SEPTEMBER 1991 VOLUME XVI NUMBER 3

**8/28/91 #1 HATONN/ATON
WEDNESDAY**

Hatonn present in Radiance. First we have a personal response to W.B. (Burbank).

"Is it right to continue life support by artificial means when there is no hope in recovery? Is it against the law of God to remove life support under such circumstances?"

I hope you can understand that this is not a "yes" or "no" inquiry. Each entity is as precious and wondrous as its individuality. I can only give you guidelines by which to measure a decision of this magnitude.

Is the "SOUL" present? Be careful as to HOW you answer that! The one most closely attached, or several, must be QUIET and commune silently with that being--I do not speak of the "body"--I speak of the KNOWING which comes WITHIN.

Now, you must look at the disease. Is it tumorous, is it accidental head injury that may have actually destroyed a portion of the brain tissue, is it illness of the physical due to aging and acquiring the time of natural physical cycle change? In other words, evaluate the circumstance. The physician's input is valuable but should not be the deciding factor.

Life support systems in a hospital ARE NOT GOD NOR THE SOUL BEING IN ACTION. THEY ARE INVENTIONS OF "MAN" AND ARE OFTEN USED TO BENEFIT SOUL EVOLVEMENT--MOSTLY USED TO PROLONG

**A WEARY EXISTENCE IN PAIN
AND PRISON.**

Next, look at where the expansion/compression portion of the cycle IS. If the being has productive years ahead and has experienced a driving need to produce a thing in life-stream of conscious physical--evaluate whether or not damage is such as to disallow "probable" recovery. For instance, after trauma through accident, there is a period of time wherein the body often functions in "motor" response to allow healing--in coma. But this is usually only until the body recovers sufficiently to operate on its own. Once the allowed time is long enough and there is no sign of desire to "come back", you must accept that the Soul has made its decision and is only in partial attendance until the human expression and loved ones are READY to release it.

If a body has expressed desire to rest, it will show you by its reaction. It WILL become terminal and it WILL produce pain in order for the Soul to allow release. The most important thing in this instance is to discern who is learning the lesson--the one who wishes to GO or the ones remaining who feel NEED TO CLING FOR "SELF".

Once these guidelines have been made in rational discourse then you must go within and commune with that Soul--and if you ask in sincerity unto God to sit with you and show you the way--YOU WILL BE GIVEN TO KNOW THE PREFERENCE OF THE BEING INVOLVED.

The most important thing to

KNOW is that an "operating" "body" is NOT THE PERSON! When trapped in a situation of inability to sever the "cord" the Soul will usually stand guard over the body and "visit" it occasionally. Sometimes it departs and never even comes within the house again. If the person is lucid, even a portion of the time--LISTEN TO WHAT IT ASKS FROM ITS SOUL LEVEL--TO CLING A BIT LONGER OR FOR RELEASE.

Then, it must be faced--decide whether it is the "living" loved ones, the physician, who is handsomely paid for the services of prolonged agony and imprisonment of a Soul, or the NEED OF THE BEING TO REMAIN. THERE ARE SIGNS.

Now, KNOW that to discontinue life support systems after all possible recovery is considered and negated--is not against God's intent for it cannot be--that which is Soul is the YOU, and the body is the housing for convenience--there is NO SUCH THING AS DEATH--ONLY REFOLDING WITHIN THE SEED TO AGAIN UNFOLD ITSELF. THE BEING IN POINT CANNOT MAKE THE UNFOLDMENT INTO WHOLENESS AGAIN, UNTIL IT HAS COMPLETED THE CYCLE OF REFOLDMENT. PLEASE GET THE MOST RECENT JOURNALS FOR, THIS PROCESS IS COVERED IN DETAIL REGARDING LIFE CYCLES AND THAT WHICH IS REST (DEATH YOU CALL IT--WRONGLY!).

If mechanical means of sustaining a body function are NOT FOR THE PURPOSE OF ALLOWING TIME

FOR THE HEALING IN ORDER TO AGAIN FUNCTION IN THE PHYSICAL FORMAT IN ORDER TO HOUSE A FUNCTIONING MIND, THEN YOU ARE PROLONGING THAT WHICH IS NOT YOURS TO PROLONG. *Man has "cycles", and to prolong the agony of "movement" just to sustain a Body is indeed against the God within that being who has made its choice and the rest of you have overridden its choice to suit your own needs. NOW THE PUNCHLINE:*

IF THAT SOUL NEEDS FURTHER USE OF ITS BODY AND ALL HAS BEEN DONE WHICH CAN, THE DISCONTINUATION OF THE SUPPORT SYSTEM SIMPLY ALLOWS THE SOUL TO MAKE ITS DECISION. IF IT IS IN INTENT TO REMAIN WITH THE BODY LONGER--IT IS ALREADY IN ITS STATE OF COMMUNION WITH ITS SOURCE, GOD AND "THEY" WILL DECIDE QUITE NICELY ON THEIR OWN, THE NEXT STEP AS TO WHETHER TO REMAIN IN THE RESPONSIBLE BODY OR TAKE RESPITE AND HEAL. IT IS NOT UP TO THE ONE REMAINING TO MAKE THAT CHOICE FOR NO MAN KNOWS THE CONTRACT NOR MISSION OF ANOTHER.

As direct response to the question as directed; I believe you have the guidelines for decision. Now, for the biggie--NO, IT IS NOT AGAINST THE LAW OF GOD IN SUCH TERMINAL CIRCUMSTANCE--IN FACT, TO CONTINUE MECHANICAL SERVICE TO A BODY BEYOND THE DESIRE OF THE SOUL INVOLVED IS THAT WHICH IS AGAINST GOD--FOR YOU (OR THE PHYSICIAN) HAVE MADE THE DECISION--NOT THE INDIVIDUAL IN THE FLIGHT.

Blessings and peace be with you for this came from a heart in pain of indecision for at some point in almost every life stream will come such a circumstance with a loved one.

The thing you must realize is that to discontinue a life-support system IS NOT THE SAME AS EUTHANASIA NOR IS IT ASSISTED SUICIDE. IT IS THE RE-

LEASE INTO THE HANDS OF GOD AND THAT WONDROUS FRAGMENT OF EXPRESSION OF GOD-SELF. These are circumstances which are the testing and lessons of the relations. I trust I give peace and not further confusion, but each instance holds its own unique circumstance, therefore, ASK, and GOD WILL ALLOW YOU TO KNOW THE WAY. MAN IN HIS OWN LONELINESS AND FEAR CLINGS TO THAT WHICH IS NOT HIS TO HOLD, AND YOU MIGHT PONDER A BIT OF VERSE:

*IF YOU LOVE A THING--SET IT FREE.
IF IT RETURNS TO YOU--IT WAS YOURS TO HOLD FOR A WHILE.
IF IT COMES NOT AGAIN--IT WAS NOT YOURS TO HOLD.
IF IT BE A BEING--IT WAS NEVER YOURS TO HOLD AT ALL--ONLY SHARE.
GOD WILL GRANT THE WISDOM TO DISCERN THE DIFFERENCE IF YOU ASK--AND THEN LISTEN FOR THE ANSWER! THE ANSWER WILL COME IN THE SILENCE OR THE SIGN IF YOU BUT WATCH.* So be it, for the Light awaits the taking that the path might be illumined.

Adonai

Aton to clear. I answer in behalf of Sananda and I appreciate the opportunity to so do.

9/2/91 #2 HATONN
MONDAY, LABOR DAY

Hatonn present with the new flashes of the week: Mt. Pinatubo still spews ash and metallic particles all over the globe now. There are particles of gold and other precious metals BUT, some deadly ones as well--lithium, chromium, copper, etc. It will be safer to stop breathing, world.

Mt. Unzen of Japan is freshly erupting and tremors are shaking large parts of western Japan. Then across the waves to Grand Cayman Island--the earth is shaking and rattling. Also along the Mexican Oaxaca coast in the Nicobar Islands.

Moving on around you will find "the heaviest inundations in living memory" have hit four provinces to the south and west of Phnom Penh. Also Thailand and Laos have had severe flooding for hundreds of miles downstream along the Mekong River in Cambodia. How many of the POW's do you think your good old buddies will bring home from that area? The rice harvest is lost and the rail lines and roads devastated.

But not to be outdone, New Delhi, Calcutta and other parts of northern India were devastated by fierce rains that have swamped the cities and flooded residential areas. Two concomitant (a bit unusual??) storms moved ashore from the Bay of Bengal.

Not to be outdone where there are other possible POW and MIA's--Korea--more than a hundred people were left dead and thousands homeless after widespread flooding and wind damage across southeast Korea.

Now to more unpleasant things: Cholera bacteria has moved up into the area of North American waters. There comes no explanation of how the germs reached the Gulf of Mexico "oyster banks in Mobile Bay. The U.S. Center for Disease Control in Atlanta has no notion of how or why but has warned against eating the oysters which are widely polluted."

In Bolivia, it is confirmed that cholera has reached that country and people are rapidly becoming ill as the disease spreads.

Now, note that plutonium concentrations are now found in an area near France's nuclear testing site at Muruoa Atoll in the South Pacific. NOT to worry they say because, they "...can't tell if it is new contamination or 'natural fallout' from prior testing as well as 'recent testing'. France has been testing nuclear weapons at Muruoa and nearby Fongataufa since 1966! Still feel cuddly safe?

WHAT IS GOING ON
AT EDWARDS?

They are playing with this little rocket-powered device designed to

destroy nuclear missiles in space. It went all of 13 feet into the air and flew for 17 seconds during a Star Wars program test, (officials said--I do note that pictures you were shown were taken some six months past).

This little 23.8-pound, computerized projectile also locked in on a simulated missile plume 100 yards away, performed two lateral movements covering 20 feet and hovered before dropping into a safety net, officials reported.

The device, known as LEAP, for Lightweight Exo-Atmospheric Projectile, is considered a **"KEY COMPONENT OF THE PENTAGON'S STAR WARS PROGRAM, OFFICIALLY KNOWN AS THE STRATEGIC DEFENSE INITIATIVE."**

The plans, they say, are to launch this from aboard an Aires or similar rocket and eject it 60 miles to 180 miles above the Earth. The device would track incoming missiles and slam into them, destroying the weapons.

This is dubbed LEAP, I suppose in honor of frogs--well, I note another frog weapon which would be at least as effective and a lot more slippery for your enemy. You will note that it is now employed in Iran. A very large army of frogs has invaded the Caspian Sea port of Ghazian, overrunning streets and hopping into houses. The Iranian news agency reported that they are from a local marsh that has been flooded with the overflow from nearby rivers. The area was once the site of a plant that bred and canned frogs for export, but it was closed after the Islamic Revolution of 1979.

Here is another good one: "Magellan Spacecraft Discovers 4,200-Mile Channel on Venus." They say that "The very existence of such a long channel is a great puzzle. If the long channel were carved by something flowing on the surface, the liquid must have had unusual properties." Brilliant! You are in good hands, world! Shorter channels have been seen on many plains on other parts of Venus, some of which terminate in lava flows that suggest they were

carved out by lava from a volcanic eruption. But it is said it is unlikely that lava, even at very high temperatures, would have the very high rate of flow needed to form the newly discovered channel--No similar channels are known to exist on Earth, NASA said. Well, you could not really see it very well because of "thick, yellowish clouds....". Now do any of you nice "channels" wish to debate "life on Venus", especially little sojourns with space brothers of some sort to visit relatives? The only life forms on such a place as Venus is from off-planet stationed craft--some being almost as large as the planet itself and yes, containing very sophisticated "cities". They do not live ON Venus. The "yellow" clouds are vaporized sulphur and it would give you a very big poison headache for approximately six tenths of a second as you fry your little toes to a cinder. It is time you stop the nonsense and deal with REALITY of the Cosmic projections as they ARE!

Come back to Earth and deal with your own reality--here is one, taken totally at random: Phoenix, AZ: *"A former cook who spat on a hamburger as he prepared it for a policeman has pleaded guilty to misdemeanor assault. George Juan Kuehme, who entered the plea Tuesday as part of a deal with prosecutors, allegedly saw a police car at the drive-up window of a restaurant and spat on his hamburger, saying, 'That's what an officer gets.'"*

Officer Gary Underhill noticed something amiss when he bit into his sandwich after leaving the fast-food restaurant Dec. 10 and went back to arrest Kuehme.

Kuehme, 20, will be sentenced to **45 days in jail and put on probation under his plea agreement with prosecutors.**

And for the biggest LIE of the day: "Kuwait Sinks Iraqi Gunboat, Seizes 46 Iraqi Soldiers in Gulf Clash." I suppose the lie was too much for even the press for they spelled "soldier" as "Soliders". Perhaps this is some amphibian similar to frogs? Oh, by the way, the reason that it wasn't noted was that the soliders were in "civilian

guise". "The only alternative to soldiers was that the men were 'arms smugglers'." Funny thing, the only arms to smuggle at present are from Israel. Oh sweet lullabies of dream-land!

SOME HARD FACTS WHICH ARE (SOMEWHAT) TRUE
The only thing is in the usual understatement of fact.

* George Washington said: "It is impossible to rightly govern the world without God and the Bible." Your present government and courts ignore both!

* Bush recently approved another \$1.5 BILLION in guaranteed agricultural loans to the USSR. They will never be paid back so these are US taxpayer funded GIFTS to Gorbys and Co. It's your money--do you approve?

* It is now confirmed (5/31/91) that Manuel Noriega was a CIA agent and helped conduct US intelligence operations. The CIA paid him \$200,000 a year for over ten years.

* The U.S. (you) pays over \$50 BILLION per year to defend JAPAN.

* To date, the federal government has spent \$47.5 million for the Iran-Contra investigation and prosecution of Ollie North, Richard Secord and others. The office of Special Prosecutor Lawrence Walsh currently costs \$1 million per month and in spite of Ollie North's conviction being overturned in appeals courts, Walsh plans to retry North. Come-come, America, who is kidding who?

* The US Senate just voted itself a \$23,200 pay raise--bringing annual salaries to \$125,100. This was done in the night with barely any dissenters. Could it not work better if you abolished completely, the Senators' salaries? It appears to me that you pay handsomely to your own prison wardens to enslave you.

Breathe easy, America, for this new Gorbys in the Bush trust system is worthy of note. So wondrous is this trust that Bush is

shutting down one of America's TWO radar command centers (at Mountain Home Air Force Base in Idaho) that watch for Soviet bombers flying toward America and keeps tabs on other flying objects from enemy territories. The base, dear ones, is being converted to a "detention center" (well, Idaho is a nice place to vacation). The second base will be kept (in Bangor, Maine) but only open "part time". The Over-The-Horizon-Backscatter Radar System, costing over \$1 BILLION, can peer 2,000 miles off the US coast, covers a 6 million square mile area, and can spot incoming missiles or warplanes. Remember--I told you that the Soviets just took over America with their little coup? Hold it in your hearts!

* The militant gay group, the "Human Rights Campaign Fund", distributed over \$500,000 to pro-homosexual political candidates in '89-'90 to facilitate passage of pro-homosexual legislation. HRCF has a 1991 budget of \$4.5 million. Ah, but there is no money to extend unemployment benefits.

* Please attend this one closely: "Sir Geoffrey Howe, Margaret Thatcher's (you know, Thatcher--the one in Moscow at the moment although she is "out of the government"!) deputy prime minister who planned and helped precipitate the Iron Lady's overthrow, ADMITTED RECENTLY THAT THE PLANS FOR THE EUROPEAN SUPERSTATE (TO BE LAUNCHED IN 1992) HAD BEEN DECIDED UPON 30 YEARS AGO. DITTO FOR GEORGE AND MIKHAIL'S NEW WORLD ORDER--WITH THE NAMED PLAYERS AS ARE.

* "New World Order" means global government under the UN with America and Russia in partnership. It means slavery for freedom loving people all over the world. However, George Bush used the term "New World Order" almost 50 times in public since last summer--but you will note it is pretty often absent in reference at all these days from "the Lips". Brent Scowcroft, the nice Mormon traitor, National Security Advisor (a Kissinger/Trilateral/CFR opera-

tive) has persuaded Bush to back off from the NWO rhetoric and by no means to spell out or define it to the public.

* Who will run for President against Bush? It doesn't matter if it is within the Democratic or Republican parties. It's all in the family and the front runner is coming on as Jay Rockefeller, heir to the Rockefeller fortune and nephew of Nelson and David. Then of course, there is Governor Mario Cuomo from New York in hot pursuit.

* Margaret Thatcher just can't keep her fingers out of politics, can she? She recently blasted the coming political merger in Western Europe, saying that "It would be the greatest abdication of national and political sovereignty in our history." Unfortunately, the British people will not listen to Thatcher until it is too late--until they have yielded their freedoms to the socialist European superstate--**JUST AS MAGGIE LAID THE BLUEPRINT!**

A FEW DISQUIETING FACTS IN ADDITION

* 42% of blood donors in Zimbabwe have been found to be HIV positive. An industrial work force of 450 in Zimbabwe tested 2% HIV positive in 1988; the same work force tested 57% positive in 1989.

* By the end of 1991, it is now publicly recognized that AIDS will be the leading cause of death for U.S. men 25-44 years of age.

* So, Israel sells eyes from slain enemies, why not China? Red China is now selling kidneys, hearts, and other organs of executed prisoners at high prices for organ transplants according to officials at the Chinese University in Hong Kong. Of course, they also have about the highest rate of executions in the world.

* A little thing like exposure to too much aluminum and some other metals is the leading cause of Alzheimer's disease. Some of these symptoms coming with the disease could be nicely reversed with proper supplementation--but

the death rate from Alzheimer's disease increased ten-fold from 1979 to 1987. Perhaps all your "Banning together" in an attempt to smell like a bottle rather than a human could contribute to aluminum overdosing? (Ban, like most deodorants, contains aluminum.)

* The South African Medical Journal (6/16/90) reported 7% of South African Black male and female blood donors in the last half of '87 were HIV positive; by the second half of '89 the number of **HIV positives had jumped to 47%.**

HOW ABOUT SOME GEO-POLITICAL MISCELLANEOUS

* Thomas Jefferson, with all his faults, said another great quote: **"NO FREE MAN SHALL EVER BE DEBARRED THE USE OF ARMS."** Anyone want to make a bet? Here is a real understatement but too limited to bear appropriate comment: "NO MAN'S LIFE, LIBERTY OR PROPERTY IS SAFE WHILE THE LEGISLATURE IS IN SESSION" (*Or when it is not in session!*) **Judge Giddons J. Tucker, 1866 and Hatonn, 1991.**

FOUNDING FATHERS DECLARED

Patrick Henry: *"The great object is that every man be armed. Everyone who is able may have a gun."*

James Madison: *"Americans have the right and advantage of being armed--unlike the citizens of other countries whose governments are afraid to trust the people with arms."* Ah humm!

Samuel Adams: *"The Constitution shall never be construed...to prevent the people of the United States who are peaceable citizens from keeping their own arms."*

Alexander Hamilton: *"The best we can hope for concerning the people at large is that they be properly armed."*

James Madison: *The right of the people to keep (to have and to hold, openly or concealed) and bear (carry, transport and use)*

firearms (weapons of self-defense, including the handgun which predated the rifle and has existed for self-defense since the 1500's) shall not be infringed (invalidated, limited, abridged). A well regulated militia, composed of the body of the people, trained in arms, is the best and most natural defense of a free country..."

George Mason: "I ask, sir, what is the militia? It is the whole people, except for a few public officials."

Elbridge Gerry: "I ask what is the purpose of the militia? To offset the need of large standing armies, the bane of liberty."

Thomas Jefferson: "The constitutions of most of our states (and of the United States) assert that all power is inherent in the people; that they may exercise it by themselves; that it is their right and duty to be at all times armed; and they are entitled to freedom of person, freedom of religion, freedom of property and freedom of the press."

Abraham Lincoln: "Our safety, our liberty, depends upon preserving the Constitution of the United States as our Fathers made it inviolate. The people of the United States are the rightful masters of both Congress and the Courts, not to overthrow the Constitution, BUT TO OVERTHROW THE MEN WHO PERVERT THE CONSTITUTION."

Thomas Jefferson: "THE STRONGEST REASON FOR THE PEOPLE TO RETAIN THE RIGHT TO KEEP AND BEAR ARMS IS, AS A LAST RESORT, TO PROTECT THEMSELVES AGAINST TYRANNY IN GOVERNMENT."

SO, CONSTITUTIONALLY THE PEOPLE HAVE THE RIGHT TO OWN AND BEAR ARMS AS AN INDIVIDUAL RIGHT. THE MILITIA CONSISTS OF ALL THE PEOPLE, AT ALL TIMES. EVERY CITIZEN HAS THE ABSOLUTE, GOD-GIVEN RIGHT TO BE ARMED AND TO DEFEND HIS PERSON, FAMILY, PROPERTY AND COUNTRY. NO GOVERNMENT OR LEGISLATURE HAS THE AUTHOR-

ITY TO RESTRICT OR INFRINGE IN ANY WAY ON THE RIGHT OF THE PEOPLE TO BE ARMED!

Now, Dharma, we will outlay about three pages of pointed items which you all had better attend:

* Islamic fundamentalism is now emerging as the principle political force in Pakistan. Shariat (Holy Law) is about to become the supreme law of the land. Pakistan will therefore have a radical Islamic government run by clerics and mullahs identical to that of Iran.

* Fidel Castro is under a crash program to activate four Soviet VVER-440 nuclear reactors by 1992 (utilizing technology based upon a 1960's pre-Chernobyl design). The USSR found these reactors to be so accident prone that they shut down theirs in the early '80's citing inadequate safety features. Eastern Europe is in the process of shutting down all of its VVER-440's. Good luck Palm Beach and all places southeast of the Mason/Dixon line!

Now, dear ones, Castro will do anything to become a nuclear power and obtain the ability to produce nuclear weapons. The entire US Eastern seaboard is threatened by Castro's Soviet-made reactors which are based on a substandard design universally rejected in the West. **These reactors are more dangerous than the ones which blew up at Chernobyl.**

* At least 15 Third World countries (including Cuba, Libya, and perhaps Iraq) will have nuclear war-headed ballistic missiles by 2001--[H: This is a bunch of you know what! They already have them!] This is not to mention over 20,000 Soviet warheads presently aimed at America (this is according to your own CIA). And yet the US, in spite of Patriot and other anti-missile technology, cannot stop one incoming missile. Isn't it about time to deploy some intelligent counter-measures? Or, is it too late?

* Soviet Foreign Minister Bessmertnykh has acknowledged that the Soviets still have nuclear

weapons in eastern Germany along with almost 400,000 Soviet troops. Ho Humm.

* Up to 20 million Chinese slave labor prisoners are producing most of the products being exported to America from the PRC. Who is next?

* The Kremlin has just sent an extreme hardliner, Victor Komplektov, **TO BE THE USSR'S NEW AMBASSADOR TO THE UNITED STATES.**

* The Soviets have just installed 18 new rail-mobile nuclear missile launchers for the SS-24 missile, strong evidence that the Kremlin is forging ahead with a strategic weapons buildup despite its worsening economic condition. The CIA has determined that US intelligence would be unable to locate the launchers as they move along the USSR's 80,000 miles of tracks. **[UNLIKE THE USSR'S ABILITY TO FOLLOW YOUR MX'S ALL OVER THE MAP AND STRIKE EVERY ONE OF THEM BEFORE THEY REACH TRAVELING ALTITUDE.] Officials say: "They operate like submarines...they're the ultimate strategic stealth weapon". Each of the 10 warheads on the SS-24s can deliver a 100 kiloton bomb up to 6,200 miles--easily within range of America when fired over the polar cap.**

* In the six years ('85-'90) since glasnost began, the US Defense Intelligence Agency reports that the Soviets have outproduced the US in strategic weapons as follows: 450 bombers-USSR vs. 104 bombers-US; 715 ICBMs-USSR vs. 68 ICBMs-US; 54 submarines-USSR vs. 24 submarines-US. In '89 and '90, the Soviets outbuilt the US in bombers 140 to 1. Now you are in the process of laying off your aerospace work force!

* The Soviets have just moved over 70,000 pieces of equipment (i.e., trucks, tanks, planes, armored vehicles, gun ships, and artillery pieces) east of the Urals to prevent their being covered by the US/Soviet Conventional Forces in Europe Treaty. Gorbachev and Company lied and cheated regarding the CFE treaty (as they always

do) before the ink was even dry on the document--worse yet, your American treaty makers aided and abetted the move.

* Hardline KGB Chief Vladimir Kryuchkov recently warned the Soviet parliament that the West is working out plans for the "pacification and even occupation" of the Soviet Union. He said: "Our fatherland is on the brink of catastrophe." and blamed it on "conspiracy on the part of the West". **Still want to argue over plans for a nuclear first strike of the US against THE USSR?** What would be gained? The world! Remember, the Elite have secure, safe shelter systems--the world is what would be gained.

* There has just been an approved 20% increase in the KGB budget and a 37% increase in the Soviet military budget for the next 12 months. **They talk peace while they prepare for war.**

How could it be that you ones don't know any of this? BECAUSE THE MEDIA IS CONTROLLED AND YOU ARE GIVEN THAT WHICH YOU ARE SUPPOSED TO HEAR--I TOLD YOU--NOTHING TAKING PLACE IN THE USSR IS AS IT APPEARS TO BE AND YOUR ADMINISTRATION AND ELITE ONE WORLD ORDER MEMBERS AND BANKSTERS ARE RIGHT IN BED WITH THEM--PROSTITUTING AND DISEASING YOUR WHOLE PLANET!

* Gorbachev and his new hard-line ambassador to the US (Komplektov) have both stated emphatically that the Soviets will not cut their \$5 BILLION in annual aid to Cuba. And still, you send aid to Russia while cutting your own welfare program, ending Social Security, taking everything from your citizens as to assets and property and giving your industry away to your enemy. Yes, here is a good place to say it: "JESUS WEPT!"

* ON JUNE 1, U.S. FORCES IN SOUTHERN GERMANY DESTROYED THE LAST PERSHING II INTERMEDIATE RANGE MISSILES IN EUROPE (36 IN ALL) AS PER THE INF TREATY

OF 1988. AMERICA PULLED OUT AND DESTROYED 100% OF ITS EUROPEAN-BASED INTERMEDIATE RANGE MISSILES; RUSSIA KEPT 93% OF HER MISSILES TARGETED ON WESTERN EUROPE AND HAS SINCE DEPLOYED MANY MORE SS-24 AND SS-24 ROAD AND RAIL MOBILE MISSILES.

* The formerly conservative Heritage Foundation has just endorsed Most Favored Nation trade status for Red China. It is hard to tell who your friends are, is it not?

* America spends 4% of its GNP on its military--the Soviets spend almost 50% of their entire GNP on their military and rising. Lenin said: "*They (the West) disarm--we arm.*" No, what you see happening in the Soviet Union is not what is happening in the Soviet Union!

* Cuba, Panama and all the original drug shufflers continue in business and thriving. Castro runs a huge cocaine factory in eastern Cuba, built with the help of a Colombian drug baron and guarded by Raul Castro's military counter-intelligence--aided and abetted by your U.S. administration.

* The Soviet KGB is building an espionage network in Germany using agents from East Germany's former secret police (Stasi). These work in conjunction with the Israeli Mossad (the Israeli secret intelligence terrorist trainers). The head of Bonn's counterintelligence said that "these spying activities are being continued most aggressively."

KGB power in and outside of the Soviet Union continues to grow. There are more KGB in the CIA than there are Americans and it is liberally infiltrated by Mossad agents. The KGB monitoring and surveillance of the Soviet people (via informers, electronic bugs, telephone taps, etc.) has grown dramatically since Gorbachev came to power and since the coup has only rearranged its public image to go more underground and limit public access to media. Greatly increased numbers of KGB agents are being stationed abroad by Kryuchkov.

* On April 25, US spy satellites discovered Soviet SS-20 nuclear missiles in Cuba in total violation of the Kennedy-Khrushchev agreement ending the Cuban missile crisis, and in violation of the INF treaty which banned all SS-20 missiles. General Daniel Graham, former head of the DIA and director of High Frontier, recently stated that the SS-20's, with a range of 3,000 miles, can hit targets anywhere in the US.

* Even more ominous are US intelligence findings that Cuba (with Soviet support) is developing a nuclear reactor capable of producing weapons grade fuel in a new facility near the Cienfuegos (Soviet) submarine base in southern Cuba. This is where the Soviets have long had a facility suspected of handling nuclear warheads to arm their strategic nuclear submarines which cruise off the US coastline and completely cover both sides of your nation.

Perhaps this is not the time to *(just hold up a moment, Dharma, you are under attack and we will have to change frequencies)*. To continue--Perhaps this is not the time to remind you of all those communist military battalions south of your border in Mexico? Free trade? Oh, you have no idea...!

* Good old friendly Iran just test fired a North Korean version of the Soviet Scud-C missile (a far more accurate and deadly version than that used by little Iraq in the recent Gulf Lie). U.S. intelligence sources say Iran may have purchased as many as a 100 of the North Korean missiles. Syria is buying 150 of the North Korean Scud-C's at a cost of \$500 million, with the money supplied by Saudi Arabia. These Scud-C's will be targeted on Israel. Oh, and what about Israel? Well, you do have to have a reason to start and devastate through nuclear war--the Armageddon, do you not? **ARE YOU BEGINNING TO BE ABLE TO SORT OUT YOUR ENEMY? WELL, HANG IN THERE AND IT WILL COME CLEAR, YOU DON'T HAVE TO ASK ME BECAUSE I CHOOSE TO TELL YOU IN THIS MANNER AND YOU FIGURE IT OUT!**

* There is a massive press drive and media blitz to give more aid to Russia. And, the Israelis demand more from you--WHERE ARE YOU--THE-PEOPLE?

* RED CHINA HAS 3 MILLION MEN UNDER ARMS AND ABOUT 300 NUCLEAR WEAPONS. IN ADDITION THERE ARE MORE THAN HALF A BILLION CHINESE AVAILABLE AND ARMS READY--WHEN THE TIME IS APPROPRIATE TO MOVE.

* Well, wouldn't you know it would come out into reasonable format: Bush has announced the closing of America's huge strategically located Philippine air base at Clark Field--using volcanic dust from a recent nearby volcanic explosion as the excuse. The Soviets (oh no!) have long wanted America out of the Philippines and Bush has been looking for a way to accommodate them in this new joint take-the-world-plan. What with that nice ability of the Soviets to trigger earthquakes and volcanic eruptions--what a handy demonstration.

The New People's Army, Soviet backed, are killing lots of government troops. You can count on your little fingers, (2) years at the most, before the Soviets have total control of both Clark Field and Subic Bay. You even left all that electronic gear and equipment in the volcanic aftermath on site for convenience. Remember that the Soviets use America's former giant naval base at Cam Rahn Bay in Vietnam. And do you REALLY believe any of those nice sons and husbands of yours who gave their lives to incarceration in Viet Nam will be returned?

* The Soviets retain 50,000 troops in Poland and are pressuring the Polish government of Lech Walesa to sign a new "friendship" treaty allowing the USSR to intervene in and guarantee Poland's borders. Similar Soviet treaties are being pressured on Czechoslovakia and Hungary. The proposed treaty demands that Poland deed to Moscow the ownership of every structure, airfield, communications link, arms factory, barracks and other property built by the USSR

in Poland over the past half century. Sixty percent of the Polish Parliament is still made up of Communists as per an agreement Walesa cut with the Communists in 1989. Remember what the Soviet Communists said (Lenin): "If it becomes necessary we will simply change the name of the Party to appease the people." I remind you: the SOVIETS HAVE NEVER PRACTICED "COMMUNISM", THEY ONLY CALLED IT THAT.

How is this for a friendly number? KGB Chief Kryuchkov (completely in cahoots with Komplektov, the USSR new ambassador--no difference in fact) acknowledges that Lenin/Stalin purges from 1920 after the American financed Revolution, claimed 4.2 million lives--not so--it is easily 10 times that number!!!

* US, British and French intelligence agencies have traced the 1988 Pan Am 103 bombing as well as the destruction of a French UTA DC-10 flight #772 to Khadafi and his terrorists. Intelligence insiders say that high ranking Libyan officials, including the Vice Minister of Foreign Affairs and the chief of Libyan intelligence signed the "hit" order at a meeting in September, 1988.

* The American Express office in Zimbabwe recently intercepted a \$1 million transfer from Khadafi to South Africa's communist ANC.

* Saudi Arabia has granted the notorious terrorist head Abu Nidal the right to set up offices for his Fatah Revolutionary Council in Jeddah, Saudi Arabia. A number of radical Palestinian terrorist groups are also about to set up offices in Saudi Arabia--what you see with your "allies" is not what you gets, either.

* The PLO recently spawned another radical terrorist group called Palestine Islamic Jihad which just attempted the bombing of a British consulate in Greece. PIJ plans to link its terrorist efforts with the Islamic fundamentalist movement which is spreading like a wild fire throughout the region.

* Lots of kidneys and hearts for

sale: Nineteen people were executed on one day alone in Canton, China for "crimes against the State"--joining the tens of thousands who have been executed by George Bush's friends with a bullet to the back of the head since Tiananmen Square. This is now the chosen form of execution for it damages no organs and they can be removed before stagnation of the blood and damage can be sustained.

* In April, the Treasury Dept. named 52 businesses and 37 individuals as fronts and agents of the Iraqi government. All of them were either set up by Iraq or traded with Iraq before the war. Unnamed, however, were Ronald Reagan, George Bush, the U.S. Congress, or the Export-Import Bank. The State Department was not mentioned either for some strange reason. And yet these were most responsible for building up Iraq with technology, encouraging Iraq's aggression against Iran, and setting the stage for Iraq's naive and misguided(?) invasion of Kuwait. So be it.

* On Monday, August 26, 1991, the *Los Angeles Times* ran a major "Commentary" by Henry A. Kissinger called "New Dealings with a New Russia". If this has not made it to your attention, we can make it available but I do not believe Dharma's digestive tract could handle it this day.

* By the way, you Robert Gates for director of the CIA wishes--probably won't see it happen. This longtime spymaster is now linked personally to the explosive BCCI bank scandal. In one instance, Gates obstructed an investigation into drug money laundering at Bank of Credit and Commerce to the tune of \$22 BILLION, in one worldwide financial conglomerate transaction.

* The Israeli army is lined up on the border of Jordan waiting for orders to invade. Israel's master plan is to capture half of Jordan, then to permanently throw out the 3.5 million Palestinians still in Israel, in direct violation of international law. The American media has been prevented from reporting the Israeli troop deployment--sur-

prise?

While the world is in upheaval and the cats are occupied--the rats do play!

**** MACHIAVELLI wrote: *When a state accustomed to live in freedom is acquired, there are three ways of keeping it: the first is to destroy it; the second is to live there in person (i.e., occupy it); THE THIRD IS TO LET IT CONTINUE TO LIVE UNDER ITS OWN LAWS, TAKING TRIBUTE FROM IT, AND SETTING UP A GOVERNMENT COMPOSED OF A FEW MEN WHO WILL KEEP IT FRIENDLY TO YOU.***

DOES THE THIRD WAY SOUND LIKE THE DESCRIPTION OF AMERICA THIS DAY IN THE 1990's?

Dear ones, though you walk through the valley of the shadows, you who sustain will be secure and you must fear no evil for evil cannot stand in the light of Godly men.

Listen to the Psalmist: "Do not fret because of evil men or be envious of those who do wrong; for like the grass they will soon wither, like green plants they will soon die away. Trust in the Lord and do good; dwell in the land and enjoy safe pasture. Delight yourself in the Lord and he will give you the desires of your heart. Commit your way to the Lord; trust in him and he will do this: He will make your righteousness shine like the dawn, the justice of your cause like the noonday sun. Be still before the Lord and wait patiently for him; do not fret when men succeed in their ways, when they carry out their wicked schemes. Refrain from anger and turn from wrath; do not fret--it leads only to evil. For evil men will be cut off, but those who hope in the Lord will inherit the land.

"The days of the blameless are known to the Lord, and their inheritance will endure forever. In times of disaster they will not wither; in days of famine they will enjoy plenty. But the wicked will perish; the Lord's enemies will be like the beauty of the fields, they will vanish--vanish like smoke.

"If the Lord delights in a man's way, he makes his steps firm; though he stumble, he will not fall, for the Lord upholds him with his hand.

"The salvation of the righteous comes from the Lord; he is their stronghold in time of trouble. The Lord helps them and delivers them; he delivers them from the wicked and saves them, because they take refuge in him."

You can make it to be any way you choose--**GOD WILL WORK WITH YOU; HE WILL NOT DO IT FOR YOU. SALU!**

I am Hatonn and that which I witness upon your planet all but takes the breath from a being--so far have you slipped into the mire of the evil trap.

Yes I know, you asked for an update of the economy and I take hours to give you "Black Monday". Dear ones, the information coming from your Pleiades brothers through Germain gives you the answers and the "what to do"; we can actually do no more. I, further, have told you the only thing I see to attend your assets to any measure at all and ones denounce my workers as frauds and shysters--no, the ones you think to be working in your behalf with investment "solutions" in foreign currency, etc., are the deceivers for the economy of the world is due to collapse and there are no simple and perfect solutions to protect that which you HAVE. Perhaps it is a time to consider that which you might GIVE UNTO GOD SO THAT ABUNDANCE MIGHT BE REGIVEN UNTO YOU. YOU WILL NEED TO READ THE CURRENT JOURNAL IN PREPARATION IN ORDER TO FULLY UNDERSTAND THIS STATEMENT. DO NOT EXPECT THESE EXPRESSES TO GIVE YOU THE STORY--THEY ONLY GIVE YOU THE TIDBITS OF "WHAT'S UP, DOC?" THE CHOICE IS YOURS!

I will give you that rundown after a while for this scribe is weary unto illness--I will write no more on the subject this day for Germain must have voice also. Tomorrow is lost to a long meeting and early

"court"--so nerves and beings are frazzled and fatigued. If you will study that which we have given it should occupy you until the next sequence. Thank you. Hatonn to clear, please.
