Dharma, that instant blast at 9:06:30 A.M. was a Cosmo-sphere attempt to break the shield--the jets are only in "tracking". It is going to get worse in preparation for the 17th and your nerves will get worse before they get better, so bear with it, chelas. The Israelites are in a stew for they have been warned by the Elite to not march on Jordan and the defiance is getting prophetic in portent by the minute. The bargaining chip, if you can fathom it, is to NOT move the San Andreas Fault system. In other words, "We won't invade if you won't move the fault and wreck the money centers--you see, the major resource of the Zionists comes out of places like Los Angeles with its entertainment and media business. Many of the east coast "Jews" are Sephardic or diasporic by origin and are not the REAL thrust for they are the ones, in fact, who would most likely STOP the Ashkenazi's. What a tangled web has been woven in which to catch you little ones of God. You must understand that the standoff is right now between your enemies as to supremacy for control. You have just placed the Bolsheviks back into power and that means the Khaz-

arian or Ashkenazi self-styled, so-called Zionists are gaining a hold.

ALL I CAN DO, LITTLE ONES, IS KEEP YOU POSTED AS WE NOTE CHANGES IN INTENT, BUT ALL WE ARE ALLOWED ARE THE SAME PROBABILITIES AS ANY OTHER DEEPLY INFORMED SURVEILLANCE GROUP. DO NOT BLAME GOD FOR THIS HEINOUS AND MASSIVE DESTRUCTION IN INTENT FOR YOU ARE IN THE SORTING AND SO SHALL IT BE. IT IS MUCH AS STEVEN HORN WHO ARRIVED "LATE" ON THE YESTERDAY AND DEMANDED ENTRANCE INTO THE DWELLING CLAIMING TO HAVE "BEEN ON TIME" WHEN 32 PEOPLE WITNESSED HIS LATE ARRIVAL AND EVEN LATER ARRIVAL OF HIS PHOTOGRAPHER. YOU MUST COME TO KNOW THAT A LIE IS FAR PREFERABLE TO ANY TRUTH WHICH WOULD SERVE AS WELL--YOU ARE DEALING WITH THE EVIL EMPIRE AT WHICH POINT NO LIFE-FORM OF CREATION IS VALUABLE BEYOND THE INTENT TO CONTROL.

9/16/91 #1 HATONN
MONDAY

Hatonn present for a status report. I wish that I had a way to allow all readers to get this information immediately but we shall do the very best we can in distribution.

THE EARTHQUAKE

Yes, at this point it (The Big One) is still very much ON. You will please take note that preparations are under way in all areas of controlled underworld to handle the response. By this I mean that prison controllers are on 24 hour alert and ordered to wear guns at all times--off duty and on. At the Tehachapi facility the area, along with the village and pertinent dwellings, are under constant surveillance. The word is that: "There are some really weird things going on in the middle of the night around here." Near the prison there has even been a "fire started from a ball of 'electricity or light' which came out of nowhere" and all witnesses were warned to "keep silent" or be disciplined or discharged (if an employee). "Black" unmarked helicopters are in constant night surveillance and "sonic" (or some kind) of booms are heard every day which do not act like regular sound barrier breaking

by jets. All prison personnel who ordinarily carry weapons on duty are ordered to be prepared to "back up the police when notified".

Two things are under way. Firstly, it is planned to protect from inmate escape but also full intent to militarize with the police department to search for weapons door to door. You have all been warned many times now and if you fail to take action it is your own fault in answering for your actions. Any weapons stored ANYWHERE must have all identification and possible fingerprints removed from both weapon and ammunition. Fingerprints can now be checked within seconds by computer. I remind you of another point: *this place is KNOWN to be under protection of our command so if these things are happening HERE, THEY ARE DOUBLY APPARENT ELSEWHERE. ALL OF THE MILITARY BASES ARE ON ALERT AND 'COMBAT READY' IN TRAINING FOR DISASTER (they are told).*

The "disaster" is now set into motion and it is all but impossible to stop the consequences. "They" have blown Mt. Unzen in Japan, blown several "faults" in the Aleutians, in northern Colombia--in other words, all along the ring of fire. There will be worsening eruptions of Unzen with massive damage starting in the night or today and, with rains concomitant with the eruption of Pinatuba in the Philippines, there will be more devastation. This go 'round can very well take out Japan completely as the Pacific plate picks up momentum.

This is why I remind you to WATCH the world picture and activities along the entire "rim" for you do not just make a massive earthquake in one selected

area. There are also deep earth beam disturbances showing as earth movements in both Australia and New Zealand--where the underground survival facilities are in place for the Elite in case this whole thing gets out of proportion to expectations.

The impact still rests with the ability to launch the sensor satellite from the launched satellite--today or tonight. If the Cosmospheres do not take out the sensor satellite then you can expect a nuclear spectacular in addition to earthquake.

The communications satellite is for banking and citizen tracking. Within the next months your entire world outlook will change gravely--if they cannot trigger the fault (which will begin a whole barrage of "natural" disasters) on the 17th, it will be only a matter of regrouping and redetonating. Your nation of America is at an end as you have known it for you simply cannot go further without great changes.

I outlaid this entire reasoning and why it needs to be NOW at a three-hour meeting yesterday. Further, our beloved friend, J.C., had intelligence information from a month past wherein the coded plans were processed over the communications system of the Elite intelligence system--that the San Andreas would be triggered on the 17th of September and I have been warning you before and since. If you cannot believe Hatonn, perhaps you can believe your own enemy intelligence network. The only thing which will allow postponement is a lack of satellite capability to link all banks which will go down on the West Coast with the Bank of International Settlements in Switzerland and/or we have given enough attention that they dare not try such a move. It

WILL come, however, for it is a massive portion of their planning and they cannot run the risk that the quake will hit a snag with Mother Nature at the helm.

Oberli, I will monitor constantly today as things unfold but I suggest that it all appears to be still on track and perhaps Charles should be summoned into security for a while. I see no earthquake devastation to their dwelling but I do foresee great devastation to the housing of the work places and separation from the children. I believe a few days of "flu" might well be in order this week. The children's school is close enough to the dwelling that disruption to the children can be kept at a minimum. The intelligence community is geared up and ready so it doesn't look probable that there will be much delay, if at all.

Ones ask about radiation from the nuclear plants. Well, the intent is to have such a massive quake that the plate will shove "under" the North American plate and cause a vacuum which will likely "suck" the installations into the water and thus radiation may well be kept to a minimum or of no consequence.

There is little I can do other than remind you to take precautions for this is structured to cause a "reason" to seize and close your banks (because of the West Coast computer clearing facilities) which will bring devastation to the system in the nation and internationally within mere days. The facilities were located on the unstable West Coast of California to be able to pull off this very "stunt".

You come to the end of your fiscal year, America, with a debt into the two dozen trillions of dollars, economic chaos, the worst depression EVER (you

just haven't noticed, apparently) and no talk of either this year's budget or how you will even get funds for paying the interest to the banks. There is no mention of income taxes nor of those who have not filed--so, you can be sure that other methods of extraction of ALL YOU HAVE are well under way to begin not later than the first part of October--for you have a situation wherein the government can be shut down at Bush's edict.

ANTI-SEMITIC

Full circle? Bush is now an "Anti-Semite"! Can you now see how the adversary works? But don't be fooled--note that Baker is in Israel today to ring out the Holy Days and celebrate Yom Kippur with Shamir. The natural disasters are supposed to cover the invasion of Jordan by the Israeli troops ready along the Jordanian Border. They like to do these wars on Holy Days so they can claim God is with them--well he is, it just happens to be the god of darkness, not Holy God of Life.

HOMELAND FOR REFUGEES

Why does Israel need more and more places and homes for refugees? Aren't you told that the Soviet Union is now FREE? Is not all persecution dead in the Soviet Union? Then why do not the "refugees" stay put in their homeland wherein there is all this new FREEDOM? As a matter of fact, Israel is having a massive problem keeping the refugee problem alive at any accounting. They are having to literally kidnap so-called Jews from Afghanistan, even, just to have some kind of a refugee problem.

Dear hearts--YOU have an economic refugee problem--your nation is in bankruptcy and yet

they speak of guarantees for \$10 Billion as if it were peanuts (of which you also have a shortage). Your grain has been given away, you have now some 25 to 30 million people out of work with no jobs to return to, a bankrupt welfare system and you have been brought to the point of inability to function against the steam-roller.

I further remind you that when a massive "happening" is set up, there is always an "apparent" FEUD with Israel which is for the purpose of distancing the two nations in the world perceptions. There is no distancing and you had better look at it squarely head on. There are also myriads of distractors set up in various and numerous places on the globe so that you can't tell what is going on and the news media can play anything to you and you will be distracted to the flag and miss the real action. It works EVERY time.

Now for personal comment. As these meetings of ours are taped, I suggest that America West begin to make the tapes available. I realize that you must charge for them for funds are so depleted; however, if ones wish them, it is time we begin to make them available in widespread measure instead of just to the thirty or so, who always receive them. I also ask that immediate arrangements are made for transcribing them. If there are portions which may be questioned as to wisdom of distribution, I shall consider the projections; however, I monitor carefully as we record and you all have noted I can erase a tape in bits or wholeness if necessary. This is to allow you who get partially blank tapes to understand that I jeopardize no one. I disrupt the surveillance network while we meet if desirable or leave it to function de-

pending on the subject at hand for we want the attention and distribution. You have no idea what kind of surveillance equipment is available. There are pencils which take pictures, badges which take pictures and record voices at over two to three miles distance and they have capability of reading a personal business card from a satellite over 300 miles into the atmosphere. These are simple little gadgets--the REAL things are far more sophisticated.

It is time to get a tape duplicator for the office and copies can be made therefrom--we are not interested in fine wrappings. I would like to remove activities from the dwelling at every possible opportunity and the ones who would do this copy work can go to the "store" to do the actual labor. The house is again under close attack and we again have too many coming and going at random and an issue is being raised in the court that you are again having large and regular meetings. It matters not what is the truth--this is what is being claimed!

Get another copy machine, however, for I want the one in the dwelling remaining in the dwelling. Also, either have the recording apparatus repaired NOW or get another as you "had", for I need to record and Dharma cannot attend numbering on a non-stop machine.

PHOENIX JOURNALS

Just as we are now changing the format of the EXPRESS into a more comprehensive "newspaper" of "regular" distribution, so too will there be some changes in the JOURNALS. I am asking a beloved brother to get rapidly busy in bringing detailed facts to you regarding the JOURNALS already written. It is not "update", but both up-

dating and detailed history of the "given" subjects. This was promised to you when we began writing, for Dharma cannot do it all. I ask consideration of simply continuing to list the material as PHOENIX JOURNALS for I sanction no other writer's output in wholeness. This does not mean that I do not agree with nor disassociate other writers if their words be truth; it is simply that the "whole" of the output is not in full truth and the availability of confirmation must come in segments appropriate to the work. I want no one tampering with the PLEIADES CONNECTIONS nor with spiritual projections for there is NONE on your place, save this outlet, which is total Truth. You don't like it and I can't help that. WE will have to do that which is appropriate at every move and pay extremely close attention as we go.

OLIVER NORTH

You will note that the scapegoat got his freedom this day--from the courts. I told you North was a scapegoat and to pray for the young man. It is not that he is "pure" or "innocent" as his big watery eyes would indicate; it is just that he did his job and caught the full blame. The guilty prostitutes still sit atop the thrones. But it does point up the injustice of your judicial system--wherein a man can simply fail to pay enough tax and end up for his whole life in incarceration while a mass murderer and drug runner in a world scheme is totally removed of violation charges.

GATES

Gates for head of the CIA. Hold on to this one. You will find ones who you respect possibly going to Washington to "testify" for the honor of this man. I'm sorry, Oberli, you

are going to have to pay attention as never before--you have a hot potato on the line and not what appears to you. You cannot, in any measure, allow J.D. to attend this place even for a visit without speaking to him about differing opinions--he is a robotic servant to the Elite and I fear cannot be brought into God's service. Go gently, son, because you are about to enter into a real predicament which has been as carefully orchestrated as has been the earthquake. The man does not know of it and yet, he spills the clues all over you--because he does not know--this contact was set up long before you ever heard of him and watch the progress of his "business" and you will see when the intent changed from a business executive of total importance to a company "expendable" and now, no real home! If you ones are not alert--how can we expect the masses to respond in wisdom? At this point you have Gary who can offer the same basic needs fulfillment. God will provide when the need is at hand--and you will know if you continue to pay attention to all sides of an issue. We do not need totally enlightened beings to work with the "cause" but to bring one who is an obvious puppet of the Elite at highest levels is not acceptable. This is THE POINT--to get a puppet INSIDE.

Are there others INSIDE? Use your own discernment and see what is being projected. If the projections are ruinous then pay attention; however, if the projections are truth--it matters not! Wisdom and care is the point and care not to get hooked at onset is the game.

9/16/91 #2 HATONN WHERE INDEED?

I agree with you who inquire and inquiring minds do want to

know--! Where is the press and media on the candidacy of Lt. Col. James "Bo" Gritz? Every Tom, Dick and Harry is touted and spouted about on the news, CNN, etc. But you hear NOTHING about such a well-known public figure who, a few years back, was in the headlines every day! Gritz IS out there every day, on the firing line but the absence of "press" is deafening in its silence, is it not? I do, however, feel the *SPOTLIGHT* may have shot the Col. in the foot by the Yeltsin "populist" propaganda thrust forth by its Editor. The entire scenario as presented by Ryan is incorrect and casts grave shadows on any American candidate who accepts running on a "Populist" party ticket. And yet, any "alternate" party candidate has to start somewhere. You of the public be discerning and give help to this upstart circumstance and the details can be sorted out as you move forward. We shall keep you informed on this subject for I don't let Gritz out of my focus to even go "potty". The enemy REALLY wants to silence him and any connection between him and our command.

ISRAELI LOAN "GUARANTEES"

What actually, do they mean by this "guarantee" and why is there concern if, as they proclaim, it is not to be "paid" by you taxpayers but rather the Israelis will pay it back. Number one: THEY WON'T PAY IT BACK, THEY HAVE NO INCOME EXCEPT THAT WHICH IS GIVEN THEM IN ANNUITIES BY THE U.S. THEREFORE, LET US LOOK AT THIS SITUATION:

Start by looking around at your own cities today. We speak only of the U.S. at this writing, but the world is in the same or

worse trap than is the U.S. At any rate, look around: crime is endemic, the streets are ruled by heavily armed thugs, the roads, bridges and sewers are crumbling, and the municipal governments are out of money to address any of these problems. The States have lost all sovereignty and control over money from the people as was demanded by the Constitution. The states now depend on the "generosity" (of which there is none) of the federal boys to share what they choose. You are in a depression so there are no funds to be stolen conveniently from the people.

Look, now, around your countryside. Family farmers are being steadily driven from their land, often held by the same family for generations, as banks foreclose on their mortgages and ultimately end up in the grip of the RTC and sold to the Elite for pennies on the dollar. The government refuses to make money available to provide debt relief.

Read on as we outlay what is under way with the rip-off of this loan guarantee. Congress is now under assault by over a thousand Israeli Lobbyists and is controlled, at any rate, through blackmail and prior "bribes" which control the majority of the Congress. These bribes, by the way, are furnished by you-the-people in your annual annuities and gifts to Israel. This Congress intends to respond to an Israeli request for an astounding \$10 Billion in loan guarantees to build housing and infrastructure in Israel capable of accommodating a huge increase in its population resulting from a flood of Soviet immigration.

The Israelis claim the loan guarantees won't cost American taxpayers a cent, since they will

only be held responsible in the event of DEFAULT. Yet the facts are that the Israeli economy is a total disaster, incapable of paying back any portion of that \$10 Billion, not to even mention the far greater sum to be borrowed from sources in Europe and elsewhere--and, from American "Jewry".

CHRISTIANS BUILD JEWISH TEMPLE IN PALESTINE

Do you not realize that organizations of the fundamental "Christian" empires are giving millions to the Israeli "Zionists" in order to build that "Prophetic Temple"? Ah indeed, the adversary, Satan himself, has your own fundamentalist churches and "Christians" giving millions to fulfill this dastardly deed for the whores of Babylon. They claim effort to help Judeo-Christian unity. Unity? Dear ones, the very term is in opposition, one to the other--the Judaists NEVER had belief in Christ and the terms are at total opposition. Judeo-Christian "heritage"? You either have a heritage from God through the Christ Light--OR--you have a heritage from Evil on the physical dark side of experience--you CANNOT HAVE **BOTH!** YOU CANNOT HAVE LIGHT AND DARKNESS IN THE SAME SPACE!!!

The purpose of this money is to build housing and infrastructure in Israel capable of accommodating a huge increase in its population resulting from a flood of Soviet immigration, but, as I have already said--Why? Why would the "refugees" be "refugees"? If, as you also claim, the Soviet Union is now FREE, why would anyone leave their homeland? In fact, why would not the ones already immigrated begin to return to their Soviet

homeland? Because you don't know the story and these ones were NEVER PERSECUTED IN RUSSIA--THAT IS A FACADE TO ACCOMPLISH WHAT IS GOING ON THIS DAY!

Even if Israel would be able to pay back every penny, why in the world should the U.S. taxpayers be co-signing a loan to a foreign country when your own economy is in shambles and your own people go wanting? Why, if the banks wish to make such loans--should anyone "CO-SIGN" the note? If Israel is so dependable why would the banks require co-signators? Why doesn't the government make low-interest loans available to farmers so that they can work their way out of debt and remain in possession of their land? Why not make low-interest loans available to cities so that they can police their streets and rebuild their crumbling infrastructure? Why not lend money to build housing in your own country for Americans, when the American dream of home ownership has faded as housing prices skyrocket, leaving the majority of young people unable to consider such a thing as their own home? Why? Because they want you in the mess you are in, have orchestrated it and it will worsen while the adversary is deliberately strengthened to the point you have no defense against the slime-slide.

You are experiencing, right now, the detailed and cynical manipulation by the Israeli lobby of your political process, and the venal politicians who respond to this kind of pressure by raiding the pocketbooks of their constituents on the orders of a foreign pressure group rather than be caught in the trap of having past indiscretions of receiving bribes be made known.

You see, if you-the-people KNEW TRUTH you would hang the whole bunch for treason--perhaps bomb the city of Washington and clean house. As it is, the place is totally unfit for habitation by a government under the Constitution.

By the way, you are going to find that there is very much alive, a thirteenth amendment and it was structured to disallow "lawyers" and "esquires" from being within the government service. Thereupon is the foundation by which you can fire the whole mess of bastard thieves and sue them for their illegal and unlawful use of your property!

WHY ARE OTHER NATIONS UPSET?

Dear ones, you are so uninformed that I am often shocked at the narrow concepts. ISRAEL INTENDS TO USE THE LEVERAGE SUCH AN ENORMOUS AMERICAN LOAN GUARANTEE WOULD PROVIDE TO BORROW AN ADDITIONAL \$39 BILLION FROM WEALTHY MEMBERS OF THE G-7 GROUP OF NATIONS WHICH IS KNOWN WOULD NEVER BE REPAID MUCH LESS THE AMOUNT USED AS COLLATERAL FOR THOSE ADDITIONAL FUNDS. YOU SEE, THE ISRAELIS TURN THE \$10 BILLION INTO \$49 BILLION BY MID-AFTERNOON OF THE SAME DAY IT IS ISSUED AS A GUARANTEE.

Let us look at your plight in the budget arena. You are now at a national debt of some 11.6 trillion dollars (does anyone have any idea how MUCH that is?) and you are now confronting a record \$400 BILLION deficit THIS YEAR! You will be saddled, one way or another, with

most of the crushing cost arising from the tidal wave of Soviet immigrants to Israel, not to mention the payment of the load of the rebuilding and stabilizing of the Soviet States. This, while you are already IN the greatest depression known to your world.

Look at this, please--"The so-called Cranston amendment, engineered by Sen. Alan Cranston (D-Calif.) a man noted for his unsavory (and yet unpursued by law) deals with savings and loan shysters, guarantees Israel annual U.S. aid payments which will never be less than their DEBT SERVICE"--a totally outrageous piece of pork-barrel legislation, to say the very least. This ensures the more this quarrelsome, evil, controversial government borrows, the MORE AID IT GETS FROM THE UNITED STATES! Do you ones attached to this local property/S&L debacle of Santa Barbara/RTC/Bank of America vs. Ekkers still perceive that high people are not involved in a plot to pull down the assets and take them, of everyone? You see, these odd property settlements are geared to keep the Elite lawyers in funds for they have unlimited "backing" for as long as required to drain the opponent property's rightful owners. The banks in the "buy-out" category are only taking the "good" assets and leaving you-the-people to pay the bills on the bad. Then, the properties are being sold at far less than 50 cents on the dollar under OPTIMAL circumstances and at only pennies on the dollar in less than optimal situations. Do you actually think the RTC has need of Ekkers' house? Come now, it keeps the Elite in control of pulling in funds for their workers such as Steven Horn. The Bank could have settled at break-ahead settlement price from these ones from the onset

of the "no-sale" incident.

The entire scenario of the "migration mess" as immigrants to Israel stream through the burst Soviet floodgates in ever-larger numbers, was CREATED by "meddlesome, ambitious politicians" such as Cranston, anxious to curry favor with the Israel lobby.

Now Israel sees a way to glean nearly \$50 BILLION from you-the-payors of the world just by claiming need of housing for "all these immigrants!"

Half-hearted claims by official spokesmen that the "initiative and skills" of these immigrants will soon generate enough wealth to pay for their necessities are dismissed with scorn in Israel. It is truly a laugh if you have any humor remaining. Israel has NO PRODUCT SAVE WEAPONS--AND THOSE WEAPONS ARE SUPPLIED BY YOU IN AMERICA!

The Israeli economy, a statist spoils system top-heavy with corrupt, murderous (literally) bureaucrats, is ill suited to foster entrepreneurship or real private business initiative, even if the Soviet immigrants had it in abundance, which is absurd. This even slips through in the reports of the so-called "Middle Eastern analysts".

Beyond the economic threat presented by this so-called "mass migration", there is the fact that any funds provided to Israel will be used to spawn more settlements in the Arab territories illegally occupied by Israel's military and present funding for the invasion of other Arab nations to be gained for more Israeli occupation.

FRAUD AND FORMIDABLE FATAL FOLLY--FOUR "F" WORDS!

This past summer, if you have forgotten already, Secretary of State James Baker himself called the mushrooming Israeli settlements in the Occupied Territories the "greatest single obstacle to peace in the Middle East". But it is known throughout the terrified Arab world that Israel will use any money it can extort to build new settlements for its phantom immigrants exactly in these areas, which it ultimately intends to "annex" one way or another. That would involve Israel in outright fraud, and the United States in a criminal folly.

The threat to any peace process initiated by the Bush administration by the issue of the settlements has not been lost on the Administration headed by Kissinger, Scowcroft, etc. which just requested that Congress delay consideration of the loan package until, perhaps, October or so, when the peace talks are scheduled to begin. The Israeli government is furious, now claiming Bush to be anti-Semitic and the whole facade of unnecessary caterwauling. You see, for "not fighting back against the non-existent Iraqi scud missiles" the U.S. legal eagles promised to expedite the loans--REMEMBER??

THE ISRAELI LOBBY IN YOUR COUNTRY HAS REQUESTED PROMINENT COMMUNITY LEADERS FROM AROUND THE NATION TO ASSEMBLE IN WASHINGTON TO PRESURE CONGRESS INTO IGNORING THE ADMINISTRATION'S REQUEST--THEY HAVE AND THEY ARE!

DOOM'S DAY FOR PEACE

Financing the cataclysmic flood of immigrants to Israel (real or conjured) would doom any po-

tential improvement in relations between the U.S. and the oil-rich Arab states. Beyond the backbreaking burden it inflicts on American taxpayers, this Israeli loan demand is full of concealed costs and hidden dangers. The U.S. must not be allowed to fall into this trap. But it surely looks like you will march head-long into same.

What are you actually looking at? Well, it is interesting to note that the Ethiopian Jews are being absorbed directly, have their food and lodging paid for them by the Jewish Agency, while the Russian Jews, being absorbed indirectly, are charged about \$350 a month for their hotel rooms and must pay for their food separately. What does this tell you about the tribes of Israel in original breakdown? You must understand that what got Cain into such trouble was that he married outside his "faith" and unto a "black" woman which caused him to be cast out by his family. The source of this so-called Jewish tribe (who were not) were settled in what is Ethiopia. Thus you have now gotten it from the horses' mouths that the current modern-day settlers in Israel are NOT of the original "tribes" of Israel of Biblical heritage. They most certainly openly prove, if nothing more, that THEY ARE MOST CERTAINLY NOT SEMITES FOR SEMITES ARE FROM THE TRIBE OF SHEM (SHEMITES) [SEMITES]) AND THEREFORE THIS IS A FAST-PULLED SLICK LIE ON YOU OF THE WORLD.

POINT MISSED

The "historic necessity" of paying for the "ingathering" of people into Israel, whether real or fabricated, is not the fulfillment of biblical prophesy of the return of the wandering tribes to

their ancestral homeland of some sort or another.

It is instead a play by the Israelis for the fulfillment of their dream of Greater Israel by acquiring a population sizable enough to offset the rapid growth of Arab population in the Occupied Territories, and to settle these Palestinian lands in such density that they will never be able to withdraw, as the international community has been demanding since they were seized in 1967.

AND, THEY ARE DEMANDING THAT YOU-THE-TAXPAYERS OF AMERICA FOOT THE BILL.

OTHER AREAS OF MISINTERPRETATION

You will be hearing and reading that Freedom in the Baltics has hurt the Elitist Cabal. Not to worry--they are DEFINITELY NOT HURT! The shadow government had fought secretly for several years to keep the Soviet Union intact, to preserve Kremlin control over the former East-bloc countries and maintain the Warsaw Pact.

You will be told several reasons why the Elite are "hurt", such as: Ending the Cold War would reduce military spending and thus cut into profits.

Breaking up the Soviet empire confuses their plans for a global government. The Bilderberg/Trilateralists envisioned a world government broken up into "zones" for political convenience, with the European Community, the Western Hemisphere and the Soviet empire being separate "zones".

They will tell you that "Now, instead of dealing with a huge Soviet "zone", the shadow government faces the prospect of 15

separate countries in the former Soviet Union, plus the newly freed states of the old East bloc."

I believe that you can safely guess that the Elite had alternative plans for every circumstance. It also points out that you do not have a "Russia" under complete control and with the Cosmospheres--will NOT have such. So, alternative plans had to be set into motion to pull down the economy of the U.S. and gain control over the populace--and so they have had to turn to the Banking/Disaster scenario. In this respect, it is also expected to glean an additional asset--the ridding of a great number of unwanted bodies through devastation of very populous areas geographically and in which, "unwanted" (addicts, AIDS) persons will be eliminated--hopefully. Certainly there will be such problems in daily functioning as to preclude trouble from these groups along the West Coast in California for a while.

What if the Earthquake doesn't pull down enough buildings, etc? Fine, the craft above will knock them down from the air and you will never know the difference--unless, it is claimed (if caught in this heinous act) that space brothers are responsible. They have all the bases covered, dear ones, to panic the entire world. Further, I am confident that you will find some "little gray aliens" aboard some of those hover-craft. So be it.

Do not, however, be deluded by what "APPEARS" to be happening in Russia. Even the long lines of food recipients, etc. When they speak of inability to buy a potato--please note the interview is usually with a well-dressed, well-groomed and manicured lady. How is it that

if they cannot afford a potato--they can afford accessories and new-appearing Western clothes? You ones must begin to take note of these clues to the lies. ALL "NEWS" IS FROM THE VERY SAME SOURCE--TOTALLY CENSORED AND PRESENTED TO ALL NETWORKS AFTER THOROUGH REWRITING AND OLD VIDEO TAPES ARE CONTINUALLY UTILIZED--THEY DON'T TELL YOU ANY LONGER, THAT YOU WITNESS A "FILE" TAPE.

Dharma, we are out of time for this sitting. Thank you for your service but it is time for other duties. I will move to stand-by but will keep you informed.

Hatonn to clear, please. Salu
