FRIDAY
PROOF?

Ah, children--beloved and wondrous. You demand "proof"? What gives you proof? Let me help you--proof is that which comes with KNOWING "within". You are in a time in increased illusion where a holograph scene can literally be placed on your balcony by your own beam system. You must understand, little ones, that we are sent forth from God to assist if we can. Our purpose is to set TRUTH out of the lies to allow you to fashion TRUTH for self and thus have "proof". Some of the brothers come aboard our craft have been birthed and matured aboard the craft while awaiting our need for service unto you for the higher "brothers" grow in their own progression by that service unto you. In the finer/higher frequency physical expression the knowledge is greater and it is their responsibility to be your guides--this is WHY the information is coming from the level of KNOWING in the Pleiadian Constellation for they ARE you--your ancestors. Ones come from all over the firmament but the human species as you recognize form--is from the Constellation of Pleiades and those of you grown in Knowledge and yet not fulfilled in KNOWING to be literally in the oneness with God--will be brought home again--to Pleiades. God went forth to

prepare a place for you and so He did. BUT NO EVIL INTENT WILL BE ALLOWED IN THAT PLACEMENT. IF THE INTENT REMAINS IN EVIL DIRECTION AGAINST THE LAWS AS LAID FORTH BY GOD AND THE CREATION, PLACEMENT WILL BE ELSEWHERE IN SUITABLE LOCATION TO MEET THE FURTHER GROWING OF YOUR BEING--INDIVIDUAL BY INDIVIDUAL--NONE OTHER CAN BEAR YOUR LESSONS.

I tell you that God has sent transportation for you if it needs be and it DOES need be for the Planet is not going to be suitable for life-forms if the activities of present, are continued. You think the Russian situation is settled and you will all live happily ever after? Nay--not so. The stupid facade was to cover the REAL COUP which was under way. The missiles were aimed and ready to fire. The CIVIL WAR IN THE SOVIET UNION IS NOW ABOUT READY TO BEGIN--YOU HAD BETTER CAREFULLY LISTEN TO WHAT MR. GORBACHEV (THIS NEW ONE) IS SAYING. HE HAS NO INTENTION OF LEAVING COMMUNISM, AND WHERE WERE ALL THOSE MILITARY ALLIES? Where WAS the General who NOW heads the military? Oh indeed--you will need some good transportation before it's all over. In addition the government plans to blast a few of

your cities and blame space brothers--mark it today for the plan is already UNDER WAY for they can no longer hide the PRESENCE. To discount God they will produce some of these little gray aliens and spacecraft shaped vehicles and kill a bunch of your own people.

The hope is to work a deal with the Russians to utilize the Cosmo-spheres--but Russia is not so stupid--yet. Note that Russia is still taking out your sensor satellites which monitor nuclear detonations.

I do give you this--Gorbachev was in bad trouble for his song has only changed since his "return". This functions around Pamyat I and Pamyat II and deals with how the Russian nationalist anti-Bolshevik forces have been consolidating their strength under the PAMYAT and SOYUZ umbrella. Soyuz is the organization of high-ranking Soviet army officers who joined Pamyat in a struggle to rid the Soviet Union of Bolshevism. This has all been well outlaid to you by one of your own brothers--John Coleman in report after report to all who would listen and regularly to consumers who read INSIDER REPORT, WORLD ECONOMIC REVIEW and WORLD INTELLIGENCE REVIEW. How do I know? I know because I know John Coleman and we are bringing him within our umbrella of security at this very moment. It really

IS NOT so bad to be associated with GOD and TRUTH.

This Gorbachev that is speaking to the world after his horrible "ordeal" is not the Gorbachev which was on vacation. So, you had better look again, world--you are closer to war than you can imagine in your wildest dreams. While a coup was planned and your bunch sidetracked and turned it into a world farce--the real coup took place in high places--it is all done except for the blood letting and that will come when you least expect it!

Proof? I need prove NOTHING to any of you. Why do you desire that I prove something to YOU? Why do you not make the ones who feed you lies--PROVE SOMETHING TO YOU? Why do you not make them show you a place in the "good book" that even mentions the word "Rapture"? Oh, you say, well, it was mistranslated? Oh? What are you going to do up there in the clouds? They will be radioactive, surely you know!

Well, why would a coup be thwarted or changed or anything? Because your Congress is on vacation and a budget is coming and everything dirty has to be done while Congress is asleep. So, in a few words--Bush wants to conclude a big sell-out of United States security before Gorbachev is toppled. The CFR knows that when the Soviet military takes over Russia, there will be a far lesser chance of rapidly bringing about the much desired One World Government. Bush believes that the top leaders of the Soviet Union will keep their promises and the hope of the New World Elite is that the Soviet Armed Forces will be bound by agreements signed at the summit. You are trapped, why not Russia?

Even your non-news press and media are beginning to grumble that there is rotten fish afoot in all this

maneuvering and while you are all buying Gorby dolls and shouting how wonderful it all is--the enemy is working as fast as they can and you keep trying to launch a sensor satellite so you can blast these poor souls into oblivion--BUT, THEY HAVE EXCELLENT SURVIVAL SHELTERS (YOU DO NOT!) AND THEY HAVE EVERY MISSILE PINPOINTED AND A RETALIATION MISSILE AIMED--EVERY SITE WHERE THERE IS AN MX MISSILE WILL GET "IT". Russia does not want to sign these treaties because they have a dandy space capable system that will bring the payload to your door yard and struck or not by defensive missiles--will immediately scatter their own payload which is made up of many nuclear powered/nuclear war-headed scatter missiles which can travel in every direction and have independent guidance systems. If you intercept one of these to blow it up--you only assist in the distribution of the payload.

Then why would the Elite start such a war with the Russians? Because they know the ONLY HOPE for anything called "survival" and success, is to have a surprise first strike against them and hopefully knock out these installations and bases. You won't fare well even if that happens for the Russians have a massive submarine fleet with huge craft that fire many nuclear missiles and THEY SURROUND YOUR NATION OFF SHORE.

No, dear ones, what you "see" and think YOU can "prove" will be shown as illusion far too soon for your adequate preparation as a nation. The person you watched in Maine was NOT the one who you have "even recently" seen at the Capitol or at Camp David--that one, who heads the rest, was safely tucked away in a bunker city in total security.

Now, if you ones desire "EARTH TRUTH" of this information from

ones with the information--and a continuing source of inside information--FROM EARTH, I ask you to get the above mentioned reports. It will do two things--it will allow you to have truth which you can confirm at your level of understanding and I CAN GET ON WITH OUR WORK OF TELLING YOU ABOUT GOD AND CREATION.

I will "prove" nothing to anyone and, further, I am going to cease answering the letters which only badger, insult and defame my people. All of you have total choice of free-will action and belief. I ask you to do nothing, go nowhere nor believe me and/or God. I am simply here to tell you "HOW IT IS", no more and no less. If you think it better to blame evil of 2,000 years past and dump your responsibility and "sins" onto a murdered God--so be it. If you think a nice nest in the floating clouds is the way to go--so be it. I will certainly leave you alone if you will leave mine alone. But remember something--THERE ARE MIGHTY FEW ATHEISTS IN A FOXHOLE WITH A NUCLEAR BOMB HEADED THEIR WAY! You-the-people have been deceived, lied to and stolen from--from your heritage as an immortal being to your very bank account. Is it not time you looked around?

Did you not notice them flashing the term: "Armageddon"? These past few days it was in most common use--you see, the planners had planned for a massive blood-bath and the REAL COUP PLANNERS SHUT IT DOWN AND GAVE YOU NO CAUSE TO INVADE. Note also that the whole bunch of playwrights calculated that Saddam Hussein would give excuse to bomb him to oblivion, also, and save the face of the ones who have \$250 BILLION split with that gentleman and the world wouldn't find out until after the fact when you are hog-tied and cannot do a thing about your national plight!

I am asking America West to please see what they can do to locate and somehow make available the *Insider Report*, *World Economic Review*, and *World Intelligence Review* as well as all individual "Subject" documents. These MUST be made available to our PHOENIX readers. You need confirmation as the blade comes down across your necks.

I am going this route for the author is going to go completely under-cover and a news bulletin will be sent via the publisher regarding continuation of the information for the Publisher will, also, NOT KNOW WHERE THIS MAN IS. THIS IS WHAT YOUR NATION HAS COME TO, MY FRIENDS--A MAN AND FAMILY MUST BE LITERALLY HIDDEN AND BECOME PRISONERS WITHIN THEIR OWN CELLS--TERRORIZED, ALL MAIL OPENED, CENSORED AND MONITORED (AND MOREOVER, THE OFFICIALS INFORMED HIM OF SAME WITH GREAT AMUSEMENT). YOUR ROPE IS UNFURLED, AMERICA--YOU DANGLE AT THE VERY FRAYED END OF IT WITH THE BOILING RADIOACTIVE OIL IN THE CAULDRON WAITING FOR YOU TO FALL OFF.

WHAT HAPPENED IN RUSSIA?

Let me quote from a flash bulletin to the readers of the above mentioned publications. You of our readers will already have the information but perhaps you do need a bit of confirmation that I bring TRUTH!

"....The crisis of dual structure in the USSR has become a full-blown crisis, every effort by the Bolsheviks to stop it having failed...This is what threatens Gorbachev and his cozy relations with the U.S., and particularly with Bush, whom PAMYAT'S Dimitri Vasiliev describes as "the em-

bodiment of a typical Zionist lackey". If Gorbachev does not heed the "advice" of his military men and break with Washington, GORBACHEV WILL BE DITCHED BY THE END OF 1991 OR IN 1992, and the world could be headed for the Third World War...If Gorbachev chooses the latter course, then we can be certain that the Second Russian Revolution, already begun will gather momentum, and this time it will be a genuine Russian revolution.

"Right now Pamyat and its allies are accusing Gorbachev of 'restoring the cancers of capitalism, rapid economic growth followed by inflation, higher prices, unemployment'...Certainly the army does not trust Yeltsin, whom one Pamyat member described as 'a self-seeking money-grabbing opportunist who will have to be carefully watched'."

The foregoing is only a small portion of the information contained in these Reports. Presidents Bush and Gorbachev knew that the hour was fast approaching where Gorbachev would be ousted, not by "hard line communists" but by Russian nationalist forces. It was critical to Bush to have Gorbachev remain in power to preserve unanimity at the United Nations. The very progress of the One World Government would be threatened if Gorbachev was ousted. The arms treaties would go by the board, especially the critical START treaty. Having seen what Pamyat and Soyuz did to Shevardnadze, Bush ordered the CIA to formulate a plan to counter the impending move to oust Gorbachev. Such a contingency plan was readied shortly before the Group of Seven summit in London.

This plan called for a pseudo coup to be launched against Gorbachev by "hardline communists". The stage was set for August 20th when the world was informed that Gor-

bachev had been ousted. The truth is that the CIA was not "caught by surprise", such a statement is patently absurd. Moreover Gorbachev would not have been "ousted" while he was away from the Kremlin. Soviet tradition has it that deposed leaders are seized IN THE KREMLIN. The plan was to glorify Gorbachev who would be hailed as a "savior of the Russian people". His status in resisting the coup would be greatly enhanced and ensure that nobody in the USSR would ever again be able to challenge him. The second benefit would be that PAMYAT and SOYUZ would be divided by the defection of General Moisiyev to the Gorbachev camp. The head of the KGB, Vladimir Kryuchkov, would be greatly undermined. (The impact of this was lessened by Kryuchkov refusing to go along with the plot.) And so the great coup that never was, was sprung upon the people of the world. Unhappily, Gorbachev did not get the bloodshed he wanted, SOYUZ ordered troops not to fire on the people and countermanded Gorbachev's orders. In this manner, too, Boris Yeltsin's brave resistance lost some of its shine. We have not heard the end of this matter, but for now, Gorbachev emerges as a great hero, the Russian nationalists and "hardliners" are discredited and the New World Order is stronger than ever, Yeltsin's status enhanced. But this is only a lull in the storm. Those of you who saw CNN and wondered why Bush's national Security Advisor was grinning so widely as he and his boss entered the White House, now know why!

[I, Hatonn, interrupt this dissertation prior to the next paragraph because I want to tell you that the plan executed puts you into water so deep and so hot that you should be boiling by now. I want to write the next paragraph and then comment.]

So well executed was the "coup",

that even my expert sources were taken in for a few hours before they let me have these amazing facts. Full details will appear in World Intelligence Review and Insider Reports August (3) and (4), which will be mailed out shortly.

* * *

The "coup" was NOT well planned and the flaws are blatant. It does seem good enough to dupe most of a world--BUT, what is the outcome is as bad for the world as you can get. Mr. Gorbachev emerges (a new one or a very battered old one) who will put into power the very ones **YOUR LEADERS DO NOT WANT IN POWER**. He is now programmed to do exactly that and you will see the malcontent in the press and media very quickly now as "Mr. Bush's administration is not happy with the new appointments," etc. But **YOU CAN'T DO ANYTHING ABOUT IT EXCEPT NOW MEET THE BLACKMAIL PAYMENTS--WITH MONEY AND FOOD. WATCH THE "WORLD" RALLY RIGHT OUT OF ENGLAND AND ALL THE UNITED NATIONS--AND "YOU", WHO CAN'T EVEN PAY YOUR UNEMPLOYED WORKERS AND/OR MEET YOUR WELFARE NEEDS. YOU HAVE NEVER BEEN IN A WORSE POSITION THAN THIS DAY, AMERICA--WORLD! WELL, THAT ISN'T SO--IT WILL WORSEN EVERY DAY NOW UNTIL SOMETHING "BLOWS"**. If you are alive to read this, I suggest you pause and thank God for that blessing!

BACK TO "HUMANISM"

I will finish the analysis of the teachings of Humanism against the traditional Biblical system. I am going to quote so do not take all the Biblical teachings or accepted views as higher Source affirmations. This comes right out of a very Earth-based author's book and I do not have space herein to further comment. This portion is

taken from a book titled: GLOB-ALISM America's Demise, by William M. Bowen Jr., Huntington House Inc. (1984). The designation of "Biblical" will be "B" and the designation of "Humanism" will be "H" in efforts to save time and space:

QUOTE: ANALYSIS

B: God, creation, morality, the fallen state of man, and the free-enterprise system.

H: Humanism teaches--total hostile rejection of traditional beliefs and substitution of man, evolution, amorality, basic goodness of man, and one-world system in its place.

B: God has written His values (the Bible) and if man follows he will be prosperous and have life, (love, joy, peace, patience, gentleness, kindness, dependability, goodness and self-control).

H: Humanism teaches--man to follow his own changing values and be responsible for the consequences of his actions (abortion, illegitimate births, lesbianism, homosexuality, murder, hatred, strife, contention--in general--let it all hang out). Read Romans 1:22-32.

B: God has made man in His image--spirit, soul and body to be in fellowship with Him.

H: Humanism teaches--Man is an animal (soul and body) and needs only to be rightly related with himself.

B: God is Supreme Being.

H: Humanism denies existence of God.

B: God is the Supreme Being, therefore faith and trust are in Him.

H: Humanism teaches man is Supreme Being, therefore faith and

trust is in Man.

B: God does not change (there is certainty) therefore this system includes law which defines certainty.

H: Humanism teaches--there is no certainty because there is constant change (evolution), therefore law must be continually changed to the whims of man who is the Supreme Being.

B: God is a supernatural being, omnipotent (all powerful), omnipresent (present everywhere), omniscient (knowledge of everything).

H: Humanism teaches **psychic phenomena** to give man (Supreme Being) the sense (feeling) of being supernatural.

B: We have to ultimately answer directly to God for our actions.

H: Humanism teaches--the individual need answer only to himself. He is his own judge.

B: Life after Death.

H: Denies life after death.

B: Lying is wrong.

H: Lying is a relative term and therefore doesn't exist if the person thinks it is OK. (The end justifies the means.)

B: There is a devil (Satan).

H: Denies existence of a devil (Satan).

B: God's name should not be profaned.

H: Humanism allows profaning God's name since it is just an expression. God does not exist.

B: Man is basically evil, separated from God and God has to determine a set of values for him.

H: Humanism teaches--Man is basically good and therefore is able to determine his own best values by himself.

B: The law is the authority that establishes the boundary of conduct.

H: Humanism teaches--no man need recognize ANY authority beyond himself.

B: God has freely given, (by grace) the law (so that we might not sin) and Jesus Christ (so that man can be reconciled by God).

H: Humanism teaches--there is no sin and man needs to be reconciled **only** to himself, (self-actualization, self-realization).

B: Man is able to receive the benefits of God's grace by faith and enjoy all of its privileges.

H: Humanism teaches--Man's faith is in himself and he must stand up for his rights over and against others.

B: Where there is jealousy (suspicion) and strife there is disorder and every evil thing.

H: Humanism teaches--question the decisions of those in authority (teacher, parents) and role play strife and contention.

B: God has established an order, a framework, within which there is a governing authority which provides peace and tranquility.

H: Humanism teaches--Man's peace and tranquility is within himself and therefore he is his own authority.

B: Men and women are different.

H: Humanism teaches--men and women are the same.

B: The family is the basic unit of society. The family has responsibilities

to fulfill physical necessities.

H: Humanism teaches--the individual is the basic unit of society. The society has responsibilities to fulfill the individual's physical necessities.

B: The legal age of majority is twenty-one years-old.

H: Humanism teaches--a child is able to determine his own best values at any age. (Efforts are now being made to lower the age of statutory rape to 14 years old.)

B: **GOD IS LOVE.**

H: **SEX IS LOVE.**

B: Do unto others as you would have them do unto you. (Forgiveness is required here.)

H: Humanism teaches--we are over populated and must stop having babies. (Zero population growth and Planned parenthood.)

B: Sex is a beautiful relationship between husband wife who have become one flesh.

H: Sex is a physical animal need that must be gratified in any way that the person deems best.

B: The sovereignty of each nation to govern itself.

H: Humanism teaches--one-world system ruled by an intellectual elite. (The Humanists.)

B: There are absolute rights and wrongs, therefore:

A. Guilt and shame result when a person does something wrong (sin) according to that which is written (the law).

B. Forgiveness and/or punishment relieves guilt and shame.

H: Humanism teaches--there are no

absolute rights and wrongs, therefore:

A. No guilt and shame exist because no one can do any wrong (sin). Wrong (sin) does not exist, therefore guilt and shame should not exist.

B. No need for forgiveness and/or punishment.

B: Certain, absolute moral values: Incest is wrong.

H: Humanism teaches uncertain, amoral values: Incest is OK.

B: Prostitution is wrong.

H: Prostitution is OK.

B: Abortion-on-demand is wrong.

H: Abortion-on-demand is OK.

B: Homosexuality (sodomy) is wrong.

H: Homosexuality (sodomy) is OK.

B: Lesbianism (sodomy) is wrong.

H: Lesbianism (sodomy) is OK.

H: Sex outside marriage (fornication, adultery, etc.) is OK.

B: Masturbation is wrong.

H: Masturbation is OK.

B: Masochism and sadism is wrong.

H: Masochism and sadism is OK.

Continuation of quoting: *This is by no means the complete list.*

In Humanist Magazine (Nov./Dec. 1980) author Riane Eisler says: "It is absurd to say...that one is a humanist but not a feminist...feminism is the last evolutionary development of humanism. Feminism is humanism on its most advanced level." Riane Eisler wrote THE EQUAL RIGHTS (ERA) HANDBOOK.

Karl Marx's own definition of Humanism reads: "Humanism is the denial of God, and the total affirmation of man...Humanism is really nothing else but Marxism."--Karl Marx, ECONOMIC POLITIQUE ET PHILOSOPHIE, VOL. I, PAGES 38-40.

"Soviet society today is the real embodiment of the ideas of proletarian, socialist humanism."--On the Policy of the Soviet Union and the International Situation by Leonid Brezhnev, prepared by the Novosti Press Agency Publishing House, Moscow--Doubleday & Co., Inc., Garden City, N.Y. 1973, page 27.

END QUOTING.

Does all this mean that you are going to have to change your attitudes before God will lift you off your place in time of extreme change? YES. INDEED YES!

What you are being given in the current PLEIADIAN CONNECTIONS series is the Truth of how life WORKS. You will find that the physical is only related to that which is SENSED. Spiritual is that which is KNOWN. The two are hardly connected except that the physical body is an extension of the eternal Mind--for use of that mind in a physical environment--to serve.

Attitudes such as those considered "OK" in your slang terminology are simply not acceptable behaviors in the higher experience where the "body physical" is a most unimportant portion of experience. SENSED existence is a very "primal/primitive" state of Being.

To my beloved writer who feels me to be cruel and harsh because I question that her work is solely that of a projection of Sananda:

There are many passages which are incorrect and Sananda makes no errors except in the "testing" of the writer. It cannot pass into the public. There is, for instance, where Sananda proclaims that masturbation is not only wholesome but necessary. NO, that is an attitude of MAN. Is masturbation evil? It depends on the intent! It is certainly NOT SOMETHING MANDATORY TO GOOD HEALTH. I cannot sanction such a projection as coming directly from God for it simply is not so! Does this lessen the writer? NO, only the perception. It is very hard for mankind to come into clarity and accurate perception. Does this make the book evil and the author unworthy? No, it only means that the author is a human and that the book must not be published AS GIVEN DIRECTLY OF GOD--THAT, DEAR ONES, IS

WHAT IS INCORRECT ABOUT YOUR BIBLICAL REFERENCES--THEY HAVE BEEN TAMPERED BY MAN TO SUIT THE BELIEF OF MAN.

Any Earth person can publish anything they please and many are worthy of great note--however, if publishing is IN THE NAME OF DIRECT STATEMENT AND RULES FROM GOD--NO. It, further, is my responsibility to sort the two. Does this make the human author less my friend? Do I become cast out as a friend because I stop the flow of erroneous material? Would you consider me a friend to allow publication of material which is NOT correct to go forth and the soul of even ONE be misled?

The point is not in worthiness of either the writing or the person. The point is that no information which deviates to the iota from that which is the Truth of God is not of God directly. Those are errors perpetrated by the rest of us. Moreover, it has naught to do with the subject in point in actuality--it has everything to do with growth and understanding of the author.

Speaking FOR AND AS DIRECT DISCOURSE FROM GOD (and that is who Sananda IS) can only be brought through a willing non-participant writer. I say non-participant because it must be someone willing to write that which THEY MAY OR MAY NOT SANCTION--ACCORDING TO THE LAW, NO PREFERENCE OF HOW YOU WISH IT TO BE OR AS MAN HAS WARPED IT. We are not speaking of afternoon tea time reading material--WE ARE GIVING YOU THE LAWS OF HIGHER PLACEMENT WHEREBY YOU WILL BE ALLOWED TO JOIN THE HIGHER BROTHERS IN SECURITY AND SAFETY--FOR IN THE PLACES PREPARED FOR YOU, LITTLE BROTHERS--YOU WILL FUNCTION BY OUR RULES OR YOU

**WILL NOT COME ABOARD!
THAT IS INCLUSIVE OF PLAN-
ETS, STARS, HEAVENLY
REALMS AND MY STARSHIP--
WHICH BY THE WAY-IS FAR
LARGER THAN IS YOUR
PLANET EARTH!**

I care not what YOU think about the "hereafter"--I KNOW what is there and I know about the prepared places and little human of Earth will abide by the Laws as laid forth and practiced by those where and with whom you will be placed--OR, you will be left to your own demise.

This simply is the way it IS and I cannot change it to suit your hurt feelings or arguments--WHAT IS--IS! WHO ARE YOU TO DEMAND ANYTHING? So be it--however, your Earth Shan gets in worse and worse condition, run by total chaos and insanity so, if I were you, I would begin to consider these points most carefully indeed.

In the Oneness with God, I am Hatonn.

**8/24/91 #1 HATONN
SATURDAY**

Hatonn present this early morning for we have walked among the birds and in the garden to welcome that which will come in a new day. God comes with me that we might come into communion so that the way is a bit smoothed and Lighted. Mitakuye oyasin.

I will speak very briefly on current subjects at hand for our lessons are more important regardless of that which you believe.

**BILL COOPER'S
PROJECTIONS**

I am bombarded with inquiries as to "...what in the world is Cooper doing?" There are publications being circulated that project threatening aliens over Phoenix in the coming month. So, chelas, what is

new? He has been sent forth to carry that projection so that you ones will come into panic and terror. I repeat: those aliens aligned with any in your government or replicas--are projected from Earth--not Cosmic Brotherhood sent forth in this time of Kali. Why Phoenix? Why indeed???? Because this is Cooper's best audience, no one in upcity Bronx would believe him for he has not lectured his misinformation in those areas. Indeed, the dastardly deal-doers might well terrorize those areas first which are receptive. But what is in Phoenix to gain through terror except the value of the terror itself? I suggest you all open your eyes because you have been "warned"; we have told you exactly how it will be presented and it is up to you what you do and if you will allow the controllers to continue to destroy your world and devastate your nation.

There were "intelligence" agents in the audience (as always) in Denver at the recent meeting wherein Cooper blasted and gave false information in an almost desperate attempt to discount the source of my scribe and America West with totally blatant personal attacks upon them. I want you to know something, however; these intelligence sources are sent originally by your government and Cooper got himself in great trouble with his own teachers this time for what he did was so obvious and desperate that it was noted and the network was alive with tattle-tales to his own resources.

What, if anything, does George Green intend to do about the defaming and character assault? I leave that to him but I believe over 400 witnesses to the name calling and deceit is so obvious that I suggest Cooper may be in an awkward position in view of prior THREATS against these ones. He has also threatened the lives of others who have no involvement with us nor are even known in any

way by my scribe.

The man stands and says, "...yes, the information in the JOURNALS IS TRUE" and then tells the world that Dharma and Oberli have long prison records for "con" activities. Dharma does not even have so much as a traffic ticket in her 60 years. Worse, this man is programmed through his own addiction and can no more help what he does than he can fly with angel wings--YOUR WORLD IS UNDER ATTACK WITH SOPHISTICATED TECHNOLOGY THAT TRULY CAN BOGGLE THE MIND. Your Elite brotherhood of would-be kings plan a lot of things for September, not the least of which is to trigger the San Andreas fault. If they can get sensor satellites into the space location necessary to monitor central Russia, you will have a first strike attack against Russia with nuclear weapons. There will be incidents which I wrote of yesterday and the day before in an effort to unite the nations against this so-called threat from space aliens. You ones are in the depths of disinformation to the point of drowning.

I suggest you LISTEN TO WHAT THE SOVIET REPORTER FROM THE RUSSIAN NEWS IS TELLING YOU--"AMERICA GETS NO NEWS" AND "...WE WERE ORDERED SHUT DOWN DURING THIS COUP WHICH WAS NOTHING BUT A LIE. BUT WE WENT UNDERGROUND AND FILMED ANYWAY." "AMERICA'S PRESIDENT SAID YOU HAVE NO INTELLIGENCE--BUT THERE ARE CIA AGENTS EVERYWHERE AND THEY KNEW EVERYTHING RIGHT TO THE PLANNING.", "WHY, IN 30 HOURS OUR TANKS COULD BE IN DOWNTOWN BERLIN." "AMERICA HAS BECOME A PLACE OF STUPID PEOPLE WHO EAT EVERYTHING FED TO THEM WORSE THAN THE WORST TIMES IN THE SOVIET

UNION." I believe I need say nothing more--this man said it all, brothers. This little interview got on CNN and immediately they have begun trimming the statement. He even offered to "...fax information directly to the President so you won't suffer so badly from lack of intelligence information." He went even further when he said that, "...America and Great Britain will be responsible for trashing this world and all the people in it." So be it. He said, "This was the biggest farce he has ever even HEARD of and cannot yet believe it was played to an entire world and the world actually believed it." He continued: "...cannot change overnight in political and basic beliefs--you are all fools for the Soviets are embarrassed at what is now taking place before the American cameras between these two incredible actors."

I suggest it is no more incredible than that which takes place in front of you Americans every day while you march to the drums of the wardens. If you can look at the pictures that "slip out" of abuse by your police and still feel safe and secure, and watch the cold and lifeless face of a "Dahmer" and not believe you are in TROUBLE then it is difficult to have much hope for your national survival.

Now that it is getting a bit better known that Gritz will likely run for President, the assault against him has already begun--you who were in Denver to hear Cooper heard it first hand. Further, if you put him up for president through the Populist Party you will lose for the whole of the party is not what it appears to be. Get some patriots behind the cause and run him on an Independent ticket or he will end up as controlled as the other non-parties. It was a good place to "start"; it is infiltrated with would-be rulers and mercenaries, also, as is their publication. Enough is left untampered to give you reason to trust--but the foundation is long

since corrupt. You must begin to read and receive everything with great discernment for this is a war of Minds--the physical aspect is only secondary but will also come, because the intent is to depopulate the orb.

Why do the adversaries allow themselves to lose control in such instances as Cooper and his speeches? Because evil cannot bear the presence of Truth and Light. The attack must always be at a man's integrity and ego foundation--but once in the Lighted Protection of God, the adversary can only make a fool of self and, in this instance, give at least 15 grounds for suit against him.

We have always welcomed the advertising for the JOURNALS until now, but the plans are so heinous that we must speak out. THERE ARE NO LITTLE GRAY COSMIC ALIENS--ALL THAT EVIL IS OF THE VERY BASIC PHYSICAL PLANE AND THEY ARE AND ORIGINATE RIGHT ON YOUR OWN PLANET. YOU HAVE PERFECTED THE DUPLICATION TECHNIQUES THROUGH DNA AND GENETIC ALTERATIONS TO THE EXTENT THAT YOU HAVE DEVELOPED YOUR OWN ENEMY AND THEY ARE CONTROLLED BY THE MAJOR ENEMY--THE ELITE CARTEL AND GOVERNMENTS WHO ALREADY CONTROL YOU.

You have developed what appear to be "space" craft. NO, you have only been given thrust systems utilizing nuclear mechanics and it keeps you totally bound to your solar system. Russia far outdoes America with space control--evil can only operate in terror and physical destruction. Since you have become a totally "sensing" population, you have forgotten how to respond and thusly, you react exactly as they have programmed you to react.

IF WE HAVE TIME--I will do a dissertation of "Brainwashing in America" as I did with the subject which was perfected in the Soviet Union--which we referred to as Psychopolitics. For now, however, we have taken two days from Germain and our most important subject of LIFE. I relinquish the forum and we will work out a method where perhaps each of us can have a daily session. That is a lot to ask of Dharma and the team but we are running behind as the pace of sequential activities increases. Ones are now putting the books to tapes and I am humbly grateful for your stepping up and taking the responsibility--you are indeed blessed, for many can now have the information who cannot seem to find time for reading. This work is being done with great love and "giving" for there simply are not funds to go forth and pay professional readers--the expense of the tapes themselves is a very heavy load to bear. Each of you who will share the voice which will go with you, give appreciation for the gift of precious time that you might also "have". And remember, that in all things, if you walk in beauty and Truth, nothing of the physical aspect can pull you down--it will impact you but it CAN NOT PULL YOU DOWN! Keep your intent on God within and you shall walk in security in the midst of the shadows; you shall be in peace.

Thank you for your attention.
