JULY 1991 VOLUME XV NUMBER 2

7/28/91 HATONN
SUNDAY

In the glory and splendor of this day, I am here. I may manifest as a Commander to your senses--I AM your friend and brother. I come with the Hosts sent forth by the Father, as the time of man's change is at hand. Will the change be toward deeper and deeper darkness or will it be toward the Radiance of infinite growth? Will man of Shan earth move into slavery or into freedom? Ultimately it will be through the thought projection of God as He measures your readiness for advancement or discerns that far more lessons are needed for your whole-ness.

I am going to categorize our overall task herein so that all may see. The order in which we have presented things may appear backwards to that which is ultimate intent of focus. God works in proper sequence to touch the critical points in the order that man can accept--first to his "senses", then on into the revealing of purpose of "man", direction of "man" and contact with God in KNOWING of that which is the functioning universe and God. We are telling you how and why the prior teachers came upon your place to take your hand

and show you the way in TRUTH into the Light of understanding. Brothers, it is time for the point of transition is upon you--you will either rise up in KNOWING or, as a species, you will return to the Dark Ages of oppression and ignorance. You stand at the threshold of glory or darkness.

As a portion of this notation, I wish to utilize this document as a response to one Dr. John Coleman of Bakersfield, California, for a letter has been brought to me for same. The letter came with several attachments--all of which are totally valid--all of which are in the forefront of disclosure. I wish to acknowledge the truth of this man's presentations and yet, we cannot use the material nor give sanction unto the person at this juncture--without an understanding regarding our thrust.

Our ONLY **ACTUAL** intent is to bring the Truth and substance of God and eternal life unto man, who has long since forgotten his origin and his path into immortality. The species upon Shan earth is now moving "backwards" instead of ahead in spiritual Truth. You are in the reign of total evil upon your place. Man has produced the evil--for it is not of God in the

same way that "man is a creation of God". The point of this journey is to grow in realization and consciousness to the relationship of the dwelling within man of God. This makes man a co-creator with God but this is not allowed to blossom as long as man only manufactures evil in his intent. This is the purpose of the Pleiades Connection **JOURNALS**. I care not what else you "think" you have that explains God and universe--thus far, you have it NOT on your planet--this is that which is coming forth now.

We have no interest in the stupid and heinous games of man upon your place--ours is to bring TRUTH unto a sleeping civilization--awaken you to your plight and show you the way out of your predicament.

We have no desire to be "first" with hot headline revelations--we need none of your publications of any kind to either give us information or reveal anything--it is all on our scanners before there is action regarding incidents on your physical manifestation. **YOU, AS PHYSICAL BEINGS JUST AWAKENING--DO! YOU NEED CONFIRMATION AS PRESENTED BY THOSE ONES**

YOU HAVE APPOINTED AS EXPERTS--OR, WHO HAVE PRESENTED THEMSELVES UNTO YOU AS EXPERTS. Next, we need the information in publishment to keep our team workers alive and functioning. The effort is constant, not only to discredit the work but to literally remove the physical beings--we are not in a popularity contest and we have to get man's attention so that he will listen when the important documents concerning his eternal existence are available--THAT IS OUR MISSION.

In between here, tucked behind the political veils of corruption, is a drastic push to take and invalidate the U.S. Constitution so that all rights are legally removed from the citizens. If America falls--so shall the world. There will be economic collapse and chaos at any rate for the string is almost unstrung and it will be a deliberate attempt to gain final total control of the world, by the Elite Cartel. If you have a helpless and uninformed public then the enslavement is total.

Now, AS GOD, I tell you that if you continue in that path as now seemingly chosen--you will march into total destruction. The masses of man will be allowed to flow into the abyss as they choose and the journey will be again into darkness--with several heinous wars--then mankind will perish in the radioactivity and barrenness of that which he has wrought forth upon My perfect Creation. A remnant will be lifted off and into security to reclaim and carry on the species into a new land and placement--these will be the ones who come into understanding and TRUTH--not

a bunch of responsibility escapees through blood letting and Christ usurping. There WILL BE NO RAPTURE AS YOUR EVANGELISTS OUTLAY IT FOR YOU. There will be a remnant taken into the safety of Cosmic Flight Command. Now it is time you ones open your eyes and use REASON!

If you can turn your planet around, you will be given the information for neutralizing the poisons you have established and you will be given information and technology for reversing your plight. It is NOT, however probable that that will be fully accomplished. We are prepared to remove all into safety who have intent of Godness within them and who will return into and within the LAWS OF GOD AND THE CREATION--INTO BALANCE--which is being explained IN MINUTE DETAIL AND PROOF THROUGH SCIENTIFIC ACTION UNTO YOU IN THESE JOURNALS UNDER PREPARATION.

Now for Dr. Coleman. Please accept our humble recognition of your work--but your intent and energy is being so absorbed in distractions that we cannot openly give honor and utilization in the media of the *EXPRESSES*.

You see, we care not who presents Truth--first, last or any way. Truth is Truth is Truth and I'm sorry, sir, plagiarism plays no part in bearing TRUTH.

As ones have sent some of our documents unto this friend--oh indeed, yes he IS, and he has commented--I will share with you in response,

sir. It is no accident that you received the June issue (6/23/91). I have long waited for you to reply to my nudges--it was months and months ago that your work was physically brought to our attention. However, it is not in our intent, whatsoever, to be distracted by physical ego manifestations--you are a "done-in" planet because of ego entrapment. We are interested in awakening the people and saving the Constitution, getting America turned around and ultimately come into Cosmic Brotherhood and working relationship--through information and enlightenment. It is our appointed mission for we are a more advanced civilization than are you and function totally within the Laws and direction of Creator/Creation. We are sent directly as "Hosts" and we have ones placed on your Earth as receivers and workers. We have no purpose regarding your Earth other than as the planet itself is concerned and the civilization of man upon it. There is no force nor coercion in God--God Gives, God does not Take. Man TAKES and rarely, rarely GIVES.

Dr. Coleman, may I share a few facts with you which may place a bit of light upon that which happens with your work? I come from higher resource and can have objectivity. My scribe has not been privy to any of your work so there is no input from that source so our conversations can be without possibility of input other than mine at this writing.

Yes, people are a bit jealous of your work. However, it is not jealousy which causes them to use your work as

their own. What has happened is that you have played into the hands of the adversary, totally; hook, line and sinker as the case is. You see, they know you cannot sue them all--AND FURTHERMORE, IF A PROJECTION BE TRUTH NON-FICTION--YOU HAVE NOT A LEG TO STAND ON IN A COURT OF LAW. Therefore, if it can be observed that you fit into the category of objective truth-bearing, your work will be utilized under any and all circumstances for whatever might be the purpose at hand--either to whet the appetite for more in order to give the next course with poison and disinformation--or with total intent of opening minds to the facts.

I give SPOTLIGHT credit for that which they project in truth--no more and no less. I have a good working relationship in use of their material. If I use material I always give credit for source--THAT IS SO THAT THE POPULACE CAN GO AND GET CONFIRMATION OF WHAT WE BRING--MAN CAN NOT ACCEPT THAT INFORMATION FLOWS OTHERWISE. I care not what earth resource; as it becomes proven through the actions in front of man--he WILL wake up!

If you would have been exposed to ALL of our work you would find that I do not actually sanction all of SPOTLIGHT's presentation. Why do you think they are still around? They are a tool of the Elite--very Khazarian in intent and purpose. This becomes the most dangerous publication of them all for man is first trained to trust them and then they can begin with the lies to accomplish

their own intent.

If, however, they do something worthy, God will utilize the organization thereof. It is as with the Liberty Lobby--there is much GOOD--there is a lot quite AWFUL. And what of the POPULIST PARTY? What indeed? It is lacking in so many ways that it is improbable to help AS STRUCTURED! BUT, WHAT ELSE DO YOU OFFER? YOU MUST HAVE A JUMP-OFF STARTING POINT FOR YOU HAVE A LONG WAY TO GO AND GOD WILL WORK WITH YOU--HE WILL NOT DO IT FOR YOU. Man will tend this or it will not be tended, and further, if man wants off the prison grounds--he will choose to work within God's Laws and recognize God for that which and whom He IS.

Now, let us look at your response letter and check it against that which I just said. I find no acknowledgement of God, at all, in your writing. This is just a for instance. I find words upon words filled with accusations against just about every publication and journalist in the nation as to your being "first"--right down to the counting of days and places. Sir, they laugh at your documents and throw them out. SIR, "FIRST" IS NOT IMPORTANT, DO YOU SEE? TRUTH IS IMPORTANT. This is THE WAY the adversary attacks by sidetracking the bearer of Truth to render him ridiculed and used until you finally cease and desist in your work. Please do not come to that point--and yet I know that you are almost there and hence, this writing.

I do not promote SPOTLIGHT except as a resource

and tell our readers as much--but I do honor that which they do in Truth--and what other resource of such publication numbers do we have with which to work? INSIDER REPORT cannot match the numbers of people reached by SPOTLIGHT, nor can THE PHOENIX EXPRESS. I care not about the EXPRESS--my thrust is to awaken the people so that they search out the TRUTH through the JOURNALS.

I have a fine and close relationship with Col. Gritz and quite a few other top persons in your government and military circles. It appears if the Col. is finally willing to step forward against the bullets--he would have a real chance of winning an election for the Presidency--IF YOU THE PEOPLE IN THE TRAP WOULD LAY ASIDE YOUR BICKERING AND SUPPORT THIS CAUSE WITH ALL YOU HAVE TO OFFER.

Another reason I only now contact you is that this little group has no resource to adequately pay for information--especially when we NEED NO MORE INFORMATION--ONLY A BIT OF CONFIRMATION MATERIAL FOR OUR READERS. To keep my scribe alive (for she has been literally put into cardiac arrest some half-dozen times in this past 18 months with blow-out of the computer systems and all electronics in the place) I always insist that somewhere, someone has knowledge of an incident through leakage, etc. This way, her life is less jeopardized--WE ARE NOT IN THE FORTUNE-TELLING BUSINESS NOR PROPHECY BUSINESS--WE WORK ON PROBABIL-

ITIES OF INFORMATION
SCANNING AND FULL
COORDINATION WITH
THE HIGHER SOURCE.
Man MUST come into his
consciousness from his own
experience and NOT
THROUGH FORTUNE-
TELLING MYSTICAL
GARBAGE. GARBAGE IN-
-GARBAGE OUT.

We are now confronting
man's divinity and immortal-
ity into an infinite universe.
Man on Shan planet is still in
infancy--primate level of bar-
barianism. That is the way of
the cycles and this is the time
of the cycle evolution wherein
man can become enlightened
into Cosmic Consciousness in
the New Dawn of Truth--or,
he chooses his path into
deeper darkness as the EF-
FECT of his own CAUSE in
action.

We are completely (100%)
totally Spiritual. We are
completely (100%) totally
NON-RELIGIOUS! The one
you called Christ--travels
with ME! He has come again
according to his promise and
in evolvement into his status
as Sananda (One with God in
totality) and several other
"Christed" Brothers are pre-
senting the work and WORD.
It is not strange nor mystical--
we are sent at this time of the
return of God unto his Cre-
ation in form. He has ever
been thusly within each--so
He doesn't have anywhere to
come to--from. But the
Brotherhood of manifested
brothers from other mani-
fested placement in the Uni-
versal Heavens are the Hosts
which can be accepted (or de-
nied) by earth physical man.
It is not our business, either
way, except that this is our
purpose of manifestation and
we have nothing but Love to
offer you--for GOD IS LOVE

AND GOD IS THE WORD
AND THE TIME OF
RECLAMATION IS AT
HAND!

You note that SPOTLIGHT
refuses your display ads and
Valentine won't have you on
his show, etc. You are in ex-
cellent company--neither will
they accept ours. Ones such
as Larry King on the con-
trolled media only acknowl-
edge in order to discredit and
destroy any other than their
own inside dealers. I can
give you a bit more interest-
ing insight--as much as they
SEEM to approve Gritz--they
will not accept his ads any
more, either. Even he
doesn't realize this.

Now, it is hard to project
what they would do if you
called with a Gritz ad on the
morrow--for they follow the
EXPRESSES word for word.
As my scribe types--EV-
ERYTHING flows into the
CIA computers, the center at
Edwards, etc. Sometimes the
better part of the undercover
game is to allow enough to go
out to entrap the readers and
keep the "people" off their
backs.

The Mossad element and
undercover group are masters
at deceit as they serve totally
in service to that which is the
anti-Christ movement in ev-
ery manner. They are a part
of the Elite Cartel but that is
NOT their thrust--they just
happen to utilize the tool of
that connection--just as the
Elite Banker Cartel thinks
they are using the Mossad
and Israel as tools. When
these two "blow" it will be
one to end them all, brothers.

I am confident that you have
many readers of the INSIDER
REPORT who wouldn't look
at another publication for they

wouldn't need to--for truth in
world information. Well, we
have some who won't change
from the PHOENIX EX-
PRESS and some who
wouldn't move an inch from
ON TARGET by Col. Davis.
And then there is Gen. Mohr
and others, many others. Is it
not time we joined hands and
gave the nation something
REALLY worth viewing?
Without exception, in the pa-
pers which flow to my atten-
tion, ones stand forth and
claim to be "born again" or
"believe on Jesus Christ",
etc. But they do not even
know that of which they
speak and less, they act not
within nor according to God's
Laws--and I speak not of
Biblical projections--I speak
of God from whom the Laws
come and they are quite well
presented in most un-
derstandable form and yet,
man breaks them all and votes
them in and out like a politi-
cal opinion.

Brother, you speak of spend-
ing money, if you had it, on
exposing the charlatans.
Why? If you spent the money
into positive spreading of
Truth and ignore the bullies,
the reward would be the ex-
posure of the charlatans--they
would fall of their own de-
ceit. You know that I am
who I say I am and your UFO
research is quite good so we
understand one another--but
sir, God shall take second
seat to none! Further, when
in balance with Cause you
would not choose it.

We will work with ones
whose intent is correct and if
the sequence is appropriate--
we do not give details often,
of specific disclosures by the
dis- mis-information groups
because it is a foolish waste
of time--the facts will reveal
the lies. However, the plan

of the Puppet-Masters is to set up more and more incidents wherein they can blame Space Command for various and sundry heinous incidents. Things are being set up right now to "acknowledge" under "duress" that there is an alien presence--"who has been destroying missiles and shuttles" and there will be a follow-up with bombing staged by the military in conjunction with the Russians utilizing earth-made weapons and spheres. This will be the "proof", they will say, of hostile aliens. Be prepared for terrible incidents in effort to unify and pull together the planet into this Global government.

Will we of the cosmos interfere? NO. It is your mess; you will tend it. We are allowed intervention only in a few areas and those all center around EFFECT on the universe and the functioning order thereof--I can only ask that you read the JOURNALS for I have no intention of repeating some 35 books and over 8,000 pages of information given you ones in less than two years. My scribe is weary unto exhaustion and she must also be my speaker/receiver.

The last statement was for purpose. We have no "meetings" as such--we are not an entertainment "group". We do meet for specific reasons and business instructions, etc. You are most welcome to join us--I honor you and would be honored to have you come and join with us for discussion. I know that there are visitors coming on the Tuesday next and there is a planned debriefing meeting with George who is returning this day from an outstanding gathering.

At this point I make no pre-arrangements for my own meetings as "audible" exchange because my translator is under constant surveillance and it is not safe outside my direct security shielding. I do not, however, hesitate to join ones in restaurants or wherever if the circumstances are of secure and controlled manner.

We welcome the surveillance as is given us--in every fragment of your work for we are not subversive in any manner whatsoever. Some of our most precious workers come from the surveillance teams--**THEY DO NOT HAVE PASSAGE TICKETS INTO THE INNER SHELTER SYSTEM, EITHER. THEY ARE AS, OR MORE, IGNORANT OF THE CURRENT TREASON IN YOUR NATION AS ARE YOU-THE-PEOPLE.** They will die just as all mortal men will die and they are among the first targets--therefore, I welcome their surveillance. Moreover, it is dangerous for them to even consider taking-out my people--for the retaliation is far more incredible than that which they can do to us. That is in no manner a "threat"--it is simple FACT.

I offer my hand in friendship and I salute you. I believe that our disagreements are indeed small and I would be most pleased to entertain your presence.

I would say in advance: We are here to PROVE nothing for we need PROVE nothing. It is time earth Shan man begin to prove something to God. The PROOF is all around you! I do not play silly games and test and run--I repeat: I HAVE NOTHING TO PROVE! I do not do lit-

tle miracles for children's confirmation--but I do allow you your own confirmation in a way unknown to any other in the room--so be it. I am very apt to play your own game of "lets see if he is real, I'll use an alias or something and 'catch' him..." No; won't work--I don't care what you call yourself--if you present to me and call yourself Jesus Christ then I shall be most happy to call you Hesus. I am not interested in any of your Human Physical aspects except as it impacts universal man. You see, when all is understood--we are all ultimately ONE and that means that until all the fragments are whole--I am not whole. You are not given to full understanding of that statement--yet--and I am, therefore it behooves both of us to lay some ground rules lest we waste time in the dancing. I am exactly who I say that I am--I am Aton.

I come as Commander Gyeorgos Ceres Hatonn for a very specific purpose and reason. You of earth ARE NOT THE PRIMARY FOCUS OF THIS TRANSITION AND YOU MUST LIFT YOUR VISION HIGHER LEST YOU MISUNDERSTAND. Salu.

Oberli, I ask that this be gotten to P. that she can relay it someway to Dr. Coleman prior to Tuesday. If the meeting must be called off in the afternoon leave contact information so he does not travel uselessly.

I will not take more of Germain's time at this sitting but I want to refer to a letter received some time ago and we still have not adequately responded. It was from S.H. in Maine. He asked about U.S.

stamps as holding value, etc.

Nothing will actually hold its value in the long run. For a while minted coins will be useable even if the paper currency is pulled.

It is logical to consider "stamps" but here is what you have as possibilities. They will devalue also--even if it be as gold in depression--in other words, a stamp may mail a letter at whichever monetary value but other than that it will have little value. Next, the cost of stamps for mailing "mail" is illegally rendered and a few are actually finally getting mail through on a 2 cent stamp. This will be a worthy case for the Law Center as you get started.

As for his other questions, I cannot outlay definitively, all the answers for as I stated above, we are considered dangerous to the system above all other publications. If I give you a definite statement, even if planned for tomorrow, it might well be delayed--I will only give you generalities and then suggest you read someone's newsletter who may be giving the correct information--at this point all other publications are not comprehensively on track.

Regarding the Nevada Corporation, etc. That is for privacy. If you have no "funds" to speak of, it matters not about the corporation. These things which I offer as privacy and methods of management and removal in part, from the devouring system, are suggestions. There will be no PERFECT way for you can see, already, the states are going to now eat your lunch--in California they are

even taxing newspress--an unheard-of Constitutional violation. And yet, if you want the paper--you have to pay the tax, so, it is up to the newspaper people to refuse to pay the tax. But YOU must demand it. It is one thing to tax Twinkies but quite another to do such a thing to your news resource, even if it be neither news nor resource. All is a "nibble" tactic to gradually render all of you totally helpless and it will get worse and worse and worse.

A suggestion for any of you who tend to think that even the "food stamps" might retain some value. No, if the time comes, the stamps will simply not be honored. Precious ones--YOU ARE BANKRUPT AND THE CARTEL BANKERS OWN THE WORLD! HEAR ME! YOU ARE OWNED! YOU ARE ALREADY THE SLAVE! MILLIONS ARE UNEMPLOYED AND THERE WILL BE NO JOBS TO GO INTO--YOU ARE BANKRUPT AND IN A MASSIVE DEPRESSION--YOU ARE DEAD AND HAVE CLUNG TO THE LIES TO KEEP FROM ROLLING OVER! DO YOU HEAR ME? IS THERE ANYONE IN THERE? IS THERE ANYONE OUT THERE? YES INDEED!

Now for the shocker--it will only be through a return into the Laws of God and rightness, brotherhood and unity under your flag and nation UNDER GOD, which is your ONLY way out of this trap. Harken unto me, children--I offer my hand in love and I will walk every step of the way WITH you but I WILL NOT do it FOR you!

I would suggest that the Susan

Anthony coin will go in proportion to all coins. If it would be silver it would retain value of silver--since it is not, it will retain relative value according to the other coins minted by the government instead of the Federal Reserve.

For information only--the big boys are having a terrible time pulling off the currency switch for it is entangled incredibly in the foreign markets--it simply is not as simple as they had thought because the people are beginning to wake up and the shams are just not as easy to pull off.

The one thing the Elite did not consider carefully enough and that was what would happen if the PEOPLE WOKE UP. The training, programming and disinformation would be to no avail if God entered the picture--AND GOD HAS ENTERED THE PICTURE. YOU SEE, WHEN THE GOING GETS REALLY ROUGH, AND IT HAS AND IS, MAN INVARIABLY TURNS BACK TO GOD BECAUSE HE PERCEIVES NO OTHER WAY TO GO (FOXHOLE ATHEISTS?). THEREFORE, WHEN MAN TURNS UNTO GOD--EVIL CANNOT SUSTAIN ITSELF AND THEREIN, DEAR ONES, IS THE SECRET OF THE UNIVERSE AS TO POSSIBILITY AND PROBABILITY OF CHANGE. IT IS UNFORTUNATE THAT IT IS THIS WAY--BUT MAN HAS BROUGHT IT TO BE THIS WAY. YOU CAN CHANGE IT IF YOU WANT TO!!!!

Good day.

OUR NEWEST JOURNALS

MURDER BY ATOMIC SUICIDE

Technical And Spiritual Disclosure Of The Secrets Of How, Why, What, Where, When And Who Of The Universe And Its Functional Projections
PLEIADES CONNECTION VOL. IV

By Violinio Germain & Gyeorgos Ceres Hatonn

ATON (GOD) gives us a very special 28 page introduction in this 33rd book of our PHOENIX JOURNAL series.

This book is a very special book for it tells us the minute details of what radiating atoms really are (NOT WHAT MOST OF OUR SCIENTISTS HAVE BEEN TELLING US) and why in particular certain atoms are to be left in their natural state within the ground or we and all living things on this planet will die as a result of our violating nature's processes of preparing a planet for life as we know it.

Germain tells us of several actual nuclear plant melt-downs and how the hosts (stationed in star-ships above us) brought them under control to save Earth from destruction, WHILE RISKING THEIR OWN DESTRUCTION.

GERMAIN ALSO EXPLAINS IN DETAIL THE SUPREME MYSTERY OF LIFE AND DEATH, AND DEFINES GOD IN DETAIL.

The nuclear contamination problem is detailed and **our only method of solving the problem is given.**

Included in this book are several charts and many figures to help the reader to understand these concepts, THE MOST IMPORTANT CONCEPTS EVER GIVEN TO MAN BY GOD (ATON)!

Hatonn also keeps us well informed about the details of the political, economical and geo-political happenings and the **TRUTH** about what is taking place on our Mother Earth, which the Elite try to keep well hidden.

I AND MY FATHER ARE ONE SECRETS OF UNIVERSAL ORDER; ETERNAL QUEST OF MAN

PLEIADES CONNECTION VOL. III

By Violinio Germain & Gyeorgos Ceres Hatonn

Jesus, Esu, Sananda gives us many corrections to part of His life story, as written in the Bible. He includes the truth about His crucifixion.

Sananda gives us details of the deceptions of the "New Age" even to the point of staging a simulated second coming of Christ. If their script is successfully staged even the very elect could be deceived. BEWARE! He

tells how to recognize the real Christ when he appears.

We are given a very important lesson on holography and its use for deceiving the seekers.

Soltec gives us updated information about the volcanos, earthquakes and other earth changes and how they are tied into the political and economic situation.

Germain continues with his detailed description of how God creates all from His sex-divided Light.

He gives us details about what electricity, magnetism, gravity, heat and cold actually are. If our scientists would put this knowledge to use for the world's benefit we could have HEAVEN ON EARTH.

It is explained how the Creator uses electricity to create.

Germain helps us to understand God by defining God, and explaining in detail how God creates.

Details of the equipment Rife used for medical purposes is described.

This text contains many drawings and some charts to help everyone understand creation much better.

REALITY

Reality is what we take to be true. What we take to be true is what we believe. What we believe is based upon our perceptions. Our perceptions depend upon what we look for. What we look for depends upon what we think. What we think depends upon what we perceive. What we perceive determines what we believe. What we believe determines what we take to be true. What we take to be true is our reality.
