9/30/91 #1 HATONN
MONDAY

There is only one truth

It is in the silence which must be the time of "hearing". Hatonn present and this may be shared but it is a specific lesson for Dharma who cannot find respite to "meditate" and "listen". The message varies not one iota from that which is given to ALL!

The bombardment upon your senses is for specific reason--to distract you from your purpose and mission--sidetracking you into channels of worldly and physical attention and hopefully, compromise. You ask in total intent of service that you be protected from this "thing" which is consuming the senses of "man" and from your heart intent in petition do I respond periodically and assist you to sort of directions. As each "personal" fragment needing attention from the location and gathering which automatically comes as ones seek and find their own directions, the pressures mount until the goal is lost in the chaff pile of "other's" wheat gleanings.

No matter how "good" the intent of "suggestors" into the operations and perceived "better ways", comes the

hidden (especially from the one projecting the "better way") confusion and distraction. Ones do have very valid input regarding very earthly matters; Ed Y. has exceptional insight and structuring capability--but, it will not work for the masses for he has intellectual capacity beyond their ability to comprehend that which is most simple unto himself. I too, as an example, am sick unto vomit having to continue to consider the lineage of the so-called, self-styled, self-named "Jews" who are from the Khazars and before that, the evil tribes of the adversary. But we will have to reveal the truth of the lineage lest no man actually see and learn the origin of the deceit for it is too far back in perceived creation of Earth to understand otherwise.

The next, Dharma, is an attempt to set local individual personalities into preferred slots and authority--clinging to self-perceived directions. Little Crow will project unto you that "there are many truths"--NO--there IS ONE TRUTH and myriads of ways of expressing it. It is when ONE "MAN" TAKES

THAT WHICH HE "THINKS" IS TRUTH AND THRUSTS IT UPON ANOTHER AS "THE ONLY WAY" is the downfall. Still, it is the responsibility of the one who accepts the limitation which is at disadvantage for he has just given his power unto another physical being's hands. To accomplish that which must be accomplished if you are to change a massive mountain slide into worthy note, is to work within that which IS and show a better way in ALL things--not in selected facets which affect self alone. Consider that which YOU do against that which you express (for whatever purpose) before you clean thine brother's doorstep of snow--perhaps the brother desired the cleansing quality of the snow upon his doorway--if nothing more, perhaps, than to block entry of intruders upon his time and presence.

What Little Crow, further, is telling

Heaven and Hell

You ones seem to have need of limits and delineations of expression so that you can say, "Do this and you go to Hell" and "Do this and you go to Heaven". Both are the same, can you not see this? So, wherein lies the difference? In action and in presence or absence of God. Hell is simply a place in absence of God and is thus classified as the void or absence of KNOWING or absence of Light--darkness. It is neither "right" nor "wrong"--IT IS. So what is the point? The point is that Man is created with himself as fragment and reflection of the God "Idea" manifest. Man with soul essence established from

you is that you cannot save, fix or drag another into anything and you shouldn't even presume to "try". The word fits (try) for you will not do of anything other than stir controversy and exchange more dogma in your "trying". To effect change you "lead" in the purity of "truth" of each individual's sovereign "right" to self-belief and only in that way will brother follow the "better way". Perhaps for that particular targeted individual, your way may not be HIS BEST WAY. Man will follow the lie and/or the "tradition" until he sees that it is incorrect--or continue to follow for he sees that it IS CORRECT. Man seeks one with Godness and yet, he must select the truth from the lies in order to learn his own path even though it may take additional eons of pain and experience to isolate that which is Godly from that which is not.

the Source of Creation will always seek oneness with that Lighted Mother/Father. All "men" do not even seek that "God of Light" for they have ceased to function as a reflection of God of Creation and become solely a reflection of the sensual physical manufacturing processes of that which is against God. We describe that one as bearing "evil" for the definition of "evil" is the act of distracting a being from his soul attainment of oneness with God of Creation. In your clever slang--"...It is a lousy job but

Oneness of perfection

Why then, do you not receive as does Little Crow--simply speaking for self in great puffs of wisdom and somehow separate personal human self from that speaker? Because, and I believe even Little Crow will now recognize the DIFFERENCE in your receiving and his, you do not receive as does he. You are a translator of that which we give unto you in our own manner and you merely project it while efforting to have Godly attitudes and Truth in your living expression. It is without YOUR OPINION and it is from the printed word that the attempt is now being made to leave it without Earth OPINION. Each has a differing mission and yours is not to BE THE teacher--only relay the teachings, for you have accepted an additional step of fragmentation in order to serve a different purpose in the overall whole.

Are there other speakers and do you have to discern the personal intent of each? No--it is none of your business to judge another even if they be the greatest liar since Lucifer. Judge that which is given at EACH GIVING FORTH. Is truth the foundation or is it lie and does it vary? You have NO RIGHT to judge another--only that which is presented, and you are EACH given into knowing whether it be in truth or variations thereof. You have based your entire existence as a nation and a "Christian" people on re-

continued from previous page

someone has to do it." You think it represents other than a "lousy" job--that it looks like the evil get all the goodies? Do they? Then why are they not at peace, and in confusion and torment? Because the fragmentation of Creator God is to cause all ones to desire the returning unto God in like form. A cat, for instance, will never be a dog. The cat may end up in great similarity to a dog through training and practice but never the two shall be the same. The cat will find no peace in being the dog--the cat will only find perfection in the perfection of cathood. That is neither evil nor good--IT IS.

ligions which are presented in direct projection from the evil Elite. Your very "word of God" is the biggest lie of all--it is but an extension of Protocols built to give sequence clues to the readers and allow the adversary to manipulate you into following his pathway without question or reason. Blindly follow a trumped-up lie so that you end up believing on a conjured "Man" (Jesus, for instance), rather than reasoning and turning unto Creator--spiritual God. I repeat--"Jesus" was a name given by the Christ's arch enemy, Saul of Tarsus (dubbed Paul) who set about methodically building a "religion" to suit the needs of the adversary and calling it goodness. This is THE prime characteristic of the adversary. I rather honor the miserable beast for he does his job so effectively and completely with you as the destroyed while he practices his deceit and games upon you while you beat his drum for the marchers unto their own limitations and misery in perception.

The adversary chose a nice time in evolution and growth of the planet and species to "begin Creation" and "begin history", then he simply outlaid the happenings of other experiences--knowing all the while you would march to his drum. **YOU MUST REMEMBER--'TIS THE SOULS OF EXPERIENCING HUMAN WHICH IS THE PRIZE. YOU CANNOT GO SOMEWHERE ELSE TO FIND HELL AND YOU CAN'T GO ANYWHERE ELSE TO FIND HEAVEN FOR IT IS ALL THE SAME--ONLY HEAVEN IS THE PRESENCE OF GOD AND HELL IS THE ABSENCE THEREOF. EACH TO HIS OWN PERCEPTION.**

So why Space Command? Because you have lost your way--you who would come home to God in Truth and find rest and peace. You have purpose of expression and you must, therefore, experience. We are only here to remind you that you are experiencing and you have been deliberately caused to FORGET how the play goes--in other words to REMEMBER. When

enough "REMEMBER" then the play will change--it MUST. This is what Little Crow tries to express unto you, chela--only our "thrust" is in differing methods. It becomes obvious that with some billions of expressing fragments, the WORD must go forth in abundance--but the printed word is always changed to suit the adversary and the need of the moment regardless of the intent of the writer. And yet, what man does with the writings will be his own conclusion regarding them--however, if they go not forth, few will be touched. Will it matter? Yes and no. Yes, we will have served our mission and some will hear and act and shorten their journey in darkness. Others will avoid and change and corrupt the very word you bring for, as with the Holy Bible, it is obvious that which has happened. Man has simply projected his own way and calls it God's to further his own physical human desires. It will be no different with ANY printed word--only the truth borne within the silence of the soul will prevail as the ultimate TRUTH--but both are necessary at this time of migration and evolution of a species and the change of a Mother Planet who has birthed you as a species.

You, "Little Brothers", as the blessed "Elders" will remind you--have killed your Mother, and the Earth will end for you have killed her. But you cannot kill anything--only bind into prison and destruction and torture, and she will fling you off as the vermin you have become upon her wondrous perfection. Does it matter? Yes and no. She will heal of self and cast you out--no, it matters not to her for she KNOWS THE TRUTH OF IT. It matters to you for you prolong your journey back within the Oneness of perfection and thus the lonely journey seeking oneness and peace within perfection. But even that must be individual in the choosing. You have, as "Little Brothers", stolen the very balance of her earth construction and removed her wondrous treasures which allowed her full balance of rain and warmth--minerals and life. You have acted

in foolish and stupid ways and destroyed, which is ALL that physical expression can do for it must function with that which IS physical, so it's tools are you of the sensing vibration. Remember that pain and pleasure in this sensing world is a "perception"--i.e., the physical places of the greatest pleasure also can bring the worst pain in different circumstances.

You ones continually desire to suck me, for instance, into your physical realm of do and don't. No, I am a Commander with a mission--I will NOT play your games of physical foolishness. I will walk with you and hopefully, share wisdom--the greatest of that wisdom is to make you realize that it is YOU who chooses and I do nothing save cause you to face your journey and REMEMBER that which you ARE!

How much do we interfere? NOT ONE IOTA! We only act where "invited" within and then we will protect unto infinity but he who thinks he will "ride along" on the ticket of another will be sorely brought up to his own responsibility or lack thereof.

You precious beings who seek to find why some of the most strange circuits within this specific dwelling do not have electricity--let me share a happening and perhaps it will give insight or possibilities.

I told you that attack has been severe upon my scribe. I told you that the enemy had been allowed within the "curtain" of overall protection--note the circuits out of order and then hold your breath until you turn pale. The lines were charged to kill Dharma, and Oberli if he got in the way, and you will find the full circuits not affected--only the ones which had to be disrupted to stop the blast set to kill. The electronics were charged to hit her and if the inner blasts didn't do the trick--the ones outside her room would hit upon walking through the escape routes to safety--you will find malfunction just outside the

Have you lost your way?

Page 3

What has happened? You have lost your direction and forgotten the truth of the workings and you now find yourselves in total chaos--read the sequence of clues and events from the book of the Adversary--called your Holy Bible! It is NOT a book of directions from God--it is the first roadmap of the adversary to get all of you on the same road to his "Hell". You bit it off hook, line and sinker and now he tells you not to hear reason nor Truth and you march along with your eyes, ears and intelligence shrouded in bindings.

I CARE NOT--FOR I AM COME TO RECLAIM GOD'S PEOPLE--I CARE NOT ONE IOTA ABOUT THOSE WHO DO NOT WISH TO COME WITH ME FOR THAT IS THEIR RIGHTFUL EXPERIENCE. I AM NOT HERE TO

"SAVE" ANYTHING--NOTHING! I AM HERE TO PICK UP MY BRETHREN AND ESTABLISH A REMNANT TO SEE MOTHER THROUGH THE TRANSITION AND THEN BRING GOD'S PEOPLE HOME--NO MORE AND NO LESS. I SHALL NOT DO MORE BUT NEITHER WILL I DO ANY LESS.

You have forgotten your way on your planet and have turned to those who give false testimony and witness. You wish to be saved by "another" other than yourselves. You have actually ceased to have respect or love for self or any other being. It is NOT possible to have another save you nor you to save another. You will cease looking for "salvation" outside of self for it is NOT out there somewhere--only a few hints of directions can be offered. Ones will bring you infor-

mation--but that is all it is--information. Unless you take it within and determine its Truth and your role within that Truth in your own individual soul. Do not allow yourselves to be destroyed needlessly. Do not lose the great beauty that is yourself. You must turn within and know your own truth. We of the Lighted Brotherhood wait upon you to awaken and remember. We would desire that ALL would choose the Light of Life and move with us into the higher realms of "REALITY". That, however, is not our right nor mission to choose for you. We come to give assistance in any manner possible but it is only you who must choose the path. If there is going to be any "saving" done--you will do it for self. No one is going to come and "take you up" and you had best be making your own preparations for that transition. That means you had

best be getting the facts quite straight or you will be waving goodbye to the last shipload out of the pit. You must make your preparations on ALL levels of your existence that you might be ready when the trumpet sounds. For it will be loud indeed and will be your call to Life, and the sound will be unmistakable to those who are attuned to the beat of that particular drum.

Reminder

Earth is under heavy and intentional attack at this very moment of experience--which actually--is all there is (this moment). You are allowing yourselves to become tools, without mind awareness, of the LIE. You can stop this but you must come to understanding. Otherwise you are doomed to experience the darkness of that which will befall you in this experience. It is your own will that leads you and you can, if you KNOW this, choose freedom instead. You have the ability to bring about Freedom if you so choose--even in this third dimension of expression for it is your will; you may choose the path for that is Creator's greatest gift unto you in this expression. This means, however, that you must make the choice for freedom and then take responsibility for ensuring that Freedom. None can do this for you, either--only YOU can make the difference.

We can tell you the facts, give you information and "how-to" on space clearing, elevation of consciousness and how and what is meant by merging of multi-dimensional energies and expression, but it is up to YOU to first choose the path. It is your intent within self which is heard and recognized by Creator--not the usual "Bushlips" out of the opening in your lower faces.

Just as Truth is now abounding from "THE HEART OF THE MOTHER EARTH" so shall truth come from within the Heart of your livingness. What will you do, Little Brothers? Will you simply

continued from previous page

door to the hallway, also, although not the same type of malfunction. I also remind you that you are working presently with robotic transplants and you remain in great jeopardy--all you need do is look at the confusion factor around certain beings. Robotics can only function according to the "downloading" information and programming. They are usually only a tool and understand not but are the "other end of the line" as a tool or conduit. When they come into fire they become even more confused and erratic and will self-destruct.

Diona is projecting most accurately and herein I specifically refer to the replicas Gorbachev and Yeltsin. Gorbachev has served his purpose and will be less and less visible from time to time for the strain is weak now. It also becomes time to consider retiring Bush for his strain is weak now, also. Soon Gorbachev, for instance, will not need to manifest in the human form for such long periods of time. He was and is a Key player in the New World Order Plan 2000. He did what he was supposed to do--bring the next phase of power into that power--this time via a puppet called Yeltsin to further the facade of democratic process.

I repeat--the battle is for the "soul" of Man. I have also told you that "life" was created from elemental matter--actually, specifically I mentioned Tel Aviv in about your year 1952--with viruses. I also told you that we are now here because you have also learned how to "create" death. Since you cannot "kill" soul as you recognize it and we have no such thing as death--then you must realize that my use of the term "death" and yours is most different and in total opposition to your thought of same. YOU CAN NOW CREATE DEATH ON YOUR PLANET, OF SOUL. IT IS NOT PERMITTED TO PREVAIL AND IT IS THE ULTIMATE BATTLE OF THE HIGHEST "CAUSE".

Let us refer to this adversary, to make it easy for description, as Satan and Creator as God. God projects (creates) the entity of Himself called "YOU" and you are immortal--to experience and return within that oneness. The point is to destroy as many of those fragments as possible in order to make the evil physical experience THE only experience which is the domain of Satan, with, hopefully, the absence of God to annoy him in his games and pleasures. He cannot, however, have immortality and, therefore,

must continue to replicate and "manufacture" from that which IS physical and, meanwhile, hold hostage the living fragments of God to hopefully come up with a way of expressing immortality at some point of evolvment.

With the use of Prana Waves used in the right manner, not only is the body killed but the soul essence is so disrupted as to preclude its ability to reconstruct from its own DNA, if you will. However, when you ask "...why doesn't Evil just go ahead and wipe out those of us who remain with intact souls and he wins?" Because God is ultimate in Creation and Satan can't--he can only control that which is attached to the physical alone. He can slay the soul fragments but he crosses the "thou shall not" barrier set forth by God Creator and the repercussions are most uncomfortable for him for God can "uncreate" the whole mess in a split second. God leaves the experience for you to finish and, hopefully, we win through Truth and Wisdom--whatever the journey may be--ALL WILL EXPERIENCE IT AND THERE WILL BE NO ESCAPE FROM THE EXPERIENCE!

continue to kill of selves or will you hear the call?

These are the points of our intended teachings--not the foolishness which is in activity around and about you--however, you must see that which IS to perceive with wisdom, that which needs be in the changing. We have assumed that as the task at hand, albeit it being a bore and a terribly discomforting one at best. If you, however, do not know that which is "wrong" and "destructive", you cannot have a way of returning to balance for you know not that which has caused such unbalance.

If you perceive you upset me or mine by your disagreements with that which we give forth--so be it. What you think is none of my busi-

ness, although I note that great bunches of you try to make it my business. You may believe anything which you choose and if you do not like of my projections--do not read the material. I do suggest, however, that you may be in error of discernment as to reading material. My point is to "prove" no thing! Here is that which is given and God does not coerce, force nor judge--you make the choices and THEN, YOU SHALL LIVE AND REAP THE CONSEQUENCES OF THOSE CHOICES! WILL YOUR REAPING BE IN GLORY AND WONDROUS EXPERIENCE OR MORE OF THE SAME RESTLESS SEARCHING? I HAVE NO RIGHT NOR ANY INTENT OF FORCING YOU INTO MY KNOWINGNESS OTHER THAN TO PRESENT THAT WHICH IS GIVEN FROM THE SOURCE OF YOUR CREATION--NO MORE AND NO LESS. THERE WILL

BE MANY SPEAKERS AT THIS TIME--SOME FALSE AND SOME IN TRUTH OF GOD--YOU WILL DECIDE AND YET, YOU WILL FIND THE BRINGERS OF TRUTH FROM GOD REALMS WILL NEVER FORCE NOR DENY ONE THING UNTO YOU--I SUGGEST YOU PONDER IT.

Dharma, I have taken quite a while this day but you must be given into balance also and pressures deny you the allowance of meditation, sharing, even speaking as in "personal" opinion to "reason" for self with others. That is a necessary step in fulfillment of one's own balance--do not allow ones such as Oberli, to pull you away--HE ALSO NEEDS MORE WITHIN TIME AND LESS TENDING OF YOUR TIME--INTENT IS GOOD BUT HE KNOWS NOT YOUR NEEDS NOR INTENT NOR CONTRACT. REMEMBER? Balance comes in support without creating even greater pressures upon another already under great stress.

From the pressure of the moment we have written a most worthy message but it was not that which was planned for the masses to receive this day--we move as the need is presented and you will not feel distressed in concern that you have taken time from those very ones you come to serve. Ah, blessings unto those precious ones who continue to support this chela--the loving cards and carefully chosen items which convey love and messages--YOU are the skeletal system of God in presentation of this mighty blessing we are co-creating--for upon you rests the foundation of the being we are creating--freedom and truth manifest! CAN YOU COME TO SEE IT? PLEASE ALLOW OUR CO-CREATION TO BIRTH IN BEAUTY AND NOT BE MORE MUTATION OF THE LIE--IT IS UP TO YOU FOR IT IS THROUGH YOUR HANDS THAT IT MUST BE PERFECTED. SALU.

Please allow us a bit of rest time. Children, be at peace and come within balance--but do not sit on your backsides complaining--get up and give life--life. So be it. Hatonn to-step aside at ready.

Shifting sands

As we come to commune this day, allow a moment to settle the dust from the flight feathers, please. It has been a wondrous week of work and fun which I would like to share with all for YOU are our "group"--not just the ones who sit within the hearing of a voice.

First, the *PHOENIX EXPRESS* (PAPER FORMAT) got off the press line. It is our hope that as we move along "I" will only be a "contributor" and "editor of sorts" for there is so very much information needing to reach you and you need as much as possible from your own dimension. Truth is pouring forth through the cracks better than ever before in history for you who doubt and desire facts. So many had requested extra copies that the load got so great that it was decided to simply send a hundred copies or so to most of the regular subscribers as sorting time was eliminated in order to reach you with the "timely" information--which, by the way, is already obsolete as to world happenings. As we move into "habit" function we will be doing far better on the updating--perhaps I shall be giving you advance information and allowing the others to support it in the upcoming paper each week. This is a very "real" problem to the publishers and distributors who are seeking to give you the same level of CURRENT information--please abide with them until the "human" can work these "superhuman" feats.

Changes

One "wonderful" problem is that the Constitution Law Center is now actively operating so please begin to send all of your information and referrals for our lawyers MUST get up to speed and quickly indeed. C. Gene Dixon and Scott Tips will head the Center and the end result is to be the operation of an actual cer-

tifying of legal assistants under the Constitution who can work from a full network of resources.

Further, this week the Advanced Building Technology group got its running "gun" and the wondrous building technology will be an approved and available entity in any size from tiny to elongated, underground to multi-level, and will come eventually in modular sections. It is a business opportunity which probably will not be open for very long for this building technology will come in for far less than half of any other and will be beautiful in addition to being secure, pulse resistant and radioactive sheltering even "above" ground. The first building should be going up on "slab" for replication in many sizes and heights beginning in Tehachapi in February. This means that tooling and industrial facilities will also become "in place". Also, there will be a thrust to provide, nationwide, extremely low-cost housing for, say, migrant workers (in conjunction with the Farm Workers), and plans and blueprints for senior care centers, etc., as rapidly as financing and time of the original workers are available. The prototype components will be built and engineered first in Hemet (where the first tooling operation is already located) to avoid winter climate in the local area.

I remind all of you that we promised to make available this information in timely manner for so many of you have asked how and when you can participate in actual investments of projects. At this point these ones are still doing these things with that which they alone have upon which to start, for the publications are still running at less than "break-even". This now gives you ability to select anything that gives you joy in which to participate in a very basic business manner--with total integrity.

With this technology these ones will immediately begin on the first of the underground growing research centers. This will consist of long, underground or partially underground, facilities where hydroponic and airponic food growing can be

undertaken for you are already into food shortage--even if you have not noticed it. Last year your Elite and government GAVE Gorbachev direct shipments of your reserve grain which finished off your reserves and, in addition, gave him future production contracts and treaty agreements for same. If the earthquake doesn't break the aqueduct system of irrigation to your garden belt of the San Joaquin and Imperial Valleys of California, it is intended to disable them at any rate, so you are already in serious trouble. You must find alternative and private control of systems of intensified growing facilities. You can do it if you want to--the choice is yours alone but these ones can no longer carry the load. For you who have supported this activity--words are not sufficient to adequately thank you.

Mr. Rick Martin has resigned from America West to join more closely with these project activities. He is superb at project presentations and will act as liaison and coordinator for and among the various projects whereby Hatonn and brotherhood can more easily monitor ALL activities for God relinquishes not, His authority over integrity.

I realize that you ones will be missing your contact with Rick and that in no way shall cease--all correspondence will come to him--through him, for Dharma as well as these other entities, i.e., Advanced Building Technology, Constitutional Law Center, Information Focus, etc. If you don't know the "name" just make reference to the subject enclosed and we will get it. Briefly, you will continue using the address as given until changes can be made for other box numbers and phone service. This means we will probably soon need other office facilities but for the present nothing will change except addressing information to ease the load on George and more easily get information to me, Oberli and Dharma. You who write to any of the Masters--just address as you have been and it will arrive in Dharma's lap. We will have to continue to respond mostly through this format for we get hundreds and hundreds of documents and letters. WE ARE HUMBL Y GRATEFUL AND

PLEASE DO NOT STOP SENDING THEM!! I HAVE SOME INFORMATION, FOR INSTANCE, WHICH WILL BOTH AMUSE AND CONFIRM AN INCIDENT OF WHICH I SPOKE WEEKS AGO.

The sharing is that which makes this journey worthy. I have piles of Constitution documents and also "Bills", etc., which further remove your Constitutional rights--I simply have no way to get it all into your hands and therefore, we will be turning it rapidly over to the Constitutional Law Center. I will, however, review each piece of information sent through this avenue.

Your identity as resource will always be most carefully guarded. We have no way to express our appreciation for your sharing and the wondrous way in which you personally give love and support to Dharma with your precious and personal gifts of love. You have no idea what this kind of acknowledgement gives to a weary spirit. I am sure, however, that "Susie" would not suspect that the leather pouch would become a baby bird cradle for Dharma's orphaned bird children or that a shirt with a tulip garden would boost the spirits into remembering missions. The books are cherished for they bear infinity within their pages and hold the thoughts and feelings of a being who writes them and the one who shares them.

I shall always effort to continue to respond to questions which are of widespread interest such as the recent quakes in Washington and Oregon, etc. Those are not only to weaken the fault system stability but

in fact, are deliberately to break loose "snags" in the major faults and speed up the momentum now under way in the plate turnings.

This cute little umbrella "artistic" foolishness which is indicated to you as "artistic presentation" is nothing short of identifying, from high altitudes, the faults and vortices in both Japan and California which, when triggered, will cause the major disruption to the massive system of faults and rifts. The one in California, for instance, which is in the Tejon Pass area, is directly pinpointing the junction of the Garlock Fault with the San Andreas which will trigger the massive damage in downtown Los Angeles and, intended, Bakersfield.

We continue to guard Dharma and Oberli on a continual basis and are now seen by anyone who cares to look in the nighttime. We will only utilize lights on the shuttles and monitors at "time" of "shift change" for protection, but we need identification at ground level just as do you. We don't "have to" have it but it is giving the proper message to the skulk craft who plan to blow the place away when and if they catch it unguarded--that will be a "very, very cold day in you-know-where!"

I ask that you enjoy the following copy from the *Bakersfield Californian* (a major news publication) and then note the writing which I had given you prior to that time. Enjoy your newly found information flow--do not distress self--you can now begin to "act" with wisdom and receive the lies while converting them into probable truth.

No home, no future

SEVENTH STANDARD ROAD — Every night when Alberto Castro gets off work, he looks for a quiet place to lie low.

Parks are nice, but sometimes he's forced to stop the family's converted refrigerator truck under a shady tree by the side of the road, or behind a convenience store.

Castro is killing time until dark, when he, his wife and four children

can find a quiet field to bed down. They sleep in the truck and wake before dawn for another day of picking grapes.

It's no life for the children, he admits. But sometimes, you have to do what you must to survive.

Fifteen years ago, Castro first came to the Coachella and San Joaquin valleys to pick grapes. He hoped he could build a rich life for his family.

But last year, when his son, Alberto, and daughter, Carolina, began working beside him in the fields, he knew their lives would contain few rewards.

He knew they had been caught in the same cycle as thousands of other migrant children, who quit

school in Mexico while their parents work the crops in California and lose out on an American education when the family continues to move.

"I know they have fallen behind," said Castro, who speaks no English. "I realize the children are missing a lot of school by moving around. But a lot of times, in order to help yourselves, you move around a lot."

Although federal and state demographers say they don't know how many migrant workers are homeless, a study completed in October 1990 for two farm worker advocacy groups paints a grim picture.

It focuses solely on California's farm worker population.

"Available public and private housing meets only 10 percent of the need," it said. "The housing the farm worker community occupies is invariably old and decaying, in serious disrepair and lacking the usual amenities that make it fit for human habitation."

"It contributes to the destabilization of the family and seriously disrupts the development and education of the children."

The report, commissioned by La Coopertiva Campesina de California and the Western Alliance of Farmworker Advocates, also estimated the state's 26 government-operated labor camps can accommodate only 5 percent of the migrant families who need homes.

IN KERN COUNTY, where 1988 state estimates placed the number of migrant families at between 1,200 and 1,700 annually, only 109 government-run cabins are available at the North Shafter Farm Labor Center and another 130 at the Sunset Labor Camp near Arvin.

Both centers provide cabins to families from April to October. After that, migrants are on their own, and usually begin migrating back to their homes in Mexico, Texas or elsewhere.

Migrants say they prefer the more sanitary state-operated camps to farmer-run housing. But many have little choice.

Fewer and fewer local farmers are providing homes for field workers because federal regulations im-

posed in 1988 made the costs prohibitive.

That year, Kern County held 153 private labor camp locations. Today, the county has only 43 farmer-run facilities, run by 31 growers, according to records in the county Environmental Health office. They have space for 1,490 laborers.

Many of those provide single spaces for workers traveling alone. Migrants with families are on their own.

"Before any migrants arrive, from 4 to 9 percent of the housing stock is vacant," according to a 1988 state housing department study, citing "typical" Central Valley towns. "At least 15 percent is substandard. And most of the units which owners are willing to rent to migrants are substandard."

Demand is great, so prices increase with the farm worker influx. And per-person charges to increase landlord profits often are levied against families who double up.

The rest of the migrants must fend for themselves, often squeezing into the cramped homes of relatives or piling several families into small rented apartments or trailers.

Some migrant field workers have been found living in caves in Salinas and other parts of the state.

"Many of the truly migrant families are not identified and not served because they don't stay long in any community," said Hedy Chang, a researcher at the non-profit advocacy group California Tomorrow. "They're the ones who live in orchards and garages and grower-owned housing facilities. Many families simply aren't aware of what's available."

Since all federally run migrant programs include children whose families have moved within the previous five years, many programs are filled with former migrants. And highly mobile parents often are reluctant to enroll their children in school programs or other services because it's too much trouble for a short stay.

"These are bootstrap philosophy families," said Chang, a former migrant child. "There's a lot of family pride in being self sufficient. That's one of the things that keeps them moving — they can stay self-sufficient. Part of not wanting to access social services comes from this cultural value."

ACCORDING TO A 1990 national survey prepared by federal demographer Rick Mines for the U.S. Department of Labor, fewer than one-fifth of seasonal agricultural workers receive

"Watergating" Bush

Ok, I told you that the plan was either to assassinate Bush by the Mossad and/or "Watergate" him and/or Kenned-ize him. The plan is NOW to go to work and destroy him through scandal within the Noriega hearings with shifting of focus from (by the method of) Gates' hearing. Note that "Ollie" North is set to testify FOR Noriega and this information will probably be hitting your public viewing by this week-end.

What does this really mean? It means that your nation and banking economy is sitting on a time-bomb--perhaps it would be far better if you had your funds building housing or a Law Center backed by gold than sitting in any bank ANYWHERE. It is your NATION under siege--not a Bush Baby.

You are NOT calling off the alert of your flight services, either. At least not as you think. There is a big shifting and merging of same--getting ready to hopefully relocate to safe locations unknown, wherein the enemy misses blowing them away in the first strike or retaliation.

The papers found in Iraq are going to reveal that your nation of the U.S. were the ones who ultimately did the most building of the nuclear weaponry--far more than did Russia--Russia only gave them advance technology beyond that which you have. The point now is to pull attention from the area and let you-the-people focus on a probable invasion of Haiti so the massive information and disclosures can somehow be handled behind your backs.

Free lunch

How so America? How so that YOUR SERVANTS in Washington get a free BANK in which the Congressmen can bounce checks, etc., unblemished nor nagged for return of monies? YOU would go to prison for the remainder of your natural life. Further, how about "free lunches" to the tune of well over \$300,000 for a select few? The bouncing checks come even from your highest "House" leaders. DO YOU HAVE SUCH ADVANTAGE? Well, you pay their salaries for their services unto YOU--perhaps they need another

raise? They only make about four times the high middle-income family in your nation--annually--not to mention hidden perks.

Our beloved "Political Cartoonist", Barry, deserves far more accolades than we can ever begin to give him. I would like to have a whole issue with nothing save his drawings, at some point, for through humor it is sometimes easier to give forth the irony and preposterous examples--it is hard for any sane person to realize the Truth.

IRS defense update

First of all, the problem with banking and privacy floods my attention through petitions. Yes, there is a way to use your accounts as a resource for check cashing if needed. I suggest, however, that that information must be handled quietly--yes, legally--but you need to contact Cort through the Corporate Advisors for I will not write it herein. I advise to sever banking connections in private format if at all possible or keep the attention and funds very, very minimal. Corporations fare better but how

long that will garner protection is also questionable. In a collapse it doesn't matter for the insurance system is already bankrupt. There will be NO GUARANTEE OF ANY \$100,000--THERE WILL BE NO MONEY IN THAT INSURANCE FUND BY YEAR'S END--THAT, BY YOUR OWN AUTHORITIES.

Constitutional assassination and infringements

CONSPIRACY

Note that you now have an Elite force within the IRS force. Note also, however, that more and more people are learning that the IRS is a private police force serving the banks and, particularly, as collection agents for the Fed. (Remember--all your income tax, etc., goes to pay the banks for interest--and against that awesome debt of your nation to the banks through the Federal Reserve and on into the International Bank of Settlements in Switzerland).

Many of you know who Jonathan May is, but do any of you know why he was REALLY incarcerated? Because he began a small "bank" outside the authorized Elite system. They sentenced him to **18 months in jail--HE HAS BEEN INCARCERATED FOR OVER SIX YEARS!!! AMERICA--HOW CAN YOU ALLOW THIS INCREDIBLE UNCONSTITUTIONAL HORROR?** LaRouche is still in prison--it matters not about his political beliefs--he was set-up and enslaved and you have allowed it. The ADL has even stated publicly that they set him up and got him sentenced through "fixed" judges and still he rots in jail. **WHERE ARE YOU, AMERICANS?**

Speaking of Constitutional assassination and infringements of rights, let me catch you up on the tiny little side crucifixion of "The Ekkers".

I told you of the missed appointed time showing up at the dwelling, of

tions are folding daily only to find massive corruption all hooked to the same people and resources. The RTC is the most corrupt branch of the S&L fraud network since the original set-up. No, I can't go into it again herein--it is ALL in the JOURNALS and EXPRESSES. Please do not ask us to spend time in repeating--almost every subject asked about has been detailed in the last 24 months in our writings--**NOW YOU ARE GETTING THE CONFIRMATION OF OUR TRUTH!**

Mr. Horn and the photographer. There was a retired clergyman (Catholic) of over 35 years of service to what he thought was God and man. He is in his late 70's and appears to be rather gentle, and at least not violent.

At the day of the happening, this "Father Cleary" told Mr. Horn to "get off his high-horse" and "settle down" in response to an outraged and aggressively demanding Horn. Oberli asked the lawyer (Horn) and the photographer into the house to meet the guests present but said it was too intrusive and they were late and there would be no "inspection" due to same. (You have to remember the day in court wherein Mr. Horn managed to disallow the Ekkers, because they were four minutes late, to deny a meeting on that date due to prior commitments.) So be it.

Ekkers, because it seemed appropriate in view of other filthy tricks and lies along with documents of extreme importance being removed from the court files, also had a photographer present as well as recording equipment to record conversations as the dwelling was "inspected".

After the incident, the photographer went through the entire dwelling and took approximately a hundred pictures of which three of each room (54) were entered and sent to the court with documented certification by the photographer.

Not only did the Judge not accept the pictures which cost over \$300 to have color copies, etc., made and filed, but he sanctioned them personally (fined) \$500 for disallowing entry into the house for inspection. (To see if the Ekkers "are wasting the premises".) The Judge further ordered, without constraint, another opportunity for Horn and photographer to enter and inspect the dwelling--so on the 17th they go through this all "again". Now, I am going to give you verbatim the demand received yesterday from HORN regarding this "inspection". By the way, the RTC, through this fine upstanding Kazarian Kol Nidre oath liar, has presented a "Writ of

Mandate" costing at least \$15,000 to prevent the court from allowing the Ekkers to have any discovery regarding the S&L, RTC or any witnesses. **YOU THE TAXPAYERS PAY FOR THE LEGAL FEES AND THE \$15,000 ONLY BEGINS THE ENCOUNTER.** We now have the proof that the rotten disease in this particular case goes all the way to the President's lap, not to mention several major law firms and dozens of corrupt politicians, judges and lawyers. Yes, we do keep this dwelling surrounded at all times.

By-the-way-number-two. The full intent is to set the stage for a frame-up by placing drugs on the premises and calling in the law to arrest and confiscate. There is NOTHING on the premises--not even a gun beyond a B-B. These ones take no drugs but are already placed under suspect from the fact that they have a generator and a fuel tank for same. They have it for computer security but that is another story which I will also someday tell.

Letter of demand and false orders stated by same from the Judge:

Oct. 3, 1991

Re: RESOLUTION TRUST CORPORATION VS. EKKER
SUPERIOR COURT FOR THE
COUNTY OF KERN CASE
NO. 215301

Dear Mr. Tips:

Pursuant to the court's order of October 1, 1991, granting our Motion to Compel Compliance with the court's September 3, 1991 discovery order, on October 17, 1991 when we appear to inspect and photograph the premises, your clients have been ordered not to interfere with the inspection.

The grounds for the inspection were set forth in the moving papers; your *clients are ordered NOT to have either any religious personnel or persons with electronic video recording equipment or cameras present. This is to be an UNOBSERVED inspection.* [Emphasis in original.]

Signed: Steven J. Horn

The "conspiracy" is blatantly obvious. There are none of the Bill of Rights which have not been openly and flagrantly broken. Even the amount of the fine was misstated in Mr. Horn's court document--he said the fine was \$514--clearly different from the \$500 ordered which was bad enough.

The "RTC Writ of Mandate" is also filled with one false statement following upon another as fast as the people can write. Since this document has been drawn by an "additional" and separate law firm, what think ye of that involvement?

MORE AND GREATER "CONSPIRACY"

On the same day a trip was required to the Mojave Municipal Court to argue Constitutional rights to have this diesel tank in Ekker's back property--completely surrounded by vacant land.

This was a "pre-trial hearing" on the basis of a citation issued months ago. Now hold on to your hats--our attorneys discovered that all allocations on the citation were not applicable and demanded **"BY LAW" for dismissal of charges. But not so--the District Attorney said that "We realized and realize that the citation is not accurate--but we are rewriting one which will be applicable."** In other words, readers, **"We don't have a charge but we will fabricate one--after the fact by months."** Not only did the pleading work--the Judge (acting during regular Judge's vacation) ruled for time for the fabrication of the new charges to be drawn.

Anyone wish to know what the new charges will be? Location of a tank of "possibly" hazardous material on private property in a level 5 earthquake zone. Also, probable cause to believe that fuel and generator are for the purpose of growing illegal plants--for there were already noted "white buckets" present on premises and possible building code violations by producing electricity other than allowed by commercial utility company.

Pertinent IRS quotes

If you are ever involved with a Bank giving information to the IRS, friends, and you bring suit--know the following: The IRS in court will say that the bank "volunteered the information to them and that the bank is not bound to comply with the IRS". This means that the IRS won't even stand in loyalty to their own counterparts.

How times change: look what Governor (CALIF.) Ronald Reagan said in 1968: *"The entire income tax structure was created by Karl Marx, it has no justification getting the Government needed revenue."* So be it.

President Ronald Reagan, 1983: *"Our Federal Tax System is, in*

short, utterly impossible, utterly unjust, completely counter productive; the present system of taxation reeks of injustice. It is fundamentally un-American, it has earned a rebellion and it is time we rebelled." Still don't believe in robotoids and replicas? So be it.

Supreme Court: Loan Association vs. Topeka: *"To lay with one hand, the powers of the Government on the property of the citizens, and on the other hand bestow it on favored individuals, is none the less robbery*

because it is done under the forms of law and is called taxation."

T. Coleman Andrews, Commissioner of the IRS, 1956: *"I don't like the income tax. Every time we talk about these taxes, we get around to the idea, from each according to his capacity and to each according to his needs. That's socialism. It is written into the Communist Manifesto. Maybe we ought to see that every person who gets a tax return, receives a copy of the Communist Manifesto with it so he can see what is happening to him."*

Yes, we now turn it over to, and ask that, the lawyers now advertise the new titles given unto them as head of the Constitutional Law Center of America. Documents of every case we can come by will now be entered with every applicable court and the Bar Association of all involved attorneys. We intend to even present the cases to the International Bar Association for "corrupt practices and intentional intent of conspiracy against the defendants". Will it make a difference? Not unless you-the-people stand in outrage in support of ones who dare to go on in the face of this abuse and personal danger. I know that many of YOU have been through similar, or worse, circumstances and abuse--let us unify and allow God to walk with you as you reclaim your nation and law. **DO YOU NOT SEE, THE ADVERSARY CANNOT BEAR THE LIGHT OF PICTURES OR TRUTH--AND HE IS HORRIFIED OF EVEN THE PRESENCE OF ANYTHING HOLY--EVEN A RETIRED 70+ YEAR-OLD PRIEST--JUST HIS PRESENCE CANNOT BE BORNE BY THE ADVERSARY--SO USE THIS KNOWLEDGE AND NEVER CONFRONT THESE ONES WITHOUT GOD WITHIN AND WITHOUT YOUR VERY PRESENCE.**

It is sad for the Judge involved in the case has also allowed himself to be involved and tampered with and now he damages himself for it is known that he is a practicing homosexual gay and that there are multiple ones in the District Attorney's offices. This is his business, not ours, but he has succumbed to the pressures of the Elite and he dam-

ages himself so terribly. To each his own choice regarding actions and behaviors--right or wrong matters not. But to allow this kind of injustice which only compounds is heinous against the people of this nation and this is only one, and a rather benign county in California, at that. It is up to the others within the Judicial system to clean their benches--I do not see that happening.

THREATS

You must also remember that this is the same Judge, who in chambers, was told that three people had seen Horn remove a document from the court file and finally said, "Well, I don't believe Mr. Horn would remove a file from the records." He is also the Judge who said he would waive production of the five witnesses known to be at the first hearing and allow only two. This is the same system which allows the defendants NO DISCOVERY and urgent, totally incriminating evidence was censored (removed) by Horn in documents which WERE PRESENTED.

Now, public readers, if you still believe in your Justice System and that YOU can't be a victim--I beg you to re-think this assumption. This whole case is built around the failure of an S&L to hold a fully advertised and certified "sale of property" where the defendants "were told by the same S&L it would be necessary to attend to reclaim their property in point due to other investors involved". I REMIND YOU PRECIOUS ONES--THE INTENT OF THE SYSTEM ELITE IS TO GARNER EVERYTHING YOU HAVE--EVERYTHING!!!

IRS jurisdiction

Watch this one--The representatives of the IRS cannot search the premise without a search warrant. That, however, will not stop them from doing so--with very big guns ablaze.

You are not required to share books with the IRS because they could be used against you in a court of law. (Article 5, Constitution of the U.S. of A.)

IRS Special Agents have never been GIVEN LEGAL RIGHT to carry hand guns.

The IRS has jurisdiction and taxing authority over ONLY: businesses/people involved in firearms, tobacco, and alcohol; Federal Government Employees; businesses/people within Washington DC, Guam, Puerto Rico (protectorates).

The IRS will continually challenge you in scare tactics and continu-

ally go outside and beyond their authority!

THE IRS PERSONNEL DO NOT KNOW THEIR OWN RULES AND CODES. SO, TO KNOW HOW TO HANDLE THEM AND ESPECIALLY "BEAT THEM" IN A CONFLICT IS TO KNOW THEIR CODE BETTER THAN DO THEY! THERE ARE GROUPS WHICH CAN HELP YOU AND THE CONSTITUTIONAL LAW CENTER IS SETTING UP A PROGRAM OF REFERRAL FOR YOU TO THE BEST GROUP OR REPRESENTATIVE TO FIT YOUR NEEDS.

HOW LONG WILL YOU COMMIT TREASON AND SUPPORT YOUR NATION'S ENEMIES? YOU SWEAR TO DEFEND YOUR CONSTITUTION AGAINST FOREIGN AND DOMESTIC ENEMIES--WELL, IT CAN'T GET MUCH WORSE.

True or false?

1. The I.R.S. is a government agency. FALSE. It is a private corporation, incorporated in Delaware in 1933.

2. The I.R.S. collects taxes. FALSE. The I.R.S. collects tribute! Look on the back of any check they have ever endorsed. It says, "Pay to the order of the F.R.B. (Federal Reserve Bank) to the credit

of the United States Treasury." This means that the Federal Reserve is keeping all of the "tax" money that the I.R.S. sends, and is creding it to the phony "interest" that the Treasury owes the Federal Reserve. Not one dime is spent in the United States!

continued from previous page

3. The Federal Reserve is a government agency.

FALSE. It is an admittedly private corporation, privately held by 12 families (one American and eleven foreign).

4. The U.S. Congress writes the tax laws of the I.R.S.

FALSE. I.R.S. attorneys write this junk and Congress merely "rubber stamps" it.

5. Filing a tax return is mandatory according to the law.

FALSE. The I.R.S. tells you in the 1040 instruction book that the tax is voluntary. They also say it is voluntary in every document they have.

6. If I don't file and pay my taxes, I will go to jail.

FALSE. Sixty million Americans did not file or pay "taxes" with the I.R.S. last year. Ask the person whose name appears at the end of this brochure to tell you the story of this media created hoax!

7. The I.R.S. is too tough for me to take on.

FALSE. The I.R.S. is only one person--the one that is contacting you, and if you know your rights, you can take that one person "on" easily. We train you to know your rights.

8. Everyone knows that there is a law that you have to file and pay Income taxes.

FALSE. Phillip Marsh, author of the best selling "The Compleat Patriot," has been unable in eight years of research to find such a law. He has now abandoned the search for such a law because the Congressional Research Service (the agency which researches the law for Congress) can't find the law either. Ask to see a copy of the letter from Sen. Daniel Inouye (D. Hawaii) which confirms this fact.

9. I like paying my taxes and supporting my country.

FALSE. Not one dime of the money the I.R.S. steals from you goes to support this country. Ask the provider of this brochure for the FACTS!

10. I understand the I.R.S. has tax laws that say I have to pay taxes.

FALSE. The I.R.S. code is not law. Furthermore the I.R.S. misapplies every provision in the I.R.S. code. The problem stems from the fact that the average "taxpayer" never sees the I.R.S. code.

11. I am helping to destroy the United States by filing and paying the I.R.S. taxes.

TRUE. The money all winds up in the hands of this country's enemies. Ask for the details of this rip-off.

12. The I.R.S. Is causing over 1,000 deaths per month in the United States. The I.R.S. is responsible for over half of the divorces in the United States. The I.R.S. Is responsible for three quarters of the bankruptcies in the United States today.

TRUE. Can you afford to continue supporting such a domestic enemy?

DO YOU WISH YOU AND YOUR CHILDREN TO BE SLAVES?

"My people perish (meaning to die) for lack of knowledge."

I can only point out these things and offer you help--I cannot do it for you and it is all within your choosing that which you will do. The following article is printed with permission from one who is a remarkably capable writer and person of action. There are other ones attached to her realm of friends who are extraordinary contacts for the further gleaning and dispersing of information of valid content. Your farmers and farm workers are being deliberately poisoned and, frankly, so are you, the consumer.

Also is an article printed herein which concerns lack of housing right in Kern County in arm's reach of this location. It is beyond belief that you ones will send billions and billions of dollars to house foreign political groups and your own are starving and homeless. The migrant farm worker situation is worse in Florida, Texas and other places but it is atrocious all over--how, chelas, can you sit by and allow this torture unto your very brethren?

Dharma, allow us to close. We need some equipment from the city so go and do that which is needed--we have enough to get started on the next edition. Thank you. Hattonn to stand-by.

Protocols of the meetings of the learned elders of Zion

PART TWO

All people are chained down to heavy toil by poverty more firmly than ever they were chained by slavery and serfdom; from these, one way and another, they might free themselves, these could be settled with, but from want they will never get away. We have included in the constitution such rights as to the masses appear fictitious and not actual rights. All these so-called "People's Rights" can exist only in idea, an idea which can never be realized in practical life. What is it to the proletariat labourer, bowed double over his heavy toil, crushed by his lot in life, if talkers get the right to babble, if journalists get the right to scribble any nonsense side by side with good stuff, once the proletariat has no other profit out of the constitution save only those pitiful crumbs which we fling them from our table in return for their voting in favour of what we dictate, in favour of the men we place in power, the servants of our *agentur*. . . . Republican rights for a poor man are no more than a bitter piece of irony, for the necessity he is under of toiling almost all day gives him no present use of them, but on the other hand robs him of all guarantee of regular and certain earnings by making him dependent on strikes by his comrades or lockouts by his masters.

The people under our guidance have annihilated the aristocracy, who were their one and only defence and foster-mother for the sake of their own advantage which is inseparably bound up with the well-being of the people. Nowadays, with the destruction of the aristocracy, the people have fallen into the grips of merciless money-grinding

scoundrels who have laid a pitiless and cruel yoke upon the necks of the workers.

We appear on the scene as alleged saviours of the worker from this oppression when we propose to him to enter the ranks of our fighting forces--Socialists, Anarchists, Communists--to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our *social masonry*. The aristocracy, which enjoyed by law the labour of the workers, was interested in seeing that the workers were well fed, healthy and strong. We are interested in just the opposite--in the diminution, the *killing out of the GOYIM*. Our power is in the chronic shortness of food and physical weakness of the worker because by all that this implies he is made the slave of our will, and he will not find in his own authorities either strength or energy to set against our will. Hunger creates the right of capital to rule the worker more surely than it was given to the aristocracy by the legal authority of kings.

By want and the envy and hatred which it engenders we shall move the mobs and with their hands we shall wipe out all those who hinder us on our way.

WHEN THE HOUR STRIKES FOR OUR SOVEREIGN LORD OF ALL THE WORLD (SATAN) TO BE CROWNED IT IS THESE SAME HANDS WHICH WILL

continued on next page

continued from previous page

SWEEP AWAY EVERYTHING THAT MIGHT BE A HINDRANCE THERETO.

The *goyim* have lost the habit of thinking unless prompted by the suggestions of our specialists.

Therefore they do not see the urgent necessity of what we, when our kingdom comes shall adopt at once, namely this, that *it is essential to teach in national schools one simple, true piece of knowledge, the basis of all knowledge--the knowledge of the structure of human life, of social existence, which requires division of labour, and, consequently, the division of men into classes and conditions.* It is essential for all to know that *owing to difference in the objects of human activity there cannot be any equality*, that he who by any act of his compromises a whole class cannot be equally responsible before the law with him who affects no one but only his own honor. The true knowledge of the structure of society, into the secrets of which we do not admit the *goyim*, would demonstrate to all men that the positions and work must be kept within a certain circle, that they may not become a source of human suffering, arising from an education which does not correspond with the work which individuals are called upon not to correspond with the work which individuals are called upon to do. After a thorough study of this knowledge the peoples will voluntarily submit to authority and accept such position as is appointed them in the State. In the present state of knowledge and the direction we have given to its development the people, blindly believing things in print--cherishes--thanks to promptings intended to mislead and to its own ignorance--a blind hatred towards all conditions which it considers above itself, for it has no understanding of the meaning of class and condition.

This hatred will be still further magnified by the effects of an *economic crisis*, which will stop dealings on the exchanges and bring industry to a standstill. We shall create by all the secret subterranean methods open to us and with the aid

of gold, which is all in our hands, a **universal economic crisis whereby we shall throw upon the streets whole mobs of workers simultaneously in all the countries of Europe.**

[Hatonn: You see, dear ones, your country is still considered a country run and controlled by Europe--and so it is-----the State of Great Britain! But moreover, understand and don't allow forgetting--these Protocols are translated from writings of the fourteen hundreds (the fifteenth century) when there was no America known. Recall further, that the Nilus translation was 1905 and this from which we present this material was 1922. Does it begin to come clear why the Russians have so efforted to suppress the "Jews/Zionists" within Russia? You see, Russia has no desire to prevail against American people--but they will go to all lengths to stop the Zionists who have taken control of America in total. So be it, let us continue.] These mobs will rush delightedly to shed the blood of those whom, in the simplicity of their ignorance, they have envied from their cradles, and whose property they will then be able to loot.

"Ours" they will not touch, because the moment of attack will be known to us and we shall take measure to protect our own.

We have demonstrated that progress will bring all the *goyim* to the sovereignty of reason. Our despotism will be precisely that; for it will be known how by wise severities to pacificate all unrest, to cauterize liberalism out of all institutions.

When the populace has seen that all sorts of concessions and indulgences are yielded it in the name of freedom it has imagined itself to be sovereign lord and has stormed its way to power, but naturally, like every other blind man it has come upon a host of stumbling blocks, *it has rushed to find a guide, it has never had the sense to return to the former state* and it has laid down its pleni-potentiary powers at *our feet*. Remember the French Revolution, to which it was we who gave the name of "Great": the secrets of its

preparations are well known to us for it was wholly the work of our hands.

Ever since that time we have been leading the peoples from one disenchantment to another, so that in the end they should turn also from us in favour of that *King-Despot of the blood of Zion, whom we are preparing for the world.*

At the present day we are, as an international force, invincible, because if attacked by some we are supported by other States. It is the bottomless rascality of the *goyim* people, who crawl on their bellies to force, but are merciless towards weakness, unsparing to faults and indulgent to crimes, unwilling to bear the contradictions of a free social system but patient unto martyrdom under the violence of a bold despotism--it is those qualities which are aiding us to independence. From the premier-dictators of the present day the *goyim* peoples suffer patiently and bear such abuses as for the least of them they would have beheaded twenty kings. What is the explanation of this phenomenon, this curious inconsequence of the masses of the peoples in their attitude towards what would appear to be events of the same order?

It is explained by the fact that these dictators whisper to the peoples through their agents that through these abuses they are inflicting injury on the States with the highest purpose--to secure the welfare of the peoples, the international brotherhood of them all, their solidarity and equality of rights. Naturally they do not tell the peoples that this unification must be accomplished only under our sovereign rule.

And thus the people condemn the upright and acquit the guilty, persuaded ever more and more that it can do whatsoever it wishes. Thanks to this state of things the people are destroying every kind of stability and creating disorders at every step.

The word "freedom" brings out the communities of men to fight against every kind of force, against every kind of authority, even against God and the laws of nature. For this

reason we, when we come into our kingdom, shall have to erase this word from the lexicon of life as implying a principle of brute force which turns mobs into bloodthirsty beasts.

These beasts, it is true, fall asleep again every time when they have drunk their fill of blood, and at such times can easily be riveted into their chains. But if they be not given blood they will not sleep and continue to struggle.

PROTOCOL NO. 4

Stages of a Republic. Gentile masonry. Freedom and Faith. International Industrial Competition. Role of Speculation. Cult of Gold.

Every republic passes through several stages. The first of these is comprised in the early days of mad raging by the blind mob, tossed hither and thither, right and left; the second is demagoguery, from which is born anarchy, and that leads inevitably to despotism--not any longer legal and overt, and therefore responsible despotism, but to unseen and secretly hidden, yet nevertheless sensibly felt despotism in the hands of some secret organization or other, whose acts are the most unscrupulous inasmuch as it works behind a screen, behind the backs of all sorts of agents, the changing of whom not only does not infuriously affect but actually aids the secret force by saving it, thanks to continual changes, from the necessity of expending its resources on the rewarding of long services.

Who and what is in a position to overthrow an invisible force? And this is precisely what our force is. *Gentile* masonry, blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery.

But even freedom might be harmless and have its place in the State economy without injury to the well-being of the peoples if it rested upon the foundation of faith in God,

MONDAY

This is a continuation of last week's discussion regarding the Soviet Union. It is the most important subject which must be understood if you are to change anything for the intent is world domination--surprisingly enough--along with Israeli involvement.

The Russians are absolute masters at creating, controlling and marketing to the West their own opposition. *Opposition to most human endeavors will arise in time, but if you own it, it will never be a real threat to your enterprise--and it may be able to choke out legitimate opposition. Nothing in the Soviet Empire happens by chance, by accident or by turn of fate.* There is a well-defined plan and purpose behind all significant events in the USSR (just as there now are the same intent behind everything your government in the U.S. does). Current Soviet developments are far more easily understood if the Soviet Union is seen as the giant theater which it represents, and the present upheaval as scenes or acts in the drama. This holds true for all locations, factions and nations within the nations of the globe but at this point we are directing attention to the USSR so allow us to go forward without distraction. Let us look at a few of these "scenes":

MIKHAIL GORBACHEV

"Gorby" did not just happen to emerge on the scene in 1985. He was groomed for his position from the 1970's by his mentor, Yuri Andropov--hardline chief of the KGB. As a KGB operative and protege of Andropov, this hardcore Marxist-Leninist was sprung by the Kremlin leadership from relative obscurity in 1983 and 1984 onto the world stage, and portrayed as a great democrat, lover of freedom, reformer, and friend of the little man by Soviet propaganda/disinformation specialists. (Andropov was similarly portrayed as a "western style closet liberal" by Soviet propagandists just a few years earlier if

you look back.)

This is the same Mikhail Gorbachev who said in Pravda on December 11, 1984: *"In the struggle for peace and social progress the Communist Party of the Soviet Union pursues a consistent policy of rallying the forces of the international communist and working-class movement in every possible way. We uphold the historical justness of the great ideas of Marxism-Leninism, and along with all the revolutionary and peace loving forces of mankind, stand for social progress, and peace and security for all nations. This is what should determine the resolute nature of our propaganda."*

EDUARD SHEVARDNADZE

In the mid-'80's the Kremlin began to elevate another actor to center stage--Eduard Shevardnadze. This life-long hardcore Marxist-Leninist was Minister of the Interior for the Republic of Georgia from 1968 to 1972--over the secret police, border guards and all internal security forces (i.e., in charge of Georgia) and remained in that position until 1985 when he was elevated to Minister of Foreign Affairs of the Soviet Union--replacing Andre Gromyko.

Shevardnadze, who has become a close friend of George Bush and especially with Secretary of State, James Baker, resigned from his position as Foreign Minister in December 1990, protesting the USSR's move toward "a dictatorship by the 'hardliners'". He is portrayed by the Soviet and US media as a reformer, a liberal, a staunch democrat and lover of freedom--but still a close friend of Gorbachev's. He was sent to America on a Soviet fund raising drive in the first half of 1991 and was shuttled around the US by America's liberal eastern establishment--requesting \$90 billion, for beginners, in Western financial aid for the USSR.

Suave, sophisticated and handsome in appearance, Shevardnadze has been suggested by such establishment publications as the *New York Times* and *London Economist*

as the next head of the United Nations--to replace Javier Perez de Cuellar. Since the recent coup/countercoup lie drama, Kremlin leaders have begun to move Shevardnadze back onto center stage according to original plans already underway in the scenario. Here, if they decide to write Gorbachev out of the script, which is exactly that which is planned as soon as the U.S. is more fully disarmed, they can move Shevardnadze into the top position.

Shevardnadze has been well packaged for Western leaders and the public as a democrat and lover of freedom by his Kremlin disinformation handlers. You are told his favorite book is THE FEDERALIST PAPERS, and he quotes from it frequently. He would bring great credibility to the "reform/democracy/end of communism" coup if the Communist leadership should decide to place him at the top. What a bunch of you-know-what! How many of you readers even KNOW WHAT THE FEDERALIST PAPERS ARE? YOU HAD BETTER BE FINDING OUT BECAUSE WHAT HAPPENED TO THEM IS WHAT HAS HAPPENED TO YOUR CONSTITUTION. THROUGH A CONVENTION YOUR ENTIRE CONSTITUTIONAL SYSTEM WAS REWRITTEN AND NOW YOU ARE AGAIN "PRACTICING" AND "EXERCISING" A SYSTEM WHICH IS DIRECTLY OPPOSITE FROM THAT WHICH IS YOUR CONSTITUTION AND THE MOMENT IS ONLY PENDING TO MAKE IT LAW.

SHEVARDNADZE IS STILL IN RESERVE AND AWAITING THE MOMENT TO SERVE AS THE HARDCORE LIFELONG MARXIST-LENINIST REVOLUTIONARY, WHICH HE IS, DEDICATED TO SOVIET WORLD DOMINATION.

BORIS YELTSIN

This is the Kremlin's latest major entry onto the world stage presentation of the Soviet theater. Also a lifelong hardcore Marxist-Leninist

(just like Gorbachev and Shevardnadze), Yeltsin has been portrayed as a staunch anti-communist, democrat, lover of freedom--the Russian "David" willing to risk his life and career by "standing up to the hideous hardline communist monster--Goliath". Americans love a courageous underdog, and Yeltsin's character has been tailored by the Kremlin scriptwriters to elicit great admiration and respect from middle America, Europe, etc. The "man on the street" in the West can identify with this two-fisted, hard charging, hard drinking, outspoken "champion of democracy"--a real Russian "John Wayne" character.

The REALITY of Boris Yeltsin is greatly different. In 1961, at the age of 30, Yeltsin joined the Communist Party. In 1968, he became a full-time Party worker in the Sverdlovsk Communist Party in Siberia. He went on to become Party Secretary, and in 1976 became First Secretary of the Regional Committee. At that post, the hard-driving Yeltsin was noticed by the communist leaders in Moscow. In April 1985 he was elevated to head of the Communist Central Committee Construction Department, and in December, 1985, was appointed head of the 1.2 million member Moscow Politburo, though he was removed in 1987 in a fabricated "quarrel" with Gorbachev in order to delude the public a bit more directly.

Just as with Gorbachev and Shevardnadze, powerful figures in the CPSU Central Committee and KGB put Yeltsin on the fast track to the top--something which does NOT happen in the Soviet Union UNLESS one's Marxist-Leninist credentials are impeccable. Yeltsin's position as the powerful head of the Moscow Communist Party opened the door for him to be placed on the Politburo, as stated above.

Moving on now to June 1991, Yeltsin, promising "swift moves to establish greater democracy and market economics" was elected (in the first-ever such election which

continued on next page

continued from previous page

was simply "openly" controlled) President of the Russian Republic--which has 150 million of the Soviet Union's 285 million people. He has since assumed near dictatorial powers in case no one has noticed. Following that election the Western press enthusiastically described Yeltsin as "Bigger Than Life--The Russian People Love Him".

His image, credibility, and standing in the West went into orbit as he appeared to "stand in the gap" against the hardline "gang of eight" coup perpetrators during the recent August coup/countercoup pseudo (lie) drama.

As he "appeared" to stand off the entire Soviet Army and KGB almost singlehandedly, the Western media and public opinion went totally nuts and into orbit with the prearranged sham. It was totally incredible and shameful as they unfolded the stupid nonsense and worse, you ones ate it up like a child in a candy store. Americans and the world, most of whom (the world) saw through the foolish lies, were barraged with articles with typical headlines such as: "The Right Stuff: Yeltsin Joins the Ranks of Robin Hood, Moses, and Churchill". Now, chelas, this is "barf" material! Had the position already been in place, Yeltsin would have been instantly promoted to dictator of the entire world and accepted immediately by you-the-planetary citizenry.

Yeltsin's "thinking" is reflected in speeches he made at the 15th and 16th Party Congresses of the CPSU where he highly praised the tremendous strivings of the CPSU as well as the monumental advancements and great successes of the Soviet Union. As he said at the first of those Party Congresses: "Today we find the mighty productive forces which posses our society, the wealth supplied to the Soviet people by unfettered socialism. And all of this is the result of a wise collective brain, titanic work, unbreakable will, and the unsurpassable organizational talent of the Communist Party and its Central Committee and Politburo...."

Under the leadership of the Central Committee, our Party and the state

have actually continued to lead in the hard rebuttal of the aggressive machinations of imperialism (i.e.: America). The communists and all the workers of the Soviet Sverdlovsk Central Committee (headed by Yeltsin until 4/85) assure Congress delegates and Lenin's Central Committee that they will fight with their entire revolutionary fervor and give unswerving dedication to the cause of the Communist Party."

Yeltsin, like Gorbachev, Shevardnadze, and the reform wing (liberal) of the Communist Party, is totally dedicated to perestroika, a restructuring and reorganization of the Communist Party and the Soviet Union from top to bottom and we will cover this a bit later as we move on with this subject. Yeltsin is right now purging hundreds of thousands and will purge millions, of bureaucrats, aparatchiks, and the Nomenclatura (the privileged ones)-not to terminate communism, but to accelerate its thrust toward world domination. He would go even further and faster than Gorbachev--hence the "alleged" rivalry between the two.

Yeltsin is NOT against Gorbachev, nor against communism. He is against the entrenched bureaucracy, and the stagnation it has begotten, which he and Gorbachev believe is self-serving, bloated, and slowing down the communist's timetable for world revolution and perfection of Global Plan 2000.

When Yeltsin and Gorbachev talk about a multiparty system in the Soviet Union, they are speaking about multiple communist parties all functioning within the communist system but given different names to fool the innocent and feeble-minded world players--in conjunction with input from all the nation's governments and bankers who work toward the same end.

I promise you that these new parties will actually end up being totally anti-free enterprise, anti-capitalist, and hardcore Marxist-Leninist (which is solid socialism in its worst form) but will use all the terminology of the free markets, democracy, etc., to hide the fact until you are destroyed.

DEVELOPMENT OF THE SCENARIO NOW "PLAYING"

The Soviets organize their politics according to a well-developed scenario which often includes the death or permanent exit of the main hero(es). It helps to understand the plot, to understand the position and relationship among the actors, as well as the intended influence or impact upon the audience--the world. Nothing in the Soviet Union is accidental: the words, the stage, the violins, or the plot. The obvious players are replicas of the "real stuff" and their being taken out means nothing as the "REAL" players pull the strings of the puppet world.

The three actors just described are all reform minded, liberal Marxist-Leninists and are all on the same side to accomplish the ONE goal. Their directors in the Central Committee of the CPSU, and the KGB (by whatever label they choose to use) and the Soviet military orchestrating the plot, its pace, and each new twist and turn in the plot, such as the recent "coup" demonstration for advertising purposes, is a lot of non-sense just as is the renaming of the Communist Party, the Soviet Union, and the KGB as well as the USSR itself. "A rose by any other name is - - ."

It differs not one iota from Western audiences being fascinated by the next episode of TV's *Dallas* or *Dynasty* on regular weekly TV programming. The Kremlin leaders through the world "controlled" media and with the help of those who wield that control, plan to mesmerize and manipulate the West with the next act of Soviet political theater. It is unfolding right in front of you and most do not even question the matter. Many distorters are lined up on the home fronts to occupy the news slots and cause you to forget all about such a thing as a Russian coup. You simply readily pour more wheat into their silos and leave yours empty.

What is the ultimate goal? To convince the West that communism has collapsed--in two years yet! It is to cause you to actually believe that democracy has arrived in the

USSR and that all of the Russias are brotherly, honorable and eligible to get on the World Bank IMF dole awards list at all cost to you who aid and abet their cause--i.e., the world bankers and Elite who totally run the U.S.A. and parts West.

It is planned and already happening: MASSIVE US AND WESTERN AID AND DISARMAMENT ARE FOLLOWING RIGHT ON CUE, AND THE INTEGRATION OF EAST AND WEST, STARTING WITH EUROPE, WILL OCCUR--BY MID-TO LATE 1990's.

Vladimir Lenin was a master teacher and observer and in 1912 stated: *"Telling the truth is a bourgeois prejudice. Deception, on the other hand, is often justified by the goal."*

Do you not find it interesting that even in your tampered Bible it is stated that the anti-Christ/God is the prince of lies and deceit? He is, as a matter of fact, also referred to as the "King" of liars and deceivers!

Vladimir Lenin said something else which you all had better begin to focus on most closely:

"When we are weak, boast of strength...when we are strong, FEIGN WEAKNESS."

Corporation and investment news

I shall not take time to select information which might aid you and give insight into these areas which actually distress ME. I will however, enter herein a copy of a letter which has been sent to a dear friend who has great abundance of funds and efforts to handle them properly but is fearful of ALL methods of possibilities, especially is she in fear of credibility of the FDIC and ability to cover bank deposits. She is absolutely right--your head of the FDIC says that the fund will be totally without funds by year's end. sooooo....

Then comes the inquiries as to what to do--while most of you ask and then go ask a "broker" and do that which I have just advised against your doing. Do NOT ask me and waste of our precious time if you have no real interest in the input. Start with the liars and then you save your time also--even if you do lose your shirt. That way, you will have less to regret in the long haul.

Dharma, please just copy the letter (omitting pertinent identifying information) just written by Oberli to my beloved one in Florida.

"October 6, 1991

Dear SY,

Although your message on our answering machine was cut off, I have an idea of your questions and it would seem worthwhile to write the answers rather than wait for discussion.

The advantage of a corporation bank account over an individual bank account is that it is assumed that corporations are doing business and either paying interest or taxes (either of which benefits the govt/banks). Thus it is expected that corporate accounts, especially where the bank is acquainted with and knows that the corporation does business and moves significant amounts of money around, will be less likely to be "frozen" as long or to the extent of individual accounts. "XX" is associated, in the minds of the FIB-Carson City people, with the Phoenix Institute, Capital Corporation and several others where there is quite a bit of money in motion. For bankers this tends to create a favorable image and maintain a good relationship with those people who serve us most efficiently.

We do not, however, allow any money to come to rest in any bank account until it has been first invested in gold and the gold used as collateral to borrow the money which is then put in the bank temporarily until we can get it invested in a project, hopefully a project that will not only survive in hard economic times but will either provide

profit or a barterable commodity. The benefit of this is that the economic collapse or emergency conditions that create havoc with banking should result in much higher prices for the gold which can be either sold or, depending upon advice, further leveraged to obtain more money to use in the projects (including printing and audio taping and translating).

If the gold is to be sold it can be done through the banks that hold it as collateral and the money brought back into the corporation bank account with greater assurance than is likely for an individual, or even a corporation operating alone, i.e., not as a part of a group of corporations such as we have here.

You are quite right about the FDIC, especially in an economic collapse or emergency game. But that might not come right away (H: DO NOT COUNT ON THIS--YOU ARE IN GREAT AND URGENT STATE OF FLUX.)

In the meantime it doesn't "look" smart to leave more than \$100,000 in ANY bank account. (H: NO INDEED--YOU WILL GET, IF ANYTHING, ONLY MERE CENTS ON THE DOLLAR WHEN THE RUG IS PULLED OUT.) We have to be reminded that the Fed game in the past few years has been to grab all the taxes collected (as interest on the "national debt") while running the debt as high as possible with deliberate deficit spending to create more debt upon which to collect interest. There is no known limit to the amount that can be "borrowed from the Fed" (read "M1" or "money growth" or "credit issued" or "currency issued").

The point is: the Fed, with the co-operation of other cartel banks, can sustain the bubble for a lot longer than we might think if it is in their best interest. Right now it appears there is pressure from both Russia and Israel to keep it going a bit longer, albeit ever teetering on the edge of disaster every day. Also, it seems likely that the various factions are not really paying much attention to "the goyim" (all others) since there appear to be so few even rubbing their (our) eyes; it seems

more likely that they regard us as easily taken care of whenever they need to once they have solved their internal problem as to who really gets to be King.

The solution to your situation would seem easy enough. If your funds come into the Institute they can be invested in gold while the Notes can be given to "XX" This is already the case with Notes XXXXX. Ordinarily, at this point the Institute is responsible for the funds (pursuant to the Notes) and uses its own discretion as to the best use of the funds and which project accounts in which to disperse them. It appears that you prefer to retain greater control of the use of the funds borrowed against the gold purchased with your funds or that you prefer to

select projects for direct investment without using the gold "insurance" technique. If you can tell us which you prefer then we can try to work out a different arrangement in variation from the "standard".

Perhaps you can give me a call after you've had a chance to read . . . etc."

New Age police

To the question of, "Do some judges, prosecutors and police officers today commit dishonest acts to put criminals away?" I answer an unequivocal Yes! But, it is hoped that it is not done without just cause. True immorality exists only when the cause is not just.

After more than 20 years of service to my fellow Americans I realize what reality is. The truth is that today many judges, attorneys, police officials and officers are devotees of the religion of Secular Humanism (S.H.) myself included.

Some of our members (mainly out of fear) will not admit that S.H. is a religion. They are apprehensive that we might be treated as the so-called "Christians" have been treated under the doctrine of Separation of Church and State. Such fear might be well founded if this were 15 to 20 years ago. Not so today. Reason being, colleagues of our faith are, for the most part, in control of the agencies and organizations, such as the ACLU, ABA, Justice Dept. etc., that would normally protest such cases. Although this may at first seem unfair, it is not. But allow me to proceed, and I believe you will come to full understanding of this and many other important facts.

My feelings are that it is time we shepherds open the eyes of our flock and further sort out those we cannot take with us into the 21st Century. Any that would deny that our religion of S.H. is not a valid religion should do their homework. The Supreme Court decided that it is a religion some years ago in the *Torcaso vs*

I think readers will find this helpful even without details of the original conversation. As things tighten down we must get information to you as rapidly as possible and you can formulate your own further questions. Thank you.

I need to know as quickly as possible about space available in the paper for further outlaying of the Soviet situation. I have approximately six to seven additional pages (in calculation) necessary to finish this portion of the matter in clarity. This information is simply too important to hold for book (JOURNAL) publication and yet, the paper is also overfilled. We will do the best we can and I will work any way possible to fit either or both to your needs.

Hatonn to clear the circuit. Thank you for your attention and I give great appreciation for the back-up I am receiving as confirmation is absolutely pouring in--I wish there were facilities to share every portion for it is the very "proof" you have been awaiting. So be it--God shall determine far better than can we who have limitations upon our service.

Abington, Abington vs Schempp, and in *Torcaso vs Watkins* cases. According to the High Court, it is "...belief, not body, creed, or cult which appears to be the essence of religion." It further explains that, "...belief refers to some sort of universal view of life, of the world of mankind - a belief that is held to be true about mankind." In essence the Supreme Court said that one's religion can be "...any world view with or without reference to GOD, theistic or non-theistic in nature". I hope this helps others to understand our Faith, however, this of course is not the main point of my speech.

MIS-TREATMENT OF HUMANIST OFFICERS

I wish to address the abuse of Police Officers who ascribe, knowingly or unknowingly, to the moral tenants of our religion in regards to ethics and morals. Nationwide our devotees are enduring horrible discrimination at the hands of a very hypocritical faction of society, the Christians. This discrimination comes as we Humanists exercise our own religious beliefs and apply our morals "on the job", so to speak. Yet, other officers may apply their own individual belief systems (morals and ethics) at will, without any condemnation. This is undeniable discrimination!

Fortunately, our religion is the fastest growing of any in all of history and many of the younger generation within the criminal justice

continued on next page

continued from previous page

system, including police officers, who ascribe to sound Secular Humanist principals are now in management which is of benefit to all. This does give us sway power, and is a plus for our side. Still, there is far too much discrimination against those who would apply a most important principle of our religion - "Situation Ethics".

The principal of Situation Ethics allows the individual to focus correctly on only the goal to be accomplished. Morally speaking, little if any consideration need be given to the method or means, as nothing else supercedes its importance. Of course concern is given to finding a means of accomplishing a task or goal, so as to have the least negative impact on the least amount of our people.

In my youth I recall hearing the great Green Bay Packer coach Vince Lombardi describe it this way: "Winning is not everything; it is the only thing." Much of our society lives by this principal today. Yes, even many of those who "profess other faiths" and occupy pulpits throughout America. Personally, I think the principle of Situation Ethics is best described by examining the legal definition of ethics and morals given by our now compatriots, the Communists. The Communist definition is: "EVERYTHING is ethical and moral as long as it promotes World Communism." This is pure Secular Humanism. We can learn much, incidentally, about total commitment from the Communists. The Marxists have, out of pragmatic necessity, expurgated a minimum of 90 million people in the pursuit of man's noblest mission - world peace. What intelligent person could call "immoral" any means used to accomplish this all important goal?

In our great Humanist Manifestos signed in 1933 and 1973, we explain our moral creed which is very much the same as the Marxist creed, yet set forth in much more palatable and tactful terms. Here is a brief summation of our beliefs regarding Ethics and Truth:

ETHICS - "Moral values derive their source from human experience. Ethics is autonomous and situational, needing no theological or ideological sanction. Ethics stems from human need and interest. To deny this distorts the whole basis of life... We strive for the good life, here and now." - Humanist Manifesto II, 1973

AUTHORITY AND TRUTH - "We reject those features of traditional religious morality that deny humans a full appreciation of their own potentialities and responsibilities. Traditional religions often offer solace to humans, but, as often, they inhibit humans from helping themselves or experiencing their full potentialities... We can discover no divine purpose or providence for the human species... Humans are responsible for what we are or will become. No deity will save us: we must save ourselves." - Humanist Manifesto II, 1973.

After 20 plus years of conditioning, our society now largely subscribes to this philosophy. Some of you who practice "selective" Christianity are closer to our faith than to the superstitions of the Bible thumpers of old. (In selective Christianity, of course, you choose certain portions of the so-called "Word of God" to believe in, and discard the parts that are not convenient.) Don't you see that in this we are just alike? Your "faith" is actually based on what is right under man's desire. We Humanists are in fact more honest. We admit that there is no God - that it is only Man's desires that are important. You leaders of these "selective Christians" preach that your faith is based on some parts of "God's Law" but, in actuality the majority is based on what feels good or is convenient.

Quite obviously, America's government now

operates under the guiding principles of Humanism. Deception, lying, cheating, stealing, killing, is all moral if it promotes the attainment of our essential goals. This is true righteousness. A prime example can be seen in the recent war against Iraq. Over 250,000 have lost their lives so far, and more are dying every day - all for the attainment of a higher good, the goal of our great Humanist leaders: **WORLD PEACE** through World Government.

This New Age teaching is the reason why, for example, a police officer (one of Secular Humanist persuasion) is likely to risk his very life to save a member of society one moment and the very next moment take the witness stand and lie in order to win an important case. This is not to be considered immoral, given the particular standard of ethics upon which such an officer bases his morality - namely, that the end justifies any means. (In other words again, the "Higher Good" principle!) Many people still do not understand this. They don't understand that this is why our presidents and their staffs, members of Congress and hosts of others with leadership roles in America - lawyers, judges, etc. - lie and cheat right along side our dedicated Humanist Law Enforcers. To repeat, **ALL FOR THE GREATER GOOD OF SOCIETY**, i.e. the **SYSTEM**.

What the Masses must be made to understand, and never be allowed to forget, is that this is for their own good. They should know by now that those who are actually in control of our government (as Col. Oliver North explained) truly know what is best for the people. They must also know that under the New World Order, the Justice System's primary mission will be to protect the system from the masses. It is precisely in view of this that we on the inside have been obligated all along to use the system to suppress dissenters as quickly as possible - before any radical Anti-World Government, Anti-Humanist group can gain the upper hand.

You're aware of course, that the vast majority of Americans seek only peace and security. They hardly even realize that they have virtually made government their new god, to which they turn for the fulfillment of every need. Our New Age leaders (and we soldiers as their "arms and legs") stand ready to give the Masses all for which they pray.

Let me repeat: Our job within the Criminal Justice system today is to protect the **PLAN**, the **SYSTEM**, and punish those that our leaders decide are enemies of that System. Of course now, as with our Soviet colleagues, under New Age Humanist Situation Ethics, we are not limited in the methods we may apply to win. We can therefore proceed with unobstructed haste to make the masses safe and peaceful.

Let's look again at our example of that police officer who routinely risks his life for others and yet will lie on the witness stand to help his government win some case in court. If some of you are still suprised at this then perhaps you haven't understood what I have been trying to convey. Nor have you understood what your children have learned so well over the last 20 years within the government school system.

It is that we are living in a new age where man has wisely placed his trust in **GOVERNMENT** instead of some superstition called the **DIVINE** or **GOD**. It is the old religious morals that have caused all of our problems. A new age calls for a new belief system, a new moral code, a new religion. It is exciting to see most all of the religions of the world coming nicely together, **UNITED**, in preperation to serve the New World Order. We must all dedicate ourselves to obeying our leaders without question and to the instruction of succeeding generations toward our utopian goals of World Peace.

I would like to introduce you to one present-day scholar Dr. Sidney Simon, who has been very effective, and deserving of much credit for his efforts in this work of re-educating

humanity. He speaks plainly and his meaning is unmistakable, as when he says,

"We do not need any more preaching about right and wrong. The old 'thou shalt not's' simply are not relevant." He goes on to explain to the child educators he is addressing that "values clarification" is a method for teachers to change the values of children 'without getting caught'. (Values Clarification is another term for Situation Ethics)

A book in use by educators called, **WEEP FOR OUR CHILDREN**, spells out "values clarification" as part of the new morality:

"It's OK to lie. It's OK to steal. It's OK to have premarital sex. It's OK to cheat or to kill if these things are part of your value system, and you have clarified these values for yourself. The important thing is not what values you choose, but that you have chosen them yourself freely and without coercion of parents, spouse, priest, friends, ministers or social pressure of any kind." It is such S.H. proponents in the government schools (the teachers) whom we can thank for re-molding the values of these next generations.)

When the government National Child Care bill is passed it will be a great day for Humanists and proponents of World Peace. What wonders we can achieve once we have the attention of the nation's pre-schoolers for 6 to 9 hours a day! Look what we have already accomplished with the older age groups of America's youth.

As I hinted earlier, this new society, based on the deity of Man, will demand a new kind of Law Enforcer.

One of our educators said to me some weeks ago, "America's religious zealots of the past would be shocked at the changes the people have allowed." She was correct, for after all, it was James Madison that said, "We have staked the whole future of American civilization, not upon the power of government, far from it. We have staked the future... upon the capacity of each and all of us to govern ourselves, to sustain ourselves, according to the Ten Commandments of God."

Ah, but it is a new day, and we are fast proceeding into the 21st Century. Americans no longer wish to assume the responsibilities of governing themselves. Happily for them, there is a whole new generation of very dedicated leaders and enforcers in government to see that they are cared for.

ENFORCEMENT MANPOWER

Let me address for a moment the question of Police manpower. As the citizens relinquish, out of fear, more of their rights, more Enforcers are required to regulate and supervise the people's activities so that they remain safe and peaceful. Who would have thought 100 years ago that the intergration of fear of literally everything would have been the answer to establishing the New World Order? Credit for this innovation goes to the Free Thinkers of the last generation.

Now the older generation known as "Peace Officers", "Servants of the People", might not so readily have adopted, nor fit into, this new order of things. Fortunately, this has not posed too great a problem, due to the fact that they are rapidly being replaced through natural attrition, i.e., death or retirement. The next 7 to 8 years will see the last of them removed.

At the same time, police agencies are of necessity attempting more and more to screen out before hiring those prospective officers who believe in the old religious superstitions. This is wise because these zealots will not do the things that will be required of them under the new system. Those remaining police officers who openly profess a belief system steeped in

old world Religious Fundamentalism, can be and are being phased out on any number of charges, such as can be substantiated over time or with the help of a little innovation on the part of new management.

Some of these "old time" officers complain that this type of job discrimination is "unconstitutional and immoral", but we know they are wrong. Under Situation Ethics all things are moral as long as they promote the **GOAL**. Therefore they are not being removed for any evil cause; they are incompatible and simply non-functional for the duties that will be required of them.

SUPERVISING A HYPOCRITICAL PUBLIC

I feel I need to say again that if a professional police officer must lie against those who violate the Law, then it is moral. The same is true when government judges and attorneys withhold evidence and witnesses from the jury to win their cases. When a politician lies to win an office, or makes deals that promote the New Order, it is moral.

Let me tell you what is truly immoral. I will use the issuance of traffic citations as only one example. True immorality is when 5 out of 10 "good upstanding citizens" take the witness stand, swear an oath to their GOD, and then proceed to fabricate lies to get out of their tickets. This our Enforcement Officers witness daily in court. To them this is not only immoral but highly hypocritical.

The Enforcer's dishonesty helps society as a whole. If a government agent lied for personal reasons it would be immoral; if done for the betterment of mankind, it is not. And that is the most important lesson I bring you today. It is one thing when a leader, or agent of government has to lie or otherwise deceives his subjects. It is quite another when an ordinary individual from among the masses, "bites the hand that feeds him" by lying to those who are bringing salvation in this brave new world. Do we see this important difference?

The Old World understood that it was the greatest of sins to lie to or deceive God. The generations of devotees that wish to enter the New World must likewise be brought to the understanding that it is the greatest of sins to lie to or deceive their new God, Government. Any such disloyalty would surely hamper the progress of those engaged in ushering in the glorious New World Order.

RESISTANCE TO THE NEW ORDER

We are not concerned with the few who may resist this New Order, for out of pragmatic necessity their fate has been amply allowed for in the Master Plan. What we are most concerned about at present is that the obedient masses be made to understand that it is detrimental to progress for them to suggest that their Supervisors wallow under the pressure and futility of the antiquated superstitions, morals and dogma of the past. There will be some difficult changes facing the person entering this New Society. On these issues, however, we can assure the people there will be no compromise.

Thank you for listening. May the blessing of the New Order come swiftly upon us.

United States of America commits suicide

By Dr. J. Coleman

This past week we saw and heard an extraordinary statement made by President George Bush, that the United States will immediately throw away its defenses on the sole and solemn (worthless) promise of the leader of the Soviet Union, that his country will do likewise.

If we as a nation were not so television brain-dead, we would have reacted with a wave of national anger, we would have inundated the White House with protest calls, we would have organized a march of millions of people on Washington. I have seen nothing of the kind materializing. Why? Because we are a television brain-dead nation! Numbers and statistics mean absolutely NOTHING to us. Oh, we will stand in a concerted rush and roar our lungs out when one of our favorite football players scores a touch-down, but when we see and feel a rope being tied around our necks, a rope which we ourselves supplied, in preparation for our hanging, we do and say nothing.

The Soviet Union already has the ascendancy over the United States in weaponry and technology, thanks to Herr Kissinger and Richard Nixon (the order is not coincidental) who went to Moscow in 1972 to sign the ABM Treaty, the worst betrayal of America in all of its history. Wars are won by weapons, not by diplomacy. It is a well-known fact that the invention of gunpowder altered the course of wars. Bows and arrows, swords and battle axes are of no use against musket and cannon. Likewise, in today's hostile environment, which, contrary to what the jackals of the media and our government in Washington are saying, has not abated, space-age weapons will play the decisive role. Without attaining superiority in this field, the United States will go down in defeat.

We lost whatever chance we had to stay ahead of the Soviet Union in nuclear weaponry when Nixon signed the infamous Anti-Ballistic Missile Treaty (ABM) in 1972, for that treaty put a HOLD on devel-

opment and production of our orbiting laser beam platforms, which we called the Strategic Defense System (Initiative) or (SDI). It also put an end to our plans to develop and produce the Orbital Nuclear Bomb Platform, which the Soviets deployed before the ink was dry on the ABM Treaty. Now, we are being misled to believe that the Soviets will throw their huge advantage away!

This is what Dr. Hans Ruehe, famous military expert and chief planner for the West German Defense Ministry had to say about the treasonous acts of Kissinger and Nixon:

"Soviet technology has continued apace in spite of 'international agreements'. While the Soviet missile and space programs silently continued, the American activities were buried formally and de facto by the Anti-Ballistic Missile (ABM) Treaty. Thus the treaty prevented any progress toward efficient American missile defense systems without stopping Soviet research programs and modernization methods". This is precisely what President Bush and his cabinet are going to allow the Soviet Union to do; **BURY US FORMALLY AND DE FACTO WHEN IT COMES TO OUR DEFENSE CAPABILITIES.**

The men in the Kremlin must be clinking glasses and downing champagne in unrestrained celebration tonight. They have defeated the only nation capable of stopping their grand design for world conquest, without having to fire a single shot!

Marshall Orgakov, master of deception (maskirovka) and chief of the Soviet Armed Forces, has long been at war with the U.S. He is outside of the political control of Gorbachev and his Kremlin advisors. Today, in spite of hair-raising stories about the total collapse of the Soviet economy and the infrastructure of the country--and they are only STORIES, the Armed Forces of the USSR are COMBAT READY, while we are standing down our RED ALERT defenses!

In a recent speech, Orgakov stated, "The imperialists (the U.S. and Britain) are preparing to destroy the Soviet Union, but Russia will never be caught unprepared as it was in 1938." No matter that this is an historical lie. In 1938 the giant Krupp munitions plant in Mynach BEHIND THE URAL MOUNTAINS, was ready for war. The project was financed by the Bank of England and the international banks on Wall Street.

While the Soviets developed and placed in orbit their Cosmospheres (similar in a way to our defunct SDI program), and while they deployed in space their Orbital Nuclear Bomb Platform, the traitors within our gates were stridently shouting for a balanced budget. Congress could have done that overnight with the stroke of a pen, by abolishing the so-called "national debt", the blood money we pay to Wall Street and international financial bloodsuckers. So, in the name of a "balanced budget" we emasculated our research and development programs for space-age weapons. This was **CRIMINAL TREASON OF THE WORST ORDER.**

Even before the ABM Treaty, the Soviets had already built and deployed their Cosmosphere platforms carrying heavy laser beam weapons that could hit any target anywhere in the U.S. with impunity. The jackals of the media derisively dubbed the efforts of U.S. scientists who pleaded that we deploy similar weapons in space, as "Star Wars". **GOD SAVE AMERICA FROM THE BUDGET CUTTERS, BUT OF COURSE HE WON'T.** It is too late, they have already inflicted a mortal wound upon this nation. While the USSR has 1200-1500 ABM launchers in 16 sites around Moscow, called the Tallin system--and they had it BEFORE the ABM Treaty tied our hands--we have no ABM defense system at all.

Marshall Orgakov changed the direction of Soviet strategic long range planning as far back as 1968. Orgakov required systems that would work well in theater wars or global nuclear war. Thus was born

the OFFENSIVE SYSTEMS OF THE USSR WHICH WERE HONED AND SHARPENED INTO WHAT THEY ARE TODAY. Marshall Orgakov will allow nothing to interfere in this program. If we believe he will, such U.S. thinking is either wishful thinking or treason. The Orgakov Doctrine is based on the following points:

- (1) Don't lose a war if it starts.
- (2) Protect the Socialist System.
- (3) Defeat or gravely weaken the CAPITALIST SYSTEM.
- (4) Maintain Conventional and Nuclear military superiority.
- (5) Keep the "MASKIROVKA" deception and concealment program at full strength. (Orgakov is the author of *I'maskirovka*).

The policy of disarming America, begun by Luciferian Trust founder Robert Strange McNamara, is being continued full force by President George Bush. The horrifying thing is that Soviet Orbital Nuclear Bomb Platforms, each carrying several nuclear bombs and which circle the globe many miles out in space, and which platforms can be stopped over any city to drop their load, is NOT included in the latest agreement. Nor is the Cosmosphere system.

Middle East Review PART TWO

By A.N. Other.

The first fully-modern Caucasoids appeared in the period when Joshua invaded the land of Palestine. It is clear from archaeological findings that these were Caucasians, because the criteria for a caucasoid are clearly defined here. These criteria are the standard ones for identifying different races. While other archaeological finds in Palestine were less clear, the Caucasoids were perfectly identifiable. This alone gives the lie to the idea that the Khazarians from Europe had any links with Palestine.

continued on next page

continued from previous page

As we know from history, Joshua was able to subdue the peoples encountered in Palestine, or as it was known then, Syria-Palestine, which lay alongside the Mediterranean coast, south of Mt. Amanus. Its north-eastern frontier was the Euphrates, and in the south, the Syrian desert. This brief historical and geographical description is important, because this is the land that Prime Minister Shamir and others in his cabinet have decreed is "eretz Israel", i.e. greater Israel, which the Israelis mean to take back.

The first step in this direction was the barbaric genocidal war against the nation of Iraq, which stands in the way of "eretz Israel". In this the Israelis are aided and abetted by President George Bush, who has shown himself to be quite as barbaric and ruthless as his Khazarian friends in Palestine.

The Der Yassin massacre of 600 Palestinians by the Stern, Haganah and Irgun gangsters, pales into insignificance when compared with burying 12,000 Iraqi soldiers alive, and trying to annihilate 174,000 (thus far) Iraqi children. (This shocking story in its full and grisly horror will be the subject of future articles for Phoenix Express).

In any event, the first tenuous links with Palestine by the people who were first called Jews in the 17th century Bible, appeared when an underworld gangster from Babylon, known as Herod, attached himself to the remnants of the tribes of Benjamin and Juda (true Israelite Hebrews) who were returning to their homeland after being in captivity in Assyria. Herod was NOT an Israelite Hebrew. He was a Babylonian Canaanite.

Herod established himself in Palestine by bribing Mark Anthony with gold coins to lend him two Roman legions. These Roman soldiers became Herod's mercenaries, and he used them in ruthless cruelty to subdue that part of Palestine which he had taken unto himself.

In modern times, the first rumblings of future problems for the Palestini-

ans began in 1906 with the establishment of a Freemasonic Lodge at Salonika and continued with the brilliant campaigns of Lawrence of Arabia. Colonel Lawrence galvanized the Arabs and fought a victorious war against the Turks along the Hijaz railway on behalf of British Zionism, although, at the time, he was not aware of how he was being used.

The Ottoman Empire was finally destroyed, beginning with Britain's offensive in Palestine. Strongly led by Colonel Lawrence and his Arabian forces, the British broke the Turkish lines near the Mediterranean, and rolled up the Turkish forces. Only the Germans managed to escape into Transjordan.

Perfidious Albion thus rewarded the Ottomans for giving shelter to Jews expelled from Europe by England, France and Spain. When Lawrence of Arabia found out how he had been betrayed, he decided after much soul-searching that he would "go public," and was on his way to London to carry out his resolve, when he was killed in a motorcycle "accident".

When General Edmund Allenby marched into Jerusalem on December 9th, 1917, little did the native inhabitants of Palestine realize that this was the start of a massive offensive to uproot them and drive them out of their ancestral homeland. I have previously dealt with how this is being accomplished through the so-called "Balfour Declaration", which should have been named the "Rothschild Zionist Declaration".

That the Zionists have established a death-grip on Palestine is not in dispute, and it is worth noting that they were only able to defeat the combined Arab forces in three wars, thanks to massive assistance in weapons and money, which came almost totally from Britain and the United States of America.

When the Arabs showed some signs of regrouping for another round of hostilities against the Zionist forces, it was the Swedish Jew, President Eisenhower who flouted every international law on the books by landing U.S. forces in Lebanon as

an intimidating show of force to warn the Arabs to cease and desist.

The Zionists steadily increased choke-hold pressure on the Palestinians and Arabs. By May 1942, Jewish immigration to Palestine had risen sharply in accordance with the Biltmore Plan, a Zionist plan to repudiate the British plan of 1939, mentioned in part one of this series, which called for an independent Palestine.

Instead, with support from worldwide Zionism, the Biltmore Plan demanded a Jewish state controlled by a Jewish army, and as we see today, the Zionists have successfully accomplished their goal. On the 13th of August 1945, the World Zionist Congress demanded that Palestine be opened to a further 1,000,000 Jews. Jewish President

Harry Saloman Truman swiftly backed this outrageous demand. On August 31st., only 18 days after the Zionist Congress, Truman demanded that 100,000 Jews be admitted to Palestine as "refugees" from war-torn Europe.

Why he should have elected to pick on a small nation like Palestine to carry the full burden is easily answered. If indeed the "refugees" needed a country, there were many far more suitable countries who would have been willing to take them. In fact, it is now known that the majority of Jews would have preferred to remain in Europe, in spite of their troubles. We also know now that the whole Palestine immigration plot was part of Irgunist strategy to force Jews to leave

The power of unity

9/19/91 SANANDA

Unity: 1. The state or fact of being one. 2. Something that is wholly united and complete within itself. 3. A state or quality of mutual understanding and harmony. 4. The harmonious agreement of parts or elements into one united whole.

Greetings my precious little sister, Druthea. I AM Sananda. You may refer to me as Jesus Christ, Esu, or Immanuel. You are the children, lost and found, of Our Father, whom we The Hosts call Aton (The One Light) and whom you may call God. I come in the service and glory of God/Aton, THE ONE Creator, the Mind-Cause of all Creation. I AM sent to reclaim His lambs who so desire to move "closer" through KNOWING within the I AM presence of The ONE.

UNITED WE STAND,
DIVIDED WE FALL...

We of God's Hosts are many who come to bring you The Word. We come from many dimensions, both "seen" and "unseen" by Earth physical human. We come to show you the way out of the dark abyss of "illusion" of separation called "physical" and into the glory and power of UNITY of purpose and desire. Remember this statement? If not, I suggest you go find it and read it completely. You must understand HOW your adversaries have diligently worked to develop DIVISION among YOU, The People. There are so many separate factions

continued on next page

continued from previous page

of self-interested groups and organizations that you have now a nation of people who cannot agree on ANYTHING, and then individuals who could CARE less as long as their own "needs" are met.

THE WAR BETWEEN "THE SEXES"

You have division between males and females, which in itself has nearly destroyed your species because of the disharmony and unbalance which disunited sexed pairs in Creation will ALWAYS cause. Many ones of you are plainly and simply confused about your own sex identity and how it relates to its equal and opposite sex-mate pair.

Homosexuality is not a "natural" nor is it a balanced paired relationship when the physical sexual act is practiced. God did not create male-male sexed pairs in His divided thinking, nor did He create female-female sexed pairs in His divided thinking. He created by His KNOWING through His One desire of Creation in motion, MALE-FEMALE sexed pairs in ALL of His Creation. My beloved brother Hatonn discusses much more thoroughly about the workings of sexed-pairs (charge and discharge) in the PHOENIX JOURNAL, *God Said: LET THERE BE LIGHT....* I strongly suggest that you carefully study it as well as the rest of *The Pleiades Connection* series. I quote therefrom:

"...All of the work of the universe is performed as a result of that desire in unbalanced matter to seek rest in a balanced condition.

This is a sexed electric universe in every effect of motion, whether it be in the heart of a giant sun or in the petal of a meadow violet. Every action of motion in the universe is a result of sex desire for motion from a state of rest, or for rest from a state of motion.

These two sex desires of electric action and reaction are the result of the two desires of the Father to manifest His One Light through the

extended father/mother lights which interweave His idea of Creation into the multiple forms of that idea and void them periodically for the purpose of repeating them.

The desire for two-way motion is equal action and reaction as reflected in the dual electric desire to give for regiving, and to unfold for refolding."

The point I am making is that the male-female pairs are EQUAL OPPOSITES, charge and discharge. Without this division of thought by MIND of Creator, there would be no Creation. Creation is EFFECT caused by the opposition of male-female mate-pairs seeking balance again which only occurs when UNITY is achieved in GOD ONENESS.

Until men and women completely understand and respect their differences and co-creative responsibilities as sex-paired equal opposites, your species will not create the balance it needs to survive physically and spiritually in harmony.

DOMINANCE and SURRENDER

You cannot continue as you are in the roles of conqueror and conquered and succeed in achieving balanced co-creation with God. You cannot continue to have a war between the sexes, a war between races and creeds, and a war between cultures and religions and find peace, which only UNITY with a COMMON (shared equally) purpose can bring. You must rise above the need to dominate and conquer or surrender and be conquered for in this manner of existence, no balance will be found. When God is shut out by the harboring of feelings such as hatred, greed and intolerance, your opportunity to receive God-knowledge and power is quite diminished.

God cannot regive unto man who only takes from His Creation and gives nothing back to God. For man who is dominated by his physical senses, who remains God-unaware feels like he is in quicksand, helpless and powerless to control his destiny. And so he is.

CREATING UNITY MEANS ESTABLISHING A COMMON PURPOSE AND A COMMON GOAL

So as a nation and a planet with two sexes, thousands of religious doctrines and dozens of races, creeds and cultures, how do you create unity?

First there must be created by each participating human THE DESIRE for UNITY with UNITY representing a shared vision of EQUAL giving and regiving in all transactions and relationships with one another. Only those with a well-defined shared vision can accomplish their objective.

Next you must define your objective. Let us say that your defined OBJECTIVE is: Total freedom from tyranny (*dominance* and *surrender* existence) and global and individual inner peace, balance and harmony.

Now how do you go about creating your above objective?

First, you must locate the tools and talents you already possess. For example, The Republic of The United States still has The U.S. Constitution and Bill of Rights which were documents designed to prevent TYRANNY within the government and guarantee the individual the opportunity to pursue happiness. Your adversaries cannot conquer you completely until they do away with these documents and the freedoms guaranteed under them.

Every human in this land called America, whether they be a she, or a Christian, Buddhist, Judean or Atheist; or whether they be a Native Indian, White, Asian, Hispanic or Black person will all reap the horrendous consequences of *allowing* the LOSS of the United States Constitution and Bill of Rights. You will become a nation of slaves ruled by tyrants and so, too, will the rest of your world become slaves.

Secondly, You must ALL become knowledgeable about your freedoms granted under the Constitution so

that you have achieved UNITY OF MIND understanding about what you must work to reclaim exactly.

Thirdly, you must plan and agree upon a *course of action*, with each sharing responsibility for actions which work to achieve your shared objective of reclaiming and preserving this, your Constitution of the United States.

Fourthly, in order to truly BE SUCCESSFUL, there must be an understanding outlined in which ALL operate under High Moral Integrity which, of course, involves a basic inner understanding and knowledge of THE LAWS OF GOD governing Human. For if you seek to ruthlessly fight fire with fire in ways which defy BALANCE, you will die by fire and gain nothing but sorrow for your objective will be blown away as a feather in the wind.

ALL ARE ONE

In order to achieve your first objective as a Nation Created Under GOD, you must first DESIRE UNITY between ALL peoples. In order to do this you can no longer see yourselves as male versus female, Christian versus Buddhist, Black versus White, Republican versus Democrat. For you are ALL related and there is ONLY ONE CREATOR.

Only men and women who remain superstitiously attached to their ignorance of God-truth and God-knowledge will continue to develop intolerance and disunity and remain as tools of the adversary. It is your choice, my chelas.

Can you give love to ALL your brethren as God does? Do you think your SOUL essence is more or less important to God? There is a saying, "God is 'color' blind." I say, GOD CREATED ALL "ILLUSIONS" OF COLOR. Do you think that he cares one whit more or less about the color of YOUR skin? He only cares about the REAL you (your soul-essence) which is a part of Him as He is a part of you.

continued from previous page

It is written in the "so-called" Holy Bible that I, Immanuel, Sananda said, "I and My Father Are One." I ask that you meditate upon that statement in THE LIGHT of HOLY God's presence and you WILL be given TO KNOW the meaning as it relates to YOU, IF that truly be your soul desire.

GOD'S CHOSEN PEOPLE GOD'S CHOSEN LAND

The term "Israel" is used frequently and erroneously in your "so called" Holy Bible. Why do I say this? Because in your Bible, it refers to a specific race or "so called" race of people. They call themselves "Jews". This term was created by your adversary in the 1700's. There actually exist two very different groupings under this title. They are Hebrew Judeans and Khazar Zionists. Most Hebrew Judeans believe in and worship God. Most Khazar Zionists are satanic atheists as is often demonstrated by their amoral and evil actions and behaviors. This subject of the Khazars, Commander Hatonn has outlined most comprehensively in several of the PHOENIX JOURNALS, so I will not comment further, except to say this: God would never CHOOSE an entire race or human-developed religion above another. For EACH individual's soul-growth is judged based upon THE WORKS he or she accomplishes--balanced or unbalanced.

The term "israel" spelled with the "i" in lowercase is the correct term meaning "God's chosen". It *does not* signify a place of tyranny and corruption taken BY FORCE from another group of people which is now called "Israel", located in your Middle East.

The REPUBLIC of the United States of America represents the true "israel" because of the document which was created to have a government run FOR THE PEOPLE, BY THE PEOPLE. NO other country on your globe was given the opportunity for divine freedom and the pursuit of happiness such as was outlined in your Constitution

and Bill of Rights. Your country is a nation created UNDER GOD, with many cultures, races and religions experiencing and sharing these God-given opportunities together.

You were also given RESPONSIBILITY for maintaining the checks and balances of your sovereignty. It was NEVER designed to be TAKEN FOR GRANTED. Your forefathers knew the nature of their adversary who would enslave them. They WARNED "you, the people" endlessly about the threats which were and would be made to the freedoms and instructions for government operation and state sovereignty which they outlaid. HAVE YOU LISTENED? It is apparent that MOST of you have not even had an inkling of the evil tyranny perpetrated against you by your would-be enslavers. The question remains: WILL YOU LISTEN NOW AND TAKE THE NECESSARY ACTION IN BEHALF OF YOURSELVES AND YOUR COUNTRY?

THE KEYS TO CREATING UNITY: LOVE, KNOWLEDGE, RESPECT, TOLERANCE and CHARITY

LOVE: This I define as absolute, unconditional God-love, equal giving and regiving. For human (higher universal man) it is the required component of co-creation with GOD. Love one another as God Loves you all. This has NOTHING whatsoever to do with the "sexual" act. When you manifest God-love giving and regiving you WILL create balanced transactions.

KNOWLEDGE: This I define as *GOD-Knowledge* and a subheading called, *Human Circumstance Knowledge*. **GOD-Knowledge:** Desire is the key. Desire to KNOW and SERVE God who dwells WITHIN you. Learn to listen to His whispers and shouts. Your success can be measured according to the level and intensity of your desire. "The call compels the answer," so KNOW your desires. They are felt as SOUL awareness. You ones may refer to it as, "My Heart says this..." or my

"Intuition is telling me that...", or "My conscience tells me this is wrong". TUNE IN. SEEK TO KNOW THE WHY-CAUSE. Then you must wait upon God to reveal it to you. It is best not to have PRE-conceptions about where and how the answers will come. KNOW THEY WILL COME AND BE READY TO RECEIVE THEM.

Human Circumstance Knowledge:

There is much information you must have in order to conduct and plan your service to God and Country. For example, you must KNOW who your adversaries are and what they plan and plot in order to control, enslave and destroy you.

Besides this source (THE PHOENIX JOURNALS and EX-PRESS), you can find truth from a FEW other brave souls whom we have mentioned in earlier works. We bring truth which you can validate if you so choose. Each of you will need to become investigators on your own in your areas of interest to verify that which we give. Some info will be difficult, but not impossible to verify. Always you must measure information you receive within the presence of God's Light so that you will KNOW instantly what the appropriate next step must be, if for example there is the probability of an earthquake near your home, you must make necessary decisions of preparations as you are guided to do so within.

RESPECT: I will explain what I explicitly mean by this term. To have high regard for and appreciation of worth. And also to honor each being, creature and creation as the equal fragment or portion of God's divided thinking, which has been created from the still Light of His Knowing. To create UNITY, you individuals must respect and honor your differences, as long as they (your differences) do not defy the Laws of God and Creation. Does this mean you will always agree or do things in the same way or see things from the same point of perception? Certainly not...(until of course, you attain spiritual perfection and become One With God in your KNOWING). Remember this: Your deepest and most profound spiritual challenges come from your inter-actions with your

fellow brethren on physical earth incarnations.

TOLERANCE: As with RESPECT, you must exercise TOLERANCE when you encounter differences in regard to how another thinks, perceives, looks, responds and behaves. That is, as long as their behavior does not defy God's Laws or infringe upon your freedom of development of your co-creative potential. In no manner do I use this term to imply BLIND TOLERANCE to allow all to DO and SAY whatever they choose and call it "freedom of expression" or as so often referred to "rights" which blatantly disregard the Laws of God. Also, never must you sanction behavior which is evil when you KNOW it to be evil. Never either must you turn your back on your adversary! Face evil within God's presence and evil will cower and fall away...unless you turn the other cheek and allow evil to intimidate you! It will, if YOU allow it!

Can you force another to NOT defy God's laws? No. You can, however, encourage them to not do something and explain WHY you do not sanction their choice or behavior. Ultimately they will DO what they will do, and unless they attempt to do something against you or your family, you cannot use force to stop them, for example, from having an abortion (which is murder).

CHARITY: What I mean by charity is sharing brotherly LOVE. Giving and sharing Good Will with your brethren. Generosity given to the deserving by allowing God within to measure/judge how and to whom He will regive. Doing unto others as you would have them do unto you. Treat the sick and poor and spiritually ignorant people with dignity, generosity, patience and compassion that they may feel worthy and are given an example of how to, perhaps, create the desire to move their awareness beyond their suffering and neediness. Always be generous with The Light which YOU carry to assist another. You see, my precious chelas, generosity

continued on next page

continued from previous page

often really has little to do with money or physical "things", although sharing with others and giving food and other items when needed is most commendable when it is truly done for LOVE and not obligation, social recognition or expectation.

All you need ever do is ask Our Father who dwells within you: "What is the Highest and best response to this situation?" or "Please show me the right and balanced response to this circumstance. Not my will, Father, let thine will be done." In this way can you raise your spiritual character to the heights of some 8000 years past

when in Egypt, for a time, the Egyptians lived with the Highest Moral Character of your recent civilization, and put their fellow men and women before self, with the desire to love and be loved in all their interchanges. My beloved brother, Walter Russell, wrote of this way of life, as has Germain in the recent PLEIADES CONNECTIONS series. We call it RYTHMIC BALANCED INTERCHANGE. So be it.

I will close this document. Thank you Druthea, for your service. You have done well this day. Be at peace, chela, for I am always with thee. I AM SANANDA, One With God. Walk gently with one another in Peace and Love. Salu.

HOMELESS: continued from page 6

assistance from any social service agency although half live in poverty. Among migrant families, only 9 percent take government help.

Still, men like Castro say they would like to tuck their children into bed in a house each night and send them to school each morning.

"In reality, I don't understand the dimension of the problem," Castro said. "My perspective might be about a very small part of a huge problem."

But in the group of about 120 farm workers who cut table grapes with Castro in the fields off Seventh Standard Road, more than 30 are homeless.

They, like the Castro family, are forced into the fields to sleep, unable to come up with a month's rent and a deposit and unsure how long they will live in one place. Landlords are reluctant to rent to migrants because their stays are so short and they tend to overcrowd units, according to a 1988 survey conducted by the state housing department.

Migrant families rarely know their way around the communities nearby. The simplest place to sleep is outside.

But that is far from simple.

Weekly, sometimes nightly, ranchers or hired hands drive through the orchards to roust campers. Sheriff's deputies finally asked the Castros to leave their afternoon hangout next to a convenience store at Seventh Standard Road and Highway 46.

"Nobody's responsible for the workers," said Castro, 34, who dreams of returning to his three-

bedroom home in the Mexican state of Sonora. "They've left us on our own."

Meanwhile, increasing numbers of men are moving in from Mexico, taking what housing they can or traveling in groups on the road. Although unaccompanied men are concentrated in the Midwest and Northeast, "significant" numbers also are coming to California, according to Mines.

The federal demographer, who last year published his "Findings from the National Agricultural Workers Survey," has been studying migratory patterns both in California and nationally since the 1970s. His reports are used frequently in Washington as a starting point for other migrant studies.

He said the influx of unaccompanied men may mean added trouble. More families with children may be forced to take to the road. And the migrating men, many of whom are married, may soon settle and call for their wives and children back home.

Arvin city officials, seeing the influx of unattached migrant men, are considering a plan to build a 300-bed complex south of town just for single farm workers.

"It's cyclical," Mines said in an interview from his Washington office. "This current surge of workers will settle and bring their families."

The surge is similar to one researchers saw in the 1960s and 1970s, which was followed by a surge in families in the 1980s. The movement could have a tremendous impact on the schools, particularly if the families continue migrating

seasonally.

Yet slowly, the pace is becoming less hectic, even among families who make annual pilgrimages to the San Joaquin Valley.

"There isn't the constant mobility there was 20 years ago," said Adriana Salinas-Simmons, co-founder of La Familia, an family education program based in Woodland. "You used to see a family come in for a while, then go somewhere else. Now, most of them maintain a home in one community and go somewhere else to work. Then they'll come back."

But troubles in school are no less.

AND TEACHERS KNOW the children's problems at school mean bigger troubles at home.

"These children in general have a very high record of absence from school," said Colleen Myers, who teaches a bilingual first-grade class at Shafter's Richland Primary School. "Of course, it's not their fault. But when they're kept out of school that much, it affects their attitude about learning. They get discouraged because they miss the lessons."

Sometimes the problem is medical — small problems like head lice or a simple cold can mean days at home if parents don't have money for medicine. Disease spreads quickly in overcrowded homes. Sometimes children must stay home to care for younger children.

"You just can't imagine the economic circumstances," Myers said.

"I've made home calls and found children living literally in one room. I have found the families living in a little trailer with just nothing."

Last year, only one of Myers' 30 students paid full price for school lunches. The rest were poor enough to qualify for free or discounted meals.

Periodically, the Parent-Teacher Association at Richland Primary School scrapes together money for much-needed eyeglasses or clothing.

"Some of them are so very poor," Myers said. "They live in very deprived conditions. I've heard them speak about wanting to have a room of their own and a bed of their own."

Delcia Chavez wishes for a room of her own.

She and her seven brothers and sisters live with two other families in a three-room house off Weedpatch Highway. In all, 16 people crowd the \$500-per-month rental, but Delcia's parents want to move into a cheaper, smaller place.

"It's too much bills for that house," said Delcia, 12, in stilted English. "My dad wants to find a trailer."

After school, Delcia and her 15-year-old sister, Maria, try to make money by cleaning homes. It's their duty to help the family. She wants to go to college, to find work that eases her family out of this cycle of poverty. But it's a long way off.

"These kids are pretty proud," said Margie Macias, a teacher's aide at Virginia Avenue School in East Bakersfield, where Delcia and her sister attend classes. "But once you get their confidence, they talk. Sometimes they'll tell you the only meal they eat all day is the free lunch they get at school."

upon the brotherhood of humanity, unconnected with the conception of equality, which is negated by the very laws of creation, for they have established subordination. With such a faith as this a people might be governed by a wardship of parishes, and would walk contentedly and humbly under the guiding hand of its spiritual pastor submitting to the dispositions of God upon earth. This is the reason *why it is indispensable for us to undermine all faith, to tear out of the minds of the goyim the very principle of*

Godhead, and the spirit, and to put in its place arithmetical calculations and material needs.

In order to give the *goyim* no time to think and take note, their minds **must be diverted towards industry and trade.** Thus, all the nations will be **swallowed up in the pursuit of gain and in the trade for it will not take note of their common foe.** But again, in order that freedom may once and for all disintegrate and ruin the communities of the *goyim*, we must put industry on a speculative basis: the result of this will be that what is withdrawn from the land by indus-

try will slip through the hands and pass into speculation, that is, to our classes.

The intensified struggle for superiority and shocks delivered to economic life will create, nay, have already created, disenchanted, cold and heartless communities. Such communities will foster a strong aversion towards the higher political and towards religion. Their only guide is gain, that is Gold, which they will erect into a veritable cult, for the sake of those material delights which it can give. Then will the hour strike when, not for the sake of attaining the good, not even to win wealth, but solely out of hatred towards the privileged, the lower classes of the *goyim* will follow our lead against our rivals for power, the intellectuals of the *goyim*.

PROTOCOL NO. 5

Creation of an intensified centralization of government. Methods of seizing power by masonry. Causes of the impossibility of agreement between States. The state of "predestination" of the Jews. Gold—the engine of the machinery of States. Significance of criticism. "Show" institutions. Weariness from word-spinning. How to take a grip of public opinion. Significance of personal initiative. The Super-Government.

What form of administrative rule can be given to communities in which corruption has penetrated everywhere, communities where riches are attained only by the clever surprise tactics of semi-swindling tricks; where looseness reigns; where morality is maintained by penal measures and harsh laws but not by voluntarily accepted principles; where the feelings towards faith and country are obliterated by cosmopolitan convictions? What form of rule is to be given to these communities if not that despotism which I shall describe to you later? We shall create an intensified centralization of government in order to grip in our hands all the forces of the community. We shall regulate mechanically all the actions of the political life of our subjects by new laws.

Zionism continued from page 16

Europe. That ugly story is told in a book called "The Memoirs of Yitzak Ben Ami".

Again, the legitimate occupants of the land of Palestine were never consulted. Note the strategy used. Truman did not demand that 1,000,000 Jewish "refugees" be admitted all at once, instead he chose the Fabian method of gradually creeping along toward the desired total.

On October 20th. 1945, Syria, Iraq, Egypt and Lebanon sent an official paper to Truman, warning that the creation of a Jewish state in Palestine would lead to war. Truman ignored the warning. On July 22nd. 1946, the Zionists showed what was in store for Palestine unless their demands were met, by blowing up the King David Hotel in Jerusalem, killing 91 people. Both Begin and Shamir took part in that criminal enterprise, and as I stated earlier, Prime Minister Shamir is proud to admit his terrorist past, saying it was necessary for the advancement of the Jewish state.

After Britain referred the "Palestine problem" (read ZIONIST problem) to the United Nations, the majority of the delegates voted to partition Palestine into Arab and Jewish states, with Jerusalem under a U.N. mandate.

This was just what the Zionists wanted, because now they would be free of the constraints placed upon

them by the presence of British soldiers. Although in public the Zionists rejected U.N. trusteeship, inwardly they were rejoicing, because soon they would be free to attack the Arabs and Palestinians, and drive them off their ancestral lands, without interference from British troops, who later became as much the targets of Zionist murderers as did the Arabs.

The Zionists were preparing for war and the port of Eilat began to fill with shipping carrying weapons for the Irgun, Stern and Haganah terrorist. The British sent Sir William Stephenson "the Man Called Intrepid" to teach and train the Irgun, Haganah and Stern gangs. It is interesting to note that members of these terrorists gangs were later "sheep-dipped" and became respectable members of the Herut and Likud parties, who went on to make up a large part of the Israeli parliament known as the Knesset.

Support for the Israeli terrorists came from leading U.S. Jews like Max Fisher and the Canadian Edgar Bronfman, heir to the bootleg whiskey fortune turned respectable under the company name of Seagram. The Sharon-Drobles plan to "acquire" Arab lands began in earnest in 1967, which illegal scam provided the bulk of the lands upon which future Jewish settlements were to be built.

This is Part II of a three-part article.
