and bring the world into total evil. In the longrun it matters not for it is an experience as a schoolroom and after a given number of years the physical is put aside as being experienced, changed and rechanged. This is why Truth is being brought forth in this final cycle for you ones are ready to blow away the planet and it is not suitable that you do so. All ones will be given opportunity to accept Truth and change intent--if you choose "not" then so be it for you shall simply be left to experience in the absence of God. I promise you, threaten you--whatever you wish to call it--you will not be forced by any of God's Hosts to do either one--ours is to remind you of the Laws of Truth and God is the Word and so shall it come unto you and then **YOU** shall have responsibility for self! He certainly will not whisk you to the clouds in exchange for your false knowledge and the false teachings of those who deceive you. **YOU** will answer for your own intent--there will be no ab-

solution because another **MAN** shed his blood 2000 years ago. It is the lighted path of Truth given for you to follow--not the bloody evil of killing at the hands of an evil mob which is intended for your learning.

When the Christed Teacher told you that "I am the way, the Truth and the life and except through me shall no man come into the Kingdom of God," that is exactly that which he meant. He did not mean by "me, the Man, by some label or other"--**BUT THROUGH THE ROUTE OF THE CHRISTED TRUTH**. And so it shall be--absolutely, no if's, and's or "but I thought's"! Men shall be in the fields at a certain time and one shall be chosen and one shall be left--where will **YOU** be? I care not that which you **CALL** selves, i.e. Christians, Jews, Judeans, Khazars, Islamics and thus and so. God sees not your labels--He sees only Truth for **GOD IS TRUTH and ONLY TRUTH SHALL COME WITHIN THE HOLY PLACES**. "But I thought - - -," simply will not cut the cloth, my friends.

I tell you now that you may not go forth and denounce the Khazars and/or the Jews and find you have whipped the anti-Christ. I am only writing these portions of this Journal to allow you to see that you have been **WRONG** in your perceptions. Anti-Christ comes from all walks, all creeds, all colors and all human species, just as does Christ-ness.

What I am telling you is that you blame and expect the wrong parties to show up at Armageddon. You look for your enemy closely, my friends, and find that you are they! You, along with the majority of the world, have fallen into the trap. What you should concern self about--

is how do you extricate yourself from the trap already sprung upon you. Then you watch the clues of the world events to see **WHERE** and from which direction thine enemy will strike--for that you can accept the prophecies for the enemy has already told you what to expect. If you are of God and/or God's Hosts in service--you shall be removed into security, at any rate. If you still serve the adversary in attention only to physical Earthly matters, ye shall undoubtedly forfeit that physical manifestation for you will have failed the lessons.

I promise you that if you come into oneness with God--you will care not about the moment of earthquakes, etc., other than as a curiosity for ye will have prepared self against that day. I do not mean in a worldly manner--however, if ye have come into attunement with God and are receiving Truth in the **WORD** then you shall be otherwise prepared also.

How many will make the journey home? You look around and tell me how many you discern living totally within the laws of God and The Creation? On a day like today, I would say we won't be too crowded aboard ship. How many will **SEE GOD?** **ALL!** Ah, but most simply turn away! Well, chelas, it is not a matter of letting someone else do it, of letting someone else walk the path. You ones had best begin to realize that you will each do for self in regards to God and no one on a bloody cross will do it for you--it's **JUST YOU AND GOD, FRIENDS, JUST YOU AND GOD. THE REST OF THE HOSTS STAND ASIDE TO FLY THE SHIP HOME AND SERVE AS WORD-BRINGERS AND WAYSHOWERS. I SHALL FEEL BADLY ABOUT ONES WHO MAKE**

POOR CHOICES BUT THEIR CHOICES ARE NONE OF MY BUSINESS AND GOD SHALL ALLOW THEM TO WALLOW IN THEIR EVIL UNTIL THEY TURN AWAY FROM IT OR ARE TOTALLY CONSUMED BY IT. BUT IF YOU THINK SOMEHOW THAT THE JOURNEY STOPS WITH DEATH OF THAT HOUSE YOU CALL "BODY", YE ARE GOING TO BE AWFULLY SURPRISED! NEITHER DO YOU TURN OVER AND ONE MORNING WAKE UP IN THE ARMS OF GOD AND ANGELS WITHIN THE HOLY CITIES. WITH GOD, YES, IN PERFECTION--NO! PERFECTION IS WITHIN AS IS GOD AT EVERY STEP OF ALL JOURNEYS. TO COME INTO THE HOLY OF HOLIES INTO AND WITHIN PERFECTION--YE MUST BECOME PERFECTED AND YE DO IT NOT BY BREAKING THE LAWS AS GIVEN FROM THAT PERFECTION. SO BE IT.

HOW IT CAME TO BE

According to his own account, Hasdai first heard of the existence of an independent "Jewish" kingdom from some merchant traders from Khurasan in Persia, but he doubted the truth of their story. Later, he questioned the members of a Byzantine diplomatic mission to Cordoba and they confirmed the merchants' account, contributing a considerable amount of factual detail about the Khazar Kingdom, including the name--Joseph--of its present King. Thereupon Hasdai decided to send couriers with a letter to King Joseph.

The letter contains a list of questions about the Khazar state, its people, method of government, armed forces, and so on--including an inquiry to

which of the twelve tribes Joseph belonged. This indicates that Hasdai thought the Jewish Khazars to hail from Palestine--as the Spanish Jews did--and perhaps to represent one of the Lost Tribes. Joseph, not being of Jewish descent, belonged, of course, to none of the tribes; in his reply to Hasdai he provides, as you shall see, a genealogy of a different kind, but his main concern is to give Hasdai a detailed--if legendary--account of the conversion--which took place two centuries earlier--and the circumstances that led to it.

Joseph's narrative starts with a eulogy of his ancestor, King Bulan, a great conqueror and a wise man who "drove out the sorcerers and idolators from his land". Subsequently an angel appeared to King Bulan in his dreams, exhorting him to worship the only true God, and promising that in exchange He would "bless and multiply Bulan's offspring, and deliver his enemies into his hands, and make his kingdom last to the end of the world." This, of course, is inspired by the story of the Covenant in Genesis, and it implies that the Khazars, too, claimed that status of a Chosen Race who made their own Covenant with the Lord, even though they were not descended from Abraham's seed. It also, if nothing else, tells you it is a lie--FOR GOD DEMANDS YOU KEEP HIS LAWS AND ENEMIES AND WARS ARE NOT AMONG HIS LAWS EXCEPT THAT YE SHALL HAVE NEITHER! This should also begin to cement the clues that tell you MAN tampered with the Truth of God from onset and worsened with the WRITTEN word. The instructions and rules somehow got twisted to make sure whoever was uppermost in power got the special covenants as pronounced to be of God but pronounced of

Man. But at this point Joseph's story takes an unexpected turn. King Bulan is quite willing to serve the Almighty, but he raises a difficulty:

Thou knowest, my Lord, the secret thoughts of my heart and thou has searched my kidneys to confirm that my thrust is in thee; but the people over which I rule have a pagan mind and I do not know whether they will believe me. If I have found favour and mercy in thine eyes, then I beseech thee to appear also to their Great Prince, to make him support me.

The Eternal One granted Bulan's request, he appeared to this Prince in a dream, and when he arose in the morning he came to the King and made it known to him...

There is nothing in Genesis, nor in the Arab accounts of the conversion, about a great prince whose consent has to be obtained. It is an unmistakable reference to the Khazar double kingship. The "Great Prince" is the Bek; but it is not impossible that the "King" was the Bek, and the "Prince" the Kagan. Moreover, according to Arab and Armenian sources, the leader of the Khazar army which invaded Transcaucasia in 731 was called "Bulkhan".

This is becoming boring even unto me and therefore I am going to simply say that by playing the Christians and Muslims against one another and by asking each as to which was more like their own religion--they replied Judaism and there you have it--by simple deduction and not wishing to fall into the traps of either the Christians (who weren't) and/or the Muslims, there was chosen a third route

which would allow the rewriting of the rules to suit the needs and become, hopefully, the most powerful people on the earth.

BUT WHAT HAPPENED?

Let us shorten this a bit, also. Lots happened in the interim and the Khazars had a large empire. An important point, however, is that although they spread out and occupied, they always had their eyes on Palestine. In the twelfth century there was a Jewish Messianic movement and an attempt at conquest of Palestine by force. The initiator of the movement was a Khazar Jew, one Solomon ben Dufe, aided by his son Menahem and a Palestinian scribe. And you better start to shudder right now for they wrote letters to all Jews, near and far, in all the lands around them and said *that the time had come in which God would gather Israel, His people from all the lands to Jerusalem, the holy city, and that Solomon Ben Duji was Elijah, and his son the Messiah.*"

These appeals were addressed to the Jewish communities in the Middle East, and seemed to have had little effect for the next episode takes place only about twenty years later when it was started all over again. This time the movement originated in Khazaria but soon shifted to Kurdistan (yes, where those nice Kurds are tromping across the mountains today). Here David al-Roy assembled a substantial armed force--of local Jews, reinforced by Khazars--and succeeded in taking possession of the strategic fortress of Amadie, northeast of Mosul (yes, same one). From here he hoped to lead his army to Edessa, and fight his way through Syria into the Holy Land.

The important thing about all

this is the actual awaiting of the Messiah. I tell you again--that if a man tells you he is the Messiah or the Christ returned and he walks in flesh and blood upon your places as physical man--he is false. It is not yet the time of the embodiment and even in the tampered Bible it tells you, "Turn away from those claiming to be God." What is different herein? We come as the Hosts of God and we are not claiming to be God manifest. Dharma claims, for instance, only to be a secretary--certainly she does not claim to be God. Those who claim to be "the returned 'Martyr'" simply are not. God does not come in secret, hide, have special elite groups of favored kin, nor does he cavort with those who do not keep His laws nor those of the Creation to the most tiny detail. There are great teachers on your place but if they claim the Christness or Godness as THE ONE then they are false, no more and no less. Neither God nor the Christ will come in any of the forms speculated to by MAN!

Now, I am going to shatter some real "biggie" stories. How many of you think the "Star of David" belongs as symbol unto David who slew Goliath, or King David of the Old Testament? Ah ha! Sorry about that.

We speak of David al-Roy, an assumed label, and of young Menahem who also claimed the title of Messiah as I just said earlier. Could it not now mean that if one comes from the line of David that it might well be David al-Roy--the false--Messiah?.

Out of the movement among the Jews of the Middle East, David certainly aroused fervent Messianic hopes. One of his messengers came to Baghdad and

instructed its Jewish citizens to assemble on the rooftops whence they would be flown on the clouds to the Messiah's camp. A goodly number of Jews spent that night on their roofs awaiting the miraculous flight--does this sound embarrassingly familiar to some of you followers of other touters of Truth who turned out to be indeed false?

The rabbinical hierarchy in Baghdad, fearing reprisals by the authorities, took a hostile attitude to the pseudo-Messiah and threatened him with a ban. Not surprisingly, David al-Roy was assassinated--apparently in his sleep, allegedly by his own father-in-law, whom some interested party had bribed to do the deed.

His memory was venerated, and when Benjamin of Tudela traveled through Persia twenty years after the event, "They still spoke lovingly of their leader." But the cult did not stop there. The six-pointed "shield of David" which adorns the modern Israeli flag, started to become a national symbol with David al-Roy's crusade. Ends up being a national-religious symbol as false as the Khazars who call themselves "Jews". This national-religious symbol of Judaism was long used interchangeably with the pentagram or the "Seal of Solomon"; it was attributed to David in mystic and ethical German writings from the thirteenth century on, and appeared on the "Jewish" flag in Prague in 1527.

I realize it is shocking to find that your ANCIENT history only begins with recent rewritings and tamperings with those things you are led to believe are of Truth from the beginning of all time but it is simply not so. My hope is that, as you are able to digest a bit of Truth instead

of lies, bit by bit you will finally get the picture that you have been sold the lie. It is time to put the mystical tales aside and come into the excitement and wondrous experience of the new, in Truth. You need no mystic gods or idols, no rituals or great volumes--you need only understanding within God.

When we continue we will take up with the thirteenth century heritage of these Khazars who have efforted to hide their history in order to prevail this day upon your planet.

I request a break please.

Hatonn to clear.

4/12/91 SANANDA

THE CREATION

I AM Sananda. I come in service to our Holy Father of LIGHT, God/Aton and to you, my brethren. Greetings little sister Druthea. Druthea has asked Our Father to please bring understanding and clarification on what is THE CREATION. Our Father God/Aton of Light has sent me to answer this challenge.

I call this a challenge because your language of communication has not the "words" for describing this concept of Creation. So in order not to put upon you, my precious chelas, MORE limitation, I will ask that you close your eyes, call forth THE GREAT SPIRIT OF ONE WITHIN YOU, "listen" and continue reading with The Presence of The Holy Divine ONE WITHIN.

Now imagine a GREAT CIRCLE OF INFINITY with no ending and no beginning in front of you. This will "represent" The Creation. Now imagine that this circle is a great

movie film without ending and without beginning, but moving ever creatively on, constantly unfolding the unlimited potential of the creative "will". What we will do now is PAUSE a frame in the sequence of this ongoing "film" of no-time and no-space, no-ending and no-beginning...

The Creation represents fulfilled and yet unfulfilled Creative Potential. Creation is the Totality of ALL THAT IS, which in your human perspective is ALL THAT HAS BEEN and ALL THAT IS TO BE. Now, keep in mind, the Laws of Balance, of Nature, of God and of The Creation are THE SAME Universal Laws of Order and Logic.

So then HOW is the Creative Potential **REALIZED and FULFILLED?** Through the Great Spiritually Perfected Being, God/Aton, who is the Great MIND and INTELLIGENCE which brings THE POTENTIAL of that which represents The Creation into coalescence of matter, such as planets, stars, animals, plants and minerals. Now, you have **ONE GREAT SPIRITUALLY PERFECTED BEING** which is THE MIND INTELLIGENCE OF YOUR GALAXY...that **ONE** which we call OUR FATHER/MOTHER CREATOR GOD/ATON. The reason that WE are ONE with, and therefore, called the "children" of God/Aton is that this Great Being has FRAGMENTED Himself, His Great Spirit, to allow HIS UNFOLDING CREATIVE POTENTIAL **UNLIMITED** varieties of experience. Thus each human, each Angel, each **BEING** which is created and fragmented of HIM, is a unique creative-potential filled reflection or aspect of THE ONE GREAT MIND INTELLIGENCE, GOD/ATON.

So, we have The Creation, which represents the Great Sacred Circle of Infinity, without end or beginning, which holds the fulfilled and unfulfilled Creative Potential of the Totality of ALL that is. Then we have God/Aton, which represents the MIND INTELLIGENCE OF THE CREATION FOR THIS GALAXY. God/Aton is as much a **PART** of The Creation as WE EACH are a **PART** of God/Aton. Hence the truth...**WE ARE ALL ONE.**

I, Sananda, have now reached my state of ONENESS with Our Father, which is the meaning of my name, "One With God". What does this mean to you, my brethren? This means that I am in the state of Grace of ONE WILL, that of My Father, God/Aton's will. I am sent now, along with His Hosts of Light, of Our Father to reclaim YOU of his fragments who choose to move into higher realms of Creative Spiritual Awareness. Eventually, many of YOU ones will EARN, as have I, the state of Grace, of Oneness with Our Father of Light/Life Aton. I, and my Brothers of Light come to show the WAY toward ONENESS, which is the Love, the Peace, the Balance, and the Harmony of THE TOTALITY OF ALL THAT IS, THE CREATION. Why come we? Because we, the Hosts of God of Light, LOVE you as our brothers who are also precious beings created of Our Father. Since my will is HIS WILL, it is HIS WILL to bring you HOME and I am come to show you the way.

Now what does it mean to be "Sananda", "One With God"? Much Responsibility, chelas! Only it is quite a JOYFUL responsibility in that I am AWARE of my Co-Creation with Our Father. I recognize that even the word "respon-

sibility" makes many of you a bit uncomfortable inside, mostly because it is a symbol of discipline, and seriousness and ones even perceive it as "limiting" to their perceived "enjoyment" of life. Eventually, precious ones, "responsibility" will not pose a "threat" to you because you will have developed the INTEGRITY of YOUR SPIRIT WITHIN to the point that you will WELCOME the creative challenges of SELF-Responsibility.

You see, since most of you (especially those of you who have *believed* various HUMAN doctrines in your "religious" institutions) have been "programmed" to be dependent and not take responsibility; and since you have also been programmed that you are somehow separate from your Creator, learning to take Personal Responsibility seems "unnatural" and "frightening" to you. WHY? Well, when you recognize the truth that YOU have created ALL within this manifested "illusion", it can be a bit overwhelming to your consciousness to realize that you have also contributed to the DIS-ease upon your plane and upon yourselves. There is NO ONE else to blame anymore.

Personal Responsibility means **taking action** to balance the unbalance, to bring love where there is hatred, to bring harmony where there is chaos, to bring discipline where there is disorder and to bring peace where there is war. Each ONE of you will open your own door to the SPIRITUAL POWER OF LOVE WITHIN YOU WHEN you start taking Responsibility for ALL of your manifested reality, including your thoughts, words and deeds. Each ONE who harmonizes and balances within brings the LIGHT of Balance and Har-

mony to your "pool" of mass consciousness, so that it eventually will no longer be the "cesspool" of darkness and despair which it is now.

Ah well, our subject is The Creation and ITS relationship to God/Aton and to YOU. Please recognize, please remember, my precious ones, YOU each represent WITHIN YOU GOD/ATON'S MIND INTELLIGENCE for UNLIMITED SPIRITUAL CREATIVE POTENTIAL. THERE IS SO MUCH JOY TO BE A PART OF. LET GO of your ILLUSIONS of separation from THE ONE and attachment to the "physical" and "emotional" aspects of this LIMITED plane. BE responsible for what is YOUR JOB of clean-up before you, SPREAD THE WORD OF TRUTH written in *The Journals* about your Earthly circumstances and spread the JOY that GOD WINS in this final confrontation with evil. Will you JOIN GOD, MINESELF and MINE Brothers of LIGHT in this confrontation of evil? OR, will you remain ignorant and apathetic, and therefore, a PART OF THE EVIL ENERGY DESTRUCTIVE "WILL" upon this plane? In Love and Peace, I humbly request that YOU take MINE hand to the path of GOD and ONENESS...the ONLY logical choice is the choice of GOD'S WILL, and MAY GOD'S WILL BE DONE! So Be It.

I AM Sananda, One With God, in service to HIS HOLY PRESENCE, ATON and THE CREATION. Peace be with you. Salu.
