**6/23/91 HATONN
SUNDAY**

Hatonn present to give you some good news and some bad news. Firstly, the good--once more, with great difficulty and risk, the SPOTLIGHT was able to infiltrate the Bilderberg meetings in Baden-Baden. I am asked if I need such insight? No, but, precious ones, you seem to have to hear it from human mouth--even if human mouth tells you lies. When there is first hand evidence to PROVE a point--I shall utilize it to the fullest measure. We are, as patriots, not in competition--we are efforting to bring you--the-people TRUTH so you can make informed decisions. Any way that I can help, I shall. I give great honor to most of the writers of SPOTLIGHT for they risk much. It is obvious that they mostly present Truth for the efforts are massive and intense to shut down the press. So be it for FREEDOM IS USUALLY GAINED AT GREAT CHALLENGE.

Dharma, I ask that you reprint the information as given and I shall comment where appropriate (*in italics*). I believe you will have enough with almost no comment except where there is "guesswork" in pronouncement.

NEWS BLACKOUT

It actually is worse than a news "blackout" for in cases such as Jack Cole, who is an embarrassment to Florida, the truth of meetings are known and deliberately denied. The press knew of the Bilderberg meeting in Baden-Baden but were gagged sufficiently to have no mention on the national news programs or press. ***THE BILDERBERGERS RULE YOUR WORLD, CHELAS, AND THEY PLAN HEINOUS THINGS SUCH AS ANOTHER "MAJOR" WAR IN THESE COMING MONTHS. THIS GROUP IS THE MOTHER-FATHER OF THE TRILATERALISTS, COUNCIL ON FOREIGN RELATIONS, ETC. YOU MUST PAY ATTENTION!***

PROPHECIES

I wish you take note of some of the great prophecies as they seem to be unfolding, i.e., "...a Man in a blue turban will rain terror upon the world." "...the bear from the north will push the sons of the Khazars into the land of the Turks and then the Mongol horde shall swarm down upon the lands and the land will be soaked in blood" and "...there shall be a war worse than any seen by Man and fire shall rain from the sky and the new city will be devastated"

and, and, and...! Do I think prophecies must be fulfilled? No--but YOU DO! I want you to keep in mind that turbans represent the flags of nations and you have even more evidence herein for the forces of the United Nations wear "blue berets". Keep it in mind as you read along here.

QUOTE:

**BADEN-BADEN, Germany:
by James P. Tucker Jr.**

The Bilderberg group plans another war within five years.

This grim news came from a "main pipeline"--a high-ranking Bilderberg staffer who secretly cooperated with our investigation--behind the guarded walls of the Badischer Hof, who was operating from inside with colleagues serving as "connecting pipelines". [*Could this be a set-up? Indeed, indeed--so you can expect another war in months, not five years! But you must recognize that for bribes ones will always have "moles" willing to risk a bit of intrigue. Moreover, some ones see the end of a world coming at the hands of these evil, criminals and are willing to risk much to stop the insanity.*]

The main pipeline met at least once daily, and sometimes twice, with the SPOTLIGHT as

the annual secret meeting of the world elite took place June 7-9 in this resort town.

While war plans were being outlined in "Bilderbergese", the air traffic controller at Baden-Baden's private airport reported numerous incoming flights from Brussels, where NATO headquarters are based and Secretary of State James Baker was, at the moment, promising aid to the Soviet Union.

Aboard one of those planes, *en route* to the Bilderberg meeting, was Manfred Woerner, NATO's general secretary.

It was repeatedly stated at the Bilderberg meeting that there will be "other Saddams" in the years ahead who must be dealt with swiftly and efficiently. [*This was a code term to represent "basis" for war as would be set up and presented as "reason" to the populace.*]

What the Bilderberg group intends is a global army at the disposal of the United Nations, which is to become the world government to which all nations **WILL BE SUBSERVIENT BY THE YEAR 2000.**

A UN ARMY

Crucial to making the UN a strong world government, by "osmosis", in the words of some Bilderberg participants, is to bestow it with "enforcement powers."

"A UN army must be able to act immediately, anywhere in the world, without the delays involved in each country making its own decision whether to participate, based on parochial considerations," **SAID HENRY KISSINGER DURING ONE OF THE FORUMS.**

KISSINGER and others ex-

pressed pleasure over the conduct of the Persian Gulf war, stressing that it had been "...sanctioned by the UN, at the request of President George Bush, himself a Trilateral luminary, before the issue was laid before the U.S. Congress."

The fact that the president would make his case to the UN first, when the **Constitution empowers ONLY Congress to declare war**, was viewed as a significant step in **"LEADING AMERICANS AWAY FROM NATIONALISM."**

If Americans can be persuaded to surrender warmaking decisions to the UN, and let their young men die wearing a UN uniform, fighting under a UN flag, **"PAROCHIAL NATIONALISM"** in Britain, France and elsewhere will **disappear**, Bilderberg speakers said.

"The Persian Gulf venture has advanced **the cause by years**," one speaker said. Americans, so reluctant to commit their flag to foreign battlefields after 58,000 perished in the ill-fated Vietnam War, have had their attitude "completely turned around," he said.

BUSH FLIMFLAMS PUBLIC

It was "good psychology" for Bush to allow congressional and other leaders to express their fear of losing 20,000 to 40,000 American lives, he said, "...when Bush knew the loss of life would be much lower."

When the allied casualty toll reached "only 378" and Americans read and heard of "only four" Americans dying in a week of ground war, it "was like nobody had died at all," one said, "and Americans en-

joyed it like an international sporting match."

Such an adventure was essential to getting Americans into "the right frame of mind for the years ahead," said another.

In their circumspect way, the Bilderberg participants claimed credit for **influencing the president to go to war**, some mentioning, with knowing smiles, that the American Ambassador, April Glaspie, had assured Saddam Hussein directly that the United States would take no action if he invaded Kuwait.

And, they promised each other, there will be **"more incidents"** for the UN to deal with in the years ahead. The Bilderberg group and its little brother, the Trilateral Commission, can set up "incidents" on schedule, they said, but in less direct words. **THE WORDS "WITHIN FIVE YEARS" WERE HEARD REPEATEDLY.**

Another important step toward a strong, recognized and accepted world government is taxing power. Presently, the UN operates on "assessments" paid by each country.

"TEMPORARY" TAX

At its April meeting in Tokyo, the Trilateralists called for a UN levy of 10 cents per barrel of oil coming from the Persian Gulf. It would be sold as "temporary", lasting only long enough to rebuild Kuwait [*who hangs without trial, dissenters*] and feed the Kurds until they are back on their feet.

The Bilderbergers had set up the proposal and now approved, as a group, of the move by their brother group,

in which David Rockefeller, Henry Kissinger and others also serve as leaders. "Once people get used to a tax, it never is repealed. Ten cents a barrel would have a negligible effect on sales at the pump, and it could be extended worldwide **"WITH APPROPRIATE INCREASES IN THE YEARS AHEAD."**

Part of the philosophy of a "direct" tax by the UN is already in effect, they noted with satisfaction. The UN is demanding 30 percent of Iraq's oil profits for "reparations", and the United States has obligingly taken the position that it should be increased to 50 percent. [*While you are killing the babies and mothers, of course.*]

From the sum total of all things said, the Bilderberg strategy emerged: Start the tax by imposing it on a newly established "bad guy" who must suffer, and use the revenue for such humanitarian purposes as feeding the Kurds. Keep the initial tax low so that the public is unaware that it is levied and then kick it up.

As the UN acquires its **OWN GLOBAL ARMY** and **DIRECT TAXES** as another source of revenue, the world is to be divided into major "regions" **FOR CONVENIENCE OF ADMINISTRATION**, under the secret Bilderberg plan discussed.

NATIONS FOREVER CAPTIVE

Already Western Europe is to be "without borders" **BY 1993**. **By 1996, IT IS TO HAVE A SINGLE CURRENCY.** Eastern Europe and the Soviet Union are to be eventually included. The Soviet Union is to **REMAIN IN-**

TACT AND THE CAPTIVE NATIONS ARE TO REMAIN FOREVER SUBJUGATED.

Dealing with 15 more small states would be too complicated. [*Now how do you feel about the wondrous welcome given Baker by Albania? "Freedom works!" he shouted and the millions went wild. Well, you didn't know what was coming down--how could THEY possibly know they are destined for total slavery either which way they move?]*

Bilderberg pressure on Congress to pass the free trade treaty with Mexico is another step toward establishing the Western Hemisphere as another "region". Free trade with Canada was the first step and Mexico the second. **THEREAFTER, ALL LATIN AMERICAN NATIONS ARE TO BE INCLUDED.**

IN THE YEARS (MONTHS) AHEAD, A ONE-CURRENCY MOVEMENT FOR THE WESTERN HEMISPHERE IS PLANNED, IDENTICAL TO THAT OF THE EUROPEAN ECONOMIC COMMUNITY AND, ULTIMATELY, A WORLD GOVERNMENT WITH WORLD CURRENCY.

Also on the global economic front, Bilderberg pressure on the Uruguay Round of talks on the General Agreement on Tariffs and Trade (GATT) is being felt. Even as the Bilderberg group was meeting with 120 of the world's leading financiers and political leaders, GATT negotiators announced a "new spirit of cooperation" and determination to reach an agreement.

David Rockefeller and Kissinger praised the recent actions by Soviet leader Mikhail Gorbachev, whom they coach closely and to whom they have

easy access.

BUSH PREPARES TO POSTURE

Gorbachev announced that he needed a \$100 BILLION "gift" from the West--mostly American--to survive. Bush, a longtime Trilateralist dedicated to the global cause, could then posture for Americans by saying "...no, only approximately \$20 BILLION and only if Gorbachev behaves."

Two days after the Bilderberg meeting, on June 11, President Bush obligingly reversed himself--six weeks after curtsying to the "right wing" by proclaiming the Soviet Union "uncreditworthy"--and announced that the United States would guarantee \$1.5 billion in loans for the communists to buy grain. A "loan guarantee" has become almost synonymous with "gift".

Frank Murray, a journalist of stature long known to the SPOTLIGHT from his years with the defunct *Washington Evening Star*, wrote in the *Washington Times* that it was the first "of what is expected to be a series of steps to ease trade and give economic aid to Moscow."

The White House also reiterated its opposition to moves in Congress to send any aid directly to the republics of the Captive Nations, thereby strengthening their bid for freedom, without shoring up the crumbling walls of communism within the Soviet Union, with its domination of the Captive Nations perpetuated. [*You will note that as of this day (week) there are two more Soviet block nations who plan to effort to pull away--watch and see how it goes!*]

Secretary of State Baker was in Geneva on June 8, the second day of the three-day Bilderberg meeting, promising American dollars to Gorbachev and reaffirming U.S. abandonment of the Captive Nations. While it is known that high officials of the State and Defense Departments and the White House attended, it could not be learned if Baker was among the few arriving late, hidden behind a screen of guards. [*..or who was already in the building and kept from any contact with workers of the hosting hotel. I can reassure you that what and who you saw at the "victory" parade was NOT the most important replica of Bush and Quayle for they were also present in Baden-Baden!*]

The guards and all participants were instructed to respond to all inquiries regarding persons present, "I don't know."

This is said in German every time when the question is shouted in English, even by guards heard speaking fluent English.

Gorbachev, of course, wants to keep the Captive Nations enslaved as part of the Soviet Union. The United States is helping him by **taking the position that anticipated future billions of American tax dollars MUST GO TO THE KREMLIN TO AVOID THE "COMPLICATIONS" OF DEALING WITH 15 STATES THAT HAVE REGAINED THEIR SOVEREIGNTY.**

The Bilderbergers endorsed this sellout just days before America's annual Captive Nations Week, once the occasion for prayers for freedom of the enslaved peoples and tolling church bells.

End Quoting.

BUSY BUSHES

I think you should know that Mr. George Bush's private accounts and businesses are run in part by Prescott Bush, brother of President George. Please note that an investigation is under way in Tokyo because Prescott Bush is tied to the yakuza, a Japanese gangster group. Prescott Bush, who has **MAJOR INVESTMENTS IN RED CHINA--perhaps accounting for his brother's strong advocacy of most favored nation trade status for the communist slavemasters--** has links with Hodusho Sangyo, a real estate and investment company, which is tied to the Japanese underworld. So be it.

You think they just didn't know? Come now--they were notified weeks in advance on at least five occasions and finally daily prior to and during the meeting. Could something be rotten in the press and media? Seems to me these great insightful "leaders" of your wondrous nation are on the air constantly and even have elaborate forums on CNN and elsewhere regularly. This is such a tiny list it is sickening but it will give you the picture! Now America, you can sit and wait and, now, I believe you have to know that which is going to happen to you! You had best check your "rear" for you have had it exposed by the head in the dirt until it is in very bad condition.

AUSTRALIAN CATASTROPHE.

You sit rather smugly in America saying "...prove it to me with something else!" No, you now takes that which you sees for that's what you gets! Chaos is everywhere and desperation is tragic--you 'ones MUST share responsibility. While Lizzie and Maggie (Majors is nothing but a wimpy "yes-man") are sporting around to hotsy-totsy breakfasts deciding your fate, and attending the horses, in Britain's own

protectorates and colonies the people are in desperate straits.

On June 2nd Australian Farm protesters locked up the Agriculture Minister of the state of New South Wales in a desperate action to dramatize the impact of low wheat prices and the farm crisis. Farmers took the state official on a tour, ushered him into a shed, locked him in, buried the shed under loads of wheat, and held him there a few hours before releasing him.

Elsewhere in New South Wales, in one locale alone, seven farmers have committed suicide. Prices for wool and wheat--leading exports of Australia--are at levels so low that farmers are plunged into financial crisis. Protest actions have swept the country since May--the planting time for winter wheat in the Southern Hemisphere.

Ian Murphy, who runs one of the largest sheep stations in Australia, has just released a new call for emergency action, which begins with the headline, "I accuse the Hawke-Keating Socialist Regime..." and charges that the government is "promoting and forcing the New World Order onto farmers to control food and other agricultural product prices." Murphy demands "that federal politicians halt all home, farm, and business foreclosures by banks and money lending institutions."

You think "It can't happen in America"? Ask the farmers who have lost their lands! Ask the millions now in bankruptcy because of no jobs and no ability to make mortgage payments! You are in serious and irreversible circumstance and if you allow loss of your Constitution--pray for a quick end to your misery--AIDS and starvation is a very sad way to die.

Ask Ethiopians about starvation:

MILLIONS OF ETHIOPIANS TO DIE IN "NEW WORLD ORDER"

June 4: The peoples of northeast Africa are getting a taste of what George Bush's "New World Order" is all about. Under the orchestration of the U.S. State Department and with backup from Great Britain and Israel, the nations of the Horn of Africa are being split into small tribal and ethnic-based entities, and millions, if not tens of millions, are being sentenced to die by famine and disease.

A new era began in this region May 27, during U.S.-mediated talks in London involving the factions in Ethiopia's years-long civil wars. As the talks began, U.S. State Department Undersecretary for African Affairs Herman Cohen suddenly pulled the plug on the army-led interim regime in Addis Ababa, headed by Lt-Gen. Tesfiye, which had just taken power from the dictator Haile Mariam Mengistu. Cohen authorized the Ethiopian Peoples Revolutionary Democratic Front (EPRDF), based on the Tigray ethnic group to take over power, and gave the nod to the Eritrean Peoples Liberation Front to set up the infrastructure for "independence" in Eritrea. Tesfiye denounced the deal.

Cohen said he was acting to "stabilize" the situation, but that was a lie. Within 48 hours of his intervention, EPRDF forces had massacred demonstrators in Addis Ababa....hundreds died.

The preceding was a quote and I use it to ask you some questions. How is it that a man with an ethnic label of "Cohen" is running Ethiopia? Oh, yes, I now remember--there are a lot of "Jews" which are being efforted at removal to save them

and return them to Israel. How can this be?

Could it be that the Israelis are now going to have to admit that they are not Semitic people? You see, "Semite" means from the tribe of Shem. BUT--THE ETHIOPIANS COME FROM THE TRIBE OF CAIN--SO CANNOT BE SEMITES!!!! I suggest you start watching BOTH SIDES OF THE ISRAELI face masks or you are going to be HAD worse than ever before! The so-called Israeli Jews are not Semites and you had best harken up!

CALL BUSH THE STERILIZER FOR HIS CRIMES IN BRAZIL

Here is another good one: June 3rd: Just as the chairman of this Physical Fitness Council, Arnold Schwarzenegger, is known as "The Terminator", President Bush is becoming known in Brazil and elsewhere in Ibero-America as "The Sterilizer", because of *his role* in spawning and enforcing a depopulation program that ***HAS RESULTED IN THE STERILIZATION OF 44% (FORTY-FOUR PERCENT) OF BRAZIL'S FEMALE POPULATION.***

"There has been a process of mass sterilizations in Brazil and the great majority of those that have been sterilized are women between 15 and 54 years old, who don't even know that they have been sterilized," Brazilian Congresswoman Benedita da Silva said in an interview last week. "IT IS KNOWN THAT THE UNITED STATES HAD THE MAJOR ROLE IN INSTITUTING THESE POLICIES AND DEMANDING THAT THEY BE CARRIED OUT IN RETURN FOR AID," is the accusation! So be it.

PUBLIC SERVICE; WE
THANK YOU

We have received a document from one Edwin C. Hoelzen who manufactures Geodesic Structures, etc., in Arizona. He has efforded to get "editorial" information published and has encountered great difficulty and refusals. I believe we shall publish the material and I hope you all pay attention. ATTENTION! We thank you, Mr. Hoelzen.

I am annoyed by the Second Amendment Rights movement's UNDER-USE of its most IMPORTANT WEAPON in the fight against the Bleeding Heart Liberal Left and the NAZIS from the ALPHABET SOUP AGENCIES of the United States Government who would deny us our Constitutional Right to "KEEP AND BEAR ARMS". This WEAPON is the personal computer with a word processing program installed.

Unless those of you who have a personal computer act now, and use your weapon to protect your rights, YOU will ultimately be targeted for elimination because you own, or support the ownership of, firearms. Your elimination will not come from the mythological BATF or IRS agent kicking in your front door, but by the SYSTEMATIC INSERTION OF FALSE INFORMATION about you by the government into national databases, such as the NCIC computer, or the TRW credit reporting system.

What are you going to do when the COP who stops you for a routine traffic violation, gets the information on the computer screen in his patrol car that you are a convicted felon, wanted for shooting and killing police persons in three states, HIV (AIDS) positive, and "armed

and dangerous"?

The "New World Order" as promoted by the President will be upon us in 1992, "coincidentally" coinciding with the economic unification of Europe. "The New World Order Government of the Peoples Republic of America" has not considered several of the logical implications of declaring a large segment of it's otherwise law abiding citizens to be criminals under the "Brady Bill" [H.R. 7/S. 257] and the Violent Crime Control Act [Bush's Anticrime Bill].

After "The Government" has put a price on our head, what compelling interest do we have in NOT behaving like criminals? Guess who's INCOME TAXES will go up to provide the money to FINANCE our incarceration when we are caught?

I believe it speaks for itself!

BUSH BACKS
DEPOPULATION LOBBY

May 28th: The international neo-Malthusian movement has kicked off a new offensive to force massive reductions in global population, especially in the Third World.

New initiatives for dealing with the alleged threat of "overpopulation" have been put forth over the past several weeks by a wide variety of groups, ranging from official UN entities to private pro-zero-growth organizations.

The agenda for this latest assault on the human race is being set by the U.N., which has been playing an increasingly pivotal role in G. Bush's nightmarish "New World Order" since the Iraq-Kuwait crisis.

UN PROMOTES GENOCIDE

Two Key UN agencies, the UN Development Program (UNDP) and its affiliate, the United Nations Population Fund (UNFPA), have come out with reports this month insisting that population growth in the developing sector represents a major threat, and must be brought under control.

The UNFPA report laments that the world population rates continue to increase, and expresses particular dismay that "nearly all (95%) of this growth will be in developing countries." Instead of proposing development policies that would make it possible to accommodate these increased numbers, the agency calls for imposing "sustainable development"--a euphemism for zero economic growth--and says that such sustainable development requires a sharp decline in fertility. To achieve this, UNFPA recommends doubling the money spent on population control to \$9 BILLION by the year 2000.

A few weeks after the UNFPA study appeared, the UNDP published its "Human Development Report 1991", which 'was unveiled at a Washington press conference by UNDP administrator William Draper III. Draper is a close friend of President Bush; his father, William Draper, Jr., was not only a leading zero-growth fanatic in the 1950's and 1960's, but also endorsed the Nazi eugenics movement. Earlier this year, Draper III publicly stated that population control would be central to Bush's New World Order.

At his May 22 press conference, Draper claimed that population growth has led to a situation in which "the developing world is becoming a powder keg ready to

explode". Thus, Third World countries should spend their resources on population control, and not development programs.

Draper insisted that developing sector governments should stop spending money on what he called "extravagant prestige projects" (like the Aswan Dam), and instead focus on what he referred to as "the foundations of human development", namely, "primary education, preventive health care, and family planning". "This is where government is most productive. Not in mining, shipping, and building steel mills and cement factories," he said.

Draper called for realizing Bush's New World Order by embracing "a global commitment to building more caring societies" by focusing on several initial targets, including "access to family planning".

Contrary to Draper's claim that the UNDP wants to encourage Third World nations to put more resources into education, health, food, etc., its report stresses how to cut spending in these areas, suggesting privatization and cutbacks in food subsidies.

The report's key thrust, according to Draper, is its assertion that a "lack of political will--not financial resources" is the real cause behind "human neglect". If developing countries were to shift priorities away from "inefficient public enterprises", "prestige projects", and military spending, they could then "accommodate additional expenditure for human development" without foreign aid.

Tell that to the Third World countries which are currently spending a third or more of their entire GNP to service their **DEBT!**

Although Draper and the UNDP report alluded to the developing sector's huge debt burden--it now totals \$1.2 trillion, up from \$50 billion in 1970--as an impediment to progress, nowhere did they offer any real solution, aside from suggesting an inconsequential amount of debt forgiveness. Yet, it is this mountain of debt--not "prestige projects", or population expansion, or necessary defense spending--which accounts for the Third World's crisis.

THE ANTI-HUMAN COALITION

The private zero-growth apparatus is enthusiastically following the UN's lead. The day Draper unveiled the UNDP report, a coalition of environmentalist, animal rights, feminist, and population control groups held a press conference in Washington to "launch one of the most ambitious cooperative efforts ever undertaken to bring public attention to the devastating impacts of overpopulation."

More than 60 signers, including Paul "Population Bomb" Ehrlich, Linus Pauling, the Fund for the Feminist Majority, Dennis Hayes, the founder of "Earth Day", the World Wildlife Fund, People for the Ethical Treatment of Animals, and Zero Population Growth endorsed a "Priority Statement on Population" which claimed that the "increase in population and in resource consumption are basic causes of human suffering and environmental degradation and must become major priorities for national and international action."

The statement quoted George Bush's introduction to the 1973 book THE WORLD POPULATION CRISIS, in which he wrote that "one of the major challenges of the 1970's will be

to curb the world's fertility", and called on the President to "make population concerns a central focus of his foreign and domestic policy."

Spokesman Dale Didion said, "Now there are well over 5 billion people, the annual increase is more than 90 million, and George Bush is an international leader. We have lost much ground against overpopulation in the '80's; action is urgently needed."

On behalf of the committee that developed the statement, Didion transmitted a letter to President Bush stressing these issues.

So the plan is genocide, chelas, and you have to face the facts herein.

Dharma, enough for this sitting. I have committed to allow German audience and perhaps we shall devote the next couple of days to his work. I realize you have persons coming from a great distance to meet with me so we will have to work around the time element some way. I suggest that you get away for a while during each day for the long hours are taking toll. Thank you.

**PLEIADES CONNECTION
VOL. II**

By Gyeorgos Ceres Hatonn

The thought of God is LIGHT.

LIGHT is all there is. ALL springs from, and returns to, LIGHT, the thought of God.

The "War in Heaven for Men's

souls" between God and Lucifer, the Light and the dark forces, cannot be comprehended without an understanding of the "physics" of the Universe.

Returning to God requires rising above the physical so dark forces' thrust is ever to ensnare man in the physical, fleshly, "things" of "wealth" and "power" through man's ego.

Shedding our attachments to those physical things, and "highs" associated with sex, drugs, alcohol, thrill/life-risking sports (including war), etc., requires KNOWING that there is more--something better.

This book, a primer, provides the basic understanding of what we are, where we come from and return to, why we are where we are and for what, and how to get the most from this experience.

And, it will help you begin to free yourself from the density and negativity of this experience to take that next step to your oneness with GOD/ATON, the ONE LIGHT.

He includes many interesting comments about spaceships including certain specific frequencies pertaining to them and specific manifestations at certain areas of the earth grid system. Descriptions of their exterior and interiors are also given.

Some of the other topics he covers are: The importance of the new Challenger shuttle replacement - Robotoids, Synthetics and Neutrals - Little Gray Aliens - Continual Update on the Middle-East Situation - Bush and the trip to Paris which he denies - The purpose for the reported alien visit with Bush at Camp David - The history of money and why and how it has to be changed before economic and social problems can be solved - The plans for a new Central American canal using atomic explosions--SOON--and the severe consequences - 666 and the Bar Codes - An explanation of Creation, etc., etc.
