THE NEW WORLD ORDER CHURCH
or. THE ONE WORLD CHURCH ORDER

The author of the material we will be using comes from first-hand experience of this "system" that has eaten away at the fiber and joints of the world to the point that most will feel there is no beginning and certainly no ending possible. This is not true for each thing had a beginning plan, and as long as the plan can be hidden from everyone except the actual participants—you live in an illusion. When you find the blueprint of the structure and can read the blueprint—you can build yourself a building and, at the least, recognize the building codes required to have been presented to hide truth.

Even the labels are false in order to distract and deceive. We

will hear and read "Jewish Zionism" and immediately the mind goes to the WRONG CONCLUSION for these perpetrators of deceit are neither "Judean Jewish" nor interested in Zion other than the thought of one world, one religion, one CONTROL point of domination. Since we have written seemingly with no end, I will allow the author to present his own material, reasons and experience which led him to research and uncover FACTS—and facts

Living Each Day In Light And Joy

12/11/95 #1 HATONN

MOSTLY WE DON'T UNDERSTAND HOW IT IS

As we move through our days in whatever journey might lay before us we find that our enthusiasm only can match the moment of each day. By this I mean that we begin to look to the possibilities of that which lays beyond this experience and ponder that which may yet come into our consciousness. We do this to the extent that we often miss that which is so beautiful at the time of experience.

Dharma asked me this morning if we could write on something loving and simply offer appreciation so that she could address her Season's Greetings and Thank Yous and have meaning in her cards to somehow express what is so grateful in her heart. She asked that we offer something BACK to each who has so fully and graciously shared with us for, without your love, out there, there would be no "project" here. Without the hands which pick up the daily writings there would be no journals, no paper—no ability to share in this wondrous purpose.

We have our beloved friends in such as Dave Overton but you don't realize, Dave, that YOU have brought us far more than an effort at sharing your gold pieces with us. You have allowed for some to make their choices which EACH must do. You have allowed experiences through the courts and efforts of many to DO THE RIGHT THING. You cannot purchase such gifts of knowledge and realization. You have, in such an around-about-way, shared your friends and your integrity of a lifetime with us—through the most circuitous of routings. You, in your humble realization, have been a part of a journey of truth and works and words shared such as Calvin's with us. You became the contact of familiar people and places that enrich our lives and build our credibility. WE MUST HAVE CREDIBILITY LEST NO ONE REACH OUT FOR TRUTH.

Ones such as Dave softly speak to us from his cot in a nursing home—but Dave, have you not EARNED some care in your shadow years to simply bless and allow those around you to learn from that vast experience you have opportuned to express? Can you not allow others to now GIVE BACK a bit of that which allows them and us to feel worthy of our own passage? At this very moment I must take care that I speak not the wrong words and alert our very enemies to those who relate to you and bring them into focus. Perhaps, son, your works might be considered "over" by yourself—but they are NOT for through you and with you come others whom we MUST HAVE to finish our own work. I did not come forth to DO YOUR WORK FOR YOU—ANY OF YOU. I came to MAKE SURE YOUR work and truth found expression, and in that expression the confirmation comes of that which I have been sent to lay forth before the people that they have opportunity to fulfill the promises made by our Creator for our generations. WHAT WILL BE THE LEGACY OF JUST "OUR" GENERATION? Well, because of your

gifts of such a variety of input—our LEGACY will be that of the GREATEST MANKIND WILL HAVE EVER KNOWN! When a person is not shackled by EGO and when the Ego is lost to the central identity of a person—the person can grow beyond all boundaries of limitation for he shall no longer recognize success or failure in the HUMAN sensing—he BECOMES, he IS, and he only has to measure his own "intent". Sometimes ones are blessed with a long time of ability to ponder upon his life-stream and anticipate that which will come, for when man puts aside his ego and merges with ALL that is God's—he has no limitations and CREATES his destiny for himself unhampered by that which others always try to attend, get, offer, demand or desire. When the heart, mind and SOUL are offered without restriction unto our Father Creator—we become perfection and God gives BACK TO US the wondrous direction for service and precious gems beyond our ability to see and comprehend—AND IT BECOMES "FINE" FOR THEN AND ONLY THEN ARE WE FREE! God truly is THE SOURCE that allows us ROOTS as deep as infinity and yet offers us wings and FREEDOM to fly to the outmost reaches of the Universe. When we remain in HIS GOODNESS we can have NO LIMITS. He backs off and allows us to express and experience and He weeps or rejoices in our wonderment of growth. He forever holds His hand beneath us to keep us from floundering upon the rocks as we stumble along our learning paths. He then becomes the wind and currents of LIFE that fills our sails and lifts our wings that we may soar and reach the very heavens.

There is no AGE limitation—only a fatigue which then allows most to want to go "home". But I wonder about that, friends: are you just wanting to stop your curious research for you sense you need to move on OR are you giving up the most precious and productive years of your existence because you think selves too old, too infirm, too unworthy or just want to cop-out and not finish your work? You who have talents, equipment—even that which may SEEM outdated, and yet stop your work and leave it untouched, simply packed away in storage somewhere so that NO ONE is able to use it—you err greatly—FOR IT WAS THE EQUIP-

MENT AND TRUTH BEFORE THE USURPERS OF TRUTH AND ADVANCED TECHNOLOGY TOOK THE ABILITIES AWAY FROM YOU AND RE-CIRCUITED THEM TO FACILITATE THE VERY INTENT OF THE ADVERSARY OF GOD. If you can no longer USE that which is acquired by you—can you not give it to those who can set up antennas, build frequency "boxes" and offer mankind alternatives to his imprisonment and enslavement?

Ones ask, "Why me?" They also ask, "Why me at my old age?" WHY NOT YOU?? You who are on the yonder side of the mountain are the ONLY ones who can remember—who can KNOW the way it was and, looking back, SEE where, when and what WENT WRONG WITH THE INTENT AND DIRECTION OF MAN ON YOUR PLANET.

You who are sick, can you not GET WELL and serve your mission, your purpose—GOD? Must you ENJOY such passing attention to the point of dying just to prove you are worthy of someone's love and a bit of attention? Even a naughty child will do mischief and injure himself to get attention. Can you not get the RIGHT KIND of attention unto self—TO HEAL SELF? Illness is the greatest "escape from responsibility" of all things known and unknown. The adversary plays to your holding card of illness and death—by offering you the "plum" of incurable illness to offer you death. GOD OFFERS YOU LIFE—AND YET SO MANY CHOOSE INFIRMITY AND DEATH.

I repeat something here that I want all of you who call me friend to hear, please: If you choose to be SICKLY and refuse to do your work of healing and MOVE OUTSIDE YOUR EGO SELF-NESS—I have sympathy for you the first few days of illness and then after that I only have sympathy for your caretakers! Don't even tell me your sad plight and don't even bore your family members with it—for you have made your choices to offer this tyranny of pain upon THEM as you relax in your bed of thorns, pricks, sickness, and crippled selfishness.

If you are "incarcerated" in a place where you cannot have the help from God in whatever form, GET UP AND GET OUT WHERE YOU CAN CONTROL YOURSELF AND THAT WHICH HAPPENS TO YOU. Too old? Too tired? No, you are too lazy to do your job, for people who WORK and rejoice—get tired; people who are elderly have finally lived enough to hold VALUE in the very brains between the ears which could bring a world out of darkness. No, do not give me the old "too tired" or "too old" for I AM OLD AND I AM NEITHER!

Dharma now complains and tells me that I am harsh and she asked for a Spiritual message. Well, this is IT. Get up off your old-age catch-all, your "too sick" catch-all, your "I don't know how" catch-all and do YOUR PURPOSE. Stop being in your state of boredom and self-pity and get up and become involved. SHARE THE GIFTS OF YOUR SPECIAL MIRACLES AND KNOWLEDGE WITH US ALL—DON'T MAKE "US" DO ALL YOUR RESPONSIBLE THINGS. AND, DON'T SUFFER FOR "US"—WE DESERVE THE RIGHT TO SUFFER FOR OURSELVES! Please pray

for our success for we are praying HARD FOR YOURS. Why should YOU have the privilege of transition BEFORE us? Why do you deserve to escape responsibility and not us? Get up and carry your own load or, at the least, help us to carry yours AND ours.

Does Dharma have choices to make? It seems she has none to make but this is not so—she has a big one right now before her—to send this message she petitioned—or bury it so as to not offend anyone on her Christmas Card list! God does not ask: “Do you love me enough to die for me?” That is a silly question designed by God’s adversary. GOD ASKS: “DO YOU LOVE ME ENOUGH TO LIVE WITH ME?” Ponder it for the words from the opening in your lower face with the wagging thing in it that forms words—MEAN NOTHING. It is that intent within SOUL which tells the truth about you. You must share your miracles of LIFE to allow them to be miracles. Actions are the guidelines of judgment of a man or a woman for they reflect that which IS within the deep reaches of a MAN’S MIND and usually are that which is forgotten for it seems unworthy or too private.

I am asked constantly about this teacher or that teacher, this leader or that leader, this guru or that guru and on and on, as if my declaration will make a whit of difference. They are YOUR teachers, for I need only ONE. I KNOW WHEN I AM RIGHT WITH GOD and SO, TOO, DO YOU! If I comment on a person or a teacher—you still only have no answer for self, only my opinion by which you can then “judge” me. No thank you. YOUR GREATEST TEACHERS ARE YOUR MOST DEVOUT ENEMIES AND IT IS FOR YOU TO UNDERSTAND THAT FACT. It is when you can reflect and show truth IN GOD in the face of adversaries and adversity that you KNOW YOU CANNOT FAIL. There is NO WAY TO FAIL—WITH GOD CREATOR—FOR ONLY GOD CAN CREATE WHILE ALL ELSE USES HIS THINGS CREATED TO EXPRESS. Your enemy’s evil, intent or action, can NOT stand in the light of TRUTH and Godly intent. It has no fuel with which to continue to burn and must return to the darkness of colleagues in kind and limitations of secret bindings to survive. It can only dwell in the dark frequencies of ignorance and evil acceptations and expectations built on ego recognition of actions, which are bound to a flesh-and-bone presentation. You can be king of the hill—but the kingdom will fall in the first sufficient wind storm, rain storm or until the next “king” comes along. GOD IS THE REALITY OF ABUNDANCE (A-BUN-DANCE). What does this mean in great profundity? Get off your Assets and move your Buns and DANCE YOUR DREAMS AND GODLY INTENTIONS AWAKE! GIVE LIFE AND STOP GIVING ONLY DEATH AS YOUR GIFT UNTO HUMANITY AND BACK INTO THE FACE OF GOD! You must accept God’s gifts to allow them to be gifts—for only in the receiving can a gift be reality. There requires at least TWO to make an “object” a gift—a passer and a receiver. If the object is “taken” it is theft and certainly not a gift. If the object is refused it is an uncompleted pass—and is not a gift. It takes two in attunement to have a TRUE GIFT. Once passed and accepted the gifter (passer) must release his bondage to the gift and yet, the receiver has responsibility and obligation to use that gift in every intent to be worthy. This is why I see no sense in giving “gifts”, say at Christmastime, which are returned, exchanged or tossed out. Those are not gifts—and it would be better to simply give funds and cut down on your own pressures. That does not mean the “thought” is less—it means the “intelligence” is matching the thought. In that which is gifted in LOVE, there is appreciation from the receiver that cherishes the article chosen and the funds presented—and the gift is complete. Of course “if the gloves don’t fit”—go get the size that DOES.

I have the same feeling about court documents and questions on depositions—BURY THE OPPOSITION IN TRUTH. Write PAGES filled with truth for the opposing lawyer will never know what to do with the

TRUTH, the WHOLE PILE OF TRUTH, and will be confounded by the massive tale and resource of input. They want the whole story? Give them the WHOLE story. What else can a poor ignorant “citizen” do under the confusion of the LAW? You see, the opposing attorney then has to give the WHOLE truth to the judge or explain WHY HE CHOSE TO NOT DO SO! He also has to follow up on all the old and obsolete addresses and phone numbers. He wants to follow the false information of the “enemy”—then put him to work and his clients to the expense of playing his game. If you don’t know how to play the Adversary’s game—you had best get shrewd enough to do so. If your own attorney will not allow you to do this—then get rid of your attorney! To better make sure the Judge KNOWS the WHOLE truth, since modern courts do not allow hearings—make sure you have a REASON to make the WHOLE document a PART OF THE RECORD AND MAKE SURE IT IS DONE IN SUCH A MANNER AS TO REQUIRE THE JUDGE TO STUDY IT and the jury HEAR it. This is FAR WISER input than you might at first realize—THINK ON IT! TAKE THE POWER AWAY FROM YOUR ENEMY! MOST ESPECIALLY IF YOU HAVE “LOST EVERYTHING” AS WITH EKKERS—YOU HAVE GAINED GOD, AND THAT, AFTER ALL IS SAID AND DONE, MEANS YOU HAVE ALREADY WON. ONLY THE DEBATE AWAITS. IF YOU HAVE NO MORE THINGS TO POSSIBLY “LOSE”, YOU HAVE ONLY THINGS TO “GAIN” AND THAT GIVES YOU FREEDOM OF ACTIONS BEYOND THE RECOGNIZED LIMITATIONS OF “FEAR”.

To make a document a matter of record there are at least THREE acceptable ways to accomplish the task. Even attorneys should know at least one of them. And, again, there are always the “choices”. The point is,

which choices will YOU make? What is the worst thing that can happen? The Judge rules against you? So, what ELSE IS NEW? Can’t you have FUN along your pathway? I promise you that if you play your game well—YOU WILL HAVE JOY. WHEN YOU DECLARE YOUR FREEDOM AND INDEPENDENCE—YOUR ADVERSARY AND OPPONENT HAS LOST THE GAME.

Now, Dharma, since we have to work on these other things—it matters not whether our FRIENDS and LOVED ONES get a picture card before or after the “holidays”, DOES IT? You will be too busy writing the WHOLE story for Mr. Horn and the Judges to address the pretty picture envelopes and we can publish this in the paper and share with our enemies as well and DO SOME GOOD ON THIS DAY.

Take each day, each task, as the GAME IT REPRESENTS. Live in the challenge of the moment as you tear down the mysteries into viable life-forms. Bring truth from the taunting lies and you shall have that gift beyond all gifts—the acceptance of LIGHT within your being and expression. GOD ALWAYS WINS THE GAMES!

In love and totality of you whom I cherish so greatly, I offer that which I AM, for I have nothing else to give and perhaps you will learn—there is nothing else worthy enough for our sharing into the reaches of the infinite. We must, therefore, enjoy and treasure that which IS while we have human senses to appreciate it ALL. This includes the perceived “bad” as well as the “good” for, in the choices and definitions within—ONLY with “both” can you learn TRUTH and hold LIGHT.

The LIGHT IS! Hold it as your treasure and you shall never find darkness in your path—EVER.

I bid you good morning and I pray you will now get up from your stagnation and LIVE. Salu.

REAL ESTATE AND MORE...

Real Estate In Another State: One thing that is wonderful about Nevada Corporations is that they can own real estate in any state in the country without having to register with that state. As long as that corporation is not buying and selling properties frequently in a particular state, they are free to hold as much real estate as they want.

This can save a substantial amount of money for a corporation that holds property in California where they charge an out-of-state corporation \$1200 to register.

Protecting Personal Savings: If you are trying to protect money you have in the banks, here is an important strategy you may want to consider. There is a bill now that has already been approved and when it is passed, it will limit FDIC insurance to \$100,000 for all of an individual's bank deposits no matter how many bank accounts they have. This is ready to go into action now. Up until now, you have been able to spread it out, not in just branches, but you could go into one major bank and put in \$100,000, then go to an entirely separate bank and put in another \$100,000 and then another \$100,000 in a different bank and ultimately you would be able to get \$300,000 or more covered. With this new bill they will only be guaranteeing \$100,000 for all of your accounts together. So one strategy is to set up one new Nevada Corporation for each \$100,000 that you have, and this could turn out to be a very inexpensive insurance plan in these uncertain times.

Trusts vs. Corporations: For those who are unsure what exactly a trust is, here we will give you a simplified definition: A Trust is a right of property, real or personal, held by one party for the benefit of another.

A trust then is a Contract in which an individual (called a Settlor, Creator, Trustor or Grantor) transfers property, either real or personal, to one or more Trustees, to be held or managed for one or more Beneficiaries.

Time and again we are asked whether a trust or a corporation is the best form of ownership. From one end of the country to the other, I have heard why one is better than the other. We are professionals in the world of corporations and not in the world of trusts, so with that in mind, we will share with you some of the understanding that we have gained in our exposure to both.

When deciding whether to utilize a trust or a corporation, one needs to consider carefully all of the given specifics of the situation in which they are considering using the trust or corporation. Some of these specifics are: cost, public exposure, privacy, use of the entity, and tax position. There are, however, some situations where a combination of trusts and corporations work well together.

From a lay perspective, corporations are generally much more accepted and understood. Unlike trusts, there are very few different types of corporations. When setting up a corporation, you are only confronted with selecting "Profit or Non-Profit" and "C-Corp. or S-Corp." When looking at trusts, it can become quite confusing deciding which type is best for your situation. There are Living Trusts, Common Law Trusts, A-B Trusts, Grantor & Non-Grantor Trusts, Statutory and Non-Statutory Trusts, Irrevocable and Revocable Trusts, Business Trusts—also called Unincorporated Business Organizations (UBOs), and the list goes on. From this perspective alone, you can see how there is much more to be aware of when working with a trust. It is very important to work with an experienced individual when creating a trust.

One of the most serious concerns that we have about either form of ownership, is how they are viewed by the courts. Clearly, corporations are better understood by the courts than trusts, but this does not necessarily mean they are better. One of the most alarming articles that I've read regarding the asset protection strength of today's more popular trusts, was written in

the *Low Profile*, October 1994 newsletter. This article, entitled "Some Trusts Can't Be Trusted", went into the recent boom of trust promoters around the country. The trusts that are being most commonly sold by these promoters are called: Common Law, Massachusetts Business Trusts, UBOs, Pure, Equity, and Family Preservation Trusts. The article states that "Promoters of such trusts misrepresent the law and conceal that courts have consistently ruled that such trusts were shams lacking in economic substance and invalid for tax purposes." This last statement, about trusts being invalid for tax purposes, caught my attention because so many patriots today use these trusts to protect their assets when taking a stand against taxation. Because these trusts are used commonly by tax protesters and the untaxed, I fear for their future. The article went on to say that "The courts have repeatedly ruled that these trusts provide absolutely no liability protection against the claims of personal creditors or the IRS."

With this in mind, let's continue. Once an individual becomes experienced with trusts and corporations, there are benefits to layering assets with multiple trusts and corporations where ownership of an asset is meant to be obscured. It is my opinion that trusts do have their place. Trust are less expensive to create and maintain. Trusts, unlike corporations, don't have to pay the state for their existence, so if you know how to set up a trust, or can find someone that is not going to overcharge you, they can be very inexpensive. I have found however, that most promoters of trusts overcharge for their services and their trust packages.

Because of the courts' past decisions allowing creditors and the IRS access to trusts, we would advise not using trusts except in specific situations and not by themselves. We have not run into a case yet where a properly run Nevada Corporation has been broken into by the courts. In fact, in a very recent case involving a very stringent testing in a Nevada state court, the Nevada Corporation held firm in every aspect, moving "case-law" precedent in a very pro-Nevada-Corporations direction. With so many large corporations in this country operating and successfully separating the liability of a corporation and its owner(s), the odds are that corporations will maintain their strength into the future, and especially so in Nevada.

SAVVY LAWYERS MAKE MILLIONS FROM PRO BONO CASES

It's time to take a second look at those philanthropic lawyers! From the November 29 issue of the *WALL STREET JOURNAL*, [quoting:]

SAN FRANCISCO—As the legal elite looked on, partners of Wilson Sonsini Goodrich & Rosati stepped up to receive a coveted plaque: the state pro bono award for lawyers who provide "extraordinary" services to the poor "with no expectation of being paid". Wilson Sonsini won for a case that led to sweeping reforms at California's notorious Pelican Bay State Prison. But unmentioned at last year's poolside reception was the fact that Wilson Sonsini could expect to be paid very well. Because the case was brought under a law that lets attorneys collect fees from the state, Wilson Sonsini's pro bono project will yield a sum worthy of the firm's rich corporate clients: \$3.5 million. [These guys must be alumni of the "Rockefeller School of Philanthropy".]

Pro bono publico, it turns out, can mean big business. Contrary to the popular image of attorneys donating their time, many law firms have taken advantage of so-called fee-shifting statutes that offer a financial incentive for bringing cases that promote public policy. ["Public policy"—sounds like another sneaky euphemism like "peacekeepers".] Fee-shifting laws allow victorious attorneys to bill the opposing party—typically a government entity—at their usual rates. The net result: Firms taking on certain pro bono cases can quietly take in big money even as they reap a public-relations windfall. Indeed, Wilson Sonsini initially asked for \$7.6 million—and fought a five-month battle with the state before agreeing to the lower amount. "The fee aspect had nothing to do with our motivation for taking the case," says David Steuer, a partner. [Now he's doing what lawyers do BEST!]

PUNITIVE DAMAGES: VIGILANTE JUSTICE BY CIVIL SUIT

Richard Grenier takes a shot at the jury system in his column in the November 27-December 2 issue of *THE WASHINGTON TIMES, NATIONAL WEEKLY EDITION*, [quoting:]

The American system of "punitive" damages, as in the recent case of an Alabama doctor awarded \$4 million to supplement the pain and suffering inflicted on him by a \$600 paint imperfection on his new BMW, is viewed by the rest of the civilized world as somewhere between preposterous and demented. A Dallas jury recently awarded a "wrongfully terminated" executive \$124 million, nicely covering his salary for the next 1,240 years. In Washington, a mother left her baby in a sink. His pre-school-age brother injured him by turning on the hot water. And the mother received a \$15 million settlement from the building owner and water-heater manufacturer.

America's punitive damages are a flagrant anomaly. Although assessed by the common-law tort process—the goal of which is compensation for actual injuries—punitive damages nowadays are imposed for the purposes of criminal law: deterrence and retribution. But the punitive-damage system lacks almost every single protection of criminal justice, in which punishment can be imposed only by responsible public officials [Ooooooh! An oxymoron!] in keeping with clear legisla-

tive standards [Another one!]. Defendants in criminal cases, moreover, are protected by a huge array of constitutional safeguards, while defendants in punitive-damage suits have virtually none. [The safeguard IS the jury, to whom Mr. Grenier refers as "uninformed, irresponsible, unaccountable..." Another safeguard is shallow pockets—a well-planned corporate structure in Nevada, perhaps? (Listen up, O.J.!)]

As the idea gained ground in the late 1970s that the judiciary was a marvelous way of redistributing wealth, juries began imposing punitive damages with ever-increasing frequency, in ever-escalating amounts and in an ever-widening spectrum of cases: environmental, defamatory, product liability, medical malpractice, sexual harassment, "wrongful termination". [In other words, an ever-increasing number of law school graduates in need of work!]

THE "GAY GENE" REVISITED

This excerpt from Cal Thomas' column appeared in the November 13-19 issue of *THE WASHINGTON TIMES, NATIONAL WEEKLY EDITION*. The subheadline reads: "Never has it been more necessary for the public to analyze the information it receives from the media. Increasingly, when it comes to homosexuality, the press cannot be trusted". [Quoting:]

The "discovery" of "new evidence" of a "gay gene" was trumpeted on the front page of *The Washington Post* as a scientific breakthrough equivalent to a cure for cancer. But the story is another exercise in the uncritical "reporting" by most of the major media when it comes to homosexuality and an example of the loss of credibility the press suffers when it climbs into bed with an advocacy group. The story quotes another "study" by Dean Hamer, a molecular biologist at the National Cancer Institute (NCI). One might ask why federal funds targeted for cancer research are being diverted for another purpose, but *The Post* doesn't.

The Post fails to mention that Dr. Hamer's widely trumpeted 1993 "gay gene" study is under investigation

for alleged fraud by the federal Office of Research Integrity and that a colleague of Dr. Hamer has charged that Dr. Hamer selectively reported data in ways that enhanced the study's thesis. Nor does the press report on Dr. Hamer's own homosexuality, which might indicate to some readers that Dr. Hamer has a bias in favor of discovering a biological cause for homosexual behavior. Press stories don't mention that Dr. Hamer was reassigned to other areas of research, such as smoking and cancer, after ethical questions arose.

[After pointing out the many flaws in Hamer's research, Thomas aims some well-directed arrows at the press:] Hamer once told a meeting of Parents and Friends of Lesbians and Gays, "If you tell the press what to write about a scientific study, they'll write it." Why has most of the press become a shill for the gay rights movement? Fear is one answer. Most liberals don't want to be labeled "intolerant" and shy away from any moral code that doesn't support their political comfort level. But perhaps the main reason is that the establishment media have developed a relationship with the political objectives of gay rights activism that has shamefully compromised their ability to report objectively and fairly on the issue. [And why is that?: The establishment media is owned by the "establishment"—the power elite Khazarians, who have carefully crafted the destruction of this nation. Homosexuality, their own lust-of-choice, has been programmed into this scenario.]

FLU INOCULATIONS LEAD TO AIDS SCARE

From the December 4 issue of *NAVY TIMES*, [quoting:]

WASHINGTON—An AIDS scare ripped through New Orleans on Nov. 17 after an HIV-positive service member was found to have gone undetected through an inoculation line at the Naval Reserve Force headquarters. [Ooops!] Navy corpsmen were administering flu shots with air guns and syringes to hundreds of active duty and active reserve members of all five services. [INOCULATIONS are doubtless a lot more dangerous than "the enemy".] But they stopped the air-gun inoculations after they realized the infected individual had received his flu shot from one of the autoinjection "jet guns", instead of a sterile needle.

"We stopped using (the guns), the doctors reviewed the procedures being followed and interviewed the people using the guns," said Lt. Cmdr. John Singley,

Firing line: The Navy says the HIV virus can't be transmitted through use of the autoinjection "jet gun." But those who followed an HIV-positive member through an inoculation line Nov. 17 are still worried

U.S. Navy photo

spokesman for the Naval Reserve Force. "The good news is we were doing everything by the book." [How reassuring!]

There are no documented cases of HIV infection through the use of these guns, according to the Centers for Disease Control. [Ah, the foxes just checked and the chickens are just fine!]

SEASON
OPENS FOR
DESIGNER FLU
'95:

From the December 14 issue of the Antelope Valley edition of the (Los Angeles) DAILY NEWS, [quoting:]

LANCASTER—As cold weather starts, so does flu season [Why IS that?], and with it record-breaking numbers of patients fill the emergency rooms. Dr. Shirley Fannin, director of disease-control programs for Los Angeles County, said this year is the worst for influenza she's seen in about a decade. "We have schools reporting 33 percent absences, and doctors' offices and emergency rooms are packed. [Reports such as this have come in from all over the country.] This year's flu strain [Designer Flu '95] may cause severe symptoms—especially fever, with temperatures rising as high as 105 degrees. With its high fever, it causes serious complications and can sometimes lead to hospitalization or death, particularly for elderly patients. According to hospital officials, almost 20,000 Americans die from the flu and its complications each

CHINA: IMMUNIZATION MARATHON

cal Care. Some of the Montana and Wyoming cases studied were resistant to one antibiotic; others were resistant to multiple antibiotics, Mike McInerney, a statistician with the foundation, said by telephone from Helena. None defied all the antibiotics doctors have in their disease-fighting arsenal. [Here we go again with that "war-on-nature" approach to medicine.] But in other Western states, the study identified cases of pneumococcal pneumonia that were resistant to all antibiotics. The Centers for Disease Control and Prevention in Atlanta estimates that this type of pneumonia kills 40,000 Americans every year. Most of the victims are elderly. [The ones the flu misses?]

Dr. John McMahon, foundation medical director, blamed the rise in resistance

year, and as many as 400,000 are hospitalized annually. [As planned?]

PNEUMONIA
RESISTS
ANTIBIOTICS

From the November 24 issue of THE BILLINGS GAZETTE, [quoting:]

Antibiotics can't whip a significant number of bacterial pneumonia cases that have been seen in Montana and Wyoming Medicare patients, according to a study by the Montana-Wyoming Foundation for Medi-

in part on inappropriate and excessive use of antibiotics for many illnesses. Sometimes, patients insist on getting a prescription for antibiotics even when their illness is a virus, like a cold, that isn't treatable with antibiotics. ["My people are destroyed for lack of knowledge." (Hosea 4:6) Ignorance is our worst enemy. Antibiotics DEPRESS the immune system, destroy the friendly flora in the intestines, usually remain deposited in the body for the rest of your life, and have a lengthy list of other potential side effects! But it is human nature to want a quick fix. Prevention is the best defense. A healthy body is inimical to influenza. Unfortunately, valid information about regaining your health is at the top of the Elite's list of "suppressed materials".]

Is It Gotterdammerung for the United Nations?

The recent 50th anniversary celebration of the United Nations seemed more like a wake. The largest group of world leaders ever assembled anywhere gathered in New York, one-hundred-and-seventy-nine assorted presidents, prime ministers and dictators smiled uneasily for the camera. The group photograph, to those with a knowledge of history, was eerily like the photographs of the crowned heads of Europe taken just before the outbreak of World War I, which would sweep most of them into oblivion. Only a few days after the taking of the UN anniversary photograph, one of its more illustrious attendees, Prime Minister Yitzhak Rabin of the State of Israel, was himself dispatched by bullets from a fellow Jewish extremist. It will be interesting to look back in the year 2000 and see how many of these persons of great power actually survived the twentieth century.

The New York United Nations assemblage had to forego the presence of its most famous creator. It was deemed inappropriate to summon him for the festivities, although he resided only a few blocks from the UN building. As a convicted perjurer who had been sent to prison for lying about his activities as an espionage agent for the USSR, Alger Hiss might have attracted unwelcome reminiscences about his checkered career. Hiss, one of three Communist agents who served as the late President Franklin Delano Roosevelt's personal advisors at the White House, is generally revered as the architect of the United Nations Conference in San Francisco in 1945 which brought the international conspiracy into being. During Hiss' public trial, the media ignored his impressive connections with the subterranean forces of the World Order. He had been selected as president of the Carnegie Endowment for International Peace by General Dwight Eisenhower, later elected President of the United States, and by John Foster Dulles, who became Eisenhower's Secretary of State. Dulles had represented the House of Rothschild at a meeting with Adolf Hitler in Cologne, Germany in 1934 which guaranteed the bankrupt Hitler funds from the Bank of England to install his newly elected Nazi government. When Hiss was indicted by the U.S.A. Government, his lawyer, serving without pay, was Helen Lehman Bittenweiser, daughter of a Lehman Brothers banker, and married to a partner of Kuhn, Loeb Co. in New York, Benjamin Bittenweiser, whose partner Jacob Schiff boasted that he had spent more than twenty million dollars of his own funds to promote the Communist Revolution in Russia. Another Kuhn, Loeb partner, Paul Warburg, had secretly authored the Federal Reserve Act in 1910 at a conspiratorial meeting in Jekyll Island, Georgia, where the event is now marked by a small brass plaque at the Jekyll Island Hotel. Bittenweiser later became Assistant High Commissioner of a defeated Germany after World War II. During Hiss' long trial, and throughout his prison sentence, his son, Tony, was an honored guest at the million dollar Bittenweiser mansion in the East Eighties.

The fiftieth anniversary of the founding of the United Nations could hardly have come at a worse time, as the organization had reached the lowest ebb of its prestige. A war of "ethnic cleansing" has raged in the former nation of Yugoslavia for years, during which many thousands of people have been tortured and massacred, while many thousands of survivors have endured apocalyptic conditions during mass evictions, been forced into concentration camps, and faced all the horrors of war. Many of the victims have been women and children. The United Nations has had "peacekeeping forces" stationed in the war-torn area during much of these hostilities, but their presence has been the occasion for scorn. The *Washington Post* on October 26, 1995 noted that at the very time of the lavish United Nations festivities in New York, "the Dutch (U.N.) peacekeepers made little effort to defend the civilian population. They were worried about their own hos-

tages. Refugees later described how many of the Dutch were forced at gunpoint to strip to their underwear by Bosnian Serb soldiers, who then strutted around in U.N. uniforms themselves". One refugee was quoted about the sorry spectacle. "Hassan Nuhanovic, a 27-year-old translator, said he was permitted to remain in the compound because he was employed by the United Nations. 'I don't understand it. Nobody believed that the U.N. wouldn't protect the people,' said Nuhanovic, who has not seen any of his family members since their tearful farewell at the gate to the U.N. compound."

Now President Clinton has dispatched some 20,000 United States to the scenes of these massacres in a desperate effort to revive the tarnished image of the United Nations. American youths are to serve, and more than likely, to die, in the effort to rehabilitate the United Nations. Their families will be notified that they died in the service of the United Nations.

Clinton justified this act of high treason by announcing that "We must continue to bear the responsibility of the world's leadership in Bosnia, as elsewhere. If the United States does not lead, the job will not be done." But Clinton's action is contrary to the expressed purpose of the United Nations, which states that all nation members must share equal responsibility. We are now witness to the discouraging spectacle of a financially bankrupt United States bearing the billion-dollar-a-day cost of maintaining peacekeeping troops in Bosnia for a morally bankrupt United Nations.

Clinton's action comes at a time when there is a growing chorus from both liberals and conservatives that the day of the United Nations has come and gone. *Nation* magazine noted on Nov. 13, 1995 that Congressman Joe Scarborough of Florida had introduced a resolution on the occasion of the United Nations' fiftieth anniversary to take the United States out of the United Nations. This has been officially catalogued as "The United Nations Withdrawal Act of 1995". The chairman of the Senate Foreign Relations Committee was quoted as having denounced the United Nations as a "rathole". The *New Republic* suggested in a lead article, Oct. 30, 1995, that the United Nations "be allowed to wither away into irrelevance". Even a staunch Clinton supporter and State Department official, Strobe Talbott, warned in an August speech that "The United Nations might very quickly join the League of Nations on the ash heap of history."

In fact, we were relieved of the League of Nations only by the advent of the Second World War. Both the United Nations and the League of Nations were the creations of the central banks, manipulated by the House of Rothschild to cover up their financial control of the entire world. The activities in Bosnia, where both previous world wars were launched, indicate that the United Nations will indeed join the League of Nations on the ash heap of history through the convenient outbreak of the Third World War.

FOREWORD

We are greatly honored and wish to give recognition to an author who has done a superb job of putting together a comprehensive Monologue on ELF waves and other dangerous pulse games.

We wish to give Dr. John Coleman both credit and appreciation for sharing his information gathered and put to print that we might send it forth a bit further in the effort to bring it to your attention so that you can know what is taking place—that the Controllers wish you NOT TO KNOW.

Moving within the same circle of necessary information and more connected than you might at first realize, you will find portions of a topic called *DEPOPULATION* by Mr. Rick Martin, Investigative Journalist.

These are both frightening subjects for BOTH involve YOURSELVES! They are “things” which are in full-play to control and thin-out the population of human species and animal growth and propagation on your planet. The results of both will bring sickness and death AND terrible mutations to the remaining species if left unattended.

All manners of microscopic entities from chemical ions to microbes can be sent forth onto the public without recourse and without realization—right through these pulse systems.

Since Mr. Martin, at this time, only writes for *CONTACT* Newspaper, I would suggest that you have to contact him at his place of business. There will be no separate published form other than perhaps reprints of his material.

Dr. Coleman's work, of which he now has at least THREE MAJOR PUBLICATIONS: (1) *Conspirators' Hierarchy: The Story of the Committee of 300*, (2) *Diplomacy by Deception*, and now, (3) *Socialism, The Road to Slavery*. Dr. Coleman can be contacted for acquisition of his books or for personal communications: WIR, 2533 No. Carson St., Carson City, NV 89706. I highly recommend his Newsletters and his publications.

We also share some other works which we will enlarge upon as we move along so we can save those comments regarding the publications. We will be touching more on *Final Judgement* by Michael Collins Piper and a book called *Descent Into Slavery?* by Des Griffin. The former is about the Kennedy assassinations and the latter is about the SYSTEM that has

brought you to this point of world enslavement by the FEW of the global population. Do they overlap? Yes, because when you share TRUTH you have to overlap, for MANY stories indicate at least one mutual fact and many assumptions or distractions. It is through the comparison of bits of fact that a WHOLE TRUTH can be finally achieved. My purpose is to allow you to FIND these puzzle pieces, fit the pieces that are truth, and cast aside the pieces that are incorrect.

Couldn't I simply do this job FOR you? Yes, but as with wine before its time—it would simply be grape juice! Grape juice is fine if you want juice or jam, but if you want wine, it is hardly a good purchase. What is your goal: wine or juice, vinegar or sugar? I can only, at this time, continue to focus on those things which can now be assimilated and bring truth to your senses. Until, further, you stop sorting me into a category of guru of spiritualism or an invisible vapor on the landscape, we can't get very far, save my team-mates who have to learn facts as well as you. The difference? My team-mates are seeking and *FINDING* TRUTH and not “just searching” with no intention of finding. It is identical to the purpose of illness in those who WISH TO BE SICKLY. No amount of help will heal them if the intent is to get attention and control THROUGH ILLNESS! It is soon obvious when that which CAN HEAL is denied, refused and then disallowed with the personal system in order to heal.

You may well think I am nuts or something and that no-one would wish to suffer and agonize. WRONG, sickness (and death frights to hospitals) get attention, disrupts everyone's schedule, requires visitations, flow-

ers, gifts, sympathy and all manners of personal attention—especially the diseases which have no known “cause” and no known “treatment” other than loving care and special handling. If you really don't want a headache—you will take something to get rid of it, for there are plenty of things abounding to rid you of it. Ah, and better yet, if you can learn to “fake” it you get both the attention and no discomfort with which to REALLY suffer. How can you tell the difference? Watch what the “assumed” victim does with the tools offered. Furthermore, some of the things the doctors will resort to in order to “save” you—will most certainly KILL you if you push that river too much. God is certainly NOT GOING TO HOP IN AND SAVE YOU FROM YOURSELF! If there is any “saving” of yourself going to be done—YOU WILL DO IT! Tools can be offered for the ailments that plague you but beyond that, good friends, you have to do it yourself. If you refuse information, you will also miss knowing about the TOOLS of which I speak. GOD HAS GIVEN YOU DIAMONDS, GOLD AND SILVER FOR YOUR USE IN FORMS WHICH ARE PERFECTION FOR YOUR NEEDS—AND YOU CAST THEM ASIDE AS CRUSHED PEARLS FROM THE OYSTER STORE. WE SHALL SEE WHAT YOU DO—FOR GOD PROVIDES, YOU DECIDE! A pearl on a ring is so much more enjoyable than one between the crowns of two teeth in your mouth, unexpectedly chomped in your soup!

Now to the hard part in understanding of our positions in our various missions. We have reached the “time” when NOTHING is as it seems and NOTHING is stable. I am unable to determine the minute a quake will be issuing forth, nor can I tell how big such will be. I, like you, watch the signs. So quit asking ME if you should or should not go a-visitin' into dangerous locations, invest in this or that, have a relationship with him or her, etc. That is, “at the least” not through my scribe/speaker. We do not practice at psychic readings, fortune-telling, or any other type of “keep you safe”.

I HAVE TOLD ALL OF YOU TO STICK CLOSE TO HOME AND YOUR SECURE PREPARATIONS—IF YOU WORK “WITH” ME. YOU DECIDE THE REST AND THE WORTHINESS OF RISK VS. VISIT. I ASK THAT DHARMA AND E.J. GO NO FURTHER DISTANT THAN INYOKERN THROUGH THE HOLIDAYS AND STAY AWAY FROM THE CITY OF LOS ANGELES IF AT ALL POSSIBLE AND DON'T SIT ON THE SAN ANDREAS OR JUXTAPOSED FRAC-TURES OR FAULTS. IF YOU DO A JOB AND OTHERS ARE TRAINED TOTALLY TO DO YOUR JOB—

WE NEED YOUR HELP!

PLEASE CONSIDER SPONSORING A PHOENIX JOURNAL

The cost for printing the PHOENIX JOURNALS in sufficient quantities to offer them at rock bottom prices is always a serious challenge to our financial resources. At this time we need financial assistance to help cover the printing costs of the JOURNALS. If you are in a position to assist, please call PHOENIX SOURCE DISTRIBUTORS, INC. at (800)800-5565 and ask for Brent.

We would like to extend our thanks once again to those of you who have helped us so greatly in the past. Without your assistance we would not have come this far.

THEN YOU BECOME MORE DISPENSABLE AND YOUR ABSENCE CAN BE OVERCOME. SO, IF YOU ARE GOING ANYWHERE—PLEASE SHOW SOMEONE OR A COUPLE OF SOMEONES *HOW* TO DO YOUR TASK BETTER THAN EVEN YOU DO IT NOW. A SECRET PROCESS IS WORTHLESS IF THE HEAD WHICH BEARS THE SECRET IS DEAD. FRANKLY I DO NOT SEE WHY THOSE SECRETS AND TASKS MUST ALWAYS BE DUMPED ON MY SCRIBE WHO HAD TO WORK OUT THE PROBLEMS, IN THE FIRST PLACE, OF PRODUCING THAT FIRST PRODUCT IN USEABLE FORM.

You approach the holidays each year as if it will both be your last and like forgotten relationships are suddenly of utmost importance. Watch what and why you do a THING! Check its importance against the possible absence of self in your ongoing work and go for it! Every mile you drive from now on is an ever-looming danger, for the ability to pick-off targeted vehicles from unseen sources is not only possible but is being tested EVERY DAY. And wouldn't those adversaries just love to pick off a few of our key people and/or render them useless by loss or damage to children or even to property?

The reason you want me to tell you WHAT TO DO is so you have no responsibility and would expect me to personally accompany you on and through your destination—when, frankly, I don't think much of your travel ideas with which to start. I love it when you demand this kind of oversight and protection and then come back and say: "Well you big bad wolf, see, nothing happened!" Are you SURE? HOW do you know? It is unreasonable to make other people's lives, EVEN MINE, more difficult because YOU think you need to hop and scotch hither and yon? If you want to go somewhere—check your own insight, train your replacements—and go. Do you have to wait to be shot-through by the U.N. tanks? I have my teammates in security WHERE YOU ARE IN RESIDENCE AND ADJACENT NECESSARY TRAVEL NEED—I CAN PROTECT YOU FOR EMERGENCY PURPOSES, ELSEWHERE, AND ON NECESSARY BUSINESS TRAVELS. I CANNOT FOLLOW YOU AROUND WITH A GUNSHIP WHEN YOU HAVE A BURR UNDER YOUR SADDLE OR A WILD HAIR UP YOUR NOSE, TO GO HITHER AND YON TO VISIT PEOPLE THAT MOST OF YOU NEVER CARED TO VISIT IN THE PAST. YOUR INPUT WAS ACCEPTED BECAUSE OF YOUR WILLINGNESS TO GIVE UP THOSE LIBERAL THINGS. PONDER IT, PLEASE. THE MORE NECESSARY YOU FEEL TO OUR MISSION, THE LESS YOU WILL RUN ABOUT TO ACCOMPLISH YOUR OWN PERSONAL DRUTHERS.

Who and what is uppermost in consideration—your being needed or your personal druthers to put in appearances which you ordinarily would not even consider were it not a HOLIDAY? CHRISTMAS IS A COMMERCIAL KHAZARIAN HOLIDAY. CHRIST is the epitome of "no holiday" from our purpose and intent. Do "I" want you to be boring and stay safe? YES

INDEED! HOWEVER, READERS, MY WISHES ARE NOT YOUR COMMANDS! Please ponder this also while you are "thinking".

Know that every glass of wine you take after the first, dulls your wits and what you do is go forth and "celebrate" with the family or crowd and get yourselves dulled down. Then you are usually a hundred or more miles from WHERE YOU ARE NEEDED—and you are in the most critical "time" on your globe. I ask you to quit asking ME about your decisions. Do what you will, it is out of my prerogative to bind you for any reason. I have permission to restrict Dharma's life for she has made that agreement WITH ME, even if it means isolation.

You might well say, "Well, sure, she *hears* you and I don't." Is that MY fault or YOURS? When you ask for something IN ADVANCE it makes it hard, really hard, for I might tell you in fact that L.A. is scheduled to go this weekend. And you go there and it doesn't—what have we accomplished? More doubt, less ability to LISTEN, and ah ha, caught you! No thank you. You are going to find out quickly enough that, for instance, moving north from Tehachapi—Mammoth mountains are ready to be blown away! Do I encourage you to run about to northern or central parts and places in between there and wherever you might be parked? Stop it, if you find it necessary to go somewhere—you will go anyway and further confuse our relationship. Do what you will for that is what you will do with or without me. Connect the DOTS, readers, for they present the final PICTURE to suit your individual recognition. Just remember that things don't just happen—to somebody else! Do you actually think the Overlord Adversary will just "stop the world" for YOUR holiday? Not this year, my friends—he is gearing up to USE those holidays to HIS ADVANTAGE EVERY STEP OF THE WAY *THIS YEAR*.

Is it not time you start thinking about the WHOLE and others and stop thinking so much about yourself? Until you can balance all these things—you are not

mature enough to handle our task at hand.

We are not here to fight, die, or attend ourselves. We are here to bring information, work as hard as we can to bring forth that which Father requires of us, attend our brethren in information and awakening AND we must agree to "stay alive and well" to fill our responsibilities and posts. What we get is, "Well, Doris did it or went...!" Well, Doris is GOING NOWHERE—IF THAT GIVES YOU A CLUE AS TO HOW THINGS *REALLY* ARE. Perhaps, after all, there are holidays only in Camelot.

I would like to call this journal *ELFs AT TARGET PRACTICE AND SITTING DUCKS; WHICH ARE YOU?* There is, after all, readers, in this New World Order, no where to run and no place to hide—but remember something: the adversary can't run or hide EITHER, from the ones watching him. YOU WILL DECIDE WHETHER YOU WILL SAVE SELF OR BE LOST FOR THAT IS NOT MY DECISION TO MAKE.

Gyeorgos Ceres Hatonn

TITLE:

ELFs AT TARGET PRACTICE AND SITTING DUCKS; WHICH ARE YOU?

As we move through these hectic days of evolution of the pictures being more completely formed and the end results can easily be seen through the paint strokes, you must look beyond the paint and into the picture. You must think for self but about "the whole" and not JUST THE SELF. The possibilities are endless—the probabilities finite; where will you be when the curtain falls? What will you write in YOUR daily journal?

Firm Response To David Newby

About Dangerous Misperceptions

12/12/95 #1 HATONN

RESPONSE TO DAVID NEWBY

I ask *CONTACT* to please print [see p. 11] the letter from David A. Newby which did not come directly to me but, rather, via FAX network from Florida. I would suggest that the shortest route to a mail recipient is directly to the address where he/she receives mail! However, that aside I will respond to Mr. Newby's letter of December 8, 1995 but brought to my attention on December 11, 1995.

The reason I ask that the letter be run is so that reference can be made to numbered paragraphs which will save space, time and, hopefully, trauma to sensitive eyes and ears.

Paragraph 1: If you feel you have put yourselves in the "line of fire" for researching the Founding Documents of this nation and have asserted your **AUTHORITY** under same—then I suggest that you allow **OTHERS** the opportunity to assert **THEIR AUTHORITY** under the rights of **FREEDOM** and **CONSTITUTION**. You come off as **THE FIRING LINE**, already pop-shooting the unknown enemy in every direction save the one which hits target. I have never, do not, nor had I intended to "belittle" anything you as a citizen might have done. Browbeat the people? Do "something"?

Sir, does this indicate that it is better to do something, even if wrong—than to do nothing?? It would appear that you would have **YOUR**, our and "their" cake; you divide it to suit self, become the authority, court, lawyer, jury and executioner—when we found little wrong with the *Constitution* as the Founding Fathers corrected it to cover **ALL** the people **ALL** the time. We do not find merit in what the usurpers of that *Constitution* promulgate, and we do not find merit in someone else coming along with such sensitive feelings about his perceptions as to scratch and claw at his benefactors.

If the odds seem insurmountable in what you are "doing in the face of what appear to be insurmountable odds" then I suggest you do **NOT** deserve more credit than being cited as "daring-dos". If this term offends then I suggest that you just referred to the "same" above as "on the firing line". Sir, there are **MILLIONS** of people on the **FIRING LINE**.

The purpose of our work, our writing, our paper and/or our projects has never been to simply **GO COLLECT READERSHIP**. And, furthermore, I don't believe anyone has held you down and **FORCED** you to ever read a word in it. In fact, I have taken great time and personal attention to **YOU**, David A. Newby. Your response to me after I made a suggestion, which **YOU REQUESTED?** Well, you had to "do it your way". It did not work your way but so be it. I most certainly **DID NOT**, nor would I have advised that you, without knowledge or preparation, dash off with family to New Mexico and Pahrump, Nevada. **YOU** did that and if you now receive informa-

tion or perceptions that we suggest "why try", then I feel sorry for your lack of ability to either discern or **UNDERSTAND** that which is written.

In paragraph 3 you suggest that I need clarification and that you people "are not setting ourselves up as new dictators and such a statement by yourself is irresponsible at best and judgmental at worst." Either one is fine with me for I repeat what Mr. Ronn Jackson, your mentor, **SAID**, and that is, "There will initially be **ONLY** a change of leadership," indicating that there certainly **WOULD BE A CORE OF SELF-APPOINTED HIERARCHY (DICTATORIAL FORM OF GOVERNMENT WITH POLICING AND LAWS BY ARBITRARY MANDATE). YOU HAVE WRITTEN AS TO WHO AND HOW.**

You further state in that paragraph that "You should be ashamed of yourself." **I AM!** I actually thought that you people were going to do something wondrous and selfless in your attempt at establishment of an "in lieu-of" the corruption in Washington. To actually, then, summon the "unorganized militias" to **STAND BY** (indicating armed rebellion) is unconscionable and to infer that we at *CONTACT* support that edict is grossly irresponsible. This paper was founded to offer truth, information, a resource for all citizens and **NOT AS A SUPPORT DOCUMENT TO BASE MAVERICK SELF-APPOINTED DICTATORIAL SUBSTITUTES.**

"**WE HAVE TAKEN THIS ACTION BECAUSE WE WERE OFFERED THE AVENUE TOWARDS THIS SOLUTION, IN OUR THINKING, BY CREATOR.**" Well, Mr. Newby, if this be "your Creator" who offers such delusion, illusion, allusion and subterfuge, then I have no input to further accomplishment. If you believe that the only thing accomplished by *CONTACT* is airing of "dirty laundry" then I would suggest you ones stop dirtying up the laundry and inferring that the dirt comes from this source. We receive dozens and dozens of letter each week **COMPLAINING ABOUT ANY ASSOCIATION WITH THOSE LIARS IN NEVADA.** We have to daily respond to the piles of letters of ones who have been hurt by one Ronn Jackson and, now, you nice people with him.

I have agreements with Mr. Jackson for funding. We are in problems because two years ago Mr. Jackson publicly stated he would fund all our projects and we should, in fact, not even bother to continue to struggle for what was stolen from the Institute in that he would have trillions of \$\$ and the amount in question was piddling and "nothing".

You further state (paragraph 4), "By denigrating our efforts and attempting to poke holes in our work, and by telling your readers that it is all an exercise in futility seems to be against your 'proposed' mission. So what gives?" What gives? Your proposals **ARE FILLED WITH "HOLES"** and, indeed, I do not need to poke more. The Metro Series as offered is both atrocious and not credible. Why would we, even if we had funds and space, print it as ostensibly plausible or feasible? To

try to make changes is both honorable and worthy of **ALL** participation, **BUT JUST KNOWING WHAT IS WRITTEN IN A CONSTITUTION DOES NOT MAKE YOU SOMEHOW GOD TO THE TASK OF RUNNING GOVERNMENT.**

My "hatchet job" "in matters of grammar and sentence structure are insulting and childish..." Oh? I get a **LOT** of complaints about the material flowing from your desks and keyboards and certainly I have freedom of right to respond to those objections. I get constantly, "How can you support those people who can't even write correctly?" They have a good point, especially since **NOTHING CLAIMED OR PROMISED, CONTRACTED OR AGREED ON (EXCEPT WHAT OUR READERS HAVE PROVIDED YOU) HAS COME TO PASS—NOT ONE COTTON-PICKING IOTA!**

You also suggest that "if you and your crew are so blasted smart in matters of law then why can't you seem to get any of your own legal problems solved?" Very good, Mr. Newby, I thought it might be responsible and observant that **THAT IS WHAT IS WRONG WITH YOUR GOVERNMENT AND YOUR JUDICIAL SYSTEM.** Knowing law and working with required attorneys in a black-robed and corrupt courtroom is what it's all about! If you cannot perceive this much—how can you set yourself up as a seated member of the new "Supreme Court"?

The power of the pen is mightier than any sword—but only if the pen scribes information which can be legitimately and righteously acted upon. To scribble a bunch of perceived opportunistic edicts is not sufficient to the needs abounding.

You further direct a letter "to me" and then toss a bomb or two at the staff of *CONTACT*. Such does not endear you since your mentor is the reason that ones at *CONTACT* are in such painful positions, even to Rick running about the country as "Little Rickie" at the whims of Ronn Jackson. **MY** agreement with the would-be-kings was that we would get Jackson out and in ability to function clearly and within **ALL LAWS.** We did, as the people picked up pen and filled out forms for a better government, and petitioned for and got, his freedom. I do not recall seeing you at the Parole Hearing in support of that release! Mr. Jackson made promises of restitution to his injured parties and has, before and since, **PROMISED** to immediately fund great sums of project capital. Two years later we still do not see funding but we do get complaints from readers that support-funding for your team is being requested **FROM THEM.** That means that all at *CONTACT*, Mr. Newby, are **BLAMED** for ever bringing this group of yours to their attention. Am I to ignore their petitions because my responses do not please **YOU?**

Further, there are piles of complaints about such things as gold certificates, **OF WHICH WE NOT ONLY HAVE NO INPUT—BUT THERE HAS BEEN A DELIBERATE HIDING OF ALL AND ANY INFORMATION OR FACTS SURROUNDING THEM. THERE IS**

ALSO THE MATTER OF "CLAIMS" OF SOME KIND WHEREIN FOR THEIR ADVANCE PAYMENT FOR PROCESSING CLAIMS PEOPLE WILL RECEIVE INTO THE MILLIONS OF DOLLARS IN RETURN! That is an OLD SCAM and was not legitimate THEN and is less legitimate NOW. Whether it is "right" or "legal" is not in my circumstance to discern. However, we have been told, soundly, to BUTT OUT! If, for instance, Mr. Martin DARES to inquire about these matters—anger and threats are forthcoming about "butting into my business". Therefore, we TRY DILIGENTLY to stay out of YOUR BUSINESS! In addition, if we want to "whine and bawl" about our circumstances—THAT IS NONE OF YOUR BUSINESS!

I do, however, take exception to your statement "...I don't think any of you are qualified to throw stones at those of us on the firing line for this nation." No? Then WHO IS? IN OTHER WORDS YOU WANT TO DO IT YOUR WAY, RIGHT OR WRONG, WITHOUT ANY ONE SO MUCH AS SUGGESTING THAT YOU MAY NOT BE 100% CORRECT. So, strike us for assuming we have rights in this nation you are "fixing". You

have the "guts" to do something other than gripe? Then why don't you use them and stop griping?

If I erred and suggested that I felt the *Metro Series* was brilliant, I apologize for the misperception. I have always felt Rex Weeks does superb and outstanding work—I think the *Metro Series* is not even CREDIBLE in focus and intent and I certainly was not referring to that series in my complimentary remarks. Facts are available and good research is always commendable and what you write is your privilege. You have a fax network and a PAPER called *Ronn Jackson's New Republic* so why would *CONTACT* re-run all the information which was mostly gleaned from OUR WRITINGS IN THE FIRST PLACE, AND THAT, SEVERAL YEARS PAST??? You ask, "Is the griping about tight funding so vastly more important than knowledge of the truth?" Well, I assume you can have cake and eat it also—we have found no way to accomplish that with honor! I also have to question what you mean by "the truth"? Do you mean "truth" according to David Newby, Grandma, Ronn Jackson—or God? What mean you?

Re: 12/03/95 Article "Thoughts on the Brink of a National Collapse"

I couldn't let this particular article slide by without comment. For the last number of years you have been browbeating the people of this nation to get off their duffs and do something. The people who have researched the Founding Documents of this nation and have asserted their authority under same have put themselves directly in the line of fire of the Elitist thugs. Being one of those people I take offence at you belittling our efforts. One can not have his cake and eat it too.

When people such as ourselves have attempted to do what we are doing in the face of what appear to be insurmountable odds, we deserve more credit than being cited as "daring-dos" which connotes some form of foolhardiness. The documents we have prepared and submitted before the supreme Court are valid and lawful and are not acts of fancy. Your statements that our efforts are all for naught stink of the defeatism that seems to pervade the *CONTACT* these days. The readers are getting such mixed messages that I don't understand how you manage to keep readership. The negative messages cannot be justified as "providing lessons in discernment" any more. It is such a defeatist attitude that has brought us to our current state of affairs in this nation and our world today. The message of "why try" is so pervasive in the past few months' issues that I can hardly stand to read it anymore.

For clarification's sake, we are not setting ourselves up as new dictators, and such a statement by yourself is irresponsible at best and judgmental at worst, from one who claims to be non-judgmental about people. The acts and writings are not being done for any self-glorification whether you choose to believe that or not. From my standpoint I see a lot of carping from the *CONTACT* about all their financial woes and I see their hand out for what can be gathered. Granted there are commitments made, but destroying the people who have the gumption enough to place themselves squarely against the beast is below the level of a being of your purported stature. You should be ashamed of yourself.

We have taken this action because we were offered the avenue towards this solution, in our thinking, by Creator. You can ridicule and denigrate our efforts, but at least we are moving to do something, which is more than the airing of dirty laundry and whining currently being published in the *CONTACT* accomplishes. If you are so small a being as to throw stones at honest efforts "through the power of the pen" that you have so heavily endorsed all these years, then you and all your crew can take a hike. By denigrating our efforts and attempting to poke holes in our work, and by telling you readers that it is all an exercise in futility seems to be against your "proposed" mission. So what gives?

Your hatchet job in matters of grammar and sentence structure are insulting and childish. If you and your crew are so blasted smart in matters of law then why can't you seem to get any of your own legal problems solved? Hmmm? Until such time as we can see something other than whining and bawling about how tough the lives the people at the *CONTACT* are, I don't think any of you are qualified to throw stones at those of us on the firing line for this nation. Rather than tearing us down you should be applauding the efforts of people like us who have the guts to do something other than gripe about their personal needs over and over and over, ad infinitum.

Grandma, Rex and I have offered data in the form of the *Metro Series* which has never been brought forth in that format in all of history, yet all we have gotten is acknowledgement of how excellent the work is through the *CONTACT*. Acknowledgment is fine, but reporting the truth is better. Yet the *CONTACT* has chosen to air its dirty laundry in the manner of some tabloid rag rather than notify the public of the true culprits and the global structure presented in the *Metro Series*. Is the griping about tight funding so vastly more important than knowledge of the truth? I realize that *CONTACT* has no obligation to print our work and I am not demanding such, but it seems mighty strange to me that the same rehash week after week about George Green, Gunther Russbacher and most recently the harangues against Ronn and his legitimate efforts to bring about change in this nation are aired in the *CONTACT*'s "tight" space constraints to be ludicrous when such tripe is printed in a paper touted for its truth-bringing. Bring forth the truth and kwitcheverbellyachin.

/s/ David A. Newby

Then comes the: "...I realize that *CONTACT* has no obligation to print our work, and I am not demanding such, but it seems mighty strange to me that the same rehash week after week about George Green [H: who stole \$350,000 CASH IN GOLD], Gunther Russbacher and most recently the harangues against Ronn and his legitimate efforts (???) to bring about change in this nation are aired in the *CONTACT*'s 'tight' space constraints to be ludicrous when such tripe is printed in a paper touted for its truth-bringing. Bring forth the truth and kwitcheverbellyachin." Please also remember as you read this that YOU placed George Green, Gunther Russbacher AND RONN JACKSON IN THE SAME SENTENCE! Another interesting point is that if it were not for such persons, and you, there would be no need to "ask for help" for anything. Mr. Jackson told everyone he had 33 million followers and received millions of dollars in the mail from them. I didn't say that, Mr. Newby—Ronn Jackson said that! I shall be most happy to go and leave you to your projects—JUST AS SOON AS MR. JACKSON MEETS HIS OBLIGATIONS AND AGREEMENTS TO ALL THOSE, INCLUDING US, TO WHOM HE MADE COMMITMENTS.

Also, since you take such exception to our notations about grammar and punctuation in view of the fact that you had just made reference to the Founding Fathers' use of small versus capital letters to make a point—then it must be our next assumption that those errors might have been yours? You are not judged on assumption of self, you will be shredded on the errors—or haven't you tried to live in your world of One World Disorder?

In closing this response I suggest you bring your heads up out of the place "where the Sun don't shine" and into the LIGHT of reality of LIFE where we work and act as MATURE adults instead of flinging your papers all over the globe, without thinking, and to people such as Mr. Zuckerman of *U.S. News and World Report* where the threats are taken as Domestic Terrorism, along with the threats to such as Gorbachev's groupie. We are TRYING to do something positive and NOT bring out the United Nations Army against us. If that is what you people want—then have at it. **WE WILL NOT PARTICIPATE IN SUCH RIDICULOUS OR SUBVERSIVE ACTIVITIES.** To make bigger wrongs does not make any RIGHT.

If you really wished our help you might try THANKING the people through *CONTACT* who sent you the very "life-saving" items to HELP YOU. Instead you insult and degrade the very hands that fed you—literally. Neither I nor *CONTACT* have any obligation to you or your projects. Further, we have been told to butt out of your business. We gladly accept the "invitation???" to so do. We do NOT, however, BREAK ANY AGREEMENT OR CONTRACT for that which was committed as a business venture. GOOD BUSINESS is the FOUNDATION UPON WHICH A NATION CAN FUNCTION AND BECOME GREAT.

Now for the last and most important observation: THERE ARE PEOPLE WHO RUN *CONTACT* AND DECIDE ON ITS CONTENT—I AM NOT IT! If you want to run something in that paper—I suggest you be a bit nicer to the ones who DO DECIDE WHO, HOW, WHAT, WHEN AND WHERE TO RUN INFORMATION. MY CONTRACTS AND AGREEMENTS WITH RONN JACKSON ARE ACTUALLY NONE OF YOUR BUSINESS, MR. NEWBY! Further, if you find no inconsistencies in Mr. Jackson's approach to life and truth—then you are possibly blind as a bat (baseball, that is, and not God's little furry creatures who "see" with exceptional accuracy).

Fine, Mr. Newby, here it is! And moreover, my "bellyachin" is not in point—our readers who DO DEPEND ON US FOR TRUTH—are the ones at risk and THE ONES to whom we have obligation to respond. Perhaps it IS THE TRUTH that annoys you so much???

If this is the "BIG KISS-OFF", Sirs and Madams, it

is not acceptable. There were DOZENS OF PUBLIC PROMISES AND COMMITMENTS MADE TO US, THIS PAPER *CONTACT*, PROJECTS, AND TO GROUPS OF "PATRIOT" PARTICIPANTS—ALL AROUND THE GLOBE AND SPECIFICALLY IN THE UNITED STATES OF AMERICA. If you don't perceive that you will be "shot down" by errors in your punctuation and spelling—then you are foolish indeed. Does my pointing out what is wrong—make me your enemy? I suppose so and, if so, I consider you to be my enemy and an insulting one at best. I most certainly would dislike living in YOUR NEW REPUBLIC!

I apologize for not appreciating your fine piece of document presentation as presented to the FAX-network and being "put down" as intended but I do appreciate the opportunity to respond. I am reminded of the person dying of poison and the person poisoning him tells him to "kwitchyrbellyachin" for "after all I am working as hard and fast, on the firing line, as I can, to get you out of your misery—by death." The flame of "good intentions" burns as deadly as the fire-flames of "foul intentions" and both can lead up the road to Hell. I suggest, further, that you check out "YOUR CREATOR" who leads you. Ronn refers to HIS higher authority as "Creator" and your reflection of that term is interesting, if not down-right "telling on you".

I SERVE **GOD CREATOR**! I now have to "assume" there is a difference! We are not impressed with "your" "Creator's" leadership if he/she/it sends you off in such unfounded directions. Perhaps this works with the overlords of *Childhood's End* but it doesn't work in the Real world of God's Universe. The fact that you do not seem to KNOW this is disturbing at the least.

Thank you for affording me an opportunity to respond to your correspondence.

CONTACT,
THE NEWSPAPER

I am asked by the around-the-clock workers at *CONTACT* to make a brief comment on paper content and why would we receive a letter as was received from David Newby (yesterday). The letter was addressed to "me" and sent out to Ronn Jackson's *New Republic fax-network—BUT NOT TO ME!* Is there trouble in "Camelot"? There is trouble EVERYWHERE and yet, believe it or not, we wrote so many times, so many volumes which are even banned from Canada on the Khazars (*Metro Series*) that our readers asked us not to focus on that topic and PLEASE let others do THEIR own thing.

There are so many misassumptions being applied to a splendid research and historical outlay as to cause our team to look very carefully at the piles and piles of writings coming in over our FAX machines. I am told that the *CONTACT* team is expected to create miracles EVERY WEEK to JUST GET THE PAPER PRINTED AND MAILED. They do not want to go to lesser speed each week with the paper by changing postage to other than First Class mail. However,

the very ones who complain about these things offer no help with those staggering problems but simply complain that I would bother to respond to their rude, insulting arrows tossed at *CONTACT*. Oh, a letter may well be addressing "me" but it is aimed at the crew for the letter was not even SENT TO ME.

I made a statement a few weeks back that ALL such mail, all lack of agreements kept, lies, theft and damage would not only be confronted openly BUT IMMEDIATELY. **I KEEP MY WORD!** The people of *CONTACT* and these other projects around here that had to stay on "hold" for now over two years because Ronn Jackson did not keep his word, are not exactly

happy travelers about the *New Republic*. Ronn got his mailing list from you who wrote to him and has solicited some of you for his own support, along with others who were involved in "claims", petitioning for return of farm losses and other such matters, and I have nothing to do with that. So I have no input about such other than to apologize if you feel harassed or misused. Am "I" angry with those people in New Mexico while their "leader" remains of necessity in Nevada? No! I truly and do honestly believe that if Jackson CAN keep his commitments—he will do so. The commitments are made on a much higher level than is filled by Jackson. THIS is a nasty world of NASTY people with whom you

have to contend.

I do not take the same exception to the misinterpretations in the series above mentioned, because any information regarding the Khazars which is accurate in its historical interpretation IS VALID AND ALLOWS FOR INSIGHT. That portion or focus on same is material we have run so many times as to become a full-focus in the eyes of the "authorities" and boring to the readers. It is the assumption of "today's" focus which can be interpreted any way ones choose that is in point. Nora (*Nora's Research Corner*) was asked to do a summary of her lengthy works to have run on Ronn's network. She has neither the time nor the desire to serve another paper or their fax network for, surely enough, we are then placed as both condoning, approving and being THE supporting part of *Ronn Jackson's New Republic* AFTER he has told us to butt-out of his business (but not in such nice language). It seems the involvement ceased when Ronn walked out of his prison station and into "life".

Why have we not done more? Because you must have stability BEFORE you make big promises and gather people who have NO VIABLE WAY TO SUPPORT THEMSELVES. FROM THOSE UNSTABLE CONDITIONS ARE CULTS BORN. Further, when you place a man's label onto your work—you have, without intent for same, ELECTED YOUR "LEADER" AND "MASTER". Quarrel? Once you fall for that bait YOU ARE HOOKED BY CIRCUMSTANCES.

CONTACT IS A NEWSPAPER! We try to offer that which is out of the mainline of media hype or presentation. We supported Jackson's program for you must have some way to accomplish that which must be accomplished. New Mexico is an exceptionally good place to be able to establish the seed Republic under the old guidelines of CONSTITUTION. However, you will find that the American Natives don't think much of your Constitution which did not, in fact, consider them to even equate with "human people". But you must begin SOMEWHERE.

We have experienced something else from the letter not received here, from Mr. Newby, and that involves letters—oh we get letters. One, yes, only one, agreed with Mr. Newby's insulting discourse but I note that that one does not pay for the printing or postage of CONTACT either.

Now the REASON, however, that CONTACT does not reprint everything is lack of funds for repeating old information for which some of our own papers and journals are stopped at international borders and held as hate material. YOU may well think the information is historical truth, which it may well be, but when it is coupled with a "stand-by militia" it becomes "terrorist" material and gives the legal thugs something to nab onto. What you should be able to accomplish through Freedom of Speech may well be what "you should be able to do" but is NOT WHAT YOU CAN DO! Oh, for goodness sakes, you can get away with childish attacks, finger pointing and insulting the opposing army—but when you bring backed-up threats with a militia—you are going to be shot if at all possible. Is that responsible action on my part—to dive off into a barrage of harangue and "get YOU shot"? People are already afraid to subscribe to CONTACT because of such fear of reprisal and we are constantly told that our affiliation with Ronn Jackson's "cult" keeps them too afraid to do more than secretly read the paper. Why? MR. JACKSON agreed to contribute PERSONALLY to CONTACT. He writes NOTHING except nasty notes to threaten the "big boys". If we wanted to repeat work from Newby or Grandma—we would have done so and did so when appropriate. This very day so much FAX material comes from Grandma and the *New Republic* as to be an expense unaffordable through just paper and fax ink cartridges. Why, for instance, doesn't CONTACT simply reprint all of the myriads of good newsletters and papers around the globe? You need a network. Obviously, the bunch at *New Republic* are involved in things other than "press" and we are told there is

possibility of indictment on some of those activities. I certainly don't object to a NEW Republic—I SUGGESTED IT! I, however, do not have any wish to see any of you locked into Mr. Newby's, Mr. John Doe's, Mr. Ronn Jackson's or Betty Jackson's new republic. I don't even want you into a "People's Republic" because that has already been set forth in many countries such as China. All you need is to go back to a Republic by, for and OF THE CITIZENS.

I am, then, after stating the above, rebutted with "but you don't understand and stick it where the Sun don't shine!" I DO understand and I prefer the LIGHT OF DAY UPON EVERY ACTIVITY WE ATTEMPT! I AM NOT INTO DESTRUCTION OR DEMOLITION OPERATIONS—I AM IN THE BUILDING AND CREATION OF BETTER WAYS—NOT SIMPLY TEARING DOWN THE OLD AND INSULTING THE ELDER "KINGS".

Why do I "assume" we are considered as "involved"? Because of the many letters we get objecting to the production of a newspaper on the fax lines—when we don't even have a fax-line distribution of anything save personal communications needed for faster connections than are the mails.

Ronn Jackson made funding commitments and agreements with US. This is it! We kept our agreements with him and "his" and did our commitments in full. We await the return of the commitment. I would truly enjoy fully supporting a new republic and I do think New Mexico is the best possibility although it is being worked on in Texas as well, but they are being "put down" by the courts there also. The papers are not even being looked at but, rather, tossed in the garbage while the people involved come under the gun—literally. You cannot fight the Big Boys until the PEOPLE ARE INFORMED—FULLY.

Jackson told the world that he has 33 million followers. Well, for goodness sakes, USE THEM. CONTACT at best has some 1,500 subscribers, so why the big assault against us as if we make or break "them"? Why are our readers contacted for funding—FOR THEM? The complaints COME BACK TO US! People who have been long-time readers and friends are dropping subscriptions because of those petitions for fund-raising from someone who says he commits billions of dollars to the cause of freedom. People do NOT like being "dinked" around, by ANYONE. Enlightened people like it even LESS. Our readers are HARD TO FOOL and I am assumed to be a supporting influence on the other groups who are trying to accomplish something—and that simply is not so. The last people desired to have involved in most arenas are God's people, and certainly not in any church-affiliated or Spiritualist groups. If you don't need priests and monarchs—then a group is not a group—RIGHT?

I will admit, readers, it is nice to get shot at because of things we DIDN'T print instead of that which we DID. Dr. Young is quite gleeful for, after all, he has to determine what is and what is NOT run in CONTACT. It would have been nice to simply have called him or the office of CONTACT and made a request without assuming that we are somehow their little rag dolls awaiting their pearls of wisdom. People here are so busy they have no time to read all the information pouring through and since being told to "KEEP OUT OF OUR BUSINESS", the assumption will remain to simply stay out of their business. Dharma alone is buried under some two hundred BOXES of worthy material begging for attention. Why would there be an assumption that we sit and wait for a couple or three people in New Mexico/ Nevada to send us material so we can run a paper? "Grandma" even told us she wasn't sending us anything else and we have continued without interruption to get more and more and more from her.

These people want no input save accolades to their opinions and work—and without it they come unglued. Is this what you want? Well, I do not! But, YOU have to live in it—I do not.

I am asked if, when reference is made to the "Metro Series", I actually am speaking of "MetroForce"? NO! The point is the same, I suppose, but no. Metroforce is American Police State and there is an organization now everywhere who actually wear emblems reading "METROFORCE", *International Sanction Control Institute, Protection Services*. YOU LIVE IN A POLICE STATE.

I am also asked what the big deal is and how so many newsletters are sent unrequested from the "New Republic" source. Well, I don't know for there does seem to be Newby's, Grandma's, Newby's & Weeks' and actually the least comes from Ronn Jackson. Check with them, please, for I am not going to give more space to this subject. When Jackson meets his commitments, we will accept that he is not actually on the Adversary's side of this battle. Nobody here touts being psychic. We work with "WHAT IS" just like everybody else does. The world is controlled by the Khazarian Knights of the Round Table—Banksters. I can't believe that the *New Republic* just now discovered it. The participants have had access to CONTACT for YEARS, so what is their problem? You may as well be asking us about the *Orlando Sentinel* or the *New York Times*—they don't ask our input and we have NOTHING to say about their operations. We have been asked for every sort of help but it has definitely been a "one way" trail thus far.

It is said: "Blessed are they who have the gift of making friends for it is one of God's best gifts. It involves many things, but above all, the power of going out of one's self and appreciating whatever is noble and loving in another." USING ANOTHER AND

Dear David Newby:

I concur totally with your letter to Hatonn. I don't understand why they have not published some of your information. Much of it has been a great deal better than the content of some of Contact's recent issues.

Keep up the good work!

Best,

BEING A USER IS NOT THE SAME AS MAKING OR BEING A "FRIEND". It is not that "our way" is the only "right way"—it simply is of utmost importance that the "right way" is our way! We have to hide nothing, tell anyone to "butt out" of our secret manipulations, or apologize TO GOD! Remember, the most honored spot of all is never having to apologize to God for our actions and more especially our intent, for if our intent be within God's guidelines, our actions will follow in the same stance. And, if we have to seek to insert OTHER names for God than that accepted for the HIGHEST "source" of Creation—then we are trying to slip one over on "somebody". God bears many labels and any label MEANING, IN TRUTH, the highest Truth and Light, then so be it. Only the "speaker" KNOWS THE TRUTH—AND, OF COURSE, GOD! It most certainly is not my problem and not yours except in discernment and judgement of actions and truth of a Man's word (generic term for "man" species).

When we catch FLAK, readers—WE THEN KNOW WE ARE RIGHT ON TARGET!

I find that Mr. Newby says he can hardly stand to read *CONTACT* any longer!?! Then why do so? If all you can find from the publication is that which is objectionable to you personally, it hardly seems worthy of your attention. I find it unfortunate, however, for I believe that the "Khazarian" material being presented in *The Southwest Reporter*, etc., is EXCELLENT. The only possible contradiction is that the "system" is sophisticated enough to be unworkable as laid forth in the *Metro Series*. I think that the "leaders" hope they can control all the various strings of "pearls" which they have "cultured" but most people simply like to "belong" and are not necessarily "tools" of the big bad wolves. It goes back, however, to the beginning: *CONTACT* cannot run EVERYTHING and others have not been agreeable to having one shared focus for information distribution. Everybody seems to want their own personal papers and letters and this is perfectly fine—however, we do not have to agree with each presentation nor manner of presentation. Our paper resides in very competent hands and there it shall remain for I do not find "egos" getting in the way of good journalistic presentation.

We, as journalists, become very passionate about our topics in progress, and yet, to cut down on freedom of speech for anyone is not right nor even Constitutionally reasonable. I do not insult your work or your freedoms so I see no reason for you to attack the staff when you are "after" me! I repeat to David Newby and all readers who wonder what this is about—I didn't receive the letter addressed TO ME by any of your routings—save second hand. AFTER receiving copies from Florida and Arizona I finally received one from *CONTACT's* office. Mr. Jackson knows how and where to reach me INSTANTLY, so does your leader not know what his hands are doing? What I resent is NOT the letters of opposition or insult—what I really dislike is the wasting of time on such things and the twittering and twitting about such trivia. You have a world in collapse and to focus on such poppycock is neither positive nor productive. Any time the adversary can get us to argue THE SAME POINT from THE SAME SIDE he has won a round—ponder it.

The POINT is that you readers must stop considering that *CONTACT* has any manner of control or input as to *Ronn Jackson's New Republic*. In that recognition we have every duty and right to comment to our reader's correspondence about such possible integration. If others take exception to this response, so be it, for we cannot prevent such misunderstandings. Readers assume that because I support one segment, that somehow I support all. I don't even know what ALL is being done from that arena but a lot that I do know IS NOT ADVANTAGEOUS FOR INVOLVEMENT. We do not go out of our way to confront the LAW as it is written, right or wrong. The pen is the only tool that can possibly change things, but if the pens scratch in all directions while insulting and taunting the enemy—we

can expect to get scratched in the backlash. To order all the militias to attention and standby is the number one threat. I do not condone nor represent such actions for they jeopardize the VERY EFFORTS SET FORTH IN OUR INTENTS AND PURPOSES. No matter how bad a president or prime minister might be—assassination or "burn the bastard" is NEVER A SOLUTION TO THE UNDERLYING PROBLEM. Threats are for bullies—not mature statesmen.

I hope that every reader gets a copy of and STUDIES all the information offered on anything relative to the Metro Series AND Khazarian control; it is simply that we cannot financially afford to offer it and still cover our own topics. We have to ask you to get copies from the *Ronn Jackson's New Republic* for the same reason—*CONTACT* cannot afford to do the reprints any more than THEY could afford to run everything produced by *CONTACT*. I DO NOT CHOOSE WHAT OTHER INFORMATION CAN OR WILL BE RUN IN THE PAPER! Did "I" start the paper? YES. Do I have input? YES—a lot. BUT I KEEP MY HANDS OUT OF THE RESPONSIBILITY OF THE STAFF; WHY ELSE HAVE EDITORS? IF YOU EXPECT TO BE A PUBLICLY RESPONSIBLE SOURCE OF JOURNALISM—YOU RUN A PAPER AS A PAPER, NOT A NEWS-LETTER THROUGH TITLE OR OTHERWISE.

Any time a personal letter of mine is printed it is because of the decision of the Editors. I always request that a copy of the incoming writing be printed as well so that there is no misunderstanding. I will always respond in a manner that can be publicly printed and the choice is left with the Editor. I keep request for privacy honored in total. These writings which are for printing are only a tiny portion of our work at this keyboard.

I am not even hard on Ronn Jackson, readers. He simply CAN'T keep his commitments, for the "real" world is so much different from that which YOU THINK YOU CAN HANDLE. He is faced with incredible odds against his ability to function and I am quite patient and understanding of that position. It doesn't mean I LIKE it any better than does he. Neither does it mean I am going to turn my back on his plight, either. I will help him ANY WAY I CAN DO SO WITHIN THE RIGHTeous GUIDELINES OF MY POSITION. I WILL NOT INVOLVE MYSELF WITH ANY QUESTIONABLE PROJECTS WITH WHICH HE OR HIS FRIENDS MIGHT INVOLVE THEMSELVES—and he doesn't have to tell me to "kiss off". I am not involved in any measure with anything other than truth bringing, and "remnant" projects which he agreed to FUND. He is most certainly NOT MY ENEMY—he is whatever to me he wishes within the limits of good common sense and positive accomplishment. I appreciate, in fact, the very stance he has taken to KEEP US UNINVOLVED in most of his activities or intentions. Each person must make their own decisions as to function, but when the blood is all used up—there can't be many transfusions from that resource. Promises unfulfilled do NOT refill the blood supply. We helped when there was no supply and please do not put down our people because they cannot now do more—especially in projects to which they disagree with the intent and purpose.

If you are angry with the "real" problem—then so state and you will find willing hands to help, but to knock down or bite the hands already feeding you, and have for years done so, is both unattractive and merits no further input of assistance. I invite disagreements but I dislike insults to a staff of people who work around the clock to do the very best they can. We protect our team members, each and all, and this is why we have no labels in deference to any individual. If Ronn Jackson is pulled down—so too will be *Ronn Jackson's New Republic*. I do not say this is right—it simply IS THE WAY IT IS! Therefore, why should I make sounds of "agreement" when I absolutely DISAGREE? That would be foolish beyond allowable foolishness. Regardless of what you might hear—*CONTACT* is NOT even listed as a source for "domestic terrorists or terrorism"—go check their listings. We may be on there NOW after such

assumptions of joint venture but we WERE not, even when Hawaii's Phoenix Project got on the listing.

This is, in addition, THE REASON WE ASK FOR ABILITY TO PURCHASE, UP FRONT, FUNDING FROM ANY RESOURCE—SO THAT THE MONEY IS PAID FOR AND THE PROJECT CLEAR OF ALL CONTROLS BY THE HONCHOS OF THE MONEY MACHINES. WE ARE HAPPY TO PAY FOR (PURCHASE) MONEY RIGHT UP FRONT IN THE BORROWING BUT WE ARE NOT WILLING TO PAY EXTRA INTEREST OR FORFEIT CONTROL OF SOME THINGS. WE DON'T MIND GIVING FULL CONTROL ON SOME INDUSTRIES FOR EVERYONE NEEDS SOME THINGS AS MUCH OR MORE THAN DO YOU. The assumption is that in the beginning the BOYS WITH THE GUNS AND CONTROL will control EVERYTHING as to production for, as long as you have government which can confiscate EVERYTHING and ANYTHING, you have no freedom. We can work with that for there are plenty of abilities to survive and prosper and never turn from the goodly LAWS OF GOD or from the laws of the land. We don't have to do "shady" deals which jeopardize the well-being of team members and we don't have to sell our souls for anything or anyone. What others do is their business, not mine. We do not have to COMPROMISE integrity to negotiate agreements but we are sick to our beings of being the victims of theft and dishonesty. There is no misunderstanding when a man steals from another man and I am weary of being called to "task" for refusing to accept such behavior under my own nose. It simply will not happen longer. You insult me by stealing from our team and you shall be confronted. You insult us with ego tantrums—you will be confronted. So be it.

Enough of this subject but my team has asked for further discussion and here it is. We need to turn to our own ongoing topics and *THE ONE WORLD ORDER CHURCH* is our next topic until we get more from One Who Knows on *Fire From The Sky* or ongoing depopulation or "mystery diseases". George Green still has the most controversial "Khazarian" reference books *HOSTAGE* so let him hold those that are the problems. He chose it that way! It saves us a lot of problems in many ways, especially at the Canadian border where the material is registered as HATE MATERIAL. It does not help anyone to simply have the work confiscated. It is a brave man who dares to speak truth—it is a foolish man who taunts and bullies his opponents. THERE IS A BIG DIFFERENCE. A lot of valid information is overlooked in debates over NOTHING and to threaten military action against anyone diverts from the receiving of the truth such as: My question is "How can a bankrupt entity, i.e., the corporate United States, declare bankruptcy (which did just happen) when it's ALREADY BANKRUPT?!" This quote is from *The Southwest Reporter* by David A. Newby.

Please remember, readers, that I TOO MADE AGREEMENTS and I intend to KEEP MINE! Mr. Jackson claims to work for the Committee of 16 and it has never been that I have done so. If I have to negotiate with such individuals as Jackson names, so be it. I do not become "them" because I must work with them. My mission is to bring truth of historical fact and get a remnant through. I have to work with the Adversary because he now "runs everything" in your environment—I DO NOT BECOME HIM. If you do not or cannot understand this then you set your self up as a target for EITHER and BOTH sides. In other words: YOU CANNOT EXPECT PROTECTIONS FROM GOD'S SIDE WHILE YOU STEAL FROM HIM. This kind of action places you squarely in the Evil Empire's corner and they are a jealous lot who will dump you the minute you cause trouble or even a problem and it's all downhill from the moment of that action by decision. To pull others with you is all the happier a state of affairs by the "big bad guys" and all the prattling and positioning as cocks-of-the-walk will not change an iota of the facts and truth of the circumstance. Don't TELL me—SHOW me! Thank you, Salu.

The author's name is Calvin Buehrer and he comes from the area of the U.S. "Great Lakes". I will await his permission to print his information. I can share with you a typical insightful letter written by this man to the *Chicago Tribune Inc.* regarding the Vincent Foster death lies:

February 14, 1995; At the same time we were sent this manuscript. [QUOTING:]

Attn. Mr. Howard A. Tyner, Editor
435 N. Michigan,
Chicago, Ill 60611

Dear Mr. Howard A. Tyner:

I wrote you February 9, 1994 regarding the terrible media coverage of Atty. Vincent W. Foster, Jr.'s death. The American people have a right to know the true facts regarding his death. On Feb. 16, 1994 I received a letter from the Tribune stating you will "continue to investigate the Vincent Foster story".

I am reminded of the fairy tale of the beautiful princess on her daily walk, who saw a frog. The frog said to the Princess that he was once a handsome prince and a witch put a curse on him and turned him into a frog but if a beautiful princess would take the frog and sleep with it under her pillow he would turn back into a handsome prince. So she did and when she awakened in the morning there was, surely enough, a handsome prince lying beside her. Boy, did she ever have a hard time making her mother believe that story.

I could believe the fairy tale of the frog and the princess BEFORE I could believe the Vincent Foster "suicide story". I have enclosed two pages of information for your use. If the FBI found blood, hairs on his pants AND semen on his shorts—why would he commit suicide?

The media does not give the American people the true facts. They should be ashamed but as long as we have a controlled press there will be no shame for the lies.

Please publish the true facts on the Vincent Foster story for they are long overdue.

Sincerely yours,
Calvin Buehrer

[END OF QUOTING]

I would guess he got as ridiculous a reply to this letter as to the one prior.

When you stop expecting to have the perpetrators, liars, cheats and thieves tell you truth and facts we can get the truth uncovered more quickly through our alternative routings. AND, perhaps make the ones who continue to cover and hide facts at the least squirm and

twitch a bit!

No, I don't want to run the Vincent Foster story here as included for our subject is not about Vincent Foster this time, it is about the One World CHURCH Order. I'm confident the Vincent Foster lies will still be there when we finish.

ZIONISM

Jewish Zionism has so corrupted the Christian Church that it is beyond recognition.

My father, Rev. Emil Buehrer, was excommunicated from the Evangelical and Reformed Church in 1940 for fighting the Jewish Zionist New World Church Order. In 1957 this Evangelical and Reformed Church united with the Congregational Church to form the United Church of Christ (UCC). During my father's excommunication he went through five church trials from 1935-1940. He went through severe persecution because of his faithful stand. After the trials were over he told his family the stress caused him to rub his forehead until it bled. Now, the United Church of Christ has accepted the Jewish Zionist doctrine of Premillennialism. The United Church of Christ is also negotiating with ten other churches in their move to a New World Church Order.

[H: My scribe is being caused to pause here and ponder her own circumstances and wonder if this is what has happened to the hierarchy of the Phoenix Church of Christ which now has control of this property which was once her own home, still in litigation. One after another of the priests who served as intermediaries of business management have moved their focus for building a Sanctuary and Retreat to another location other than Tehachapi. The original representatives of the church in point are no longer visitors other than occasionally to friends of which neither Ekkers nor myself are longer included. This bodes CHANGE. Certainly, this is not unexpected and Ekkers have been humbly grateful for the interim of having a roof over their heads. It is simply "interesting" to note that the players took what they could get and then announced that whatever they are now doing is "none of your busi-

ness". It is worthy of consideration and thought, nothing more. It is, however, a point of consideration that there is NO CHURCH or group here and it was expected that "they" (the church) would "run things" or, at the least, the hierarchy would do so. Well, there is nothing to "run" as to religion so it seems typical from my viewpoint. MAN IS MORE IN DESIRE OF "CONTROL" AND EGO IMPORTANCE THAN EVER DOING MUCH "FOR" GOD.]

In the *Protocols of the Elders of Zion* the Jews displayed their plan, developed at the turn of the century, to merge all churches into one with an ultimate Jewish Pope. They have infiltrated the so-called Christian Church with their Jewish Zionist doctrine of Premillennialism which teaches that Christ will come to Jerusalem, the City of David, and reign there for 1000 years in their New World Church Order.

Martin Luther, John Calvin, Charles Wesley, John Hess, the Roman Catholic Church and other early churches did not believe in Premillennialism. It was designated to destroy the TRUE Church of Christ and His Heavenly Kingdom of a new Jerusalem, located in Heaven, and replace it with a Jewish-Zionist-ruled New World Church Order whose earthly kingdom is located in "old" Jerusalem, the City of David. [H: Ah, but that too would only be a sign (a symbol), for the United States is considered the *new homeland of Israel*.]

Televangelists Billy Graham, James Bakker, Oral Roberts, Pat Robertson, Jerry Falwell and Jimmy Swaggart are all Premillennialists. Swaggart has testified that the greatest propagation tool of all, that which will catapult 'the witness' (to the gospel), will be television. The only trouble is that they are leading their so-called 'born again' flocks to the New World Church Order which is located in old Jerusalem, in the City of David, and not to the New Jerusalem which is the Heavenly Kingdom where God shall reign forever.

They have changed the truth of God into a lie, and worship and serve the creature more than the Creator, who is blessed forever. *Rom. 1:25*. They have changed the glory of the incorruptible God into the image made like to corruptible man. *Rom. 1:23*.

For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ and no marvel; for Satan himself is transformed into an angel of light. Therefore, it is no great thing if his ministers also be transferred as the ministers of righteousness; whose end shall be according to their works. (2 Cor. 11:13-15.)

I went to a debate on May 10, 1987 between Rabbi Meier Kahane and Rabbi Arnold Jacob Wolf at Mather High School Auditorium in Chicago. Someone in the audience asked former Knesset member and Orthodox Rabbi Meier Kahane if Israel should support the fundamentalist TV movement. Rabbi Kahane answered as follows: "Let us be honest, we have not gotten along well with the Arabs for 2,000 years but we can live with them. Who is the real enemy of the Jew? Was Hitler an Arab? Was Hitler a Muslim? Were the German people Arabs? Were the German people Moslems? I'll tell you who the real enemy of the Jew is: it is the Christian." The Jewish crowd screamed and yelled in approval. The moderator banged his gavel to quiet the crowd. Rabbi Kahane then said, "You know, those Arab nations, they belong to us, as we are the chosen people." Again the Jewish crowd cheered and yelled and the moderator banged his gavel to quiet the crowd. Rabbi

Kahane then said, "You know, the whole world belongs to us, as we are God's chosen people." Again the crowd screamed and shouted as the Jewish crowd was in gleeful ecstasy.

I was shocked when Rabbi Kahane said the enemy of the Jew is the Christian and I let out a grunt and sat up straight in my chair. When Rabbi Kahane said those Arab nations and the whole world belongs to us because "we are the chosen people of God", I was sure my father was correct in 1940 when he told us that Jewish Zionism is creating a New World Church Order. They made great progress in their New World Church Order by the time my father passed away in 1972. The World Council of Churches (WCC), United Church of Christ (UCC) and most other churches have sold out to the Jewish Zionist New World Church Order. In 1955, under Jewish Zionist pressure, the Roman Catholic Church changed the printing of their new bibles to read that the Jews did not kill Jesus. Israel gave Jerry Falwell a free jet airplane as a reward for his contribution to the Jewish Zionist New World Church Order.

[H: Surely so, because over and over again Jerry Falwell stood forth with his fist raised and proclaimed that he "is a Zionist and PROUD of it". Does Falwell have a "right" to do that? Of course, he has a "right" to be anything he chooses.]

The Jewish Zionist Premillennialists have diverted the truth into a lie and changed the new Jerusalem Heavenly Kingdom of Christ into an *earthly* kingdom with its, hopefully, head in old Jerusalem, the City of David. According to the *Protocols of the Elders of Zion* a Jewish POPE will rule over the "church" from Jerusalem.

The Jews wanted to make Jesus their earthly king when He was on Earth 2,000 years ago. It caused Him to weep as He did not come to establish an earthly kingdom, but rather a Heavenly kingdom. Because of this, the Jews hated the man and crucified and persecuted Him. The Jews are still waiting for their Messiah to come. *The Protocols of the Elders of Zion* is their blueprint of their One World Government. The Jews believe they must control the power of the world and the money of the world before their Messiah will come.

When Christ was crucified on the cross, the veil of the temple was rent in twain from top to bottom. *Mark 15:38*. That was the end of Judaism. Now Christians have direct access to God by praying to Christ, through the Holy Ghost.

[H: I hear the myriads of questions pouring forth from you readers and no, I am not going to debate any issues of this nature here. This kind of debating is not at issue; the facts as found later are worthy of note and I don't need to interpret biblical points and counterpoints. This author does what so many authors do—consider the myth that a man called "Jesus" is/was the "CHRIST". I don't have to "argue" to hopefully have you realize that there was no way to separate the two entities from the projected one. "Jesus" was NOT the man's name; it was Emmanuel (Immanuel, Jmmanuel and Esu i.e., Isu Jmmanuel.) This personage became "later" known in reference as Jesus the Christed. I have very little interest to get into the historical perceptions of either the antics of "the churches" or the historians, for I find most of the presentations totally without truth in FACT. This, however, does not change the PROTOCOLS OF THE ELDERS OF ZION OR THEIR INTENT TO CONTROL THE WORLD. We are sharing this author's work—not my opinion. So, please, let us honor him for his work where it counts—in historical FACT.]

Before the crucifixion of Christ, only the Levites could go into the temple to sacrifice lambs to God and sprinkle the blood to signify the coming and death of the Son of God. Now that Christ died on the cross, the only way Jews can be saved is through the blood of Jesus Christ.

There is no such thing as a judeo-Christian religion. It is either Christian or Jewish (Talmudic). If

Jesus was the Son of God, then the Jewish religion was false. If Jesus was not the Son of God, then the Christian religion was false. There can be no compromise on these facts.

The premillennial teaching of a 1,000-year kingdom in Jerusalem is a Jewish-Zionist-sponsored and -financed teaching. They want to rebuild the temple in Jerusalem. When the veil of the temple was rent from top to bottom, that was the end of the Jewish temple and blood sacrifices as it had been known. In heaven there are no temples, as Christ is that temple. *Rev. 21:22*.

Mossad, CIA, Clinton, Bush, Rabin, Shamir, Billy Graham, Pat Robertson, Jerry Falwell, Rockefellers, Rothschilds, Trilateral Commission, Council on Foreign Relations, and all the Jewish Zionist [H: Khazarian.] intrigue in the world cannot sew up and repair the torn veil of the Jewish temple.

Jesus said of the [H: so-called—] Jews in *John 8:44*: "Ye are of your father the Devil, and the lusts of your father ye will do; he was a murderer from the beginning, and abode not in the truth, because there is not truth in him. When he speaketh a lie he speaketh of his own, for he is a liar and the father of it."

The Jews are of their father, the Devil. They are not of God. The natural branches, the Jews, were broken off because of unbelief and the gentiles were grafted in because of faith. The Jews are not the chosen people. The Jewish teaching of Premillennialism cannot be of God because God's Kingdom is in Heaven.

The Zionist so-called Jews, with their blueprint, the *Protocols of the Elders of Zion*, have the world on a collision course. The governments, media, churches, schools and other institutions are under their control. Television, movies, modern music, art, alcohol and drugs have been used to **destroy the home and family**. The only hope we have in America is to break this curse and get back to basic teachings and moral values.

FROM THE PROTOCOLS

"We have long past taken care to discredit the priesthood of the goyim [*goyim = anyone not a Khazarian Zionist, especially gentiles and even including non-Zionist Judeans*], and thereby to ruin their mission on Earth which in these days might still be a great hindrance... Freedom of conscience has been declared everywhere so that now only years divide us from the moment of the complete wrecking of that Christian religion; as to other religions we shall have less difficulty in dealing with them, but it would be premature to speak of this now... We shall set clericalism and clericals into such narrow frames as to make their influence move in retrogressive proportion to its former progress. ... When the time comes finally to destroy the papal court, the finger of an invisible hand will point the nations towards this court. When, however, the nations fling themselves upon it we shall come forward in the guise of its defenders as if to save excessive bloodshed. By this diversion we shall penetrate to its very bowels and be sure we shall never come out again until we have gnawed through the entire strength of this place.

"The King of the Jews will be the real Pope of the Universe, the patriarch of an International Church.

"But, in the meantime, while we are re-educating youth in new traditional religions and afterwards in ours, we shall not overtly lay a finger on existing churches, but we shall fight against them by criticism calculated to produce schism. In general, then, our contemporary press will continue to *convict* State affairs, religions, incapacities of the *goyim*, always using the most unprincipled expressions in order by every means to lower their prestige in the manner which can only be practiced by the genius of our gifted tribe. (Pg. 50, *Protocols of Zion*.)

[H: There is so much backup material as to be unable to reprint all of it here in this format. We will hold articles, pictures and only use a selected few for

proof of this documentation and then the Editors will need to decide how best to integrate the "whole" of the contents of this manuscript. Our only purpose is to point out the direct instructions which come from the Elders of Zion through the *Protocols of Zion*. PLEASE REALIZE THAT ALL OF THE INSTRUCTIONS ARE CARRIED FORTH FROM THESE "ELDERS" IN THE WRITINGS OF THE TALMUD AND NOT THROUGH THE TORAH. THEREFORE, PLEASE REALIZE THAT THERE IS NO INTENT TO USE OR PRACTICE ANYTHING OTHER THAN THE TALMUD AS THE BIBLICAL TYPE OF INSTRUCTION TO THE NEW WORLD ORDER THROUGH THE *PROTOCOLS OF ZION*.]

PROTOCOLS REF: KING OF THE JEWS

"I pass now to the method of confirming the dynastic roots of King David to the last strain of the Earth. This confirmation will first and foremost be included in that in which to this day has rested the force of conservatism by our learned elders of the conduct of all the affairs of the world, in directing of the education of thought of *all humanity*. Certain members of the seed of David will prepare the kings and their heirs, selecting not by right of heritage but by eminent capacities, inducting them into the most secret mysteries of the political, into schemes of government, but providing always that none may come to knowledge of the secrets. The object of this mode of action is that all may know that government cannot be entrusted to those who have not been inducted into the secret places of its art.

"To these persons only will be taught the practical application of the aforementioned plans by comparison of the experiences of many centuries, all the observations on the politico-economic moves and social sciences—in a word, all the spirit of laws which have been unshakably established by nature herself for the regulation of the relations of humanity.

"Direct heirs will often be set aside from ascending the throne if in their time of training they exhibit frivolity, softness and other qualities that are the ruin of authority, which render them incapable of governing and in themselves dangerous for kingly office. Only those who are **unconditionally capable for firm, even if it be to cruelty, direct rule will receive the reins of rule from our learned elders.**

"In case of falling sick with weakness of will or other form of incapacity, kings must by law hand over the reins of rule to new and capable hands. [H: Let it be known right now that this is EXACTLY what happened with the execution of Rabin just weeks past. EXACTLY!] The king's plans of action for the current moment, and all the more so for the future, will be unknown, even to those who are called his closest counsellors. Only the king and the three who stood sponsor for him will know what is coming.

"In the person of the king who with unbending will is master of himself and of humanity all will discern as it were fate with its mysterious ways. None will know what the king wishes to attain by his dispositions, and therefore none will dare to stand across an unknown path.

"It is understood that the brain reservoir of the king must correspond in capacity to the plan of government it has to contain. It is for this reason that he will ascend the throne, not otherwise than after examination of his mind by the aforesaid learned elders.

"That the people may know and love their king it is indispensable for him to converse in the market-places with his people. This ensures the necessary clinching of the two forces which are now divided, one from another by us by the **TERROR**." (Pg. 63, *Protocols of Zion*.)

[H: The next is a copy of a notice sent confidentially to "all Jews".]

PROTOCOL FOR WORLD CONQUEST 1956

Confidential Notice to All Jews
(Orthodox, Reform,
Non-Religious, and "Christian")

We are about to reach our goal. World War II furthered our plans greatly. We succeeded in having many millions of Christians kill each other and returning other millions in such condition that they can do us no harm.

There remains little to be done to complete our control of the stupid Goyim.

JEWS IN AMERICA—These are your final instructions prior to take-over:

1. Continue to enlarge our control over radio, TV, newspapers, movies and magazines.
2. Educate our sons and crowd the Gentiles out of the practice of LAW, MEDICINE, PHARMACY, and all the RETAIL TRADES.
3. Make their Schools and Colleges training camps of our RED revolution.
4. Bring ridicule upon their Christian faith, divide their people, weaken their churches.
5. Demoralize their women and children.
6. Corrupt their courts and bring them into contempt.
7. Turn class against class. The Negro against the White.
8. Buy politicians and continue to corrupt their local, state and national governments.
9. "GET" the Fascist anti-Semites, one way or another.
10. Use willing tools like Truman, Eisenhower, Stevenson, and Warren; they will do our bidding.
11. Plan unlimited immigration of our persecuted people without restriction.
12. Continue our control of their MONEY through the Federal Reserve System.
13. Continue to place Jews in key positions in government, army and navy.
14. We must destroy the Republic and replace it with a Democracy (Jewish-governed state Socialism).
15. Continue our control over labor, agitate unrest, strikes and violence by any means or schemes.

Especially through these methods shall we plunge this country into destitution, demoralization, bankruptcy, and civil war, further lessening the numbers of our enemies.

The Bolshevik Revolution made us masters of Russia.

The last war made us rulers of all Europe except Spain.

Let the NEXT WAR make us MASTERS OF AMERICA.

For the preservation of our race, you are warned to renounce, abjure, repudiate and deny any of this information if questioned by Gentiles, *EVEN UNDER OATH*, as directed by the *Talmud*.

It is needless to caution you of the terrible consequences that might follow if these instructions should fall into Goyim hands.

AMERICAN RABBIS.

What does this symbol mean to you?

C.J.S.
March 19, 1993

This is the logo of the American Jewish Press Association, the professional organization of over 175 Jewish newspapers and magazines in the U.S. and Canada.

When you see this symbol on a newspaper it means that you can expect to find the highest level of journalistic standards and business ethics being practiced.

In Illinois, the *Chicago Jewish Star* is the only independent Jewish publication affiliated with the AJPA.

Our AJPA membership is one of the many reasons why the Chicago area Jewish community can depend on the *Star*.

I wonder if it matters at all? And how many of you even realize that the United States of America officially and formally filed BANKRUPTCY within the past very few WEEKS. You have been bankrupt since 1933 but I think nobody told you and NOW, it is official and nobody gives a damn. It is certainly time to look up and pay attention, citizens of the world with souls enough to realize your plight. Remember, the name of the game is TO GET YOUR SOUL, HUMANS!

Good evening and thank you, Dharma, for another long day at this keyboard. Salu.

HOLOCAUST IN LA-LA-LAND

Since I am rather stuck with writing more on the Nazi-Jewish vs. Khazarian Zionist problems I find I have no alternative save to acknowledge what is thought to have happened, by most sleepy people who are "too much in love to say goodnight". It seems to be the words to a long-ago song but then, too, this all happened a very long time ago and yet grows in intensity every time it is written about by the "revisionists".

REVISIONISTS

No, I do not accept the definition of "revisionist" as presented by the "orthodox" Holocaust speakers or presenters. The indication is that recent writers who QUESTION FACTS are called, in nasty, dark, and terrible threats, "revisionists". NO! A REVISIONIST

Ecstasy To Agony— Through The Plan 2000

"You as a people gave oath and contract to your children and their children that you have and hold a *Constitution Of The United States Of America* and hold a lamp of freedom and guidance to all the world to light the path to sovereignty of 'man' and freedom to the oppressed. You have lied, cheated and brought down the light into extinction and the world now calls the U.S. 'THE GREAT SATAN'."

"If you can and do do things of ungodly horror against another, so shall it come to pass that ye shall reap of the same reward tenfold"—and thus sayeth the Lord. Well, I'd say it's coming back now as you read the pages of Plans and manipulations intended to bring you into bondage. I'd say, in the similar words of Ross Perot: You are in deep voo-doo doo-doo." ECSTASY TO AGONY THROUGH THE PLAN 2000

In the course of men's lives comes the opportunity to do that which is ungodly or that which epitomizes the intent of GOD. Through the ages of man's experience he has often been brilliant and often become as evil creatures of manufactured robotic actors on the stage called physical life in expression. As unbalance has occurred so has the very planet brought ending to civilizations--some at the hands of the very men who would have rule and kingdomship over all things physical--wistfully efforting to capture the very God-soul of each and all beings. The cycle has come full circle--the time is at hand and YOU must know that which has brought you down. Herein is presented "THE PLAN" for capture by the adversary of God--and that which could have saved your world--had you borne God-Truth as your shield. Where shall YOU go from here?

is one who incorrectly presents what happened—

FIRST. Therefore the "revisionists" of the Concentration Camps called "Death Camps" as presented by such as the Anti-Defamation League of B'nai B'rith (A British-Intelligence Organization), The Jewish Press Association, lawyer Alan Dershowitz, etc., are liars at best and total revisionists at any defining. Do "they" have a purpose other than TRUTH? Yes indeed, the taking of the United States of America and all of America as the Israeli HOMELAND and political, financial and working control of global physical directions and ownership. The POINT is to bring about the NEW WORLD ORDER OF ZIONISM. This is not necessarily the SAME type of purely EVIL intent of control of drug trade, domination by total Force, or necessarily to simply own for the sake of control, all the wealth of human expression. They accomplish the SAME THING through cooperation and merging of intent but you now come to the time of the CLASH OF THE EONS AS THE DRAGONS BATTLE FOR ULTIMATE VICTORY OVER THE OTHER. YOU SEE, AT SOME POINT AN ULTIMATE DICTATOR MUST EMERGE FOR THEREIN IS THE WAY THAT SATANIC ADVERSARIES MUST BREAK THE SOULS OF MANKIND.

This ultimate victory will be achieved through very harsh and unbelievably cruel ways from collapse of your economy and then collapse of your very governmental system which means no welfare, no social security, no anything except chaos. Politicians do not continue to SERVE if their paychecks of wealth are stopped. The politicians are pawns used by the Elite Banksters and Drug Lords to CONTROL you-the-people through their criminal and non-judicial control of the systems of Republican Government.

This is to speak of a REPUBLIC, not the Republican Party. George Bush was/is a Republican—but in actual life practice he is very high in the world listing of the Evil Empire of purely Satanical Maniacal operations. He sold his soul long ago—NOW HE IS GIVING AWAY YOURS.

I DO NOT DENY HORRORS!

I myself am called a "revisionist" and a denier of a "holocaust" in Germany. NO, I am not either. I simply say that logistics and NUMBERS do not add up to the outrageous claims of "only Jews", 6 million Jews and other such foolish accounting stories. What about the other people who died in that terrible war of the Banksters? THE JEWS FINANCED THE VERY WAR IN WHICH THEY ALSO SUPPOSEDLY WERE MURDERED. SOMETHING IS AWFULLY WRONG IN HISTORICAL OUTLAY. However, on the other hand

the very purpose is to cause a world to think a given race, creed, or color is under direct oppression to gain world sympathy so that the masses walk into the SAME TRAPS. IF YOU HAVE STOLEN GREAT PROPERTY AND MURDERED THOUSANDS OF A GIVEN RACE OF PEOPLE—AND YOU HAVE TAKEN THEIR NAME IN ADDITION, WOULDN'T YOU WANT TO CLEAR OUT THE WITNESSES? Stop your silly games and face the consequences of your narrow blinders. To be against thieves and murderers does not mean you are against ALL OF ANY RACE, CREED OR COLOR.

Do I blame an Alan Dershowitz for his attitude about a Jewish Homeland in the United States? No, he

INSTEAD OF GARBAGE, I WILL DO NOTHING. I DO NOT HAVE RIGHT NOR DESIRE TO FIX YOUR WORLD—THAT IS YOUR JOB. If you enjoy your circumstances then why should I change your attitude? God does not force or coerce but no longer will he sit by while the criminals rip-off HIS PEOPLE without note or action. And again, only "information" will be offered and the how-to of action by legal means—never through force through violence. Lie, cheat and/or STEAL against GOD and HOSTS and their workers, and every time possible, the hand will be played which exposes such actions. The repercussions will be as quick and severe as is possible under YOUR LAWS. To

steal from someone and then make it appear to be "their fault" is deplorable and unacceptable. It does not matter whether or not it is the bank, the government OR THE NEIGHBOR who steals your money and your very lives—it is WRONG, AND ALL THE ARGUING ABOUT IT IN THE WORLD WILL NOT MAKE IT RIGHT! AND ALSO, SAYING A "THING" WILL NOT MAKE ONE IOTA OF DIFFERENCE WHEN THERE IS PROOF OF ACTIONS TAKEN OTHERWISE. ALL THE LYING BOUND TOGETHER WILL NEVER MAKE A TRUTH! You may lie and never be uncovered but that does not change the "evil" for the lie is still the lie and it does not become TRUTH no matter how many people "vote it in".

Oh, indeed, in the world the "arm and hammer" are coming down and you sleepy people do not even recognize your enemy and by not recognizing your enemy—YOU CANNOT KNOW YOUR FRIENDS.

In line with our trust and as a journalistic press we offer only those things which have merit in both integrity and press—I can't do more for your confirmations, readers. I present, the other journalists "present". And YOU must make decisions and draw conclusions built on that

information. If you think the original author of any material is nuts or bigoted, fine, just stay aboard until you read the backup information. HIDING TRUTH DOES NOT MAKE A LIE INTO TRUTH.

With this in mind we will offer some backup information to go along with our last offering of *One World Church Order*.

[QUOTING, PART 2:]

SHOCKING AUSCHWITZ TESTIMONY

From *SPOTLIGHT*, By P. Samuel Foner, January, 11, 1993.

The director of Auschwitz has been filmed on

HOW DOES THE BADGE OF YELLOW LOOK WITH ITS BLACK OR CRIMSON STAR OF DAVID UPON A JEW'S ARM INSIDE NAZI-LAND, AGAINST THE WHITE FACE OF WINTERLY SNOW? HOW WOULD THAT YELLOW BADGE WITH ITS BLACK OR CRIMSON STAR OF DAVID LOOK ON MY SON'S ARM, OR MY WIFE'S, HOW ON MY OWN --- THE QUESTION, WORM-LIKE, EATS INTO MY HEART, AND, LIKE A GNAT, IT BURROWS IN MY BRAIN.

BUT WHY ARE WORDS, AND WORDS ALONE ENOUGH? WHY NOT ASSUME THE FULL, LAST BOND OF UNION AND WITH ONE'S OWN HAND ON ONE'S OWN ARM PLACE THE FATED YELLOW BADGE WITH DAVID'S STAR BEFORE THE EYES OF ALL -- IN THE U.S.A. AND PARIS, LONDON, MOSCOW, IN VIENNA AND MADRID -- THE QUESTION, WORM-LIKE, EATS INTO MY HEART, AND, LIKE A GNAT, IT BURROWS IN MY BRAIN.

YES, PUNISH ME BECAUSE I DO NOT DON OF MY OWN WILL THE SIX-TOWERED STAR OF DAVID AND THE ROUND EMBLEM OF THE YELLOW BADGE, TO HEARTEN ISRAEL IN THE HANGMAN'S LAND, TO PRAISE AND TO EXALT THROUGHOUT THE WORLD THE ARM THAT WEARS THE GLORY OF THIS CREST?

TRULY,

THE QUESTION, WORM-LIKE, EATS INTO MY HEART AND, LIKE A GNAT, IT BURROWS IN MY BRAIN!

videotape (David Cole's video is on VHS for \$49; available from Liberty Library, 300 Independence Ave. SE, Washington, D.C. 20003.) admitting that the so-called gas chamber there was constructed AFTER the war.

In a dramatic and unprecedented filmed interview, Dr. Franciszek Piper, senior curator and director of archives at the Auschwitz State Museum, admits on camera that "Krema I", the alleged "homicidal gas chamber" shown off to hundreds of thousands of tourists every year at the Auschwitz main camp, IS, IN FACT, A RECONSTRUCTION, FABRICATED AFTER THE WAR BY THE SOVIET UNION—apparently on the direct orders of dictator Josef Stalin.

What Piper said in effect—and on camera—was that the explosive Leuchter Report was correct: No homicidal gassings took place in the buildings designated "homicidal gas chambers" at Auschwitz. (The Leuchter Report, \$20, from IHR, P.O. Box 2739, Newport Beach, CA 92650.)

Ironically, for someone to even suggest such a thing could bring a jail sentence in more than one country—including enlightened nations like France, Canada and Germany. (Just ask Ernst Zundel. But more about him later.)

"FACTS" ARE LIES

With this admission by none other than the responsible head of the Auschwitz State Museum, one of the most sacred "facts" of history has been destroyed. It is the major historical "fact" on which the foreign and domestic policies of all of the Western nations since World War II are based.

It is the basis for the \$100 billion in foreign aid the United States has poured into the state of Israel since its inception in 1948—amounting to \$16,500 for every man, woman and child in the Jewish state and billions more paid by (West) Germany in "reparations"—not to mention the constructing of Israel's national telephone, electrical and rail systems, gifts of the German people. It is the basis for the \$10 billion "loan" (read "gift") made to Israel for housing immigrants in occupied territories, while Americans sleep on streets and businesses are bankrupted by the thousands.

Germany is paying "reparations"—and the United States is making major contributions—to atone for the "gassing at Auschwitz" and elsewhere. If the "homicidal gas chambers" were postwar creations, in which no one was gassed regardless of race, creed, color or country of national origin, then these "reparations" were unnecessary, and were based on fraud.

The videotape on which Piper makes his revelations was taken in mid-1992 by a young Jewish investigator, David Cole. It has just been released, on January 1, 1993, although Cole announced his project at the 11th International Revisionist Conference at Irvine, California last October.

Cole's production follows 12 years of intensive investigation by dozens of historians, journalists and scientists who have tried to get to the bottom of what really happened at Auschwitz.

In 1979, the Institute for Historical Review (IHR) was founded which coordinated these investigations in an effort to "bring history into accord with the facts". Since then the IHR has published dozens of papers and books, none of which has ever been refuted, concerning various aspects of the "holocaust". [H: But they have been threatened, bombed, shot and generally terrorized. Proof has it that at the least the Jewish Defense League was behind the more terroristic actions.]

A major aspect that has been investigated concerns the gas chamber theory, and the biggest and the busiest gas chamber was supposedly at Auschwitz.

The activities of the IHR have been so controversial that on the night of July 4, 1984, after two years of harassment and vandalism, it was burnt to the ground by Israeli agents. Miraculously it was able to continue

operations after some months of inactivity.

INSTRUCTED FROM YOUTH

Like most Americans, since his youth Cole had been instructed in the "irrefutable fact" that homicidal gassings had taken place at Auschwitz. The number of those so executed—also declared irrefutable—was 4.1 million.

Then came the Leuchter Report in 1988. This was followed by a "re-evaluation" of the total deaths at Auschwitz (down to 1.1 million). As a budding historian—and a Jew—Cole was intrigued.

Previous to 1992, anyone who publicly doubted the 4.1 million "gassing" deaths at Auschwitz was labeled an anti-Semite, neo-Nazi skinhead (at the very least). Quietly, because of revisionist findings, the official figure was lowered to 1.1 million. No mention of that missing 3 million.

In 1988, Ernst Zundel was put on trial in Canada for "publishing false news". He sold a book which questioned the legitimacy of the Auschwitz gas chamber. [H: There are several journals which are confiscated at the Canadian border for using exactly this type of article as offered HERE. It is called hate literature and is simply confiscated. This would seem to be a bit more serious than just controlling the stories allowed in a FREE press?!!]

Helping with the defense were internationally known historians including Robert Faurisson, David Irving and Mark Weber.

Zundel went looking for an expert on executions, particularly gassings. He found Leuchter, who specializes in the design and fabrication of execution hardware used in prisons throughout the United States. Leuchter was commissioned to visit Poland and conduct a scientific examination of the so-called homicidal gas chambers.

On February 25, 1988, Leuchter left for Poland together with his wife Carolyn, his draftsman Howard Miller, cinematographer Jurgen Neumann and Polish interpreter Theodore Rudolph. They returned on March 3. Then he wrote his controversial report.

NO GAS CHAMBERS

His conclusions were clear: The evidence was overwhelming that there were no execution gas chambers at Auschwitz, Birkenau and Majdanek and that the alleged gas chambers at these sites could not have been, then or now, utilized or seriously considered to function as execution gas chambers.

In the words of Dr. Wilhelm Staglich, another internationally known historian, "The extermination thesis stands or falls with the allegation that Auschwitz was a 'death factory'."

Leuchter says:

The purpose [of the investigation and subsequent report] does not include a determination of any numbers of persons who died or were killed by means other than gassing or as to whether an actual Holocaust occurred. It, further, is not the intent of this author to redefine Holocaust in historical terms, but simply to supply scientific evidence and information obtained at the actual sites and to render an opinion based on all available scientific, engineering and quantitative data as to the purpose and usages of the alleged execution gas chambers and crematory facilities at the investigated locations.

With this in mind, Cole took his video equipment to Auschwitz [in 1992] and interviewed official personnel there. Piper was the most important of these interviewees. Following his comment that the "homicidal gas chambers" were fabrications, Piper reveals, on camera, how walls were knocked down, holes made in the ceiling and "Zyklon B induction chimneys" installed on the roof so that the building could be

exhibited to tourists from all over the world as a proof of the "final solution".

And Piper doesn't stop there. He describes other "proofs" of the "final solution", which are also "reconstructions". He discusses the routine use of Zyklon B to delouse buildings and the personal effects of internees, and he admits, on camera, that the Leuchter Report's findings concerning Zyklon B residues in the alleged gas chambers at Auschwitz are right. [H: Please recall that your now Pope of the Roman Catholic Church before becoming this impressive personage—did in fact, SELL ZYKLON B GAS TO THE CONCENTRATION CAMPS.]

PARADOXICAL BELIEFS

He then, paradoxically, affirms his belief, not only in homicidal "gassing chambers", but also in the "human soap" tales and the stories about "human skin" lampshades, both of which allegations which long ago have been totally debunked. [H: How can you question the "soap" story? Well, look at the pictures of the bodies shown to you. Number one: there wouldn't be bodies of any kind to show you if the bodies were consumed in such manner. Two: it requires FAT to make soap—and the conditions of the bodies they also show you have so little fat as to be worthless as soap base."]

And the revelations go on. In the video, you tour Auschwitz with Cole and hear him being told that the main camp "gas chamber" (Krema I) is in its "original state". You will see the undaunted Cole ask so many questions about the obviously ridiculous nature of this "gas chamber" that the guide feels it necessary to call her supervisor over to answer the young historian.

Cole says:

When I went to Europe in the autumn of 1992 to conduct my own investigation of the sites of the alleged "gassings" of Jews during World War II, two ideas were paramount in my mind.

The first was that the trip be recorded on videotape so that, rather than bringing back a bunch of colorful anecdotes to bore my friends, I would bring back an objective record of what I found. What I expected to be the great learning experience for me could be one for others too. My discoveries could become your discoveries. Hopefully, I would ask the questions that you would ask if you were to make the journey yourself.

The second idea was that I would go as a Jew. No two peoples have been affected more by the Holocaust than the Germans and the Jews. We know how difficult it has been for Germans themselves to expose the deceptions of the Holocaust Lobby. Germans are forbidden by law, in their own country, to state publicly that they do not believe in the orthodox gas chamber stories; forbidden from discussing THEIR OWN HISTORY.

Jewish organizations have decided that they must have a monopoly on the Holocaust issue. I reasoned that if I went to Auschwitz as a Jew rather than as a "revisionist", that I would have a better chance to cut through the misinformation and lies that so distort what really happened in the German camps during the war.

Perhaps, I thought, if I were to approach the Auschwitz officials as a Jew, my pointed questions, tactfully put, would be interpreted not as the debunking questions of a revisionist, but rather the sincere questions of a righteous Jew wanting to get the real facts to answer those back home who say there were no gas chambers.

(I remember at one point, standing in Krema I, telling the supervisor of tour guides at Auschwitz that "You must tell me the whole truth so that when I get back home I can speak with authority against those who say 'all this' never happened.") So, donning my yarmulke, and not letting anybody in

Poland know where my sympathies were, I began my journey.

The Cole videotape PROVES that the people who run the Auschwitz State Museum had made a practice of fabricating "proofs" of homicidal gassings. Keep in mind that, over the years, millions of tourists have been told that Krema I is in its original state, while the officials knew that this "original state" is a lie.

The political, religious, financial and historical ramifications of this Auschwitz cannot be measured. Coupled with the Leuchter Report, the Cole videotape proves that what every Western government has taught since World War II is a lie. It proves that what televangelists such as Jerry Falwell and Pat Robertson HAVE BEEN TELLING THEIR FLOCKS IS SIMPLY **NOT TRUE**.

No one, regardless of race, creed, color or country of national origin, was gassed to death in any building so designated at Auschwitz. And without "homicidal gas chambers" at Auschwitz, where is the reasoning for the special treatment afforded the secular state of Israel?

[END QUOTING OF PART 2]

Now let us just add onto this writing a writing by your Professor of Law at the Harvard law School, JTA, Alan Dershowitz.

[QUOTING:]

ANOTHER CRACKPOT IDEA

by Alan Dershowitz

Cambridge, Mass. February 14, 1992

A crackpot named Bradley Smith claims that the Holocaust never happened, that there was no Nazi "policy to exterminate the Jewish people" and that the gas chambers were "life-saving ... fumigation" rooms.

Every legitimate historian [H: If JEWISH, THAT IS!] knows that millions of Jews—infants, grandmothers, men and women—were ingathered from throughout Nazi-controlled Europe and systematically murdered as part of Hitler's genocidal final solution.

Entire Jewish communities and villages were exterminated by machine gun squads, mobile gas vans and large gas chambers.

Many members of my own family were slaughtered in Poland. When I visited Auschwitz-Birkenau, I saw the names of my relatives on the list of those gassed and cremated.

I know survivors—like Nobel Prize-winner Elie Wiesel—who experienced the death camps first hand. I have spoken to American soldiers who liberated death camps at the end of the war.

Despite the incontrovertible evidence of the Holocaust—the Nazis themselves documented many of the killings—there are cruel bigots who are trying to persuade naive people that the Holocaust is a "myth" perpetuated by Jews "promulgating anti-German hate propaganda". [H: The FACTS are that hardly anyone has disclaimed that there was a "holocaust" but simply that it is NOT AS PRESENTED as to DEATH CAMPS. If you can't hold truth in one thing—truth in all things becomes hidden and accepted as a total lie once the first lies are proven to be lies. If one person was murdered—it is a "holocaust" and to lie simply brings disgrace and lack of honor to the ones who died for any reason. The TRUTH here is terrible enough to carry its own sorrow—why lie when the truth is already so terrible? Because of MONEY! The worst pictures shown of inmates in the Concentration Camps—WERE OF PEOPLE IN THE EISENHOWER DEATH CAMPS FOLLOWING THE ACTUAL WAR! GO READ OTHER LOSSES.]

By the use of this double-speak—accusing the vic-

tims of employing hate propaganda—Bradley Smith and his ilk have been trying to turn an incontestable historical fact into a "debatable issue".

The Holocaust deniers realize that they cannot "win" the debate during this century. They envision a two-step process: the first is to make the truth of the Holocaust a "debatable" issue; the second is to "win" the debate in the next century, when the victims and perpetrators of the Holocaust will all be dead.

As part of this process, Smith has tried to buy full-page advertisements in college newspapers ("Printing Holocaust denier's work arouses anger at U of I", *Chicago Jewish Star*, Jan. 31). These ads call for "open debate" on whether the Holocaust occurred. [H: And what in tarnation is wrong with open debate????]

Invoking currently vogueish language about "campus thought police" and "political correctness", Smith says that students should be "encouraged to investigate the Holocaust story the same way they are encouraged to investigate every other historical event." [H: Please keep an eye open to your TV and movie schedules now that you are to the Christmas Season—the airwaves will be blanketed with such as *Shindler's List* and other well-known FIC-TION tales. There was no effort to deny that *Shindler's List* was a movie made from FIC-TIONAL MATERIAL, and yet it is required viewing in schools across the globe and is featured as one of the greatest "true stories" ever told or made into a motion picture. NO, it is a movie script of total fabrication—BY THE ADMISSION OF THE MAKERS OF THE PICTURE.]

I agree with that formulation. The Holocaust should be studied in the same way that "every other historical event" is studied.

American slavery is studied, but no one "debates" whether there were slaves, because that is not a debatable issue. [H: No? Come on, Mr. Dershowitz, YOU got into the debate about Farrakhan's revealing that THE JEWS WERE THE ORIGINAL SLAVE SELLERS AND STILL ARE! Facts prove that Jewish slave-traders and British-Israeli runners were the bearers of slavery and owners of the World Drug (opium)

Trade.]

The detention of Japanese-Americans during World War II is studied, but there is no debate about whether this historical event occurred, because it is not debatable.

Who killed President Kennedy is debatable, but not whether Kennedy is still alive, as some tabloids have occasionally claimed.

The occurrence or non-occurrence of a universally accepted historical event does not become a legitimate issue for academic debate just because some crackpot says it is debatable. An initial burden of persuasions must be satisfied before a ludicrous idea is given the imprimatur of reasonable debatability.

MOSHIACH AWARENESS BLITZ — In a national pre-Passover campaign to promote knowledge of the Jewish messiah (Hebrew, Moshiah), five Lubavitch Chabad "Mitzvah Tanks" were in Chicago and area March 24. The Lubavitchers, who are traversing the continent from east to west, appeared in 11 locations here, as well as stopping at the University of Illinois in Champaign.

Rabbi Peretz Chein (above left) was among the Lubavitchers who offered literature on the subject to pedestrians at the Daley Plaza. They believe that recent events indicate that the messianic era, led by a human moshiah, is close at hand.

Rabbi Baruch Epstein, of Lubavitch Chabad in Chicago, told the *Jewish Star* the blitz "was very good, people really enjoyed it. It was a good, worthwhile program."

At Highland Park high school, there were Jewish students who put on tefillin in the Mitzvah Mobiles, said Rabbi Epstein, while at Rush & Elm, in Lincoln Park, there were lively discussions with passers by.

— Chicago Jewish Star photo

Holocaust denial has not come close to meeting the preliminary burden.

In addition to its demonstrable falsehood, Holocaust denial is cruelly hurtful to survivors. Just imagine how a man like Elie Wiesel must feel when he hears a call for "open debate" about whether his family was murdered by the Nazis.

For these reasons, many college newspapers turned down Smith's dirty money and refused to run his nasty ad. In doing so, they followed their policy of being selective in the advertising they will accept. Many refuse ads for phone sex, quack medical cures or racist, sexist or homophobic views. [H: Now somebody like YOU tell me what is so terrible about requesting a debate on any issue?? A "debate" is simply a discussion on facts regarding a subject or topic of any kind. Don't you debate AIDS, politicians, sex practices and preventive "safe-sex" and myriads of OTHER topics? What is THIS whining and moaning and "disgust" about? I think it becomes obvious WHAT IT IS ABOUT!]

Some college newspapers ran the ad. The most questionable decision was made by the Rutgers *Targum*, which turned down the ad but then ran it as an "opinion" column—for free. [H: A JEWISH ENTITY.]

The *New York Times* [H: A Jewish entity.] praised this approach, arguing that the "editors thus transformed revulsion into education". [H: Note the use of "revulsion" and "education"—no mention of TRUTH OR LIES, or search for information in historical facts.]

Will the *New York Times* now run ads that are rejected for their dishonest and offensiveness as op-ed articles? If so, it can expect an influx of ad applications from advocates of racist, sexist, homophobic and anti-Semitic views that are the common fare of such bigoted rags as the *SPOTLIGHT* and *Race and Truth*, but that are not regarded as worthy of editorial coverage by the mainstream press.

Private newspapers have a First Amendment right to publish or decline anything. [H: And I suggest you not forget it, Mr. Dershowitz.] **ONLY THE GOVERNMENT MAY NOT CENSOR BECAUSE OF THE CONTENT OF EXPRESSION.**

Our government has never tried to censor Smith's garbage, nor should it. [H: Oh BARF, BARF!]

Recently, Smith invited me (Dershowitz) to debate whether the Holocaust occurred. He knows he cannot win, but he would like to be able to say that Alan Dershowitz regards the issue as worthy of debate.

I have written him that I will debate the Holocaust, but only as part of a series on the following subjects:

- (1) Slavery did not exist in America;
- (2) Elvis Presley is still alive; and
- (3) The earth is flat.

That is the company of crackpot "ideas" into which Holocaust denial comfortably fits.

[H: In other words, Mr. Alan Dershowitz fits the mold of his colleagues in hate and denouncement of free citizen discourse, freedom of the press and speech and insults the man while not DARING TO TAKE ON THE SUBJECT DUE TO HIS BLITHERING AND INSIPID LACK OF NERVE. THIS PROVES THAT THE MAN IN POINT IS LESS THAN A COWARD AND RUNS AND HIDES BEHIND HIS SERPENT BUDDIES WHO PROFFER THE LIES IN THE FIRST PLACE. ALAN DERSHOWITZ IS THE PERSON WHO FIRST DARED ANNOUNCE THAT THE U.S. IS THE ISRAELI HOMELAND! THE REST IS UP TO YOU, READERS. The facts are that Alan Dershowitz is such a coward that he wouldn't take on any debate at all on the subject because he knows he would end up being the mop to clean the floor.

[END OF QUOTING]

We are out of space so please let us leave this here. I want you to also take note that we have not singled out tacky or ill-begotten pictures and illustrations—THEY COME RIGHT OUT OF JEWISH MATERIAL, PAPERS AND LITERATURE. If you are Jewish in assumption of the term, then I think you should THINK carefully on possibilities that YOU may NOT ACTUALLY be Jewish at all as presented in Torahanist presentation. "Jew" as a word, remember, was coined

by the Khazarians who took over the Judean RELIGION and decided to call themselves "Jews", in about year 1765 A.D. The "Jews" of Biblical acceptance may well base their religion on the *Torah* and Biblical logic. However, the so-called self-styled "Jews" took the name and took the Talmudic Instructions and proclaim Zionism as their ULTIMATE GOAL. Most affiliates have no lineage from Hebrew Judeanism AT ALL. Certainly they do not come from the line of Shem (Shemites or Semites) so by their own proclamation: they are NOT SEMITES so how could there be ANTI-SEMITISM even related to their population? YOU ARE PEOPLE OF *THE LIE* AND IT CAN KILL YOU AND BURY

YOUR NATION. You are already enslaved to a bunch of commercial overlords in politician's clothing who have united AGAINST YOU-THE-PEOPLE through a United Nations-run NEW WORLD ORDER and ONE WORLD CHURCH ORDER. Think carefully about this today for tomorrow will surely be too late.

May we all ask for guidance as we internally debate possibilities and look HONESTLY at facts presented and see the logic and reason rather than the star-struck fantasy of second-hand immorality and sick games thrust upon you. You are a dying species, human of earth Shan. Perhaps it is as well!!? Salu.

"FOREWORD"

LIFE IS LIKE A BOWL OF OATMEAL WITH A PANIC ATTACK

I am told that we need an INTRODUCTION to book number 159 and that somehow it can't wait and I don't even know the reasons it can't wait but publication in print is NOT among them.

It seems that some have offered to do indexes only to find that, after actually indexing a journal, they quite urgently change their task requirements. We also have another problem or two—there are some 50 volumes ready and waiting for printing funds. So, Dharma sits to the keyboard with difficulty in finding balance. With all these things in mind and to make it easier down the line—PLEASE CONSIDER THIS THE FOREWORD TO JOURNAL 159.

I don't want to be either trite or flippant but we have a nice new snag from opponents in the guise of Greenunpeace in stating that because "there is a 'Volume Dedication' we are somehow in the novel-writing fiction category of book production." So, if someone will tell me what else you can call a journal so it doesn't present as a book once the pages stack up to some 200, I will be happy to call it that. We, when we could afford it, could accomplish that in less than TWO papers! Ronn Jackson's *New Republic* does that in one week of FAX phonings. Do I intend to stop writing and does Dharma intend to stop typing? No we DO NOT! Who else is going to step out front and tell you about soggy oatmeal and Yucca juice?

Who else is going to be the FIRST to point out that old Deep Throat (literally, from "Watergate") Kissinger also threatened to go over the heads of the FBI to get some of his damage done? Now the major question about Kissinger is whether or not he eats his oatmeal in

the mornings? I doubt it but I now fully recommend SpeltaLoopies so you can DIGEST the rest of your day(s). How dare I come along and actually tell you that Spelta is better for you and WHY, while I somehow damage the soggy oatmeal hanger-oners and the Wheaties boys. Well, then, let us go one step further and point out that SMUT infection has been spread throughout areas of the grain-belt and 99% of the consumers are allergic to it (intentionally) and the smut cannot be cleaned out of the grain through processing except through high-temperature and still the residue is an allergen. SPELTA MAY WELL PRODUCE IT'S OWN FORM OF SHIELD WHICH WILL APPEAR SOMEWHAT LIKE A MOLD—BUT IT ISN'T (IN FACT THE SHIELD IS ONE OF THE BEST COUNTER ATTACKS TO HISTAMINE RELEASE OF ANY PRODUCT YOU MIGHT FIND ANYWHERE FROM ANY DRUG HOUSE). NEVER MIND THAT, HOWEVER, FOR IF YOU EAT YOUR SPELTIES AND DO YOUR COLLOIDS AND ESPECIALLY OXYSOL (DIAMONDS IN COLLOID) YOU WILL ALSO GET RID OF YOUR ALLERGIES AS THE IMMUNE SYSTEM COMES INTO FIGHTING FORM.

Spelt will not compromise its fruit to suit the grower's drive for quantity—it will simply build itself a shield of bigger and thicker insulation—which in turn is exceptional in both insulation and radiation

shielding. Now, isn't this fun?

Next, there are lots of things we can use to help in drought areas to enhance moisture retention and some of the products in cosmetic use are unsurpassed. Yucca is a wonder-product. It is a "wetting" agent, will clump around roots to hold moisture TO THE PLANT, can be scattered with plain old pumice and go a million miles on a tank of gas. In a field it also shields the root system from too much water as in "flooding" because it will not allow more on the root system than the plant can use. With pumice you have the ideal volcanic glass compound that can react with the wetting agent and form a bubble of air around the plant's root system. You can even refine it down further with other planting mix products which actually are made to hold water—as in yucca. The point, however, is not to strip the world of yucca plants so, obviously, you have a new agricultural product. With just these two additives along with carbon (charcoal) you have the balance which will, growing the RIGHT crops, regain sweetness to your soils.

I bet you didn't realize that Spelta is about the ONLY crop grown that is 100% ORGANIC IN ITS NATURAL STATE of anything you can do or buy.

No, I don't care if the WORLD DOES NOT KNOW. I don't know about YOU but I am sick and tired of feeding our products to our enemies while they work until they turn the gold into nuggets for their treasure houses and our people STARVE!

And moreover, what about the big hitch over DHEA pulled from open shipping? Never mind—go eat yams. The variety from Mexico as in "wild" unhybridized type, is where it naturally comes from. The Masai of Africa are the healthiest beings on your globe and that is what they eat almost exclusively.

Now, readers, please don't come forward with a long list of how to use these things and what "else" we should do—we know WHAT TO DO AND HOW TO DO IT. WE CAN'T AFFORD TO DO IT FOR WE END UP WITH LIARS AND THIEVES AMONG US.

SPEAKING OF

People don't like us to write the facts and truth for

you expect us to act like some cult in spasmodic Spiritualism smiting the "they seemed like such nice people" in letting them take and tell whatever they like and never mentioning it lest "someone find out they were not nice at all".

I found it interesting yesterday when Rod Ence/Enz was watched taking and loading all the Farm Equipment onto a truck headed for Idaho—that he shouted to the neighbors that "those people are cult-members and troublemakers, so don't listen to them." Even the neighbor whose property Rod was using had to leave the scene, he was so embarrassed over the Enz antics. Rod shouted insults at Brent while also telling Brent how sorrowful he was over Brent's involvement to blindness in "that cult"! The only thing I can ever see "cultish" about anything around these parts—are the ones who took, stole, lied and cheated IN BUSINESS. Is not the SOUL attached to the body doing these deeds?

Nothing was done to stop Mr. Ence/Enz (who brought his beautiful daughter along to run shield for him). He was shot at many times—WITH ALL MANNERS OF CAMERAS SO THAT NO ONE CAN SAY IT DIDN'T HAPPEN. MR. ENCE EVEN TRIED TO COVER THE CAMERA LENS. You have to understand, readers, that the people have worked diligently here to build a research project farm where they can produce fine products in affiliation with an Institute which functions as the BEST in academic recognition. We had a nice start into recognition with its own publisher embezzling at the least (KNOWN) almost half a million dollars—right off the top. So, what would another \$25 to \$50 thousand hurt? Well, it hurts EVERYBODY! Mr. Ence/Enz was, while he did this cute trick, a member of "that cult" to which he refers, AND PRESIDENT OF THE INSTITUTE BOARD OF DIRECTORS, TOOK FUNDS (INTENDED FOR THE INSTITUTE) FOR HIMSELF PERSONALLY, AND THEN COVERED IT UP WITH LIES AND MORE LIES AND A RUINED FARM—AND BLEW UP THE MOTOR ON THE TRACTOR HE BOUGHT FOR HIMSELF. No, I guess he doesn't want us to say too much; it is "uncomfortable" but he is going to "fix them cultists"; he is going to get ex-judge Jason Brent to "scare hell out of them". I don't think so for there are some nice legal issues in the writing to focus on that big-deal Jason Brent for his past antics and there are a lot of people who have been hurt by him. After all, Jason Brent is the one who wrote for the influential *MENSA SOCIETY* for brilliant nerdnicrats that "you might as well face it, depopulation is absolutely necessary—we must accept that the elderly, infirm and stupid will have to be killed." No, I do not jest—he really

DID IT. Now, I think if Mr. Ence/Enz wants to go with that insipid party in point, he should just go ahead and do so. Maybe he might consider George Abbott except that Mr. Abbott only takes cases from people he has already stolen from and knows have more funding. And, by the way, Rod, \$25,000 won't even begin to cut the mustard with regard to legal fees. Ask Leon!

SUPREME COURT OF NEVADA

Our friend, Gene Dixon, attended THE Supreme Court hearing regarding Dave Overton's gold—yesterday, with Brad Elley who represented the Institute as legal counsel. Each attorney was allotted 12-15 minutes (and they work with a time-clock). The Justices hearing the matter kept David Horton for over half an hour pinning his proverbial ears to the blackboard. The final judgement is not yet written—but it did not bode well for the lying, cheating George Green. He and Horton were caught in so many lies and deals as to embarrass the court. So, readers, THERE IS HOPE FOR A RETURN TO JUDICIAL TRUTH—IF YOU CAN JUST LIVE LONG ENOUGH! THEY EVEN GOT ENTANGLED WITHIN THEIR OWN ASSOCIATED PRESS RELEASES. Indeed, readers, yesterday was a GOOD DAY!

It was interesting that, while this battle was being faced, Mr. Ence/Enz was loading to ship the stolen property (two tractors, a potato planter and a beautiful rig of fine plows) across many state lines, all the way to Idaho (with a stop-over in St. George, Utah, where he grew up and his family lives, to drop off the small tractor). I think that is interesting since he can claim he is simply going to get funds back and repay the gifter—BUT, it doesn't work that way because he has taken the property from other parties. You must understand that through the Institute, in the form of gifts or loans, the GIFTER is covered by notes and/or at the least protected from IRS search and seizure. SOMEBODY HAS TO ACCOUNT FOR THE FUNDS WITH THAT OLD UNLOVABLE IRS! Ence has a worse problem because he has received a lot of assistance from the State and Fed. Government for family and children's needs.

What I think I dislike the most in all this is that NOW, both the shipping people and the receiver of the goods are responsible for RECEIVING STOLEN GOODS, SHIPPING STOLEN GOODS AND ARE SUBJECT TO LAWS GOVERNING INTERSTATE TRANSPORTING OF STOLEN PROPERTY. Rod just kept reassuring the truck driver that his paperwork was

in perfect order and that he was the true and legal owner of the property. Oh??? I don't think so!

Can you see my point, people? Tangled webs from deceit will always come back to bog you down and nobody can do anything to help you. I am now expected to HELP some who filed "land claims" and have been indicted for doing same. I CAN'T HELP YOU BECAUSE, WHATEVER YOUR "INTENT"—YOU BROKE THE LAW! I can't help it, either, if the laws are WRONG. "They" have big GUNS to enforce their laws—and believe me, readers, THEY MAKE SURE THE LAWS ARE PROPERLY MADE ENOUGH TO OVERRULE YOU THE CITIZEN AND "UNCONSTITUTIONAL" DOESN'T LONGER HAVE ANY IMPRESSIVE VALUE AT ALL. This simply is not a wise way to go about change for YOU ARE THE ONES WHO GET HURTED AND DEADDED.

I believe, Dharma, that this should be taken from the computer so that other things can be attended early in this day for a lot of things are taking place which must be attended. We need to be able to get another product or two available and yucca is one of them—in ability to take internally as a natural herbal product. You will find it to be one of the BEST lubricating and cell moisture-holding elements available for general use.

Just leave this open and if we have time to write more, we shall. Thank you.

FIRE FROM THE SKY PART V

CONTACT has already run, with great appreciation, the first Four parts of this ongoing series of writings by an author who must, for the moment, remain unknown. We are JOURNALISTS, not rabble-rousers; we are always in concern for our friends and contacts who share so generously with us for whatever reason. However, when someone puts his very life on the line to allow us to have support in TRUTH, we are humbly grateful. The times of which the Prophets spoke are now in their blossom. It is time for full disclosure so that YOU can make "final choices".

CONTACT: The Phoenix Project

CONTACT is a unique and inspired newspaper for concerned citizens everywhere, though it particularly focuses on the United States because of this country's special mission in the affairs of the world. That is, "As goes the United States, so goes the world."

CONTACT is a vehicle for Commander Gyeorgos Ceres Hatonn's most recent writings on important current affairs, plus those from other enlightening sources, on matters critical to a responsible and informed public at this time of planetary transition and final days of battle between the Forces of Light and the "Evil Empire" forces of darkness.

CONTACT exists to counteract the manipulating lies and clever half-truths put out (on purpose) by the regular print and broadcast media prostitutes of the Satanic Elite controllers—parasites who are in the process of economically, physically, and spiritually collapsing this once great country (and actually the entire planet) down to a slave-state level of existence under their diabolical control plan called The New World Order.

This newspaper, *CONTACT*, began life on March 30, 1993, risen, like the mythical bird, with great determination "up from the ashes" of its internationally acclaimed predecessor called *THE PHOENIX LIBERATOR*.

THE PHOENIX LIBERATOR, in turn, began life in mid-October of 1991, having evolved from an earlier newsletter called the *PHOENIX JOURNAL EXPRESS*, which itself came into existence as a faster way to get THE TRUTH out to you readers than was possible with the more substantial "book" format of the *PHOENIX JOURNALS*. Much incredible ground has been covered so far in that mission.

While the *PHOENIX LIBERATOR*'s motto reminded all that "The Truth Will Set You Free", the *CONTACT*'s motto, displayed prominently in the masthead, takes that thought another important step forward and proclaims: "Ye Shall Know The Truth And The Truth Shall Make You Mad!"

The "Phoenix Project" is about those preparations needed—at body, mind and soul levels—to both understand and survive the great healing changes which are beginning to energize this beautiful little planet, now so frazzled and tortured from abuses of all kinds. We look forward, with great expectations, to the *CONTACT*ing with all of you—a coming together that is rapidly taking place as the entire Phoenix Project "ground crew" continues to connect, solidify, and gain strength through becoming informed of THE TRUTH. Indeed, welcome aboard, friends!

Thoughts On Truth & Honesty

As We Arrive At Holidays

12/17/95 #1 HATONN

QUALITY, TRUTH, AND HONESTY

How and when can you demand excellence, quality, and truth? ALWAYS!

What do I mean here? I mean that there is never a time unless there is "discounting" of a product for lesser value or you purchase "as is" or whatever might be a REASON that a price or expectation might be lesser and for that reason the purchase price is lesser. At the least, if there is a flaw or expectation of lesser than perfect value, you, the one receiving, must speak out.

How can I example? In pondering the past couple of days let me see if I can find some little thing that might qualify as a focus. Ah yes, on the yesterday a lovely appearing floral arrangement arrived for Dharma and E.J. This came from friends who live a great distance, Bill and Germain. Every arrangement ever sent from them has been exceptionally beautiful and last year's pink (yes, a distinctively different) poinsettia lived and remained beautiful for almost the full year. It had special "twigs" with a tiny "cardinal" or two, a lovely bow with pine cones and sparkles—it was strikingly beautiful.

Yesterday came the same "ordered" arrangement only, guess what, there were a couple of poinsettia

plants of great beauty, with greens and a little bow tucked away behind some foliage, also "stuck" in the basket with no visible way to water. On the surface the arrangement was beautiful and certainly there could be no big scene made about it. But, this morning came the shocker: part of the flowers were totally wilted and dead and the ribbon had fallen off, having been "tucked" (not affixed to an appropriate pinning) into the pot almost as a second thought—to hide a blank place in the floral balance.

FLORISTS KNOW POINSETTIAS CANNOT BE USED FOR CUT FLOWERS—BUT LOW AND BEHOLD, IN THE EMPTY SPACES WERE TUCKED "OBVIOUSLY CUT" STEMS OF POINSETTIAS. Without the fullness of the now wilted blossoms, the arrangement is not worthy of the cost to the sender. So, now we have the problem—what might be the solution? Dharma has an obligation to call, or ask another to bring this to the attention of the florist who had the arrangement delivered. The people who ordered the arrangement have NO WAY to know and the people using the lesser product KNOW that this is not acceptable so it becomes a DUTY of the receiver to attend the matter or, at the least, find out what or why this happened. Certainly an artificial blossom or two could solve the problem—but did the sender of the gift desire an artificial arrangement or pay for and expect a beautiful arrangement of live plants to last through the holidays? If this were an intended artificial arrange-

ment and a blossom fell, you could tuck it in with a touch of glue and perfect the appearance again. This cannot be repaired for it was deliberately set up to deceive as you can see the CUT on the stem of wilted plant. No, it is not acceptable and it is the receiver's responsibility in this circumstance to make sure the florist "fixes" the flowers. A call on Monday should do it for no business person wants this kind of thing happening—or they should tell the customer any circumstances which may have caused employees to take such shortcuts for there are MANY this time of the year in the hustle and bustle of party arrangements for an evening of needed decorations. This is NOT the circumstance here and to leave this unattended is not worthy to the ones sending the gift. This is shoddy carelessness and COVER UP and is not acceptable business.

This is not a serious matter but we needed an example and this is an excellent and available example. What happens next in these instances is that people stop going to that florist and perchance the owner of the shop never knows WHY. This can be corrected but when a surgeon removes the WRONG FOOT as recently was shown in the news, and had to then amputate the "correct" gangrenous foot, the man was left with NO FEET!

Could you, for instance, have known that George Green would take \$350,000 in cash and hide it? Yes, for all the signs of sleight-of-hand dealings were on everything the man and his wife touched. When the floral arrangement is delivered and you are told these are beautiful flowers, only they are the new invisible hybrid flowers—for goodness sakes, can't you "giving" people stop the nonsense and SEE the empty basket? The basket itself might well be a worthy offering, but not if someone has paid for and ordered the basket filled with "something" which the dealer has promised but not supplied.

Yes, indeed, I feel even more strongly about those who sell you colloidal silver with lemon-yellow food colored water or Casio watches of the cheapest variety with a "Tesla" label affixed so you THINK you are getting a "frequency" item. THIS IS FRAUD! Of course one is worse than the other FOR THE RECEIVER—THE PROVIDER KNEW EXACTLY WHAT KIND OF CHEAP RIP-OFF HE WAS PROVIDING TO THE PERSON SUCKERED.

When you allow yourself to be a party to any cover-up of shoddy product—you become as guilty as the perpetrator. When you steal from another—you are offering a shoddy product and lies will not change it. It doesn't matter about a flower or two—except that someone deliberately used the wrong materials and this RUINS THE FLORIST'S BUSINESS IF ALLOWED TO GO ON UNREPORTED.

If a colloid of silver has no colloid particulate of silver—it is worse than useless—it is downright criminal in intent.

Moreover, if someone takes, without permission, ANYTHING, it is criminal intent! No matter what the needs assumed might be. If you need food—then ASK for food, do not steal another's property and sell it for your own gain. When you take something and then cause ANOTHER to appear to be the culprit, the "wrong" is compounded.

Some people are spending this holiday season in great sorrow because they got caught in their nasty

Colloid Product Update

by E J Ekker

I am remiss for not having passed this information on to you readers sooner; for that I apologize. Toward the end of the GaiaGold, GaiaCol, OxySol sale one of our Canadian friends placed quite a large order and mentioned this to me on the telephone. When I remarked that that represented quite a sizeable investment, she responded, "Yes, and that is exactly what it is—an investment. I've been thinking about what you said the first time I called you about loaning money to the Institute and you suggested that we have some supplies plus some coins to use should the paper currencies collapse, before we considered loaning money to the Institute. Well, it has occurred to me that a store of the colloids is probably more valuable and a better way to store value for 'barter' than coins. In ordinary times if the price of gold and silver goes up, so will the value of the colloids—and if things get really bad the colloids could become invaluable."

We have hesitated to print the myriad of amazing reports of the effects of these products (when backed up by the use of Gaiandriana and AquaGaia and Spelta), both from the local crew and out there in readerland, but if only one tenth of them were true, we are witnessing "miracles" every day.

Doris and I take this opportunity to wish you all a healthy and happy Holiday Season.

little secret games and they pout and shout about how mistreated they are. NO, GOOD FRIENDS, DO NOT LISTEN TO THE WHINING AND CRYING, FOR RESPONSIBILITY MUST COME BACK TO THE PERPETRATORS LEST YOU LOSE ALL BALANCE AND MORALITY IN YOUR WORLD.

This is the same for a President who has lied and thieved and cheated his way through his office, to one who has taken the secret candy bar from the check-out counter of the discount store. If a man will steal a candy bar belonging to another—he is quite capable of stealing a tractor.

People say to Dharma, "Ask Commander to give us a quick pick-up and spiritual catch-all for the Holidays, please." She becomes bewildered when I then bring you this type of lesson! But THIS IS the lesson you must LEARN—not the pious lies about flying visible angels and magic toys appearing. When, by the way, the magically appearing toys are considered—the magic is usually a theft of some kind even if no more than in the heart. I take no merit in an "unfortunate" childhood where Mommy and Daddy were too strict or whatever the garbage usually is. When you are "grown" and continue to blame ANYTHING else for your actions—you NEED HELP with your soul. If you are having a bad time answering for your indiscretions—so be it for you have earned it—JUSTLY. Believe me, the ones who are cleared of blame wrongfully placed on them—MUST RECOGNIZE THE RELIEF AND JOY OF HAVING TRUTH PREVAIL AND THE RESPONSIBLE PARTIES TO THE CRIME RECOGNIZED—EVEN IF REPAYMENT IS NOT FORTHCOMING, FOR A MAN ONLY HAS HIS GOOD NAME AND REPUTATION—OR HIS BAD ONE!

WHEN ARE YOU GRATEFUL?

All of us have reasons to be grateful. The word usually means that we have received something. Often the thought of gratitude is that warm feeling you get when someone is generous and sharing. We are particularly grateful when we get unexpected gifts from those who owe us NOTHING. Within a family, we expect such acts of love because we are close to one another, especially at the Holiday Season of exchange and gifting.

But gratitude must not come from just being a receiver. Gratitude is warmest when it accompanies the JOY of being able to give without expectation of anything in return. We then find it isn't ever enough to simply feel grateful. We have a need to then express our gratitude by showing kindness and service to everyone around us.

Gratitude is the greatest of all heart-openers. When it enters the heart, love pours out. For every kindness we receive, gratitude inspires a hundred acts of giving. Our problem then becomes one of limitation and balance as we then try to express in equal measure, and beyond, that which is given or expected. And above all things—kind and loving words are the most enduring. Even a gift given in love simply reminds the receiver of the kindness of the other's heart each time it is seen or used.

You must not, however, be ONLY grateful for the joy for we have no right to ask, when sorrow comes, "Why did this happen to me?"—unless we ask the same question for every JOY that comes our way. Please note that in every instance—GOD SENDS JOY, EVEN IN CREATION. MAN SENDS AND PROJECTS SORROW FROM HIS DEALINGS AND USE OF CREATION.

Dear ones, the price of dishonesty is SELF-DESTRUCTION and each must be allowed his own path.

When you see a wrong being committed by one against another, you have obligation to attend it. And when, as the old wise saying goes: "When with grief you see your brother stray, Or in a night of error lose his way, Direct his wandering and restore the day. Leave

to avenging Heaven his stubborn will, For O, remember, he is your brother still." However, after offering the way to right a wrong and you are spat upon—for goodness sakes, get the heck out of the line of spittle and stop the "wishing" that it were different. You MUST DEAL responsibly with WHAT IS, not with what you wish would be. When you have no seed for the planting because a thief stole your seed-grain, it is WRONG to require no accounting. If it be only YOUR empty belly, then you can make other decisions, but when it is not JUST YOURS which is taken, you have OBLIGATION TO ATTEND, WITH JUSTICE, THE CIRCUMSTANCE—AND THE THIEF. THE NEXT ONES IN LINE TO RECEIVE NO GRAIN FOR THEIR TUMMIES SHOULD BE THE *ONES WHO HELP TO COVER FOR AND ASSIST THE THIEF!* WHEN YOU LEARN THAT WHEN ONE CHOOSES TO DAMAGE ANOTHER—HE DAMAGES ALL, WE MAY BECOME WORTHY OF TRUST FROM *GOD*. BECAUSE OF THIS VERY ATTITUDE, THE WORLD IS ALL BUT LOST.

NATIONAL BUDGETS AND NASTY POLITICIANS

Again today you have a government in chaos—and WHO are the ones being hurt? Right: YOU—the citizens. No politician goes without salary; no interest goes unpaid—only the direct SERVICES to you—the citizens are shut down for "show and tell". This time they didn't DARE cut the welfare lest they be tarred, feathered, and railed out of Washington. What a bunch of silly children you citizens are considered to be. I guess since the game works, then you may well fit the assumption.

But don't you see, citizens, that this budget "thing" and all these games and wars are coming at your most vulnerable time? Can't you see the handwriting scratching across your walls and across the sky? The Elite control-mongers are not hurt through these little deeds—YOU ARE!

We are told that Washington D.C. is aquiver over the filings of the Ronn Jackson six with the U.S. Supreme Court. No, the filings didn't even make it past the junior CLERK who sent it back with a very reasonable notation that the action was inappropriate as to "jurisdiction". CONSTITUTIONALLY, THE CLERK IS CORRECT! Do you actually think the government thugs are STUPID? No, they are shrewd, cunning, and out to take the world and all justice from any judicial system. Complaints are made to me for suggesting that simply grammar errors are noted—WELL, THEY ARE NOTED AND "CRACKPOT" CLASSIFICATIONS ARE HANDED DOWN ABOUT THE ERROR-MAKERS. *I HAVE NOT SAID IT IS "RIGHT"; I HAVE ONLY SAID IT IS SO.*

I can tell you right here and now that there is no one anywhere who more wishes that Mr. Jackson would get his job done—than myself. People are being hurt all over the map because of his failure of keeping one's promises and words of commitment. If he could, however, do so—don't we all think that he would—if for nothing more than "saving face"? We each look only at OUR PROBLEM and fail to realize that the problems of one are the PROBLEMS OF ALL. Further, as one deceives any one about another—the WHOLE is deceived.

IF I TELL YOU TRUTH, FRIEND, DOES THAT MAKE ME LESS YOUR FRIEND???

If your lamp is empty as go some of the tales of miracles and you FIND a jug of stored oil of which you knew nothing and you fill your lamp—is it less a "miracle" than to have lamps burning on NOTHING? Ah, take care in

your answer—for one is a "mysterious miracle" while the other is a "mystical miracle" and will be a LIE conjured to look like an act of God in miracle-ism. I would remind you, however, even about the lamp: if you have no flame or wick—you have NO LIGHT!

You must come to KNOW that if you want light from a lamp you must have a container which is capable of holding fuel, a wick to draw the fuel and above all things, a flame to ignite the gas given off by the fuel from the wick! When any of these THINGS are not present—you have no LIGHT from THAT lamp! And THAT, dear ones, is simplified PHYSICS.

How many of YOU go forth and say, "God will provide" while you ignore all return to God? NO, what you mean is that "someone" will provide who has care enough to do so for my needs. So, you will find provisions, say, from a government will simply enslave you—while you assume God is on the trail of your wants—FOR NOTHING IN RETURN. Nope, doesn't work that way—GOD RETURNS, WITH INTEREST, THAT WHICH YOU OFFER HIM IN INPUT. GOD recognizes your actions as reflections of YOUR INTENT. If you, for instance, have the most elaborate Christmas lights on your property, does it make you greater in Christmas TRUTH than the neighbor with few? No, it means you have more Christmas lights, nothing more and nothing less. Your personal REASONS for having more may well tell a great depth of information about YOU. And, if you have a lot because you enjoy it—IT IS WONDROUS INDEED. Check out your reasons for doing what you do and you will gain great and wise understanding.

The same thing holds true with hopping about to visit those you never visit otherwise, simply because you are in or on Holiday. Perhaps they would as soon you not consider yourself so important as to consider you other than as a pain in the proverbial—extra bedroom. Friendship, visits, and visual beauty are to be shared EQUALLY—or the results are not what YOU might believe when only thinking of SELF. Is a drop-in guest as welcome when you are trying to get off to work or on your own visitation, as when you have nothing else PLANNED? Consider this for IT CERTAINLY DOES make a difference. Do you use visitation as an excuse or a handy reference and cheap overnight? Do you notice how many MORE family and friend visitors you get if you live next door to Disneyland versus out in the middle of a remote field where the wind blows incessantly?

Now, sit for a moment and consider your own actions. Do you DO THINGS because you think someone else will "think something" about your doing or not doing—or because you know that what you do is appropriate and worthy of YOUR time and attention? How about the accepting of commitments which later end up on someone else's plate and you go do your own thing?? How many husbands invite guests and simply cause a wife to have to attend the visitors while the husband and invitor goes about HIS BUSINESS, when the wife

has her own, now plus his, things to attend?

EVERY ACTION MUST BE CONSIDERED—EVERY ONE. How hard is it for you to simply say "No Thank You"? It is important to our mission that you answer this question—for our job is 24 hours a day, 365 days a year—without consideration of holidays or week-ends. Do you

Thank You From Zita

Zita Morris would like to thank all of the CONTACT readers who sent their support through cards and letters during the past 2 weeks. She has not been able to answer all of them. So from Zita:

Thank You!

cause untold problems through your inability to accept this truth? Some have agreed to do no more than go visit everybody—my crew agreed to NOT DO THAT. Is this too much to ask or give—the answer is IMPORTANT. Do you do a thing because you REALLY WANT TO or just because it is ritual and tradition? This becomes even MORE important.

Ah, but you say, I must GO "SOMEWHERE" to meet a business colleague, a mate, a—you name it. Would it not be better to meet, especially a mate, doing what it is you DO? In that way you recognize mutual truth and interests and are not left to later find you HAVE NOTHING IN COMMON UPON WHICH TO BUILD A BUSINESS OR LOVE RELATIONSHIP. Do you see that EACH INSTANCE AND/OR THING is received or given ACCORDING TO YOUR PERCEPTION?

Am I reprimanding or pinching toes? I hope not but the facts are that you are only the center of YOUR points of interest. When you demand to be the point of everyone else's point of interest—you err greatly. This action and perception becomes egotistical and ego-based demands upon others with their own ego-demands. Until you can assume RESPONSIBILITY and consideration at all times, of another's rights and focus—you aren't going to get on too well for the self-centeredness will soon bore and tire the OTHER. But now I ask you, if you do not receive balanced return from your input into another—how long can you function in proper blossom? Should you? Of course not for it destroys, ultimately, you, the other and all who must interface with you. Man likes to consider this a complicated state of affairs—no, it is as simple as the most basic ego, id growth or lack of it. Your inner KNOWING will tell you quite clearly exactly what you think about things. Whether or not you act on that knowing is your business, but you KNOW when a thing or relationship is not quite right for all inclusive. Love is blind? No, love can be most foolish in one's need to have another but the image is rarely factual in fundamental truth. Love is allowing and can, as with God, be ABSOLUTE—but it places more "conditions" upon SELF than all other emotions and activities. Usually the requirements then are shoved off onto another—to meet your own perceptions and needs. And through it all GOD ALLOWS you to blunder, hurt self and others, and never changes HIS "conditions" or HIS "absolute" giving in His LOVE.

Some will say in great self-wisdom that God created the adversary and that means that God also created Evil. So, this being so, what do you think YOU should do with Evil? I would suggest that you use it for the lessons you can learn and the growth which is presented through the correct and wise use of the circumstances which present evil actions into and within self and your circle of experience. You most certainly can be with an evil man without becoming the evil man. These are THE fundamental lessons of TRUTH IN JOURNEY. When you see error in your own actions against another it behooves you to get right rapidly with rectification of the error lest the one you injured move to return the favor for, when the actions include many, action must be taken and, if it be against YOU, so be it.

Now let us take up "confusion" for just a minute. You usually are NOT "confused", actually, but rather you are failing to see FACTS while getting "opinions" from every Tom, Dick and Harry around you. YOU KNOW TRUTH and you KNOW WHAT IS RIGHT AND WRONG and a big TALK game is exactly that—a cop-out for extending the time of choosing for self and measuring the personal gains from either side. A "confusing" circumstance can only be "confused" if you fail to get answers even if you don't like the truth of the facts as presented in the answer. If a man's actions are WRONG—he has invited the JUDGEMENT upon himself for those actions. Unless YOU condone such dishonesty—why would you continue to defend and be the FOOL? GOD EXPECTS YOU TO STAND FORTH AS A PILLAR OF TRUTH—NOT A WISHY-

WASHY FOOL OF THE CON-MAN'S GAME! And YES, it IS easy for the soul KNOWS TRUTH and will not abide long with the side of EVIL WRONG-DOERS. If you do not wish to be counted with the Devil's band then it is better to be away from within that BAND. This does not mean that you have to toss grenades at the Devil or his BAND but neither do you accuse your brother who has taken a righteous stand against the wrong-doer because you have no backbone. Ones, further, in responsible positions—have to make CHOICES and ACT ON THEM. YOU may well consider that YOU don't have to do so and so you drift. If so, you have made a serious error in your decision for you HAVE MADE A CHOICE, after all.

You will look back over your actions and, strangely, you will find that the times you acted in TRUTH, JUSTICE and LOVE are the outstanding moments of your life. When you take a stand for the rightness of an individual when others are putting him down unrighteously—you know within that you did the "right thing" and there is nothing which surpasses the "right thing" when you could have just done NOTHING and saved further confrontations. With each revelation you must be prepared, however, to confront whatever might come from the truth in presentation. Just as when the lamp is finally lighted in a dark room—the bugs and roaches run for the shadows but you know they are there and all the lying about it will not make it otherwise. In other words, readers and friends, YOU MUST BE PREPARED FOR THE SHINING OF THE LIGHT—for it reveals all the hidden places of the secret evils taking

place in your physical expression but the very learning prepares you for beyond the physical when you will find that only TRUTH is acceptable.

In my opinion, about the worst deed of man is when he thieves, cheats or lies and then CASTS THE BLAME UPON ANOTHER! This is the lowest action of the base ego of human man. Pity the man who acts thusly and have compassion for those who must endure with him—until they wait too long and CHOOSE HIS WAYS AS THEIR OWN and then turn away from them as well for they have made their choice to the adversary and cover-up. I give little of either to such choices for God ALWAYS gives the alternative of TRUTH or, at the least, A RETURN TO TRUTH. If a man acts in error of informed knowledge, he can correct his course through informed learning. When he chooses to prolong or continue in the wrong path deliberately—he has chosen his consequences as well.

I believe that this is enough and if you choose to do so, we can devote part of our meeting today to this topic which, surely enough, does of its own volition become THE FOCUS of this particular holiday season. Right or Wrong stand alone as opposing emotions and actions and YOU must confront which you choose to accept or create.

May you always be willing to WALK and THINK in the LIGHT OF TRUTH—lest you be confused into a wrong passage.

Salu and blessings rest upon the beings of the righteous for the unrighteous must require their own confrontation and contradictions.

STICKING TO A SUBJECT

I don't stick to one sole subject because the SOUL is impacted by all the myriads of things happening within our UNIVERSE. Souls are housed in bodies—physical on Earth and it would seem logical to me that we must answer questions about all things—not just one topic of interest.

The IDEA of Christmas and a worshipping of the idea of a Christ-child being born somewhere on the globe is wondrous indeed. The facts ARE that EVERY CHILD BORN is a CHRIST-CHILD. People, and the life they have, cause a decision or billions of decisions to DIRECT a child's pathway. It must be recognized that a LEADER of MEN must likewise be MAN. You have spiritual guidance but a leader must be one who can, from his own human experience, become the leader (teacher) of those of his own kind in their natural state of presentation or manifestation. For instance, a mouse will not usually be found leading a pack of cats—although a pack of cats may well be following the mice. Therefore, IF you are going to follow a HIGHER calling to soul truth and ideal life-freedom, you have to have, at the least, contact with ones who KNOW TRUTH.

In this recognition and for the masses to recognize which path leads to GOD, say, you must come to know their teachings and what it is they pursue or "follow" as guidelines. This holds true for the Baptist religion groups as it does for the Catholics of Rome or the Jews of Jerusalem. What is not easy to comprehend is the wide diversity of beliefs taught and mandated through doctrines which would, on the surface, teach the same thing. No, this is not so AT ALL.

"Christian", as you can see from everything about you, has become an isolation of worship of a MAN called "Jesus". He, this man in point, was not even named Jesus. His name was Emmanuel (read that same Bible you hold aloft as your guide source). Does that make his label wrong? Yes. Paul (Saul of Tarsus—Jesus' enemy) named Emmanuel, Jesus, in Greece after having left the Holy Lands. NO BIBLE EXISTED THEN AND NONE EXISTED IN COMPILED FORM UNTIL OVER 300 YEARS (3 CENTURIES) AFTER JESUS' LIFE-EXPRESSION IN MORTAL FORM. Then the "Gospels" were gathered from MANY written accounts and put into a volume called the New Testament. There is NOTHING of Jesus' or Emmanuel's WRITINGS within the book for Jesus WROTE NOTHING. His was a VERBAL teaching, as are the Ancient's method of teaching—a handing down of stories and

parables for and to others who scribed whatever was placed into the accounting scrolls and records. So, Oral Teachings can be set to print but only through the traditional speakings can the tales be remembered. The original receivers, to hold the tales in accuracy, had to form stories in their own minds which would allow them recall of facts, i.e., the Higher entities would be recalled as birds and the lower life forms as lesser animals or reptiles and fish—even insects. In this manner of picturing (visions) a story can be retained for eternity. This is now recognized as being "the" Oral Tradition. It works UNTIL man comes along and literalizes the WORDS and fits his own definition to words which cause a term to no longer have original meaning. The more clever and shrewd of the "operators" of mind-warp can now lay claim to having changed every meaningful word on the globe.

It is assumed that I hate the beings who do not believe in God and/or Christed teachings. NO, I DO NOT. The concept of ANTI-Christ realizations thrust into a physical expression of MAN's demands in attempt at CONTROL (not leadership) of other men, I loath and detest, but I do not hate. People who demand this kind of leadership and thrust the only ability to function into the way of enslavement, are against the Freedom and Wondrous Order of MAN's inheritance—to be like God in his ability to grow, function AND CREATE.

We can look at Satan himself, call him what you wish for he, too, is an IDEAL IDEA of EVIL leadership. I do not hate such an ENTITY if he exists—I DEPLORE AND DESPISE THE EVIL WHICH IS CONJURED AND PERFORMED, IN ACTION, BY HIS SO-CALLED FOLLOWERS (hidden or openly). Negative aspects in any "name" are unsuitable both in concept and/or action. If someone steals it is not RIGHT for either a Christian or a Satanist—but is applauded openly by one believer and not by the other. The facts are it is CLAIMED to be deplored by BOTH only to find it quite suitable if the thief steals from someone ELSE and not you. There ARE MORE CROOKS at the pulpits of your Christian Churches than in any other leadership and thieving position (both mind and assets of human presentation) than all the other places put together.

You have even been sucked into believing that Judeo-Christian is some type of "theology" suitable to hovering under the same cloak of Zionism. No, it hovers there but is a usurpation of the Christ teachings by infiltration through MAN'S deliberate assumption of and written rules for domination and how to gain that domination for that physical aspect of mankind while pulling mankind into a trap of physical bondage. If that is what you want to do with your eternal soul, fine with me. God neither forces nor coerces—He allows. As a matter of FACT, you are not desired among our cosmic places UNTIL YOU LEARN THE DIFFERENCE AND LIVE THE DIFFERENCE.

Perhaps we are no different from anyone of human form moving about on your place. I can't, say, stop a man like Rod Ence from taking that which is someone else's property. However, when he takes that which is MINE he has gone too far in my realm of allowances. I want the property back for the use for which it was acquired in the first place. If the money was intended for use by Joe Blow and it was taken for the SECRET AND HIDDEN purpose of anyone, including Rod Ence—it is wrong but I can't help it. I CAN HELP IT if it is stolen from ME. Can you see the difference? Further, if it is stolen from anything working in my behalf—it is MY problem and, still, I will do nothing—BUT I CERTAINLY INSIST THAT THE ONES WHO ARE RESPONSIBLE—TAKE ACTION AND BRING THE THIEF TO TASK ABOUT IT. Don't "I" care about that man's soul? NO, that man made his choice and HIS SOUL IS HIS BUSINESS—not mine. He had access to every word of written and spoken teaching as have the ones from whom he thieved so it is ONLY his own choice at issue here, not the man himself—but his

actions. He has had ample opportunity to speak for himself, make things RIGHT with all and he chooses to further push and damage, sell the very equipment in point and ship it away from its rightful location. He does it in shrouded darkness, houses it on public rights easements (literally called ABANDONMENT) and then utilizes others to help cover his deeds while calling the rightful owner—an Evil Cult. No, the nearest thing to a "cult" person is the one calling the names for no one else functions or even so much as "thinks" as a "cult", much the less, an occult cult.

If an entity's intents and teachings are open and above reproach they enjoy all publicity and recitation. It is the deep dark aspects which are covered, hopefully by unlawful laws, in order to keep truth of intent from being known. I bring TRUTH and it is unfortunate that those who act in unlawful and evil ways have to face the people they deceive, for them, for if truth is known they will surely fall. Even in the compromised courts—they cannot prevail forever with their wrongful actions.

My intention in writing about any focus is to provide information and public display of what is already public—somewhere and in your own time of experience. Then, any reading party can make decisions for self regarding appropriate thoughts or actions. This requires that there is FREEDOM to present information for consideration, FREEDOM to receive and read the information from ALL RESOURCES, and FREEDOM to openly choose whatever. If man wishes to bury himself in occult ritualism and negative intent resulting in destruction to himself—SO BE IT! I am here to SAVE NOTHING. I am here so that you can CHOOSE IN KNOWLEDGE, your direction of journey and intent and purpose of expression. If you cannot have that FREEDOM to gain facts on either or both sides of an argument—how can you make informed decisions? You STATE one GOAL as being your intent while you live out actions in the direct opposite. You, nor anyone, can HAVE BOTH! You cannot walk in two opposing directions at the same moment! This is WHY you cannot have a "Judeo-Christian" religion which teaches GODLY GOODNESS. Why? Because one is the epitome of goodness and the other the epitome of wrongness. Judeo does not mean *Torah* or Creator Goodly God direction; it is TALMUDIC law OF MAN (Elders of the Zionist Protocols) and NEVER can the twain meet because they are total opposites in both meaning and presentation. So if a Christian becomes a Judeo-Christian—HE HAS JUST REVERSED HIS DIRECTION AS "CLAIMED".

Is it alright for YOU to do that? OF COURSE! It is not alright with ME for ME to do it. I certainly will not interfere with your choices—but why do you feel compelled to interfere with MINE? IF BLACK IS BLACK—WHY TRY TO CONVINC ME THAT IT IS WHITE? Your perceptions are none of my business but my OBLIGATION is to tell you what you seemingly do not know if you wish to hear. If not, get away from me and "leave me to my own chosen" direction—even if it be in ignorance. I offer—YOU TAKE OR RECEIVE. You offer argument in favor of evil actions being "unconditional love" and I will receive none of it. I offer the same privilege to you so why do you go forth and DEMAND to change all the other people's mind to fit your opinions or perceptions??

Further, I expect ANY BUSINESS associated with my presence, seen or unseen, to function in absolute correctness according to both the laws of God and of man. If YOU are uninformed it is no interest to me that you didn't bother to learn TRUTH and FACTS and the very laws you try to later bend and break. You are shown tools to help you make it through in honor and with integrity. YOU BREAK THE LAWS—YOU SHALL FACE THE CONSEQUENCES.

You can sum it up in example, i.e., you go forth and demand that you not have to have a driver's license (which I consider to be a legitimate thing for record keeping and causing drivers to, at the least, know on which side of the road to drive a lethal weapon) and get

stopped, your vehicle taken and yourself put at great annoyance and expense. You CHOSE to exit the "system" YOURSELF, and now, you are in trouble. What do YOU do then? You cry out and ask others to SUPPORT you and contribute to YOUR PLIGHT when they have done nothing to damage you. Why don't RICH men go for the gusto? Hopefully because they are too smart and use the system at the same time it is claimed to want to regain the system to primitive times. You cannot do without your driver's license if you use any FEDERAL (recognized) system—even a zip code or a Social Security check. You simply "can't have one without the other..." So, why not, with integrity of your own intent—change the system RIGHTFULLY? Why not? Because man must first change his MIND-SET and KNOW FACTUAL INFORMATION.

You have great self-appointed people going about denouncing the presidency and the Feds, et al. Fine, but they are all acting within the Constitutional Laws (as they have changed them to read). When this is accomplished all the bellowing in the world won't do anything! Neither, unfortunately, will setting selves up as a committee of one or six or twenty and writing your threats and thoughts to the very ones who have control over those laws. Right or Wrong—the application and announcements will be "tossed" along with you, out on your ear. If you are REALLY dangerous, you will be tossed quite helplessly AWAY!

If you have a leader who makes great threats and brags about abilities and capabilities—check it out. If the promises are NOT KEPT is this person better than any politician making broken promises and lying to you? No, you now have ding-bats on both sides of your belfry or turret (whichever suits the actions taking place).

Do you have my permission to follow "ding-bats"? YOU DON'T NEED MY PERMISSION TO DO ANYTHING EXCEPT USE ME.

Mr. Newby, for instance (Ronn Jackson's lackey), called [see background story on page 10] to "cut you off our FAX network" and "information stream". Oh? Well, only relief flowed for CONTACT has trouble keeping the fax clear to receive from its resources, journalists and public access and can't afford the atrocious expenses of paper, on-line, and ink cartridges. If the information is so inferior as to be able to not stand inspection, so be it. Nothing will go forth in CONTACT without inspection and comment. Readers are then able to depend on information and make their own decisions without joining an army or something equally as dangerous.

Do I think Ronn Jackson's New Republic can work? NO! Not as structured for it is quite visibly UNCONSTITUTIONAL for actual structure as a REPUBLIC. Can't I help them structure it? NO! We are told to butt out of their business (which indicates it is not YOUR business, only THEIRS) and they want NO comment on what might be problems and take personally every statement which disagrees with their idea of how THEY WANT A REPUBLIC TO RUN—and it is a form of Dictatorship/Monarchical system with different names now presented, nothing more. If the writers of filed documents cannot stand inspection—then I shouldn't think a free nation would want their leadership. This is not to insult anyone or group—it is simply the way it shakes out of the shaker machine. How do you know it has no foundation? Because of the THREATS which accompany the information AND the promises BROKEN all along the way. HONEST MEN DO NOT INTENTIONALLY MAKE PROMISES THAT ARE NOT KEPT AND THEY CERTAINLY DO MAKE REASONABLE AND ACCURATE ACCOUNTING AS TO WHY THE PROMISES ARE NOT MET—ALL ALONG THE WAY. THE PROMISES DO NOT CONTINUE IN SUCH VISIBLE UNTRUTHS AS IS SHOWN FROM THE NEW REPUBLIC. And NO, I certainly DO NOT allow withdrawal of those commitments made and not yet presented. I would dearly like to see strength and new government by the people flow from THAT

SOURCE—I simply have not been shown that it can or would be BETTER than that which you have destroying you now.

If they THINK this is the correct way to form a government and overthrow the old—they err and are most certainly “thinking” from where Mr. Jackson’s and Grandma’s “Sun don’t shine” for, even if every word and deed is correct—it is not RIGHT.

I have had friends INVEST in that project and THEY HAVE LOST GREATLY and no, I cannot suggest it be taken further. They may write anything they wish about US—but somehow, you know what, they took from us so what is their problem. Does this mean that we are good enough to “take from” but unworthy of making comments about their actions and materials which they try to keep in total secret? I TOLD THEM RIGHT OFF THAT THEY HAD SOME REAL SERIOUS DESTROYERS WORKING WITH THEM AND IT IS COMING FORTH TO BE EXACTLY THAT WAY. THESE LAND CLAIMS AND FARM CLAIMS ARE GOING TO PUT A LOT OF VERY GOOD PEOPLE INTO PRISON. Rightly so? NO, but nonetheless, SO. And so what happens? Back to you-the-people to gather around and send funds to defend the ignorant people who are under attack. The actions were NEVER to get you freedom or money back—it was to line the pockets of a few who I reckon as being quite self-centered and potentially dangerous. Right to do something doesn’t mean you can do it.

In exchange for the group in New Mexico and Nevada removing us from their exchange of information list, I suggest that **CONTACT** stop all information flow to them except as agreed upon and paid subscriptions. They obviously are our FIRST readers of any edition and ONLY read portions they can complain about so we can ease their pain by not further bothering them with our problems or perceptions. I am removing myself from the protector status but I DO NOT RELIEVE ANYONE OF RECOGNIZED PROMISES, CONTRACTS OR COMMITMENTS FOR PROJECT ASSISTANCE FUNDING. ONE THING HAS **NOTHING TO DO WITH THE OTHER.** COMMITMENTS ARE MADE BETWEEN US, ME, **CONTACT**, AND MULTITUDES OF INDUSTRIAL VENTURES. WE HAVE NO COMMITMENT TO ANYTHING OR ANYONE ELSE. WE HAVE KEPT OUR COMMITMENTS TO THAT PARTICULAR PARTY AND MR. NEWBY’S “KISS-OFF” MEANS **NOTHING TO US REGARDING ANYTHING!** I would wish that Rex would take a second look at his position. All are welcome to their choices but some are being more badly hurt than are some others in very earthly physical ways.

What do I believe? I believe that when and if he can do so, Ronn Jackson will meet his commitments and, until that is possible, he won’t. What is so difficult about that observation? He certainly does NOT have to believe anything regarding myself or any projects to which I might affiliate—agreements had to do with neither. I would expect the SAME from Chase Manhattan Bank or Joe Blow. I did not form a relationship with Mr. Jackson because he wanted to build a government—I accepted a proposal and public commitment of funding for projects OF MY CHOOSING. He SAID he could, he CAN, and yes, I certainly expect him to do so. I didn’t ask him to change his mind about anything, especially his SOUL or considered “Overworld”. I gave him PROOF of my presence and participation so he doesn’t even have the drawbacks or problems of accepting my presence OR INTENT. Neither do the ones who “handle” Mr. Jackson and when he gets “straight” with those guys, we can get on with our business. As long as he plays games for his own benefit and positioning—he isn’t going to get anywhere except deeper in the mire of both debt and failure. It simply is the way the ADVERSARY works. GOD BUILDS AND CREATES—THE ENEMY OF GOD TEARS DOWN, PULLS DOWN, AND DESTROYS!

Will more good patriots bite the dust over these actions taking place in such groups as the appointed

self-styled government, supreme court and legislators? Yes. Will they turn to us to bail them out? Yes. Will we? NO. All I want is for Mr. Jackson to meet his commitments which were made to international audiences who depend on those promises to survive a time of great tribulation. Ours is not a need to build governments—ours is to BUILD life-sustaining industry. We have no intention of further sustaining proclaimed ENEMIES. Do what you will for those actions are your choices and since we assume Mr. Newby is the controller of the “New Republic” we have to assume as well that he speaks for all. I find that unfortunate because it epitomizes the problems in play. If indeed Mr. Jackson has 33 million “followers”, they don’t need the likes of us misfits. If, further, Mr. Jackson can’t get his team some funding from the brief-case of his lawyer who is carrying about (Mr. Jackson stated) millions of dollars in cash, then how can WE be expected to support, further, any cause. We have nothing so the expectation is lacking thoughtful wisdom. Jackson claims to have the ear(s) of the strongest group of men the world has ever KNOWN so it is most certainly HIS TURN TO PERFORM!

Does this mean I am nasty and hateful and hurtful? I hope not for a MAN is only as good as his word in action. We have “performed” our agreements, so is it wrong to expect the other party to perform his or theirs? Is not over two years of waiting patiently, and with considerable aid in the meanwhile, not long enough when we were told it would only be about three days to fruition of the agreements? I have NEVER been told otherwise than to expect FULL payment of agreements—right through last week! I am not being hard on Mr. Jackson or his friends and colleagues on the supreme court or legislature—I am personally assured by Mr. Jackson that he is meeting his obligations as we spoke and he continues to claim as much. Am I not to trust him? Why? If a man claims to have sound and truthful WORDS then who am I to discount that man’s promises? The promises made go into perpetuity and universal status, either kept in action or broken—who am I to judge another? I JUDGE no one but I do take “care” in observing actions.

I prefer to never be an opponent to anyone because I can be a pretty imposing opponent for I know exactly in whose service I remain—ONLY GOD’S! That requires no further explanation for it also means that I will only act within the laws of GOD and will always also work within the LAWS as presented by Man in Man’s place. I don’t need to break Man’s laws to accomplish BOTH. Mr. Jackson simply does not YET have his directions sorted correctly. I have time but I’m not so sure about that as to his status.

What about one such as Mr. Newby as you say, “Wasn’t he on your team?” No, he NEVER was on my team—he was on his OWN presumed team and became, I assume, Mr. Jackson’s team leader. Did I priorly KNOW Mr. Newby? Yes indeed, and he didn’t like my ideas much better then than now. I wish him well but no, I don’t support a lot of the things he has done or

plans to do. It is fine; he is welcome to his journey and may he find peace and joy in that journey—but I witness neither thus far. I see a lot of pride in presentation of HIS and other’s opinions but inability to accept possibilities and, certainly, no counter-ideas. I object to the USE of any of my friends for any purposes. If ones discern that they wish to contribute to that or any other cause, please do so—but do not say any of us told you to do so.

Is my “opinion” damaging to Mr. Newby? My opinion goes out in **CONTACT**, it is claimed with great gnashing of teeth and flailing about of persons. **CONTACT** has less than some 1300 subscribers. Mr. Jackson claims 33 million. How could we possibly damage anyone? Over there with Mr. Jackson they act as if we run the world or something. No indeed, if we did it would be greatly different than what you now find. We have NO WISH to RUN anything or ANYONE, but we WILL RESPOND TO ANY AND ALL ONES—AS ACCURATELY AND SUCCINCTLY AS IS POSSIBLE IN ALL CIRCUMSTANCES. If that response is accepted as anything other than response—it is none of my or “our” business. They expect us to run their material in OUR PAPER without any comment—IT WON’T HAPPEN! They set themselves up for being labeled subversive and worse—we are not. We can run their material when and if there is available space—just like we do every other journalistic information but NEVER WITHOUT EDITORIAL CLARIFICATION AS TO BOTH SOURCE, OPINION AS TO PRESENTATION, AND NEVER TO GAIN SHUT-DOWN OF OUR INFORMATION FACILITY—**NEVER. IF THIS CAUSES ONES TO TURN AWAY AND RUN OFF IN A SNIT—FINE. FOR THE DISTANCING AT THEIR DEMAND CAN ONLY HELP US SURVIVE A BIT LONGER IN FREEDOM OF PRESENTATION. FURTHER, LET IT HERE BE KNOWN THAT IF OUR PRIOR INFORMATION IS TAINTED IN REPRINTING—WE SHALL NOT KEEP SILENT. WE HAVE NO INTENTION NOR DESIRE TO OVERTHROW ANYTHING, USURP ANY FREEDOMS OF CHOICE OR OTHERWISE—AND WE WILL NOT SIT STILL WHILE OUR WORK IS MISREPRESENTED—EVER!!**

NEITHER I NOR MY PEOPLE ARE HERE TO SUBVERT OR “SAVE” ANYTHING—WE ARE HERE ABOUT OUR “FATHER’S” BUSINESS—PERIOD!

Please hold these thoughts uppermost in your minds as we share and move along our individual and unified way for no MAN SHALL USURP THE TRUTH OF GOD—AND LIVE. This DOES NOT mean that I shall, nor shall any person I recognize as friend, hurt, damage or force any other entity any time, any way, anywhere. I do expect commitments to be satisfied, kept, and serviced. I hold respect for my enemies for I have no enemies—only opponents! You can have your dirtied and miserable world for your own destruction as you have destroyed it—IF THAT IS WHAT YOU CHOOSE. I stand by for those who wish it OTHERWISE!

I hope this offers UNDERSTANDING of position. Thank you and good morning.

New Gaia Offers Journey To Health

What Should We Be Taking?

5/26/95 SANDRA TULANIAN, D.C.

The times in which we live in do not afford us the opportunity to keep life simple enough that health can be taken for granted by just ingesting food and water. The game rules have been changed by bureaucrats (directed by crooks higher up the ladder) who dictate questionable farming practices which, when added to the already choking pollutions of our atmosphere and water, ends up depleting the soil, the food supply, plus the air & water we breathe of many of the essential nutrients that would otherwise allow our bodies to function optimally.

Aside from a core of products that *New Gaia* carries which will be discussed further on in this article, two brand new products are being offered that are extremely important to present first. They are **GAIACOL** and **OxySol**. **GAIACOL** is a combination of Colloidal Silver, Trace Colloidal Gold and Trace Crystalline Drias. This combination of ingredients has produced a product that is so high-frequency and potent that it could quite possibly be the solution to our ongoing fight against the new antibiotic-resistant diseases that we face today. Colloidal Silver was used extensively and very successfully against bacteria, virus, fungi and the like before the advent of the first antibiotic, penicillin; and the uses for Colloidal Gold at that time were just beginning to present themselves. Once the chemical companies began manufacturing the myriad of antibiotics, silver and gold were no longer looked to for treatment. Interestingly, the antibiotics that they were producing had no effect on the more resistant viruses, fungi and parasites yet this did not stop the medical community from prescribing these drugs regardless of the type of infection. Now we face a new generation of bacteria that are completely resistant to any antibiotics merely due to antibiotic overprescribing and resultant survival of the fittest bacteria.

Research has demonstrated that Colloidal Silver is non-toxic to humans and allows no known disease-causing organism to live in its presence. With the addition of Trace Colloidal Gold and Trace Crystalline Drias, the frequency of **GAIACOL** is remarkably enhanced to allow these newer, more powerful viruses and bacteria to be eliminated. **GAIACOL** is gentle enough to use topically on just about any skin, hair, or mouth condition without fear of toxicity and is outstanding for burns. For internal use it is recommended to maintain with 3-4 drops, 3-4 times per day under the tongue and if an infection is present, start with 1 teaspoon the first day and then 10-12 drops, 3-4 times per day under the tongue until the infection clears. Important: Due to the powerful nature of this product, friendly bacteria can be affected so it is advisable to replace the natural intestinal flora with some type of acidophilus/lactobacillus supplement daily or, at the least, when symptoms are noted (symptoms may include cramps, bloating, diarrhea/constipation and a general feeling of malaise).

Please note that this product is said to be perfectly safe for children and pets and can be taken with other

medications without incident. Colloidal Silver is not addictive and the body does not build up a tolerance to it. For your information only, Colloidal Silver has been used effectively on the following: acne, conjunctivitis, allergies, rheumatoid arthritis, bladder inflammation, venereal diseases, eczema, appendicitis, boils, cancer, candida, otitis media, prostate problems, whooping cough, ulcers, plus many, many others. **GAIACOL** can also be used to wet wound dressings and bandages and help heal cuts, scratches, abrasions, fever blisters, etc. There is a myriad of uses for this product which makes **GAIACOL**, in my opinion, one of the most exciting and valuable products on the market today.

OXYSol contains Colloidal Silver and Trace Colloidal Gold but has Hydrogen Peroxide (food grade) and other trace minerals to add a new dimension to the effects. Organisms that have plagued us for centuries may be destroyed using this product but the new, more resistant strains will require the higher frequency **GAIACOL**. When added to water, the **OXYSol** will help to purify, which makes this ideal for taking to restaurants or for travel. When taken with **GAIACOL** you get a two-fold effect of combating foreign invaders and providing a greater oxygen content for the health of the cells from the Hydrogen Peroxide. **OXYSol** is wonderful topically as well, but is not advised for burns (use **GAIACOL** for burns). The trace minerals found in **OXYSol** are vital to our health because the nutrients that were once taken for granted in our vegetables and fruits have been systematically farmed out of our soil. These trace minerals need to be replaced, otherwise our bodies continue to be open season for aggressive bugs. Another use for **OXYSol** is to rid the oral cavity of harmful bacteria by brushing your teeth with 4 drops **OXYSol** on your toothbrush or use as a mouthwash or gargle. The recommended amount to take daily for system clearing is 6-10 drops, 3 times a day on an empty stomach. If taken with **GAIACOL**, reduce both daily requirements in half. If you are adding **OXYSol** to your water, just add 1-2 drops in each glass of water. Both **OXYSol** and **GAIACOL** are very powerful additions to our pursuit of health.

Without these "food"-based essential nutrients our immune systems and body physiologies are sitting ducks for any attack—from chemical and biological "warfare" practices, to increased nuclear radiation pollution, as well as from other high-energy photon bombardment as this planet prepares itself for the upcoming changes.

It is up to every individual to take personal responsibility for their health and prioritize the needs their bodies may have at this time as well as pay special attention to the needs of their children. I hope to describe here some good products available to you so that your search for a basic, complete arsenal against disease can come to an end.

New Gaia has presented many products to the public that you can pick or choose for individual needs. But there is a core of products, which should be taken regularly, that is felt to be essential to health and well

being. These products are: **GAIANDRIANA**, **AQUAGAIA**, **GAIALYTE**, **KOMBUCHA TEA**, **KOMBUCHA VINEGAR**, **CARBRAGAIA**, **GAIA CLEANSE PROGRAM**, **CHLORELLA**, **SPELT**, and **3-In-1**. Each of these provides a service to the body that is a necessary assistant to the other. We will discuss each one individually to provide you with the information you need to understand why these items are necessary.

The physiology of the body is basically governed by the actions and programming found within the cell. The cells make up the tissues of the body, the tissues make up the organs such as the heart or liver which, in turn, make up the organ systems that work in harmony with each other to keep the entire body functioning. If the cell structure has been altered or is malfunctioning (for whatever reason), every organ system is affected. To what degree they are affected depends on the offending substance that has caused the cell's breakdown or the length of time that cell has been subjected to abuse.

GAIANDRIANA is a product that is said to help correct the faulty programming that has occurred at the cell level by correcting into perfection the cell's DNA/RNA blueprint. Viruses, unlike bacteria, have the ability to fuse with the DNA strand within the cell, creating a mutation to that cell. By perfecting the DNA/RNA blueprint, the cell may be returned to a level of vitality which allows it to fight off an incoming virus and maintain the homeostasis within the cell and, in turn, within the organ systems.

This is essential for the immune organ system, because without healthy cells that can fight off offenders like free radicals, viruses, and cumulative levels of radiation, the immune system is overtaxed to the point of exhaustion—eventually leading to dis-ease. Another benefit from consuming **GAIANDRIANA** is its ability and nature to thrive on the invisible, higher photon frequencies which are bombarding us daily. **GAIANDRIANA** is able to speed up the frequency levels of the cells to more nearly match the energies pouring in and assaulting the body. This, in turn, can offer a two-fold benefit: One benefit is the ability of the cell to withstand and actually adapt to these otherwise damaging energies; the other benefit is to help protect ourselves from mind manipulation through pulse beams that are irradiating mankind relentlessly. Originally the dose was 10 drops, 3 times per day, under the tongue. However, with the growing number of "manufactured" epidemics and other stepped-up plans for our demise by the Elite, perhaps more is better. One ounce or more per day may produce faster and more effective results.

AQUAGAIA was introduced to benefit the mitochondria system that lies within the cell. The mitochondria is the energy producer of the cell and is essential to convert the food we eat into usable cell fuel and to produce enzymes that are absolutely necessary for survival of the body system.

AQUAGAIA is also said to feed on vessel plaques adhering to blood vessel linings. Most all of us, by the

age of twenty, have plaques developing on the arterial walls due to the American diet that is filled with saturated fats, high protein, white flour products, and limited consumption of fresh fruits and vegetables. This product provides added fuel to any compromised system to assist in strengthening the immune system, as well as cleaning out blood vessels and enhancing the pliability of the vessel walls throughout the body. Both **Gaiandriana** and **AQUAGAIA** work in harmony to strengthen and eliminate mutations of all cells by working together within the cell structure itself.

Another product that you will find essential in your daily regime is **GAIALYTE**. This is a fully integrated electrolyte liquid that is brought forth from the **KOMBUCHA TEA**. The combination of tea and juice, vitamins, minerals, Ginkgo Biloba, Echinacea, **CHLORELLA**, oxygenators, Aloe Vera and **GAIANDRIANA** are a powerful combination that helps boost energy levels as well as provides electrolyte balance within the body to help enhance the performance of the **GAIANDRIANA** within the cells. Electrolytes are substances which dissociate into ions in solution and thus become capable of conducting electricity. The balance of these electrolytes in the body will aid in the protection from the various high-frequency energies that we are now subjected to as well as enhance the effectiveness of all the other products you are consuming for your health.

Another beverage that should be taken in a dose of approximately 8 ounces per day is the "Tea Breeze" **KOMBUCHA TEA**. Enough can not be said about this fermented drink from the mushroom fungus found long ago by a prominent Japanese woman in a town called Kargasok, Russia. What she found amongst these villagers astounded her. The women were virtually without wrinkles or other signs of aging and the overall population was comprised of unusually healthy people. She was told that these people drank 8 ounces of **KOMBUCHA TEA** daily. She brought the mushroom fungus back to Japan and, today, over a million Japanese people drink the fermented tea daily. With the high content of special proteins and enzymes, this tea is said to reduce cholesterol, restore hair growth, strengthen eyesight, help insomnia, aid in weight reduction, help with allergies, bronchitis, asthma and a myriad of other debilitating conditions including the prevention of certain cancers.

While these are claims from people who have used or researched the product, it would simply be prudent to regard **KOMBUCHA TEA** as a must to add to your daily health regime. Many people make their own tea with the mushroom that is available through New Gaia Products, but for those of us with limited time, the ready-made tea in the 1-liter and 2-liter bottles is both delicious and convenient. Try mixing the tea with the **GAIALYTE** and your favorite juice, or just drink it straight.

There is a **KOMBUCHA VINEGAR** that has been developed which offers similar properties to unpasteurized apple cider vinegar, which has been used for centuries to care for all types of ailments. This product packs a punch when fighting off the common cold and is great as a digestive aid. Many are using this product in their salad dressings or other recipes to enhance the nutrition that their families receive. While **KOMBUCHA VINEGAR** is not recommended for canning or preserving, it certainly is recommended for general consumption.

CARBAGAIA is the membrane that is found in the mushroom fungus of the **KOMBUCHA TEA** bathed in a nurturing amniotic-like fluid of **GAIANDRIANA** to aid the body in repair of connective tissue. This product was designed to replace the need for Shark Cartilage supplement, which has been well researched and documented in recent years and which is said to program the body to never develop cancer tumors. By mixing one teaspoon in to any of the above mentioned drinks, you add one more weapon to your arsenal in the quest to build the immune system to its optimum healthy

state.

A 14-day program called **GAIA CLEANSE** has been developed that assists in the elimination of the nasty parasites found within the body. Very few people realize the kinds and types of diseases that these parasites can contribute to, such as Cancer, AIDS, Hepatitis, Hodgkin's Disease, Diabetes, just to name a few. There have been reports that people have been able to turn their conditions around by utilizing a program such as the **GAIA CLEANSE Program** to eliminate the myriads of parasites, such as flukes, keeping house in their internal organs.

The beauty of this program is that 14 days every 3 months is all that is required to insure a body that is free of most parasites. The **GAIA CLEANSE** line includes tinctures that can be mixed in any one of the above beverages or in juice. There is also an intestinal cleanse that comes in the kit to ensure proper elimination and cleansing during the two weeks. These steps to health are important if one is to realize optimum health within the cellular structure and organ tissues of the body.

CHLORELLA is a single-celled, fresh-water algae which is a nutritionally balanced whole food that is extremely high in protein (60%) and contains more than 20 essential vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes, plus **CHLORELLA** growth factor. The combination of these factors results in a product that has been found to be excellent in the healing of wounds, injuries and ulcers, immune strengthening, age retardation, protection against radiation, normalizing digestion and bowel function, and protection against toxic pollutants, to name but a few of the benefits.

CHLORELLA is a rich source of chlorophyll, which is extremely effective in controlling body odor both internally and externally. The suggested daily consumption is 3 grams per day, but dosages should be adjusted to your individual needs. Many times the alkaline reserves in the body are so depleted that **CHLORELLA**, in larger doses, is warranted.

Moreover, because of its superb food value, **CHLORELLA** is an important addition to anyone's emergency food storage stash.

As part of an ongoing nutritious diet, the grain of **SPELT** (*Triticum Spelta*) should be added to every diet in replacement of the standard wheat grain. **SPELT** is superior to wheat in that it contains more protein, crude fiber, and fats than wheat. It also contains special carbohydrates (Mucopolysaccharides) which help stimulate the all-important immune system.

Many people who are allergic to wheat find **SPELT** to be easily digestible. What is most exciting is the delicious nutty flavor that **SPELT** offers to any baking needs. Another advantage of **SPELT** is the large amount of vitamin B-17 found in the grain (also known as Lactile) which has a reputation for retarding cancerous cell growth and aiding in the healing of other serious illnesses. **SPELT** also has an exceptionally thick husk around the center grain, which protects it from all kinds of pollutants and insects far better than happens with other grains. The **SPELT** grain can be ground up into flour and used in any recipe where flour is required. New Gaia offers the whole **SPELT** grain bread mixes, or the grain itself to be ground into flour, or the flour already milled for your convenience. This simple addition to your family's diet can provide a wealth of extra nutrition for your loved ones as well as a great taste experience.

The last product I wish to discuss is a newer product of which you may not be fully aware. Many of you have heard of the latest craze using a product called "Pycnogenols". Pycnogenol comes from the bark of the pine tree and is said to have remarkable anti-oxidant properties that are aiding in the relief of a number of chronic conditions. The 3-In-1 product offered by New Gaia has been found to be superior to Pycnogenol. The research that has been conducted on the elements found in Pine Bark were primarily conducted on Grape Seed

Extract because this, too, had the components that offered the superior anti-oxidant protection.

What was discovered is that the Grape Seed Extract was even superior to the Pine Bark in that it contains a higher level and higher potency of OPCs (Oligomeric proanthocyanidins) which are the active ingredient for free-radical scavenging. These OPCs found in the Grape Seed Extract are known for their instant bioavailability to seek out nasty free radicals and produce rapid counter-effect results. While no claims are here being made for the healing qualities of any product, the OPCs found in Grape Seed Extract have been identified with: Anti-aging protection, improved vision, decrease in wrinkles, resistance to mental deterioration, reduced risk of heart disease, reduced risk of stroke, enhanced immune system, faster healing, subdued PMS, and reduced inflammation of arthritis.

The other substances found in 3-In-1 are Ester-C® and Aloe Vera. Ester-C® is found to get into the blood stream faster and in larger amounts than other forms of vitamin C and wastes only a fraction of what other vitamin C products lose through elimination. It is also found to penetrate white blood cells more efficiently, which is necessary for their metabolism. There is also a reduction, if not an elimination, of the side effects from the acidity of regular Vitamin C because Ester C® has a neutral pH. Each capsule also contains 150 mgs. of Aloe Vera which is the equivalent of one-and-one-half ounces of natural Aloe Vera juice. Excerpted from an article by John C. Pittman, M.D., we read: "Acemannan, a mucopolysaccharide, is a long-chain sugar which is found as an active ingredient in Cold Processed Whole Leaf Aloe. It interjects itself into all cell membranes. This causes an increase in the fluidity and permeability of the membrane, allowing toxins to flow out of the cell more easily and nutrients to enter the cell. The net result may improve cellular metabolism throughout the body, resulting in a boost of energy production."

These three powerful ingredients are found in one product called 3-In-1. It is a potent product that should be utilized by anyone suffering from a chronic condition or for those wishing to maximize the functioning of their immune system on a day-to-day basis.

All the above products discussed: **OXY SOL**, **GAIA COL**, **GAIANDRIANA**, **AQUAGAIA**, **GAIALYTE**, **KOMBUCHA TEA**, **KOMBUCHA VINEGAR**, **CARBAGAIA**, **GAIA CLEANSE**, **CHLORELLA**, **SPELT** and 3-In-1 can be the keys to a healthier and more vibrant life by reinvigorating the immune system, increasing the metabolic activity of the cells, providing more complete nourishment to allow the organ systems to function in harmony with one another, and to increase our bodies' overall frequency levels to withstand the onslaught of various high-frequency energies that are thrown our way. These products work synergistically together to maximize the effects of each product.

Of course, right thinking, right exercise, and right eating are absolutely necessary to add to any health regime, but the benefits and gifts found within these various products are priceless to our well being in this high-stress world.
