9/9/91 #1 HATONN
MONDAY

Hatonn present in the Light of Radianance. Be careful, dear ones, this is Rosh Hashana, the early days of the the Khazarian Holidays. To you blessed Judaists, I bring greetings from the Source unto you who are continually targeted by your own brothers for lo, these generations of passage--and now, you must be targeted again by the very ones who have stolen your heritage. God of Light shall be with you and hold you close if you will but ask in Truth and intent.

The dark shadowed ones of the place now called Israel are on the eve of the blackest manipulation and evil intent--upon your place--they await the invading of Jordan and the casting out of the Palestinians from their homeland. They chide and taunt and blackmail--yes, BLACKMAIL and now, having received the \$10 BILLION dollars in ransom are again changing the participation--"We will not attend the Peace negotiations if the Palestinians are represented." The world is out of control!

To finish the *EXPRESS*, Dharma, we will speak of apparently unattached subject material but it must be spoken of--the SPOTLIGHT Populist Party and the MIA/POW executions in Asia. We will also need to speak to the situation with the marked money and the awaiting recall and change to World Currency (colored notes).

EXTREMELY
DISAPPOINTING?

This should not even come as a

surprise--much less a disappointment that the Editorial Staff of SPOTLIGHT is now in full-fledged support of Yeltsin and refers to him as a genuinely focused "Populist".

Please see to it that this is sent immediately to Col. Gritz.

To you who doubt, I shall simply ask Dharma to quote from a major Editorial article from the front page. Keep in mind that the entire "Coup" was a total hoax and the "freedom" coming to the Baltic nations is but an illusion. They cannot function alone and there will be demanded a central parliament wherein the entire of the "prior" Soviet Union will have representatives to the central government--the separation is in name only!

Quote:

American pro-communist Lincoln Steffens, after returning from a trip to the Soviet Union in the 1920's, said, "I have seen the future and it works."

Oh, yeah?

Ask Boris Yeltsin. Yeltsin, the president of the Russian Republic and the new power in the Soviet Union--thanks to his courageous defiance of the coup plotters and his ability to rally the Russian people--is, **MAKE NO MISTAKE ABOUT IT, A POPULIST!**

The trouble is, nobody in the Establishment media understands this term, although they apply it freely to Yeltsin. Yet what the Establishment means, and what The

SPOTLIGHT means, when they use this term, are two entirely different animals. The Establishment uses it in almost a pejorative sense, meaning that Yeltsin appeals to people's "baser" motivations, such as nationalism, ethnic pride, anti-elitism and yearning for individual freedom. Remember when the newly elected Yeltsin toured the United States last year? He was depicted as a Russian oddity, a rather crude but entertaining buffoon capable of downing a fifth of vodka while showing no signs of it.

When Yeltsin attended a meeting of the European Parliament last year, The SPOTLIGHT reported the rude treatment he received at the hands of Europe's liberals, who snubbed him and refused to let him speak, causing him to leave in frustration and anger.

Now that he is the man to reckon with, however, the Establishment media warns repeatedly that he is an unknown quantity, that his appeals to nationalism could easily metamorphose into chauvinistic bigotry, interrepublic warfare and general chaos. In other words, they dislike him because he clearly hasn't had the sense educated out of him. Because of their lack of understanding, they also know nothing about the true nature of the Soviet breakup, nor what it portends for the future.

Yeltsin's ascension represents the best and highest aspirations of his people. He is saying "no" to the defunct imperialistic communist system and is ushering in a new epoch in this globe's history where the people will rule themselves.

Where he will run into trouble in the West, however, is when he also, inevitably, says "no" to the international capitalists who will rush in to grab up the goodies left behind by the fleeing communists. Because, as any--

TRUE POPULIST

understands, international finance capitalism and communism are merely two sides of the same coin of materialism and greed.

Yeltsin will be merely the first of many leaders worldwide who will come to recognize this fact. Now that there is no communist threat any longer, the entire false dichotomy of capitalism vs. communism, left vs. right, conservative vs. liberal, will crumble--is, indeed, already splintering, as can be seen by the perplexity of conservative anti-communists in the wake of the Soviet downfall, and the strange reluctance of the anachronistic liberal Establishment to embrace the changes taking place in the Soviet Union.

Now that there is--

NO COMMUNIST THREAT

to distract the people any longer, attention will focus upon the failings of international capitalism, and the remarkable similarities between it and communism. Both reject notions of right and wrong, both benefit a small elite minority, both aimed to "take over the world", and both inevitably will end in crashing failures, leaving the masses with nothing, while the privileged Elite of both systems ride out the tough times in Rolls Royces and country estates.

Yeltsin will attempt to steer his nation along the middle course of populism, which promises that the middle class will be free to engage in enterprises without interference from monopolistic capitalists or property-confiscating communists. This is why he will earn the enmity of the powerful international bankers and finance capitalists who will seek to enslave his people through debt, just as assuredly as the Russian people were formerly enslaved by the repudiated system of Marxism-Leninism.

THE SPOTLIGHT BEING THE ONLY POPULIST NEWSPAPER IN THE WORLD, HAS A MISSION NOW EVEN GREATER THAN BEFORE. IT IS TO EXPLAIN POPULISM TO THOSE WHO ARE CONFUSED BY EVENTS AND TO SHOW THINKING PEOPLE EVERYWHERE THAT POPULISM AND INTERNATIONAL NATIONALISM IS THE ONLY SCHEME FOR THE FUTURE THAT WORKS.

END QUOTING.

No, I have NOT said that all in the SPOTLIGHT was even worthy of mention--I have often said that MOST OF WHAT IS IN THE PUBLICATION IS ONLY ESTABLISHMENT PROPAGANDA TO DELUDE YOU-THE-PEOPLE. There are, however, enough excellent truths to keep all of you reading while you are fed the above lies. This is where you MUST BE DISCERNING--a paper of that type, operating right in Washington, D.C. (by Zionists) and still existing, tells its own story--IT IS NO THREAT TO THE ESTABLISHMENT AND THE STORIES WHICH ARE LEAKED THROUGH INDICATE THE POWER HELD BY THE GOVERNING ELITE--NOT THE WELFARE OF YOUR NATION AND/OR WORLD. You are still given EXACTLY THAT WHICH THEY DESIRE YOU TO BE TOLD!

Here is a major point of the "Populist Party" desiring to "run" Col. Gritz for President--divide and scatter the votes to eliminate possibility of winning an election. I cannot stop anything and, perhaps, taking that banner in the beginning is a way to gain support--you will have to take all of the information and judge it on its merits.

NOW FOR THE POW DOUBLE-CROSS

We told you this would happen, but I believe you now need details of the fiasco cover-up played out at the expense of hundreds of your beloved one's lives in this past several weeks.

Quote: American servicemen still held as prisoners of war and their families have been double-crossed by what was intended as a means to finally force an accounting of the missing Americans.

The recently established Senate Select Committee on POW's and MIA's is being used by its chairman, Sen. John Kerry (D-Mass) [*Outstanding member of the Elite "Skull and Bones Society"*], not to account for the missing Americans, but instead to push for lifting the U.S. trade embargo with Hanoi.

The double-cross started when Kerry, upon receiving his appointment to head the new select committee, left for Southeast Asia on a fact-finding mission to run down recent reports of live Americans being seen and photographed in captivity. As it turned out, Kerry, instead of seeking details of the missing Americans in Vietnam and neighboring communist puppet states of Laos and Cambodia, turned his mission into a public relations blitz to posture for lifting the U.S. trade embargo from Hanoi.

In addition to belonging to the Skull and Bones society, Kerry is also tightly associated within a shadow leftist "one-world" organization, the ASPEN INSTITUTE, which has been working for several years behind the scenes to get the U.S. to normalize relations with Vietnam.

Kerry's first step after leaving Southeast Asia, where he met with communist Vietnamese and Cambodian officials, was to fly to Budapest, Hungary for a meeting of the "INSTITUTE" (Aspen).

SELLOUT IN BANGKOK

The betrayal of America's missing during Kerry's trip to Southeast Asia began in Bangkok, where he said he was too busy for a press conference but instead met for a briefing by the U.S. Chamber of Commerce, which has long been pressuring the administration of President George Bush to lift the trade embargo.

Kerry was extensively briefed by

Raymond Eaton, an Australian who heads the Export Development Trading Corp., which is heavily involved in doing business with Vietnam for the British Bankers under the Royal Family directions through the Committee of 300.

EATON IS THE ONE TO TALK TO ABOUT TRADE AND DOING BUSINESS WITH VIETNAM. Eaton is a leading figure and proponent who works closely with the U.S. Chamber of Commerce, in the effort to get the Bush administration to establish trade ties with Hanoi, from which HIS FIRM would naturally benefit. There have already been massive business ventures and shipping of thousands of Vietnamese to America along with thousands of Viet Cong (communists) to infiltrate into Mexico and into every strategic area of the United States--ready to blow every major bridge and dam--particularly along the length of the Mississippi River.

Kerry, many POW-MIA activists thought from the start, was an odd choice for chairman of the Senate select committee, since he had never previously shown any interest in the POW-MIA issue, although he is himself a Vietnam veteran. In any case, after serving in Vietnam, he joined with Vietnam veterans opposing the war and gained some notoriety by throwing his military medals over the White House fence.

Long before his selection to head the select committee, Kerry was on record **favoring lifting the trade embargo with Hanoi.**

He recently gained national attention as chairman of the Senate Foreign Relations Committee's Subcommittee on Terrorism, Narcotics and International Operations. During an appearance before the subcommittee, which was televised, former subcommittee staffer Washington attorney Jack A. Blum accused the Bush administration of soft-pedaling the Justice Department inquiry into the multibillion-dollar swindle involving the Bank of Credit and Commerce International (BCCI).

Afterward, Blum also revealed that "lobbying and financial contribu-

tions" to Kerry and Sen. Claiborne Pell (D-R.I.), chairman of the Senate Foreign Relations Committee, by former Secretary of Defense Clark M. Clifford, a Democratic Party insider deeply enmeshed in the BCCI scandal, may have cost him his job as chief investigator of Kerry's subcommittee, a post he held from 1987 to 1989.

MEETING IN BALI

The mysterious Aspen Institute's interest in pressing for the lifting of the trade embargo became known following a meeting held in February, 1990 in Bali, Indonesia, which was attended by several U.S. congressmen, senators, academicians and "influential businessmen". Also attending were what one Congressman in attendance described as "top-ranking Vietnamese government officials".

The U.S. delegation to the Bali conference was financed by the Aspen Institute's Indochina Project, based in Washington. The Indochina Project is chaired by former Sen. Dick Clark (D-Iowa), a one-term liberal who was elected to the Senate in 1972 and was ousted by former Iowa Lt. Gov. Roger Jepsen, a Republican, in 1978. **[I remind you that it makes absolutely no difference for the "Parties" are the same with a single purpose--Global control through One World Government through the UN.]** IN 1974, THE LIBERAL AMERICANS FOR DEMOCRATIC ACTION GAVE CLARK A HIGH 95 PERCENT FAVORABLE VOTING RECORD.

ANOTHER MAJOR "SPONSOR" OF THE MEETING WAS THE HENRY R. LUCE FOUNDATION. Part of the meeting was geared to the use of Cam Ranh Bay in Vietnam when the United States RETURNS! Cam Ranh Bay was a major U.S. base in South Vietnam during the Vietnam War. Since the takeover of South Vietnam by the communists, the base has been used by the Soviets and many shiploads of Viet Cong were directly shipped to Mexico to move into the U.S.

BACK TO THE POW's/MIA's

While the Select Committee on POW's and MIA's was rendered virtually useless in resolving the issue of the missing American servicemen with the selection of Kerry as its chairman, it was hoped by POW-MIA activists that it could still play a forceful role if it had an active vice chairman, a slot allotted for the Republicans on the panel.

The original bill setting up the select committee was introduced in the Senate by Sen. Bob Smith (R-N.H.), a longtime critic of the U.S. government's handling of the POW-MIA issue, and it was hoped Smith would be the committee vice chairman.

However, Senate Minority Leader Robert Dole (R-Kan.), who will make the selection, has indicated he favors former Sen. John McCain (Keating Five/pro-Israel First!) (R-Ariz.) for the post.

Although a former POW of the North Vietnamese, McCain is also part of the Senate crowd that favors lifting the trade embargo with Vietnam and normalizing relations with the Red state.

Another pro-"lifting the trade embargo" legislator, Sen. Frank Murkowski (R-Alaska), is currently sponsoring a resolution in the Senate, with Kerry, pushing to lift the embargo.

Murkowski, during the administration of President Ronald Reagan, chaired hearings on the POW-MIA issue, which turned out to be designed more to debunk information concerning live POW sightings in Southeast Asia than to investigate them.

At the time, Murkowski's credentials included membership in the Veterans of Foreign Wars (VFW). He was exposed as never having served in any foreign war, and the VFW was forced to drop him from its membership rolls.

POW-MIA activist groups across the country began a massive petition campaign, opposing the dropping of the trade embargo, but how much good do you think it will do? They have just proved what they think of your opinions.

Activists and Vietnam veterans are enraged that, among other things, Kerry would propose dropping the embargo after Vietnam just named as its new prime minister Vo Van Kiet, who served on the Central Committee of the communist Party of South Vietnam during the war and was thus responsible for directing the military activities of the Viet Cong, Kiet is accused of massive war crimes, **including ordering or condoning the EXECUTION OF MANY AMERICAN POW's DURING THE WAR AND THE SLAUGHTER OF MORE THAN 3,000 VIETNAMESE CIVILIANS IN THE CITY OF HUE DURING THE 1968 TET OFFENSIVE.**

POW-MIA and veterans groups are just a tad confused since the Congress is holding Human Rights hearings to determine if Iraqi President Saddam Hussein should be tried for war crimes, including the mistreatment of American Gulf War POW's. Children of the world--if you do not wake up NOW, it will simply be TOO LATE! So be it.

RUSSIAN PSYCHICS

Many inquiries have arrived regarding recent wide-spread publications of scientific articles regarding the causing of the San Francisco earthquake--by Russian psychics.

This is information now being sent out through Bulgaria which indicate that the Russians have been training psychics to create natural disasters for some 50 YEARS. Yes, that portion of the statement is true. However, psychics did NOT cause the earthquake--Russian CosmoSpheres caused the quake just as they--in conjunction with your own Elite--plan to wreck the coast of California by blowing the San Andreas Fault (at this date scheduled to happen on the 17th of this month of September).

Let us see what the remaining consensus of the articles say: *The Russians have always intended to destroy the United States. But Gorbachev wants it done without actual war or the use of nuclear weapons if at all possible or at least until preparations for use of*

neutron weapons which will salvage the most physical structure. That's why he and other Soviet leaders have backed research in methods of destruction that can easily be disguised as acts of nature.

One of the most sinister and sneaky of these methods is the use of psychics to control climate and natural phenomena.

"I was a visiting professor for two years in Moscow," says one, Professor Pompanicu. "Through other colleagues at the university there, I learned of the secret psychic warfare program.

"For years, they have been training gifted psychics in the art of telekinesis--that is using the mind to move objects. One professor told me that a device had been developed which could aim the focused mindpower of a team of psychics for the purpose of causing storms, tornadoes, hurricanes and even earthquakes.

"This device is used by a special team of master psychics who projected their thoughts to a spot along the San Andreas Fault year before last which resulted in the terrible earthquake".

The killler quake isn't the only disaster that they caused, according to Professor Pompanicu, who now resides in Rome, Italy.

"I believe that Hurricane Hugo which devastated part of the Eastern coast of the United States was also the work of the Soviets", he states.

"These natural disasters will be just the beginning of many that will strike the U.S. again and again, causing many deaths and great economic destruction.

"I have information that the Russians plan to cause a sudden frost that will destroy the American harvest and cause starvation."

A Pentagon official who refused to be identified admitted that he had knowledge of Soviet research into ESP and the paranormal for possible warfare purposes. "Sure, they've been looking into it for a

very long time--since before the end of W.W. II", says this high ranking officer.

"And I know weather control was high on their list of priorities. We are more concerned over the strides they've made in areas of mind reading and control."

COLORED MONEY

Don't put away your attention to the "colored currency". It is not over nor has it gone anywhere. Also beware of the new "fiber" money for it simply instantly takes your photograph, fingerprints, etc. It is NOT, as claimed, for stopping counterfeiters--nor is it for stopping the drug trade. The drug traders are now almost 100% into GOLD! This is courtesy of your Government to large extent and the substance is shipped in massive amounts through the Philippines and on to London for exchange. Please note that the U.S. bases are now being handed over to the Communists in the Philippines; Subic Bay, as well as Clark Base--with equipment intact.

The colored notes are printed and waiting--for the GLOBAL MONEY SWITCH!

You can tell the intent by what happens--the plan is to circulate the "fiber" bills alongside the older bills--well, the older bills can still be counterfeited, can they not? Watch the hand for it is so much quicker than the lips.

Now you are running out of time for protection. You are now soon going to lose the privacy of cash and the privilege of transferring any funds offshore. Within a very short time purchases over very nominal sums of \$25 to \$50 are on the way out right now. This is for you who think it is safe "offshore". In preparation for this Draconian system of controlling your economic lives, the Globalists have very slowly removed more and more of the cash notes from domestic circulation. This gradual reduction of cash has forced you to plastic money without even realizing it. HAVE YOU TRIED TO GET, SAY, \$7 to \$10 THOUSAND IN CASH FROM YOUR BANK LATELY? THEY ACT

AS IF MONEY IS AN UN-HEARD OF COMMODITY AND ALMOST HAVE A BREAK-DOWN IF YOU DEMAND CASH.

So, let us speak of that "hidden" facility for printing all those nice beauteous bills. The facility is hidden and no-one owns up to where it is located. So, here for you, is its location: It is near Haslet, Texas, a tiny community north of Ft. Worth. It is located at 9000 Blue Mound Road, 4 miles north of the Federal Aviation Administration's facility in Meacham Field. There are no signs leading to the facility even though there are over 800 employees. Visitors are most unwelcome!

The printing of bills in denominations of \$20s, \$50s and \$100s is extremely limited which forces the public to use nothing but ones, fives and tens to conduct their normal cash business--making it grossly difficult to pay large bills, etc. Any old style notes will become worthless within a given number of days not to exceed 90 days.

Cash in small notes will be doled out only upon presentation of your Social Security card and/or other national "approved" I.D. card. When you are doled out your monthly allotment of cash, there will be **NO MORE ISSUED!** In other words, the federal authorities are going to restrict (through banking regulations) the amount of cash that can be doled out to citizens each month.

The "second" currency is now printed and can be issued at any time during the 90's, depending upon when the surprise can best be launched for maximum enforcement--hopefully in such a time as, say, massive natural disruption--like earthquakes along the San Andreas, etc. Why? Because the major banking computer systems are in Los Angeles and San Francisco and the national economy flow will go down for weeks and/or months which will bring total chaos. I surely do hope some of you can accurately count well for the 17th approaches quickly--almost too quickly to even convert against gold.

Once this second currency is issued from the Ft. Worth plant you will have a "two-level" currency system for there will be a "DOMESTIC DOLLAR" and an "EXTERNAL DOLLAR".

The exchange value of the internal dollar, in which you hold your savings, will become instantly devalued including all money market funds, Treasury bills, bonds and Treasury notes, cash balances, certificates of deposit and so on will all be classified as "internal dollars". There will be a dual exchange rate system and these rates will fluctuate in opposite directions for the internal and external dollar.

The U.S. will have domestically what will be known as "blocked currency". Dollars held in Europe will not be blocked, because they are not under control of the U.S. Treasury Department. However, those who hold Dollars overseas will find total blockage of being able to retrieve the funds regardless of the value in most instances.

Those investor-advisers who tell you that your money will be safe and of more value overseas are correct--the value will be more and it will be SAFE--safe in the hands of your enemy for you will be unable after a brief while to get any of it back into your possession and when you do--it will be on a very limited and monitored basis in only very small amounts. Most will simply default to the holding Bank.

These plans to issue a "second currency" explain the shipments of U.S. cash notes in large bulk quantities by the Federal Reserve system to the East Bloc nations of Czechoslovakia, Hungary, Poland and to the Soviet Union. These greenbacks will continue to circulate in those countries and will be honored by all institutions, except back in the good old U.S.! In the U.S. they will be useless. In other words, they will continue to circulate outside the U.S. at their full exchange value on the open market. Soviet citizens will therefore, be protected against devaluation. Incredible? Of course, and they know you will NOT believe it will happen--that is the assumption

upon which they base all their actions--**THAT YOU-THE-PEOPLE WILL BE UNABLE TO BELIEVE THE TRUTH UNTIL IT IS TOO LATE!!!**

The disappearance of these notes domestically then confirms that the second currency will be issued as part of a plan to lower the living standards of the U.S. and help merge your country into a World Government in which you are equal economic partners with the Soviet Union. You will be equal in terms of political status and equal in terms of economic living standards--in other words--slaves to the New World Order.

IMPLEMENTATION OF THIS PLAN IS ALREADY WELL UNDER WAY AND INTO THE ADVANCED STAGE OF DEVELOPMENT AND WILL OCCUR AT ANY TIME, IMMEDIATELY AHEAD! Please do not come to these ones and say you were unwarned nor given some method of protection. The intent is to take all assets so the only possible use of funds will be in building structures and laying aside foods, etc., i.e., using borrowing power against gold as collateral--and that is even a risk for total recovery but at least the funds will be at use for your security and a place to go to eat and possibly survive. It is so late in the game now, however, that I concern that you have time to complete transactions before the collapse. You ones wait and wait and denounce and complain while Rome burns to the ground! So be it.

Dharma, I need you elsewhere. I will speak to you regarding the legal problems a bit later today. I think the adversary bit off more than he is going to want to chew at this encounter. By the way, if Mr. Horn and the photographer are later than absolute 2:00 p.m., you may bar his entrance if you like. I believe, however, that we shall welcome him and make a statement for the entire world to receive for we shall have reporters, photographers, writers, World Intelligence Review and Insider's Report present, as well as publishers and distributors. We shall most certainly make the guest most comfortable in every manner possible.

Good day.

Hatonn to clear please. God bless you each and all. I especially ask Grace and Love unto the diaspora Jews who will be bombarded this week into giving incredible amounts of money to support their own demise. May God have mercy. Beware also, you who face the courts--**IT IS THE TIME OF RENEWAL OF THE KOL NIDRE (ALL VOWS-VOW) WHICH RENEWS THE VOW TO DISREGARD ALL VOWS MADE DURING THE COMING PERIOD UNTIL THE NEXT ANNUAL RENEWAL. THIS MEANS THAT ALL ONES OF THE "JEWISH" "FAITH" PARTAKING OF THE RITUALS WILL RECITE THIS VOW WHICH NOT ONLY ALLOWS FOR, BUT DEMANDS; LYING, CHEATING, STEALING AND CASTING ASIDE AS WORTHLESS ALL VOWS.**

The present wording of the "Kol Nidre" (All Vows) prayer dates from the 11th century. A political reversal in eastern Europe compelled the so-called or self-styled "Jews" in Eastern Europe to adopt the present wording of the "Kol Nidre" prayer. I believe it appropriate to remind you of the EXACT wording of this vow made by the "Jews" on the Day of Atonement religious observances during the highest holy days.

ALL VOWS, OBLIGATIONS, OATHS, ANATHEMAS, whether called 'konam', 'konas', or by any other name, WHICH WE MAY VOW, OR SWEAR, OR PLEDGE, OR WHEREBY WE MAY BE BOUND, FROM THIS DAY OF ATONEMENT UNTO THE NEXT, whose happy coming we await, we do repent. MAY THEY BE DEEMED ABSOLVED, FORGIVEN, ANNULED, AND VOID AND MADE OF NO EFFECT; THEY SHALL NOT BIND US NOR HAVE POWER OVER US. THE VOWS SHALL NOT BE RECKONED VOWS; THE OBLIGATIONS SHALL NOT BE OBLIGATORY; NOR THE OATHS BE OATHS.

This, Dharma, is why Steven Horn and the others, such as Steven Berg, etc., feel no obligation to have their vows valid and why they lie and set up others to witness falsely and arrange for witnesses against you who never heard of you to participate in this steam-roller effort to destroy you and take your property. The RTC representative, Sir Brent, is also of the same society.

The instructions to the "servants" of the "faith" are demanded by the Talmud in the Book of Nedarim, 23a-23b as follows:

"And he who desires that NONE OF HIS VOWS MADE DURING THE YEAR SHALL BE VALID, let him stand at the beginning of the year and declare, EVERY VOW WHICH I MAY MAKE IN THE FUTURE SHALL BE NULL' (1). (HIS VOWS ARE THEN INVALID,) PROVIDING THAT HE REMEMBERS THIS AT THE TIME OF THE VOW."

THE TEST IS TO THE EFFECT THAT ALL OATHS WHICH BELIEVERS TAKE BETWEEN ONE DAY OF ATONEMENT AND THE NEXT DAY OF ATONEMENT ARE DECLARED INVALID! By the way--it IS the FIRST prayer recited on the holiest of days.

If this were not so TRUE and so TRAGIC it would be most comical. Even Christian Churches have now taken up tolling their bells in honor of the start of Yom Kippur--as a gesture of "good will"--to sound the Kol Nidre, traditionally the start of Yom Kippur. Do YOU believe this to be accidental stupidity? I jest not for you are being led to the slaughter right down the PRIMROSE PATH!

**9/10/91 #1 HATONN
TUESDAY**

As I come to write this day, I wish to share a typical letter which is received "in kind" every day:

"Dharma,

During a recent C&E workshop by

Ramtha I attended, we had time to ask questions. Someone asked who the fakes were in the New Age Movement--channelers, authors, etc. He gave a list but gave your name FIRST. He then said that over the next few years that this list of people would be exposed. It was time for the heads to roll and truth to ring in the 'New Age Movement'."

"A Concerned One"

Please do not distress yourselves with this nonsense. The Knight organization doesn't like Hatonn for I confronted them. I also remind you that I have said, if unchecked, the "New Age Movement", in itself, can destroy your world. Further, as SIPAPU ODYSSEY was written, several copies of the script were given to Shirley MacLaine for first refusal of the lead roll. Shirley had pulled away completely from the Knight organization and there were some hard feelings. Early on, the Knight organization refused to carry anything related to the Phoenix material. God always asks you to discern in all things--nothing is refused to your searching and in the end, ultimately, Truth will be that which prevails.

They do us great service if it is to "expose" us for we most surely do hope so for our intent is to bring Truth to ALL and the more exposure, the more people can have the Truth. Yes, I too, believe it is about time for some "heads to roll" and "truth to ring"--for those who have misled the people of God shall expose themselves--it requires nothing on any of my one's part. I have even offered Ramtha direct communication with myself as I had with "Bashar". "Bashar" has never come back for a second discourse and Knight never even responds to the message. What does that tell you?

Does this mean that that material is evil or tainted? That is certainly for you to discern for selves--I find some brilliant truths within the speakings. I also find grave errors and the first is "safety". You cannot have flooding from great tidal waves all the way into Nebraska, dear ones, and NOT have the area of "Ramtha" not get wet! I suggest

that all ones LOOK at your geogra-
phy--not even Ramtha can keep
water from running downhill!
Neither do I believe that Ramtha
can keep those volcanoes from
erupting when they are triggered
for eruption--I suggest it is time to
begin "thinking" clearly for God
gives unto you, REASON! So be
it, for I bless all ones for the gifts
they give unto us and ours--for
there are great lessons to be gained
from ALL circumstances.

We have no stable of fine race
horses to sell from self-labeled
business ventures--nor do we secret
with only the elite of the enter-
tainment world--in fact, we would
never divulge the privacy of any
from the public eye in respect for
their own security and privacy.
We have only two things to offer
you--a way to safety and a call to
God. If this is not enough then
you shall have to find solace with
those who offer you great advan-
tage in the physical for the NEW
AGE MOVEMENT WILL
CLAIM ITS OWN--IN A MOST
PHYSICAL PREDICAMENT.
SO BE IT.

LET US SPEAK OF "NATURAL" PHENOMENA

According to a message I have
here, atmospheric patterns, locked
into an abnormal position over
many parts of the Northern Hemi-
sphere, have produced a variety of
weird weather this summer. China
and some parts of Southeast Asia
have experienced the worst flood-
ing this century; Ogden, Utah,
yesterday experienced the worst
flooding in 135 years--while Cali-
fornia had its coolest summer in
memory and into a sixth year of
horrendous drought. On the other
side of North America, the
metropolitan areas of New York
City and Philadelphia were in the
grips of the hottest summer since
World War II. The major cause of
these anomalies appears to have
been an area of high barometric
pressure that has remained locked
above the northern central Pacific
at the International Date Line.
This also produced a rare drought
for Alaskans near Nome and
record heat in the Alaskan interior.
The strongest solar outbreak in 30
years, which erupted in early June,
is blamed as being partially re-

sponsible but "no one can under-
stand the incredibly widespread
pattern of unusual happenings".

This past week (end:9/6), another
strong quake shook Tokyo and
other areas of eastern coastal Japan
from a massive epicenter beneath
the seabed offshore. Quakes were
also noted in eastern Romania and
northern coastal Peru.

Further heavy rains from storms
threaten Cambodia with more se-
vere flooding. Thousands of peo-
ple already were made homeless by
floods in late August, and vast
tracts of agricultural lands are still
submerged. The United Nations
airlifted 30,000 sandbags to Phnom
Penh to help protect the city from
the worst floods on record along
the Mekong River.

Guatemala, Nicaragua, and El Sal-
vador began rationing electricity
because of a lack of rain needed
to power hydroelectric plants.
Each nation has plans to black out
parts of its population on a rotating
basis for two to three hours a day.
In drought-stricken Guatemala, the
National Electricity institute said
its new rationing program will
continue through September and
may be extended if rains do not
return soon.

I HIGHLY SUGGEST YOU ALL
REREAD "REVELATION"--IT
DOES NOT SAY "WHO" WILL
BRING THESE THINGS UPON
THE EARTH--JUST THAT
THEY WILL COME UPON
YOU. JUST ABOUT ALL THE
PROPHECIES MIGHT BE GOOD
READING THIS WEEK AND
NEXT AS THE ELITE GET
READY FOR THE BIG POWER
PLAY. GOOD LUCK--I HOPE
RAMTHA AND COMPANY
HAVE SOME GOOD SOLU-
TIONS FOR YOU LEST YOUR
TOES GET WET, SCORCHED,
BROKEN OR STOMPED.

Then for follow-on "entertainment"
I suggest you get one more book,
PARLIAMENT OF WHORES, by
P.J. O'Rourke. It is a book I
rather wish I could have written
for it is handled in such manner as
to give great laughter and insight
into the workings of the U.S.
through in-depth attempts to ex-
plain the entire U.S. Government.

The material, however, is truth but
I might get defrocked for obscen-
ity. I assure you that I will be un-
able to restrain myself from occa-
sionally using a lot of this man's
message as we go along. I will,
however, give you the back cover
comments by the author:

*"Giving money and power to gov-
ernment is like giving whiskey and
car keys to teenage boys..."*

*"The American political system is
like a gigantic Mexican Christmas
fiesta. Each political party is a
huge Pinata--a paper-mache' don-
key, for example. The donkey is
filled with full employment, low
interest rates, affordable housing,
comprehensive medical benefits, a
balanced budget, and other good-
ies. The American voter is blind-
folded and given a stick. The voter
then swings the stick wildly in ev-
ery direction, trying to hit a politi-
cal candidate on the head and
knock some sense into the silly
bastard."*

*"When you looked at the Republi-
cans you saw the scum off the top
of business. When you looked at
the Democrats you saw the scum
off the top of politics. Personally I
prefer business. A businessman
will steal from you directly instead
of getting the IRS to do it for him.
And when Republicans ruin the en-
vironment, destroy the supply of
affordable housing, and wreck the
industrial infrastructure, at least
they make a buck off it. The
Democrats just do these things for
fun."*

*"A little government and a little
luck are necessary in life, but only
a fool trusts either of them!"*

BCCI AND BASEL BANKERS

Questions still overflow regarding
the Banks and S&L's. BCCI is the
one which is most attended because
it seems to represent such big
crime. You haven't seen any
"crime" yet--try the Bank which
deliberately pulled down their own
entity, BCCI. This is the superna-
tional Bank for International Set-
tlements (BIS) in Basel, Switzer-
land--the central bankers' central
bank. By the way, when it all
shakes out you will have a manag-
ing branch of that bank in the U.S.

It will not be the U.S. elected government which will be the enforcers for the BIS, it will be the privately owned (by them) Federal Reserve with the nice enforcement officers of the IRS.

Take a deep breath, now, for it will be a while before you will enjoy the next. The Fed officials told Sen. John Kerry's (yes, same one) Senate Foreign Relations Subcommittee on Narcotics that Congress must rapidly pass the Fed's "Foreign Bank Supervision Enhancement Act" (S.1019), or face a world banking crash. The Fed's "BCCI bill", also called "Garn-Kerry", would turn the \$20 billion BCCI bankruptcy into a gain of wildly unconstitutional powers for the Fed and the BIS over the U.S. economy.

In addition to the bill, the Fed officials demanded more regulatory power for "the Basel Committee of the BIS, which is setting up the exchange that is needed". All BIS central banks plan to "change their country's laws to conform with the decisions of the Basel Committee". This, of course, is at the pronouncement of the Committee of 300 headed by the Royal Family of England.

You think you aren't "really" involved? Well, Federal Reserve General Counsel J. Virgil Mattingly, Jr. and Fed Bank Supervision Director William Taylor told the Senate on Aug. 1 that the complex scandal over the BCCI would result in great and wondrous power for this "BIS".

The Fed should know. Taylor has been U.S. delegate to the BIS Committee on Bank Supervision, called the "Basel" or "Cooke Committee", for years. The Cooke Committee was run from 1975-88 by Bank of England official Peter Cooke, who then moved to the Price Waterhouse accounting firm. It was he who wrote the June 1991 Price Waterhouse accounting report on BCCI, which resulted in the seizure by the Bank of England and other central banks of BCCI offices in 69 countries on July 5. Still think it was a move against "crime"?

Since then, the BIS grip over the

U.S. government has increased. Three days after seizing BCCI, the BIS appointed New York Federal Reserve President E. Gerald Corrigan as the new chairman of the "Cooke Committee".

On Aug. 6, President George Bush confirmed the appointment of the Fed's other BIS representative, William Taylor (yes, the same), to head the Federal Deposit Insurance Corp. The Fed and Bush forced out retiring FDIC chief William Seidman (but not to worry, he did plenty of damage while he had control--like allowing buyouts of banks by only "good" assets and leaving you-the-taxpayers to bail out the "bad" "stuff"), and have put the bank insurance, and hence the savings, of the American people in the hands of the BIS.

Why did the BIS do this cute trick? "To demonstrate that our coordination and control gets results. We have shown that we can have a \$20 Billion bank go belly up--and not even a ripple!" said Robert Bench, now a Washington director of Price Waterhouse, former U.S. Comptroller of the Currency, and as such a Cooke Committee member for many years. "It was the cooperation and coordination among the BIS Cooke Committee that led to the BCCI exposures," he also said.

The point is, World, that you are in REAL TROUBLE! I have no more space to outlay more at this sitting but will take up the ongoing scenario when we pen again. Dr. John Coleman has, or will be, giving you a full accounting in his *Insider's Report* and/or *World Intelligence Review*. I do sincerely hope you will gain that valuable source of information.

America West will be starting a newspaper very shortly wherein we can garner information from several valid sources which I know to be valid. We have simply run out of space to share all that you MUST have to get through these days ahead.

Hatonn to standby, please. Dharma, I have several pieces of personal response we must get finished. We also have a great group of reporters and publications peo-

ple to walk through and inspect, while photographing, the dwelling. We have Dr. Coleman for the above named reports, *The National Inquirer*, the *L.A. Times* and the *Bakersfield Californian*. The only representative we couldn't get here on time is the head of our Constitutional Law Center but I'm sure we can "fill in" via recorder and CamCorder. Perhaps these intruders would like to recite the Kol Nidre in unison for the reporters! God can be quite creative if you but give Him ear and voice. In love I stand with ye ones.
