8/12/91 #2 HATONN

Hatonn returned in Light. We were speaking of the "Revolutionary Community".

Still another student, James Simon Kunen, in his book entitled THE STRAWBERRY INCIDENT, tells about an SDS strategy meeting he attended in which a student was giving a report on an SDS convention that he had recently attended. The student reported that "...men from Business International Roundtables,...tried to buy up a few radicals. These men are the world's industrialists and they convene to decide how our lives are going to go. They're the left wing of the ruling class. They offered to finance our demonstrations in Chicago. We were also offered ESSO (Rockefeller) money. They want us to make a lot of radical commotion so they can look more in the center as they move more to the left." I want you to take note of the number of organizations for saving the environment that have been taken over by Rockefeller money--i.e., Winstar is a good one to begin with--it is now fully operational under the Rockefeller banner--no longer, John Denver. David Rockefeller is the only non-white member of the Board of the National Native Museum in the Smithsonian group--you will find the Illu-

minati in every "Green" and "Protest for Peace" group with the thrust on civil disobedience and protest--no positive action--just "insured" protest and confusion rousing.

Even the Black Panther leader, Eldridge Cleaver, started to figure it out, that the wealthy were buying themselves a revolution. Mr. Cleaver wrote in Rubin's book: "There is a danger to the healthy development of the American Revolution in the fact that often revolutionaries *are manipulated by the ruling class to appear to be a bigger threat than they really are.*"

Rubin further amplified Cleaver's thoughts about how the Establishment made the revolution appear to be larger than it actually was. In chapter ten of his book, entitled *Every Revolutionary Needs a Color TV*, Rubin states, "Walter Cronkite is SDS's best organizer. Uncle Walter brings out the map of the U.S. with circles around the campuses that blew up today. The battle reports. Every kid out here is thinking, 'Wow, I wanna see my campus on that map'. *TV is raising generations of kids who want to grow up and become demonstrators. Television proves the domino theory: one campus falls and they all fall. The media does not report news, it creates it.*"

But even though it appeared that the Establishment would not be able to gather an army big enough to disrupt the Bicentennial, the plans continued.

In 1971, an organization was formed that later changed its name to the People's Bicentennial Commission (the PBC). Jeremy Rifkin became its director. Yes, dear ones, I certainly do **HOPE YOU ARE RECOGNIZING THESE NAMES.**

Later, the Senate Internal Security Subcommittee investigated the PBC. They reported: "The *New York Times*, for example, on May 26, 1975, carried an article by Rifkin on the subject of economic freedom. This article was basically a rewrite of the PBC's declaration of economic independence which calls for the elimination of the free-enterprise system or the 'corporate system', as they call it."

Rifkin had made his views known to the public when he wrote the following in a radical newspaper in November, 1971: "A genuine understanding of the revolutionary ideals is what links Thomas Paine, Sam Adams, Benjamin Rush and the American people with Lenin, Mao, and Che, and the struggle of all oppressed people in the world."

A further warning that the nation appeared to be preparing for trouble on July 4, 1976, was given by FBI director Clarence Kelly who reported on Nov., 4, 1975, that: "terrorism will increase in connection with the nation's Bicentennial celebration."

The PBC continued, however, with its plans and issued an eight-page tabloid newspaper calling for 150,000 patriots to join with them in Washington D.C. on July 4, 1976, to "Declare your independence from big business". They advised the reader that the PBC was "planning a birthday party America will never forget."

Other individuals lined up in support of the PBC declaration. The tabloid reported that Rubin, "Hurricane" Carter, Jane Fonda, Rev. Jesse Jackson and Dr. Benjamin Spock, among others, would be speaking at the PBC rally on that day.

The costs of these activities were being met, at least in part, by the Establishment. The federally funded National Endowment for the Humanities provided the PBC with nearly \$400,000.

But the PBC did not make much of a ripple on July 4, 1976, as it was unable to draw nearly the number of people it would have taken to cause the incident that the Establishment wanted.

NEW CONSTITUTION/CONSTITUTIONAL CONVENTION

In addition to the plans to disrupt the Bicentennial, there was a movement inside the U.S. to call a constitutional convention. One of those urging a re-write of the Constitution was Zbigniew Brezinski, who wrote the following: "The approaching

two-hundredth anniversary of the Declaration could justify the call for a national constitutional convention to re-examine the nation's formal institutional framework. Either 1976 or 1989 could serve as a suitable target date...."

Confirmation that something was planned to happen was supported, in part, by the John Birch Society, which printed the following in the October, 1977, *Bulletin* to its members: "There came into our hands several months ago, through the kindness of some friend who evidently wanted to remain anonymous, one of Clarence Douglas Dillon's thin papers that apparently are quietly issued now and then to members of the echelons below him, who need such information and guidance as a basis of support."

The Birch Society reasoned that whatever Mr. Dillon knew was important enough to be known to those who were trying to expose the Conspiracy. Mr. Dillon, they reasoned, was one of those who should know the plans of the conspiracy, as he was the head of the international banking firm of Dillon, Read and Company, and Chairman of the Rockefeller Foundation. In addition, Mr. Dillon had served as Secretary of the Treasury, certainly one of the positions in the American government controlled by the Rockefeller interests, for a period of four years in the Kennedy and Johnson administration, as well as being a member of the Council on Foreign Relations.

Dillon's letter revealed two important facts: "One was that up until about 1970 many of the Insiders (although he did not call them that) had kept on hoping to make 1976 the successful target date for the ceremonial inauguration of their **NEW**

WORLD ORDER. But, Dillon then proceeded to point out, by 1970 this schedule had been conceded by the top command to be impracticable. And he went on to lay down the new schedule, already in effect, which would require about fifteen years for completion." **DOES THIS NOT GIVE YOU GOOSE-BUMPS ON YOUR HIVES?**

This meant that the Conspiracy was planning for something to occur on or about 1985, fifteen years, give or take a year or two, from the change in their plans in 1970.

The specific date of 1985 seemed to be in accord with the date being given by the Russian Communists. For instance, Soviet Communist Party Chief Leonid Brezhnev, in 1973, said this about the year 1985: "We Communists have got to string along with the capitalists for a while. We need their credits, their agriculture, and their technology. But we are going to continue massive military programs and by the *middle of the eighties we will be in a position to return to a much more aggressive foreign policy* designed to gain the upper hand in our relationship with the West."

He was more precise about the choice of years in a speech he made in Prague in 1973 to the Warsaw Pact leaders: "*Trust us, comrades, for by 1985, as a consequence of what we are NOW achieving with detente, we will have achieved most of our objectives in Western Europe. We will have consolidated our position. We will have improved our economy. And a decisive shift in the correlation of forces will be such that, come 1985, we will be able to exert our will wherever we need to.*"

Now it would appear on the surface that this did not occur--OH YES IT HAS AND DID! They are getting exactly that which they want from the West in every facet of activity including food stuffs and economic backup--even to the moving of industry from the U.S. into the East Bloc nations and Russia proper. AND JUST "WHEN" DID THIS DANDY LITTLE GORBY AND GLASNOST ENTER THE PICTURE? I THOUGHT YOU MIGHT SEE A BIT MORE CLEARLY, THE HANDWRITING.

Breshnev didn't say just how they were going to exert their will, but one version of what they might attempt came from Barry Goldwater in August of 1971 and ran in the *Los Angeles Herald Examiner*, which headlined the article: "**Goldwater Warns of Nuclear Blackmail by Russ.**" The article went on: "Senator Goldwater said Saturday the world balance of power has shifted to the Soviet Union to such an extent that international nuclear blackmail is no longer impossible. The only conclusion is that the Soviet Union is out to establish a strategic military superiority so vast that it cannot be challenged and so that any policy the Soviet Union may decide upon can be backed with overwhelming strength." This is so--the Cosmospheres alone give them dominance if there were no other arms involved.

So, the Russians, who have been slowly but steadily building the most potent military machine in the world and a nuclear superiority over the forces of the free West, (with the assistance of the United States), could threaten the United States with a nuclear war. This would force the American government into a position of having to decide whether they wished to go

to war or accept some Russian ultimatum. The Russians are effectively holding in check that which the Global Elite had in mind for obliterating Iraq--again.

This is why the intent to have a first strike against the Soviet Union in September (17), 1982 was planned. The only hope for averting annihilation of America is to have a first strike by surprise, allowing, hopefully, enough damage to cause inability to retaliate with full force. The plans have never changed--only the target dates as they are uncovered and made public. You are so close to all-out nuclear world war this day that you should be able to feel the radiation in your very pores.

It was so open in knowledge to your own military and government leaders that "pretend" scenarios were worked out, etc. The entire Middle East/Iraqi situation was worked out years before the invasion of Kuwait. That was just one more scene in the play as orchestrated. There poured forth warnings that the U.S. had been so strategically depleted to the point where it would be in grave danger. One such warning came in 1980 from FIFTY RETIRED ADMIRALS AND GENERALS who warned that America was "in greater danger today than at any time since Pearl Harbor".

Henry Kissinger went on record at the time as saying that it was too late anyway, and that the U.S. should get the best deal it could in the struggle against the Soviet Union. In 1976, when Kissinger was Secretary of State, nationally syndicated columnist Cueneo wrote:

Unimpeachable sources state that Dr. Henry Kissinger's model has shifted from 19th century Metter-

nich to 20th century Spengler.

What that meant is that Kissinger has abandoned the Balance of Power policy to accept Spengler's position that the West is through and must accept a subordinate role because it is useless to resist the 'wave of the future'.

The 'wave of the future' of course means Communist ascendancy.

Kissinger's new position assumes that the American people do not have the courage or the strength to stand up to the communists if it means war. [Well, I'd like to know how you could keep enough people alive to stand up at all with no shelter systems.]

Therefore, Kissinger is attempting to get the best terms possible as a competing world power.

It fits that the American government was being maneuvered into a position of not having the ability nor the means to resist Communist pressures so that, when the Russian government threatens America with nuclear war, the American people will demand that their government accept ANY solution other than a war. The American president will ask the Russians if there is any option they will accept other than nuclear war. Their response will be that the merging of the two countries into a world government will suffice, and the American people will breathe a sigh of relief when their offer is accepted by the American government. AND WHERE DO YOU THINK YOU ARE NOW?

Only one additional item would be needed to make the scenario and theory really come off. That would be a president that would not be afraid to stand up

to the Russians, even though he knows that he does not have the military means to succeed. He would have to be a Republican who has long stood up against the Communists, one that would have sent military troops into a small island (Grenada?) when he believed the nation was about to go Marxist. He couldn't be a member of the Democrat Party which has been consistently against any confrontation with the Communists on a face to face basis.

It appears that the Americans are playing two sides of the same coin: appearing to get tough with the Russians, and then not having the ability to withstand any offense put forward by the Russians. I believe that your visible handshake between Bush and Gorbachev on the NEW WORLD ORDER should have told you a lot more than you seem to realize.

There is another piece of the puzzle which fits the fact that America was being told at the time that the government did not have the military or nuclear power to compete with the Russians in a military showdown. One evidence of this strategy was revealed in an interview with the late (sic, sic) John Tower, Chairman of the Senate Armed Services Committee that reaffirmed the position of the retired admirals and generals who felt that America was in serious danger because of its reduced military strength. The headline to the article read: "U.S. Faces Nothing Less Than Military Inferiority." Do you still wonder WHY Tower was killed?

That article showed how dangerously behind the U.S. was in the numbers of bombers and missiles, warheads, and estimated megatonnage of warheads. It did not however, divulge the

facts of the hidden and clandestine equipment stashed everywhere around the globe.

From this point on in the scenarios as presented to the public became more and more fantasy while the real Elite powers were pulling off massive subterfuge under-the-covers.

One major thing happened very openly, however, which has doomed your Constitution for all practical purposes. On June 19, 1978, President Jimmy Carter, by an unconstitutional Executive Order, created an organization known as the Federal Emergency Management Agency (FEMA). This organization is a civilian agency which has the capacity to administer a **TOTALITARIAN GOVERNMENT IN THE EVENT OF DOMESTIC OR INTERNATIONAL CRISIS.**

LAY IT OUT AGAIN

FEMA has the authority to:

Relocate millions of workers, reorganize national industry and banking, and distribute all economic resources and transportation access;

Operate every level of government, through personnel currently in place throughout Washington and the rest of the country;

Institute total energy rationing; and

Order mass evacuation of residents in the perimeter of nuclear power plants..

Do you not think it conveniently coincidental that the Three Mile Island incident occurred **JUST ONE DAY** after FEMA became operational? There was such an atmosphere of panic and evacuations that at that point FEMA would have been given authority over ALL OTHER FEDERAL, STATE AND LOCAL GOV-

ERNMENTAL BODIES. (With possible exception of the "Governor's" office.) **WORSE, THE ACT AT THREE MILE ISLAND WAS A PLANNED ACT OF SABOTAGE.** There are all sorts of proofs of the statement--just go look them up.

The whole incident was staged to test the incredible powers of FEMA.

So what of other incidents? Well, along about then the Cuban government allowed the boat people to leave Cuba and that became a real test for FEMA in relocation of people and allowed them to locate thousands of people all over the U.S. Reagan agreed that FEMA had done an excellent job. When he outlined his \$3.4 billion, seven-year program to relocate the U.S. metropolitan population from potentially high risk areas after a nuclear war started, he designated FEMA as the agency to carry out the program--without interference.

CREATION OF FEMA

The creation of FEMA has an interesting history behind it. The 1979 Executive Order that created it was based on Presidential Review Memorandum 32, prepared by one Samuel Huntington. The guiding assumption of PRM-32 was that constitutionally mandated institutions would not be able to deal with the scope of crises foreseen for the 1970's and 1980's.

Three years earlier, Huntington had elaborated this assumption in his position paper for the Trilateral Commission, titled *The Crisis of Democracy*. Emergencies of the nature of Love Canal, the Cuban boatlift operation, and the Three Mile Island incident would require levels of austerity and social

control impossible to achieve through democratic institutions, so Huntington recommended a series of national and supranational "crisis management" forms of government. These were put into effect by President Carter in June, 1978, after they were published in the Federal Register.

One more evidence that Americans will permit their government to violate all of their Constitutional Rights because of some real or alleged emergency that was created by the government occurred on October 16, 1970, in Canada. We need to remind you of the "old" ones because the massive "new" ones tend to cause you to lose perspective as to how long you have been under total control by one group through Executive Order.

The power grab in point occurred when Canadian Prime Minister Pierre-Elliott Trudeau, using the kidnapping of two officials by the Communist F.L.Q. "invoked the War Measures Act, suspended the Canadian Bill of Rights, and imposed a dictatorship on Canada. Trudeau now had the power of censorship, for instance, and could search without warrant and arrest without trial." OUCH! YOU ALREADY HAVE ALL THOSE THINGS IN POWER AGAINST YOU.

It will be recalled that the nice Canadian people allowed these violations of their rights almost without a whimper, almost praising Trudeau for taking that action to stop the F.L.Q. Does it remind you of how you allowed Bush to start and then send your military troops off to a foreign war? You not only allowed him to do it--you praised, paraded, hooped and bowed to his honorable feet on the pedestal.

There was a big push to arrange for the total grabbing by the Conspiracy, of the power in the U.S. in 1985. But a couple of things were considered as to just when to pull off the open takeover. One, it was important to discredit the ones who had exposed the Conspiracy and there wouldn't be a better way than to have all of the exposers point towards a given time and year. Then, if they wished to further conceal their efforts toward another year, they could postpone their plans for another time so that the exposers would be made to look ridiculous and the public would discount any further speculation.

Let us look at perfect example: The reader's attention is directed to the comment previously referred to by Zbigniew Brezinski in his book BETWEEN TWO AGES that discusses a rewriting of the Constitution in either 1976, a date past, or in 1989--another date already past. The facts are that the New Constitution has been rewritten and is in practical use for far more years than just back to 1976.

The Conspiracy intends to have total government control and that is at hand, dear ones. Your President Bush can at any moment establish Emergency regulations through already signed and given Executive Orders on any "front" in or out of your nation.

What did Bush say and do last year at this time when your national budget was late? He said he would "shut down the government!" He can and will and simultaneously, he will invoke Emergency Regulations on all areas as listed above. You, America and world, have never been closer to total devastation. It should make a ten point earthquake look good. This

world Conspiracy is planned to be fully operational no later than year 2000 and it appears they are now a bit ahead of schedule.

THE SAD THING, DEAR ONES, IS THAT YOU CONTINUE TO "LOOK FORWARD" TO THE DELIVERY OF YOUR NATION INTO THE HANDS OF THE CONSPIRACY--THE FACTS ARE, IT HAS ALREADY HAPPENED! YOU SHOW VERY LITTLE SIGNS OF CHANGING A THING.

So why do we continue to write? Because we are interested in your Souls and the security of God's children. You have to know that which you face so that you can make some very important decisions. Further, as long as there is breath in the physical bodies--God can bring anything into possibility. And then, as for my people--ours is to bring the WORD OF TRUTH, urge you take action and change the play and then to give you the whys and wherefores of the Universal Order so you can selectively make decisions in wisdom instead of ignorance. Lastly, it is our commission to write the history of "what went wrong" with a civilization of human beings on planet earth Shan. So be it.

IRAQI NUCLEAR CAPABILITY

This has got to be one of the most foolish loud noises of your globe today. Your own government, and even Israel, supplied Iraq with all that wondrous doodad stuff to make nuclear weapons--that is why they KNOW there is more stuff around in the desert somewhere. But why the clandestine posturing and speculation? It is known, authenticated and proven that Iraq has four nuclear installations still totally

intact. Saddam also has a large hidden arsenal of missiles, chemical and biological weapons. It is only YOU who is the duped.

Do you get irritated that you know nothing except that which they choose to tell you? It is worse than that--they arrange to know everything about you. Try this one: The computer industry has for years cooperated with the government in making sure that encryption systems to protect data were not complex enough so that the National Security Agency and the Federal Bureau of Investigation couldn't break the codes easily. But now the feds are losing sleep and are awfully concerned because hackers have developed secrecy systems *that no one can break, not even the billion-dollar computer systems at NSA and FBI.*

Bush to the rescue: is pushing legislation to **FORCE PRIVACY SYSTEMS TO BUILD IN "TRAP DOORS" FOR THE GOVERNMENT TO PEEK AT ANYBODY'S PRIVATE INFORMATION.** The reason (excuse) is "terrorism"! "Terrorists might be able to plan evil deeds in private." This destroys all privacy for anybody from the biggest terrorist of them all--Washington, D.C. Good luck.

Let us please have a rest break. Thank you. Hatonn to clear.

8/17/91 #1 HATONN
SATURDAY

(NEW YEAR'S DAY)

In the beauty of this wondrous day which grants you the beginning of a new cycle called year, may we turn first to the things at hand for some clarification.

Firstly, let us look at the

recording of the books. Thank you, who are offering and then putting the words to tape. Blessings as the word goes forth for in this way shall my word go forth and so shall your voice go with the multitudes that they can make connections with both that of the unseen grounded by that of the human brother.

Please realize that it was only a preference in selection of tonal clarity that caused any comment of whether it would be male or female to record the books. We are searching for ability to project the voice and "inspire" through the emotion/spirit shared within the words. The male tonal quality is easier to hear in "clutter" of sounds but most certainly a good reader has no sex. I welcome Ellen and her reading is excellent and we appreciate your contribution. I know not why you would only choose of Sananda's and Germain's writings to record, however, for most are by Hatonn and the WHOLE must be considered. I further thank Ellen for her other suggestions and most surely all "may" be put to tape for any purpose but, most especially, the seeing-impaired need immediate attention and perhaps we can, further, make sets available on a "library type check out" system because most often the blind are handicapped and have little with which to purchase such luxuries. Thank you. I believe that the "manual" should be projected in both male and female offering for it is, of course, the "rule book".

I am almost ready to tell you ones the order of progression and why personal changes are important and why, further, changing--let us say, the masses, is not going to happen in all probability. There are ample places prepared for the transition but the selection is still obscure to you experiencing

on Earth Shan. It is not complicated--it DOES require the "sorting". Where do you think "heaven" is? Who do you believe you will find there? WHAT do you think you will encounter there? Are there "other" places which can handle seven billion persons? Yes, but that is NOT THE WAY IT WORKS. Most planets which will be utilized for the sorting will be far more nearly the size of Shan and therefore, the levels of KNOWLEDGE ACQUIRED and the desire to function within the LAWS of the society awaiting your transition is absolute.

FOR INSTANCE--MARK THIS WELL. IN THE SOCIETY FROM WHENCE COMES THE LIGHTED BROTHERHOOD--THERE IS TOTAL LAW WITHIN THE GUIDELINES OF BALANCE, HARMONY, CREATION, CO-CREATION, LOVE, AND ACCORDING TO THE WORD. HE WHO CHOOSES TO NOT COME WITHIN THOSE GUIDELINES, CEASES TO BE OUR PROBLEM AT TRANSITION. We are come to give you this Truth and it matters not who of Earth agrees or disagrees. You have known the requirements since the beginning of experience and they will not be in the changing to suit you who would "rather" have it a different way so that you can continue in the ways of the fleshly/physical irresponsible behaviors. You are given the Law and through the Law will the selection be made and NEITHER WILL YOU LIMIT THE ARISEN TO THE GUIDELINES OF YOUR "CHRISTIAN" EVANGELISTS FOR THERE ARE GOING TO BE A BIG BUNCH OF "CHRISTIANS" STANDING WAITING WHILE THE SHIPS DEPART! (HAVING MISSED

THE INSTRUCTIONS AND DENIED THE MESSENGERS.) THINK YE THAT I SHALL LEAVE THE CHILD FROM ISLAM OR THE JUDEAN CHILD OF TRUTH? DO YOU ACTUALLY THINK GOD WOULD LEAVE THE GOD-REVERING BUDDHIST BECAUSE SOME "BAPTIST" DOCTRINE CALLS HIM PAGAN?

"GOD" IS RETURNED TO GATHER HIS FLOCK AND IF YE ARE TRAINED IN KNOWLEDGE OF SELF UNTO GOD--YE SHALL BE BROUGHT HOME TO THE PASTURE OF THE FOLD. IF YE HAVE NOT LEARNED AND CONTINUE TO DENY THE SHEPHERD--THEN YOU WILL BE PLACED IN CONTINUING SEARCHING AMONG THE TARES AND THISTLES FOR YOUR SELF-TENDING. EITHER WAY--**YOU SHALL BE IN THE LEARNING FOR JUST AS LONG AS IT REQUIRES!** SO BE IT.

Dharma, I must ask you to "truly" attend the electronics in your head this day as they are right at the edge of that which you can stand without damage. The West Coast is a mass of severe frequency bombardments. The quake off the tip of Northwestern California yesterday was a severe and urgent warning about what is planned for this day--I think you call it posturing.

Note the storm coming up from Southeast offshore Florida. It may well become a massive and devastating blast if ones do not capitulate in the political arena.

Also, note that the drought in Pennsylvania and along your dairy belt is so severe that you will lose massive farms and dairy herds. You are under to-

tal attack and it is allowed by your own so-called "protectors". Chelas, you are IN IT and cannot seem to see it. I urge you, again, LOOK AT THE WHOLE OF WHAT IS COMING DOWN.

BUSH/SADDAM/BCCI

George Bush is making deals with the Soviet Union which alone, can destroy your nation if nothing else happens. He wants to have Saddam Hussein "eliminated" and it is apparent that the Soviets are the only ones who CAN pull off that little escapade. Why? Because of the fact that the minute there is a break in the media control--the world is going to know about the escapades of one, George Bush and buddies.

OVER \$250 BILLION SPLIT THROUGH BCCI

Why the big deal on BCCI (Bank of Credit and Commerce International) and soon, the Banca Nazionale del Lavoro (BNL)? Because George Bush and Saddam Hussein (in BCCI alone) split over \$250 BILLION worth of Persian Gulf oil kickbacks, which were funnelled through the scandal-ridden Bank of Credit and Commerce International.

BCCI is the Luxembourg-based banking empire that has been tied to global drug-money laundering and a wide variety of other covert deals, including those of the CIA (remember--George Bush was Director). Saddam is not the only one involved directly with Bush--so are all the major drug lords of your globe. Worse, the differing denominations of your Churches are pulled into the lies--the Mormons through Brent Scowcroft, etc. Now it is all tied in with total "black-mail".

The only thing keeping the Truth from coming out is "who will take the fall?". These are NOT government transactions; these are private transactions between Bush as an individual and Saddam as an individual--transactions amounting to billions upon billions of dollars.

The House Banking Committee under its incredibly brave Rep. Henry Gonzales (Texas), has already stated to you that BCCI interfaces and interlocks with Banca Nazionale del Lavoro (BNL). BNL is the largest bank of Italy. It's got five branches in the United States. The Bush-Saddam transactions have gone through these two banks.

LINKS TO TORN YUGOSLAVIA

The fall begins to be set up with the Brent Scowcroft and Lawrence Eagleburger manipulations and advisory capacity. The April Glaspie fiasco and facade was set up and it was expected that Saddam would fall or back off, in the least. The media was totally squelched and your children were sent off to a heinous and reprehensible encounter of the most devastating and evil kind. These two advisers just mentioned, among others, but we will use these at present, both have extensive relationships with companies doing business with Iraq and Yugoslavia (one of Iraq's more important arms suppliers) before the President launched his sting operation.

The most vitally important link between Iraq, Yugoslavia, the Soviet Union, Germany, Turkey and the U.S. with regard to Bush's wish to have control over Iraq, is the Banca Nazionale del Lavoro in Atlanta, Georgia.

It is a bit "obvious" in deception

to accept what is claimed regarding these banks. For instance, even though BNL is Italian, it has its head-office in the U.S. in New York, N.Y. Do you really think the Federal Reserve and other bank regulators know and knew nothing about the massive involvement of this small branch bank in finding its way into building up the Iraqi military machine and laundering billions of dollars in illicit trade agreements?

Back to BCCI and so what? There is a bit of an obscure case--No. 90 C 6863. It is *the People of the State of Illinois ex rel Willis C. Harris vs the Board of Governors of the Federal Reserve System*. Heard of it? I thought not. It is being heard in the U.S. Court of Appeals for the Seventh Circuit in Chicago.

The case involves records of BNL's Chicago unit which the House Banking Committee is trying to get and which were also in the possession of the Federal Reserve Board.

Those records demonstrate private transactions involving \$250 billion in oil money kickbacks from the entire gulf region paid to Saddam Hussein.

The Federal Reserve Board wanted Congressman Gonzales to agree to never use these records in any of his congressional reports. He only is to be allowed to look at the records. But the congressman refused to sign the secrecy oath that the Fed demanded. (Does it begin to come clear why Gonzales says there are grounds for impeaching and imprisoning Bush? Does it also become a bit more obvious why the media has a gag order to hardly even discuss these banking matters in general format--only cursory lightly-over mention?)

That hearing was May 10, and following the hearing it was known that Congressman Gonzales did not and would not sign the secrecy oath and that the truth would be coming out regarding the secret arrangements involving these deals between Bush and Saddam.

What is involved here are non-bank records that the Justice Department DOES NOT WANT RELEASED. "Non-bank records" is a euphemism for bank records that a bank does NOT want released. It is like Steven Horn blotting out records caused for production in "discovery" and claiming they have nothing to do with the Santa Barbara Savings case revolving around Dharma and Oberli. They are totally incriminating and all efforts will be made to hide and destroy them all. The really deadly ones have already been destroyed.

The Bush/Saddam documents involve monumental amounts of joint business between these two "old buddies", and Bush certainly does NOT want them released.

There was upwards of a trillion dollars' worth of oil from the gulf shipped from 1980 to 1990 to the West.

From these oil deals, Saddam got kickbacks to the tune of \$250 BILLION--arranged by George Bush and oil companies such as Pennzoil which are connected to Bush (Bush is one of the founders of Pennzoil).

Saddam split these kickbacks from the oil companies with George Bush and others. We won't, however, go into all the others at this writing.

The Chicago case in point came up before a three-judge appeals panel. It was found out that one

of the judge's law clerks leaked out information that one of the judges is pressing to release the records. The release of these records would put George Bush in jail, post haste. How likely do you think it is that Bush will allow the country to continue in operation long enough to be caught? He has to pull it all down quickly now, doesn't he?

You ones who think I have been playing games about your assets and business affairs--I remind you--I DO NOT PLAY GAMES OF THIS MAGNITUDE. YOU ARE ON THE BRINK OF TOTAL COLLAPSE AND RULE BY EXECUTIVE ORDER--IT IS THE ONLY WAY THIS DONKEY CAN SAVE HIS ASSETS. Oh, you say he is an "elephant" Republican? Ah so--a bigger "asset" to save!

The Justice Department immediately started circulating stories that one of the panel members is being investigated for eight instances of bribery in other cases. We know about these also, but let us not sidetrack.

However, the Justice Department only wants this information about the bribery cases known in order to blackmail the three-judge panel not to release the documents relating to Bush and Saddam.

Efforts within even the House Banking Committee itself to sabotage Gonzales' investigation of the Bush-Saddam-BCCI scandal are heavily under way--as are attempts to plot and contract on the very life of Gonzales. Well, it will be more difficult--for I have him in my attention and he is a Godly man. The congressman and his people are fully aware of these saboters.

On the Senate side the investigation is also being hampered. On

June 13 the *Wall Street Journal* pointed out that Sen. John Kerry of Nebraska--who is investigating BCCI--became chairman of the Democratic Senate Campaign Committee which received large contributions from BCCI. IS THERE NOT SOMETHING OUTRAGEOUS GOING ON HERE?

There is also a third investigation being conducted by Manhattan District Attorney Morgenthau. The key records implicating Bush's deals with Saddam and Noriega are in the hands of the BANK OF ENGLAND, which is seizing ALL OF THE BCCI BRANCHES!!! Does anyone care to guess longer about the cozy travels of the Queen, etc.? Any wonder that Bush handed over America to her like John The Baptist's head--on the sterling silver platter?

It doesn't matter much which of the two scenarios you choose--are they trying to cover up FOR Bush or do they want these lovely records to blackmail the Bush White House? Pick your choice--the Israeli Zionists have even more blackmail material!!! The Mossad are the best investigators in the world.

How honest an investigation do you believe there can be? There is only ONE honest investigation even being attempted and that is by Gonzalez--and he is being sabotaged by people RIGHT ON HIS OWN COMMITTEE!

By the way--remember that little "OCTOBER SURPRISE"? Well, perhaps it is worth noting herein--that money paid to the nice Iranians who had your hostages and the Iran/Contra scandals--WENT THROUGH BCCI AND BNL. The whole thing is a run-amok scandal and the media is ordered (through

blackmail) to keep silent or else!

This case, in the very least, involves what amounts to the **LARGEST TAX EVASION CASE IN HISTORY**, and George Bush would surely and most likely be facing prison. Too bad he didn't realize he became a "Federal Employee" and one of the rare ones eligible for full IRS income tax regulations.

A little side note--isn't it funny that Marcos of the Philippines was one of the ones not guilty in the scam? No wonder the big Elite wanted him DEAD and made it that way. He got his billions from gold trading of confiscated gold through the Japanese, etc. But other national leaders all over the globe are implicated--a big one being President Alan Garcia of Peru who is accused in the spreading BCCI global scandal.

BACK TO THE HIT LIST

Does it now become a bit more obvious WHY Bush wants Saddam DEAD at all costs? Isn't it likely, however, that the Soviets recognize a good blackmail opportunity as well as the British and Israelis? Do you now see why you are paying the Soviet Union BILLIONS in blackmail already?

It sounds farfetched? Oh, it is quite true. The British diplomats involved in the UN's gulf operations talk about the "circumstances" openly!

If Saddam Hussein is still in power and in the news by the time the American elections roll around next year, Bush is in TROUBLE.

At the Moscow summit, Bush urged President Mikhail Gorbachev to lend his support to a "phased solution" of the fester-

ing gulf crisis, in the following moves:

To alleviate the rising famine and other widespread suffering in Iraq, the UN will set up a relief administration so large that its chain of distribution centers **CAN SERVE AS A RUDIMENTARY ADMINISTRATIVE NETWORK IN CASE OF "MAJOR EMERGENCY"**.

The "MAJOR EMERGENCY" inside Iraq will occur when a U.S. air strike, designed to "warn the Iraqi government against concealing nuclear and chemical-warfare installations", catches Saddam in an aerial ambush and "terminates" his regime by killing the Iraqi leader. Such an "aerial ambush" is a more feasible option now than before, Bush argued, because with the war over, Hussein has been making more frequent public appearances, inaugurating repaired power stations and bridges, addressing the crowd on festive occasions and otherwise becoming a "targetable" presence.

With Hussein gone, the UN distribution network and senior Iraqi military commanders will join forces to maintain public order and ensure an "orderly transfer of power", Bush argued, while forestalling major riots or other disorders with the promise of continued food and medical supplies.

The outcome will be a "strong" military regime running Iraq as a dictatorship subservient, this time, to Washington--precisely the result the Bush administration and its gulf allies want. It was only due to total intervention by the Soviets which has prevented all out devastation of Iraq by U.S. bombings already this month.

The trouble with Bush's strategy

is that most member nations of the UN Security Council, including Britain and France, have warned Washington that it is "unacceptable", diplomats close to the gulf crisis say.

Iraq is "already in the throes of a devastating ordeal" according to an official UN survey of this war-torn nation released late last month by a committee headed by Prince Sadrudin Aga Khan.

A major assault on Iraq's "remaining national integrity", such as the aerial assassination of its president, was likely to detonate "turmoil, chaos and fractional fighting on an utterly unmanageable scale" that could affect the stability of the entire gulf region. That is what the committee warned UN Secretary-General Javier Perez de Cuellar in a confidential "administrative appendix" of its report.

How interesting is the next comment from a British official: "A Mafia boss can set up a 'hit' on a hated opponent, and claim victory when he is murdered; but the leader of a great power cannot. The gulf war was a bloody, no-win intervention, and Bush will have to learn to live with that fact." Well, we shall see, won't we? What do YOU plan to do about it, America?

BUSH VACATION AND UNEMPLOYMENT

Mr. Bush said just yesterday that no money would be allowed shifted into further unemployment! Precious America, what became of you?

I am going to repeat to you, a few TRUTHS. President George Bush already has the authority to take over your government through Executive Order--already signed, sealed and

delivered! The Congress is under blackmail politics, also. The plan is to allow a few more days until the boggle of the budget is in full confusion and then **THE PLAN IS TO BRING HER ALL DOWN!** Will it happen? It depends upon what you ones do. If enough confusion can be created to keep you from finding out the facts--maybe you have longer--but it doesn't look hopeful. The unemployment situation is so bad that some other distractions must hit you to really pull your attention away from this money cover-up. You **MUST** pull off a major war or **MAJOR DEVASTATING "UN-NATURAL" NATURAL DISASTERS. YOU BE THE JUDGE!** *"They" are after ALL OF YOUR ASSETS and you are going to be in hot-dishwater very soon now if you have any asset stashed or floating. YOU MOST CERTAINLY CAN EXPECT A BANK "HOLIDAY" AT THE VERY LEAST.* I look at my precious ones, i.e., one in Florida who couldn't decide what to do with her assets--being "advised" by ones who had already cost her well over 200 thousand dollars. Now that money will likely be "caught" in the "emergency". And besides, even divided among banks, there is not enough insurance to cover even a portion in ONE. Some of you are going to be wishing you had listened to the Space Cadets.

Perhaps George should tell this dear one what has now happened to our beloved friend in Sedona! The **ONLY** assets this precious one has remaining after the broker finished losing her fortune--is that portion she placed against gold in the Phoenix Institute. So be it.

George, I also must speak with you regarding some personal matters and this must be my format for you are a long way from

home. Do not waste even ten minutes with either the Nos-tradamus material, the tax material by "Doc" S. or B.C. Not even ten minutes. The best thing you can do is to give back the contract to D. for I told you before and I repeat: the material is total hogwash--you are **ALL** going to find out that God and Hosts work very succinctly, openly and rationally. I do not "channel" herein--I bring you **TRUTH** straight from the "horse's mouth"--today, and not some reblatherings of a seer of some centuries past. These are distractors. Now, however, how is it that ones claim to bring the same thing and then pronounce that "Your" "Immanuel" is in error? Why would she proclaim "HER'S" to be truth? Would truth be more apt to flow through a fortune teller or from God Himself? You be the judge.

Next--everyone had best get off the "little gray alien" kick right quick! Your government will not stand long enough to have trouble with those little grays--**YOU ARE IN SERIOUS TROUBLE, WORLD!**

Whether you like of it or do not--the Hosts are right out here in your atmosphere and you had better be starting to get your act cleaned up because your "EARTH PEOPLE" will pull the entire world down with them before these would-be Elite Rulers will allow you to take that which is yours. Everything coming down from here on in will be a devastating problem piled upon the one before it--**THEY INTEND TO RULE THE WORLD IN TOTAL BY YEAR 2000--ANY WAY THEY CAN GET IT!**

As to the income tax material--anyone who wishes to hoard under the guise of Christian caring--that which is available all

over now, is not of God in reality. We need no entanglements with any so-called seers nor self-centered, self-styled secret tellers. God is NOT SECRET! GOD WILL GIVE UNTO ALL HIS CHILDREN EQUALLY THAT THEY MIGHT LEARN AND GROW. ABUNDANCE IN RETURN FOR GIVING IS THE VERY WAY OF GOD SO DO NOT BE DECEIVED BY THE GREEDY WHO WOULD REAP REWARD WHEN THE NATIONS ARE FALLING INTO PERISHMENT.

I must close as this document is far too long but I will take up the plight of the "Jews" in an upcoming writing for it is time you stop your bickering over who is what and anti-Semitism vs. hate, etc. The remnants of the "Jews" fleeing the Spanish Inquisition 500 years ago are among the ones who are in point of destruction at the hands of these new so-called New World Order Zionists. These beloved Hebrew descendents and Judaists sought refuge in North Africa, the Middle East and elsewhere in Europe. Many in significant numbers reached the New World, where they took on the trappings of Catholicism while secretly clinging to their Jewish traditions. Across the American Southwest, for instance, many of these crypto-Judaists are now efforting to recover their heritage. Ones are finding out that they are not who they appear to be and the secret is handed down from mouth to ear from parent to child as the elder nears passage. This is done from mother to daughter because of the bearing of the children and proximity. If there is no daughter, then a son is told. I want to speak on this subject but we are limited and Germain MUST BE ABLE TO LAY FORTH THE WRITINGS OF THE UNIVERSAL ORDER--FOR THAT, DEAR

ONES, IS YOUR PASSAGE INSTRUCTIONS--WITHOUT "KNOWING" YOU SHALL NOT MAKE PASSAGE INTO THE REALMS OF HOLY GOD.

Attend well this day, Dharma, for much is afoot and I may need your attention instantly--please be alert and on-call. Thank you.

Hatonn to clear.

Do you know what the 1st AMENDMENT was really all about? The Peter Zinger Case in 1735 when Zinger exposed the corruption in government and was thrown in jail for printing the truth. But the Jury came to his rescue and NULLIFIED a BAD LAW by voting NOT GUILTY. They decided both the LAW and facts. This is self government.
