**5/23/91 HATONN
THURSDAY**

Hatonn present. As we sit to pen this day, my being is filled with love and compassion for you, my people/brothers. This does not denote "ownership" but rather, "one with". Ah, your languages are filled with contradictions almost to the point of extinction of original meanings. Even names bear meaning and rarely is a "name" chosen which is unguided from higher knowledge. I will use as example, herein, one who continues to send assurance and support to us in love and understanding and above all, patience, as the play unfolds. Her name is Janell, his George (a good name if I ever heard one). Even if he were blinded to purpose and understanding, it is still a most wondrous name. Those who effort to figure out what in the world kind of name is Gyeorgos only find it to be George by any spelling. What means this term applied to a person? Worker of Earth or pertaining to work on Earth or within/upon earth. So, if you take my name, for instance, you will find identification beyond the obvious "label". Gyeorgos (George) meaning work focused on Earth. Ceres (nurturing, birthing, growing, planting--feminine aspect of God), Hatonn (Directly pronounced with a silent "H" denoting the masculine aspect of God and the "all in one-ness"--Aton). Will this hold true in every language? Yes, for there will be derivations of the labels in EVERY language even though they sound, in verbal tones, nothing alike.

So, George is, by George, a good

name and I often have to nudge ones with that label to cause them to question their directions for it is a method of labeling through which we can make connections with our own team-mates.

Now, allow us to look at "Janell" (now please, dear ones, don't all of you send me your labels for investigation--I am only speaking example here and I cannot ask Dharma to spend time at label identification). Janell is a feminine construction of both "John" and "Jacob", meaning, in order, God is good, goodness, bearer of Truth of goodness and Beloved of God in goodness and successor. Therefore, you have one who is sent, or comes forth, in God goodness and is a successor to truthbringers who have passed the way and/or returned to advance in learning and goodness--even if the journey is only lessened by seemingly narrow boundaries of limited circumstance. Now, the portion "nell" is representative of a light or torch. Therefore, by all identification unto me, I know that the label was chosen for this one, regardless of present, past or future experience, to allow us to find contact with a successor light or torchbearer of the goodness of God.

Can labels be intentionally for disinformation to contactees? Yes indeed--but it only takes the blink of an eye to know Truth from Lie. Do not be further misled into thinking that visible physical circumstance means very much--for to God, who will ultimately recall all fragments--the knowledge is seen on the inner screen through the projector within soul, never requiring even the eye blinking

"time". As we serve and look for our contacts--we have to scan and locate. Sometimes ones have greatly strayed from the service of God and moved without the flock of God-ness. It ultimately matters not, for the journey will continue elsewhere or "again" if the direction is not found in a given cycle.

So, Janell has sent me a little clipping of a "Phoenix" which I will share for it expresses "meaning". *"The legendary Phoenix represents the sun which dies each night and rises again each morning. Like the fabulous bird which emerged from the ashes to become larger, stronger and more potent than ever, you can emerge from the dark and start life anew."* Our symbol further denotes the endless immortality of soul growth and the endless cycles from and again into the oneness with Creator/Creation. To deceive you, the Gôd adversary, satanic opposition to goodness, has pronounced the symbol to be "Pagan" (whatever that means) and usually gives it a serpent tongue and evil connotation so that you would be pushed from desire to join with that which comes from "space" with ability to traverse space and comes at the changing of cycles of Man on terra planets. The purpose of physical life is the growth of the soul within the physical Man, through myriads of experiences. But you see, life is endless--only, changed and all things have life in some manner or another--for GOD IS LIFE. Evil is an experience of PHYSICAL OR "ADVERSARY" EXPERIENCE--RELATED ONLY TO PHYSICAL MANIFESTATION. This can carry through many levels or

dimensions until the body physical is cast off as a necessary growing vehicle--i.e., when the child learns to ride the bicycle--he no longer needs the training wheels. As you grow into oneness with Creator you further have opportunity to re-experience or "serve" in capacities of guides or teachers at many levels/dimensions. But, when the dimension of service is a wholly physical manifestation--the agreement is to forfeit memory of the perfection so that the experience is valid and relative to that which you are experiencing.

For instance, Man must relate to that which he IS and in the physical experience he desires to relate to the physical for that is all his consciousness can confront on that plane. This is why Man is given to worship things and/or other Men for they forget their relationships with all Creation. This is why we use the fingers of a very Earth-bound person (Man--generic of species) with only denotation of "dharma" for that simply means the expression of right behavior; conformity to the Law of God/Creation; Virtue, Truth and Righteousness. You see, in my scribe I would need the experiences attained in the greatest of the learning cycles--a relationship with Aton of ancient history upon your place wherein you could begin relating to historical data--ancient Egypt. But I would also recognize the lineage passing through the training of ancient Greece--thus Doris, or "Dorina woman" meaning from the ancient lineage of tribal Dorians and one who had served as teacher of balanced life experience and one who came from the line of Nereus who attended "one with the sea", for the teaching would come again from the Sea as from the elder continents of Earth with expectations of the rising again from the Sea--a oneness with that one you might have referred to as Poseidon. I was also instructed that she would bear the name of Eloise which indicates a connection with bearer of Light and frankly associated with the creation of the perfection of Lucifer (which "name" means Lightbearer). (We shall not discuss the corruption herein.) Further, she would bear the symbol in her name of Elijah which prophet always is sent in

precedence to God's appearance and the bringer of Truth from and with God. She would also be in total connection with the Dove and the Eagle, being birthed in the sign of the scorpion as the Eagle of Gold and yet the Dove of peace--as in the name of Jon--surname of Jones. Did I know whom I sought? Indeed--but she did not! Therein is the mystery.

Do NOT get hung-up on such as the above for it is only a clue, nothing more and if you attend what "might be", you miss entirely--that which IS. Always, according to service, the clues are unfolded for your confirmation--not for your games-playing.

There will be no groups built around this entity by any name. There will be no groupies or cults built around one Hatonn--we want no groupies nor cults--we are bringing the unfolding of Truth and Lighted insight--along with other brothers of the species. Focus? There must be focus which is unfolded in Truth of various bringers of the Truth--but the bringer of the Truth is not important--IT IS THE TRUTH WHICH HOLDS IMPORTANCE, AND TRUTH WILL STAND ON ITS OWN MERIT THROUGHOUT INFINITY. If a speaker deviates and "gives permission" to act in a given manner--against the laws of God and Creation--he has deviated in Truth. This does not mean that ALL he brings is lie for the deceiver will never give forth ALL LIES--he mesmerizes you in the Truth and when you're entranced, he will sell you the LIE. Purchase price? Portions of your soul--you will serve longer in the dark cycles of the compression of the physical limitations.

Make a good day of this that ye have been given--for ye know not but what it may be thine last. Saalome'.

5/24/91 HATONN
FRIDAY

Hatonn present in Light and Truth that we may share. "Man cannot live by bread alone!" and it is so. You who write ask excellent questions which it seems we do not have time nor space to adequately

respond but I do try to incorporate them into the writings as they find suitable placement. One such, for instance, is a second inquiry as to why we do not use YAWEH and/or YAMOSHUA instead of the ones I use. Because, two reasons, some of the terms utilized are actually designations of "satan" and not the "Christos" and some are simply labels given by "foreign" languages other than English in which I am communicating. I have told you prior to this, God does not "hear" language--if you call out to God and you call him Bob, Joe, Yaweh, Yewah, Jasuah, Immanuel and/or Dingleberry--it matters not, FOR IT IS THE INTENT WHICH GOD RECEIVES. This is why I must again remind you ones that it is what is in the heart intent (you see, even that is incorrect for the heart is but a muscle that pumps blood)--what is in the energy soul intent which makes the communication with God. If you become hung-up on names you have missed the point and you are still locked into the PHYSICAL PLANE BY ANY NAME!

I have also received many references and objections to "Thou shall not commit adultery!" Some write to tell me that "adultery" is simply "adulteration" or the act of "diluting" or introducing another substance into an original--thereby possibly improving, as well as depreciating, a substance. No sale, brothers. As a matter of fact, that of which you speak is "adulteration" which has been construed to be as above. The actual definition as given is to corrupt, to debase or to make impure by the addition of a foreign or inferior substance; esp: to prepare for sale by the addition of a foreign or inferior or less valuable or inert ingredients. (This is a no-no, too!)

Adultery: voluntary sexual intercourse between a married man and someone other than his wife and/or between a married woman and someone other than her husband. [These are Webster's definitions and yet, they certainly do not cover all the "thou shalt nots" as regarding sexual behavior.] You can rewrite the laws if you choose and you can make it humanly OK and legal if you choose--IT MAKES NOT ONE IOTA OF DIFFER-

ENCE--IT IS AGAINST THE LAWS OF GOD. I DID NOT, HOWEVER, SAY IT IS AGAINST THE LAWS OF NATURE/CREATION!

The Laws of God are given forth for HUMAN behavior in order to maintain balance within Creation--in harmony and balance. Anything that brings lies and irresponsible behavior is against the laws of God. The Laws of Creation will simply toss you off into oblivion if you overpopulate, over pollute, etc. God gives Man laws by which to live in balance and harmony--no more and no less. Cultures bear differing connotations respecting interrelationships of Man, but the ones which are presented as the basic rules of God are those which will, if followed, bring the highest measure of harmony and balance in relationship to and relationships of Man.

The next subject is a bit more complicated for it will deal with mixture of races, creeds and colors of human beings. At this point I always get, "...but dogs mix, horses mix, cows mix" ad nauseam. They DO NOT mix if left in balanced herds or packs. Look at the birds of the fields--look at the numbers of species of the sparrow--great flocks of striped headed sparrows will be merged with great flocks of black bibbed ones and they in turn will mingle with the junks and finches--but do not breed with them. Mostly, also, you will find that the majority of wild-life will mate with a single mate if left alone where it can be one-to-one mating to propagate the species. You arrange it so that herds only have one male for many females, etc. God did not create it that way.

When you mix races, creeds and colors of humans you are playing with two separate situations--you are basically confusing "culture" and "traditions" which can cause great pain to one or another of the pair and/or offspring and what you do not realize is that those differences come from outside your planet for when the races were introduced onto the planet they were from different origins and cosmic placements of great variations in experiences but all HUMAN.

Therefore, all are identical in the sight of God for there is only one color in God's vision of creation--light. You perceive "light" to be white for it has no color at all but is made up of all colors. The darker race chooses to call itself "black"--no, that is grossly incorrect for the "black" is not "black" which means the total absence of color. The so-called "blacks" are the most beautiful hues of bronzes and tans of your planet, followed by your "brown" race of golden browns and earth hues of superb spectrum--then the golden race stemming from the so-called Orientals and the wondrous projection of the red-bronze hue of the native cultures--of all, the white is the most colorless and quite frankly, the most "adulterated" and wimpish of all races, having no superiority in most instances and therefore utilizing self-proclaimed POWER BY CIRCUMSTANCE!

I have no intentions of enlarging on this subject at this time and please do not demand it for we have such urgent material to cover that you had better just look at the color within and stop the nonsense. If persons wish to cross color/creed barriers then so be it. The problem grows greater for you as ones come forth to retrieve species to return to "home base"--all galactic placements are not as wondrously giving and accepting as is Pleiades and even there, there will be planets wherein cross-over is unacceptable. Not from mean perception but for preservation of a species. This is WHY Man should think carefully about his behaviors--God has no color preference--Human does in most instances (not being better one from another--just different for given experiences) and as the journey from the physical, as you know it on Earth, progresses and placement moves entities onto other placements--the encounters continue with that which you call "human" species of one sort or another.

CHRISTOS VS. WHATEVER

Another reason that I fail to utilize ALL names for God is that I simply don't know them all and care not to know them all. It is perhaps time to realize something ex-

remely important and that is the breakdown of service of cosmic brothers in this time of Earth transition and near annihilation. Part of the reason you have such incredible chaos is the fact of mingling of races and species from elsewhere in the universe. You didn't "just happen" to be in predominantly one race in one place and another in other. You did not just happenstancely "appear" as this or that and neither was it through "blending" of the races nor sun intensity, etc. That is the biggest bunch of tampered BS every perpetrated upon you ones as a civilization of humans.

I would like to remind you of something most important--those of you, for instance, who recognize the teachings of one called Ramtha. I take no note particular of Ramtha for he is not of my particular "interest" as Hatonn, Commander. But remember--you followers of Ramtha--He told you that he had returned to gather HIS people! So be it and selah! There are many, MANY come forth at this time to gather individual groups, followers and species of origin from given galactic placements. Myself included--I am come to gather my races if appropriate--BUT, I AM COMMISSIONED WITH THE OVERALL DUTY OF TAKING ALL OFF WHO ARE GROWN INTO HIGHER UNDERSTANDING AND FREQUENCY ABILITY TO MAKE TRANSITION FOR IT IS THE TIME OF CYCLES IN WHICH THE PLANET WILL EITHER BE SHAPED UP OR EVACUATED TO ALLOW FOR REBIRTHING AND HEALING OF THE WOUNDED "MOTHER".

This is why you will find craft and beings from myriads of galactic locations here at this time--to tend of the flocks and participate in the transitional change. Much of the higher "sorting" will take place according to "preference" and "following" as you are brought into original safety. You perceive that a LOT is happening on your world and within your changing experiences--YOU SHOULD SEE OUT HERE! It is a time of God sorting according to learning, His own fragments of experience into proper categories, if you will, for

ultimately THERE IS NO DIFFERENCE BUT AS LONG AS THERE ARE PERCEPTIONS OF INDIVIDUAL PHYSICAL BEINGNESS--THERE IS DEFINITELY MANIFESTED "DIFFERENCE".

THE IN-DEPTH AND TOTAL UNDERSTANDING IS NOT A THING OF THE PHYSICAL DIMENSION CALLED EARTH OR SIMILAR PLANETARY EXPERIENCE--IF YOU HAVE ALL THOSE ANSWERS YOU WOULD NOT BE ON A PLANET SUCH AS EARTH, EXPERIENCING. WHAT HAPPENS LATER? IT IS NOT FOR ME TO SAY AND IF ONES TELL YOU THAT THEY KNOW--THEY LIE OR THE SPEAKER IS ILL-ADVISED. You can measure comprehension only so far and the rest has to be left to God and higher understanding. This does not mean that you might not know, for most have experienced already, that of which we speak. If, however, you continue to put the cart in front of the horse--you are going to have a long and miserable journey. You may have instant revelation into knowledge that there is total KNOWING--you will not, however, HAVE total KNOWING in anything called PHYSICAL FOR AS I WROTE ON THE YESTERDAY--THE TWO ARE NOT THE SAME--PHYSICAL AND SPIRITUAL ARE TWO PERCEPTIONS.

ST. GERMAIN

I have had many inquiries regarding my perceptions of connections with St. Germain and various groups who claim heading by Germain. I ask not to be pinned down as to various groups for I wish all men to discern through information and knowledge gained that it be YOUR opinion and not that of another--be the other ethereal or human--all groups, beings and humans will give you clues by which to discern Truth and many, even if they deviate into the human path too greatly, still give great measures of Truth and ultimately YOU MUST DECIDE AND DISCERN FOR SELF. IF THOSE ONES FAIL TO LOOK INTO OR AT ANOTHER'S PERCEPTION--

THEY ARE NOT TOTALLY OF GOD FOR GOD ALWAYS ENCOURAGES YOU TO LOOK AT ALL SO THAT YOU CAN SEE THAT WHICH STANDS AFTER ALL ELSE FALLS AWAY.

A friend has presented the Saint Germain Press, Inc., 1120 Stonehedge Dr., Schaumburg, Illinois 60194 as a source of the "I AM" Religious Activity of the Saint Germain Foundation. There are errors in the presented works of that group just as Man comes along and tampers with all groups to suit his own perceptions of that which HE discerns the higher energy meant to somehow project. But Germain? Germain is one of my closest associates and beloved friends. Dharma writes, and has written, books and volumes of material from Germain--often to contact his beloved workers such as J.S. of Mt. Shasta, etc.

Germain is of the violet ray of transmutation and an alchemist el superb. As we move higher in dimensional experience we forget that you ones must blend from the manifested and Germain remains much more closely connected to Earth Man in connection to your politics and science than, say, do I.

The United States is Germain's MAJOR focus just as Planet Earth (Shan) is the MAJOR focus of the Christed Energy at this time. Higher in the steps is Michael of the archangelic realm who is also focused on Planet Earth. You will find Gabriel right there, also, for you see, with each civilization (speaking generally of a focus of a planet) there are the guardians and they will be recognized by whatever a given culture or language group recognizes them. YOU ONES MUST COME INTO REALIZATION THAT THERE ARE MANY STEPS BETWEEN YOU AND THE ULTIMATE "ONE" SOURCE OF "ALL". Some of you are ready for the "ALL" but most are still in kindergarten in your journey to perfection and knowledge. That does not mean that God will abandon you until you "get there", you will be nurtured and loved and tended like the wondrous garden of budding flowers that you ARE. AT the moment

the crops are infested with destructive insects and molds/mildews and about to perish--no more and no less--but God has other places in the Creation upon which you can continue to experience--HE HAS GONE FORTH AND PREPARED PLACEMENT FOR ALL WHO WILL COME AND HE HAS PREPARED THEM ACCORDING TO YOUR OWN LEVEL OF PROGRESSION AND COMFORT OF PLACEMENT.

That which you perceive to be so wondrous about a place like Earth is that it is all you can perceive. As you look back on the experience from a higher viewpoint, you will realize it was quite base, cruel, painful and still, the most valuable of all experiences for it is where you learn to discern and make choices which allow soul to grow for all physical passes by the way. Now where will YOU go? Wherever you EXPECT to go for you will act in such manner that you will simply go wherever you expect to go. Some of you more humble ones will find that you aren't as pure as you proclaimed and some of you who perceive yourselves very short of perfection have actually that spark of Truth within which gets you to a very wondrous place indeed.

To P.B. of Canada, I suggest you get THE RAINBOW MASTERS Journal if you have it not--for it is mostly orchestrated by Germain. Germain also writes much for the Journals through both secretaries, Druthea and Dharma; and much advice regarding very human physical matters, via Thomas.

Now as to the workings of this transition time and Command-line as you interpret higherarchy. We do not recognize anything such as you have on Earth--however, we have to use structure and identification which you can somehow understand. That means that I have to utilize military structure, predominantly, for your government gives even worse example. Number one: we have no "Royalty" although on some planets there is an accepted "King"--for you have no better word to identify a top-person. We are given functions according to our capabilities and no

other reason--not seniority nor "education". We simply serve where we are capable but you do have to have ones "in-charge" to maintain flow in orderliness. For instance, there is gross misunderstanding regarding "Ashtar" and I make a lot of Earth enemies at this point for "Ashtar" speaks to a lot of Earth-based people--or used to! "Ashtar Command" is exactly that--a "Command", a structured "command". There will be one who heads the Command and that one is known as "Ashtar". This can be hard to accept if you think it to be a specific beauteous dark-haired, widowed-peak masculine human who looks like a handsome God. He may or may not. "It" is a total comprehensive computer system of incredible magnitude. I do not know how you would recognize a computer which is some equivalent to ten square miles if manifested. That does not mean that the entities in charge are a computer. The one you would call "Ashtar" is an entity of extremely high status. THAT "COMMAND" is in overall charge of the various fleets come for observation and fleet operations if evacuation is required spontaneously. It is further at standby for what we can refer to, for lack of better description, lift-off for reason of global devastation, etc.--to simply get you off the place prior to devastating changes as the planet goes into major cleansing and detoxification phase. Anything short of atmospheric annihilation can be cleansed by simply rotation of continents into/out-of the sea and reestablishing life-forms. This is where comes the perception that Man evolved from the sea--because it appeared after great cyclic changes that all available life-form was from the sea--and so be it. But there was also the establishment--again, of rather primitive Man to reestablish experience anew for all newly created souls must have experience and teachers and thus and so--this is the thought projection of God-Creator as Creation is formed in various facets of existence. Soul is immortal but new beginnings of perception must be accommodated.

PERCEPTIONS LIMITED

Man can only project that which

MAN perceives--as with your evangelists for instance--it does not mean that the perceptions are correct for they are almost ALWAYS incorrect for you have no ability to view from the mountain, so to speak.

Let us look specifically at a clipping sent to me: April, 91: Astronomers find new space entity. Astronomers have found a mysterious object about 100 billion times as massive as the Sun, and they say it is either the largest black hole ever found or a completely new, unexplained phenomenon.

"The huge mass and its great concentration and darkness are puzzling and unlike any found previously," said Joss Bland-Hawthorn of Rice University, one of the discoverers.

The object's mass is roughly equal to that of all the stars in the Milky Way galaxy, Bland-Hawthorn said. Yet it is compressed into a space 10,000 times smaller.

Ah, the wondrous things left to be unfolded. Yes, I know what it is but obviously NO ONE on your placement does. Don't tell me that so and so knows and he/she is on your placement. IF THEY KNOW IT CAME NOT FROM YOUR PLACE--does any of this begin to have meaning? If I told you what that is and it turns out to be correct--you STILL GOT IT FROM SOMEWHERE OTHER THAN ON YOUR PLACE! I am not going to tell you, however, for that is for you to place in realization. I will tell you that it is very, very important--"important" meaning that which has great impact on the largest numbers of beings. You see, "important" doesn't mean "good": it means marked by or indicative of significant worth or consequence. This is just example for illustration: Adolf Hitler might be considered by some to be far more "important" to the world than was "Jesus Christ"--certainly he would rank right up near the top "since" that time. Many of the most "important" clues within the Holy Books have NOT BEEN CORRUPTED IN TOTAL, FOR THEY WERE NOT UNDERSTOOD WELL ENOUGH TO CORRUPT THEM--THAT "PHE-

NOMENON" IN YOUR HEAVENS IS ONE OF THEM!

I request that we write a bit more follow-on to yesterday's subject and we can take up current daily events later today, perhaps. There are things going on like the preliminary passage of the "Free Trade Bill" WHICH SHOULD HAVE YOU TERRIFIED!, but as I said, "man cannot live by bread alone". You must come into understanding how things REALLY work and that belongs to the soul. I do ask that Dru's recent scripting be included anywhere along with these writings for Sananda, Germain, Michael and ME are going to give you a load to carry. If it causes "overload" I can only ask that you go back and catch up on the back Journals, etc. You cannot expect to start post-graduate level and comprehend it if you are not even in grade one. Use "reason", beloved ones, for Truth may fall all over you but if you are not prepared--you won't see it.

Salu, for I AM--by any label. I touch ye gently, chelas, for I find ye ones indeed worthy.

**5/24/91 #2 HATONN
TODAY**

May I be so bold as to point out a few items for your consideration. I need not make much comment--just YOU pay attention as I take just a few items from today's *Wall Street Journal* and see HOW MANY OF YOU PICKED THEM UP AND WHAT DO YOU THINK ABOUT THEM? WHEN IT COMES TO THE BANKING SITUATION--PLEASE PAY CLOSE ATTENTION FOR THIS IS A GLOBAL THING, NO MATTER WHAT "THEY" TELL YOU.

BUSH/KUWAIT

"Outrage Boils over the post-war policies, of Kuwait's royal rulers.

The anger goes beyond the quick trials and harsh sentences for accused traitors. Comments by Kuwait's ambassador to the U.S. in a TV interview that Kuwait doesn't need lectures from Ameri-

cans on judicial practices further fan the flames. "The Kuwaitis seem to have slipped back to a state of prewar arrogance" fumes Rep. Ackerman, a Democrat who backed sending U.S. troops to free Kuwait.

Bush officials stay low key despite Kuwait's slowness to move toward democracy. The emir gives the U.S. only vague promises about setting a specific date for elections. Kuwaitis are noncommittal on giving women equal rights. Middle East Watch, a human rights group, says that over 100,000 residents who have Kuwaiti mothers and foreign fathers are denied benefits.

"Given Kuwait's actions, I'm confused about what the high noble purpose of this war was," says Washington bank chairman Joe Albritton.

Undoubtedly there is promise of better--closer to home:

President Bush marked the 89th anniversary of Cuban independence Monday by calling for a free press there, the right to organize political parties and free and fair elections under International supervision. He challenged Fidel Castro to let Cuba live in peace with its neighbors, promising that if Mr. Castro made such changes, relations between our two countries would "significantly" improve. He focused, in short, not on Mr. Castro, but on the need for Cubans to pick their leaders by a democratic process.

On the same day, the president said he would oppose the lifting of trade sanctions on Iraq so long as Saddam Hussein was in power. He did not call for a vote in Iraq. The presidential spokesman called attention to a recent speech by deputy national security adviser, Robert Gates (yes, the one up for head of the CIA), to the American Society of Newspaper Editors. Mr. Gates also focused on Saddam, not on ending the Baath dictatorship by giving Iraqis a fair chance to pick their leaders.

This seems odd. It is Saddam, not Fidel Castro, who has been calling for democracy. He has

agreed to grant the Kurds autonomy within a looser federal Iraq, and he has stated that press freedoms, the rule of law and elections throughout Iraq would be a more acceptable guarantee of the rights of the opposition than a Western military force or even the U.N. security squad, which he has whittled down to 500 men armed only with handcuffs. He seems to be responding to the demands stated two years earlier in London by Iraqi Shiites and Kurds, of the right, left and center, for democracy and the rule of law as a durable protection of their rights within the present boundaries of Iraq; and to the same demands presented during Operation Desert Shield by 21 political parties, including all major opposition groups.

Oh well, guess they lied to you about the need for the Iraq war, after all--how many of you have noticed?

And, again, crime will be encouraged and abetted by your government:

The Supreme Court has said that they will completely repeal the statute known as RICO (Racketeer Influenced and Corrupt Organizations law) if major reforms are not quick in coming--Dan Quayle has taken up the banner and reforms are expected to be forthcoming shortly!

Now for more on Quayle and Bush:

Bush readies vetoes to block Democrats, who hope for political gains: Leading the White House hit list: bills restricting strikebreakers and mandating parental leave. Administration officials vow openly to veto a defense bill that fails to fund the B-2 bomber and SDI. They talk privately of vetoing legislation that cuts spending on the space station, a pet project of Darman and Quayle.

And, money, money--must be money aplenty:

Bush responded to increasingly open Soviet pleas for financial help, saying he would be backing a Western aid package tied to eco-

nomie reform by Moscow. The President said he hasn't received a formal aid request, but noted that Gorbachev is sending an envoy to Washington next week to discuss economic issues.

Ok, so you just gave them another 1 1/2 Billion dollars in grain--that comes up to 3.5 Billion now and growing, for this does not consider the private commitments made by private grain growers when Gorbachev visited in the U.S. YOU HAVE NO RESERVE, DEAR LITTLE AMERICANS! THIS little package now being referred to is in the amount of \$100 Billion (one hundred billion dollars). So be it.

But Bush is on a roll, let us not slacken now:

The House agreed to **EXTEND BUSH'S SPECIAL AUTHORITY TO NEGOTIATE TRADE AGREEMENTS, CLEARING THE WAY FOR TRADE TALKS WITH MEXICO.** The action means Bush can submit trade accords that aren't subject to legislative amendments (which are all under regulations already in his power). But the House reserved the right to make revisions if the pact doesn't include promised labor and environmental protections.

The trade talks are likely to accelerate what is already Mexico's greatest economic upsurge in a decade----and the abolition of American industrial strength!!!!

But, the best is yet to come--hold your breath if you have missed this one. The banks, S&L's and Insurance companies have not stripped you quite far enough into total poverty and destruction so we now have a nice new one for you--the people:

A HOUSE PANEL ENDORSED AN OVERHAUL OF DEPRESSION-ERA FEDERAL BANK LAWS AFTER VOTING IN FAVOR OF THE BANKING INDUSTRY ON SEVERAL AMENDMENTS.

This banking bill cleared panel by 36-0 vote:

Approval of the measure, which contains **MANY OF THE BUSH ADMINISTRATION'S PROPOSALS**, sharply boosts the prospects for enactment of comprehensive banking legislation this year.

It came after a day of pro-bank votes that exempted nearly 80% of the nation's banks from the Community Reinvestment Act and gutted an earlier amendment that could have slowed expansion by large banks.

Under the bill the Financial Institutions Subcommittee is sending to the full committee, banks would be allowed to establish nationwide branch networks, affiliate with securities firms (undoubtedly more honest than the S&L's) and become parts of holding companies that are owned by industrial corporations. Elements of the plan to modernize the banking system still face significant legislative obstacles, **BUT TREASURY OFFICIALS AND OTHER BACKERS OF STREAMLINED BANK LAWS (ESPECIALLY THE FEDERAL RESERVE CORPORATION) WERE DELIGHTED BY THE PANEL'S ENDORSEMENT OF MAJOR SECTIONS OF A BILL THAT APPEARED TO HAVE LITTLE CHANCE JUST A MONTH AGO.**

"This unanimous vote changes the dynamics" of the debate over how to modernize banking laws, said Rep. John LaFalce. "The 36-0 vote increases the chances of passage dramatically." Edward Yingling, chief lobbyist for the American Bankers Association, said the breadth of the House panel's bill will help build momentum for comprehensive legislation in the Senate Banking Committee. The Senate panel is in the early stages of trying to build consensus on its version of the bill, etc., etc., etc.

I won't take time herein to list subcommittee and committee members but I ask you to take your Congressional handbook and look at the list. Then I want you to go to the Trilateral Commission and Council on Foreign Relations and do a little cross checking--good luck, WORLD!

NOW FOR THE WHOPPER WHICH WILL SHOW YOU THE CONNECTIONS WHICH YOU MIGHT MISS IF TODAY WAS HEAVY ON OTHER READING FOR YOU WON'T GET A SECOND CHANCE FROM THE MEDIA OR PRESS.

While you might think this is a singular effort to hook up the Securities racket into the Banking system only in America--you should see what Great Britain has **ALREADY DONE** and, just this day, what Japan is doing:

Japanese Bank Liberalization: Japanese banking regulators received draft proposals for desegregating the securities and banking business.

Under the auspices of the Finance Ministry's banking bureau, the Financial System Research Council hopes to make formal its staff's recommendations--largely what the financial industry expected--within two weeks. The Securities Exchange Council may act on the draft today.

The plan calls for mutual entry by banks and securities firms into each group's business through dedicated subsidiaries. For example, new laws would require separate units for traditional securities dealings and trust banking, and allow commercial banking by long-term credit banks...and so it goes.

But what of this?

Saudi Arabia seeks war loans: Saudi Arabia is said to be seeking a \$2.5 billion loan from major Saudi banks to help meet some Gulf War costs. The kingdom this month signed a \$4.5 billion credit with a group of foreign banks, its first dollar borrowing in more than two decades (no, don't breathe yet). The Islamic prescription against usury makes borrowing a sensitive subject. Saudi Arabia is expected to use both loans to pay the \$8 billion still owed of its \$13.5 billion contribution to the U.S. to pay a share of the war's cost.

Breathe now! Is this some kind of crazy and unusual day in the news world? No, just a regular day of

tightening nooses and honing axes for the demise of the planet as you know it. Just one more day in the halls of "injustice" while you-the-people consume the poison bite by bite. By the way, the "camel is already inside the tent--waving its tail at you."

I don't know about you--but I can't stand any more so let us allow you to read for selves--you just have to remember to read between the lines and know what to look for. Good luck. I do not, at this point, see how you are going to get out of it.

Thank you for your attention and your service--this old road can be quite wondrous if we walk of it together for I know the way to where we wish to go. Salu.

To clear, please.

UNDERSTANDING YOUR CURRENT SPIRITUAL REVOLUTION

Greetings precious Druthea. I AM Sananda. I come in the service of Holy God/Aton of Light, Truth, Wisdom and Glory. This day I will further clarify and describe that which is occurring upon your plane in this time-frame of history.

Your species and planet Shan (Earth) is experiencing a spiritual REVOLUTION, which means, recognizing, challenging, changing and discarding the spiritual false and "archaic" ways, so that you can surmount your stagnant condition and method of adapting to limited ego-separate "belief" indoctrination. The reason for this "revolution" is that you are making room for your Spiritual RENAISSANCE, that is, your *New Birth, Resurrection and Revival* of God-Light Truth gained from personally accessing the Divine Knowledge and Wisdom of your Spirit WITHIN.

Just as the revival of letters and art in Europe marked the *Historical Renaissance* or transition from medieval to modern history representing the *rebirth* of civilization out of archaic creative suppression to a period of time (roughly 14th through 16th century) of relative

abundant artistic expression and freedom, so too is your species experiencing a "Spiritual" transition or *Renaissance*.

The Great Creative Movement of Spirit is singing its song of CREATION in the hearts of ALL who choose to hear. Ones who attune themselves to the Holy Vibration of God/Creator/Creation WITHIN and WITHOUT, will experience **consciously THE BURNING DEATH OF THE ILLUSION OF SEPARATION FROM God/Aton/-Creation**. Out of the ashes you ones will be reborn...resurrected from your sleepy semi-conscious state in which you have long existed and that is, the "altered" ego-separation experienced in your physical-dense vibration illusion. Many of you have been in this creative unfoldment *process* for some years already. Many of you notice that TIME as you measure it seems to be *speeding up* and your "lessons" have often been frequent, difficult and stressful especially due to increased intensity of the unfolding, understanding and releasing process.

Be aware, chelas, that the spiritual work you are accomplishing in this time frame IS intensified, magnified and CONSTANT. Many of you no longer have the luxury of "time" and lack of "experience" to claim innocence and ignorance of spiritual Truth and so your CONSCIENCE is moving you as fast as possible to learn and discern QUICKLY that you can shed the physical attachments as well as "altered EGO" illusions. YOU ARE IN TRANSITION. YOU ARE CLAIMING YOUR SPIRITUAL RENAISSANCE. The chosen path of many of you to attain "graduation" involves the releasing of YOUR ADVERSARY WITHIN. This time-frame represents your spiritual-rebirth opportunity and the process in itself is creating your spiritual revolution...your inner battle to resurrect YOUR SPIRIT WITHIN from the self-imposed prison, of which you have forgotten existed. You can remember NOW. Because of God/Aton's INFINITE grace and wisdom, you ones are NOW given the opportunity to AWAKEN to the call of the MIGHTY PRESENCE OF GOD/ATON/CRE-

ATION WITHIN YOU!! DO YOU HEAR???

Thank you for your attention. I AM Sananda, One With GOD, in service to Light of God/Aton's Holy, Divine PRESENCE, and to you my brethren. Thank you precious little sister, Druthea. Salu.
