Umbrellas and earthquakes

Is it just possible that a man named Christo might be giving you information and a warning beyond any you have received in history? Does God not work in mysterious ways His wonders to perform?

I spoke of the umbrella display of Christo and its relationship to the Garlock Fault in California. This was in response to inquiry regarding same. The morning paper has a

headline which reads: "Fault could spawn tremendous Kern quake, geologists say. A fault that stretches from the Tejon Pass east to Death Valley could produce a deadly earthquake measuring at least 7.8 on the Richter scale, a new study shows...." [New study?]

This is a 154-mile-long fault, which runs past Bakersfield and Tehachapi to Mojave, Edwards Air Force Base, and Ridgecrest and the China Lake Naval Weapons Center in northeast Kern County before sliding into the desert.

If this fault ruptured at once, which is fully planned, the resulting quake could measure 7.8 or larger--and this according to your own geologists. So be it. The article says that Bakersfield would be the worst hit. Ah perhaps, but that is not the intent except in fringe "benefits" to the instigators. The point is the San

Andreas Fault whereby the entire southern California coastal area could be devastated by triggering the Garlock Fault for it intersects just north of Los Angeles at the Ventura County line.

Bakersfield is about equidistant between the two faults and the Kern River runs right through it which opens a pathway from Lake Isabella, etc. The California aqueduct passes right alongside the San Andreas and actually is in the fault as it comes into Lake Hughes.

We have already talked of the triggering mechanism in the San Francisco area being by way of the Hayward Fault so we will not repeat it here.

I won't bore all the readers with this information for each is interested in their own little corner of the world but this DOES impact all corners of the world from business, banking, plate shifting and weather--it also brings one world control into easy establishment. It will devastate the growing fields of your garden areas. Can you not see how daily the odds against you--the people build and build?

JAPAN

Now to the blue umbrellas in Japan--not to leave them out nor the appropriate headlines: "World disaster experts meet, 'await' big earthquake."

world gathered Tuesday for the international earthquake summit, and their message was clear--the big one is coming.... 'We on the Pacific Ring of Fire await disaster', said Shirley Mattingly, director of Los Angeles Emergency Management, who urged government and business to work together to reduce the effects of quakes.

"Japanese experts said earthquake-prone Tokyo, where a 1923 quake and fire killed 140,000 people, will be hit by another large quake soon.

"Setsuo Kobayashi, chief of the city's disaster prevention activities, said, 'Tokyo has always risen from the ashes like a phoenix.' But there is great fear that our efforts notwithstanding, it will once again face a grave disaster....."

Yes, the article goes on but I think you get the point and if you have a 10 to 11 point quake on the San Andreas then you are going to "have to" have one of equal magnitude in Japan because you are directly hooked to them.

By the way, you in the Mississippi deltas--don't go to sleep for it is projected that the U.S. will be split from Canada to Mexico with an ocean forming in between the East and West of the U.S. Don't call me doom and gloom--YOU GO LOOK AT THE MAPS AND PROJECTIONS!

Police corruption in America's heartland

L.A. a bad city? What about cities in the heartland of Wisconsin? I remind you that the police are getting set-up to destroy freedom--through thorough training by the KGB and Mossad THROUGH THE CIA.

You are horrified over a "King" beating? These recent notations are ONLY because they were captured on film and made public before the picture-taker could be killed or buried otherwise.

Here is an article right out of the *Daily News, U.S.A.*, 10/8/91: *Ex-sergeant describes corruption in drug unit. A former sheriff's sergeant testified Monday that deputies under his command stole money from drug dealers, administered beatings and planted drugs on*

suspects, lied on police warrants and falsified search warrant affidavits.

Former Sgt. Ronald Sobel, a key witness in the trial of five sheriff's deputies and an LAPD officer facing federal corruption charges, said he learned of the wrongdoing after being assigned to the Sheriff's Lennox station in 1985.

He said that after his first raid as supervisor of Southwest Task Force, a Sheriff's Department anti-drug unit based in Lennox, Deputy Roger Garcia told him that the unit followed its 'own customs'.

Sobel, who has pleaded guilty and agreed to testify against other deputies, said he was pulled aside by Garcia after booking into evi-

dence \$6,000 in confiscated drug money.

He said, "What (did) you do with the money, boss?" Sobel replied, "I booked it."

He testified that Garcia looked uncomfortable and said. "Well, things are a little different in dope. We do things a little differently . . . We need expense money."

.....Sobel testified that in addition to skimming drug money for themselves, the deputies diverted seized money in a 'kitty' to buy weapons and equipment for breaking into fortified crack houses and for 'tips' from informants about dealers.....He testified that they lied during drug suspects' trials to cover-up their beatings and thefts and also resorted to "flaking", or planting drugs on suspects, to justify arrests.....he testified, deputies announced themselves only about 10 times out of 350 warrants served during that time....."

I take time to write this much for it is the SAME story everywhere from the smallest village to the most huge cities--even worse in the cities. But this is WHY we have to attend this dwelling of Dharma's so intensely--there is no limit beyond which the adversary will not go to set-up a victim they are out to "get".

THEN FROM THE MILWAUKEE JOURNAL

9/29/1991: OUT OF THE BLUE, *Los Angeles Times*--COP TALK:

By definition, it is a special brand of morbid, cynical, sometimes humorous, often crass and juvenile chitchat by men and women who constantly face life's disasters and who take pleasure in relentlessly insulting each other.

Some say police funny bones are hooked up a little differently than the rest of the world's, which is why the grossest of cop jokes are often called "blue humor".

Gates and Thomas

What is all this about, you ask? Simple, the ones who intend to do in Bush are at work showing him that THEY, not he, control what comes down. These moral men who bounce thousands of dollars in checks at their personal money pool and eat free lunches which YOU pay for--are deciding on the "moral" ethics of a judge and are ready to explode Bush and Gates if they don't play hard-ball. These are your Khazarians at work in the most deliberate manner. The men in point are totally unworthy of any position but that has nothing to do with the political reasoning. It will all make its nasty way all the way to Noriega after the paid-off (by your CIA and government) criminals get through with their act. It is all nothing but political hogwash to spend more of your money. Note that the one "investigating" the banking, bounced checks, etc., is one who also bounced checks! But, "everyone" is sure he can do an adequate and fair job of it. And where were you when the lights went out?

Update on Iraq

Some of the yellow ribbons are still up, brothers; where is the victory from your precision-surgical air strikes against those nasty heathens under and around Saddam? It begins to show that the ONLY targets hit were the homes, hospitals, bunkers and bridges of the innocent citizens whom you are still starving to death by the hundreds and thousands. And what of those nasty Iraqis killing all those Kurds? Seems to me that the Kurds are at war and killing a whole bunch of Iraqis and Turks--executing any they catch, in addition.

Ah, but you really put Saddam out of business? Did you? Seems to me you are now mumbling and screaming H-bombs in addition to Atomic bombs and Bull guns. Further, it seems to me that it is Israel urging destruction--well, they are also urging destruction of Mr. Bush so it has come full circle, has it not?

Now to you ones who would find fault with Gene's basement where you are, by his good graces, going to be able to sustain life if radioactive fallout occurs--you had best get beyond the bickering over inlets and outlets. If you do not approve of something as is--then get the material and you pay to have it rearranged--the young man and Charles have done all I shall ask of them. If you could not enter assistance in the time of the building then it becomes quite late to destroy the competence of those who served and built. That is NOT a community shelter--it was built for a family's dwelling and security by a note being paid for by Gene--for his family. If you feel there needs be more air intakes then YOU fix it for he has more than adequate to fill all requirements for he has built it for storage--not multitudes of people and thus were the specs drawn and accomplished. This "assumed group" is going to grow or the ones in action are going to "outgrow" those who simply bicker and twiddle. But I remind you--the changing of those building specs now will cost thousands of dollars and if you wish them changed then YOU shall tend of it. Charles has received NOTHING for his months of labor and Gene has, forgive the

pun, gone in the hole on the whole thing.

I suggest you allow no grass to grow under your feet in getting a piece of ground and getting started on the underground facilities for growing R&D-type enterprise and which will also provide underground survival when the time arrives. Get off the dead dogs and tend that which needs tending. Harsh? Indeed. I have lost a week of work over petty quarrels and I have actually NOTHING to do with any of them. This is exactly why there is no "group" because man cannot get along with his brother under any circumstances, it seems. Do not, further, tell me you are God and working for God as you tear and rip and complain--THESE THINGS ARE NOT OF GOD!

To you readers of the paper, these things are left in the writings because I put them in the writings for I have no other means of communication without holding lengthy personal meetings which consumes even more time--WHICH YOU DO NOT HAVE! I find, however, that the discussion fits any and EVERY group I encounter. If the shoes fit--put them on and if not--good for you.

Revelation 6, 7, 8, 9, 10, 11

Someone has sent me a Lamsa Peshita Translation of the "REVELATION" as above listed. It is worth our time to write it again for you herein. You see, I am interested in your journey home and your relationship with GOD--all I want to do is wake you up so you can even KNOW that there IS A TRANSITION TO BE FACED.

CHAPTER 6: 1. I saw when the Lamb opened one of the seven seals, and I heard one of the four animals saying in a voice as of thunder, Come and see.

2. And I looked and beheld a white horse, and he who sat on him had a bow, and a crown was given to him; and he went forth conquering, and to conquer.

3. And when he opened the second seal, I heard the second animal say, Come and see.

4. And there went out another horse, and it was red, and to him who sat on it was given power to take away peace from the earth, that people should kill one another; and there was given to him a great sword.

5. And when he had opened the third seal, I heard the third animal say, Come and see. And behold, I saw a black horse; and he who sat on him had a pair of balances in his hand.

6. And I heard a voice in the midst of the four animals say, A measure of wheat for a penny, and three measures of barley for a penny; and see that you do not damage the oil and the wine.

7. And when he had opened the fourth seal, I heard the fourth animal saying, Come and see.

8. And I looked and beheld a green horse; and the name of him who sat on him was Death, and Sheol followed after him. And power was given him over the fourth part of the earth, to kill with sword and with famine and with death and with the wild beasts of the earth.

9. And when he had opened the fifth seal, I saw under the altar the souls of those who had been slain for the sake of the word of God and for the testimony of the Lamb which they had.

10. And they cried with a loud voice saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on those who dwell on the earth?

11. And a white robe was given to every one of them; and it was said to them that they should rest yet for a little while, until the time should be fulfilled when their fellow servants and their brethren should be killed also as they had

been.

12. And I looked when he had opened the sixth seal, and behold, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood.

13. And the stars of heaven fell to the earth, even as a fig tree casts its green figs when it is shaken by a mighty wind.

14. And the heavens separated,

as a scroll when it is rolled separately; and every mountain and island shifted from its resting place.

15. And the kings of the earth and the great men and the commanders of thousands and the rich and the mighty men and every bondman and every freeman hid themselves in caves and in clefts of the mountain.

As part of a commission's investigation into the videotaped police beating of motorist Rodney King near Los Angeles in March, the public got a small glimpse into the uninhibited, off-camera language of cops.

In reviewing more than 3.6 million computer messages transmitted between Los Angeles Police Department cruisers over a 16-month period, the commission found 1,450 instances of objectionable language. These fragmented bits came across as racist, sexist and ethnically crude, but most often they revealed their authors to be braggarts, prone toward violence and relishing it.

"Capture him, beat him and treat him like dirt.... Sounds like a job for the Dynamic Duo," one officer hailed another. "After I beat him, what do I book him for, and do I have to do a use-of-force (report)?" Homosexuals were labeled "fruits", a blond officer was described as having "big kazooopers" and roughing up a suspect was one officer's "exercise for the night".

[Cop talk in Milwaukee also came under intensive public scrutiny in the wake of the Jeffrey L. Dahmer multiple murder case. Public outcry focused on two radio transmissions of May 27, after officers returned 14-year-old Konerak Sinthasomphone to Dahmer's apartment following reports the Laotian boy was seen naked and bleeding near 25th and State St. In a transmission interrupted twice by laughter, officers reported they had returned "the intoxicated Asian naked male" to his "sober boy-

friend". Moments later, one officer radioed that "my partner's gonna get deloused at the station," which was followed by more laughter. Sinthasomphone's remains later were found in Dahmer's apartment.

There is no way to determine from the samples released by the Los Angeles commission how widespread this language is among the LAPD's 8,300 officers, yet when paired with the videotape of the motorist King's beating, some said they were astonished and disgusted by what they read, and were worried not only about the officers' words but whether the language betrayed venal hearts....

And what does Chief Gates say about all of this through his spokesman?

We don't have 8,300 bigots on this job; it's ego, bragging, a musical pattern in language, coming from some guy who probably has spent all day in court, hasn't seen his family, hasn't slept, just got exposed to a suspect with syphilis, had to search a female between her crotch for drugs, saw a baby thrown against a wall.... It's occupational joking, but not something you act on."

And what does Joseph Wambaugh, the crime novelist and former cop say? How about what they might say on Miami Vice?

"We have in police work, not just in Los Angeles but everywhere, we have super-aggressive 22-year-olds

full of testosterone, full of energy, absolutely immortal and unable to admit fear, unable to verbalize fear, even to themselves..." "Hence, they get caught in all this damn silly defense-mechanism business, this dehumanizing gallows humor and all of that, and they don't even understand that they are doing it most of the time."

Could they also "just not know" they are murdering, raping, stealing and lying most of the time? The article is much longer but I think you get my drift? L.A.'s finest? This goes for the nation, the continent and the world--is this your finest? Is this but a branch of the wondrous children with all that human-rights instinct which you sent off to Iraq to bury with plows and scoops, 12,000 men in trenches? How about the precision-surgical bombing which has cost millions of lives of innocent women and children? Is this your finest? My God, please deliver me from your worst! There is nothing your "worst" could do that is worse than that which you TRAIN your finest to do. Further, they are protected by a system more corrupt than themselves. Do you really think my little chela has a chance against these mobsters who rule your world? NOT UNLESS YOU ONES GET OFF YOUR ASSETS AND TEND YOUR CONSTITUTION! I PLEAD WITH YOU: SUPPORT THE NEW CONSTITUTIONAL LAW CENTER.

16. And said to the mountains and rocks, Fall on us, and hide us from the face of him who sits on the throne and from the wrath of the Lamb;

17. For the great day of his wrath is come, and who shall be able to stand?

CHAPTER 7: 1. And after these things, I saw four angels standing on the four corners of the earth, holding the four winds of the earth, that the wind should not blow on the earth nor on the sea nor on any tree.

2. And I saw another angel, and he ascended from the direction of the rising sun, having the seal of the living God; and he cried with a loud voice to the four angels to whom it was given to hurt the earth and the sea, saying,

3. Do not hurt the earth, neither the sea nor the trees, till we have sealed the servants of our God upon their brows.

4. And I heard the number of those who were sealed; and it was a hundred and forty and four thousand, of all the tribes of the children of Israel.

5. Of the tribe of Judah were sealed twelve thousand; of the tribe of Reuben, twelve thousand; of the tribe of Gad, twelve thousand;

6. Of the tribe of Asher, twelve thousand; of the tribe of Naphtali, twelve thousand; of the tribe of Maniasseh, twelve thousand;

7. Of the tribe of Simeon, twelve thousand; of the tribe of Levi, twelve thousand; of the tribe of Issachar, twelve thousand;

8. Of the tribe of Zebulun, twelve thousand; of the tribe of Joseph, twelve thousand; of the tribe of Benjamin, twelve thousand.

[There is no point in further misleading you by these countings. Remember that this was a VISION and it could only deal with that which was familiar to the receiver. You can be pretty sure that the specifics deal with that which was represented at the time--today, my friends, I doubt we would find 144,000 worthy souls, but then, it only REQUIRES ONE!]

9. After these things, I beheld, and lo, a great multitude which no

man could number, of every nation and people and kindred and tongue stood before the throne and in the presence of the Lamb, clothed with white robes and with palms in their hands,

10. And cried with a loud voice, saying, Salvation to our God, who sits upon the throne, and to the Lamb.

11. And all the angels stood round about the throne and about the elders and the four animals, and fell before this throne on their faces, and worshipped God.

12. Saying, Amen! Blessing and glory and wisdom and thanksgiving and honor and power and might to our God for ever and ever. Amen.

13. And one of the elders answered, saying to me, Who are these who are arrayed in white robes? And from whence did they come?

14. And I said to him, My lord, you know. And he said to me, These are those who came out of great tribulation, and have washed their robes and made them white in the blood of the Lamb.

[If you didn't hear me before--try again! Do you see this can not be taken *literally* for obviously washing anything in blood will NOT make it WHITE. You Biblical literalists had best get on with the program for you are going to be waving goodbye to the last ship departing for God's house.]

15. Therefore they are before the throne of God, and serve him day and night in his temple; and he who sits on the throne shall shelter them.

16. They shall hunger no more, neither thirst anymore; neither shall they be stricken by the sun nor by the heat.

17. For the Lamb who is in the midst of the throne shall shepherd them and shall lead them to fountains of living water. And God shall wipe away all tears from their eyes.

[Do you now see WHY the deceiver claims the position of holiness and deceives you?]

CHAPTER 8: 1. And when he opened the seventh seal, there was silence in heaven for about the space of half an hour. [Hatonn:

Can't be, beloved, for in the realms of God's heavens there is NO TIME AND NO SPACE!]

2. Then I saw the seven angels who stood before God, and seven trumpets were given to them.

3. And another angel came and stood at the altar, and he had a golden censer; and abundant incense was given to him, that he might offer with the prayers of all saints upon the golden altar which was before the throne.

4. And the smoke of the incense which came with the prayers of the saints ascended up before God out of the angel's hand.

5. And the angel took the censer and filled it with fire of the altar and cast it upon the earth; and there were voices and thunderings and lightnings and an earthquake.

6. And the seven angels who had the seven trumpets prepared themselves to sound.

7. The first angel sounded, and there followed hail and fire mingled with water, and they were poured upon the earth; and a third part of the earth was burnt up and a third part of the trees was burnt up and all green grass was burnt up.

8. Then the second angel sounded, and as it were a great mountain aflame with fire was cast into the sea; and the third part of the sea became blood;

9. And the third part of the creatures which were in the sea, and had life, died; and the third part of the ships were destroyed.

10. And the third angel sounded, and there fell a star from heaven, burning as though it were a lamp, and it fell upon the third part of the rivers and upon the fountains of waters;

11. And the name of the star is called Wormwood; and the third part of the waters became wormwood: and many men died of the waters, because they were made bitter. [YES, INDEED, AND RADIOACTIVE ALSO!]

12. And the fourth angel sounded, and the third part of the sun was eclipsed and the third part of the moon and the third part of the stars, so that the third part of them was darkened, and the day was darkened for a third part of it, and the night likewise.

13. And I beheld, and heard an eagle, having a tail red as if it were blood, flying through the midst of

heaven, saying with a loud voice, Woe, woe, woe to those who dwell on the earth, by reason of the other sounds of the trumpets of the three angels which are yet to sound!

CHAPTER 9: 1. And the fifth angel sounded, and I saw a star fall from heaven upon the earth; and to him was given the key of the bottomless pit.

2. And he opened the bottomless pit; and there arose a smoke out of the pit like smoke belching from a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.

3. And there came out of the smoke locusts upon the earth; and to them was given power as the scorpions of the earth have power.

4. And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men who do not have the seal of God on their brows.

5. And they were commanded that they should not kill them, but that they should be tormented five months; and their torment was as the torment of a scorpion when it strikes a man.

6. So in those days men shall seek death and shall not find it; and shall desire to die, and death shall flee from them.

7. And the shapes of the locusts were like horses prepared for battle; and on their heads were, as it were, crowns like gold, and their faces were like faces of men.

8. And they had hair like the hair of women, and their teeth were like the teeth of lions.

9. And they had breastplates as though they were breastplates of iron; and the sound of their wings was like the sound of chariots of many horses running to battle.

10. And they had tails like scorpions, and there were stings in their tails; and they had power to hurt men five months.

11. And they had a king over them, who was the angel of the bottomless pit, whose name in Hebrew is Abaddo, but in Greek his name is Apollyon.

12. The first woe is passed; and behold, two more woes follow after.

13. And the sixth angel sounded, and I heard a voice from the horns of the golden altar which is before God.

I, Hatonn, cannot go on. You will have to look up the remainder for I change my mind about copying it. All of this is the most blatant illustration of control, manipulation and lies against a civilization of MAN. This was a so-called "DREAM" of some man in historical times which DID NOT EVEN EXIST--MAN OR DREAM--AND HOW DARE YOU LAY THIS FOOLISH HORROR AT THE DOOR OF GOD--THIS IS MADNESS FROM CON- NIVING, POWER-HUNGRY MEN WHO WOULD ONE DAY RISE UP AND LEAD YOU TO SLAUGHTER THROUGH THESE VERY LIES.

DEAR ONES, EVEN WITH POOR TRANSLATIONS--IF YOU BEGIN WITH A LIE YOU WILL ONLY ENHANCE THE LIE AND, IF YOU CANNOT SEE THESE THINGS WITHIN REASON, WHAT HOPE DO WE HAVE OF SEEING VERY MANY OF YOU INTO GOD'S PLACES OF WONDER?

Let me example just a bit more and YOU SEE IF YOU ACTUALLY THINK THIS IS OF GOD!: Ch.11: 8. *And their dead bodies shall be upon the street of the great city, which spiritually is called Sodom and Egypt, where also their Lord was crucified.*

9. *And their dead bodies will be seen by the peoples and kindred and nations and tongues for three days and a half, and it will not be permitted to bury their dead bodies in graves.*

10. *And those who dwell upon the earth shall rejoice over them and make merry, and shall send gifts.....etc.*

OK, little brothers--if all this be of Holy God and I be of Hell--guess where Hatonn plans to remain? You have been so long deceived that you have lost all sanity and bal-

ance and who do you think is the point of this thrust of power toward enslavement? That's right--you "goyim". You will note that the Indian (natives) don't have any of this nasty stuff in their prophecies in this heinous manner of selective murder. Oh, the earth changes will come and part of the story is correct--BUT, THE MOST OF IT IS TOTAL HOGWASH AIMED AT MARCHING YOU RIGHT ALONG THE DEATH ROW ON PRISON STREET. THESE THINGS OF THE PHYSICAL ARE NOT OF GOD!

Dharma, allow us a rest break for I realize that my level of patience with blind-men of Earth needs a bit of renewal. You do that which you want to do, MAN, but you are on the road to indescribable destruction. If every one and thing in the governments today is a crass LIE--why think ye that it would ever have been different? The rulers want to rule and always have. The liars were present from the start and have continued without rest through the eons--AND YOU ALLOW IT, AID AND ABET THEM.

Every report coming from the governments are manufactured and offered according to exactly that which the rulers want you to see and you can follow easily the destruction of the U.S. because you are "new". Why do you think the adversary "evil" old coot would not begin where he could win--at your birth in lies regarding your immortality and demise--oh foolish ones, what takes it to make you see?

IT DOES NOT HAVE TO GO BY THE WAY OF THOSE PROPHECIES--YOU ARE CAUSING IT TO GO BY THE WAY OF HORROR AS YOU FAIL TO SEE AND ACT. FORGIVE ME, FATHER, FOR I ANGER WITH THINE CHILDREN AND I AM SENT TO BRING THEM HOME, BUT FATHER, IT SEEMS SO USELESS EVEN UNTO ME. SALU.

HATONN TO CLEAR.

THURSDAY

We will finish the writing, hopefully, regarding the Soviet "status" this day. First, I am requesting that the name of the paper be changed to reflect more pointed direction. Please allow us to call the paper THE PHOENIX LIBERATOR. It may seem illogical at present but will be recognized for its purpose as we move along through the ensuing months. Oberli, please incorporate the label.

My first gratitude this day is to John Coleman who is hearing me loud and clear and responding in kind. Thank you for the backup on the "Bible" interpretations for I have not time to cause Dharma to do such research. You are children of the lie for long generations and you must see beyond the prattlings laid forth by your would-be Kings or you shall never find freedom upon the planet. The Christ is of the realms of God and CANNOT have been perpetrator of such hogwash--he who follows blindly such erroneous and impossibly unreasonable projections of MAN will indeed be lost. I do not choose it to be this way--YOU CONTINUE TO CHOOSE TO LIVE WITHIN THE LIES OF PHYSICAL RESTRICTION, WARS AND BLOODSHED. IF YOU RECOGNIZE GOD YOU CANNOT PERCEIVE THAT GOD WOULD DO OR BE ANY OF THE THINGS LAID FORTH FOR YOU IN THE BOOKS OF MEN.

The Constitutional Law Center is now operational and on the yesterday we had council and as quickly as the ones who will direct get back to us with information, we will present it gladly on the front page of this publication. These ones will come with an additional 25,000 names for receiving information. I believe, dear ones, that we will need to move to two presentations, at least, per week in the near future for we still do not have space for all the information flow. At some point we need to combine resources with other publications for so much

valid information is reaching such a restricted audience.

I am asked if we would join with SPOTLIGHT. No, it is a Khazarian publication and you will find that Khazarian leaders are inputting more and more manipulated information. The author in point with John is a matter in point. That person's material is being run now, on a regular basis. This is a feminist activist and although much of her work is good, it is NOT what we are about. We have no platform save the CONSTITUTION OF THE UNITED STATES OF AMERICA--ONE NATION UNDER GOD. You need no other for all the protections as included through your Bill of Rights are sufficient cover for all. When ones start building platforms based on any other input or personal desires for self or groups--RUN--in the other direction. I urge Bo Gritz to consider this most carefully for he is set up as a tool.

When highly touted ones, such as Tom Valentine of the radio are enticed to run with the Colonel for "vice president", you are in serious trouble. These ones throughout that entire organization are totally controlled. Ones who bring truth in open manifestation are never allowed on the program no matter that which APPEARS to be. The Editor is Khazarian and the entire publication moves to unbalance in projection. The Liberty Lobby actually does almost nothing to "worse"; and the Populist Party has such holes in the planks that the stage is falling through. Any and all may support anything that they wish or choose--I will not support it however. Your Constitution, based upon Godly behavior and the Laws of God as laid forth, even though crudely, is sufficient. If you tend to only bring forth another "power" broker I ask that you leave God's Hosts out of the correlation. It is far too easy for a patriot to become a chauvinist, which means a patriot to the point of total fanaticism (right or wrong). God is sufficient to

Please, I do not speak of ALL lawyers but I shall tell you of that which the adversary's lawyer (Horn through the RTC) is doing in the case of my scribe. He is deliberately writing interpretations of "orders" and acting irrationally in order that response becomes a demand--which in each instance gleans a minimum of \$3,000--paid by the RTC within 10 days to the lawyer. I believe you are now requested to add some \$70 billion to the RTC fund and THIS IS WHY. The orchestration is to end up with total control of all property but, moreover, it is to add billions of dollars to the court system and the larders of the attorneys in the fray. There are millions of similar (to this

case) in litigation being handled in the same manner with postponements and continuations into infinity to allow for milking the agency and you, totally dry. It is up to you that which you will do about it but I suggest all attorneys who are appalled at this legal behavior speak up and maybe consider going back to Constitutional law. If you are in the legal system and wish to participate in the "network" of trained Constitutional lawyers, please contact the Center. You have become the laughing stock of the planet. Your nation has lost all integrity and respect and is recognized as "Little Israel" throughout the world. So be it and good luck, and I suggest you stop asking God

to give you "what you deserve as a humanitarian nation" or you MIGHT JUST GET WHAT YOU DESERVE AS THAT IS THE WAY THE DIRECTION SEEMS TO FLOW AND I BELIEVE YOU WILL BE MOST SURPRISED AT THAT WHICH IS RECEIVED.

Watch closely WHO crosses Bush and involves themselves with the hearings, etc. You will note a full-fledged onslaught of Khazarian power brokers.

By the way, citizens, being a Christian has nothing to do with any MAN, not even Immanuel (Jesus, as you call him). Christianity is a "state of being" and

you had best look at who, how, why, what, when and where you are no longer even allowed to bear your "christian" symbols--not even on your Holy Christmas. Separation of church and state? No, separation of you from God and even the memory, in time, shall be passed away as to what such a holiday was. Note that alongside the flag of the U.S. and U.N. flag on CNN when speaking of the Middle East conflict there is projected the Israeli (blue turban) flag--even when the subject does not so much as mention the label, Israel. All this while the Bear to the North waits. Ponder it most carefully.

"Stealth" Bomber

Let us not move on without a bit of humor. When you watch news programs what do you think? On CNN yesterday evening the subject and pictures centered on more "Stealth" bombers. The pictures were grand (and reruns of long past) and then the coup de gr s: "The stealth bomber can be seen on radar, etc., but it can't be seen well enough to shoot it down!" Is that something like being "...just a little bit pregnant"? By today they had "caught" the obvious idiot-ture and polished the presentation to look a bit better--although you cannot totally obscure such a big and expensive worthless piece of junk.

Next, comes announcement of moving the first shipments of toxic nuclear waste into the receiving center in New Mexico only to have a statement 15 minutes later that the project has been stopped for further investigation. It has only been in investigation for a decade so what else is new except robbery of your bank accounts?

your needs if you turn to where and who God IS and stop your seeking and believing AMONG MEN. God is WITHIN, not running around in a political or Biblical free-for-all. So be it.

The disinformation network

Let us move now to the subject of Soviets as being brought forth in this series of presentations.

The Soviets have tens of thousands of KGB agents world-wide devoted specifically to disinformation and propaganda in the world media. Of tens of thousands of KGB agents in America, James Tyson in TARGET AMERICA estimates that about 2,000 function within the US media. I support that number but only as to "minimum"--there are more. TASS, the Soviet official news disinformation agency, has bureaus in at least 126 countries--staffed almost exclusively by the KGB. And remember what I told you--you have more KGB members in your CIA than you have Americans.

The Novosti Press Agency has some 3,000 employees around the world (mostly KGB) who feed information and reports into over 4,000 information services worldwide. Novosti publishes thousands of books, two dozen illustrated magazines, in some 45 languages, in foreign countries around the world, 12 in India. Novosti publishes magazines and newspapers which are even printed in Libya, in 32 different African countries and distributes millions of copies of books, newspapers and magazines in Europe and North America.

The Soviets know that the best dissemination of propaganda lies in supplying properly edited TV news reels and newspaper galley proofs to Western media outlets. Westerners, in turn, are impressed that glasnost "allows" this and eagerly transmit or publish everything with no thought or questions as to the validity of the material--almost all of which is carefully prepared by the KGB and/or fronts thereof.

The TASS News Agency is the outlet on which all the world relies for its information about the Soviet Union. TASS produces tens of thousands of communiques, magazine and news articles, programs and commentaries each year, which appear to be unbiased and objective, but which are in fact clever, sophisticated disinformation or propaganda pushing the present Soviet thinking, strategy, or manipulations. These are in turn fed into tens of thousands of Western and Third World media outlets and reach an audience of billions of unsuspecting people worldwide.

This disinformation is virtually always what the Western, especially American, audience wants to hear. Presently it is dwelling on the collapse of the Soviet economy, the

dissolution of communist parties, chaos in Eastern Europe, the end of communist regimes, the dissolution of the Soviet empire, etc. All of these things are blatant lies as can be seen from the destruction in the Soviet "bloc". It is noteworthy that there is almost a total ABSENCE of any information on the Soviet military. You have some blatherings about slashing nuclear "stuff" which is just a foolish facade to distract you. THIS IS NOT BY ACCIDENT!

**SOVIETS ARE UNDERSTAT-
ING THEIR ECONOMY TO
ALLOW FOR THE "PRETEND
WEAKNESS/GET WESTERN
AID" DISINFORMATION
CAMPAIGN**

As late as 1988 there are published data showing amazing Soviet economic strength in many areas--strength that runs completely counter to all appearances that the USSR is a total economic basket-case. Come on, Americans, look at their own pictures. The touting is that everyone is destitute and starving--but look at the pictures of robust, well-groomed and carefully clothed ladies and men. Good jackets against the cold, even lovely

continued from previous page

stylish furs, etc. Then you will see a bunch of worn and shabby persons--usually those pictures are reused and reused for illustration. Forget it--don't you believe that they are also showing pictures of Americans in just the right manner to get what they want from you? They show affluence to show you have funds to give them and yet they show your corruption and homeless to impact when they point up the better system "they" have. YOU lead the pack with homelessness, for other nations provide housing and the numbers will increase to incredible numbers. The intent is to render the citizens helpless and dependent totally upon government for their very survival.

A few examples of Soviet versus American production numbers are noteworthy: Overall production is 80% of America's; natural gas production--139% of America's; iron (cast)--286% of America's; steel--214% of America's; iron ore--504% of America's; mineral fertilizers--162% of America's; tractor units--463% of America's; cement--168% more; cotton fabrics--293% more; woolen fabrics--515% more; sugar--149%; railway freight--273%; students in universities and colleges--83%; number of physicians--218%; beds in hospitals--369%--and the people can get medical care for free! YOU HAVE BEEN HOODWINKED, AMERICA!

Soviet grain production statistics for last year and this, have been vastly understated--they had crops which were plowed under because of lack of harvest interest. You have been led to believe that the Soviets are technical/industrial/financial buffoons. Phoo! They have Cosmo-spheres which are comparable to some alien cosmic craft. Over half of the engineers in the world are in the Soviet Union and apply themselves to their work and not to getting on the dole of pecking order and/or criminal deceiving. The average Soviet university graduate is so above and beyond in education than the average U.S. university graduate today that there is no longer any basis for comparison. Your students are being trained to

know nothing, much less engineering mathematics. The Soviets produce 2-1/2 to 3 times more world patents per year than do Americans. They already have a powerhouse based on "plasma" (not blood)--a self-generating powerhouse like the sun. But you fall hook, line and sinker for the lies and your own government publishes the lies for your consumption for they serve in conjunction with the aliens of the Soviet and Zionists.

If you "good" Mormons dislike my use of the word, I suggest you take note that your "church" is in total integration with the Zionists of Israel and are represented at the White House Level in the form of Brent Scowcroft and your Congressmen--your heritage from God has also been stolen and you awaken too late to help yourselves for your "religion" locks you into the "secret" society which destroys you. GOD IS OPEN AS THE LIGHT OF DAY!

The Soviets built the first nuclear power plant--you were much later. Chernobyl was a much older installation and you are headed for the same "time" related problems in your systems because you, too, utilize those plants for beam research and projections. In the 1950's, to look at other technology, the Soviets built a very capable nuclear powered "icebreaker". They are presently deploying a "Star Wars" type of space-based defense system that America has chosen to ignore and the reason becomes most obvious, does it not? They have operational space stations in outer space, on the moon, Mars and many other interesting placements--for military purposes (oh groan--). America cannot "afford" to put up one and if you do, the "big bear brother" takes it out. They have Cosmo-spheres which can annihilate anything you have in the air or on the surface or under the earth.

But for more "down-to-earth" examples, they have an operational rocket that lifts a 100-ton payload into outer space versus a 32-ton maximum rocket payload America can lift, a 3-to-1 edge in lifting capacity. They have built the largest military air transport in the world,

far larger than America's C5A Galaxy. They even developed the game America calls favorite--NINTENDO! Surprised?? They build a nuclear submarine worth over \$3 BILLION every SIX WEEKS that surpasses anything the American's produce. Their weapons industry is 5-10 times the size of your own, turns out weapons that in many instances are as sophisticated or moreso, than are yours and in 5 to 6 times the quantity of your own. And note, you are shutting down your industrial production plants and/or moving them abroad which is increasing unemployment to monstrous and incalculable levels.

Financially they may not be the incompetents you perceive them to be either, in that they always best you pricewise on large commodities deals--they are actually very sophisticated market operators, or manipulators. When they sell gold, as the world's third largest producer at least, they sell into strength to maximize their profits. All attempts to lower prices sufficiently to block sales become worthless measures. The Soviet economy is actually less vulnerable to the coming depression in the West than your own because they do not have a huge internal debt pyramid to collapse as you do--and they even got you to print and distribute the new "world currency" trial balloon! America's debt is 15 trillion and rising. Most Soviet debt is international--owed to the West and guess what--who gets stuck if they don't pay--which they won't, and you can't do a thing about it.

Furthermore, a major deflationary economic (price) collapse in the Soviet Union is unlikely because the government owns everything and controls all prices. People cannot dump assets or investments to get liquid--they don't own any! You on the other hand, precipitate a mandatory deflationary depression because of just the opposite. I don't care what your economists tell you--they also lie deliberately to save their own incomes and delude you into false security in a market that teeters on manipulated collapse. You always are asking me, "How much time do we have?" and "What

shall I do for protection?" I tell you what you might do to help and you go straight to that "broker" and he tells you otherwise and most of you turn from God to the broker, so don't bother me with the question. WHAT DO YOU THINK? HOW LONG DO YOU THINK THE SYSTEM CAN SUSTAIN ITSELF? WHERE DO YOU THINK YOU ARE IN THIS OBVIOUS WORLD GRAB? NEVER MIND WHAT I THINK--WHAT IN HEAVEN'S NAME DO YOU THINK?

The Soviets are not major exporters--they consume most of their production. But they ARE major importers, and import prices will drop sharply in a depression. The Soviet economy will be relatively insulated from a Western global depression.

Remember the point? I remind you: Sun Tsu, the Chinese military strategist whom the Soviet leaders idolize, said: "When at your pinnacle of strength, feign weakness."

The Soviets may not be at their pinnacle of economic strength for they never yet have been, but neither are they the economic shambles you believe them to be. Technically/industrially and financially incompetents which is portrayed is totally Soviet disinformation. They are very near the pinnacle in all facets and are so far head and shoulders beyond any other nation on the globe as to be considered such.

The reason the Soviets are seeking massive Western financial aid is not need, as much as the desire to destroy the fragile U.S. and Western economies by overstretching your resources. A hundred billion or more in international loans to the USSR suddenly defaulted (which is exactly the way it will be) would precipitate a total financial collapse in the West--only the bankers would win, especially those bankers working totally and wholly with the Soviets/Zionists/Khazarians--RE-MEMBER THE BANK OF INTERNATIONAL SETTLEMENTS IN SWITZERLAND??

More facts on Soviet false coup

As a refresher, I will speak to this issue again so that your perspective is not lost. On that beautiful Monday, August 19, Mikhail Gorbachev was ostensibly overthrown in a coup by military, KGB and Communist Party "hardliners" not satisfied with the results as things were going. Within three days, the coup fell apart, the eight coup leaders were arrested, or so it was stated, and Gorby was restored to power. While the Communist and world press as well as Bush and other Western leaders trumpeted the genuineness of the coup (which any fool [excepting politicians and liars] could see was a clumsy and stupid set-up) and counter-coup, let us note some very strange aspects to the entire affair that forces the conclusion that the coup was staged.

1. The U.S. and world press warned about the coming coup (and the next one) for several days leading up to August 19 and Bush even expressed "no concern or surprise". How often do real coup leaders give the international press advance plans and dates along with the blueprints? Western intelligence (who can't pinpoint nuclear weapons installations) knew of the coup several MONTHS in advance and love telling the story. In spite of the advance publicity of the

continued from previous page

I would say that from my observations, the Soviets are at the pinnacle of military strength and that strength is growing daily against the West. You had best go back and remember what one, General MacArthur once said: *"It is most dangerous to underestimate your enemy"*. Well, you have--as a people. Your government knows exactly what are the facts and continues to trade your nation and your lives for their own lofty evil position. Frankly told--as a working PART OF THE PLAN.

Remember what I told you: *Assume that everything is the opposite of what it appears to be. Also, keep in mind, that only if you still OWN THE GUNS, can you still own the country! BEWARE!*

coup, Gorbachev made no moves to head it off or avert it but rather, like Bush, went on to vacationland.

2. All of the eight coup leaders were Gorbachev appointees and confidants.

3. Coup leader Gennady Yanayev referred to himself only as "acting president" and spoke of Gorbachev returning to power after recovering from "his illness". By the way, none of the so-called "suicides" ever were presented in body-form. You will see some miraculous resurrections coming along any day now.

4. The coup leaders did not cut the internal or international communication lines--something which is ALWAYS DONE in a coup or revolutionary upheaval. In fact, Gorbachev even had his son take vacation pictures during the coup incarceration and continued with his speechmaking uninterrupted. Even the actor chosen to play his role was a poor imitation arriving at an airport--I am embarrassed for it would be hoped you were getting more sophisticated than accepting such blatant misinformation.

5. The coup leaders made no attempt to control the press--neither the Soviet nor the foreign press stationed in Russia--which had "complete access" to international phone lines throughout the coup and were encouraged to utilize same. The press expected to have no facilities so the Soviets told them the lines were open and would be made totally available without delays.

6. Anti-coup leaders such as Yeltsin had access to international phone lines and operations throughout the coup.

7. Only an embarrassingly minimal number of troops were utilized throughout the "largest and most important coup in history", and troops loyal to Yeltsin were sent to surround Yeltsin in the Parliament building.

8. The airports were ALL LEFT OPEN.

9. Water, electricity and phone lines in the Parliament building were never so much as interrupted.

10. In a legitimate coup, the KGB would have killed Yeltsin, Gorbachev and other reform leaders. The KGB is made up of not very nice people noted for their terror tactics. Do you believe that suddenly they all found God? No attempt was ever even made to arrest Yeltsin, but the coup plotters did arrest Godiyan, a well-known ENEMY OF GORBACHEV.

11. The only casualties were accidents! This was followed by hugging and kissing and celebration where some "disappear" for a while and the others are glorified totally out of all proportion. Coups are dirty business, friends, and with the KGB involved it would be total disaster and a bloodletting like the world has never yet seen.

The president of Soviet Georgia came forth after the coup and accused Gorbachev, openly, of having masterminded the whole thing, and over 65% of the Soviet people believe the coup was a fake. Even Eduard Shevardnadze said that Gorby "may have been behind the coup". Certainly the ones gaining--gained! You see, there is always the ego-trip that interferes with full non-disclosure for the perpetrators of such a massive production always tell on themselves for they want recognition of their cleverness--it is a sign of the adversary.

If Gorbachev could be seen as wresting control of the nation from reactionaries and restoring constitutional authority, his popularity and legitimacy among the people would rise. It was hoped that the coup and counter coup would quiet the restive Soviet people--holding out hope for improvement of their living conditions.

The coup and counter coup would raise the credibility of the Soviet reform/democracy/glasnost/perestroika movement in Western eyes, opening up the floodgates for even more financial and high tech aid. The "Bush's" of the world could

say: "See, our good friend, Gorby, and the Soviet forces of democracy just missed the hardliner's bullet"--now we REALLY have to help them if we want to see democracy and reform succeed and survive--Communism is dead".

The coup was to remind the West how wonderful Gorby really is. He was losing credibility due to his huge military buildup, his killing of people in the Baltics and thus and so. After the coup, he could blame all these indiscretions on the "hardliners" and go right on with the uninterrupted murders.

The "restoration of democracy" to the Soviet Union and the "demise of the hardliners" is now an excuse for the West to accelerate its disarmament and for the globalists in America, Europe, and the Soviet Union to accelerate the merger into the New World Order. This is all underway as we write. The coup and counter-coup are an excuse to launch a long overdue PURGE of hundreds of thousands of inefficient Communist Party, KGB or government bureaucrats--tens of thousands of whom will be shot or imprisoned. This purging of the Party has been done periodically since you financed the revolution in 1917. It is like pruning a tree or vine or flower to make it stronger by getting deadwood out. That Communist Party purge is now underway in the Soviet Union and the bloodshed is massive--hidden behind the lies.

The coup and counter-coup would be the excuse for reorganizing and renaming the Communist Party of the Soviet Union, the KGB, and the USSR itself. This strategy of reorganizing, restructuring, and streamlining the Soviet Union from top to bottom has been on the drawing boards for years. Under the impetus of the coup and counter-coup this restructuring will now be done in one huge quantum leap.

Another goal was to raise Boris Yeltsin to "superstar" so that he could be thrust into leadership if the

Middle East update. Part III

BY A.N.OTHER.

The extensive penetration of the U.S. by agents of the Israeli government was discussed by former CIA agent Bill Eveland, who courageously brought to light just how far this has gone in an article in MIDDLE EAST INTERNATIONAL. This was further augmented by John Erickson, a noted specialist on Israeli-Soviet affairs who wrote an article on January 15 1986, of which an extract follows:

"The Soviet Union (meaning the politicos in the Kremlin) and Israel have much closer ties than most people think. They want a presence there and are pushing this relationship as far as they can." He went on to say that secret relationships between Moscow and Israel had been going on since 1978. Actually, those contacts began in earnest in 1972 as already reported in these articles. There is some evidence that Ariel Sharon was the principle Israel-Soviet contact man. From Israel, the network penetrated into the heart of the U.S. government.

This is confirmed by the negotiations that took place in Cyprus where the bargain was struck that got the KGB to provide what Sharon called "warm bodies" to fill the West Bank. The KGB were to supply 400,000 "warm bodies" in the form of Soviet Jews in return for U.S. military intelligence provided initially by Jonathan Jay Pollard and his wife Anne Henderson Pollard. This plan has run into serious trouble as Soviet Jews, contrary to Western propaganda, are not persecuted by the Soviets, and in fact enjoy life in Moscow, and are not all happy about being forced to go and live in Palestine. We shall come back to that presently.

The post-Stalin development of ties between Israel and the Soviet Union was the result of the work of the Kuusinen-Varga Communist International clique which also gave rise to Yuri Andropov, a Soviet Jew who became head of the KGB and maintained connections with Israel

throughout his career. Andropov was a supporter of the proposal to ship "warm bodies" to populate the Zionist state of Israel. Behind this scheme was placed the prestige and power of Armand Hammer, Lord Carrington and Henry Kissinger, and the support of the Christian evangelical-fundamentalists.

The failure since 1917 of U.S. intelligence agencies to recognize Bolshevism-Marxism as variety of the doctrine of Freemasonry expounded by Mazzini who created the FIRST SOCIALIST INTERNATIONAL, has led to a whole series of blunders, (whether by design or whether contrived is of no import apart from the gross treason involved) which meant that the U.S. never came to grips with this serious problem.

Today, many foolishly believe this problem which became known as Communism, has simply evaporated. The U.S. apparently did not realize, or did not want to admit, that Bolshevism was simply an extension of Mazzini's efforts to further the cause of Freemasonry. As a former intelligence agent commented, "no intelligence agency worthy of its name could have blundered along in the dark for 74 years like we did without ever discovering that it was going in the wrong direction."

The foundation of Zionist Israel had many powerful backers and sponsors, not the least among who were the Black Nobility of Venice, the same ones who put Parvus in power in Russia through the Count Volpi di Misurata, the Luzzatto and Recanatis. The Recanatis run the biggest banks in Israel and are a law unto themselves. Later arrivals were former Socialist Kissinger and Lord Carrington whose expertise made it possible for land-grabbing on the West Bank to become endemic.

In a replay of the bombing of the King David Hotel, Sharon and his allies plotted to blow up the Al Aksa Mosque- the "Dome of the

people did not rally around Gorby. So, he packed up as if Soviet theater always has an understudy for the star ready to be brought on stage at a moment's notice--and so does the U.S. of A. in the event of Bush's demise--and it won't be little bird, Quayle.

The ones coerced into actually participating honestly in the coup were murdered, the others hidden away for the present time. Watch for the following: Kryuchkov, Yazov, Pavlov, Pugo, Yanayev, Baklanov, Starodubstev and Tizyakov. It will be far too much like a "Dallas" rerun of Bobby's shower scene. And do you still believe that errors of identification could not be made in your Holy Bible? Dear ones, get with the show!

It doesn't matter which as far as the Soviets are concerned--this is the Communist way of life--to double-cross and liquidate their own top leadership when appropriate to further their cause. They overthrew and killed Trotsky (in Mexico, yet); they purged and executed Bukharin (Lenin's closet associate and a "hero of the Revolution) in 1936 because he would not support Stalin's perestroika in 1936 and 1937; and they executed Beria, head of the NKVD, in 1956. Kryuchkov and friends may well suffer a similar fate--sacrificed for the long-term good of the Party--it simply remains to be seen.

ARE THERE PRECEDENTS?

Indeed, numerous precedents for this type of activity. There are numerous precedents for purges, duplicity, double-crosses, and brutal executions in Soviet history since 1917. You also witnessed your own nation in play in the blatant setting up of Saddam Hussein and the Iraqis. This is going on constantly right in front of your noses and you help and wave flags and send money. There is also a precedent for a false coup as well, in Russian history. It was in 1554 when Ivan the Terrible was Czar. Ivan became distraught over his inability to remake Russia in his image. The ruling class, the "old guard", tried to thwart him at every turn. Ivan also believed that the ruling class had murdered his wife,

Anastasia. So, he packed up as if to go on vacation (see, the play changes not), and once he reached his destination, he sent word to the ruling class elite that he was abdicating the throne.

This sent a shockwave of fear through the ruling class. The peasants would revolt and they would not get any help from Ivan's merchant class followers (these were Khazars by any name, as were the advisers to Ivan). So they sent word to Ivan--"Come on back, please--please!". He replied, "I will, but only on **MY CONDITIONS**." They thought about it and then decided it was the lesser of evils. Ivan returned to the throne and he renewed his reform efforts with much less resistance from the ruling class as he purged the troublemakers.

WHAT WENT WRONG?

You perceive that nothing went wrong? Oh dear me, yes, things went wrong to great extent. The people were supposed to rally a bit around Yeltsin but they were REALLY supposed to rally around Gorbachev. They did not! Many saw through the charade, and most would simply not forgive his six years of despotism. So, it could become advantageous to move Yeltsin and/or Shevardnaze to center stage. But remember our writings--both are hardcore, hidden Marxist-Leninists cut out of the same cloth as Gorbachev. Check out the proverb: "*The more it changes, the more it remains the same.*"

May we please take rest and then we will finish this writing even if it needs partial holding over until the next paper edition. Thank you. Dharma, I tell you so infrequently how much I cherish and appreciate your service for I, like human busy people, overlook that which allows us to prevail. You ones who work with me are so precious and you are the actual "other half" of our mission for **WE ARE NOT TO ACCOMPLISH THIS TASK WITHOUT YOU**. Man must come into KNOWING and so shall it be. Rock Mosque", actually the site of the Knights Templar's stables and NOT the site of King Solomon's Temple in Jerusalem. Al Aksa Mosque is Islam's second most holy place. Sharon calculated that such an act would create a "jihad" of Moslems against Israel, and he was confident that given the unlimited military and financial support of the U.S. and his Christian fundamentalist evangelical allies, Israel would be able to get rid of its unwanted Palestinian-Arab population in one fell swoop.

The plan was scrapped because the perpetrators were discovered by mosque guards while on the way to carry out the bombing. The resultant hue and cry put the plan on hold, and other ways were found to increase the Zionist stranglehold on Palestine to the point where today in 1991, only a handful of people still believe that Israel has occupied Palestine by stealth, by intrigue, by propaganda and by war.

That stranglehold was increased through land-grabbing of Palestinian and Arab lands. When this first began, a Palestinian lawyer, Aziz Shehata, who was engaged in defending the legitimate land owners, was stabbed to death on December 2, 1985. His murderer was never apprehended. The case that lawyer Shehata was working on involved a Palestinian family that had been deceived into selling 64,000 dunams of land near Ramon Kidiat. Shehata was at the time also acting as a back-channel between U.S. non-Zionist Jewish interests headed by former defense secretary Caspar Weinberger, who wanted peace in Palestine, and the P.L.O.

At that time the law was that Jews could not buy land from the original Palestinian owners. This particular family, who wish to remain anonymous for fear of reprisals sold the 64,000 dunams to an Arab. What they did not know was that the Arab was an agent for one Shmuel Einov, a key financial backer of Ariel Sharon. The land was then used to put up eight Zionist settlements for Block of the Faithful settlers.

The land scams continued, and one particular episode had wide repercussions. In August 1985, the Israeli police charged Shmuel Einov and Avraham Gindi with bribery, extortion and fraud. Both were prominent in land-grabbing deals of Arab and Palestinian lands. Investigations led to members of the Likud Party and particularly to Deputy Defense Minister Michael Dekel. From there the tracks were traced back to Ariel Sharon. ABC's Ted Koppel was called in to do a damage control operation, but all it did to trained observers was prove that land-grabbing had the tacit approval of the Moscow clique and their friends in the U.S. government in Washington, probably the descendants of the self-same "cosmopolitans" whom Stalin hated and mistrusted.

The plan called "ISRAEL'S GREATER DESTINY" got into high gear during 1986-1989 with increasing seizures by the Israeli military and land-grabbing agents like Einov. GREATER DESTINY was the code name for the Sharon-KGB plan to import 1.5 million Russian Jews into Palestine by the year 2010. It is this plan which is running into trouble, which I referred to early on.

Latest reports indicate an increasing reluctance by would-be immigrants to leave the Soviet Union, and some of those who have arrived in Palestine are having second-thoughts and are trying to head for the United States. Jews in Russia during the Bolshevik reign were never persecuted. In fact the KGB has a special unit which deals harshly with anyone who expresses hatred for Jews and or damages their property. Several synagogues flourished in Moscow, as they do to this day. On feast days, Jews take to the streets of Moscow in celebration. KGB guards stand outside their libraries, schools and synagogues.

This writer witnessed the screening of a West-European television documentary that showed the foregoing and a great deal more. Several Jewish leaders were interviewed and they stated that there was no persecution, in fact, Jews enjoyed freedom where Christians were outlawed. In an interview with a

learned rabbinical scholar, the interviewer was shown what was described as "the biggest collection of Talmud's in the world". The building housing the collection was under the protection of the KGB.

The interviewer spoke on camera with ten different Jewish families, all of whom said they had absolutely no interest in going to Palestine. All the families said they were comfortable and happy in Moscow and saw no reason to leave. Shortly after the documentary was screened on television for the one and only time, it was pulled, and all efforts to locate the film have been met with a no response.

Some of the families interviewed were Orthodox Jews. They detest Zionism and look upon it as a great enemy of Jewry and did not recognize the Israeli Zionist state. They said so in no uncertain terms. This fact has long been recognized by those of us who have spent years in studying the Jewish religion. In this connection, a remarkable broadcast took place over Radio Station WBAI-FM, New York on August 12, 1969. I just happen to have a transcript of it. This remarkable document runs to seven pages.

Obviously I can only touch upon it in this article, but it is my intention to clearly and fully explain the vast differences between Jews and Zionism, which I will take almost totally from Jewish and Zionist sources in a series of articles exclusive to this paper, starting with the next issue.

In any event, this remarkable broadcast was made by a member of Neturei Karta in Jerusalem and was datelined Tishri 5730. Here follows the opening statement:

"I am a member of the Friends of Jerusalem, the American affiliate of the world-wide Jewish Neturei Karta movement, the leadership of which is in Jerusalem. In commenting on Jewish affairs, no topic is more vital today than the clarification of the difference between Judaism and Zionism. All too many Americans are still under the impression that these terms are more or less synonymous--that being a

Jew means automatically to be a Zionist, and that this also implies a certain loyalty to the state of Israel. Let me therefore state right at the beginning that Judaism and Zionism are COMPLETELY INCOMPATIBLE (emphasis added) and mutually exclusive. IF YOU ARE A GOOD JEW YOU CANNOT BE A ZIONIST." (Emphasis added). The New York Times of January 29, 1970 carried another remarkable declaration in the form of an advertisement headed, "ZIONISM: THE ENEMY OF THE JEWISH PEOPLE."

It is the same attitude expressed by Russian Orthodox Jews interviewed by the West European television crew. The point I am making is that even unorthodox Russian Jews by and large have little interest in Palestine, for being Khazaris, they have no roots in there. After the initial rush to immigrate to Palestine, enthusiasm has waned, until today it has slowed to a mere trickle causing consternation among Sharon and his backers. It seems that some new "pogrom" will now have to be invented to pry Russian Jews from their comfortable existence in Moscow.

Quite a number of the second round of Russian Jewish immigrants have packed their bags and are heading for the U.S. after a stay of only a few weeks in Israel. Sharon thought he had circumvented this by sending the Jews directly to Palestine and not via Vienna as before. This was because formerly, fully fifty percent of those Jews who were granted exit visas for Palestine when these were hard to obtain, changed direction for the U.S. once they arrived in Vienna, their transshipment point for Tel Aviv.

So not all Jews support the Zionist state of Israel, although one would never know it judging from the pronouncements of leading U.S. Zionists and the President of the United States, his cabinet and the U.S. Departments of Justice and of State. The Christian fundamentalist-evenangelical movement led by the Reverend Jerry Falwell and Billy Graham are responsible for much disinformation and downright

Some thoughts on the Curse of Canaan

By Dr. J. Coleman

As I have said in the past, I do not hold myself out to be a theologian, but having said that I must add that I am an eager historian and my interest in genealogy is abiding. In the Bible, genealogy is given great importance, which is probably why Saul of Tarsus decreed that we should pay no attention to it.

I have read most of the various theories purporting to explain *NOAH'S CURSE OF CANAAN*. One such theory is found in a book of the same title authored by a writer who is well received among the Christian right-wing. There are a great number of improbable scenarios which dot *CURSE OF CANAAN*.

The basis of this book is the simple narrative found in Genesis 9:20

which largely concerns Noah's awakening from a wine-induced sleep having sensed that Ham, the father of Canaan, had seen his nakedness--whatever that may imply, but which is not explained in Genesis 9:20, and which caused Noah to be greatly offended.

We know that Noah reacted strongly against Ham's unexplained disrespect, in a manner that can only be described as unjust, because we read that his wrath was directed not against Ham, but against Canaan, a child who had been a bystander and not a participator in whatever it was that enraged Noah when he awoke.

Noah's desire to punish the child, in effect accused him of something he had not done, has to be regarded as irrational. All accounts of Noah

have him as a truly just man, so this would have been out of character for him. "Noah was a just man"--meaning also an enlightened man according to the Bible.

Yet here we have a number of writers, including the author of *The Curse of Canaan*, telling us that this enlightened man inflicted a curse upon Canaan, and we are asked to believe that herein lies the origin of the Negro. Inquiring minds--not disrespectful toward the Bible--look askance at this explanation, because it was NOAH who cursed Canaan, and not GOD. Moreover, the genealogy of Adam as described in Genesis clearly disallows that the Negro sprang from Adam.

It is important for us to remember this crucial point. Why? Because nowhere in the Bible can we find any reference whatsoever that God gave Noah the ability to curse ANYONE. A curse of the type attributed to Noah, which resulted in a drastic change in the appearance of Canaan, would come under the heading of a miracle. Search as I might, I was unable to find within the Bible any record of where God gave Noah a commission to perform miracles.

The Bible plainly teaches that He did not give Noah this extraordinary power, yet, if we are to believe *The Curse of Canaan* and the writers' of similar versions of the origin of the Negro, then we are to disregard God's teaching. According to *The Curse of Canaan*, God gave Noah power to perform the most marvelous miracle the world has ever known, but my question is where in the Bible can I find such a commission being given to Noah?

In the twinkling of an eye, a white-skinned youth (see description of Canaan contained in the British Museum and in Professor Bancroft's book *Native Races*) was transformed into a dark-skinned Negro. There are other writers who try to minimise the unacceptable miracle by maintaining that the change was not instantaneous but gradual, over a period of time. To me this would only serve to compound the absurdity of the explanation and make it

worse, not better! I can understand that such writers find themselves on the horns of a dilemma, for the account would give Noah credit for bringing into existence a law which accomplished the resulting product of his curse/miracle, which only God could possibly possess and which, nowhere that I can find, He delegated to Noah.

Both sacred and profane history contain accounts of God having cursed entire nations and even continents, but there is not a single instance where He changed the colour of a man's skin, which meant also his physical characteristics. Thus to accredit Noah with a power which God Himself never exercised, seems to me to be beyond the bounds of reason.

Diligent searching of the Bible failed to uncover any confirmation that God had any part at all in this rather shabby affair, which, on the contrary, was confined to Noah's family. How often we drag God into our affairs, when in reality He has nothing to do with things of our own making. God had nothing to do with the quarrel among Noah and his family.

To accept the premises laid out by the author of *The Curse of Canaan*, and not only this author but many others and would-be Bible scholars, is to accept that an ever-loving, kind, merciful God would give his consent to Noah venting his spleen against a young bystander, and then perpetuate this curse on the descendants of Canaan for an interminable length of time, without just cause. "Oh well", some have told me, "God must have used Noah as His instrument to carry out judgment upon Canaan." All very well and good, but where in the Bible does it say this?

The absurdity of this dubious account--for that is what I believe it to be--is shown up even further when we consider that there is no record of Noah cursing a White female and transforming her into a Negress to mate with Canaan, which would

falsehoods about the Zionist state of Israel, continually trying to tie it in with Judaism and the "return of the Jews to Palestine" which they link to rebuilding Solomon's Temple.

These Christian organizations are responsible for perpetuating that myth, which was revived by among others, Eduardo Recanati, of the ancient Black Nobility Jewish banker family of Venice. Recanati is the chief land purchasing agent for the Jerusalem Temple Mount Foundation. It is important to note that this foundation is responsible for spreading the legend among fundamentalist-evangelical Christians in the U.S. that once the Temple of Solomon is rebuilt, then the return of Jesus is imminent.

Recanati has all the money needed for this project, as I will demonstrate, yet to keep misled Christians involved, millions of dollars are collected from their flocks by Falwell and Graham for the Temple Mount Project. The sum of money said to be needed is \$100,000,000 which will be used to buy Arab properties in the Old City of Jerusalem, if the Arabs cannot be evicted by other means. Recanati founded the first Italian mutual fund, FONDITALIA, and has

stockholdings in score of Swiss banks. The Recanatis own the Israeli Discount Bank, the largest in the country, and they make no secret of being ardent Zionists.

The American Temple Mount Jewish Fund has connections that penetrate every government agency in Washington D.C. and stands high in esteem in Christian fundamentalist-evangelical churches, an almost unbeatable combination. Through the methods that I have outlined in this paper, the Zionist chokehold on Palestine is now so overpowering that anything the Israeli government does on the West Bank and in Gaza is completely acceptable to the U.N., President Bush, President Mitterand of France and Prime Minister John Majors of Britain. As matters stand, the Zionists have to all intents and purposes won complete control of Palestine, and it is only a matter of time before the Arabs and Palestinians, whose ancestral home it is, will be evicted and deported en masse.

This is the final article of a three-part series written exclusively for the *PHOENIX LIBERATOR*. Commencing next week, there will be another exclusive series on the vital differences between Judaism and Zionism.

Careful look at the King James Bible

By Dr. J. Coleman

My approach to the King James Bible takes me over thin ice, for most Christians believe the present Bible and all of the latest translations (spin-offs of the King James version) to be infallible. In the search for truth, one must often take the risk of offending others, although, as always, there is no intention of doing so and no offense is meant.

Great problems have been caused by the "infallibility" attitude. Did the Pilgrims carry a King James Bible with them? Did John Bunyan, Martin Luther read the King

James Bible? The answer is that they did not. The Bible they used was the Geneva Bible, published in 1560. A careful study of the King James Bible leads to the conclusion that it is more a government of King James document than a Bible.

This stems from King James being a real hard believer in "the divine right of kings". A little of the history of King James should cause all open-minded scholars to have second thoughts about the infallibility of the King James Bible. King James was the son of Mary Stuart, who ingrained "divine right of kings" into her son. Obviously, in a short work such as this, I can only

skim through her and her son's history.

Why did King Henry, Mary's husband, drag her secretary, an Italian casanova by the name of David Rizzo from the supper table and summarily have him murdered? According to some obscure records in the British Museum, Henry strongly suspected that Mary was having a sexual liaison with Rizzo. This was based upon evidence presented to him by some of his Scottish nobles. It would not have been her "first time" for she definitely "had an affair"--to use modern vernacular, with the Earl of Bothwell.

Mary taught her son, who may have been the offspring of her union with David Rizzo, that he ruled by the power of God handed down directly to him. Why is this important? Because if it were true, then James

needed only answer to God and totally ignore the wishes of his subjects. From such conceptions tyranny soon raises its ugly head.

King James abhorred the Geneva Bible because it disputed the "divine right of kings" and because of notes gainsaying this, inserted in the margins by John Knox. During the time of James, religion was controlled by governments. This is still true today in such countries as Denmark, where the Lutheran Church is the official government church and priest's salaries are paid by the state. Although Denmark is more enlightened and does not punish those who disagree with the Lutheran Church, King James on the other hand had such "heretics" burned at the stake or beheaded.

have been absolutely necessary for Noah to do before Canaan could have begotten dark-skinned Negro progeny.

Thus, without a second curse, as these authors and Bible students want us to believe, Canaan would have been the first and last Negro on earth, unless of course, Noah cursed another innocent person, this time a White female, (of which there is no record in the Bible), making the whole "Curse of Canaan" a little awkward to reconcile. No thinking person can simply accept the Hamatic origin of the Negro. The Negro is not a descendant of Adam.

Did the curse work upon the descendants of Canaan? While the Israelite descendants of Shem (no connection between them and Jews), were in captivity in Egypt, Canaan's descendants lived in "a land flowing with milk and honey". True, they were later dispossessed by the Israelites, not because of Canaan, but because of their wickedness as a nation (Deut 9:4). The United States will also be dispossessed "For the wickedness of those nations".

God never sanctioned Noah's curse, therefore, it could not have been effective. To me it would seem that Noah's curse was merely the angry verbal retaliation of a man coming out of his cups, for something Ham had done to him while he was sleeping. The explanation of Ham being the father of the Negro is absurd and is in fact anti-scriptural and irrational, and for this reason it has been rejected by leading theologians of ancient and modern times.

After the Deluge, Noah and his sons maintained dominion over the earth, including all animals and the Negro. This is recorded in the ancient book *Popul Vuh*, which says that the Negroes and Noah and his sons "lived together in great peace". This is hardly what one would expect to find if Canaan had been cursed by Noah. Professor Bancroft's great historical work *Native Races* Volume V, page 548, bears this out. Bancroft's findings do not support the curse Noah allegedly placed on Canaan and nor do the cosmogonies, and in my view, neither does the Bible.

How high was the number of Jewish victims?

(From German Newspaper)

Completely independently from the data of Jews which was published by Dr. Perlzweig, Head of the Political Department of the World Jewish Congress, in No. 211 of the "Basler Nachrichten" on the number of Jews who fell victim of the anti-Semitism of the Nazi regime in Europe, we received the following explanations from a correspondent in the United States with the title "How high is the number of the Jewish victims"?:

Almost all states (with the significant exception of the Soviet Union!) released in the meantime the official numbers of their war casualties - resulting in the astonishing fact that these losses were significantly lower than the ones of World War I.

It is more surprising that there have not been released so far any official numbers regarding the losses of the Jewish people except only private and semi-official estimates. These estimates range - probably accord-

ing to a centralized propaganda figure - from 5 to 6 millions of dead persons which the Jews allegedly have suffered as a consequence of the persecutions of the Hitler system and the war. If this figure is right, the losses of the Jews would be larger than the losses of England, the United States, Australia, Canada, New Zealand, France, Belgium, the Netherlands, Denmark, Norway, and Luxembourg together. This makes the comprehension double difficult that one is satisfied with a mere estimate of the tremendous figure of losses. But a summarized overview shows that the number of Jewish victims cannot be right. Considering the strange lack of official documents which has been mentioned before one can examine the question today only on the account of general present data.

According to this data the number of the Jews in Europe outside the Soviet Union - was in the year of 1933 approximately 5.6 million, a figure which was released by the American Jewish Conference (according to a report in the "New York Times" on January 11, 1945!). - From this figure approximately 1 million has to be subtracted for Jews who lived east of the Molotov-Ribbentrop-line and

therefore, were totally outside the persecution of the Hitler system before the 21st of June, 1941 and who fled after this date mostly together with the retreating Red Army into the interior of Russia and into Siberia. Even if we assume that approximately only half of the Jews living east of the Ribbentrop-Molotov-line were able to rescue themselves from the invasion of the Nazis, we gain a stable basic figure which is recognized by the highest Jewish authority to start from a Jewish total population in Europe of 5 millions of Jews who could have gotten under Hitler's influence.

But one has to subtract immediately the Jews who were living in the neutral countries of Europe. According to the "World Almanac 1942", p. 594, the number of Jews was in these neutral, not by Hitler invaded countries, respectively: in Gibraltar 868, in England 300,000, in Portugal 1200, in Spain 4000, in Sweden 6653, in Switzerland 17,973, in Ireland 3888, and in Turkey 78,730 together: 413,128.

Therefore, the number of Jews that could be "seized" by Hitler and Himmler in Europe is reduced to

In spite of his murderous behaviour, the introduction to the King James Bible refers to "Good King James". Well, a rampant homosexual, which James was, and one who beheaded his subjects who did not subscribe to his "divine right of kings," is not a good man, at least in my opinion. His other ugly habits, besides murder and sodomy, (history shows that his preference was for young boys, which his Venetian backers capitalised on), was rolling in the blood of animals he killed on hunts. King James was also a vicious sadist. He delighted in personally attending to "witches" punishment in which he sometimes took part. These are matters of record, which can be found in the British Museum.

No sooner had James ascended the throne than he was approached by a group of Venetian Byzantine financiers who desired the Geneva Bible to be rewritten. King James was only to pleased too comply with their request, which they backed up with sexual favours and gold, as he hated the Geneva Bible. His "version" was completed in 1611 and only about 25% of the Geneva Bible was retained in it.

The so-called translators, knowing full well the sadistic, murderous blood-lusting character of their king, would not have dared to include anything from the Geneva Bible that would have offended James. In actual fact, there was no revision of the Geneva Bible. What the "translators" did was copy William Tyndale's 1525 New Tes-

tament and "modify" it to suit the king and his pipers.

One of the most profound changes occurred in Genesis 12:3, in which the King James Bible appears to teach that the Jews are the seed of Abraham, whereas the Geneva Bible makes it perfectly clear that they are not. Another big change is found regarding the person of Satan, who is described in the Geneva Bible as simply "the adversary".

There were so many changes made to the original Bibles, Tyndale's 1525 New Testament and the Geneva Bible, that it is safe to conclude that the King James Bible represents only about 25% of original truth. After the Venetian bankers had finished with it, through bribery and corruption, sexual deviate favours for King James, deliberate omissions, a well-grounded fear of bringing down the wrath of the king upon the heads of the "translators", and alterations to key texts, the King James Bible was severely compromised.

It is no wonder that we are in the state we are in today, when 90% of Christian churches teach the Venetian Khazarian fable that the Jews are God's chosen people to be revered and protected, and that Jesus Himself was a Jew, as found in the pages of the King James Bible.

Jewish victims: How many were killed? Continued from previous page.

ca. 4.5 millions. From this figure one has to subtract the tremendous stream of refugees which spread into all countries and continents in the years from 1933 to 1945. With the great international support which was rightfully given to this stream of refugees of endangered Jews a significantly high percentage of Jews was able to reach a safe port.

Unfortunately, we do not have exact official statistics on the immigration of Jews into North and South America, Australia, Asia as well as into the neutral countries of Europe. Since the assumption, however, is legitimate that from 1933 onwards at least 80% of the classified immigrants in the rubric "Germans, Austrians and Polish" were members of the Jewish people and since the beginning of the war probably almost the total number of these immigrants were Jews, the compiled summary from various sources (among others from the Jewish newspaper "Aufbau") results in the following picture of the Jewish immigration from 1933 to 1945:

To England ca. 120,000, to Sweden ca. 25,000, to Switzerland ca. 60,000, to Spain and Portugal ca. 5000, to Canada ca. 60,000, to the United States ca. 450,000, to Central America ca. 75,000, to South America ca. 225,000, to Australia ca. 15,000, to China (Schanghai) ca. 35,000, to India ca. 25,000, to Africa ca. 45,000, to Palestine ca. 300,000. This is a total of ca. 1,440,000 or approximately 1.5 millions.

Any throng going into the vast areas of the Soviet Union and Siberia has not been taken into consideration since there are no statistics. It has to be noted, however, that according to a report in the "New York Times" more than 500,000 Polish Jews fled alone to Siberia, as a lecture by a Jewish lady returning from there recently revealed.

The number of Jews who were actually subjected to Hitler's sphere of influence is reduced through this to

3 millions at the most. Unfortunately, the lack of exact numbers also includes the number of surviving Jews in Europe and even the extensive report of the British-American Palestine Committee is surprisingly satisfied with "estimates." According to this estimate the number of Jews living today in Europe (outside the Soviet Union) is 1,559,660.

Thus, the result according to this statement which is not based on new official numbers, the fundamental numbers of which originate, however, from official sides shows that as a total less than 1.5 millions of Jews have to be declared "dead or missing."

One has to hope that a significant percentage of this number will be located then there will be exact

statistics. Considering the tremendous importance which the "total destruction of the Jews" gained in the world opinion it is of utmost necessity that the United Nations initiate an official examination committee in order to find out how high the figure of victims of the Jewish people is really.

Protocols of the Learned Elders of Zion. Part III

Continued from
the previous issue...

These laws will withdraw one by one all the indulgences and liberties which have been permitted by the *goyim*, and our kingdom will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any *goyim* who oppose us by deed or word.

We shall be told that such a despotism as I speak of is not consistent with the progress of these days, but I will prove to you that it is.

In the times when the peoples looked upon kings on their thrones as on a pure manifestation of the

will of God, they submitted without a murmur to the despotic power of kings; but from the day when we insinuated into their minds the conception of their own rights they began to regard the occupants of thrones as mere ordinary mortals. The holy unction of the Lord's Anointed has fallen from the heads of kings in the eyes of the people, and when we also robbed them of their faith in God the might of power was flung upon the streets into the place of public proprietorship and was seized by us.

Moreover, the art of directing masses and individuals by means of cleverly manipulated theory and verbiage, by regulations of life in common and all sorts of other quirks, in all which the *goyim* understand nothing, belongs likewise

to the specialists of our administrative brain. Reared on analysis, observation, on delicacies of fine calculation in this species of skill we have no rivals, any more than we have either in the drawing up of plans of political actions and solidarity. In this respect the Jesuits alone might have compared with us, but we have contrived to discredit them in the eyes of the unthinking mob as an overt organization, while we ourselves all the while have kept our secret organization in the shade. However, it is probably all the same to the world who is its sovereign lord, whether the head of Catholicism or our despot of the blood of Zion! But to us, the Chosen People, it is very far from being a matter of indifference.

For a time perhaps we might be successfully dealt with by a coalition of the goyim of all the world: but from this danger we are secured by the discord existing among them whose roots are so deeply seated that they can never now be plucked up. We have set one against another the personal and national reckonings of the *goyim*, religious--and race hatreds, which we have fostered into a huge growth in the course of the past twenty centuries. This is the reason why there is not one State which would anywhere receive support if it were to raise its arm, for every one of them must bear in mind that any agreement against us would be unprofitable to itself. We are too strong--there is no evading our power. *The nations can not come to even an inconsiderable private agreement without our secretly having a hand in it.*

Per Me reges regnant. "It is through me that Kings reign." And it was said by the prophets that we were chosen by God Himself to rule over the whole earth. God has endowed us with genius that we may be equal to our task. Were genius in the opposite camp it would still struggle against us, but even so a newcomer is no match for the old-established settler; the struggle would be merciless between us, such a fight as the world has never yet seen. Aye, and the genius on their side would have arrived too

late. All the wheels of the machinery of all States go by the force of the engine, which is in our hands, and that engine of the machinery of States is--Gold. The science of political economy invented by our learned elders has for long past been giving royal prestige to capital.

Capital, if it is to cooperate untrammelled, must be free to establish a monopoly of industry and trade; this is already being put in execution by an unseen hand in all quarters of the world. This freedom will give political force to those engaged in industry, and that will help to oppress the people. Nowadays it is more important to disarm the peoples than to lead them into war; more important to use for our advantage the passions which have burst into flames than to quench their fire; more important to catch up and interpret the ideas of others to suit ourselves than to eradicate them. *The principal object of our directorate consists in this: to debilitate the public mind by criticism; to lead it away from serious reflections calculated to arouse resistance; to distract the forces of the mind towards a sham fight of empty eloquence.*

In all ages the peoples of the world, equally with individuals, have accepted works for deeds, for *they are content with a show* and rarely pause to note, in the public arena, whether promises are followed by performance. Therefore we shall establish show institutions which will give eloquent proof of their benefit to progress.

We shall assume to ourselves the liberal physiognomy of all parties, of all directions, and we shall give that physiognomy a voice in *orators who will speak so much that they will exhaust the patience of their hearers and produce an abhorrence of oratory.*

In order to put public opinion into our hands we must bring it into a state of bewilderment by giving expression from all sides to so many

One thing is today already sure: The statement that the number amounts to 5 to 6 millions (a statement which is also adopted by the Palestine Committee) is incorrect. The figure of the Jewish victims can range from 1 to 1.5 millions, since there were not more "seizable" to Hitler and Himmler. However, one has to assume and to hope that the final figure of losses of the Jewish people will be less than this number. We need clarity--and therefore, an examination through an independent committee of the UNO should find out such an important truth for the present time and the future.

The Central Office of the International Red Cross (IRK) in Geneva started in the June of 1946 when the article above in the "Basler Nachrichten" attracted a lot of attention a compilation of a statistic which based on official documents gives a relatively exact overview over the casualties of the Second World War after ten years of work. In May 1956 after the end of the examinations the IRK published its final report. It reads there, under the subtitle "The Losses of the Civilian Population"

contradictory opinions and for such length of time as will suffice to make the goyim lose their heads in the labyrinth and come to see the best thing is to have no opinion of any kind in matters political, which it is not given to the public to understand, because they are understood only by him who guides the public. This is the first secret.

The second secret requisite for the success of our government is comprised of the following: To multiply to such an extent national failings, habits, passions, conditions of civil life, that it will be impossible for anyone to know where he is in the resulting chaos, so that the people in consequence will fail to understand one another. This measure will also serve us in another way, namely, to sow discord in all parties, to dislocate all collective forces which are still unwilling to submit to us, and to discourage any kind of personal initiative which might in any degree hinder our affair. *There is nothing more dangerous than personal initiative; if it has genius behind it, such initiative can do more than can be done by millions of people among whom we have sown discord. We must so direct the education of the goyim communities that whenever they come upon a matter requiring initiative they may drop their hands in despairing impotence. The strain which results from freedom of action saps the forces when it meets with the freedom of another. From this collision arise grave moral shocks, disenchantments, failures. By all these means we shall so wear down the goyim that they will be compelled to offer us international power of a nature that by its position will enable us without any violence gradually to absorb all the State forces of the world and to form a Super-Government.* In place of the rulers of today we shall set up a bogey which will be called the Super-Government Administration. Its hands will reach out in all directions like nippers and its organization will be of such colossal dimensions that it cannot fail to subdue all the nations of the world.

PROTOCOL NO. 6

Monopolies; upon them depend the fortunes of the goyim. Taking of the land out of the hands of the aristocracy. Trade, Industry and Speculation. Usury. Rise of wages and increase of price in the articles of primary necessity. Anarchism and drunkenness. Secret meaning of the propaganda of economic theories.

We shall soon begin to establish huge monopolies, reservoirs of colossal riches, upon which even large fortunes of the goyim will depend to such an extent that they will go to the bottom together with the credit of the States on the day after the political smash...

You gentlemen here present who are economists, just strike an estimate of the significance of this combination!

In every possible way we must develop the significance of our Super-Government by representing it as the Protector and Benefactor of all those who voluntarily submit to us.

The aristocracy of the goyim as a political force, is dead--we need not take it into account; but as landed proprietors they can still be harmful to us from the fact that they are self-sufficing in the resources upon which they live. It is essential, therefore, for us at whatever cost to deprive them of their land. This object will be best attained by increasing the burdens upon landed property--in loading lands with debts. These measures will check land-holding and keep it in a state of humble and unconditional submission.

The aristocrats of the goyim we shall bring to the assistance of speculation the luxury which we have developed among the goyim, that greedy demand for luxury which is swallowing up everything. *We shall raise the rate of wages which, however, will not bring any advantage to the workers, for, at the same time, we shall produce a rise in prices of the first necessities of life, alleging that it arises from the decline of agriculture and cattle-breeding: we shall further under-*

mine artfully and deeply sources of production, by accustoming the workers to anarchy and to drunkenness and side by side therewith taking all measure to extirpate from the face of the earth all the educated forces of the goyim.

In order that the true meaning of things may not strike the goyim before the proper time we shall mask it under an alleged ardent desire to serve the working classes and the great principles of political economy about which our economic theories are carrying on an energetic propaganda.

[Hatonn: Is there truly any doubt that this has been accomplished?]

PROTOCOL NO. 7

Object of the intensification of armaments. Ferments, discords and hostility all over the world. Checking the opposition of the goyim by wars and by a universal war. Secrecy means success in the political. The Press and public opinion. The guns of America, China and Japan.

The intensification of armaments, the increase of police forces--are all essential for the completion of the aforementioned plans. What we have to get at is that there should be in all the States of the world, besides ourselves, only the massing of the proletariat, a few millionaires devoted to our interests, police and soldiers.

Throughout all Europe, and by means of relations with Europe, in other continents also, we must create ferments, discords and hostility. Therein we gain a double advantage. In the first place, we keep in check all countries, for they well know that we have the power whenever we like to create disorders or to restore order. All these countries are accustomed to see in us an indispensable force of coercion. In the second place, by our intrigues we shall tangle up all the threads which we have stretched into the cabinets of all States by means of the political, by economic treaties, or loan obligations. In order to succeed in this we must use great cunning and penetration during ne-

gotiations and agreements, but, as regards what is called the "official language", we shall keep to the opposite tactics and assume the mask of honesty and compliancy. In this way the peoples and governments of the goyim, whom we have taught to look only at the outside whatever we present to their notice, will still continue to accept us as the benefactors and saviours of the human race.

We must be in a position to respond to every act of opposition by war with the neighbors of that country which dares to oppose us; but if these neighbors should also venture to stand collectively together against us, then we must offer resistance by a universal war.

The principal factor of success in the political is the secrecy of its undertakings; the word should not agree with the deeds of the diplomat.

We must compel the governments of the goyim to take action in the direction favoured by our widely-conceived plan, already approaching and desired consummation, by what we shall represent as public opinion, secretly prompted by us through the means of that so-called "Great Power"--the Press, which, with a few exceptions that may be disregarded, is already entirely in our hands.

In a word, to sum up our system of keeping the governments of the goyim in Europe in check, we shall show our strength to one of them by terrorist attempts and to all, if we allow the possibility of a general rising against us, we shall respond with the guns of America or China or Japan.

[Hatonn: Everybody together so far? Please keep in mind that these Protocols were and are in continual update according to time and sequence. As continents and nations came into "being" the plan was immediately altered to encompass the contribution and structure from onset so as to never allow total freedom in which to function outside the actual blueprint of the Protocols. Although America did not exist in the attention of the Zionists

in the original times of writings, it most certainly did by the time of Nilus in the ongoing updated versions, addendum's and amendments.]

PROTOCOL NO. 8

Ambiguous employment of juridical rights. Assistants of the masonic directorate. Special schools and super-educational training. Economists and millionaires. To whom to entrust responsible posts in the government.

We must arm ourselves with all the weapons which our opponents might employ against us. We must search out in the very finest shades of expression and the knotty points of the lexicon of law justification for those cases where we shall have to pronounce judgments that might appear abnormally audacious and unjust, for it is important that these resolutions should be set forth in expressions that shall seem to be the most exalted moral principles cast into legal form. Our directorate must surround itself with all these forces of civilization among which it will have to work. It will surround itself with publicists, practical jurists, administrators, diplomats and, finally, with persons prepared by a special super-educational training *in our special schools*. These persons will have cognizance of all the secrets of the social structure, they will know all the languages that can be made up by political alphabets and words; they will be made acquainted with the whole underside of human nature, with all its sensitive chords on which they will have to play. These chords are the cast of mind of the *goyim*; their tendencies, shortcomings, vices and qualities, the particularities of classes and conditions. Needless to say that the talented assistants of authority, of whom I speak, will be taken not from among the *goyim*, who are accustomed to perform their administrative work without giving themselves the trouble to think what its aim is, and never consider what it is needed for. The administrators of the *goyim* sign papers without reading them, and they serve either

for mercenary reasons or from ambition. [Hatonn: Anyone wish to take exception to the foregoing?]

We shall surround our government with a whole world of economists. That is the reason why economic sciences form the principal subject of the teaching given to the Jews. Around us again will be a whole constellation of bankers, industrialists, capitalists and--*the main thing--millionaires, because in substance everything will be settled by the question of figures.*

For a time, until there will no longer be any risk in entrusting responsible posts in our States to our brother-Jews, we shall put them in the hands of persons whose past and reputation are such that between them and the people lies an abyss, persons who, in case of disobedience to our instructions, must face criminal charges or disappear--this in order to make them defend our interest to their last gasp.

PROTOCOL NO. 9

Application of masonic principles in the matter of re-educating the peoples. Masonic watchword. Meaning of Anti-Semitism. Dictatorship of masonry. Terror. Who are the servants of masonry. Meaning of the "clear-sighted" and the "blind" forces of the *goyim* States. Communion between authority and mob. License of liberalism. Seizure of education and training. False theories. Interpretation of laws. The "undergrounds" (metropolitans).

In applying our principles let attention be paid to the character of the people in whose country you live and act; a general, identical application of them, until such time as the people shall have been re-educated to our pattern, cannot have success. But by approaching their application cautiously you will see that not a decade will pass before the most stubborn character will change and we shall add a new people to the ranks of those already subdued by us.

The words of the liberal, which are in effect the words of our masonic

watchword, namely, "Liberty, Equality, Fraternity", will, when we come into our kingdom, be changed by us into words no longer of a watchword, but only an expression of idealism, namely, into: "The right of liberty, the duty of equality, the ideal of brotherhood." That is how we shall put it--and so we shall catch the bull by the horns. . . . *De facto* we have already wiped out every kind of rule except our own, although *de jure* there still remain a good many of them. Nowadays, if any States raise a protest against us it is only *pro forma* at our discretion and by our direction, for *their anti-Semitism is indispensable to us for the management of our lesser brethren*. I will not enter into further explanations, for this matter has formed the subject of repeated discussions amongst us.

For us there are no checks to limit the range of our activity. Our Super-Government subsists in extra-legal conditions which are described in the accepted terminology by the energetic and forcible word--Dictatorship. I am in a position to tell you with a clear conscience that at the proper time we, the lawgivers, shall execute judgment and sentence, we shall slay and we shall spare, we, as head of all our troops, are mounted on the steed of the leader. We rule by force of will, because in our hands are the fragments of a once powerful party, now vanquished by us. *And the weapons in our hands are limitless ambitions, burning in greediness, merciless vengeance, hatreds and malice.*

It is from us that the all-engulfing terror proceeds. We have in our service persons of all opinions, of all doctrines, restoring monarchists, demagogues, socialists, communists, and utopian dreamers of every kind. We have harnessed them all to the task: each one of them on his own account is boring away at the last remnants of authority, is striving to overthrow all established form of order. By these acts all States are in torture; they exhort to tranquility, are ready to sacrifice everything for peace; but we will not give them peace until they openly acknowledge our international Super-Government, and

with submissiveness.

The people have raised a howl about the necessity of settling the question of Socialism by way of an international agreement. *Division into fractional parties has given them into our hands, for, in order to carry on a contested struggle one must have money, and the money is all in our hands.*

We might have reason to apprehend a union between the "clear-sighted" force of the *goy* kings on their thrones and the "blind" force of the *goy* mobs, but we have taken all the needful measures against any such possibility; between the one and the other force we have erected a bulwark in the shape of a mutual terror between them. In this way the blind force of the people remains our support and we, and we only, shall provide them with a leader and, of course, direct them along the road that leads to our goal.

In order that the hand of the blind mob may not free itself from our guiding hand, we must every now and then enter into close communion with it, if not actually in person, at any rate through some of the most trusty of our brethren. When we are acknowledged as the only authority we shall discuss with the people personally in the market places, and we shall instruct them on questions of the political in such wise as may turn them in the direction that suits us.

Who is going to verify what is taught in the village schools? But what an envoy of the government or a king on his throne himself may say cannot but become immediately known to the whole State, for it will be spread abroad by the voice of the people.

In order not to annihilate the institutions of the *goyim* before it is time we have touched them with craft and delicacy, and have taken hold of the ends of the strings which move their mechanism. These strings lay in a strict but just sense of order: we have replaced them by the chaotic license of liberalism.

Human opinion versus GOD-KNOWING

10/1/91 SANANDA

Greetings, my little dove, Druthea. I AM Sananda. Many of you may know me by the labels of Jesus Christ, Esu, Isa, Immanuel, The Pale Prophet, etc. These labels are mostly of human input for ones desiring to "define" mineself, who came as a man upon your place over some 2000 years past in your counting.

I was actually born and given the label, Immanuel, also spelled Immanuel and Emmanuel. The term means, "God with us". My inherited name, given of Our Father, God/Aton is SANANDA, meaning "One With God". The one you call in your so-called Holy Bible, Paul the Apostle, who was actually Saul of Tarsus, changed my name to Jesus Christ, which means "The Anointed". This one was not of my disciples. He was most confused and completely misunderstood mine teachings of God and Creation. And so because of his confusion, he has passed along mis-teachings in what many of you precious ones believe to be MY name, (Jesus Christ) which was NEVER my name in reality.

I AM now come, along with many of Our Father's Hosts, to set the record straight. You may continue to believe the lies of your adversary, also called "Satan", if you so choose, for Our Father Creator, whom I call Aton, meaning "The One Light", gave you, each of His children, FREE WILL, to choose for yourself.

I have not returned in physical compression TO YOUR PLACE at this time. I know not the time of my return. Only our One Creator Aton knows. I AM Spiritual Guardian along with my brother, Archangel Michael, of developing earth-human species. You, dear ones, are not our only "charge". We have many other planets and the humans thereon within our charge of responsibility.

The degree of God-knowing accomplished upon your plane will determine the level of my ac-

complishment as well, for this is mine final "testing" upon these dimensions. You are my little brothers and I desire to bring you into God's Mansions, that you may experience the Glory of LIFE beyond the often painful and confusing limitations granted by earth physical incarnations.

Today, our subject is *Human Opinion versus God-Knowing*. You see, precious ones, "opinions" are simply conclusions drawn by you ones through your physical sensing experience. You ones form opinions most often from the EFFECTS you experience or observe. An opinion is not drawn from KNOWLEDGE. Let us see what your dictionary says:

Opinion: 1. *A conclusion or judgment held with confidence, but falling short of positive knowledge.* 2. *An expert judgment given formally.*

So you see, chelas (students of life), everyone can have a differing opinion about let's say, what happened at MINE crucifixion and why, but the reality is that very, very few of you who were there remember. You all can have an opinion about Hatonn and what you believe his intentions to be, but you cannot KNOW until the fruits of his work become obvious. And even THEN, many will deny THE TRUTH for sake of PRIDEFUL opinion.

You all form opinions about one another constantly in your interrelationships. In every circumstance you experience, you form an opinion. That is, until you desire TO KNOW God within you. Then your human opinions will fall aside along with human ego limitations, to make room for GOD-KNOWLEDGE to unfold.

Also realize, chelas, most human judgments are reached by hanging tightly onto opinions you've formed, without forming the desire TO KNOW. Often it takes work to discover The Truth about any circumstance. And many generations

have experienced passing on their formed opinions from one generation to the next within the family structure.

IF you were born, for example, in a Southern Baptist household and were constantly indoctrinated as to HOW you should think and believe, you will most likely have had difficulty questioning the belief structure, especially when your questions were not appreciated nor accepted by your elders.

Many of you ones have escaped the chains of a "belief" structure which was imposed upon you-- to find Self and God within you. Also many ones of you even went to an extreme of rebellion and became "so called" Atheists, having become completely disheartened by the "faith" of your parents.

I repeat what I told you ones when I was human those many years past, *"I and My Father are One. Know Our Father within you for there lies the Kingdom of Heaven."* You will experience in your ignorance and continue to form your human opinions and judgments until the DESIRE is great within you to KNOW The Truth and Father Within. Then you will not longer ask, in ignorance and superstition, what God can give you and what God can DO for you, but instead you will say to Our Father, *"Please show me Father, what I must do to sustain in only YOUR service that I may be an honorable reflection of YOU in every thought, word and deed. Not MY will Father, only let THINE will be done."*

In this way you will give back unto God so that He can regive unto you. You then, precious ones, are well on your road to responsible co-creation with God-Knowing.

ONE TRUTH, MANY EXPRESSIONS THEREOF

I am repeating the words of wisdom expressed recently by my brother, Hatonn. There are not MANY truths, only ONE. You each will express and manifest life to the de-

gree of understanding and comprehension of The Truth. You will respond to circumstances and other humans based upon your adherence and comprehension of God's ONE law, which is BALANCE, in all transactions. (Also called RYTHMIC BALANCED INTERCHANGE.)

All the Laws written by Our Father and explicitly expressed within *"The Phoenix Operator-Owner Manual"* allow focus and choice of adherence to God's One Law of BALANCE. When you defy any of those laws you create unbalanced circumstances of which you will reap the consequences. This is why we effort to encourage you to find and KNOW Cosmic Spiritual Truth and remember The Laws given forth for Human experience, because ignorance will not prevent or excuse you from the consequences of defying Cosmic (nature's) Law.

I say REMEMBER the Laws because YOU are born KNOWING them. That is, of course, as long as you have the gift of soul conscience from our ONE Creator.

So you see, you have freedom of loving balanced expression in co-creation with God as long as His ONE LAW of Balance is not defied.

For example, I will discuss The One Truth about immortality. Immortality means no end to existence and therefore on-going life somewhere within the ONE MIND of God. It is simply birth and rebirth.

Death, as you observe it, is simply a transition of the soul. The soul does not end or die. Although it can return to or be refolded back into the One Mind of Our Creator. There may be many opposing opinions of that truth, but it matters not, for it is THE TRUTH and it is best to KNOW it than to deny it by self-delusion and opinion.

WHAT ABOUT LOVE?

God IS LOVE. The Father/Mother sex conditioned divided lights of His thinking come from His

continued on next page

continued from previous page

Knowing. From His Knowing comes His One Desire, Love expressed in Motion of which his divided thinking CAUSED. And then, of course, a return to the rest or voidance within God's mind.

This simply means no illusion of separation is experienced. Only God-Knowing and God-Love. Again, I suggest you carefully read the *Phoenix Journals* called, *The Pleiades Connection Series*, Volumes 1-8. There within, my beloved brothers, Hatonn and Germain beautifully and explicitly express, from the KNOWING of Aton, the details regarding the nature, structure and workings of God/Aton and His Creation.

For those of you of mine precious ones who truly DESIRE to know THE ONE Truth, we give forth the information (in over 40 Journals now) to allow for your unfolding. You must understand that your unfolding will occur in direct relationship to the degree of your DESIRE to KNOW God within you. YOU, therefore will determine by comprehension of THE LAW of Balance and the Level of LOVE you hold within, through God-Knowing,

the degree of responsibility for co-creation which you will express.

PREFERENCE VERSUS OPINION

I wish to further clarify the difference between what you ones might call "preference" and opinion.

Preference involves choice of expression for enjoyment, comfort or beauty. It does not mean that if you prefer the color blue that red is evil or bad or lesser. Or if you prefer to grow roses, that carnations are less beauteous. If you decide carnations are less beauteous or that red is ugly, that then is your opinion, for in God-knowing, you would know the unique beauty of each flower in His Creation, as well as the unique beauty of each color in His spectrum coming from the ONE Light.

In other words, you may have preference and still appreciate the equal beauty of ALL expressions which may seem different or unusual.

Now we come to "preference" which does involve defiance of Cosmic Laws of Balance. You have ones who have coined a term called "sexual" preference which is a label given to qualify sexual be-

havior practiced by same-sex individuals. I don't care how you qualify your behavior, or what you prefer regarding it, THE TRUTH is that Homosexual SEXUAL behavior is SERIOUS defiance of COSMIC Law. Sexual behavior has NOTHING to do with giving LOVE. And to choose behavior which degrades and damages the human body, as well as calling it love, which degrades the human soul, will cause inner torment and painful demise of the ones who practice same.

We, of God's Hosts, will not sanction behavior which defies His Laws! The quicker you ones KNOW and live the Truth, the quicker you will free yourselves from the adversary of physical illusion!

Can you LOVE a person of same sex? Of course. We speak of sexual exchange PHYSICAL behavior. LOVE is not at all related to sexual behavior as many of you have come to believe.

Even in your heterosexual unions there is almost NO sexual expression practiced with GOD-LOVE! What happened to RESPONSIBILITY? It is amazing that for ten

minutes of "pleasure" responsibility is seldom even considered. And then when a child is conceived, "Oh my," says the couple, "We don't want this child." WHY DID YOU NOT THINK OF THIS BEFORE YOU JUMPED IN INBETWEEN THE SHEETS TOGETHER? Instead you ones often choose or "prefer" to KILL, yes MURDER, the unborn babe. You ones can deny THE TRUTH throughout eternity, but until you stand responsible for self and choices and until you start including GOD in your decisions, you will struggle with the consequences of your choices made in ignorance of God's LAWS.

So in closing on "preference", let me say that you may prefer to listen to Mozart, or grow roses today, but don't leave out the option of listening to Beethoven or growing carnations tomorrow. Learn to enjoy and APPRECIATE ALL the variety of beauty given of our Creator God--from the tropical rain forest to the desert--and you will find *much* enjoyment and peace in your LIFE journey, whether it be physical or non-physical.

And of course, make sure ALL of your preferences include GOD and adherence to His Laws of Balance. In this way do many more doors open into the experience of the Kingdom of Heaven within you, instead of being shut into limitation and disharmony by the self-imposed intolerance, which comes from ignorance of NOT KNOWING and NOT SERVING GOD who exists WITHIN you. So be it.

I AM Sananda, One With God, in His service within Creation. May these words give you CAUSE to ponder your journey more fully and awaken within you GOD-KNOWING to replace the old and worn-out opinions which serve none save the adversary who would keep you from YOUR Divine Spiritual Inheritance. Walk together, one with the other, all "races" and "religions" in Knowledge, Peace, Tolerance and Love that balance can be restored through UNITY of common values in GODLINESS. Thank you for your service, my precious little dove, Druthea. I love you dearly and am so very pleased to have you as one of my blessed scribes. Salu.
