Steps Toward Understanding Light And Life The God-Force Within All That Is

LIGHT VS. ILLUSION

When you take up a subject for such as a newspaper or journal, it has to be realized that the resulting volume may well deviate as the activities of a day deviate. But then, again, journals are entries of activities as revealed while books are often novels or revelations unknown. We have "journals" so, if it appears to you readers that we deviate to miserable extent which produces non-continuity, we apologize. However, we repeat: *We write journals*. We will, however, attempt to stick to the topic of ETERNAL LIGHT flowing out of the *ILLUSIONS OF MAN* to the extent that we do not exasperate your patience. I never name the journals until AFTER the writings,

and my "forewords" will rarely be directly regarding the contents of the book but usually, just another writing, which is usually also written after the fact.

When speaking on the truth of what "appears" to be reality in physical density we actually are opening a can of butterflies which scatter in every direction. You pinch yourself and, surely enough, you hurt, you bruise, and you come to the recognition that you are! But YOU are not a body of some lumped muscle, fat and bone. YOU are the image of GOD; YOU are the SPIRIT within the housing you call body and readily available information is contained in your computer brain for the operation of the body and living processes.

Since the "temporary" state of anything is but a passing realization, we have to then consider as the REAL THING that which has no demise, THE SOUL INVISIBLE which has infinite and eternal existence. Human physical is a passing experience on a play stage equally as manifested in that physical format for your quality of experience. Therefore the play and the setting are the

Illusion WHILE THE SOUL is the permanent resident of infinity.

This is no big deal except that what you do, and your intent to perform, is that portion of self that directs the interim journeys of soul. You produce through "intent" the actuality of your eternal sojourn through experiences unlimited.

I will define at this point, "*Illusion*" and "*Aberration*" so that we can refer *explicitly* to a mutually understood definition of the terms. Your languages and those "changes" which come about through trickery are what moves you off into a wrong impression. I will first compare what you believe to be the term "holocaust" as an example. You will, every time in this day and age, refer mentally to a something which took place against the Jews in Germany in WW-II. The interesting point, however, is that few of the younger generations even know it was in World War II, or where is Germany or WHY anything took place other than Shindler with his list of some kind.

The fact of the definition is a different thing:

"HOLOCAUST: 1. Wholesale destruction and loss of life, especially by fire. 2. A sacrificial offering that is wholly consumed by fire." (Dictionary)

This is certainly a true representation of what YOUR GOVERNMENT DID IN WACO, TEXAS to the Davidians, but does it fit the description of what happened in Germany? No. It very well suits what happened as the "Allies" (you) bombed Germany's Dresden homes and bedrooms, but NOT what happened in any concentration camps. Death came, surely—but not through "*holocaust*". Therefore, you must begin to get the *illusion* separated from *fact*.

You have the *illusion* that you "see" "light". No, you can only visualize the presence of light as it reflects from (bounces off) objects. Therefore, you SEE objects, not light.

So, how about another couple of definitions:

ILLUSION

ILLUSION: 1. Something that deceives by producing a false impression. 2. State or condition of being deceived; misapprehension. 3. An instance of being deceived. 4. *Psychol.* A perception that represents what is perceived in a reality. 5. A very thin, delicate tulle of silk or nylon having a cobwebbed appearance, for trimmings, veils, and the like. 6. *Obs.* Act of deceiving; deception; delusion; mockery.

Now, please pay attention.

Syn. 1. aberration, fantasy, chimera, etc.

An "illusion" is a false mental image or conception which may be misinterpretation of a real appearance or may be something imagined. It may be pleasing, harmless, or even useful.

Now I want to define "aberration" as we will find it used in alchemy and other supposed circumstances:

ABERRATION

ABERRATION (of image): Distortion of shape, color, focus, and density of images caused by imperfect optical elements (i.e., lens, prism, mirror, screen, etc.) Types such as coma, astigmatism, field curvature, distortion, and chromatic and spherical aberrations.

In "astronomy", the apparent angular displacement of the position of a celestial body in the direction of motion of the observer, caused by the combination of the velocity of the observer and the velocity of light. You can go look up for selves the "constant of aberration, planetary aberration". You can also check and compare "parallax". In optics there is a specific deviation from perfect imagery, as, for example: spherical aberration, coma, astigmatism, curvature of field, and distortion.

You will have to work with all of these forms of aberrations as you move along and certainly you have to know when you have a distortion or a reality of, say, orbiting electrons, etc., around the nucleus of an ATOM, or perceptions as presented for your mental viewing of false circumstances.

Now we can move on with an understanding of my meaning and your reception.

TWO SUPREME ILLUSIONS OF MAN

The reality of "Light" is fathomable to man *only* by first solving his two supreme illusions in misperception. The greater of these illusions is regarding the universe itself. Man has never known his universe for that which it is in reality. He can only recognize it for what his senses have made him believe it to be. Therefore, his senses deceive him and deceive him almost totally.

Looking now at the other illusion we find that to be of Man himself. With only a few exceptions, Man has never as yet known Man. Nor has he known his relationship to the universe, nor to his still more un-

fathomable GOD CREATOR. The little bit that Man does know of himself and his universe is what the eyes and ears of his body have told him that they have seen and heard about himself and his universe. But Man has eyes and ears of the SPIRIT which see and hear what Man's sensing eyes and ears could and can never see or hear, for man is still too new in his unfolding. He is still but in the incursion of his beginnings—which, by the way, is very near the "ending" as you pass into the greater universal expression.

MAN PHYSICAL "SENSES"

Man senses. Man senses motion, change, sequence, multiplicity, time, activity, life, death, good and evil. Of these things he is most certain for he "feels" them, "tastes" them, "touches" them, etc. His senses have made him most certain of their substantial reality. In the face of the fact that he has lived with his familiar universe all his life, short or long, it is not easy for him to accept the statement that it has no existence, that it is all illusion, all of it. Nothing is left upon which to even base the very *illusion* itself. He can accept the illusion of the railroad tracks meeting upon the horizon as the eyes offer depth perception to the brain, but the railroad tracks are real, even though their seeming "meeting" is not. They, at least, still remain as a basis for their own illusion.

A MIRAGE of a city or an Oasis is comprehensible to man as some kind of illusion. He knows it does not exist in "reality" but he also knows of the reality of the city which thus repeats itself, ghostlike, in the mirrors and lenses of light waves of the heavens above the city. To tell him that the city, as well as its own mirage, has no existence is to lay too heavy a burden of realization upon his credulity and patience (mostly patience). Yet that is what the very secret mystery of Light would reveal, and that is what you must tell, simply and convincingly, to others, churchman and scientist alike, and in a language standard and method which each requires for his conviction.

Whereat and in comes our work, readers, in the manner laid out that each might come into understanding and do so within his given realm of perception. And, what does *this* mean? Well, you must come, therefore, and know God, His universe, and Man—with other eyes than your sensing ones.

The eyes of the Spirit are not "sensing" notions of perception but KNOWING visualization. GOD has the reality of knowing and can focus on HIS "one" idea as is ultimately expressed quite explicitly. Therefore, without realization and thought processing, that "one idea" could not become many "one ideas" which include YOU in the stage setting.

Next comes the perception of "motion" which is absolutely mandatory for experiencing. Without motion His cosmic play could not be played, nor could its actors be anything. Without change His undivided One Idea could not unfold. Without what you call "time" expression there could be represented no "sequence" of events. Therefore God has an idea and it is presented, with you included, and it is expressed in manifested

GARFIELD

form. YOU ARE THE THOUGHT PROJECTION OF GOD. Without motion, time, change and sequences, the unfolding of God's Mind imaginings could not have measured space for the stage settings. In other expression, there could be no screen upon which to project His Light.

Learn to realize that perceptions in your experience are God's imaginings. But know that they are but unfolding *patterns* of His knowing projected directly through His thinking. In this knowing can then come the perception of the necessary sensing to allow human physical to "think" in his environment. In this realization you can begin to recognize that time is naught, nor are there moving things which change; nor is there life, nor death, nor cold, nor heat, nor good, nor bad in that wondrous universe of Him within Himself.

WHY CAN'T YOU SEE GOD?

You can't actually "see" God because HE IS NOT THE REFLECTION OF YOUR LIGHT—**YOU ARE THE REFLECTION OF HIS LIGHT!** In the beginning, God, the Father we lovingly call Him, is LIGHT of SPIRIT whom no Man can "see". The dwelling place of the Father is the Kingdom of Heaven, and it is without form and is actually what you might call, a void. An empty stage if you will. But in the LIGHT lays the seed. And, further, in the Light IS Being. IN the seed is the desire for Being. The Father knows His own "Idea". He knows it as a unit of "one" idea which then goes forth to be expressed as ONE IDEA but with multiples of facets and, at the least, in a duality of energy expression.

But where does "man" fit into this idea? *The whole purpose of life is to learn how to manifest God in Truth and the Law.* This particular lesson is a hard one, for Man, himself, makes it hard by his unknowing of the Law itself. *As man gradually knows his purpose and the Law by knowing God in himself, life becomes more and more beautiful, and man more powerful in his own manifestation of power. Man's real power lies in "giving". He must learn to "give" as does Nature.* In every cycle, readers, is a giving portion and a receiving portion—half and half. This is called giving and regiving. Nature forever unfolds into many for the purpose of refolding into the one again. Each individual must come to manifest this law for it is a universal law and will not just go away. People are forever wanting to run another's life FOR them. It is IMPOSSIBLE TO ACHIEVE. You, no matter how hard you TRY to live FOR another, you cannot. You are still expressing your life as trying to live for that other and the other is experiencing less but it is still "his" experience, which in this instance is to be deprived of doing something for himself.

These are the same principles which must be considered in warring games. Man will forever war with man until he learns to give his all with the full expectation of equal receiving, and never taking that which is not "given" as an earned reward for this giving. There is now not only giving and regiving but the act of power which TAKES and TAKES some more. This unbalance will destroy any civilization.

How do we achieve the success of KNOWING? You first have to realize that there is a "Power Source" and the definition of the substance produced we will call "LIGHT". Light can be brought forth onto the stage of actors to visualize the setting and Light can be poured forth on the secret actions and dialog as stashed in the unknowing portion of the play. The LIGHT, however, that saves the SOUL is that which is allowed to shine forth on the reality of that which resides eternally

within self. This is then, in turn, called KNOWING. Therefore "knowledge" in TRUTH becomes the goal of experience. Without knowing, you can have no "direction" of proper flow into the higher understanding of

either self or universe. You can escape disaster by not knowing how your TV works in receiving pictures which, by the way, YOU have to decipher in the brain, but you cannot get by and into the higher dimensions of expression without coming to revere and recognize and **KNOW GOD.**

I, Hatonn, come within that wondrous LIGHT of KNOWING, that Light which is shared upon us all, through us all and within us all as we are allowed expression in the Idea of God. Ah, would it not be wondrous if we could simply express HIS "ideal"?

So, who might I be and what is in a name? Nothing. What is within a "being", however, is ALL. So, I express in LIGHT in service and in giving. I will share what I AM, what I can and what you will receive. Neither I, nor any, can do more.

Remember the old truth: "God is Light"? GOD IS LIGHT! The opposing term is DARKNESS. Note I did NOT say "white and black"—I said "light" and "darkness" (truth and lie, seeing and blind, knowing and ignorance, etc.) You perceive "light" as being "white" simply because you have no other meaning available other than perhaps "transparent, containing all colors". Darkness is the same problem to describe, only it comes out "black" for lack of the description "absence of any color", OR, radiation vs. lack of radiation.

GOD IS LIGHT

Every descriptive term in ANY and ALL languages will reference GOD as Light. God is recognized, as is LIGHT, with all-knowing, all-seeing, all-present, all-being. These definitions serve our purposes well if we didn't ever have further or higher realization.

Without light all things perish. Even in the greatest depths of the oceans wherein

life seems to be, at the least, resting, there IS life and thus, there MUST be light. To the human eye it may well be indiscernible at such depth but, nonetheless, light is there for God is there and with God goes and comes that which is projected as LIGHT. There are many forms of illumination, readers, from the radiance of self-projected luminescence, to the glare of laser beams and, in further FACT, to that which moves BEYOND sound waves. MOST of what is reality and presence, is unseen and unheard with the limited senses of Man.

We speak of that which is evident to our senses and therefore we speak of things great and small as descriptions, yet, ALL is most tiny compared to the vastness of infinite universe, that greater "All". Man comes forth and overlooks his most wondrous attribute: that he, too, is nothing except Light and he, being "Light" also, is as God in reflected image for God is Light. Man searches, seeks and fails to recognize, calculates and figures while looking for that which is NOT in his hope to find

God and Source for he longs to be with the ONENESS again from that of which he is created. You are simply the great swirling infinity of spiraling light coalesced into wondrous manifestation that has taken FORM that you might experience, with your senses, the magnificence, for God, too, desires to share and experience all. You can't "shake" God. HE is with you no matter where you might go and what you might do.

Consider what you do in your secret places! If you put self into the gutter in despair or disgrace—you take God. If you exalt God from the highest mountain top, you take God with you. **YOU CANNOT HIDE FROM GOD ANY MORE THAN YOU CAN SUCCESSFULLY HIDE FROM SELF!**

Ah, but readers, there IS full explanation of meaning when you proclaim that "God is Light". There is physical (physics) proof of that statement in scientific FACT. You are so steeped in mystical and mythical teachings by those who were ignorant or deliberate in their lies that you don't longer know that there is PROOF if you would but look and hear.

The day, however, has now arrived when all Mankind must KNOW what is meant when the great teachers have said, "God is Light." Why? Because you march to the drum-beat of disaster as you pass INTO the darkness rather than running into the lighted truth of LIFE. The cycle grows short in sequence and your further dalliance shall undo you.

I realize we toss myriads of swirling words in our efforts to allow for understanding and you become lost in portions which yet elude your comprehension. There is, however, no need for despair for Knowing simply IS, readers, just as God "simply" IS. The "KNOWING" must also come. It is the time, now, for bringing together, AGAIN, the fragments of explanations wherein those who are ready for knowledge can grasp the sensing and allow it to become "*knowing*". For those who are not ready in their journey, it will come if you do not turn away. Continue on with us and we will show the way for *that is our purpose in coming*.

How can I offer examples of realization? I can't do a very good job of it for each person has his own perception. I will suggest as example on a small scale the position of an author and writer who considers the impression of words on a printed page to represent his vision of a "play" unfolding or unfolded. It is his dream, his life work, his pain and his joy. So be it. He considers himself a writer.

D h a r m a writes! My, does Dharma write. She would win all records in Guinness' Book of Records and

yet she neither considers herself to be an author or a "writer". She will tell you that she is a secretary until her "purpose" is disclosed. She will tell you that she writes her visions only occasionally and paints MY PICTURES on this daily type-and-pick every day. Is there a difference? Indeed, but to all others the perception is very different from her own. My perception will be different from the "others" AND HERS. We cannot know for sure until the LIGHT IS SHED ON MYSELF and lessened on her stage! Does this make sense to you? I could even word that last question differently: "*Does this shed light on the subject?*"

ALL KNOWLEDGE IS LIGHT

All knowledge is held within the wondrous realization of LIGHT with its even more wondrous mysteries. It is not hidden in mystical secret worlds of hidden intent. In LIGHT all is projected. Although it is all around Man, he cannot seem to see it for it reflects too

The whole purpose of life is to learn how to manifest God in Truth and the Law. This particular lesson is a hard one, for Man, himself, makes it hard by his unknowing of the Law itself. As man gradually knows his purpose and the Law by knowing God in himself, life becomes more and more beautiful, and man more powerful in his own manifestation of power. Man's real power lies in "giving". He must learn to "give" as does Nature.

Every descriptive term in ANY and ALL languages will reference GOD as Light. God is recognized, as is LIGHT, with all-knowing, all-seeing, all-present, all-being. These definitions serve our purposes well if we didn't ever have further or higher realization

many myriads of infinite other creations back into his senses. That which Man cannot "see" is therefore somehow incomprehensible to him. In this same circumstance God then becomes unseen as is the wind, but do not err in that assumption of absence for the wind is unseen but is definitely "there" and, yes indeed, the wind itself is comprised of LIGHT.

The next realization must be that *Man still knows not what "matter" actually "is"*. He has advanced far in realizing how to deal with portions of matter but still there is not understanding of the true source nor the "why" of matter. Our efforts are focused on showing you the "what" of matter. I have, among others,

made this effort prior to, most surely, this writing and yet only a tiny, tiny few have been able to transfer the realization of "knowing" into reality. I do not bring forth puzzles simply to annoy you and frustrate myself. I do have to face the fact that what you really want to know is THIS truth but your focus is more toward the possibility of money decline and earthquake predictions. Most people don't want to KNOW truth because with KNOWING comes RESPONSIBILITY and fear of erring. And what is wrong with erring? You can only learn by experiencing, error or otherwise. Once you know truth you will have less tendency to those prior errors of choice and yes, indeed, it does then become a DELIBERATE ACT, WHILE KNOWING, IF YOU ACT IN EVIL WAYS. Therefore, it becomes the "fear of responsibility" which slows your journey to a full stop position.

WHAT OF UNSEEN WONDERS?

Unseen wonders abound about you and some you recognize, acknowledge and acclaim while not actually "seeing" them. Usually, however, at upstart of offering, they are laughed at, denied and stoned along with the presenters. You as physical Man have not begun to scratch the surface of the patterns known to you as energy, electricity, magnetism, gravitation and radiation. You have learned to play with them, change them into serviceable or destructive toys and partially locate a few of their actions, but you certainly have NOT the slightest TRUE KNOWLEDGE of them. You can develop bombs of them and yet have no way to control that which you developed.

As we move on into the subject of octaves, elements and components of the "unseen" and "visible" world, you, for instance, don't even know the purpose of the so-called "inert gases" or WHAT THEY ARE. Even the most highly trained scientists do not have full comprehension, or at the least "correct" comprehension, of those very "inert gases". I use this as an example only, for inert gases are the most MISUNDERSTOOD of all "things" on your charts and tables in the scientific fields of study.

I have to back up even further now and state that you don't have the CORRECT structuring of atoms nor the gyroscopic principle which determines that very structure—nor the workings and movement which extrudes through deformed atoms the expulsion of electrons in monatomic atoms. Is this too technical for you? Why do you assume this to be? Is it not that you simply have not had interest nor been exposed to the answer to the questions regarding these things? Only a finite few on your place have even heard of the most important of all physics principles which is recognized by us as the VOIDANCE principle. It can be called by other labels but "voidance" is the most suitable English word to describe the phenomenon. We find that almost none of you know anything about the lenses and mirrors of space which are the very CAUSE of ILLUSION in all

moving things. You have no teachings to cause you to so much as consider the entire material electric universe to be the illusion which it is, there being no reality to it whatsoever; so you continue to play with your perceived bits of matter and miss the whole point.

You then have someone like Einstein come along and toss off on you some theory regarding relativity and

you go off on tangents of foolishness. You haven't the slightest iota of truthful knowledge of the cause of that perceived curvature of space, nor the voidance of that curvature in

planes of zero curvature at wave field boundaries. Not a person knows for physical sureness how it is that crystals get their various shapes. Your "old" world would be amazed to know that those shapes of crystals are determined in space by the shapes of the wave fields which bound the various elemental structures. I do misspeak in one instance here for there are a minute few who have realized the truth and, therefore, recognize errors. However, even these few continue to go forth and tinker and speculate on things which have no basis in reality nor TRUTH.

Man in general has not the slightest conception of what constitutes the very life principle, nor the principle of growth, nor the simultaneous unfoldment-refoldment principle which repeats all patterns in Nature sequentially and records and voids them as they are repeated. You can present and manufacture replicas; you cannot even begin to simulate true LIFE. Neither are you aware of that recording principle by means of which Creator carries forth the sum totals of every sequential cycle in His unfolding and refolding universe unto the very end of its manifestations upon one planet and its beginning on a new one. You just continue to pronounce and shout "big bang" or "creation of little fishes" or, or, or—all of which bear not the slightest connection with how it is.

"LIGHT" holds the answer to All of these heretofore unanswered questions, and all the rest, which the sages have not yet solved nor known enough to ask. This revelation of the nature of Light is the inheritance of MAN in this time in which he finds himself experiencing, a time of great revealing and comprehension. You want to "prove" God? Herein is proof of God, through methods and standards acceptable to science AND religion alike. It lays a spiritual foundation under the present material one of science, which you don't understand any better than the invisible one, and allows for truth in religion instead of the mythological tales of inaccurate repetition built to control you.

Will Man understand? Eventually. It matters not for it is OUR mission to commit the fragments of truth to you and it is yours to do with those truths that which you will. If Man will but come to attention, the two greatest elements in civilization, religion and science, can thus find unity in marriage as you might define the coalition. Will Man do it? On your planet of earth matter, probably not, but at some time on some earth orb, MAN WILL. Why do I know this? Because it is the projection of God that it be so and, therefore, it will be so. My intention is to make it so that you can understand if at all possible. You who make the choice to NOT see nor hear shall be allowed the consequences of

those errors in choice. There are places abundant to allow for their onward growth, for ultimately EACH will know truth and come to act in truth.

All things progress in cycles. This includes civilizations. New comprehension periodically transforms mankind into higher beings. A new cycle, of which shall take around three thousand of your years in counting, is now in its birthing. God's omniscience, omnipotence and omnipresence are centered in the consciousness of every Man; but few there are who know of the Oneness of their Self-Soul with the Universal Self-Soul. Even the most learned of Man will forget the absolute pattern of CYCLES. Ah, but each cycle fulfilled brings Man nearer to his awareness of his Oneness with the LIGHT of his Self-Source.

Mankind will come to realize that truth itself is indeed simple. He will also find that there is ultimate "simplicity" in balance. Rhythmic balanced interchange between all pairs of opposing expressions is natural and, in human relationships, is the consummate art of God's universe of Light. By the way, it is also the "law". It is this one fundamental Universal Law wherein lays the balanced continuity of all creative expression in God's "electric" "wave" universe of what are two conditioned lights in what seems to be motion and which record God's one whole idea of Creation into countless seemingly separate parts of the WHOLE idea.

MISPERCEPTIONS

Why the misperceptions? Oh, Man drifts through without much thought or care to other than what he is told and what experiences are presented to express.

Then it comes that ages pass and more misinformation is absorbed and acted on and thus this cycle of deepening ignorance buries, eventually, the mind consciousness of the individual as well as that of society. Many are the ages of preparation for worthiness to hear truth for Man's consciousness is insulated from his Source by the sensations of his electrically conditioned body, that sensing body, which he wrongly thinks of as being his "mind" and his personal

Self. What he refers to as objective human mind is but the seat of electric sensations of his body. What he mistakes for "thinking" is but an electric awareness of things sensed and recorded within the cells of his brain for repetitive usage through what is termed "memories". Memories have no more relation to knowledge of Universal Mind which is in Man than Capital Records Company is related to the source of the recordings they sell.

What Man refers to as his "subjective" mind is his consciousness, his spiritual storehouse of all-knowledge, all power, and all presence. That consciousness is his Self, his eternal Self through which his omniscience, omnipresence and omnipotence is expressed as he slowly becomes aware of their presence within him. Remember that this can also be called "subconscious" mind and that portion of your being can be lied to as well as can your mind. You are subconsciously being programmed by OTHERS, constantly. When YOU actually take control of these programming responsibilities and open those robot minds—you can achieve anything you desire and it can be achieved in TRUTH.

As always, however, the choice of this opening opportunity is through ONLY your own choosing.

My parting words as we begin these lessons on "light"? LET THERE BE LIGHT! Good morning, students. May I be a good "cohan" (professor) and may you desire to learn so that you may be the adept "chela" (student) in this magnificent journey to truth and un-

The next realization must be that *Man still knows not what "matter" actually "is"*. He has advanced far in realizing how to deal with portions of matter but still there is not understanding of the true source nor the "why" of matter. Our efforts are focused on showing you the "what" of matter.

You as physical Man have not begun to scratch the surface of the patterns known to you as energy, electricity, magnetism, gravitation and radiation. You have learned to play with them, change them into serviceable or destructive toys and partially locate a few of their actions, but you certainly have NOT the slightest TRUE KNOWLEDGE of them.

derstanding.

3/12/96 #1 HATONN

STARTING OVER

We wrote a series of journals in which we greatly honored the visionists who came before us, but in your courts of injustice the POINTS were lost in the maze of foolishness of lawyers, court jesters, and everything that makes a clown-show. The first named defendant didn't even make an appearance nor was he (and she) ever required to do so. Our own attorney served that party in opposition to us WHILE OUR PEOPLE PAID THE ATTORNEY FOR THIS ACT OF MALPRACTICE. This shall not happen again if we can help it.

Those were works of great importance and, now, because of such lack of any proper focus in the case, we can't use that material as presented prior to now. Therefore, we move on to the input of others who have specifically offered their own separate findings in the realms of LIGHT.

How bad did it get? Well, in one paper I tried to stress the importance of the material involved, this being while there were books available. I said something to the effect of these volumes (I didn't write them) being so important that if there was possibility of "beg, borrow or steal" a copy to read, it would be enlightening. I don't argue that the words may well have been ill-chosen, but then, that is a cute phrase that you have used throughout your history to emphasize importance of a focus. The statement was placed in quotes for the full intent of emphasis and quotation but Dharma was again accused of contempt of court and "advertising" books banned by the particular court in hearing. Actually there NEVER WAS A "HEARING"—EVER! The misery, however, is great enough to cause us to certainly take a different approach and leave the adversaries out of the loop in total.

Since there will come a place in our writings that will require "Periodic Tables" we will give full honor and present now respected and confirmed information. We have that information in a much more easily seen CYCLE of presentation from Tom Astley of South Africa so we will present the tables as a variety with, hopefully, the periodic tables as used in scientific authority. However, please know that on the accepted tables of consideration, many, many things are missing and numbers were not even assigned to allow for recognition of those things which have later been discovered.

PLEIADES CONNECTIONS

What focus got the most entertainment value in the courtroom? Our labeling of the series of journals "Pleiades Connection". The thought that there could be any kind of higher assistance seemed to boggle the minds of all concerned. Even the Plaintiff could say that "his" client had "higher information from God" but we were categorized as "those E.T.s". So, I ask you a very important question: If it looks like God, walks (or floats) like God, is not cemented to Earth terra firma, has LIGHT AS SOURCE AND PROJECTION, what is it? GOD IS LIGHT AND THAT MEANS ENLIGHTENMENT and no cute E.T. can compare to THAT E.T. E.T.? Well, what would you call God who is THE LIGHT OF CREATION and certainly, other than being affixed in soul to mankind, is not glued to your silly planet? By ANY label you can "beg, borrow, or steal", this IS the meaning of EXTRATERRESTRIAL. GOD is as dense as the tree and as invisible as the wind—man is in-between somewhere with, supposedly, intelligence capabilities which are so well hidden as to be the REAL mystery of the Universe.

Let me assure you of something, readers: if ONE can receive from GOD, more than one can receive from GOD. In fact, everyone can receive from God and you need to know it NOW.

The parties who came to control the works and gifts

of this great man shall never be given place of record in the Books of Life. Oh indeed, he fell to the gentle call of the sirens and, in the fall, his work is all but lost to mankind for those that followed are not serving God but, rather, SELVES. This is quite fine, readers, for the rewards of this are the cycling back upon them in like KIND. EVERYTHING IN LIFE IS ONLY UP OR DOWN—IN SPIRAL FORM. YOU CAN CYCLE IN THE SPIRAL UPWARD UNTO THE HIGHER "LIGHT" OF GOD—OR DOWNWARD, IN CONCEPT, INTO THE LOWER DENSITY OF THE OPPOSITE OF GOD. From this very FACT of experience comes the concept of "heaven" and/or "hell". "Heaven" is total "freedom" in the LIGHT of right-ness. "Hell" is the absence of God "LIGHT" while bound totally by the PHYSICAL perception of "things" mortal. Human experience on a level of third dimensional "choices" makes the call for which direction you travel when you leave the old body for a new one.

ALIENS FROM "OUT THERE" SOMEWHERE

Is it important from whence comes an "alien" from the Cosmos? Yes. Let us look even closer to your home for the response. Does it make a difference to the Government of the U.S. if a "cosmo-naught" coming to Washington D.C. is from Libya, South Africa, the SOVIET UNION, Russia, or Israel? Oh yes, IT DOES.

But what of the simple things such as ABDUCTIONS by aliens and all that "stuff"? Those "abductions" are usually NOTHING even resembling the stories offered, BUT, there is sinister meaning in the presentations. Do such things happen? Indeed, but not from a brotherhood of higher universal man in space out-there!

UNDERGROUND CIVILIZATIONS

As soon as the man involved in authoring an upcoming book can get information to us, we will begin to share the facts as found and investigated on the existence of your inner-Earth PEOPLE.

There are massive efforts being made to, as we write here today, map and establish the locations of the "ancient" tunnel systems and inner Earth dwelling locations.

The "people" of the races represented originally, of course, came from the Cosmos. However, as changes came and cataclysms happened, there was need for attending the needs of survival for some of the races of people on the surface of the Earth. You will find that the Hopi Indians know all about these underground Earth dwellers and brothers. They refer to the serpent races and "ant" people. I hate to tell you squemish people that the visitors are benevolent and wondrous as to goodness—BUT they have now been crossed by every dastardly thing your own rulers could garner and cross-breed. Mostly the residual TRUE people are GOOD PEOPLE but living in the absence of GOD LIGHT has made them quite robotic in presentation.

Remember the "green ants" spoken of yesterday? Well—wherefrom do myths begin?

I have told you over and over again that the PROBLEM VISITORS are NOT IN OUTER SPACE! Your own nightmares are birthed and locked to your own land-based entities. You have NOTHING to fear from true outer space. You certainly have lots to concern about in the orbiting spaces allowed in your atmosphere and close outer shells within your own solar system.

However, that too, is only from the ones from your place who play in those places.

Did these "people" come from Pleiades? Some of them, but mostly NO. However, those of the groups called the Plains Indians, as did the actual Hopis, come from Pleiades constellation. The Hopis were simply brought underground to be secured and cared for. It is from this very action that they came to believe they

were birthed from the Earth and have Sipapus which allow for the SPIRITUAL coming and going to and from those underground living spaces.

What is the difference, then, in belief? Well, when the great cataclysms came before, some were brought into "space" for safety and some were

taken underground for safety and that realization remains in the hand-me-down truth of the oral traditions. The SOURCE of human is the same; the saving of the races is all that is different. The brothers from the LIGHT, as is recognized, are by far more ADVANCED than those bound by the tunnels of existence in separation from the SUN.

Many of the TRUE underground races hope to be able to "surface". They also must know how to handle you people who will be taken below ground for your "saving" in mortal form. They too are working through their learning processes for upward mobility instead of being locked to the "Hell" of Earth darkness. Do I speak figuratively? NO! I speak "literally". Guess where the evil multitudes of controllers PLAN TO GO FOR SAFETY? GOD'S PEOPLE WILL BE REMOVED TO THE OUTER-SPACE SECURITY.

KHAZARIAN SERPENT PEOPLE

Let us move back in our lessons quite a way, to when we spoke of the Khazarian Serpent People. This is the label the Khazarians gave themselves: "Serpent People". All you need do is LOOK at the former Prime Minister of Israel, Yitzhak Rabin, and SEE that he was DIRECTLY FROM this race of aliens. The Khazarian tribes were warring "little" people, quite gray in coloring and, until they interbred (read the *Protocols*), were a tiny people of shrewd commercial abilities and always at war. They lived by the adversarial rules opposite those of Creator God. THEY STILL DO!

They must now, by the LAWS of Universal Law, leave God's people of Light—alone, once established. But, they are allowed to CONVINCING you through MIND to join them if you choose to so do. I toss this in as a warning. You go join the dark actions of the perpetrators of injustice and crime, while advocating the "acceptance of all actions", and YOU will either be blown away as the wars flame up or you will end up in the craters of underground lockdown. Heaven or Hell is of your own choosing.

Now, I can offer you volume after volume on LIGHT and, unless you choose to use the LIGHT, you are not going to get off your prison planet—period! You can play your silly games of this receiver or that receiver and prattle till the cows come home with or without milk, BUT, the FACTS are that you will not get off your planet alive in body or, in probability, sound mind—unless you choose TRUTH IN LIGHT! I CARE NOT WHO TELLS YOU OTHERWISE.

Narrow? YES INDEED! All you are doing with your silly quibbling about silly things is separating and sorting "ours" from "theirs"! The underground brothers are prepared to place you if it works out that way but

I can promise you that you WILL NOT LIKE IT! THE CARETAKERS DON'T LIKE IT BUT THEY SURELY ARE LEARNING THEIR HARD LESSONS IN HOPES OF BREAKING FREE AND GOING HOME TO THEIR INDIVIDUAL "SPACE" HOMES ONE DAY.

You will find the cross-breeds of these races very robotic and unemotional. The higher state of being of the REAL and TRUE beings are spiritual and wondrously GOOD. The Etherians who dwell as teachers with them are guides of the highest form and are basically structured of light in an almost invisible form.

ARE THESE SECRETS OF THE UNIVERSE?

I suppose if you consider that you perhaps don't know this truth as being presented, it is considered a "secret" and a "mystical" unknown. However, it is NEITHER SECRET nor MYSTICAL. If you don't know about this then I guess you can consider it "mysterious" until you come to KNOW the facts.

Are the brothers from outer-space higher beings than the little ones under the Earth? Yes—in enlightenment and soul advancement. When you go back to the "cave", brethren, you become quite stunted, stunted, and dense. You can move in your "spiral" upward or downward. Which direction will your soul move from YOUR GRAVE? After that choice, which direction will you move? Oh yes, it becomes very important.

Friends, I am humble to be in your service as teacher for together we CAN come to KNOWING within the ALL which is the Light of Creation. I shall not join you, however, if you choose the lower spiraling cycles downward. I will offer to each and ALL. Truth. Beyond that, I go one way and you shall go the other if it be your choice. I do not drag, push or abduct. YOU CHOOSE! It can't hurt you to live in goodness and it might just save your bacon! You who think you are making brownie points for knocking and hacking at my team are making your own grave which empties downward but that, too, is YOUR choice.

Henceforth you shall have had opportunity to learn truth and, therefore, you shall be confronted openly, publicly, and in the law. I don't play silly games past the opening scene where you "don't know" real truth and are taught that everything is acceptable and OK. Everything is NOT OK, NOR ACCEPTABLE. You denounce me and I shall denounce YOU. This attitude doesn't sound Godly? I ask you: "What do YOU really know about GOD?" If you think you know it all, leave me alone—go away from me. Go find someone, such as Lemura suggests, who speaks softly of NOTHING. You will find as many Kryons, Protons, Zenons, Mafus, Ramithas, Krytons, Krotons, Croutons, Duggahs... as you WANT TO FIND to sooth and comfort you in your foolishness. GOD IS DEMANDING IN HIS CONDITIONS. However, HE ALLOWS all the FOOLISHNESS you can conjure. The CONSEQUENCES are the things to consider, readers—THE CONSEQUENCES!

Do you want to spend your "eternity" in dark tunnels with little gray things poking in your belly button? Or, do you want to soar with eagles and Angels? The choice is strictly yours.

No, the choice is not TOTALLY one or the other—HOWEVER, those who are taken to that "underground" life will be barred from coming forth into the Sun until they GROW INTO UNDERSTANDING IN EXPERIENCE. This keeps the surface of the planet open for the play to continue in its own cycle of growth as the "University" of Universal learning and physical choices. Anything shut off from the presence and LIGHT of God Creator is not going to be very happy, readers, nor are

they going to be sound of body or soul. Those who are GOOD and have been bound to the Earth shall be risen and taken to their higher places of expression while those of density and foolish intent in the LIE will be left to dwell with the underground tribes.

Does this mean the Hopis, as a for instance example, are primitive underground dwellers of the dark forces? Certainly NOT. STOP YOUR SILLINESS, GROW UP AND GET A LIFE. I am here to tell you: THIS IS SERIOUS BUSINESS WE ARE ABOUT AND IT IS YOUR BUSINESS! Where will YOUR SOUL be when the BIG plagues hit, the collapse comes, the SHIFT happens? It behooves you to look at that carefully for time is speeding up in perception and you may not have opportunity to put off your choosing much longer as the sequences pour in one upon the last. I call it, at the least, climax time, even if we do not consider Armageddon or Cataclysmic Catastrophe OR *Apocalypse*!

Do you actually think WE CARE WHAT YOU THINK ABOUT US if it be denial or negative? Come now, readers; we come from the Cosmos so your little mortal imaginings and self-centered ego-trippings do not interest us very much. I am not here to CONVINC you of ANYTHING—I am here to GET GOD'S PEOPLE! You will WANT to join us or you will NOT JOIN US!

Is this understood? If not, then make an effort to come into ability to UNDERSTAND. Or, take your opinions and get out of our space. There is a major task before us in preparation for whatever comes, and whether or not YOU like it makes not one iota of difference. If you knew how to change things so all-fired

"YOUR WAY", then WHY HAVE YOU NOT DONE SO? I am reminded of the visitors who giggled at our fun little circle here and said loudly in a silly presentation of "By God I am going to do God's work, *but I am going to do it MY WAY.*" So be it, I note that "your way" has NOT WORKED anything but poverty and failure! Why don't we USE God's way for a change?

You can get along with us in just one way: Admit to self and us that you don't know everything! From that base we can accomplish miracles. Set aside the ego and we can work wonders but I, for one, am weary of trying to not injure all your little "feelings" and being expected to sweetly accept your batterings and actual stupidity. Ignorance is one thing; stupid actions are quite another. Deliberate damage in the name of something "good" is altogether unacceptable in each case. If YOU think that your behind-the-back gossip and dirty tricks, your phone calls with nasty name calling to aligned persons, is helping your cause in some way—I have bad news: Your total ignorance and deceit is showing and certainly is TELLING ON YOU. All the pink and purple ink you can use cannot cover the dirt spots on the paper of your soul.

To continue and to broaden the accusations while trying to cover your dirty deeds and, now, your actual "criminal" activities will merit you nothing save a major spiraling back upon you, with worse affliction than you "thought" you had at the beginning of the WRONG CHOICES OF ACTIONS. Allow your children to experience YOUR WRONGS and this is where, "the SINS OF THE FATHER/MOTHER SHALL BE RESTED FOREVER UPON THE CHILDREN." Those children will grow to DESPISE you for your attitudes and actions for you will have caused them to go through hate to hurt that which was actually "good". You cannot hide the truth from the child—for the child KNOWS even if he sputtereth

otherwise.

Will the ones who turn (or remain) against our Creator Source be left to experience that which is moving in sequence of heinous prophecy upon them? YES, for "force" is not of God and Creation will work her changes and reclamation with or without permission of Man. God will "allow" and "Space Command" has nothing to say about the matter.

Whether or not you like it, you ARE headed for a major transition. I further suggest that you understand something about that transition: You are come to a point of realization as a species and a planet wherein you experience the negative unbalance of chaos with no massive effort to come into Truth. Those who press and are flowing back into making all efforts to understand and change their pathway are flocking ever increasingly into places where evil has taken the pulpits and silenced the voice of Truth. Though God can never be silenced, Truth can be buried.

The planet Earth Shan shall be cleansed, purified, and healed. That simply is the way it shall be and prophecy has nothing to do with the circumstances. Prophecy at best is only a WARNING!

LIFE AND DEATH

You have a couple of things to consider in physics as a realization. The great and simple basic fact is that all "death" is caused by expansion, and all life is caused basically by compression. Is this a "far-out" possibility? No. All material bodies, organic and inorganic, live and grow by what appears to be increasingly fast motion. They also die and decay by increasingly fast motion. Is this actually what is happening? No, because all "things" simply ARE and motion is a PERCEPTION. The intention of the ones who would control your world is a plan to speed up the sequence of experience through the use of UNBALANCED radiation through several methods of bombardment. The major controlling factor will come through forms of what you call "radiation". These will present as pulsed waves which EXPAND massively. These will be very damaging to mortal forms.

It may well seem quite in opposition to all you have thought or been taught to think about living and dying but I will boggle you a bit further here for your concepts are almost exactly in opposition to the actuality of LIFE.

Life deeply desires to live, but has to work hard to keep sufficiently "charged" to maintain life, while death can fulfill its desire to die without any effort whatsoever. That, in itself, should tell you what lies before YOU if you "just continue" to "be" in the acceptance of anything and everything as you wash about on

Consider this fact: LIFE is "compression"; DEATH is "expansion"; and ALL is electric—ALL IS LIGHT—and GOD IS THE ONE LIGHT FROM WHENCE YOU AND CREATIONS ARE BIRTHED OR "BORNED".

the winds of whatever comes. To "charge" a body with life takes time and much effort, but a discharge can be timeless and without effort. The flash of a short circuit is not only a good example of this fact but is a full demonstration of its PROOF. You are but "electric"-based beings.

Death, therefore, means rest, or cessation of motion. Sound is motion created with an effort, but it ceases without effort. It is an effort for you to arise and work, but it requires no effort for you to cease working and become at rest. It requires abundant energy to heat an iron rod but requires nothing for the rod to cool, or to remain cold. Therefore, the first realization is that all things will "die" without effort and this is normal and natural as sequence of expression. If you multiply this process through helping death, say through murder, you have *multiplied* "cause". You have "helped" in the expansion process which culminates in death. The concept is alien to you only until you reconsider the death-dealing RAYS of radioactivity radiation. In this construct I have jumped ahead in the information but you stand at the brink of this very kind of sound, light and pulsed demise and you need to realize that, beyond understanding simply "life and death", you have to have a reasonable concept of the processes.

Consider this fact: LIFE is "compression"; DEATH is "expansion"; and ALL is electric—ALL IS LIGHT—and GOD IS THE ONE LIGHT FROM WHENCE YOU AND CREATIONS ARE BIRTHED OR "BORNED".

God had to first have LIGHT for from that Light and God THOUGHT comes everything. You cannot even have a holographic picture without light from EVERY direction for dimensional form. GOD THEN EXTENDS HIS LIGHTED "THOUGHTS" AND ALL "BECOMES". You may well not understand it yet, but I think the concept is quite simple even without full comprehension.

CHINA'S SPY SATELLITE IN FALL

Man's concepts of almost everything are so distorted as to seemingly be outrageous. I note your "news" very carefully for I am in full shock and astoundment at what is tossed off onto you viewers and listeners without so much as a hic-up.

There is supposedly a Chinese-originated SPY satellite out of control, losing orbit (however such a thing could happen) and headed for a hard landing to Earth—or perhaps it already hit the sod, so to speak. That is not what is interesting—it is the tale accompanying the event. First, no one seems to know where it should land. Well, if technology is good enough to pinpoint your credit card number from the moon, can't the learned men of wisdom calculate fall and speed and select a likely hitting sector? Next they say it, the satellite, would bear "warheads", first thought to be radioactive as "nuclear", then it was "biological VIRUSES" to devastate the U.S. and then the final funny: "...it carries, among other things, mold presses for \$100 bills." Say what? Are you nuts? Why in the world would a self-respecting CHINESE anything put onto a satellite a \$100 bill press for counterfeit currency? The robot reporters never even blinked or twitched the eyelashes (which would fall off the face if activated). Worse however, neither does the brain twitch or blink at the stupid assumptions.

I am considered to be a very pragmatic and difficult old boy in my circles. I don't twist you and turn you upside down nor do I play to your nonsense. Nonsense will land you in that "hell" of description and TRUTH and KNOWING TRUTH shall land you in that nice place called "heaven". That CHOICE is yours and, furthermore, I can quite logically and literally LOVE you while I have no intention or requirement TO LIKE YOU. If I "yell" at you is it not just possible that I care enough to make an effort to be heard? If you think GOD does not shout at you—YOU ARE MISTAKEN. How many of you have been unprepared in the middle of a tornado or flood? GOD IS SHOUTING AT YOU,

BLIND AND DEAF CHILDREN. HE sends US to be wayshowers and messengers. YOU DO WHAT YOU WILL AND THAT WHICH YOU WANT, AND CHOOSE. JUST REMEMBER THAT NO ONE, NOT YOUR WIFE, YOUR HUSBAND, YOUR NEIGHBOR, YOUR SO-CALLED FRIEND, YOUR CHILDREN—NOT ME, NOR DUGGAH NOR DRAGOO—NO ONE—CAN NOR SHALL DO IT FOR YOU.

The gossip can continue, the interference can continue and you only hurt yourselves for you certainly CANNOT HURT ME. YOU CAN NO LONGER, IN FACT, HURT MY PEOPLE. I SUGGEST THAT YOU WHO WOULD BE DESTROYERS OF OUR SIMPLE TRUTHFUL JOURNEY AND TRUTH, ATTEND YOUR BACKSIDES BECAUSE YOUR OWN KIND ARE OUT TO GETCHA! I DON'T HAVE NEED TO DO A THING ABOUT YOU WHO CLAIM SELVES AS MY ENEMY, WHILE TRYING TO LEAVE YOUR PIOUS FACES IN AN OPEN DOORWAY. I CARE NOT WHAT YOUR EARTH AGE OR POSITION—IF YOUR INTENT IS TOWARD DESTRUCTION AND TEARING DOWN—YOU ARE MY ENEMY AT YOUR OWN REQUEST. SO BE IT.

Good morning and may the LIGHT strike you soundly!

AS WE WALK SO WALK POSSIBILITIES

I come to write each time there is opportunity. Sometimes that opportunity brings forth things which mankind does not wish for or want to hear.

As we produce volumes of dated journals there sometimes needs to be a repeat of topics, especially if they come from books which bear injunctioned material. This does not mean that our material is banned from our use but, rather, the information relative to a specific topic or entity.

As we have moved through more than 5 years since the first "Pleiades Connection" volume was presented and those books in that series have been banned from publication or public presentation, many of you will not have had opportunity to gain input from the various unrelated topics we addressed at that time in December of 1990.

There is going to be a presentation of the FACTS OF LIGHT as we are able to put them to paper from resources other than the first presentations from us on the subject. That be as it may, there is no need for that prior presentation for we handle the facts and truth in every presentation and another's foregoing information is unnecessary at best, confusing at the least.

SPACE SHIPS AND BASES

There certainly ARE space craft and there ARE space bases AND THERE ARE SOME UNDESIRABLE VISITORS. But, readers, you have visitors to your home and, therefore, consider whether or not you have to ENDURE THEIR PRESENCE or their opinions simply because THEY choose to burden YOU with THEMSELVES.

LAND-BOUND ENTITIES

I repeat here, again, that your enemies of truth and God in Light, are not from outer space and the brotherhood of higher universal Man. The enemy is among you, Earth-Bound, and those of higher intelligence are trying to escape just as would you if you could do so technologically. There has been a lot of tampering going on, readers, and a whole plethora of WRONG information.

There is no quarrel from me about there being "aliens" among you. There is not even a quarrel from me that some of them are little, gray, bug-eyed, and/or "different". My argument is that I KNOW THAT THE

ENEMY YOU TEND TO CONSIDER AS VALID IS NOT FROM HIGHER SPACE. The ones you must anticipate and fear, if you will, are those who inhabit and have now become part of your society and dwell in the underground environment of which you seem to have no REAL concept of existence. While everyone points to the stars for your Savior AND your Enemy, you err on both accounts. YOU are YOUR Savior, if there be one, and your enemy is within your environment.

CRASHED CRAFT

I am not yet ready to cover this subject in total for I have some things you need to know first and one of them is that which is Light and how you must come to realize that GOD IS LIGHT and, therefore, YOU ARE LIGHT. You have to function "as if" you are the reality of your experience for any and everything must be faced on the impact it places on your being. All the information offered cannot make a difference until you can relate your own expression to that information.

What do I mean by this relationship? I mean that if you look into the sky and perceive its "color" you, if you speak English, will refer to the color as blue. However, on other places and even in other nations, that TERM may well be called differently. In other words, the very perception "blue" can be referred to as "red" but the color ray of the spectrum might well be identical. If you don't know the truth and difference in perceptions and TERMS, you might well go to war over such silliness.

One of the most valuable letters I have ever received came in December of 1990 from Al Monette from Southern California, U.S.A. It was a long and most thoughtfully written letter and required considerable thought in responding. I think, since it was responded to in the Volume I of the series, I would like to offer excerpts of that letter and my response at the time.

From: *PLEIADES CONNECTION, Return of the Phoenix, Vol I.*

[QUOTING:]

[H: Excerpts from the "Introduction". Since I wrote it in the first place I may well take the liberty of inserting words or comments which make it easier to understand my meaning.]

This will be a bit tedious as an "Introduction" because I wish to share insight of a much higher understanding rather than simply dumping you into your relationship with your brothers from Pleiades. [H: Or anywhere.] To understand your connections with more advanced brothers you must understand that you are simply struggling with the learning processes of growth into the wholeness of realization of God/Creation Love and Balance.

It may appear that we enjoy scattering the tatters of pain upon you as a sleeping society—no, but you must awaken into that which IS. Then, and only then, can you move into the effecting of change and within the truth of actions and intent. Unfortunately, thus far, the journals of necessity have had to contain shocking uncloaking of the evil and pain upon your place. Now, we may also move more quickly into the spiritual aspects of balance through the individual attachment into that which is truth in spiritual development.

[H: Therefore, readers of then and today, we get letters—oh, do we get letters! Most are totally supportive and some are completely hate-filled. All are filled with questions and observations from opinions coming from all directions and from all types of self-perceptions. What we are responding to here is from one who simply questioned our approach to circumstances.]

In direct response to Al I would ask that he, and YOU, recognize that most of the journals come forth

from my own projections acting as a Commander in only slightly advanced FORM than are you of Earth plane. Things of physical manifestation must be tended in the manner of presentation, through physical means. Spirit is ultimately ALL, but man must come again into recognition of that which is placed asunder and then he can grapple with regaining balance from the chaos. This means, dear ones, that the chaos must be confronted, isolated and brought again into order!

I ask that we write portions from the letter in italics, and I shall respond in () in formal type style for I do wish to respond as I move along. I further request that this be placed in the forefront of the next paper. I am pained that Al presents the publishing of this document in the form of a formal challenge but nonetheless it bears the thought of the multitudes and therefore shall be handled as such. I do suggest that you ones would not, however, write such challenges unto, say, "Bo" Gritz and/or Alvin Toffler. Perhaps the very fact that you DO handle the information *differently* indicates great impact on the consciousness. I sincerely hope so. Salu.

December 14, 1990:

The Phoenix Journals/Express offers us truthful but negative information which enlightens us as to what the "Dark Forces" are doing to control us; however, this form of information also has a tendency to instill in our minds, condition us or incline us to:

(a) Hate, anger, resentment, revenge and hostilities.

(Do you cast blame upon the Journals, dear friend? Are these emotions absent in your lives as is? Do these feelings only stem from learning truth of circumstances or is, perhaps, the problem already present in overabundance?)

(b) Lose faith, hope and trust in our brothers.

(Do you have faith, hope and trust in your brothers? If so, why has your world become so ill that the truth hurts so much? Have your "brothers" not gained the deserving of loss of these higher qualities to great extent? Is it the journals and Expresses that have single-handedly presented this new phenomenon of mistrust unto your people? I think perhaps you give unto us a bit more than our share of credit for there have been some very daring authors and speakers bringing like truths unto you regarding your plight. Or, is it that this information is somehow unacceptable from the Hosts of Heaven and precursors of God's return to your placement? You ones of Earth cannot have it both ways—you must come into the LIGHT or remain ever in the darkness for that is simply the way of it.)

(c) To become fearful, combative, offensive or defensive.

(Do you speak for self or for all of your brethren? We have not received other material of such content other than to thank us for the new feelings of "we must do something about this situation". It is not the feelings which are erroneous and should be subjugate, it is the action taken in thoughtful RESPONSE instead of REACTION. Our mission is to awaken mankind for he has had the lessons of LOVE (totally misunderstood by all save a tiny few) and he has only gotten deeper into the mire. Therefore, it must be assumed that mankind has lost his way and he must see where he IS in order to regain a path, be it positive or negative in portent.)

(d) Reject, blame, judge and condemn our brothers.

(I would hope this is not true, but I am confident the statement is all too true! I would hope, rather, that you look within and see what rejection, blame, judgment and condemnation is appropriate for SELF and then, only then, can correction be brought about. It is never the brother at "blame"; it is YOUR PERCEPTION AND RESPONSE AND ALLOWANCE OF THAT BROTHER WHICH PRECIPITATES THE PROBLEM IN WHICH YOU NOW FIND SELVES.)

(e) See the gloomy side of life and have a negative frame of mind!

(I most surely do hope so! Do you indicate that there is no gloomy side of life nor negative perception except now that the journals have brought the causative factors into focus? Could it be that you of the lie want to continue to hide the gloom and negative aspects under the carpets to be out of sight? Will this legacy of refusal to focus on the CAUSE be sufficient to the generations to come, for that which you in your generation fail to correct?)

(f) Feel disappointed, frustrated, disgusted and depressed without destiny.

(Oh Beloved friend, NO, NO, NO! Be totally disappointed, frustrated, disgusted and depressed with what has come to be about you. Be in glorious praise of that which is your destiny! God and Truth are your destiny as you correct that which has precipitated the circumstance as you describe it. If you believe it cannot be done, you have limited God and Creation. Release the negative shackles and rejoice in the Truth and knowledge that with God all is possible and shall be set to right as soon as Man understands.)

(g) Feel divided, rather than united and integrated for Peace, Love with harmony and balance.

(You are already totally divided, disunited and unintegrated. You have no Peace, Truth, Love or Harmony; certainly you have no Balance! You must understand that which IS, lest you continue your path of the downward spiral while those who understand how to manipulate these tatters destroy the remainder of the course chosen by you ones as experience. IF YOU ALLOW IT, IT SHALL COME UPON YOU. Only Truth shall give you FREEDOM, for only through the knowledge of that which IS in Truth gives you instructions for that action which must be taken.)

(h) Lose sight that we are all part of the ONE-NESS as well as an extension of the INFINITE, DIVINE source of Cosmic Consciousness, LIGHT and LOVE.

(If we have failed in this projection, then I bend in humble apology, for ultimately this is ALL there IS! For not one moment nor word of projection is it intended to indicate a separation of the above outlaid connection. This is WHY you must take control and come into understanding of truth so that you regain the power of this wondrous connection against which no darkness can penetrate, much less, prevail!)

(i) Be narrow-minded and biased, rather than open-minded, to see other points of view, different than ours, in order to find a solution to our problems, disputes, disagreements or differences.

(I know not to what your refer. It is time to be narrow-minded and biased TOWARD Truth and God. It is a LIE OF LIES projected upon you ones that you must accept that which is heinously done unto you and your species by those who project "total open-mindedness" and "accept ALL things good or bad" in majority rule and/or allowing! You have all but destroyed your entire species and planet through this type of action and/or inaction. Is it not equally "right" to take a stand for God as it is to ALLOW all manner of EVIL to surround and destroy you? Have we ever suggested you not debate, bring public the points in question, disagree or have differences of opinions? Nay, please brothers, do not effort to dump blindness upon your higher brothers! Stand responsible—RESPONSIBLE—for your blunders and errors; do not denounce us for pointing out the truth which has so completely deluded and eluded your attention. Can you not be gracious unto these ones who bring forth this Truth in actual line of gun-fire and targeted destruction and death? Can you sit in your sanctimonious and pious blinders and cast stones at these ones who stand forth and give all they have of worldly goods and place their very lives on the execution blocks in order to serve God and your destiny? Please, I ask for more from each of you than that attitude. I am accused

of repetition and boring repeating of, "You are given free-will CHOICE and it is up to you that which you will do with this Truth!" Does this actually portend intent as you have laid it forth?)

(j) Instead of the above negative emotions, let us learn to pray for, forgive, and love our brothers and sisters.

Have we forgotten what Matthew 5:44 states?

"But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you." **Aren't the Dark Forces our biggest enemy?**

(Do you also believe in eye for eye and tooth for tooth, death for death regardless of cause, etc.? Why do you ones so selectively present your Biblical passages unto us? Is not each grouping upon your place claiming truth of their own "Holy Books"? Could it be that ones deny GOD in favor of man's interpretation of that which is correct and usually mistranslated? I care not which, but let me also do a little quoting from that same good book! Let us look at JAMES 4: "...You are like an unfaithful wife who loves her husband's enemies—the evil pleasures of this world—makes you an enemy of God? I say it again, that if your aim is to enjoy the evil pleasure of the unsaved world, you CANNOT also be a friend of God."

And, how about 1 JOHN 2: "... Stop loving this evil world and all that it offers you, for when you love these things you show that you do not really love God..." As we have gone along with these journals we have made every effort to remind you over and over and over again that you must love your brother and love your enemy—but you must disdain, abhor and despise evil actions. Did the Master Teacher not cast the money-mongers and changers from out the temple? Is not your own self, within, the temple of God? Would you misunderstand LOVE AND ALLOWANCE for the keeping of that which is evil, deceitful and corrupt within??? Do you perhaps confuse the precious Creation for the actions thereof? "If thine wife gives you a dish of food with salt rather than sugar in the pie, do you hate your wife for the error, or do you cast aside the pie as that which it is, unpalatable?" Would you be expected to eat it? Suppose the error is of poison? Would you know and go ahead and eat it? If you would, oh brother, then you do not understand the lessons of God.)

The Dark Forces represent the following:

1. The Bolshevik/Zionists and supporters.
2. One-World Government Cartel/Elite and supporters.
3. Trilateral Commission and supporters.
4. The Council on Foreign Relations & supporters.
5. The Communist Party and supporters.

(So be it, as far as it goes. You have said, it appears, that which we have brought to your attention. Wherein lies the problem?)

To refresh our memories, let us define "UNCONDITIONAL LOVE". shall we? Unconditional Love is a total acceptance of all entities, whether they be positive or negative, without blame, without judgment, without condemnation and without expectations.

(Dear ones, it is one thing to "accept" the presence of these entities; it is quite another to continue to allow the actions of the entities to destroy others of God's Creations, enslave and prostitute the nations as well as the peoples and planet herself. To allow these actions indicates sanction of the actions and it is upon this MISconception of the masses that the would-be controllers through evil are able to accomplish their heinous deeds!)

All this negative information, even if truthful, which the readers receive in The Phoenix Journals or paper is compounding the situation and our problems

on this planet. As we all know, negative emotions and thinking encourage the negative or dark forces of energy to continue whatever they're doing! Instead... educate the readers, with more emphasis on how we may all improve or generate more LOVE and raise our Spiritual Consciousness. By the way, we need this desperately at this time.

We should all know that the negative or dark forces of energy can not operate and flourish in an environment filled with love! The more love we can generate on this placement, the quicker we can eliminate or rid ourselves of these negative and dark forces of energy, which try to manipulate, control and enslave mankind. You may want to call these forces the "False Jews", The 13th Tribe, the Khazars or the Zionists or even the Satanic Forces! But whatever name you use, they are all "Dark Forces of Negative Energy", are they not?

(We call them by their proper labels so that you the people do NOT misinterpret and label the precious among the rabble. As for the projection that LOVE will cure all, ah yes, it would do so, no doubt about it. I suggest, however, that there are thousands of books suggesting that we simply love one another and the bad monsters will "just go away". No, they will not for you must know who and what are the bad monsters to impact them in any manner whatsoever, Love or Hate included. As Man comes again into understanding of God and Creation he will automatically begin to turn again into Truth and Love; he will do this by recognizing the errors and lies thrust upon him so that he can understand that portion of his actions and beliefs that have led him astray in the first place! God is absolute and total Love. HE is not without conditions for He places MANY conditions on His relationship with His creations.

We do not suggest that you do not "Love the evil MAN, but despise his evil"! Most ones involved in, say, the Zionist "movement", are totally unaware of truth in the situation. If we do not give unto you the explanation and point out the difference, how are you to come into truth in time to allow for a Godly destiny? This is why we are presented unto you, so that, at what you will classify as "judgment", you beloved ones of the planet shall have some idea as to the truth of your circumstance. 'Tis what is "within" which shall be coming into inspection by self and God. God now decrees that "the time of ignorance" is to be put behind you as a species; it is graduation time.)

If you dear folks in Tehachapi mean well, and I am sure you are out to do the Will of The Infinite, Divine and Creative Source, if you are dedicated to serve mankind and are out to promote Peace, Love, Truth and the Light, then kindly print this letter with your response, whatever it may be, in the Phoenix Journals, for all to read and discern for themselves with our "FREE WILL".

If you are truly Light Emissaries filled with Truth and Love and you're not afraid of losing a few dollars from the sale of these books, then you will not reject or ignore this request.

Should you decide to refute this letter, then sadly you will be showing your true colors. This letter has been written with sincerity and Love for all concerned.

(So be it! There is gross misunderstanding, however, as to who is who and what is what. The ones who write and publish only do so as WE ask them to do in measure of our presentations. WE do not run the paper but ask only a realization of presentation of our work AS WE PRESENT IT.... We KNOW that your message is sent with great Love for all concerned, especially your fellow-Man, so please KNOW that we KNOW! Further, please understand that even though you did not fully understand why you felt compelled to send this document, God knows and appreciates your responding to His call that others might share the

expression you would take time to pronounce.

Please accept our humble dedication unto you, brother, for service which might appear to be responded to with egg on the face. Nay, it is giving a forum for expression which is not of such value if only stated, somehow, to others.)

May the abundant Blessings From God-Light be with you always, and may you all have a beautiful, holy and happy holiday season.

In Divine Love and Affection,

Albert Monette

Joshua Tree, Ca.

P.S. I'm not saying that no one should read the journals or Expresses nor that we shouldn't be keeping an open-mind to Political Truths presented in these writings! I am only trying to emphasize the idea that we shouldn't forget what Jesus, Esu, Emmanuel or Sananda stated in Matthew 5:14. We should have a firm and solid foundation and be Spiritually prepared to comprehend the meaning of "Unconditional Love" and not lose sight of this! [H: I most certainly AGREE, for YOU HAVE NO COMPREHENSION OF THE TRUE MEANING OF UNCONDITIONAL LOVE AS YOU USE THE TERM.]

Unfortunately, the average person or reader and Church goer is not Spiritually prepared, so they quickly forget the Scriptural passage from above and they do not fully comprehend the full or true meaning of Love. SO BE IT!

(Ah, and so be it! Let us not be misunderstanding the intelligence and ability of human intent. We must not place limits on that which man can grasp and will grasp as truth is unfolded. He has simply lost his bearings, his way, and will rekindle Spiritual Oneness as he remembers. We are ALL BUT "ONE" and to lessen the ability or intent of "ONE" only lessens ourselves within the ALL. We must confront the errors in the Light of Truth, correct the errors through the Light of that Truth in Love, Forgiveness and Understanding. Then the reversal shall come and again we can join in the ONENESS in return into the wholeness of our source.)

This requires an understanding of placement in the Universe, the Cosmos and Source of journey through heritage, ancestry and awakening to the unfolding of the MYSTERIES! This is not "mysticism"! God and Creation are not mystical, they are wondrous mysteries in the process of unveiling! May we share this wondrous revelation and unveiling together!

I am Hatonn

[END OF QUOTING]

At the time of this exchange it was over five years ago. I hope you will note, if you have continued to be a reader, that WE HAVE NOT CHANGED ONE IOTA in presentations. In the PLEIADES CONNECTION series we did deal a LOT with our connections and locations. However, those books became banned from public distribution. That should only further convince you of the IMPORTANCE of the information within. We shall do a better job in this re-offering of some of the information so that we don't bobble again and cause another shut-down of information.

Whether or not you like it or believe it, we are REAL, we are HERE and the time for choices and factual recognition is now come. In the same context, the enemy of God has almost total control of your global societies. The enemy of God holds his track in the image of Satan in opposition to God. It is the time of making your choices about your own destiny. I can tell you how it is, NO MORE. Neither the Churches nor the Political Elite of your globe want you to have this information. So be it, you will do what you will do and therein is the whole of it.

Stop reading such as Crash At Aztec as the "mys-

tery" it SEEMS TO BE. Of course there was a crash of REAL MANIFESTATION. There are massive underground facilities and that particular "crash" was a "take-out" of the ship and crew who were TRYING TO ESCAPE FROM YOUR GLOBE. THEY CAME RIGHT FROM THE VERY AREA WHERE THEY [both the craft and the entities] WERE "BUILT" AND CAUSED TO SERVE YOUR ELITE SOCIETY WHICH IS ALSO ENSLAVING ALL OF YOU.

Your disbelief of me in favor of all the UFOlogists who are, at the very least, totally ignorant, and will tell you so, of the FACTS of aliens and visitors of all kinds, makes not one iota of difference in the simple TRUTH OF THE MATTER. They will tell you of underground tampering—WOW, that is an understatement. Where else would you expect to find the Dark Forces at work? They don't inhabit the lighted corridors of goodness, readers; they hide in the dark passages of underground tunnels as does the mole or scorpion. You as a species or as individual souled Man have NOTHING to fear from visitors of the Lighted Brotherhood of God. YOU HAVE EVERYTHING TO FEAR FROM THE DARK FORCES ALREADY WITH YOU!

May your realization not come too late to offer possibility of change for your civilization. The "changes" of Earth will come and they are now upon you.

Good morning and may God's light be given to shine upon you.

INSULATION

Within the great adventure enroute to understanding God and Universe we find such magnificent unanswered questions being created from prior unanswered puzzles. Some people have a driving need to find each detailed answer to tuck away in his own treasurehouse of information boxes. Well, you can't tuck everything away neatly into a box and put it under the bed somewhere to silently become a part of your understanding and KNOWING. You must become part of the living experience of coming into Knowing.

There are several rather defined levels of becoming worthy of moving out of the physical into the higher levels of that which is beyond what is perceived as "mortal".

INFANCY

In the period of "becoming" what is recognized as a viable baby from the womb there is a wondrous and angelic quality of presentation unmet ever again in the journey through the state of mortal presentation. There is great "knowing" but inability to communicate except through the basic attitudes which go beyond speech and language. There is helplessness and, therefore, unquestioned trust and love. There is only what IS in inability of the infant to fathom more than what is immediately presented. He is focused on nothing in particular but when he hungers, he notifies his caretaker and when he is wet he likewise notifies his caretaker. He must depend on "others" to do that which he is incapable of doing on his own account.

Even in infancy, however, the enforced silence of non-communication ability already stunts the entity's ability to grow as would that same "knowing" be available to an adult with his studies behind him. It would never again, however, be in "innocence". Perhaps as the cycle of life brings the infant around into the elderly being, might there be the innocence of being. This latter happening is rare indeed for the innocence is warped through the experience and all that came upon the being in any travels expressed in mortal or immortal journeys.

The only time in mortal form, however, that the soul AND the body are so massively responsive to the innocence of life is when GOD touches the being and

pulls that being into SERVICE. There may be no memory of the clock's reading or the calendar's layout but the MOMENT of creation is burned into the being with the energy of God and can NEVER again be erased. A person knows, from that moment forward, that his alliance and ego is backed away into the corners of experiencing so that the service is unhampered by that double-edged sword.

The infant, whether in good conditions or bad conditions, accepts with total approbation his circumstance. But, however he is treated in those early moments will forever bend the way he responds, reacts and functions emotionally in all the remainder of his mortal experience.

AWARENESS

As the growth takes place, so too does "awareness" come into the picture. This is called "consciousness". Up to this point there is only acceptance but now there comes into the being the awareness which is beginning to be attached to push-and-shove associations, even if not through "thinking" processes. The Oneness of Self-Soul and Universal Self-Soul is not yet expressed. What IS is all there IS. There is nothing yet available to allow the newly functioning mind to think in terms other than Truth. Truth is all there is in the tiny world of limitation—even if the object is to deliberately produce the lie upon the child. There is nothing against which to measure anything. There is no accountability in the tiny being. The body itself is at that time working "on automatic".

Never is the being more preciously pure and open but is totally insulated from his Source because he is now experiencing the *sensation of his electric body*. All those senses are beginning to function, poke and prod and electrically condition function. What might be called the objective mind simply IS as these electrical conditioning pulses and waves are coming into active sensations. There is no "thinking" as such although the mind is quite busy. The mind is preparing for the massive learning processes to yet come into recognition. This is when "memories" as relating to automatic function are established and hence can grow with each newly learned expression.

So, as an infant, and in fact, throughout his life, Man's living body is but an electrically motivated machine which simulates life through motion extended to it from its centering Self and the Soul of Self. Through this programmed subconscious the instructions which "will" the body to function are honed and placed into the state of "automatic piloting". This is projected through the brain into physical expression. If the brain is damaged the connections are unable to complete their circuitry and therefore the body will cease to respond properly.

The electrically oscillating nerve-wires which operate the bodily mechanism act almost entirely through automatic reflexes and instinctive control, and to a very little extent through mental decisions. Each cell and organ of the body has an electrical awareness of its purpose and each fulfills that purpose without any mental focus or action whatsoever upon the part of the Intelligence which occupies that body. Consider the beating heart, as an example, for it is purely "automatic", just as breathing is an automatic triggering for oxygenation. When there is injury or infection the white blood cells called corpuscles rush to repair damages as surely and effectively as if you turned on a switch attached to a light globe and the light comes on.

As child moves on into a thinking entity he will consider very little of this automatic processing—unless something goes wrong with the system.

I don't want to get into a quarrel over the labeling of the subjective or subconscious mind. I do, however,

want you to realize that housed in that subconscious mind is more than the "motor" functions as referred to above as "automatic".

Each cell and organ of the body has an electrical awareness of its purpose and each fulfills that purpose without any mental action on the part of the "Intelligence" which occupies that body, and that, of course, is orchestrated through that subconscious mind which controls the ever changing actions and reactions of the body.

In this body with its electric recording brain, man "thinks" that he "thinks" and lives, loves, expresses and dies. He thinks himself conscious while awake and unconscious when sleeping, unaware that in all Nature there is no such condition as unconsciousness even when sensation ceases during states of sleep. You can

no more be "unconscious" in a state of sleep than a "deadened" nerve at the dentist causes a tooth to be unconscious.

As the child progresses normally through the stages of development he begins to respond to his thought patterns and is beyond "curious" for he begins to stretch out and see what reactions he receives from others when he commits his actions. Some actions receive far more response than do others and he thrives on the excitement as he "pushes the buttons" which trigger the reactions in his environment and caretakers.

SELF AWARENESS

The child ages a bit in his sequence of learning and into a very selfish little mechanism. He must test everything which comes into his CONSCIOUSNESS. Yes indeed, he comes to consciously be aware of himself and his needs and desires. As this phase of development comes about in its proper cycle it is the most important of "times" for teaching and learning, giving and receiving. The EGO looms its ugly head over the stage play going on and becomes the central focus and, even if not consciously aware of same, the subconscious becomes the slave of the ego. This is the major error of Man's perception. MAN SHOULD CONTROL HIS SUBCONSCIOUS AND NOT ALLOW THAT UNLIMITED SERVANT TO CONTROL HIM.

Since this is not a topic based on rearing children we will overlook the various levels of learning and hold to our topic of levels of understanding while seeking to again become in the ONENESS of God Creator.

EGO

That old ego can be the destroyer of all mankind. It is necessary in the mortal man for Man must become aware of his own realization of the fact that he, himself, is a thinking being and become aware of this unique Godlike quality and capability of THOUGHT processing. He must become aware that he is aware! You can't very well become aware that you are asleep—but you must awaken and become aware of your state of awareness. If you do not nurture this "awareness" you will stagnate into ignorance which will hold you to the wheel of limitation. That wheel may well continue to turn but, chelas, how much of a wheel is attached to the ground at any given time?

A wheel is quite a complicated thing sometimes, in its more sophisticated arrangement, say, of a bicycle in today's observation. It will have a hub, spokes and then comes a rim and tire filled with air. Only a little part of the wheel touches the ground, feels it a moment, then leaves it, to disappear from reach of the sensations which connect all, rim, spokes and ground. But as with the cycles of expression, the wheel area first noted for

You can count the seeds in an apple—you cannot count the apples in a seed!

ground contact will reappear. Will the sensations be the SAME? No, because possibly there will now be a pebble in the roadway.

ALL LIFE MOVES IN SPIRALING CYCLES OF ELECTRICAL PERCEIVED ACTION.

How wondrous that Man is not alone in his perceived universe. He has the whole of the wheel from which to learn and shortcut the processing. Unfortunately, the EGO causes a Man to become so centered and focused on HIS SPOT on the wheel as to become all but unaware of the whole of the wheel.

These places along the edge of the wheel can be labeled anything you choose but represent the experiences of a living journey. In the mortal format that becomes birth, childhood, young adult, adult, middle age, mature age, elderly and then, death (of that body but not that mind eternal). Let us call the wheel touching the ground, birth, and then as it rolls around to that spot again, we can again call it birth—not death. Why? Because of the SPIRAL which is never ending but only continuing. You are always BIRTHED into another experience—for only the body recycles as the soul moves ever onward.

How can I example this simplistically? Let us look at an apple. You have a nice fruit filled with little dark seeds. That apple had to have come from a parent tree. But now that tree has grown and produces many apples and you now hold one in perfection in your hand in preparation for eating it. Let us suppose that even before you can eat it along comes a bulldozer and slays the tree. The tree parts are left to decay or be burned for wood, whatever the choices for use. But is the tree dead? NOT AS LONG AS THERE IS A SINGLE SEED. EVEN THE MATTER CALLED TREE IS ONLY CHANGED IN ENERGY FORM OR MATTER FORM. THOSE COMPONENT ELEMENTS WILL BE UTILIZED AGAIN AND AGAIN AND AGAIN IN THE PERFECTING OF OTHER APPLE TREES—NEVER AN ORANGE OR APRICOT.

You can plant those seeds and if they not be tampered by hybridizing, you will have the start of another orchard with as many trees as you have seeds. You can count the seeds in an apple—you cannot count the apples in a seed! But now consider: with hybridization you sacrifice the ability to reproduce most things as in the natural state of NATURE. ARE YOU NOT ACTUALLY DOING THIS SELF-SAME THING WITH YOUR CIVILIZATION? CAN YOU SURVIVE IF YOU HAVE NOTHING SAVE THAT WHICH IS OFFERED YOU FOR CONSUMPTION AND LIVING IN YOUR MODERN WORLD OF "HAVING IT ALL"?

How will you grow an apple if the seed is sterile? Even tiny apples are wondrous if you are starving, so hybridization to produce quantity and large size may well be nice in a time of abundance, but in a time of need and hunger—anything will be wonderful.

Remember this when you put away your "emergency" supplies. You will need natural seeds for culturing and growing lest your line of product be very limited. The nice thing about Spelta grain is that it does not hybridize or compromise the value of its fruit. Further, it can be handled as a dry crop without irrigation if you add some simple pumice and other water-saving things. YOU ARE GOING TO LOSE YOUR WATER CONDUITS IN MANY GROWING AREAS, READERS, AS THE EARTH CHANGES COME ABOUT.

I would also remind you that as the EGO of a man hits its peak of control, those are the very people who will control your lives by their narrow perceptions. Ego will work to allow a man to be the center of his world, have the biggest, the richest, the greatest, and ultimately he is focused on his TOYS, be they money or other things. He is not particularly interested in whether or not society can survive—he is totally focused on himself and his position in the power wheel.

Man will dwell and blow like the winds as he tries to garner everything he can gather for himself and that EGO.

Then, he will look around as he finds no peace, no fulfillment in his THINGS. He then will take a look, possibly, at himself and do some SOUL searching.

SEARCHING OR SEEKING

As the restlessness and lack of fulfillment hits the being, that old EGO will usually take a real bashing. This happens because one cannot STAY ON TOP OF THE HEAP FOREVER. Things of life will happen while he is planning more successes and finally he will have to stop, look and ponder his position. Some will NEVER SEE the pathway mandated for a full and expressive life for they cannot grow beyond that ego state of being controlled by that ego, or another's demands to satisfy "their" ego. This latter will present in the values and constraints of significant others and attachments. Unfortunately it must be noted that when a relationship is based on THINGS, the two entities of husband and wife, along with the offspring, will NOT reach the seeking and finding stage of experience at the same time. Now you have really created a monster for the soul and mind. This is when ruptures hit the wheel and blow apart the tire if not the whole of the wheel mechanism. Sometimes this is the ONLY thing, however, that offers freedom for you are going to serve SOUL a heck of a lot longer than you are going to have those other entities on your back.

There does come a time in almost every life cycle where the entity truly does have to stop and take that look and make some massively important decisions about himself. He will try to accomplish his searching while still remaining in the "have it all" half of the path and hanging slightly over into the "gaining soul" section of the road.

This is fine—UNLESS YOU DIE IN THE PROCESS OF BEING ON THE WRONG SIDE OF THE ROAD. We will speak of that later but until you find some Spiritual direction and latch self tightly to it AS TRUTH, you will be in a bit of trouble at transition time.

You will move into the astral world of Spirit at the same level of development reached in your mortal journey and will still have the limitations in that other dimensional state of being. This is a good rule of thumb for consideration for there are, obviously, many reasons a soul may be making a trek back through mortal expression and therefore there are no absolutes except between soul and God (Self-Soul and Universal Self-Soul.) Even there you will find no absolutes EXCEPT IN ABSOLUTE LOVE AS EXPRESSED IN AND BY GOD. GOD NEVER PUTS "CONDITIONS" ON HIS LOVE, READERS, BUT YOU HAVE LONG AGO FORGOTTEN WHAT IS "LOVE". GOD PUTS ALMOST UNLIMITED "CONDITIONS" ON BEHAVIOR AND ACTIONS. YOU WILL MEET THOSE CONDITIONS OR YOU WILL NOT MOVE DIRECTLY INTO ANY KINGDOM WHEREIN PERFECTION IS THE MODE OF BEING. GOD CALLS THOSE CONDITIONS "COMMANDMENTS", IN ENGLISH.

CLOSE TO HOME

Right in our dooryard we find examples of ones who have already done dastardly deeds unto our team now come forth to blast our people for "doing unto them". There will be objections in that "those people out there, along with Hatonn, don't live by the Golden Rule". (?????) This, when the people already damaged cease to "take it any longer". First the errors and actions are committed and then, when the confrontation comes from those actions in secret conspiracies, the complaints and stones begin to flow back. No, it is not right. Turn the face once to be sure the rock slinger is really there—and then turn about and face the wrongdoer. Age hath no quarter for committing wrong actions. Ignorance is an excellent excuse with God but not with LAW OF THE LAND.

What is really being said is, it is alright if "I" do wrong but you are ungodly if you counter my actions with TRUTH and demand rightness under the Law. Again, which comes first, the apple or that tree? If YOU first take the life from the tree, or attempt to do so, do you think it not wise for the apple eaters to try to preserve whatever is left of the tree? WHY SHOULD IT

Hoagland Bombshell — Scallion Notice

Readers, there are two newsworthy events rapidly coming up over the horizon which should be called to your attention. The first has to do with an eye-opening press conference which Dr. Richard C. Hoagland is calling for 9 AM Thursday 3/21/96 at the National Press Club in Washington, D.C. in conjunction with former NASA scientists, engineers and other researchers. At this gathering they plan to show proof of NASA's longtime suppression of what has REALLY been discovered on the Moon, including photographic evidence of our astronauts walking amidst ruins of artificial structures, glass-like constructions and domes. Just this one issue, which is merely the tip of the iceberg, hints at over 30 years of NASA cover-up and many layers of deception toward we-the-taxpayers and project-funders. This news should come as no surprise to longtime CONTACT readers. The outrageous is yet to be revealed!

The second newsworthy item to share is that gifted futurist Gordon-Michael Scallion is scheduled to appear on 5/26/96 on UPN television network stations. Check your local listings.

BE RIGHT FOR MANY TO STARVE AND BE DEPRIVED TO SUIT YOUR EMOTIONAL NEEDS TO DESTROY THE TREE JUST BECAUSE IT SUITS YOUR EGO-NEEDS TO DO SO? YOUR EGO-NEEDS FALL SHORT OF CARING OF THOSE WHOSE VERY LIFE SUBSTANCE IS BEING ATTACKED BY "YOUR" PERSONAL EGO DESIRES.

Note the language of people and you will see clearly their intent. When the words and reflections are so self-centered that even the weather somehow is their PERSONAL enemy, you know you have someone only interested in self and all others can roll over and die if necessary to gain their perceived needs.

I am amused at the flak being blown about over the taking of the corporation books recently by recent members of our "perceived" friends. ALL THAT HAS TO BE DONE TO RECTIFY EVERY-

THING IS TO BRING BACK THE BOOKS TO THEIR RIGHTFUL PLACE AT THE AGENT'S OFFICE. Why does this not happen as ones claim innocence and put-upon hurt feelings? It doesn't happen because YOU KNOW in that circle that the books and stocks have been tampered with to gain a solid place for Green, Horton and Abbott in the courts. YOU CAN'T SIMPLY RETURN THEM PROPERLY, CAN YOU?

The true offenders continue to BUY TIME until they can figure how to work their magic over all of you. Do YOU really think you people are going to GAIN anything? WHAT COULD YOU POSSIBLY GAIN? The way it is structured, YOU WILL LOSE AND CAUSE OTHERS TO LOSE AS WELL. Those lawyers and Green continue the stream of LIES directly to the court Judge.

Just yesterday Horton LIED to the Judge on George's behalf by stating that "they had filed" a business plan and reports, etc. Funny thing is that before and after court—NO RECORDS HAVE BEEN FILED IN THE MATTER. So, where did Horton FILE those documents? If he didn't, he continues to perjure himself in an effort to BUY TIME. FOR WHAT? Oh, money, status—whatever. The hopes are to destroy you before they destroy themselves! The Universal Law of Justice says, however, that the wrongful deeds will eventually roll around on that wheel until they are again exposed.

Why can't these lesser-involved persons SEE this? Because dark vision sees only the narrow self-centered world. There is only a CLAIM of desiring justice or rightness when the last thing wanted is justice or rightness. The EGO is still in control and FEAR looms ever more majestically as further errors are committed!

Why is it that explanations and Truth represent vilification to those who indulge in unwise and unlawful actions? Why is there protest even if names are not presented? Because the inner self KNOWS that, at the least, SOME ACTIONS were not correct and had ill-intent as the basis for them. If TRUTH "vilifies" then I suggest the perpetrator look within and see what might have been amiss. If your actions require another to re-act THEN PERHAPS YOUR ORIGINAL ACTIONS AND UNDERSTANDINGS WERE NOT WELL-BALANCED WITH TRUTH. ANY ACT TO WORK WITH OTHERS IN SECRET DEALINGS IS A "CONSPIRACY". THIS CAN BE GOOD OR BAD IN PERCEPTION. IT USUALLY IS COVERING SOMETHING FROM ANOTHER'S RIGHT TO KNOW!

There are legal, lawful and rightful ways to handle EVERY circumstance and when the choice becomes one of secret manipulations and conspiracies in order to damage another—it is unacceptable no matter what

EXCUSES are later offered. If things are done correctly and honorably in the first place—there is no cause to claim "put-upon". I note that it will always be the clan who perpetrates wrong in one way or another who joins in the circles of the Major wrongdoer as if, somehow, all the wrongs can make you appear to have acted in rightness. NO! I do not care how many wrongs are covered and presented—they do not make a thing RIGHT! When the intent is to hide and cover in secret operations that which is against moral, ethical and

legal regulations—IT IS WRONG. It is quite possible that one of the grouping may well be acting in right intent—BUT IF THE EVENTUALITY IS TO USE THE ACTION BY OTHERS IN WRONG INTENT—THE INTENT OF SELF BE-

COMES SUSPECT, ESPECIALLY IF OTHER ACTIONS ARE LIKEWISE WRONG.

All the whining and shouting otherwise, will not change an iota of it. And if you think that I SHALL MAINTAIN SILENCE OF YOUR WRONGDOING WHEN IT BRINGS LOSS AND PAIN TO OTHERS, INCLUDING MY OWN CREDIBILITY—PERISH THE THOUGHT, FOR I SHALL PUBLISH IT UNTIL THE ACTIONS BECOME CORRECTED. In the case of the "missing corporations", the return of and correction of the course would be an excellent beginning. I do not absolve you, somehow, of your wrongdoings, I leave that to the unrighteous priests and judges. I don't have right nor inclination to judge any person—but I surely can judge actions thrust, especially personally, against me. Will I lose friends? No, because those who would use WRONG against me—WERE NOT, ARE NOT, AND SHALL NOT LIKELY EVER BE, MY FRIENDS. Touting pious goodness does not good make!

Does this mean that Good will win? Eventually! Why? Evil devours itself in its own lies and actions. Worse, it will take down with it—ALL WHO SIDE WITH IT.

CONSCIOUSNESS STRIKES

In this seeking processing, consciousness eventually strikes the being. Man is forever seeking the Light to guide him on that long tortuous road which leads from his body's jungle to the mountain top of his awakening soul. He will pause along the way and even FIND what he seeks. But he will turn away for it does not SEEM to fit his teachings and other impacting input. He will move on and after "finding" and then thrusting against that very truth he FOUND. He goes "downhill" from there on if he fails to recognize his errors. The fact is that Man is forever *finding* that Light he seeks, and as he finds it he is being transformed. However, the more impact there is from the "things" which controlled the living up to this point, he may well never recognize the finding—but the SOUL KNOWS. If allowance is made in open acceptance of the possibilities of having found that Light Source, he can then awaken to the wondrous transformation.

There are those who seek the Light who are discouraged because they seemingly cannot find it, wholly unaware that they have forever been finding it. Unknowing ones expect to find it all at once in some blinding flash of all-power, all-knowledge and all-presence but NEVER clashing with their preconceived, self-centered purposes, wishes or understandings, even

if they be faulty. Friends, it does not come that way until one is nearing his mountain top. Man cannot bear much of the Light at a time while his body is still so new and too near its own jungle. All who are well out of the jungle have already found enough of the Light to illumine their way out of its dark depths. But there has to be opportunity for that enlightenment. There can be no insight unless time and energy are focused AWAY FROM SELF long enough to see and hear Truth. GOLD (RICHES) IS THE MOST BLINDFOLDING COMMODITY IN THE MORTAL WORLD!

Ah, but now that the child is tucked away and the EGO is beginning to come under reign and control, then the being can look, therefore, forever upward into the High-heavens of inspiration, where glory awaits the fearless, all-knowing seekers of beauty in the purity of the universal Light. To him whose eyes are in the Heavens high, the Light will forever come forth, and he WILL be forever transformed as he finds it.

The dark road from his jungle to his mountain top of glory becomes ever more illumined during the ascent from body to Spirit. It is a hard, but glorious road to climb. All must make the climb. The ascent of Man from the darkness to the Light is the forever-repetitive play of Man on the planets of suns.

When all of mankind has found the Light, the play will be finished as orchestrated for this dimensional experience. Likewise will your planet be finished as an abode for Man. Therefore it behooves you to look again at your "clues". It is quite probable that Man will not ALL see Truth and therefore it follows that either this planet of yours will need reclamation or replacement or, Man will need relocation. What we are faced with in this puzzle is "which" will be the requirement. It certainly is obvious that ALL of Man has most certainly NOT found the Light, but there is strong indication that this scenario could well end in annihilation of the planet in some manner. However, it follows in "reason" that it probably will not be that way—BECAUSE ALL MEN HAVE NOT FOUND TRUTH IN LIGHT.

It is thus that you actors in the play must, therefore, be content with the lines of the play as revealed to EACH of you in LIGHT. You must also respond in joyousness at your continuous transformation as it comes. If you are to continue in the role of the play, you must learn your lines, and act your lines and role, if you are to be worthy of a graduation reward/award.

WORST CONFRONTATION WITH SELF

Now comes the bug-a-boo! Confrontation with Self. What are your lines and what exactly is YOUR part? Stop asking Me, is a first rule of thumb, about YOUR part. Ask GOD to help you realize your part and recognize it within HIS WILL. When you can confront self while putting ASIDE self, you will get your answer, and if you accept that which happens as being part of HIS WILL in translation, you will come to speak the language of HIS offering into the translation which is recognized by your own mortal and SOUL being. When you give up and LET GOD, you will find that the "fight" is not over to win the battle, but all the resources of God are at your disposal. KNOW that each experience is a part of HIS journey and within that recognition it becomes a journey from darkness into the Light—every time. All experiences are but steps in that wondrous journey to HIS mountain top of glory, in glory. All experiences, therefore, are good experiences. If they are perceived as negative, check to see WHY you consider them negative.

If you have relentless pain which seems part of some recognized diagnosis, say cancer, look at it for what it represents; do not hate it for it is telling you that you must do something different and THEN, after recognizing the need for further actions toward alleviating the "cause", get rid of the pain which will continue to cause you to focus on the possibilities. FEAR in itself creates pain, so be careful to not allow pain to

rule your existence for you will make foolish choices to evade the discomfort.

There is nothing except good, in actuality, for each negative action is but experience in converting it into good. Evil is but a perception of negative expression. Evil does, however, exist in portent and intent although it has no actual basis in FACT. Evil, like darkness or ignorance, is something ONLY to be moved beyond.

The most magnificent truth is that THERE IS NOTHING EXCEPT LIFE. THERE IS NO DEATH! When there is a knowing soul present—there CANNOT be death, and when the body wearies and becomes unavailable to serve needs of soul, the transition is but one of moving forward into a life expression wherein new life is presented.

As we move on to the fulfillment of the next step into SPIRIT it merits its own discussions beyond this overextended writing. I will, in closing, do some reminding about my prior offerings to you and they are indeed as personal as the breath and heartbeat within self. For each, including me, holds that presence which is lightly called I AM as existing within the Oneness of Our Source in Light.

I AM

This very term, "I AM", expresses the realization in tone and expression, the Oneness, as "within Creator". This is that totally meaningful expression which is most difficult to comprehend, but lack of comprehension does not make the negative aspect of meaning—without meaning.

I have expressed these words of God prior to now and I shall continue to express them again and again until Man has understanding through KNOWING.

"I Am the One Whole, the All. Glorify Me, the one Whom I AM, for I am All, and no other IS. I, the sexless ONE, am total Unity. What I am you are, for you are ME; you are the Whole—with Me. So, glorify your Self, for in so doing you are but glorifying Me. I did not say to glorify EGO for EGO is not of GOD SPIRITUAL but only of mortal Man. Do NOT debase self for in debasing self you debase Me in your own perception for YOU cannot debase Me—only Self. Because we are One, however, you drag Me into the places of your hidden pretenses.

"I, the One Whole, am KNOWING Mind. I exist to think. All thinking is Light of My Knowing but My thinking IS NOT ME. I AM CREATOR, CREATING WITH MY THINKING.

"Out of My Light of Knowing are My two lights of thinking birthed as sexed pairs of opposites for repetition as sexed pairs of opposites and this is WHY wholeness cannot be brought forth from two "likes". There must be the pairing of the opposites. We will try to clarify this in future lessons.

"To THINK is to CREATE. I create with LIGHT. Nothing IS which is not Light. I think IDEA. Light registers MY IDEA in the two sexed lights of My thinking, and form is born in the image of My thinking. YOU, ME, ALL THINGS ARE BUT THE MANIFEST THOUGHT OF GOD'S MIND IN THINKING.

"Form has no existence, nor have My imaginings. These exist NOT, for they are not Me, they are only OF ME. I alone exist; I, the All—I AM!

"I create my imaged body with the in-breathing of My pulsing universe of Me. My universe is MY image; but MY image is NOT Me but only OF ME. All things

are My image, but they are not Me either, even though I am in them and they in Me. They are OF ME. So be it and Selah."

This, readers, IS THE MYSTERY OF LIFE DISCLOSED!

SO, LET THERE BE LIGHT

Readers continue to request that I give you great "secrets" and I have done so—the mystery is REVEALED. It is not revelation which washes over you

as a tidal wave. It is the actual realization of meaning in the Light of presentation of the TRUTH in the revealing of the mysteries. We have written at great length in our early writings about the Electric/Magnetic Universe. We wrote of Tesla and his wondrous sharings, we spoke of Newton and others as ideas in expression have changed from fantasy into reality. We gave you exact pictures and formulae but in the ending you want them for the WRONG reasons for Self, out of sequence of

properness unveiling. You must ask of Self, "Why would God give unto ME these great solvings of the mysteries of Life?" Ask: "What will I do with these great findings and realizations if I am given them?" Will it be EGO which presents in honor of SELF? It is most important to know the answer to that question. If you desire that the WILL OF GOD be served, how can your EGO fit into this circumstance? If your intent be incorrect, your own God-ness will prevent your receiving the keys of the solutions to that which you perceive as the problems.

Here I must pause and speak of unpleasant facts:

ADDICTIONS

Do not concern over WHICH or WHAT addictions, be it alcohol, drugs, food, etc. You become addicted to avoid confronting that which is to be confronted. No matter how long you remain in the addiction and refuse to confront the issue in point, you will not solve a thing but rather worsen the original lack of understanding. All addictions are escapes or punishment of self. If you refuse to accept the burden of another's addiction or addictive behavior then the other can begin to grow for there is no real point in the addiction. In other words, a child having a tantrum will cease to tantrum if there is no one present to accept the bombardment. You see, destruction of Self is not the point at the foundation of the matter; it is to injure another in order to injure Self. If it is truly Self that Self wishes to MURDER, Self will murder (suicide) Self. Addictions bring gross pain to another or many others in addition to that Self and hence the reason to continue in the addiction. YOU CAN NOT HIDE FROM SELF, YOU CAN ONLY LIE TO SELF. YOU CAN NOT RUN AWAY FROM SELF, FOR YOU SIMPLY TAKE ALONG SELF.

You are trapped, brothers, and to get freedom you will come into KNOWING the LIGHT, simply and succinctly put. Furthermore, you will remain on the wheel until such time as you do come into understanding. I have no care as to how long that might take or what roles you may wish to play while on the journey. God has eternity and so, too, do you in one form or another. I know that I AM infinite and eternal and you are going to join me sooner or later or we will continue to "practice" a bit longer in the rehearsals.

Do "I" think myself "big enough" to pull this off? Of course! I NOT ONLY "THINK IT", I MOST CERTAINLY AND INFINITELY KNOW IT.

I KNOW EXACTLY WHO I AM. WHO MIGHT YOU BE?

Thank you for a long reading, friends. Good morning.

I AM AND SO, TOO, ARE YOU!

3/15/96 #1 HATONN

CREATION

There are myriads of questions, answered and unanswered, flowing through the ever-conscious mind of Man, "Man" being the generic term applied, in grammar classes, to the "species" of humankind. What Man does not seem to realize is that we truly invent, manufacture and yes, create, our environments, our goals, and our God or gods. MEN project the verbiage barrage from your pulpits and inner sanctums where only the Elite trainers and handlers are allowed to pass—AFTER THEY THEMSELVES ARE WARPED BY OTHER MEN'S TEACHINGS AND PRONOUNCEMENTS.

I am here for a very specific reason above all other intentions: To tell you that it is only YOU who connects with GOD in your lifestream. If a preacher petitions God in your behalf, who is GOD hearing? Since God is right there withIN you, how can it be that you shout to the Heavens and through a preacher who knows LESS than you about the ACTUALITY of GOD? God hears the preacher if the preacher wails his prattling and GOD HEARS YOU IF YOUR HEART IS PETITIONING HIS HEARING. However and Whoever is calling, however, THE CALL COMPELS THE ANSWER.

It is a FACT that, even in your fantasies, very FEW actually call in HIGHER intent as a "Christed" petition reflecting the perfection of God.

Let us consider for a moment that a man has the "big C". Even if he has it not the fact remains that he will certainly get it once it is pronounced with great

ZIGGY

expert authority upon him. Now, he has "it", whatever "it" might be. So, now what does he do? He prays, and prays, and prays, i.e., "...take this burden from me...", "...take this incurable tumor from me...", "...free me of this death-dealing problem...". So, what has he done in actuality? He has continually REINFORCED THE DEATH-DEALING, INCURABLE CANCER WHICH INSURES ITS REMAINING QUITE CLOSE TO THE PERSON HOLDING ONTO IT FOR DEAR LIFE. "IT" HAS BECOME THE VERY FOCUS OF EVERY WAKING AND SLEEPING MOMENT. A PERSON CAN BE 120 YEARS OF AGE AND WANTS THE VERY TRANSITION TOOL TO BE REMOVED—FOR WHAT? So, he can create another barrier to disallow him to fulfill his job for which he FEARS failure. Why? Because he has not bothered to LEARN HIS LESSONS! FEAR GOES DOWN BEFORE TRUTH'S RISING.

RADIATION

Let us consider the elements listed on your periodic tables for the scientists' use. As you move to the full circle supposed ending you will find only a transition of one thing into quite another. One thing may well change its shape, form and direction of electric flow many times through its own journey of living. (Indeed it is ALL "living".) However, as you study the charts as if you study the life cycle of a tree you will find the circles, the rings, of LIFE years, ebb and flow. In addition you will find that on most charts there are a vertical but linear flow of octaves and in each octave there are contained certain similarities.

As you move through the elements on the chart you SHOULD also note that the very elements themselves represent their location by their various characteristics from birth to death. Ah, yes, there comes "death" again rearing its head above the living. Ah, but left to evolve, the death will come with a very tiny evolvement. Note the dissipation of radiation levels of any greatly radioactive material with a half-life of, say, 10,000 years. At the end of 10,000 years give or take a couple of years—the radioactivity dies and the substance from which it came becomes 'different' and begins its LIFE CYCLE again on the BIRTH side of the elemental wheel of charting, ever moving in endless spirals of actual life changes.

Let us now look back at the bearer of the "big C". Why would God deprive you of something you hold so dear? Why do you cast yourselves down upon your faces screaming to have something taken away that you have worked so hard to acquire? Where were you in the "thanking department" when you did NOT have the burden? Ah, I think so, you didn't notice, did you? Do you have to be stricken through the passage of death into life to understand the values of TRUE LIVING? Yes, apparently so.

By the way, if you pray ONCE with Godly INTENT—ONCE IS QUITE ENOUGH. If you pray once, twice, or a hundred times for the same thing—you are telling God that you did not catch His response on the first try. Perhaps God healed you the first time you asked and gave the burden back on the 15th because it was obvious YOU CHOSE TO CONTINUE TO HOLD THE BIG "NO-NO". GOD IS NOT DEAF, HE HEARS THE THOUGHTS, NOT THE RANTINGS, AND HE ONLY HAS TO BE ASKED, IN SINCERITY, ONCE. However, HE KNOWS, when the "receiver" (you) is not hearing, is not in sincere intent and therefore, if your prayer always be "IN THY WILL, GOD" so can the answer come in any FORM, appropriate and fulfilling, best for the sequence of life stream. ONLY GOD WITHIN YOU KNOWS YOUR TRUE INTENT. HEAR ME AGAIN: ONLY GOD WITHIN YOU KNOWS YOUR TRUE INTENT.

Many write letters, cycled through Dharma, to me. Fine, I love to get letters and share with my friends. I consider the negative swats to the head and ears as my best counseling tool. It causes me, AND THEE, to check our compasses. However, when you simply say

"you know what I mean", or "you know my talents", etc., No, "I" do not know. I have no right into the privacy of your thoughts with GOD.

If you want a job, for instance, within my "crew", I need to know WHAT YOU CAN DO, your intention as to SERVICE; will you just come and go bearing us ill-will and problems? What is it you want from "me"? I HAVE GOD WITHIN; YOU HAVE GOD WITHIN. WE BOTH NEED TO CREATE OUR DESTINY AND THAT WHICH OFFERS GOD RESPECT OUT OF THE CHAOS. I KNOW WHAT I CAN DO; I DO NOT KNOW WHAT YOU CAN OR MIGHT DO!

The ones who really do, however, bring tears to my heart are the seekers who "find" and then offer me something like, "I have been a total failure all my life; I know that I must come to work with you, Hatonn." Is this a good recommendation for the most responsible positions in the Universal order of change, this "I have been and AM a failure?" If you continue to affirm your "failings" then you have NOT LEARNED WHAT I OFFER, FRIENDS. THERE IS HUMBLENESS, SHYNESS, MODESTY, AND FOOLISHNESS. I don't want an EGO to bury my mission in his perception of knowing my job better than I, especially as I look around and find chaos and my task is to set that chaos to order. If you are so great in "presentation", why is the world in a mess; why clutter my job? Why do you do a thing? Is it because of your self-centered focus on self wherein you will now become "great and noticed" or "gifting and giving"? "I" neither need nor want anything for ME; I have it ALL. Therefore my focus CAN BE 100% TURNED TO ALL OTHER THINGS AND BEINGS. When the "me" is changed to focus on "you" in each individual, we have made the grade and can move on.

Example: One day early on in our teamwork I had some hard things to put to print. These also were considered "far-out" stuff. There was wailing and gnashing of teeth and finally Dharma flung at me: "What you say, then, is no longer my responsibility—but yours!" We celebrated for passing the greatest hurdle team members can jump. All the world of individuals can throw rocks at her for my statements but SHE knows it remains my responsibility and, therefore, I shall see to her security. She may not at any moment perceive this as fact in action—but she will come to see it is never from me in full responsibility. AND, thus far, friends, I have done NOTHING save TEACH. I haven't even begun with the action show-and-tell! Along this line of thinking, readers, I can move a ship a zillion miles with a THOUGHT—CAN YOU? YES YOU CAN—BUT YOU DON'T KNOW HOW.

A good rule of thumb in considering God's actions is to realize that God will enter the picture in PERSON at the most unexpected times. Wouldn't it be fun if God did His arrival and caught George Bush with his pants down at the Bohemian Grove?

Will "we", then, all arrive at a planned spot on a planned afternoon? Nope, no way! We are already HERE. GOD IS ALREADY HERE! When you petition God for Peace and justice and salvation—FOR WHOM DO YE PRAY? You are noted for not being able to tell the LIE from the TRUTH as projected upon you. Did you pray for lack of death and damage to the Iraqis or the kids your blundering idiots sent to the Gulf War? What about Panama? This was a "war" to bring order

and control to the money laundries and drug transfer points. You gave purple hearts to your valiant soldiers? Which valiant soldiers, the ones who walked right off and into the swamp and had to be removed because they were stuck quite solidly in the mud after running off in the wrong direction?

ISRAEL

Do you note your recent ongoing pictures of YOUR PRESIDENT OF THE UNITED STATES in his Israeli COSTUME in front of Israeli FLAGS, BEARING AND REPRESENTING EQUAL AUTHORITY OVER HIM? Citizens, that part of the war is over—you belong to "the enemy". You BELONG, hook, line, and sinker to the Anti-Christ. Those very people you now serve and to whom you offer up your own homeland—are, by their own claiming, the Anti-Christ. IF YOU CAN NOT SEE THIS TRUTH AND FACT THEN PLEASE

DO NOT ASK TO HEAD MY ARMY OR FLEET. CAN YOU NOT SEE THAT THE VERY DEADLY GAMES ARE PERPETRATED BY THEMSELVES IN ORDER TO BRING ABOUT THE FINAL ENFORCEMENT OF THE NEW WORLD ORDER?

Who has come to own the world? Who runs the world? Who makes the laws and restrictions on you? Are you REALLY free? God doesn't "OWN", GOD CREATES and therefore the thieves and liars do not stand a chance of infinite control but they surely can make your manifestation as human a sorely nasty proposition of experience. However, whatever you wish to believe or who you serve IS YOUR BUSINESS AND NONE OF MINE. I don't, however, understand why you would want my things and friends if you DON'T LIKE ME! IF WE BE "SO WRONG" AS PRESENTED, SAY, BY THE GREEN BRIGADE, WHY DO THEY CONTINUE TO FOCUS ON US TO THE POINT OF TOTAL DISTRACTION OF THEMSELVES AS TO ANY OTHER SUBJECT? I don't care if you break my suggestions, but when you BREAK THE LAW OF GOD IN THE BREAKING OF THE LAWS OF MAN, YOU ARE IN TROUBLE WITH YOUR OWN KIND, NOT PARTICULARLY WITH ME. Well, face it, readers: if a man breaks the LAWS *against me*, I shall most certainly do what I can to bring the LAW AGAINST HIM IN REVERSE ORDER! I note that most of the group of writers against us only continue to give us proof that our perceptions were and are CORRECT. He who lies to the courts, every time—will finally lie to the WRONG JUDGE! It may take a long time—but he will eventually become mired in the cement of his own lies, greed, and corruption. Therefore, it is now that we must supply these liars with enough Judges to find one who will not longer tolerate the insult to justice and truth. JOIN THE "PRO-PER" SCHOOL!

An ex-Judge stated IN A PUBLIC PAPER that the Ekkers had manipulated the courts more than any persons he had encountered in his 35 years of being a lawyer and/or Judge. Well, he wasn't even an elected Judge, bought his title, and showed his affinity for untruth and allowance, if not his own action, of removing things from files, etc. The Ekkers were struggling, on their own at first, to simply keep a roof over their heads which HE HAD PERSONALLY TAKEN FROM THEM THROUGH HIS UNJUST RULINGS—BECAUSE HE HAD THE POWER AND WAS A PART OF THE SYNDICATE TAKING PROPERTY. Manipulation of the courts? How could anyone manipulate the courts? Certainly not CITIZENS! Now, after eight

years of desperate struggle, they no longer care very much about the players but rather now they can focus on the "GAME" which uses all the opposition's RULES. YOU must learn the game, readers, or you will be blotted out by this wave of darkness come upon your globe. NO, WE WILL NOT GO AWAY! We will chew away at their Achilles' Heels until righteousness is brought back within some semblance of respectability. AND BE IT KNOWN THAT IF YOU ARE ELDERLY IN AGE AND RESENT HAVING SUGGESTIONS ABOUT YOUR POSSIBLE INFIRMITIES—THEN YOU SHALL MEET THE PIPER IN RETURN FOR YOUR PERSONAL ACTIONS—BEFORE THE BENCH AS WELL AS ANY OTHER. IF WE CANNOT HONOR YOUR "AGE" AND POSSIBLE LACK OF REALIZATION OF YOUR ACTIONS, THEN YOU SHALL HANG OUT THERE IN FRONT OF THE WORLD AS WITH ANY OTHER GROUP OF WRONGDOERS. THERE ARE WAYS TO HANDLE ALL CIRCUMSTANCES AND WHEN YOU CHOOSE THE CLANDESTINE AND SECRET CONSPIRACIES, BE THEY SMALL OR LARGE, AGAINST ANOTHER, EXPECT THAT "OTHER" TO RESPOND CAREFULLY AND TOTALLY. Putting down the ones you have wronged does not make you other than WORSE IN INTENT! When you act to deliberately hurt others then I shall stand between them and you until they be secured.

No lie or suggestion can tear ME down! No threats or bad-mouthing can hurt me or my credibility! None of your wrong perceptions can touch me! Why? Because I am RIGHT and you have done some pretty questionable and deliberately WRONG things in full INTENT of damage! When you pull down ANOTHER to make yourself look somehow "better", you have erred greatly because you are now dealing with some VERY ENLIGHTENED people as YOU TRY to convince them "you" are somehow "wronged". Check the records. YOU are, if you join the "Brigade" of destroyers, simply weeding yourself from the garden. What have YOU done in order to be considered worthy of recognition? How have you served? WHO have you served? Where have you served? With WHOM have you and do you, serve? First check SELF and purpose and you may have a big blinding flash of realization. Either way, to threaten ME and MINE does nothing save cause us to look DEEPER into what might be YOUR NEW GAMES! In that checking, all manners of information work to the top of the pile of other information already known. Accidents don't happen and they have not happened in the recent happenings of the Green Triad. To claim "in the name of God" while you butcher and slash at TRUTH is despicable—at any age.

Why do "I" get into this morass of mortal standoff? Because the real intent of THIS BATTLE/WAR is TO DISCOUNT AND DESTROY ME. The Ekkers and you other people seem to be incidental in the assault for the enemy strikes wherein he thinks he can best get to me. HE CAN'T GET TO ME. I MAY BECOME IRRITATED; I DO NOT HONOR ANGER TO ANY GREAT EXTENT AND I HAVE THE POWER OF "RIGHT" ON MY SIDE. IN THE ENDING, THAT IS SUFFICIENT UNTO "OUR" NEEDS. SO, LET THEM HUFF AND PUFF AND BLOW THEIR OWN HOUSES DOWN.

It has come down now to the point that every lie told prior to current hearings as regards any facet of all cases involving the same parties, are by George's precedent of sending out unattested information from unfinished depositions, etc., can and will be used against him. He first told a court of law, in which he was ordered to sell no more Journals, that there were 110,000 books in his holding. He was ordered to sell no more of them—and yet the next number given was 40,000 odd (also in a court under oath). Which is it? We do KNOW that he has, through Grant, sold many volumes and I remind everyone that a *Phoenix Journal* is a *Phoenix Journal*, no matter who all has fingerprints on it.

Originally those journals were collateral for the \$150,000 used by Green from the Institute. Now the collateral is all but worthless if indeed not totally

worthless.

Green had validly borrowed and handled through a "demand" note this loan from the Institute. How can he come back with his followers of his cult and accuse the Institute of not honoring "demand" notes which do, in fact, have very extensive SIDE AGREEMENTS? Do you see the twisting of the facts and the lies projected? How, further, can the Institute pay off anything if there is no honoring of COLLECTIONS? IT BECOMES THE FIDUCIARY RESPONSIBILITY OF THE INSTITUTE OFFICERS AND DIRECTORS TO COLLECT, MAKE EFFORTS AT COLLECTION, AND FOR PROTECTING THE VIABILITY, AND HONOR ALL LAWS OF CORPORATION REGULATIONS AND REQUIREMENTS. WHAT IS NOT TO UNDERSTAND ABOUT THIS AS QUALITY IN BUSINESS PRACTICE? All the name calling toward the Ekkers only shows further lack of honor on the part of the name callers who know they deliberately distort information or blatantly try to MISinform. George knows better for he has set up his own CORPORATE AGENT AGENCIES in Nevada. He can't proclaim ignorance of the law—he KNOWS the law, OR, he intentionally publishes totally fabricated misinformation to you the public. Honor and integrity demand that the LIAR be made to answer as to lack of credibility—and WE DO NOT LIE ABOUT ANYTHING RELATIVE TO THESE ENCOUNTERS IN YOUR COURTROOMS AND, THEREFORE, THE LIARS WILL FINALLY TAKE ENOUGH ROPE WITH WHICH TO HANG SELVES.

You must know that in the actuality of LIFE sequence, it is the first INTENT TO MISREPRESENT THAT DOES YOU IN. It may well not seem so until the LAST intent is expressed in full light and layout—but it is that FIRST unchecked step into subterfuge that made the decision about the pathway and, ultimately, the journey's direction.

Let us briefly consider taking of corporate records and how that impacts truth and liability. Well, regardless of the intent, the players or the outcome, the FIRST intent was to get the books away from the Agent. There are many ways to lawfully and visibly accomplish that task. Therefore, to form little secret societies to keep secrets from the very Directors and Officers WHO DO HAVE THE RESPONSIBILITY AND THE ONLY LEGAL TOOL TO CHANGE CORPORATION STRUCTURES, IS CALLED "CONSPIRACY" TO COMMIT SOME ACT. To, after the fact, claim it was the fault of others who now "vilify" is silly if not now downright offensive. All the letters to and from an "AGENT" in such a situation mean NOTHING—for the Officers and Directors are totally responsible for CHANGES. If the Agent then errs, he is considered as guilty of wrongdoing as are the original perpetrators of the act. It is called, at the least, complicity to commit fraud or a crime.

Sharri, do not continue to claim that somehow ones here have "sucked you in or vilify you", for people here have done everything in their power TO KEEP YOU OUT OF THIS MESS! You, as with all individuals, create your own set of circumstances and in these recent encounters, WRONG information has caused you to create a very negative set of circumstances which in turn actually works against your own security. Do you actually think George Green is going to honor you and secure you in protection AFTER he uses you and everything you have for his own gain? LOOK AGAIN and CHECK THE RECORDS! By the way, things you NOW claim were not presented to ones here prior to now—WERE. I think if you will think back to your time here and "there" with Kip will refresh your mind to some of the things including your coins AND your age representation.

We have no way in the onset of relation-

ships to mistrust input from ANYONE. Therefore, do not tell us we LIE when the facts speak otherwise with good and solid foundation. What you think about me is not my business; what you say against me becomes only a passing interest as to my business, but what you DO against me becomes MY BUSINESS! I do not lie, I do not cheat and I do not steal. I may be subject to the same errors as you—but I correct them when I find them—DO YOU? Walk a crooked path with crooked people and you shall be considered "crooked" until proven otherwise. There is NO rectification of errors on your part or the part of others, so all the nasty letters and continued misinformation to cover the actions are only further indictment of wrongful actions.

You KNOW what you can do ETHICALLY AND LEGALLY to rectify the problems. You choose to do otherwise and so be it but leave us out of your proddings and proddings for your further insults are none of our business. Also, why do you blast CONTACT for not printing all the nonsense from such as Lemura Astar, etc.? Mr. Green prints ALL of your letters to his mailing list which exceeds AND includes all of those whom he took from CONTACT. If you do not like this publication, don't read it! Through your actions you have taken your stand AGAINST me and so be it for freedom of choice is uppermost in my allowance. To this day you have lost nothing of monetary value. The losses, however, may well be greater than all the wealth of a world. Your opinions about "things" may well NOT be correct. Are mine? YES, whether or not you like it. I will assist in the struggle for TRUTH and RIGHT-NESS EVERY TIME. In this particular "ongoing game" YOU ARE NOT RIGHT.

You do not nor can you accept this confrontation? Oh, you expect others to accept yours! If "I" do not stand for the right and truth of each confrontation—I am no better than the worst of the perpetrators of evil. If you cannot face the wrongs then you are in serious trouble as a world for you are among the believers, at least in proclamation, of goodness and righteousness.

Each individual is either "for me" or "against me" as facts are laid forth for judgment. If you are choosing to be "against me" DOES THAT NOT INDICATE THAT I, THEREFORE, AM PLACED INTO A POSITION "AGAINST" YOU? I am quite sure that that is not a comfortable place for either of us but I was not allowed hearing in the "choosing". You cannot connect me to God in one breath and disconnect me in the next. I DO NOT DISCONNECT FROM GOD! YOU WILL ALL COME TO KNOW THIS ONE DAY SOON. You ones can continue to connect, unplug and play your

ZIGGY

back-and-forth Earth-trained games to protect your silly "assets"—but it changes not one iota of the TRUTH OF GOD, OR FRANKLY, MYSELF! If you claim ignorance of consequences on the one part and claim brilliance of perception on the other—then where do you finally seek solace? In the hidden places of ignorance or deliberate and intentional refusal to find truth in any circumstance. WHEN YOU SOUGHT TRUTH AND FOUND ME—YOU ALSO FOUND TRUTH, AND THAT SHALL BECOME MORE AND MORE APPARENT WITH EACH PASSING DAY. You are certainly welcome to the manipulations and prodding of whatever you choose, but do not expect me to protect you AGAINST MYSELF AND THE TRUTH I KNOW TO BE.

I can only suggest that you who have reached beyond the age of what you call "middle-age" begin to consider carefully your plight for you near your final mortal choices. You may well not think you need me, but you DO. Why? Because I stand ONLY for God and LIGHT LIFE. No, that does NOT mean I am the ONLY ONE who stands for God and LIGHT LIFE, but any who denies same denies me and that TRUTH IN GOD. This IS your choice and if you feel confusion—you need to do your homework for "time" is running out, and the odds of it running out on the elderly are far more apt to present "timely" in your circumstance than those who may be able to wait for the sequence to fulfill itself.

I am not your intermediary and therefore, NEITHER IS MY TYPIST, "FINGERS". All those other "channels" are but intermediaries of the same ilk as have been all the priests of your religious temples thus far. You don't need intermediaries for they only set up excuses which are unacceptable to GOD as "reasons" when you judge selves in the LIGHT OF GOD. No true servant unto GOD claims anything other than THIS FACT.

Except for you who deny and denounce God and HIS HOSTS, these people in service would have no public recognition AT ALL. They ask for none; they

plead to have none, and they do nothing to proclaim any greatness other than in the LIGHT OF GOD. TRUTH IS TRUTH AND REQUIRES NO PERSON SAVE INDIVIDUAL AND GOD! All in the physical world is but a give and take in a play while establishing potential reality. It often behooves the actors to listen to the Director. Pay attention to whom you attend your listening. Then note to WHOM you direct your prattle in whatever you call "self-defense" in return for the stance taken when you project your misinformation. You ALL seem to forget something in regards to people who are readers and work-sharers with ME. They are OUR contacts FIRST. Why do YOU find you have a "right" somehow to distract OUR FRIENDS? How came you to claim our people as YOURS? Mostly you have deceived the very people with whom you now denounce us in favor of making self look honorable. You had best take another look at the results you CREATE. You may well end up without job, shelter, security OR friend. Will this be at MY doing? No, YOURS!

I am of THE ROCK upon which God can knowingly place His TRUTH. I do not intend to relinquish that ROCK unto the deceivers and frauds. Anyone can get off our ROCK, or be welcome aboard, but MY ROCK will soar to the heavens and I hate to tell you where yours is going to sink.

Why do I get so personal? Because if I do not stand in my own TRUTH, how shall you ever come to recognize yours? If I do not stand strong and unbendable against the evil assaults—then you are left to blow in the whirlwind if you have trusted and believed in God's presence in me, His Messenger and Host. I personally have no input to you save that which I AM and that which I offer. Since you are free to get thee from me—and I ask that you do if you feel not my truth—why do you continue to annoy us with your silliness? You remind me of the bullies in kindergarten who taunt and prod the helpless little creatures on show-and-tell-day. That is, except for one thing, the creature you prick will

be ultimately, SELF, for you uncover self and deeds with each "cover-up" you present to hide or distract from truth.

I enjoy the way you ones write in great professing of our ignorance and misunderstanding, demand hearing BUT ALLOW NO RESPONSE—FROM "OUR" OWN PAPER. Nothing has changed HERE, so if there are changes—check out Self.

What we present are lessons and information for EVERYONE, for any tale can bear the name of Jane or John Doe or Paul or Betty Anne, Mark or Tom, Dick and/or Harry. The concepts and PRINCIPLES are the SAME and are visualization of RIGHT AND WRONG, for yes indeed, there is eventually and ultimately a RIGHT and a WRONG, and moreover: YOU KNOW IT. We can certainly tell when you (or a lawyer) are covering your backsides in your manipulated and planned WRITINGS.

Spare us the input and you will spare selves the response. I have told you all that I shall no longer stand SILENT when the "enemy" attacks and I KEEP MY PROMISES. I don't intend to "zap" you someday—I simply am going to present the TRUTH when you present the assault. When pursuing and protecting "Right" actions and speakings requires the LAW of the Land and of God, we shall use that method of protection, and, we will have the foundation upon which to base our own defense in honor, integrity and within the guidelines of the law itself—EVERY TIME. You who continue to work against us and then claim spending of funds for legal costs WHEN THE LAW DEMANDS ATTORNEYS FOR ALL CORPORATIONS, are either blind and deaf or totally foolish. When you stop the CULPRITS, who are not, by the way, us, you will have gained your goals as stated—but then again we recognize that that is not ACTUALLY your goal, is it? Two things stand out in my own KNOWING: My TRUTH and MY ENEMIES. I find that in the mortal stance you who are involved in our business are not aware of either.

Always rejoice in TRUTH, readers, for in so-doing and in always serving God in that Truth, you never have to remember lies you have told—for the TRUTH is always there, every time, any time, TO SERVE YOU and WILL SERVE YOU CONSISTENTLY INTO INFINITY.

One of my tasks assigned is to present these observations and lessons, if you choose to label them by that term. If you don't like them it is your prerogative in choice. Opinions will not change the fact of the matter. Everyone follows some drumbeat—I suggest you make sure your Drummer is not leading you over the cliff to your demise. If YOU be in the shelter of the TRUTH OF GOD, NO EVIL THING CAN TOUCH YOU! THAT, CHELAS, IS THE PROMISE OF GOD!

I would note that even the man who murdered half the children in the Scotland town would have his own excuses for his actions. Ponder it carefully, students, because unless your reasons be based in Goodness, you ERR. A LIE NEVER BECOMES TRUTH BUT A "FABRICATION" "CAN" BECOME BELIEVED. And to measure that premise: If you actually think a friend of MINE, Dave Overton, would actually GIVE George Green and Desiree \$350,000 in gold coins addressed to the Phoenix Institute on which Board sat Green as Director and Officer, to pay their personal bills such as at the Khazarian exclusive shopping stores, THINK AGAIN! Would you do such a thing? I thought not! Therefore if you have at the very heart of the matter such a BIG lie, do you not consider possibility of other discrepancies in the tales? Let us consider carefully wherein might be the picture distortions!

Since I am on the subject I would hope you would consider your possible POSITION when you cast your lot for my robe with my enemy. I AM EXACTLY WHO I SAY I AM. Who are YOU? I DO NOT NEED HIDE FROM TRUTH. WHY DO YOU? LIGHT IS MY GAME. WHAT IS YOURS?

Thank you and good morning.

3/15/96 PHYLLIS LINN

ROBBING PETER TO PAY SAUL

Clinton is, as we speak, giving away more of your taxed-away earnings to Zionist Israel. This story comes from the March 14 issue of the (Los Angeles) *DAILY NEWS*, [quoting:]

JERUSALEM—By turns politician, preacher and professor [*Oh, gag!*], President Clinton raced from the peak of Mount Herzl here to the heart of coastal Tel Aviv on Thursday to convince Israelis that the United States stood squarely behind them and their endangered peace. [*Peace was NEVER part of the plan. No one thrives on conflict and violence like the Khazarians!*] The formal centerpiece of Clinton's brief visit was his commitment of \$100 million to supply Israel with training and technical assistance in the struggle against terrorism. [*Not likely, folks, that a dime of that money will go towards any "struggle against terrorism", but rather the struggle against Israel's enemies—namely, YOU and other freedom-loving people.*]

Flunkies of the Khazarian New World "Odor" run to do their bidding.

WEB SITES' PRIVACY AT ISSUE

From the February 20 issue of the *MODESTO BEE*, [quoting:]

Attention, Web surfers: You'll probably be surprised to hear this, but the Web sites you're visiting may be spying on you and using your own computer's hard disk drive to keep detailed notes about what they see. A little-known feature of Netscape's Navigator, as well as other World Wide Web browser programs including Microsoft Corp.'s, allows Web sites to store any information about your visit that they want to by way of a file on your own hard drive. The file theoretically can be up to 1.2 megabytes big—the size of a medium-sized computer program.

The feature is called "cookies", and while Netscape said the features have many legitimate uses, the company admitted its use could evolve to pose serious questions involving privacy and other issues. In response to recent queries, the company said it is considering changing the way the feature works [*"considering" is like the word "may"*]. While cookies don't explicitly betray your identity, the feature seems to violate two nearly universal assumptions held by

computer users: One is that exploring the World Wide Web is an entirely confidential and anonymous experience that leaves no record of itself. The other is that users' hard disk drives are, in effect, their castles, and shouldn't be tampered with—without an owner's explicit knowledge and approval. [*You know what they say about "ass-umptions"...*]

CLINTON BRINGS FEMA INTO CABINET

From the February 27 issue of *THE ORLANDO SENTINEL*, [quoting:]

WASHINGTON—President Clinton made the Federal Emergency Management Agency part of his Cabinet on Monday, attributing the move to an unusually high number of disasters [*FEMA was never intended to help disaster victims—it is designed for CONTROL.*] in recent years. FEMA Director James Lee Witt will not receive an increase in salary or assume a different title, said White House spokesman Mike McCurry. Witt joins 10 other officials to whom Clinton has extended similar Cabinet status. [*And what are the implications of "Cabinet status"?*]

DID HE GET A BROWN ENVELOPE?

One reads reports such as this with tongue-in-cheek, after reading about the Fifth Column's efforts to "encourage" politicians with dirty hands (is that redundant?) to "retire" (covered in the February 13 issue of *CONTACT*). From a recent issue of *THE BILLINGS GAZETTE* (Montana), [quoting:]

HELENA—Four-term Rep. Jim Elliott, one of the Democratic Party's leading tax strategists, said Monday he is bowing out of politics—at least for now. Elliott, 53, said he instead will concentrate on tending to his ranch at Trout Creek in north-western Montana.

"My ranch is going to hell," he said. In addition, Elliott said he very disappointed with the political tenor of the times, "which is incredibly childish" and he believes the political parties "have lost relevance due to the spoiled-child nature of campaigns." [*It took four terms to figure that out?*] "Power is addicting, and even a little power is addicting," he said. Elliott, a Pennsylvania native whose family has always farmed, said his first love is the land and he looks forward to putting in the necessary time again on his hay and grain operation. [*Well now, Rep. Elliott could be 100% sincere. Nevertheless, his swan song sounds remarkably like Senator Nancy Kassebaum (R-KS) and others whose Swiss bank accounts had been "accessed".*]

JUDGE OVERTURNS \$125 BILLION JUDGMENT AGAINST THE SWISS

Speaking of Swiss bank accounts, here's an intriguing snippet of news from the February 29 issue of *THE ORLANDO SENTINEL*, [quoting:]

NEW YORK—A federal judge threw out a \$125 billion judgment against two Swiss government agencies Wednesday, allaying fears of a financial crisis in Switzerland. A New York state judge had issued the default judgment in 1994 after the Swiss failed to show up in court. The dispute involved assets that were lost when a Swiss bank collapsed in 1967. In throwing out the judgment, U.S. District Judge David Trager said his decision was based on federal guidelines for default cases. He did not explain. [*I bet.*]

He did not suggest it was influenced by the size of the judgment—three times the total of Switzerland yearly tax revenue. The prospect of being forced to pay \$125 billion threatened "grave consequences" for Switzerland banking system, the central Swiss National Bank had warned. [*This a judge to avoid when attempting to cash in gold certificates!*]

EU SETS NEW STANDARDS FOR CONDOMS

The European Union has already set standards for 2,500 products and plans directives on 9,000 others. CONTROL, CONTROL, CONTROL. Here's the Global Plantation's latest product update, from the February 29 issue of *THE ORLANDO SENTINEL*, [quoting:]

BRUSSELS, Belgium—The European Union is taking unity to new lengths: Condoms must now be at least 6 1/2 inches long to earn the EU stamp of approval. "If it's not long enough, you can endanger the health of the consumer," Suzanne Larque of the European Committee for Standardization said Wednesday after the EU set the new size standard for condoms sold in 18 European countries. Testing will be standardized to ensure the safety of condoms, used to prevent pregnancy and the transmission of HIV, the virus that causes AIDS. They must be filled with water to check for holes and mechanically stretched and inflated to test strength. The guidelines probably will be in force by the end of the year in all 15 EU nations, as well as Norway, Liechtenstein and Iceland, Larque said. Under the directive, the width of Euro-condoms can vary from 1 3/4 to 2 1/3 inches. Larque said the rules would still allow for some variety in shapes, designs and

colors. [I didn't include this article to be crude but, rather, because it so perfectly demonstrates the big government mentality: centralization—standardization—seemingly devoid of common sense. If the AIDS virus can easily travel through the pore of a condom, what difference does it make what size or color it is? Ah, but safe sex is not the One Worlders' goal for you—depopulation is! And absolute CONTROL over any who survive.]

IT'S NOT KOSHER

From the February 28 issue of *THE BILLINGS GAZETTE*, [quoting:]

NEW YORK (AP)—Butchers Jeffrey and Brian Yarmeisch were fined \$11,100 by state food inspectors for not labeling 19 packages of kosher turkey thighs to show that the poultry had been soaked and salted in keeping with Jewish dietary law. The fine was later dropped, but the brothers say the incident embarrassed them and hurt their business. Now they are suing to get

New York state out of the business of setting and enforcing standards for food labeled as kosher.

"The enforcement of a religious dietary law by criminal statute amounts to an active promotion and recognition of the Jewish religion" in violation of the constitutional separation of church and state, they said in a lawsuit filed last month in federal court on Long Island. [Interesting!] No trial date has been set. Similar state laws in New Jersey and a Baltimore city ordinance have been overturned on church-and-state grounds.

Orthodox Jewish groups fear a ruling against New York in this case could lead to similar results in the 20 other states with kosher laws. New York's kosher regulations date to 1882, making them the nation's oldest body of state law setting standards for food labeled kosher. Kosher stems from "kashruth", a body of Jewish law governing which foods may be eaten and how they must be prepared. Animals must be slaughtered properly, and meat can't be combined with dairy products. Pork and shellfish are forbidden.

The 1992 New Jersey Supreme Court ruling, which

the U.S. Supreme Court allowed to stand without comment, said the state could not impose standards based on religious law. The decision allowed New Jersey only to require vendors to display the basis they use to declare food as kosher. Usually, that means the name of the rabbi who certified the food. [Whatta racket!]

JAPANESE SUIT OVER AIDS-CONTAMINATED BLOOD

From the February 27 issue of *THE ORLANDO SENTINEL*, [quoting:]

TOKYO—Baxter International Inc. agreed Monday to negotiate an out-of-court settlement with the Japanese government and other companies to compensate Japanese infected with the AIDS virus by tainted blood products. Baxter Chairman Vernon R. Louks Jr. agreed to settle in a meeting with Japanese Health and Welfare Minister Naoto Kan, said ministry spokesman Makoto Okano. Baxter's subsidiary, Baxter Ltd., was one of several medical supply companies sued with the Japanese government for providing tainted blood to hemophiliacs. About 2,000 Japanese became infected with HIV when they received tainted blood transfusions in the 1980s. Besides Baxter Ltd., companies accused in the lawsuits of selling contaminated blood products are Green Cross Corp., the Chemo-Sero-Therapeutic Research Institute, Nippon Zoki Pharmaceutical Co. and Bayer Yakuhin Ltd, a Japanese subsidiary of Bayer AG. [AIDS-contaminated blood suits have popped up in France and other parts of the world. Was it an accident? Or a deliberate act as part of the world-depopulation agenda?]

DEPOPULATION IS ALIVE AND WELL

Here is an assortment of quotes gathered by the March 6 issue of *THE REAPER* (P.O. Box 84901, Phoenix, AZ 85071) on the subject of depopulation, [quoting:]

Negative Population Growth, Inc. published an ad in *Foreign Affairs*, March 1966, which stated, "All efforts to save our environment will ultimately be futile unless we not only halt U.S. population growth, but reverse it, so that our population can eventually be stabilized at a sustainable level—far lower than it is today." ...This Negative Population Growth group would like to see American population reduced to 125-150 million, about the size it was in the 1940s. This means up to 40 million Americans have to go, [especially] including those who are politically incorrect.

"If I were reincarnated I would wish to return to Earth as a killer virus to lower human population levels." Prince Philip, Great Britain, head of the World Wildlife Fund, *Abundant Wildlife*, February 1996. [I'm sure he will have no trouble returning as a low-life.]

"In order to stabilize world population, we need to eliminate 350,000 people per day." Jacques Cousteau, *Abundant Wildlife*, February 1996.

"Isn't it the only hope for the planet that the industrialized civilizations collapse? Isn't it our responsibility to bring that about?" Maurice Strong, head of the 1992 Earth Summit and a major U.N. environmental spokesman, *Abundant Wildlife*, February 1996.

RESERVOIRS SPEED EARTH'S SPIN CYCLE, EXPERTS SAY

Science or pseudo-science? From the March 3 issue of the *FORT WORTH* (Texas) *STAR TELEGRAM*, [quoting:]

The insatiable thirst of the world's burgeoning billions has caused a spurt of dam-building in temperate regions in the past 40 years, and a NASA scientist has found that the reservoirs are affecting Earth's orbital rotation. Although Earth's rate of spin is gradually slowing because of the tidal drag of the

Spelt

New Gaia Presents Bread Mixes, Flour & Kernels

Spelt is the most ancient and very best grain. Spelta (*its more formal name*) is a grain of its own unique being. It is the best fiber resource and has large amounts of B-17 (anti-carcinoma). The grain berry grows an exceptionally thick husk that protects it from pollutants and insects. It is stored with its husks intact, so it remains fresher. Thus, unlike other grains, it is not normally treated with pesticides or other chemicals. The strong, protective husk may also be a metaphorical signature of this grain's capacity to strengthen immunity. **Spelt** contains special carbohydrates (Mucopolysaccharides) which are an important factor in blood clotting and stimulating the body's immune system.

New Gaia offers Bread Mixes that use pure **Spelt** flour instead of wheat. The taste is uniquely nutty and enjoyable for the whole family. Also offered are combination Bread Mixes with both **Spelt** flour and whole wheat flour. Both are perfect for a 2 lb. loaf of bread which can be utilized in the Hitachi Bread Machine or others of its equal. The mixes are easy to use with only the simple addition of water, butter & sweetener. The packages come in 2 lb. sizes only.

Also available are whole spelt flour packages for your baking and homemade bread needs that come in 2 lb., 4 lb. and 8 lb. sizes.

You may also order the whole spelt kernels that can be milled at home into flour. These come in 4 lb. and 10 lb. bags.

Moon, the slowing would have been measurably greater if it were not for the influence of 88 reservoirs built since the early 1950s, said the scientist, Benjamin Fong Chao, a geophysicist at the Goddard Space Flight Center, an arm of the National Aeronautics and Space Administration in Greenbelt, Md. Each reservoir contains at least 2.4 cubic miles of water weighing 10 billion metric tons. The reservoirs contain most of the world's impounded water.

The shift in the distribution of Earth's water caused by the reservoirs has tended to speed the planet's spin. Without lunar tidal drag, the reservoir effect would have reduced the length of a day by 0.2 millionths of a second a day for the past 40 years, Chao calculated. The reason for this, he said, is that the shifting of water to midlatitude reservoirs in the Northern and Southern Hemispheres has increased the amount of the world's water in those latitudes in relation to the Equator. In effect, more water is closer to Earth's axis. Moreover, Earth's axis is being slightly tilted by the weight of water that has collected in the 88 reservoirs, Chao found, and the shape of the planet's gravitational field has been altered.

[Lest you worry:] The effects are several hundred times smaller than natural variations in Earth's motion, Chao said in an interview, and they pose no danger to people or the global environment. [Whew.] Still, he reported recently in *Geophysical Research Papers*, the effects of reservoir construction are significant enough that they will have to be taken into consideration in calculating long-term changes in global motion. His conclusions are based on geophysical measurements, international data bases and theoretical calculations. [Maybe so, but we've been science-scammed before: ozone depletion caused by deodorant canisters—global warming and resultant flooding from melting icebergs, etc.! A little skepticism is a healthy thing.]

RELAX, IT'S GOOD FOR YOU!

This may stretch your credulity to the snapping point! From the March 15 issue of the (Los Angeles) *DAILY NEWS*, [quoting:]

SAN FRANCISCO—A new study suggests health-food enthusiasts got it all wrong: Artificial flavorings in everything from barbecue potato chips to toothpaste may actually be good for you. The reason: All sorts of artificial flavors contain salicylates, a chemical cousin of aspirin. And aspirin is known to reduce the risk of heart attacks by preventing blood clots. The research-

ers say Americans' taste for artificial flavorings may help explain why fewer people are dying from heart attacks. [Keep in mind that legally the word "may" is practically meaningless—and MAY be synonymous with "does not"—so they're covered.]

[Later in the article we find out that this research is based solely upon conjecture:] "We are presenting what we consider to be a plausible hypothesis, but it needs a lot more exploration," said Lillian M. Ingster of the National Center for Health Statistics in Hyattsville, Md. "The decline in heart disease started rather abruptly in the mid-'60s. Within about three or four years it spread across the country. It's hard to imagine that something like cholesterol lowering or blood pressure treatment could explain it," said Ingster's colleague Dr. Manning Feinleib. Salicylates in food "may be the missing link in explaining why this decline occurred when it did as widely as it did."

The researchers found that the use of salicylates for artificial flavorings rose modestly since the 1920s until about 1960, when they went up abruptly. The average amount consumed from artificial flavors alone rose from 90 milligrams per day in 1960 to 125 milligrams in 1970. The researchers said that beyond 1970, figures on salicylate consumption are sketchy. **Manufacturers do not have to list them on food labels, and much industry information is protected by trade secrecy laws. [I'm still convinced that the best food comes as nature—not man's tampering—intended.]**

Dr. Aaron R. Folsom of the University of Minnesota, head of the meeting's program committee, called the salicylate theory new and intriguing.

NAKED BEFORE GOD

Is this a trend?! The following is excerpted from recent issues of *THE BILLINGS GAZETTE* and *THE ORLANDO SENTINEL*, [quoting:]

"Amazing Grace" lifts softly into the North Carolina pines from the meeting room where voices gather greater fervor with each verse in praising God. And so began Sunday worship recently at the first Christian Nudist Conference, a gathering of some 45 "naturists" from around the country who believe that clothes do not make the Christian.

Christian uneasiness with nudity goes back to the biblical account of Adam and Eve, who were clothed by God after eating the forbidden fruit. Public nudity is associated with original sin, and most Christian denominations encourage modesty in dress so as not to inflame lustful passions. But if churches emphasize fallen human nature since Adam and Eve disobeyed God, some nudists contend Christians can recapture a purity of spirit regarding creation.

With clothes on, the participants of all physical shapes and sizes here to play and pray in the nude could be a typical collection of mostly over-40 Christians. They describe themselves as Bible-believing folk [Believing what you do not understand is always expensive in the end], some of them fundamentalists, who see nudity as a path to the divine. "When God created us, he didn't create us with clothes," said David Phipps, a retired minister of music at a Pentecostal church as he walked the grounds with a pet pig on a leash. "There are a lot of people walking around in \$400 suits that I wouldn't trust my pig with. So clothes really don't make the Christian." [Point well taken, but neither does nudity make the Christian. Thinking as Christ—THAT makes the true Christ-ian!]

CONTACT: The Phoenix Project

CONTACT is a unique and inspired newspaper for concerned citizens everywhere, though it particularly focuses on the United States because of this country's special mission in the affairs of the world. That is, "As goes the United States, so goes the world."

CONTACT is a vehicle for Commander Gyeorgos Ceres Hatonn's most recent writings on important current affairs, plus those from other enlightening sources, on matters critical to a responsible and informed public at this time of planetary transition and final days of battle between the Forces of Light and the "Evil Empire" forces of darkness.

CONTACT exists to counteract the manipulating lies and clever half-truths put out (on purpose) by the regular print and broadcast media prostitutes of the Satanic Elite controllers—parasites who are in the process of economically, physically, and spiritually collapsing this once great country (and actually the entire planet) down to a slave-state level of existence under their diabolical control plan called The New World Order.

This newspaper, *CONTACT*, began life on March 30, 1993, risen, like the mythical bird, with great determination "up from the ashes" of its internationally acclaimed predecessor called *THE PHOENIX LIBERATOR*.

THE PHOENIX LIBERATOR, in turn, began life in mid-October of 1991, having evolved from an earlier newsletter called the *PHOENIX JOURNAL EXPRESS*, which itself came into existence as a faster way to get THE TRUTH out to you readers than was possible with the more substantial "book" format of the *PHOENIX JOURNALS*. Much incredible ground has been covered so far in that mission.

While the *PHOENIX LIBERATOR*'s motto reminded all that "The Truth Will Set You Free", the *CONTACT*'s motto, displayed prominently in the masthead, takes that thought another important step forward and proclaims: "Ye Shall Know The Truth And The Truth Shall Make You Mad!"

The "Phoenix Project" is about those preparations needed—at body, mind and soul levels—to both understand and survive the great healing changes which are beginning to energize this beautiful little planet, now so frazzled and tortured from abuses of all kinds. We look forward, with great expectations, to the *CONTACT*ing with all of you—a coming together that is rapidly taking place as the entire Phoenix Project "ground crew" continues to connect, solidify, and gain strength through becoming informed of THE TRUTH. Indeed, welcome aboard, friends!

For How Many Does He Speak?

Letter From A CONTACT Reader

Dear Friends of the *CONTACT*,

How do you do. My name is John Brunelle. I am one of your loyal subscribers. I have been aboard since about 1989 but have remained anonymous and silent until now.

I want to first commend you all on the fine publication you distribute each week amidst the many trials and tribulations you face continually. The *CONTACT* is a proven resource and clearing house for the vital information that we all need if we want to restore our *Constitution* and preserve our civilization. Moreover, the *CONTACT* is a gift from heaven as it serves as a conduit of spiritual truth linking all mankind with the very hosts of God creator.

Aside from the Earth-based information contained in *CONTACT*, I value most highly the spiritual knowledge and enlightened commentary that flows from

Hatonn, Sananda, and Soltec. Each week I look forward to reading anything and everything these three enlightened beings have to offer. Of late however, the *CONTACT* has contained very little from the "lips" of these three master teachers. In fact, of the last three issues, only one contained articles from Hatonn. This phenomenon has been evolving along a straight line path, in the wrong direction, over the past few years. Consequently, I have been pondering whether or not to renew my subscription as it seems there is far less input from the "dynamic trio" than from all your Earth-based sources of information. I understand very well Hatonn's declaration that this publication is not "his" and that *CONTACT* only publishes what is already "known", etc. However, I for one read *CONTACT* not for the information, but for Hatonn's perspective and commentary on what is being offered, hopefully, with occa-

sional pearls of wisdom from Sananda and Soltec. It is self evident that no one and nothing can take the place of Hatonn's contributions. His insight and wisdom are the food of the soul and I am concerned that there seems to be a trending away from focusing on what Hatonn (et al.) have to offer. Is this intentional? I would regret having to cancel my subscription and lose my tether to what I consider to be the best source for truth on this planet. At this point I am simply asking for some insight as to what I can expect down the road. If *CONTACT* is going to dedicate most of its space to Earth-based authors at the expense of Hatonn, Soltec and Sananda, then I would be sadly disappointed. I feel a bit ashamed to admit this, but in truth, I only read what Hatonn, Sananda and Soltec have to offer. Call me provincial, but that is why I subscribed in the first place and my appetite has not changed. I find most everything else written by other authors very dry, tediously long, and painfully boring. Two of the last three issues I threw away having read nothing because Hatonn was absent from the publication. And it seems like forever since Sananda or Soltec were present on a semi-regular basis. Alas, it is sad. I wonder how many other subscribers feel as I? In closing, have you considered a web page for more immediate communication between Hatonn and his loyal readers? I have many ideas and suggestions in this regard. I will await your reply.

Thank you very much.

Dear Mr. Brunelle:

We are in receipt of your letter concerning the content of *CONTACT*. I have shared your letter also with Dr. Ed Young, editor-in-chief of the paper (and this response, with which he concurs wholeheartedly), as well as with Dharma and Hatonn. Whether they elect to respond to you directly is entirely up to them, but in the meantime perhaps I can shed some light on the situation.

The primary "purpose" of *CONTACT* is to directly communicate with the "ground crew". The staff of

CONTACT by NO MEANS interferes with the inclusion of Hatonn, Sananda or Soltec in the weekly editions. Each week, ALL writings are included where space permits. But one thing you are apparently not aware of, is that Hatonn, Sananda, Soltec, and others work directly with we of the *CONTACT* in guiding us to include very specific information, or to write about very specific information which is CRITICALLY TIMELY each given week. If you are throwing away the papers because, say, there is not a writing from Sananda that week, it is very unfortunate because you are missing the lifeboat messages and lessons which appear each week. Granted, some of the articles and research MAY BE BORING—but that is not to say that it is not most critical in terms of knowing the information and being aware of certain facts or details concerning a given subject. Perhaps you are looking for "entertainment value" rather than LEARNING?

In case you missed it, let's review the last five issues of *CONTACT*: March 12, 1996 Vol. 12, #7—Hatonn's writings appear on pages 1, 4, 5, 13, 21, 22, 24, 25, 26, 28, 29, 30, 31, and 32; March 5, 1996 Vol. 12, #6—Hatonn's writings appear on pages 1, 9, 16, 17, 18, 21, and 22; February 27, 1996 Vol. 12, #5—Hatonn's writings appear on page 1, 4, 5, 6, 7, 16, 17,

18, 19, 20, 21, and 22; February 20, 1996 Vol. 12, #4—Hatonn's writing appears on page 1, 19, 20, and 21; and February 13, 1996 Vol. 12, #3—Hatonn's writing appears on page 5, 6, 7, 8, 9, 29, 30, 31, 32, 33, and 34.

Soltec has written volumes of information about Earth changes and geophysical activity generally, and apparently at the moment, has no new critical information to share with the readership. That is NOT to say that Dr. Young is not in DAILY CONTACT WITH SOLTEC.

Dharma and I are both receivers for Sananda. Sananda did have a message which we published within the last few months asking the "ground-crew" to hold on—he knows who they are.

Hatonn is just beginning a VITALLY IMPORTANT SERIES ON LIGHT—all of which will be published in *CONTACT* as quickly as Dharma's fingers can get it put to paper. The TEAM upstairs, and they ARE A TEAM, do not work at cross odds with one another. Why would, say, Sananda, initiate a series of writings which would detract from a new series on LIGHT?

The messages come forth AND ARE THEN PUT IN *CONTACT* as and when they are necessary. We do not spend our time second guessing their SEQUENCE OF COMMUNICATION. We do not say, "Sananda, it's been a while since you've done a writing and the natives are restless—therefore, it's time to write." NO, SIR.

The point I am fumbling at making is this: The entire paper of *CONTACT* is devoted to the sharing of vital information and, as best as we are able to determine, the sharing of TRUTH. Yes, discernment is necessary ALWAYS. But the ground crew must be informed, or else they are just like the rest of the population. And if you are turning aside the very lessons GUIDED BY THE HOSTS FOR US, then you, literally, are missing the boat. Perhaps you might try reading the paper COVER TO COVER. You may be surprised.

Sincerely,

Rick Martin

The C.I.A. Pipeline

by Michael Maholy

Part XXII: "Tobacco Road"

Editor's note: The last time we presented Michael Maholy's "inside" story about The C.I.A. Pipeline was in our 2/6/96 CONTACT on p. 5, where he called that installment: Ranger-1, North Atlantic; "Rocket Launchers, Anyone?"

Back in the quiet, peaceful solitude of my mountain home nestled deep within the Ozark Mountains of north-central Arkansas, I finally began to thaw out after my close encounter with death in the frigid North Atlantic on *Ranger-1*. And after years of undertaking many covert operations in the name of national security for our nation's Elite, all the while pursuing my own lust for power and greed, I was becoming frightened of the men who controlled my very destiny. It was plain to see that sooner or later I would become expendable, a fly caught up in the web of deceit. Even now, in the confines of my own home, where I was always most comfortable, I found myself peering out of the windows and wondering about the moment I might get hit by a "hunter's stray bullet"—or would I meet the fate of so many others—the infamous "Arkansas suicide"?

I had an appointment to meet with the boys from Miami, Max Mermelstein and Rafa Salazar, to discuss the information that was passed on to me concerning Barry Seal. They were to fly up to the White River and do some fresh-water, rainbow trout fishing. I tried to get in contact with Barry, but was informed that he and Eugene Hasenfus were on a mission down south in Nicaragua, flying a load of weapons to the Sandinistas as part of the ongoing efforts arranged by George Bush and Oliver North. This one mission alone would net the two pilots and the C.I.A. millions of dollars.

As it was, Rafa Salazar did not make the trip to my humble abode, due to a surprising new development that would soon secure the fate of Barry Seal. Max, Jimmy Cooley, and Mickey Monday flew in and landed at the isolated airstrip behind my mountain home the next evening. I must say that none of them seemed to be feeling any pain, judging from the reek of booze and marijuana that filled the cockpit as I opened the door of the plane. Then there was the familiar sight of the black duffel bag in the rear compartment of the plane. I knew exactly what this contained: white powder, a lot of white powder. Max made the comment that this was a shipment from Rafa to Dan Lasater, and I was to keep one kilo just for making the delivery. Max also warned that I should be careful when using it myself as it was a very pure powder. Too much ingested into the body at one time could prove lethal. It could be a trip I would make but one time!

My friends from Miami were always welcome, as they were always fun to be around. They were used to

the jet-setting lifestyle and in their "high society", fun was a major ingredient. Mickey would remark about the large oak trees and other assorted hardwoods, something that was rare in southern Florida. Jimmy Cooley seemed hyper, perhaps due to the fact that he was as high as one of those Georgia pine trees he just flew over. But Max, now, he was cool—too cool, in fact. I would soon find out why. We strolled the short distance to my house and started to relax by the warm logs in the stone fireplace. Mickey asked if I had any home-brew, some of that good Arkansas moonshine. In fact, I had a couple of Mason jars I gave him for doing all the flying that day. Good ol' Mickey would rather receive that than a kilo of cocaine. Mickey liked the buzz it gave him. This was a rather good batch, as he would judge by the pretty blue flame it burned when lit. One way you could tell about the quality of home-made 'shine, was by the color of the alcohol burn. Mickey made the comment that he could run this stuff as aviation fuel and get better mileage.

Max had some very disturbing news for me. While I was away on my mission in the North Atlantic, Seal and Hasenfus had been shot down over Nicaragua by the military, along with a large load of both weapons and drugs. It appeared that they had made several stops before being hit by an L.A.W.S rocket, the same type of launcher of which I had received five. They were injured, but not seriously. This data had been relayed to Rafa Salazar through the cartels in Colombia. Of course, the Colombians had a very big investment in Seal. They were aware that Seal was playing both sides of the fence and they were afraid he was about to cut a deal with the feds, the D.E.A., to be exact. I asked Max if this would affect him in any way and his reply was, "It will affect all of us in one way or another, even you, God dammit!" I began to once again feel that lump in my throat.

Whatever the circumstances were, I was not going to let the bad news spoil our fishing trip or the dinner I had planned on making for the trio. My son would also attend this dinner as he called Max "Uncle Max" and would wonder why Max had not brought his own children to the mountains. Our dinner that evening was

nothing like the French restaurants or the seafood shops that they were accustomed to. This was going to be an iron-skillet, down-home, backwoods cooking at its best. I had a neighbor who had recently returned home with two large wild turkeys that he harvested in the woods and, just as my luck would be, he had smoked them to perfection. I had traded with him for one of the turkeys just for the special arrival of my guests. Let's just say that the turkey cost me about twenty dollars a pound by the time all was said and done but, to me, it was worth every penny. The smoked turkey was the appetizer and the main course was venison, a chicken-fried version, with a light batter. Even though the meal was fried, it was one that would stick to your ribs. Before these men had become connoisseurs of the finest foods around the world, it was this same type of food that their mothers had raised them on, and they all ate as if they would fight for the bones. And then again, it sometimes was hard to get in a mouthful with all the questions my son was asking.

After dinner I telephoned Dan Lasater in Little Rock and informed him that I had a special delivery from the Citrus State, for him and his friend, Roger Clinton. Lasater, being the greedy individual he is, wanted to fly up immediately, as it was only an hour by airplane. I was hoping he would wait until our three-day fishing trip was completed, but on the other hand, business was business. I gave him the okay to proceed and told him I would be on the lookout for him later that evening. I knew Max would like to talk with Lasater anyway. Ever since the Angel Fire meeting with him at Lasater's ski resort condo, Max had been waiting to talk face to face with Lasater about the operations in Mena and the surrounding area. Max had news that would also be useful to Dan, especially the news about Seal and a few other details that might come back to haunt Lasater.

In the wee hours of the morning, I was watching the approach of the small but vivid landing lights of Lasater's small-engine aircraft as they hit the strip behind my home. I knew in the back of my mind the neighbors would be wondering about the small fleet of planes resting on this isolated Ozark plateau, but between the cocaine and the marijuana, I just flat out didn't care much about what they thought. I was beginning to think just like the corrupt politicians of the state—that I was above the law, an "untouchable".

Dan Lasater was accompanied by his pilot and a young woman from Little Rock. Dan was, as always, quite high from cocaine, as was the young woman. Upon entering my home, I motioned Dan to another room so I could give him a piece of my mind about the presence of this unknown female companion. He knew it was forbidden to bring anyone "foreign" to my home without my prior approval. But Lasater just shrugged it off. Lasater didn't like being told how to run his game, but for that matter, neither did I. He

explained to me that he was in a hurry to get the cocaine back to the streets of Little Rock and turn his attentions back to his young lady. And whatever Max had to tell him could wait until a more appropriate time. Max was put off by Lasater's lax attitude and obvious state of mind. I went ahead and sold him the cocaine and firmly suggested he stay on his toes. Max left him with a much stronger parting thought when he disclosed for the first time that there had been a report filed to the Louisiana state police and D.E.A. concerning Barry Seal's operations. There was also a strong indication that there

were pending indictments and the names of Roger Clinton and Dan Lasater were mentioned.

Lasater was stoned out most of the time and took this advice with a few grains of salt. Lasater went on to say that he knew all the right people down in New Orleans who would pay off the feds involved and there was really little to worry about. He was connected! Just to assure Max, he promised to look into the matter the first of the week and, with that, he grabbed up the bag with several kilos of cocaine, his woman, and headed off into the night toward the bright lights of Little Rock. Lasater had always had it like that. He would come and go as he pleased without having to ask anyone if he could go out and play with the boys.

After Dan left, Max remarked that Lasater was a fool and that he had better heed the warnings of things to come. Max explained to me how the then-Vice-President George Bush was closing shop on several of the major drug dealers to put on a good show for the public and to further his own agenda in the illegal drug trade. Max noted that Salazar was also getting out of control by thinking he was the one running the operation. I was told way back then about how the feds suspected all of us, even those of us who were working directly for the federal government. I then began to take a close look at my involvement and just exactly what it really meant to the feds and to my handlers in Langley. I began to wonder: what kind of game is all of this? I could not help but reflect on all the ill-fated episodes on the off-shore oil rigs, the Algiers, Louisiana incident, the Delta Dawn operation, and on and on.

My mind was once again spinning, but the drugs and booze would temporarily numb my brain and help me to not think ahead to the reality of events that were inevitably to occur. I was determined not to let this spoil the fishing trip, though. I told the boys to relax, call it an early evening, so we could get up for some breakfast and head on down to the river.

The morning had come all too soon. None of us was in the best frame of mind for any early morning fishing. However we had all endured worse. I remember the time while flying a load of marijuana back from Colombia to Florida with Barry Seal, that we were so exhausted we continued to snort huge lines of coke just to stay awake. We were still far out over the Atlantic, east of the Bahamas, with perhaps two hours of flight time left. We both kept nodding off, jeopardizing not only our shipment of highly profitable drugs, but our lives as well. With the route that we were taking, in the event of a disaster such as a ditching in the ocean, the odds of anyone ever finding us were slim to none. It was memories like this that were running through my mind this morning while I was trying to keep awake and function properly. The only difference now, was that we were not in a plane with a load of drugs, we were in a 20 ft. fiberglass "john-boat" that held the four of us, with six inches of free board, floating along at about eight knots, in a dense fog below the fifth largest structure in the United States, Bull Shoals Dam. We were now trout fishing on the world-renowned White River for the monster trout that inhabited the cool, clear waters.

The cold air seemed to help keep us alert. Jimmy Cooley was the first to hit a rainbow. When the two-pound trout was landed, Mickey made the comment that we must be catching our bait for the rest of the day. Everyone laughed it off, as they were used to catching large ocean-dwelling creatures, not the smaller freshwater types of fish. Max enjoyed the morning mountain air and clean fresh water. Springtime in the mountains of Arkansas is beautiful. The dogwood trees are in bloom and the critters in the surrounding forests are busy "making hay". About three miles down stream from the dam was Al Gaston's famous resort and adjoining 5-star restaurant. The entire resort sits directly on the banks of the mighty White River, overlooking the fabulous scenery and the crystal clear waters that are literally infested with trout of three different species. The resort is also home to one of the still-ongoing

smuggling operations in Arkansas. This was the resort where the National Guard helicopters landed to start the eradication of the marijuana fields, the expedition that was spearheaded by George Bush. The owner of the resort, Al Gaston, has many political friends in Little Rock. Thus they turn a blind eye and take bribes and make profits off the illegal drug money made off of the landing strip there. I had to show Max and the boys this place, this operation. It is a pilot's dream field for landing, being that the strip is a "postage-stamp" landing pad in smugglers' terms. It is isolated between two mountains, simulating a South American strip landing with no margin for error. The boys marveled at the operation, stating that they would and could make the landing blindfolded if necessary! We all laughed and went to the clubhouse for a quick lunch before setting out again in pursuit of the trout.

We sat down to a rainbow trout feast, some cold beer and a quick chat with the resort owner. Al Gaston had money, a lot of it. Even though he had been through two divorces, in which his young wives took a large chunk of the establishment, he was still rolling, but he always saw the opportunity to make what he liked best—cash! I had mentioned to Al that he and Max might be able to do some business together in the illegal drug and money-laundering aspects of the trade. Everyone was quite interested and we all got together later to discuss future deals. One thing I always liked to do was to take pictures of everything and everyone around me. It was this quirk of mine that, to this day, is one of the main reasons I'm still alive to write this story. It will be because of the many photos and tapes I have safely stashed away from the prying eyes of the very people who helped put me here, that I will expose these evil villains for who they are. You will then have even more proof—proof positive of the real players in action. Incidentally, I have at least nine photos of the Clintons, both Roger and Bill together, at this resort

with bags of money and cocaine! More on this in upcoming articles. You need to get the feel of the theme here, the lay of the land, the scum of the sewer.

We left Gaston's and headed down stream toward the infamous Whitewater property. In fact, I had pre-arranged a camp site just below a huge bluff on which now sits one of the only three homes on the entire property. The camp for our first two nights on the White was located at Crooked Creek. The bluff above us and the land on it belonged to the Clintons. Just across the small, warmer water stream was the property of the MacDougalls. Crooked Creek was a great place to camp because the bluff offered safety from any rough weather and the fact that the creek was warmer water, we could all swim and bathe. Besides, Crooked Creek had plenty of small-mouth bass and you know one of my old sayings, "Everyone needs a little bass now and then." As I had stated, I had the trip laid out so everything ran like clockwork. I had employed two cooks, and a helper to go ahead of us and set the camp us and prepare the meals, a totally outfitted venture, without us having to pack and unpack gear. You see, I owned and operated a complete fishing-guiding service on the White River. It was just an excellent way to launder much of the money I was making illegally. It was one of the best fishing services on the river. All of my equipment was high tech. The other operators on the river were envious as my flotilla of new equipment sailed on by. Drug money paid for the expensive gear. My canoes were the best money could buy. I had tents and tarps triple weather-coated to prevent rain from soaking the clients within. A lot of the others who ran fishing services had gear that was purchased from the Army-Navy surplus stores. When clients came to fish and camp, their comfort was a priority—at least at my facility. I had fished with many well known entertainers and actors as well. There were the Gatlin Brothers, Tennessee Ernie Ford, Grandpa Jones, and Phil

GAIA'S PREMIUM ALL NATURAL

ALOE VERA JUICE CONCENTRATE

Aloe Vera has a long and impressive history that spans hundreds of centuries, countries and cultures, and appears in countless "folk remedies" as a plant revered for its healing qualities.

Aloe Juice is a whole-leaf concentrate prepared from the freshly harvested leaves of the *Barbados Miller Aloe Vera* plant. Aloe Juice guarantees a minimum of 10,000 mg. of mucopolysaccharides per liter.

The nutrients reported in Aloe Vera include mucopolysaccharides and polysaccharides (glucomannans), glycoproteins, glucose, mannose, galactose, xylose, arabinose, tannins, steroids, organic acids, antibiotic principles, glucuronic acids, enzymes (oxidase, catalase and amylase), trace sugars, calcium oxalate, a protein containing 18 amino acids, "wound healing" hormones, biogenic stimulants, saponins, vitamins B1, B2, niacin, B6, choline, folic acid, chloride, sulfate, iron, calcium, copper, sodium, potassium, silicon, manganese, plus many other metabolism-assisting components.

For best results, most people drink 1 to 6 ounces per day. Many people enjoy drinking the juice without dilution. However, if desired, you may easily reconstitute the juice by adding water or you can flavor your Aloe with other juices such as apple, cranberry, or grapefruit juice. It is recommended that this daily Aloe supplement be taken in divided amounts during the day. We are eager for you to discover, as we have, the benefits of these scientifically advanced Aloe beverages and concentrates for your optimum nutritional health.

Donahue. So as you can see, I had it going on. I had it made, but things for me and the crooks I was riding with were soon to take a turn for the worse.

The first night we talked more about operations in Arkansas, Florida, and Louisiana. Names popped up like the popcorn in the fire. I was getting that old feeling again about being the hunted one, and I might add, for very good reason.

There is no honor among the thieves. We were all pirates at this time of our lives. Yes, I was a pirate, only about two-hundred years too late. The cannons didn't thunder, but there was plenty left to plunder. I was an over-forty victim of fate, just a little too late, just a little too late! The fishing trip ended with all having enough to eat, drink, smoke, toke. It was time for the boys from Miami to head back to the land of the mango. They thanked me for the wonderful time that they had shared, but also had left me with a warning that I should try to lay as low as possible—something that was going to be a high priority of mine in the near future. Max was very good friends with my son, as well. He invited us to come and stay at his home in Miami, if I chose to, and he would see to it that I lived comfortably while he and his many friends found a laid-back job for me, perhaps a skipper of a fishing boat or something to that effect. I told Max that we would be just fine up in the quiet mountains, but that he would be seeing us in the near future to do some deep sea fishing. With a handshake and a friendly hug, the trio of drug smugglers were off into the wild blue yonder.

It was perhaps a week later that I heard from Max, who called me from Bogota, Colombia. The moment that I picked up the phone, I sensed trouble from the tone of his normally easy-going voice. Max told me that Barry Seal had been arrested upon his arrival in Miami, and something didn't feel quite right. He was suspected by the Colombians of being a double agent for a long time before the actual arrest. Thus this news was quite upsetting to the elders of the various cartels. I asked Max if this meant anything of significance for me, and Max replied that it meant trouble for everyone who ever knew Seal or had even the remotest relationship with him. I told Max that I would contact my people in Langley and see what the hell was going on. Max liked that idea, as he would rely on any and all data that I could gather from the "company" and turn it over to the cartels. Max added that Rafa Salazar was very upset over Seal's arrest and never did trust Seal from the get-go. Max stated that if Rafa and the cartel wanted Seal out of the picture, now they would have just the excuse to terminate him. For some strange reason, I sensed a great fear in the sound of Max's voice. There was great urgency in this matter so I ended the conversation as quickly as possible, telling Max no further telephone calls would be needed, as both of us feared that soon the lines would be tapped by the D.E.A. and Customs. The next time I could reach him would be at the Cali residence of Rafa's cousin down in Colombia. We said our goodbyes for the time being and I hung up the phone with sweat running down my forehead.

My next call was to my handler in Langley, Virginia. Upon reaching him, he did in fact reveal that Seal was taken into custody, but was somewhat vague about the details of the arrest. From that very moment I realized something big, something internal, was going on. He did tell me that orders came down from Washington, from Bush, to be specific, that Seal was to be arrested and charged with drug-smuggling, weapons violation and several other related charges. I could not believe what I was hearing! I questioned my handler about just what the hell exactly was going on. He told me to lay low until he got back to me with further information. I asked him if this was common practice—I mean arresting one of our own.

For one thing, Seal was an exception to the rule. He had crossed the line. He was getting out of hand, getting too big for his britches and playing both sides of the fence. Well, this was no big revelation to me. After all, who in the game wasn't playing both sides of the

fence. Remember, people, we are dealing with the most powerful government in the world here, the United States of America. They are the masters of the game. There is so, so much that our government does not tell its own people, that it's not funny. My handler told me that he would contact me soon, that I should be patient and chill out awhile. We said our goodbyes and I did exactly as I was told—I chilled out!

I had to do some major thinking now. I had to accept the fact that I was one of the players in this game of drugs, money and guns. I had to assess everything that I had done in the past ten years or so and take a hard look at where I was going. I felt like I had been around the world a dozen times, but the fact was that it had only been a couple times at the most. I was getting tired, not physically tired, but mentally exhausted from looking over my shoulder constantly. I made a decision that day, that I would back off somewhat from all my connections with the C.I.A., my contacts in the drug business and all the other people who were on the dark side. It was like a person who was trying to quit smoking. It would be a hard habit to kick. But I would give it my best shot. This task would be harder than I even imagined. After Dan Lasater got that last batch of cocaine from Max, because of the pure quality, he was calling me day and night.

Roger Clinton was the other pain in the ass. His lifestyle depended on supplying drugs to the Elite of Arkansas, people like Don Tyson, Jim Guy Tucker, the MacDougalls and other friends of his brother's. They both knew that I had the connections who could supply them with the quality drugs that they craved. When I would return home that evening, there was the red light blinking on the answering machine like a one-eyed monster. It was hard but I did not return them. After a while the calls died down. By now everyone knew that Seal had been arrested. Terry Reed was in Mexico, Max was hiding out with Rafa in Colombia, Mickey Monday and Jimmy Cooley, together with other Southern Air Transport pilots, just seemed to disappear into the woodwork. As for me, I stayed with my fishing business down on the White River. I had enough money to kick back and watch the river flow. The fishing business itself would generate a healthy income, and this rural area of Arkansas is a good place to raise my son. All that I really lacked now was a wife for me and a mother for my son. Right then and there I made up my mind to get serious about finding a mate. Not one of the whores from some exotic bar or a high-priced call girl from some big city, but a woman of the country who liked the laid-back atmosphere. My search began!

One of my clients who was a regular on the White River was a man who was an ex-Marine with a couple tours of Nam behind him. He now lived in the Kansas City area and was a tobacco grower and, among other crops, marijuana. He came down to fish with me and offered to take me on a hunting trip up at his farm for various types of birds, pheasant, dove, chukar or partridge. I took him up on his offer, taking my son along with me to share in this bird hunting experience. Upon arriving at his farm, it was clear that this man had money and a lot of it. He lived in a one-hundred-year-old home that had been completely refabricated and reworked.

He had maids and a butler, along with every conceivable piece of farm equipment known to man. This man's name was James Pepper, or as everyone called him, Jimmy. My son and I were accepted and welcomed into his home just in time for the big hunt. For years the land on which Jimmy's farm sat and the surrounding area was called the "land of milk and honey"! The ground was some of the most fertile farming ground in the United States. It was virtually free of any rocks or stones and the farmland was used mainly to grow a very high-quality tobacco, which at that time brought a price of around \$6.00 per pound for the finer top-grade red leaves. Consequently Mr. Pepper had connections with all the major tobacco companies out in the Carolinas. He was personal friends of R.J. Reynolds and had R.J.-

backing when it came to any financial decisions. The important thing to realize here is that when one hears the familiar names of R.J. Reynolds, Nabisco, Phillip Morris, DuPont and the likes—what we are talking about is the American version of the cartels. The puppetmasters who pull the strings through various means of control. These groups have control over senators, representatives, governors, judges, and even the president of the United States. Oh yes, these are indeed American cartels, only the American public views them in a different light. Of course, it helps to OWN the major mainstream media corporations.

I have always believed that things happen for a reason. Although, at times, I have wandered somewhat from my true feeling and beliefs, like many others, but I now know that everything that happens in our lifetime is connected. Shall we say, karma. This came to me the first day I stepped out back of Jimmy Pepper's farm and looked toward the Missouri River, which was just below the house that sat high on a bluff. This great ridge runs the entire length of the Missouri from its inception in Montana to St. Louis, some 2,000 miles away. As I looked south across the river into Kansas, I viewed a great silver dome with a very large wall that surrounded it. It knew from my past military schooling that this was the infamous Leavenworth Penitentiary. This was my first glimpse at what would later be my home, albeit for a brief period. Many of you will recall my experience in the notorious "hole" of Leavenworth, and how my cries for help were answered by so many and how you came to my rescue that ended up with my release and transfer to the very facility from which I now pen these words. Looking back at that moment in time, I did not realize what a big part of my life you would all become, and a big part of yours I would become. When I first set my eyes on the mammoth structure with its concrete walls and razor wire, I wondered if I could ever end up in a dreadful place like that, and sure enough—bingo! I did.

One other crop that Jimmy Pepper was into as a cultivated crop was marijuana. As a matter of fact, it was his specialty. I had never seen such a crop as I laid eyes on that day in his fields, and I have seen some pretty big growing-operations in Mexico and other South American countries. I had packaged, shipped and smuggled tons of marijuana into this country, but this pot was being cultivated right at home, right under the nose of the F.B.I. and the D.E.A. Thousands of pounds of marijuana were being harvested on various farms that were scattered throughout Platte County in Missouri. It's no secret that back during the World Wars, this area was implanted with this type of hemp that would be used to supply various fabrics and rope for our government's troops. With Fort Leavenworth being the first military outpost west of the Mississippi River, the troops needed the highly durable fibers to produce much of their surplus. Everything from tents, rope and even the very garments they wore were all made from hemp plants grown along the fertile river bottoms. Even the sails on *Old Ironsides*, the famous Civil War ship, were made from the water-resistant hemp fibers. Back then, the local farmers were paid good money to raise a crop of hemp. This practice continued for decades, even up until the present day. Although the present-day quality of wild hemp is said to be unsuitable for smoking, the plant and its components are still sold and used widely in black market deals and operations. Even the major tobacco companies use by-products of this wild hemp in some products. But do they inform the public of this? NO! Nor

do they tell the public of the 150 different ingredients in the millions in cigarettes they sell each year. Trade secrets, they call it. More on this later.

The first day of the dove hunt, we hiked along a well worn path into the middle of a 100-acre marijuana field. The plants were 15 feet tall and had huge colas or buds that were filled with many seeds of the plants. The seeds look like birdseed and, in fact, are widely used as such. The dove is called the bird of peace by the local Indian tribes and is said to be so tranquil because of eating their favorite food, the wild hemp seed. Thus, the perfect place to hunt these birds is in the pot fields. Armed with a couple of folding chairs, several boxes of shells, a small cooler for drinks and a good bird dog, the hunt began. Doves are a lot like people. They are creatures of habit. After they wake up in the morning, they fly out to eat breakfast. Then they fly back to perch in the warm afternoon sun or rest in nearby shade trees. Later that day they will repeat the routine. One thing that was different about my dove hunting experience in Missouri from the genocidal killing of the ducks in Arkansas ("Killing Fields") was that we only took our legal limits. I don't know if it was the difference in the personalities of the two people, but we just killed the number allotted. But the one thing that truly amazed me the most was all the pot growing everywhere around us. A true spectacle, to say the least!

When we returned to Pepper's farm, he told me about how he and the other major players in the tobacco industry have been manipulating the law and turning huge profits by picking this wild marijuana and selling it to the major drug dealers in many of the larger cities on the East Coast. This marijuana would be sold as

"cut" to be mixed in with the higher quality marijuana that was imported from other countries. Pepper and his people would sell the marijuana for between \$100 to \$300 per pound. After the marijuana was mixed in with the higher quality pot, you could double your money on the good stuff. In other words, you could take a thousand pounds of high-quality pot and mix five-hundred pounds of high quality pot and mix five-hundred pounds of the wild growing marijuana with it and end up with fifteen hundred pounds of good marijuana, resulting in Pepper and his associates earning a hefty sum and having some "fun" money to go along with it. Very profitable indeed!

Now with the things happening to my old band of crooks, some getting locked up, some getting questioned by the authorities, and some getting murdered, I figured I had better turn my attentions elsewhere. Thus, I began to learn as much about the American tobacco cartels and the marijuana-growing industry as I could. This way I could also eliminate all overseas travel and exposure to the people with whom I was affiliated in the past, or at least that was my general idea. But needless to say, old friends would soon surface once again. And when they came up for air, I was there.

It was also about this time that I would meet and eventually marry a woman from Missouri who would get sucked into the evil business and my wicked ways. I took a perfectly innocent and lovely lady and destroyed the very heart and soul of this beautiful human being. You see, she was also arrested with me on that fateful night in 1991, but thank God, through a series of plea agreements and for my pleading guilty, the

charges against her were dropped. More on all of this later.

This chapter will give you some insight on how I turned from the government-nurtured drug-dealing and branched off into my own little enterprise. The main theme of this chapter was to show how I tried to evade law enforcement and avoid my handlers in Langley. Things were getting too hot down in the Banana Republic of Arkansas, as well as in Florida. I did not go into the details of Barry Seal's death as of yet, but that will be covered very thoroughly soon. I have upcoming hearings, and some information surrounding Seal's death will undoubtedly be involved; at least for the time being, I will not make my battle plan public knowledge.

It should also be noted that since my arrest, the federal government has made very little effort into investigating the information and intelligence report I have furnished them with in the hopes of bringing the corrupt high-ranking officials out in the open. Why is this? Because of the powerful people involved and the billions of dollars of unreported revenue generated by their illegal activities. And this greed has no party affiliations.

On a final note, I would like for all of you to watch for the next chapter of the C.I.A. PIPELINE, titled "Operation Intruder". May the light shield surround each and every one of you, and for those who have boldly stepped forward to stand beside me through all of my trauma, a special thanks. And for those of you who chose to run and hide, so be it.

Silent Spring

For How Long Shall The Good Be Doormats?

3/16/96 #1 HATONN

LIFE IS WHAT HAPPENS;
LIVING IS THE MIRACLE!

And, it appears, lawyers will be the death of both.

I most certainly understand your wishes to learn more about "other" possibilities of places to experience your life-play. Things have gotten a "bit testy", at best, on Earth Shan. Numbers of entities increase exponentially; amidst all the wonderments of modern electrical appliances, the wonderment of the simple "electrical self" is all but LOST. Moreover, dear ones, you are having a critical advent facing you as a species: that being the coming "Silent Spring" as your very life reproduction systems begin to close down. Elite SPERM BANKS are the nonpublicized thing of the day even if you-the-people are not aware. In this manner of saving sperm for future generations for artificial propagation you can see that a whole society of planned persons will be afforded the populating of the planet as the old "normal" entities are phased out.

The interesting thing, however, about this nonsense is that you will only have actual mutants inhabiting your world and they will be robotized breeds of Satan's own. They will bear no souls. Since God Creator has shown in HIS prior actions that this will not be allowed in HIS people to whom He gave the GREATEST GIFT of all, "thought" in HIS image, there will come great cataclysm and devastation upon the globe as this "artificial" life form destroys his own civilization and moves on to another inhabitable planet to taunt new and learning students in soul choices.

Ah, I see that you think I jest so that you become fearful and turn unto some false something to cause you to do what YOU THINK "I" want you to be or do. No, you will choose what you want to do or be and wouldn't it be wonderful if you chose GOD?

There is an article in *U.S. News and World Report*, March 11, 1996 that should freeze you in your tracks for you can base your life on mysticism and "maybe" prophecies—but remember that Life is what happens while you make other plans.

Perhaps I could share with you some excerpts of the story. Part of the tale is planned to have a remarkable effect on you as a reader because the desired plan of the Elite is to have you come under the control of those Elite. To have this happen and have you sheeple follow along, as a string of hapless entities, to their drumbeat, you must be conditioned to WANT whatever is offered to you. It works—every time—it works. You will hop on any bandwagon whose music is the loudest, not necessarily the most beautiful.

This topic of quality and quantity of human physical life reproduction systems is, however, potentially devastating to the various races of people inhabiting

Earth.

I would note, though, that it only requires ONE sperm to inseminate an ovum. The sperm WILL ALWAYS COME FROM A MALE OF YOUR SPECIES and the ovum WILL ALWAYS COME FROM A FEMALE. Sexed pairs is ALL THERE IS. Your sexual preferences will have no input to this FACT, male and/or female.

The facts are, moreover, that with every deviant gene or DNA fragment, FROM THE ORIGINAL PERFECT STATE OF CELLULAR STRUCTURE, the alteration IS PASSED ON. I don't care what it is for if a thing is missing in the parent—it will be compromised in some manner in the child. If then exposed to the same compromising elements in environment, the trend will continue from generation to generation until the error becomes the dominant factor in reproduction. You are a far more unhealthy society than a century ago so the only explanation for you living as long as your great grandfather is that drugs and tamperings somehow keep your body going while your soul spirit deteriorates.

When does a man or woman confront the REAL POSSIBILITY of LIFE AFTER DEATH? When they near the threshold of passage. The only factor remaining at the time of passage is "to where" and "to what"?

Why has man worshiped serpents for all of his generations? Because they reflect the image of both his sperm AND his "family jewel" in his crown of human expression. But that tool was made for procreation and when, by choice, man uses it for all OTHER sensing activities, the consequences of this unwise practice is rested on all future generations after his time. The only viable and balanced child comes from the duality of male-female intercourse. Children can be reared in single sex environments but the outcome for the child is mixed at best as to stability and, certainly, as to balance. Please remember, readers, that LOVE has NOTHING to do with the actual process of sexual encounters. It is the choice of physical activities which bring the out-of-control results into and onto the physical expression. You WILL finally reach a stage of existence in which you will have sterilized your species. Once hybridized it will be as with the corn and wheat that bears no reproductive qualities: you will be a breed of non-people but, rather, experiencing in limited sensing without soul goodness, upon a most barren place. This state of being, readers, is called "Hell"—THE ABSENCE OF GOD CREATOR. You will have tampered and manufactured your way to demise.

In the atomic cellular structure is borne the blueprint of whatever is being "built". If you utilize the deadening elements incorrectly then you commit suicide. That is, at a level a chemist can understand, atomic suicide. The event of development of the atomic BOMB was the realization that mankind had reached

the sequence in his journey wherein he could and would attempt, at the least, to destroy himself. I call it what it is: deliberate MURDER of a species.

I hope that we have shown you through the wonders of modern networking that what I speak is truth. There was Agent Orange in one war, plagues out of another. and The Gulf War Illness out of your next-to-latest. Each time the affectation of the beings experiencing whatever was desired to test upon them is that you now have sick people, whole families devastated by illness, and totally and helplessly deformed offspring.

And where does the next generation of perfection or deformity begin? With the mother and the father, and more conveniently for the master deceivers, the male sperm is the deciding factor. Mutate the sperm and it becomes most difficult for the female ovum to overcome the mutation potential. Mutate BOTH sperm and ovum and you have what you now witness coming into being.

[QUOTING:]

INVESTIGATING THE NEXT
'SILENT SPRING'

U.S. NEWS AND WORLD REPORT, March 11, 1996.

Why are sperm counts falling so precipitously?

In *Genesis*, the Lord said, "Be fruitful, and multiply," and until recently, at least, human beings have complied. But in the not too distant future, men may have a difficult time upholding their end of the biblical bargain. New scientific research suggests that the average male sperm count has plunged by almost a half in the past 50 years, and dozens of ubiquitous pollutants may be to blame.

The meaning of all this is being feverishly debated, and the scientific case is by no means watertight. Skeptics question, for instance, why, if sperm counts are dropping, infertility rates have stayed fairly constant. But researchers increasingly suspect that man-made chemicals, among them compounds common in pesticides, plastics, detergents and toiletries, are interfering with the human hormone system. These "hormone disrupters" are suspected of derailing sensitive developmental processes in the unborn and young, causing a raft of later problems, from cognitive deficits in children to lowered sperm counts in adults. "It's possible we're not only eroding our humanity but putting our species at risk of extinction," says John Peterson Myers, who with Theo Colborn and Dianne Dumanoski has written a book about the chemicals to be published this month and titled *Our Stolen Future*.

The issue has sparked wide interest. Vice President Al Gore has compared *Our Stolen Future* with Rachel Carson's classic *Silent Spring*, which warned against the threats posed by pesticides like DDT. Gore writes in the book's foreword: "*Our Stolen Future* takes up where Carson left off and reviews a large and growing body of scientific evidence linking synthetic chemicals to aberrant sexual development and behavioral and reproductive problems." [H: As much as I detest having to agree with Al Gore it must be noted that the aberrant behaviors are most acceptable and practiced during the childbearing years of a human's lifespan.] Administration sources tell *U.S. News* that the Environmental Protection Agency has identified hormone disrupters as a top research priority and later this month will release more stringent rules for testing chemicals for their possible impacts on human reproductive systems.

TADPOLE ATTACK

At the center of the scientific debate is the small dollop of semen that is Everyman's contribution to the reproductive act. About a thimbleful in volume, it is

brimming with sperm, each one a tiny tadpole composed of bullet-shaped head packed with DNA and a thin, whiplike tail for propulsion. Though theoretically it takes only one sperm to fertilize an egg, a man's fertility is reduced if his sperm count drops below about 20 million per milliliter.

Not surprisingly, biologists were taken aback by a 1992 Danish study in the *British Medical Journal* reporting that the average sperm count had plunged from 113 million per milliliter in 1940 to 66 million per milliliter in 1990. The research covered men from around the world and was intensely controversial. But two subsequent reports have confirmed the gist of the Danish findings. Last year, in a survey of two years of donations to the same Paris sperm bank, French researchers found that the average concentration of sperm in semen has slipped 2 percent a year over the past two decades, while the fraction of deformed sperm has risen steadily. Two weeks ago, scientists also reported sperm count declines of 2 percent a year in a study of nearly 600 Scottish men with the youngest men exhibiting the lowest sperm counts.

This apparent nose dive in the average sperm count may be part of an overall decline in male reproductive health. In many industrialized countries, the rate of testicular cancer has increased two- to fourfold since World War II. The incidences of boys born with undescended testicles and boys born with a urethral abnormality, called hypospadias, also may be rising.

The mystery is why this is happening so suddenly, and the focus has turned toward hormonelike chemicals that seem to do their dirty work by bollixing up the body's natural system for orchestrating development in infants and the unborn. Hormones travel through the blood, turning on and off vital biological processes by slipping into cell receptors, much like keys fit into specially constructed locks. It was long assumed that receptors were highly discriminating and bound only with their lock-and-key mate. But now scientists are discovering that some receptors will bind with a diverse cast of chemical impostors that wreak mayhem on developing body systems by turning on cellular processes that should be turned off and turning off processes that should be running at full throttle.

Scientists are compiling a growing list of chemicals with hormonelike properties. They have fingered PCBs, numerous pesticides, dioxins, which are produced by the incineration of chlorine-based substances, and phthalates, which are added to paints, inks and adhesives. One worrisome new entrant is bisphenol-A (BPA), a compound used in the plastic resins coating food cans. Recent studies have shown that this estrogenlike compound leaches readily into canned foods, including peas, green beans and corn. BPA appears to be 1,000 times less potent than estradiol, the primary estrogen in humans. But as Ana Soto of Tufts University School of Medicine in Boston points out, the body quickly breaks down estradiol. If BPA lasts longer in the body, it could be far more biologically active than it initially appears.

Scientists have an unfortunate medical model for how, at high doses, hormone disrupters can sow chaos in human reproductive systems. Between the late 1940s and early 1970s, several million women were given a synthetic estrogen called diethylstilbestrol (DES) during pregnancy to avert miscarriages. DES had little effect on the mothers, but it upset the delicate interplay of hormones in the womb, giving DES daughters a higher risk of a rare vaginal cancer and DES sons higher incidences of undescended testicles and testicular cancer.

Bulletins from the animal kingdom strengthen the case that environmental hormones can impair fertility. In the polluted Lower Columbia River, young male river otters have smaller reproductive organs than otters from unpolluted areas. In Florida's Lake Apopka, the male alligators' penises are one-quarter shorter than normal length, and fewer than one half of the alligators' eggs hatch. Chemicals in agricultural run-

off, municipal sewage releases and a 1980 pesticide spill are the cause of the problems, according to Louis Guilleto of the University of Florida at Gainesville.

Hormone disrupters pose a special threat to carnivores at the top of the food web. Once ingested, instead of being broken down and excreted like many natural hormones, these highly stable chemicals are drawn to fatty tissues, where they are stored indefinitely. As smaller animals are eaten by bigger predators, persistent chemicals move up the food web until they are concentrated in the tissues of top predators.

Humans dine high on the food chain, so they carry around a hefty burden of persistent hormonelike chemicals. Scientists are increasingly concerned about the possible impacts of this toxic cache on nursing infants which, like the unborn, are still rapidly developing. Lactation spurs the release of stored poisons into breast milk by mobilizing the mother's body fats.

COUNT DOWN

New research on rats suggest that hormone disrupters may disturb sexual development at doses that approach those that humans might receive. Richard Sharpe of the Medical Research Council in Edinburgh, Scotland, and John Sumpter of Brunel University in Oxbridge, England, introduced minute amounts of estrogenlike compounds into the drinking water of pregnant rats. In the paper published last December in *Environmental Health Perspectives*, they report that when the pups matured, the males had smaller testes and produced 5 percent to 21 percent less sperm daily than unexposed males.

Women's reproductive health also may suffer from exposure to hormone-disrupting chemicals. Endometriosis—a painful condition in which uterine tissue migrates into other parts of the abdomen—is increasingly common in the United States and seems to be striking ever younger women. Sherry Rier, an immunologist at the Dartmouth Medical School in Hanover, N.H., has found that female rhesus monkeys developed endometriosis a decade after being exposed to dioxin—the higher the dose, the more severe the disease. But even more may be at stake than reproductive health, says Rier. She also has found that dioxin exposure is associated with changes in blood levels of certain immune cells in the monkeys. "It could affect how individuals would fight viral and bacterial infections," she says.

Other research links the consumption of Great Lakes fish—which often are loaded with PCBs and other hormone disrupters—with impaired behavioral and cognitive functioning in infants and children. Sandra and Joseph Jacobson of Wayne State University in Detroit found that the newborns of mothers who had eaten large amounts of Lake Michigan fish had lower birth weights and smaller head circumferences than the babies of women who didn't eat fish. In later intelligence testing, the Jacobsons found that the children of mothers with the highest blood levels of PCBs typically scored the lowest on verbal and memory tests. Recent studies at the State University of New York at Oswego have found that the newborns of mothers who had eaten Lake Ontario fish had more abnormal reflexes and took longer to calm down after a startling event, such as being awakened by a bell or rattle.

Still, it is not yet clear whether current levels of hormone-disrupting chemicals pose a threat to the population at large. Jim Lamb, a toxicologist with Jellinek, Schwartz & Connolly, a consulting firm in Arlington, Va., points out that many individuals may be exposed to more natural hormonelike substances in fruits and vegetables than they are to the synthetic variants. Says Lamb, "This is all biologically plausible, but we're nowhere near proving the whole picture."

By all accounts, more research is needed. But some international organizations say that the case against the chemicals—while incomplete—is sufficiently sturdy

to begin taking steps to limit human exposure. Members of the United Nations Economic Commission for Europe (which includes the United States and Canada) are discussing an agreement to cut the use of 12 persistent pollutants. The International Joint Commission, an American-Canadian agency charged with overseeing the health of the Great Lakes region, has called for the phaseout of chlorine, a component of many hormone-mimicking chemicals.

Yet Donella Meadows of Dartmouth College warns against the growing campaign to ban chlorine. Not all compounds with chlorine are hormone disrupters. Nor are all hormone disrupters chlorinated, she says. She draws a deeper lesson from hormonelike chemicals. Of the tens of thousands of chemicals dumped into the environment each year, only a fraction have been tested for even basic toxicity. "Chemicals aren't like people; they should be assumed guilty until proven innocent," she contends, if only to ensure that there will be generations of people to come. *Betsy Carpenter*

[END OF QUOTING]

HIGHER FORMS OF KILLING

In your "sensing" world wherein you have the everlasting-after things of sensual delight, easy maintenance, mind games, lack of any kind of balanced lifestyles, you are going to have these higher forms of killing brought into the arena. There will always be manipulators and gladiators and then the simple food chain for the "Lions in the den". As the whole of society deteriorates into mind-controlled robotic beings, there comes the hand-me-down clones. If the mold is broken, the pottery will be imperfect. If you can park a society, in total, in front of a viewing screen, and especially if there is allowance for interaction—man will quit relating to man in the normal sense of the term. Man already rushes from work to exercise facilities only to get home and vegetate, by and large, in front of cathode-ray tubes. He now can take out his fantasies, frustrations, insulting behaviors, demeaning behaviors, etc., with interactive buttons. Why move the body or the mind? Man, further, begins to accept whatever is proffered through that "tube". There is no longer, in your world, information allowed forth that does not somehow, some way, affect you negatively, even if passively. You can get truth, yes, on that tube but by and large you get trash. Why? Because data out of that tube can only be as accurate and true as that which is poured into it at the other end. **YOU CAN'T EVEN BELIEVE THE STATISTICS AND THIS IS WHY PSYCHICS CAN NOW BEAR MORE CREDIBILITY THAN THE SCIENTISTS.**

Won't the Elite be caught up in their own foolishness? Yes, but it will be far after the rest of you slaves are GONE. If you learn that broccoli, for instance, poisons you—guess what, you-the-people will be forced to feed on broccoli but the Elite will not touch the stuff. "They" don't want you to realize this fact until you are either so weak or so enslaved as to make no difference if you object. A SICK ARMY cannot fight, readers. So, be a part of that "supposedly opposing" army and poison your own and guess WHO WINS? RIGHT! IT IS HAPPENING EVERY DAY AS WE SPEAK AND WRITE. There are NO PLACES ON YOUR EARTH untouched by these things of so-called "modern" man.

A "higher class" or "middle class" family or parents are so pleased if their children succeed. What is success? Oh, that is in becoming a doctor, a lawyer, etc., but certainly not an indian chief. Well, you can have one or two indian chiefs if they be Indian to start. The MASSES, however, are a bored, unemployed, underdeveloped society of ones who get their kicks from killing or, at the least, drive-by shootings. This TOUCHES ALL OF YOU! Those "educated" dudes are the larger misfits, as it turns out, for the LIE is so instilled in their EGO consciousness as to negate all else. The society as a whole, however, still revolves

around the PENIS MENTALITY and, IF IT FEELS GOOD, DO IT.

You might well ask, "Who in their right minds would try to accomplish such chaos?" Right, who indeed? Satan, of course, my dears. His game is deceit, lies, corruption, control and killing off of human SOUL. It certainly looks as if he is winning, doesn't it?

IS THERE YET GOOD?

Of course there is good! There is YOU and you are basically GOOD. It is that you are scared, threatened, disallowed hearing, disallowed sharing (except in a world also warped by lies), and are treated, already, as the slaves intended that you be. You march to a clock-tick, act exactly as told or you are isolated, fired, or whatever is the punishment for being "different" and/or "difficult". It is a simple concept of power use and CONTROL. You are TOLD that you are "free" but you are not and in that very concept, misrepresented, lies your foolish perceptions. You are NOT free in any manner whatsoever! You do not even get to choose your number for that is given by the government as well as all your productions. You may even change your name—YOU ARE NOT ALLOWED TO CHANGE YOUR NUMBER!

The murder of a president, dear friends, is NOTHING compared to the MURDER OF A SPECIES but the SAME perpetrators are responsible for both—YOU. You have gone to sleep and allowed the dark energies to enslave you. They may well pull the triggers, but you provide the gun (brain) to be controlled with very little other than demand for more of their false-goodies to soothe your little sensing bodies—especially those things sensed in the DARK PLACES.

Dharma may well not welcome nasty letters regarding our presentations, BUT I DO. I KNOW that if a person will bother and is so upset by what I offer as to write me a letter, sometimes 15 pages long, THEY ARE READING THE MATERIAL EVEN IF SOMETIMES IT IS MISUNDERSTOOD. Why would this please me? Because in our relationship, readers, there is TRUE FREEDOM. You have the freedom to toss the paper in the trash, let the bird poop on it, line the horse stalls, grind it and recycle, or even eat it—whatever you wish to do with it. If I make you mad enough to write to me to "SET ME STRAIGHT" then I KNOW you have read at least the part which you ASSUME applies DIRECTLY to YOU. Often you are RIGHT! I note that beloved Astar is finding her messages and ah, the sabres rattle, anonymous printed messages come asserting that E.J. and Doris should take responsibility for their dastardly deeds which Hatonn commits. How so? The person in point tries to hide identity by printing instead of the usual script, mails while at a meeting in another city other than the usual address, and signs not the letter to further hide the identity. Ah, but the "FINGERPRINTS" and "MINDPRINTS" while "above all" the "INTENT PRINTS" are scribbled ALL OVER the whole of the message in PERSONAL objections.

So, how do we differ? We confront now, one on one. You bash me—I offer you other alternatives and other orifices which will also be uncovered to the lighted day. I will name your name not once in a while—but every time when you deliberately act to destroy that which is working with me. I care not what you think of ME, good buddies of other entities. Go with THEM and leave me alone! I repeat, I GIVE YOU, PLEASE, FREEDOM TO IGNORE, LEAVE, BANISH SELVES FROM, ETC., ME. But you CANNOT, can you? You are caught up in your own deceit and wrong actions, and the more you do now, the deeper you mire yourselves, NOT ME. You have clung to and now use MY FRIENDS for your sounding boards and tools to twist about in the whirlpool of your perceptions. How came this to be? Where, for goodness sakes, are ALL THOSE FRIENDS YOU CLAIMED BEFORE YOU MET ME OR MINE? How is it that every would-be con person comes to have "NO FRIENDS" and have to use

MINE for their dastardly perceptions? This is why you who know me, must be discerning and WISE because these distractors will always USE YOU as others have grown away from them and kick them out of their lives. As long as you allow them to use you, leech off you, demand your allegiance and loyalty—you shall be "had". These "Users" and "Usurpers" will drain you dry as long as YOU ALLOW IT. I am tired of allowing it. When will YOU get tired of serving Evil intent? Why do you allow the misfit failures of society to continue their trek to damage you in favor of their greed and self-gratification of EGO and gain—AT YOUR EXPENSE? Is this Godly? CERTAINLY NOT!

WHO told you and taught you that GOOD PEOPLE ARE DOORMATS and EVIL SITS ON GOLDEN THRONES? GOD DID NOT CREATE YOU FOR A DOORMAT; HE CREATED YOU TO BECOME A CO-CREATOR WITH HIM! You will never get as high as kindergarten until YOU TAKE A STAND—EVERY TIME, UNDER THE LAW, WITHOUT MALICE BUT WITH INTEGRITY AND NON-ACCEPTANCE OF "WRONG DOING". WHEN, WHEN, WHEN? I AM SPEAKING TO YOU, YOU, AND YOU. Do you actually think some nice-sounding attorney will do it FOR YOU? I think you all know the answer to THAT THOUGHT. YOU WILL TAKE CONTROL OF SELF AND LIFE-SELF OR YOU WILL GO DOWN WITH THE MASSES. CAN YOU DO IT? OF COURSE, FOR IT IS ONLY IN THE CONCEPT OF HELPLESSNESS AND SHYNESS THAT YOU DOUBT SELF. YOU ARE TOLD YOU CAN'T, SO YOU DON'T.

I am here to tell you that you CAN prevail in honesty and integrity when you are wronged. I must warn you to always know that you are "right" and then you can become informed enough to compete with the highest crooks in the law. You will have an additional asset, however, above and beyond your adversary—YOU WILL HAVE TRUTH AND TRUTH STILL APPEALS TO THE JURY IN MOST INSTANCES!

The Ekkers are told they must offer proof of having the purchase funds eight years AGO when they went to the sale place on the date, etc., of the house sale. Well, a funny thing happened on the way to court through the years. Anything Mr. Horn didn't want known, and to disallow PROOF of anything, he simply removed from

the files. The very letter from the lender AND THE RECEIPT COPY FROM THE CHECK IN POINT—was in the file, received by the clerks who entered them all into the file—and THE ONLY PERSON TO HAVE THE FILE PRIOR TO EKKERS ASKING TO VERIFY THE RECEIPT OF THE DOCUMENTS, WAS MR. HORN—BUT THE DOCUMENTS WERE GONE.

Horn was SEEN by witnesses removing other documents from a file waiting to be used IN THE IMMEDIATE MOMENT with Judge Randall's court. This was IN THE COURTROOM. When this was confronted in "chambers", the JUDGE sided with the offender. How do you overcome this? You keep working at it as long as you can and to the best of your ability to get the information public. You do not STOP these atrocities by just shutting up and going away!

But how do you keep going when the system is so expensive as to wipe you out in one session? You learn to do it yourself and DO NOT ALLOW THEM TO CHANGE THE LAWS WHICH ALLOW YOU SELF-HEARING AND TRIAL BY JURY. IT IS ON ITS WAY "OUT", CITIZENS, AS WE WRITE.

Will you learn? I don't know. If you learn, will it be "in time"? In time for what? If you don't know where you want to go, how in the world can you ever hope to "get there" to a better place? Better than what? If your journey only ends you in worse placement, is that success? Yes, but it is success at failure! That is NOT the legacy most wish to leave. Can't you hear it now, "I succeeded at failure"? When your intent is toward a better way in truth, every step you advance IS SUCCESS AT SUCCESS and it matters not how tiny the step might be. And remember, readers, that when you are climbing a mountain you will often have to move backwards or downward a distance to achieve the total forward motion upward. If you are wiped out by a backward-seeming step you misconstrue your whole point in climbing the mountain in the first place. The point, after all, should be to eventually reach the top or why begin in the climb in the first place? EGO will never be ENOUGH. TRUTH SHALL ALWAYS BE SUFFICIENT.

Salu and good morning in RADIANCE of a wondrous day. If your day seems "bad" then go look in the mirror for cause.

Heaven.

The Afterlife.

...Also the Beforelife.

Here, we all started out as new souls...pure and all-knowing. But yearning for the physical life on Earth, where some lives are long, others short.

With each life on Earth, comes a lesson we take into the next one... Until we get it right.

One soul in Heaven doesn't want to leave.

That soul is Homer.

This is the first of his lives on Earth...

Timeless Spiritual Reminder From Esu "Jesus" Sananda

Editor's note: We have elected to share, once again, writings which appeared from Esu "Jesus" Sananda some years ago, specifically in 1991. The message rings as true today as it did then, and we hope that you will spend some serious "quiet time" in reading and reflecting on his generous offerings in wisdom. Many of us readers (see p. 20) are guilty of wanting "new" information, "more" information when, in truth, if we really read, reread, and studied that which has already been offered, we would constantly receive new incite. Since these writings from Sananda are lengthy, we have chosen to break them into a series of several installments.

We here at CONTACT would like to take a moment to PUBLICLY thank Sananda for his TRUE LIGHT AND LIGHTED WISDOM AND GENEROSITY IN SHARING SUCH TRUTH WITH US. THANK YOU!

6/5/91 #1 ESU "JESUS" SANANDA

Esu present to commune in the Light of our Source. It seems trite, somehow, to commune as if there is great distance when, in fact, there is no distance at all. The time is soon, chelas, when our brotherhood can be expressed in terms you can understand more fully.

THE ULTIMATE TEST

This *Journal* is being brought in the format of your "today" so that you can see that we are here and KNOW that which transpires for it is time that you ones come into close expression with us of higher vision. I have experienced in many ways and this shall be my most severe testing. As in the *Journal* just past, Balance within the Light is the ultimate test of a God being—and I must admit, little brothers, I flunk quite often. No evil shall come within the places of total balance and I am given into another experience wherein I must function side by side with that which is total evil and my being rebels at it. However, if I cannot find balance and love within those beings who render evil, then I have not attained my proper growth for the job I am destined to fill.

You ask me, "How can I make it easier for you, brother?" And I note that, as YOU grow in understanding, my own reaction unto the adversary is so lessened. You see, I must learn to respond in total reason, without repulsive reaction in anger for all ones have equal right to experience all facets of expression. As I draw closer again unto the planet and the dense compression of "sensing" instead of KNOWING, I too, wish to lash out at the ones who injure my people and the innocent of the experience. I, too, must leave each and all to his own experience for that is the strength of a proper parent: to give unto the children guidelines and discipline that they can function in positive manner within the Laws of God and The Creation. I, too, must not "judge" but rather honor those adversaries who give opportunity for me to move closer within the

Sacred and Holy LIGHT.

We must give enough love and discipline unto one another and unto self that we allow growth out and beyond the restraints of the human physical status—we shall never prevail by doing "war" with the adversary for his very purpose is to cause us to react in that manner. Ours is to show the way and move out and ahead of the pack of the Beast that Man will remember his direction and leave the Beast to devour self. Tedious? Indeed. Does this mean that I, expression of God, will have no passion? Certainly not—for I am total passion but I, and you, must respond—not "react", and it must always be in balanced harmony with the Truth and WORD of God for God is the WORD and the WORD IS LIGHT.

You have misperception of how the invisible realms function. We of the higher brotherhood function most credibly as when Earth-bound during our learning experience on the lower planes. The great Masters who walk with Me at this time are near perfection and serve as guides unto Me for we each and all have experienced the same types of tribulations as have you fragments of God.

So many of you have returned to serve in my own lessons of final graduation and I am indeed blessed—indeed humbled. Today I feel as though I am talking to old friends; for there are those of you who were with me during the periods of my ministries in various manifestations, seemingly so very long ago. Yet in the Great Cosmic Light, the human cognizance of time does not exist and it is as now—only the relative experience differs. This is why, beloved ones, when you enter into the Radiance of the more learned beings and the Great Cosmic Light, as many of you have been experiencing, you lose the sense—the human sense of time. As we go about our communion and work, the hours and days seem fleeting as the wind.

This gives you, albeit only a fleeting moment of detachment from the physical, an evidence of that which you will again experience in your Freedom of the unbounded expression. I honor Germain who has been bringing the concept in Truth through unto those who will hear, for there is such misconception within your houses of so-called Christianity and others who base their cause on Christ but have fallen into ritual wherein the ritual becomes the religion and the Laws are rewritten to suit the whim of Man. So, too, has it happened in the group supporting Germain as Man gains control and longs for ever more POWER above another and status higher than another, he set his rules of behavior and acceptability upon his brother. Ultimately there is no "GROUP" left untampered on your placement. Ah, even if it be in tiny deviations, it is incorrect and not of ME—nor of the Great Ascended Master, in whatever form. It is, however, for each of you to utilize the Truth within that which is offered and cast out that which is not of God. This BECOMES the lessons of the experience—to grow in the midst of the chaos—discerning that which is Truth from that which is set forth to distract you.

This is why we allow no "group" as such to surround these teachings—for we need no more indoctrinated groups to pull away from Truth in favor of a man's edicts. All manner of business ventures shall grow up in the vicinity for participation and even groups can gather—but they will not be as other religious houses as you recognize them.

I brought Truth wherever I went within the Great Creation and it was of God—not a labeled "church" within boundaries of doctrine according to the founder of the church. God created MY CHURCH (brothers) and He nor I need temples of stone or bindings of pews. God's very doctrine is in the branch functioning of the tree or the blossom of the flower for perfection is borned in the root of each which is its special creation. You must ultimately KNOW that in all the Universe there is only the action of Divine Laws—for Man, sent of God and for the Universe, that of Creation. This IS the, as Germain would pronounce it, "Mighty I AM Presence" in action.

No human being in all the world exists unto himself or herself. All is a Great Consciousness and all are a part of that Great Consciousness in action, whether it be in your physical world or whether it be in the Great Octaves higher. All is Law and order, acting under a definite law of Life within Nature—thus, the Father-Mother-Creator-Creation acting as ONE.

OLD FRIENDS

Many of you ones are old friends who have shared my experiences and thus come again only to serve and return unto the higher places as we evolve. I have observed that which has taken place in your Life Stream since our experience—seeing the evidence, the activity and the willingness of many to accept their authority within the Presence of the Light. Thus, for the individual to set himself free is the only transcendent activity. I appreciate that you do not take that path until the time of proper sequence so that we can bring our brethren with us.

Human physical is a hard trip wherein the impact of the experience is like unto a whip which lashes at you and in almost all cases it is sufficiently severe to get your attention and pull you closer to God or drag you away as you fall prey to the empty promises of the physical thief. Mankind goes through terrible agony, due to the power gained through human concept, because of lack in understanding of the Law of Life. Yet they willingly go on, and on, and on, seeking the Light with the heart; but the feeling, through the intellect, overrules in practically all outer activity.

Today, you all have this simplified Explanation—the eye picture of your Reality, by which you can govern your Life, your feeling, your senses, your world and allow the Great Intelligence, the Life of the Universe, to bring Divine Order out of the chaos which mankind has created. It is appalling that the human intellect could have created such great chaos for mankind by forming conclusions from fragmentary information, all

of which is gathered from "without". Please, do not neglect to study other information we are presenting on LIGHT for it is the foundation of your ultimate coming into KNOWING. Also, we have given you a "Manual" [*Phoenix Operator-Owner Manual*, Journal #27] to have and hold so that you cannot excuse that you knew not the Laws. We will add more and more within these pages for your guidelines. Will all come to return within the Light? Ultimately, yes—now? probably NO. All will come into the Knowing before there is again ONENESS with the Source. Moreover they will come by way of ME—the Christed Sacred Hoop of Infinity—the endless circle of roadway which allows the moving away from and then back unto—God in Perfection of total Balance.

There is no *permanent* foundation upon which *any* human concept is formed. "Concept" is of the "mind". That is why, beloved ones, when you say to your human self and its concepts: "You have no power", you take out of it the power with which you have previously charged it for you have taken the stance of the higher being which YOU ARE and command and demand the power which you are. The full Light gains Its supremacy in governing the outer activity of your world; but it must go through your attention. Without the attention upon the Supreme Presence, mankind can have no hope for that is your source. There is simply no place to go without it!

Those in the churches throughout the world, who have claimed to adore me as the Christ, and preach my Words, have utterly failed to comprehend this very point. They pray constantly to God, whom they have placed so far off that it seems to require infinite time to reach It. This is why today, the prayers of mankind are answered less, and less, and less. It is why these precious ones, who have come to know the Source which is the very INFINITE PRESENCE OF ALL to whom all should have prayed, have immediate results from their calls, from their decrees and from their prayers. As Man learns to pray for brother and Creation as all related, so his call is heard and the response instant—but Man chooses that which he will hear, and more especially, that upon which he will take action—for he receives as if to follow God is deprivation of the most heinous kind. Therefore, Man will actually turn from God and strike down his Godly brother in an attempt to refuse to "hear" the response.

PRAYERS ANSWERED

THIS is the response—millions have petitioned to be shown the way and HOW TO again find God—and here are the *Journals* and at first Man simply attacks the messenger with intent to totally destroy the bringer of the WORD—it matters not who that messenger might be. But we speak of corporations and investments and worldly/physical things so you judge that it cannot be of God. Ah, but if you house God—where else can God be? You ask most often, not for your brother, but how to manage your own mess of life experience—your money, your family, your business and your so-called life-gleanings. Then, if we respond with "how", you turn away and call us evil and satanic for our bother in responding. Man, you cannot have of it both ways—God is not a selective thing you can turn on or off as a light switch. We are compelled by the call—to respond; what you do with the answer is fully up to you.

For that matter, my people now have arranged two things which are set forth to serve my people. First, Oberli has located a second source of "gold" for those of you awaiting through the shortage brought upon your nation by the heinous bank cartel. It becomes difficult to find resource even for collateral use. He has now also acquired assistance to handle the organized flow of Corporation set-up which will allow for strategy courses and response via phones, etc. You must become as adept as your adversary within the laws they have presented unto you. If a Man tells you that this is NOT

OF GOD—you had best find out WHO IS THEIR GOD THAT HE WOULD NOT GIVE RESPONSE TO YOUR PETITION! We have a most treacherous journey to be made here with the entire global system in shambles. There WILL be a remnant of God's people who will move through this transition and all who will come with us are welcome and blessed. It requires unity and "giving" of self ego—BUT YOU WILL TAKE NO PHYSICAL EGO WITH YOU INTO THE KINGDOM OF GOD—SO THE SOONER YOU STRIP OF IT AWAY, THE SOONER WE CAN GET ON WITH OUR WORK. We can serve all, but we have only intent of service unto ones who desire a salvaging of your nation and Freedom for, frankly, we do not wish to call undue attention to actions by the Evil Controllers.

This is not a place to come to simply "purchase" gold. We have not the time nor intent. It IS a place of putting funds to work on our own Godly projects toward housing, industry of earth-nurturing types and survival intent. It is a place to form Nevada corporations and teach you how to use them—keeping them small, even if it requires many corporations for one business, and keeping attention from them and records absolutely within guidelines. If you simply wish to form "shells" for your selfish/greedy purpose—please go elsewhere. God blesses those of good intent and the Beast will devour ones of ill-intent—it is the law of the harvest.

We are also in the process of setting up a Law Center made up of ones who function on Constitutional law within the Merchant system you have become. God does not leave you without resource—IF YOU DO NOT LEAVE WITHOUT RESOURCE, THOSE WHO ARE WILLING TO SERVE YOUR NEEDS! God takes nothing without multifold return in kind—that means that you give unto God and you receive in kind, from God. Ponder this most closely for intent is the YOU which God recognizes.

What is prayer? I mean *real prayer*, the prayer which is answered? What is it? *A sincere desire of the heart, which is "feeling"*. That is what is released when prayers are answered. It is because enough feeling is released to produce the results. No result can be produced in your outer world of activity without "feeling", because *feeling* is the Power-house!—the outer activity of the Inner Power of the Presence.

LAW OF LIFE/POWER OF THE UNIVERSE

Today you are the most fortunate beings on Earth—you who come into and within the KNOWING of this route of Truth; for you have entered into a definite, powerful LAW. It is the Law of LIFE and you get results; if you are in earnest, if you are sincere and keep your desires and feelings harmonized.

It is useless for mankind to go on, ignoring the qualities of Life which individuals are using every waking moment and many times sleeping as well. Qualities act regardless of wisdom or ignorance, regardless of intent. If the intent is vivid, sometimes they act more powerfully. When you understand the Power of the Universe in your own Presence within, Light is at your call, at the issuing of your commands, then you have entered into your REAL POWER. When IT is brought forth into the physical world, IT will release you from the human experience and bondage, under which you have lived for so many eons of sequence.

How do you suppose I knew speaking to this good brother, your MESSENGER, two thousand years ago that in a far distant "time" he would comprehend my words? Because in the Great Cosmic Light of the "I AM" (called by whatever ye choose) all is revealed. In this embodiment, there is being fulfilled that which I knew then. Through Him, his Freedom and yours is assured.

Within the past years of your counting, we have watched over and cared for these blessed ones; prepared and brought forth release to mankind so that ones would be of "age" and preparation to act as is now

coming forth for all. Our Love and appreciation is very great for them—for you. Our Love is intensified by the reflection of their Great Love reflected and again reflected unto the brotherhood of Man still incarnate. This comes with such great POWER that it can supply you with the necessary strength until you can understand your own PRESENCE sufficiently to hold your own Dominion and gain your own Victory.

Could there be any greater rejoicing in the world than for the accomplishment of that which sets mankind free from all human accumulation and creation? Why, dear ones, do you suppose it was planned even eons ago, to bring these WORDS unto you? Because, it was known within the Great Cosmic Law that action would be forthcoming at this sequence of experience—that the cycle would be closing and the time of return unto the Presence is mandatory. It is the time wherein permitting the work and WORD to go forth would be. We, as wholly free beings, must watch and act in total harmony with the Great Law in order to render the service which your call has enabled us to give. It is one thing to render a service when asked, and quite another to render a service unasked.

I shall say something which remains startling to many of you even though we have said it time and time again: YOU MUST ASK! Could the orthodox world, as you term it, accept this understanding of God, their Infinite Source and Presence? Oh, the Earth would be transformed; but the accumulated intellectual concepts, acting through the feeling of mankind, do not permit such freedom to enter in unless the individual is strong enough to stand against human suggestions, from both within and without, for your own human suggestion is quite as strong as the suggestion which permeates the atmosphere in which you perceive existence.

Some groups have taught mankind to use the mind, but so many have forgotten the important components of that usage. The great blessed ONE requires that the talent be utilized toward Godliness if you are to move back into Oneness and, unfortunately, the talent is most often used in a most limited and human physical egotistical manner. Ah, it works either way, which is more unfortunate indeed, for in the ending you will be in the reaping of the harvest grown from the sowing and it can extend the limited experience indefinitely.

When different avenues of Truth battle with each other because human concepts do not agree, what a tragedy upon Earth it becomes. You will note these beloved Messengers battle no thing, no person; for they have learned the Law, praise God. They go serenely on, presenting the Truth which they know to be. You will find no condemnation but, rather, a pointing out of the error in concept of "things" and "beings". However, evil in itself is brought within condemnation by the beings (self) that the harvest be of sweetness and not of the tares and thistles. This is a great and mighty secret—if every avenue of Truth on Earth had this secret of pouring out greater and greater of power of the Love of the Presence, it would transform the world into a perfect paradise—but this is missing in your experience for Man must learn his own direction in the face of the adversary.

I speak these words to you now, that you may know that we are never in separation. I feel your loving care, your thoughts, your prayers. If it were possible for me now to feel sorrow, my heart would be heavy to find the doors of so many churches closed unto me for whom the very names have been called. Instead, I rejoice that a greater expansion of the Light and opportunity have opened for me to pour forth that which is positive to those of mankind, who can truly accept my REALITY and my PRESENCE. Those places which have falsely used me shall reap their own reward but 'tis sad that so many who would turn unto God, otherwise, have been pulled asunder from God and Truth. "They" do, however, ultimately prove themselves to be the false teachers that they are, for evil will always bind itself in the clues and signs which are always present—if Man but looks.

We wait long and patiently for an opportunity to serve mankind and together, as brothers, we move forward to bring Truth, Light and Freedom.

In the fullness of my Love I enfold you, my beloved ones. In the fullness of the Freedom which I have, I enfold you, anchoring with every person who has come to attending at this time, the qualities which will find outer expression in your world as you advance, clothing you in the Light which you will absorb and reflect onward.

You have produced, in your world, limitation of every description. However, in the calm serene acknowledgment of your presence and with harmony in your "feelings", you can quickly transform yourself and your world into a Being and World of Light and a God in command. The privilege is before you—YOU must choose.

I extend to you the Love, the eternal blessing of the Great Host and Ascended Masters as well as the Great Angelic Host—and give unto you of this sequence the unlimited guidance and attention so that you can make your journey in Light. We are, further, prepared to bear you up if it becomes necessary. You will KNOW the POWER as you allow the power, strength and courage in true "feeling" of the reality of your own presence within the Sacred Circle of Infinite ALL. Allow It to do Its perfect work for you!

I ask that the Eternal Infinite Light clothe you beloved chelas throughout the nations of your world and in this place of America wherein much work can be done to bring again freedom unto the human species. I ask enfoldment of them and that all minds be filled and bodies be protected within and with the Perfection which IT is. It cannot be requalified by human qualifications—therefore, rejoice and be free.

WHAT WAS I?

You have historically chosen to label me as "Jesus" or the "Christ" and/or...! I simply AM. But what did I come forth to tell you as that entity sent from my own Creator? Well, I came to tell you of the coming of the Kingdom of Heaven, what men must do to prepare for it and a type of "salvation" through knowledge of the Truth and Presence of God. The message has been entangled and falsely presented but it is the only lasting historical record of which you retain continuity. There is so much of my journey that you have not been allowed to share and KNOW—but that, too, is now coming forth for the time is at hand for the KNOWING.

LET US CONSIDER THE "END" OF THE WORLD AND THE KINGDOM OF HEAVEN: It is seen as a catastrophe, for in those days shall be affliction, such as was not from the beginning of the Creation...neither shall be; ...the Sun shall be darkened, and the Moon shall not give her light, and the stars of heaven shall fall! Can you not look differently upon these projections in this day than in those two thousand years past? Could the "stars falling" actually be the returning of the Hosts of God to bring you into safety? Man has always had affliction for that is the course of his journey. The cataclysms were noted so that you would have a clue as to when the time would be at hand and necessary changes in attitudes brought into clear perception, for the journey would abruptly take different form.

I said unto the witnesses, the prevailing apocalyptic conceptions. I was in sincere intent. The end of the world WAS imminent. I said unto you, that this generation shall not pass, till all these things be done. Verily I said unto you, there would be some standing here, which would not taste of death, till they would see the Son of Man coming in his Kingdom. my disciples went forth to announce the impending event. They quoted me as saying, "Ye shall not have gone over the cities of ISRAEL, till the Son of man be come." No, that is NOT THAT WHICH I SAID. I said that "...you will not have covered all the places of God's chosen till

the Son of Man is come again". And ye have not!

I did not speak of the terrors of an ending time for mine was to pull Man back into the knowledge of God and remind him of the laws thereof and those of The Mighty Creation. I told Man that which would be and what would come to be if he turned not from his evil separation from Divine Source. It was the inexorable concern of every living man and I was sent forth to remind Man. All paled into insignificance beside that which would come upon Man if he continued in the path of evil—and it has come to pass.

It is possible to easily discern intent and meaning from my experience as Emmanuel of Nazareth. For the end of the world will bring not nothingness but the Kingdom of Heaven—for you are long from the time of "voidance". The Kingdom of Heaven: this signifies the era in which God alone will govern. Inevitably it will come, not through any human acts but solely through Divine action. The world has become a matter of indifference, because the Kingdom of Heaven is coming in all its glory—one way or another. It simply behooves you to get your selves and your nations into order. Basically I only brought blessings and good tidings for my story was of great joy and glory. I told you, His lambs, to "fear not, little flock, for it is your Father's good pleasure to give you the Kingdom." And I gave you His prayer of promise: "...Thy Kingdom come!" Thus the end is not just a kind of threat upon Man, and/or the destruction of a world, but it is a PROMISE: the Kingdom of God. But Man has slipped more and more deeply into the mire of chaos and evil intent that he must again be in the final reminding of that which is coming. For that was the greatest promise: that "The word shall go forth unto the four corners of the world that all men who will see and hear shall have opportunity of KNOWING that which is God and Godly!" I come to fulfill the prophecy—not "save" a bunch of criminals and lawbreakers—only the individual can "save" self and I can do nothing save speak in his behalf. And soon, I shall be unable to claim you are somehow ignorant by accident—for we are bringing forth the WORD and ye who deliberately turn away are in deliberate defiance—that is between you and God.

CONTRADICTIONS

I realize that words spoken—for all was put to notes by human (I never wrote, and writing was difficult at its very best)—were sometimes ambiguous and contradictory. That is why I am come forth now for in the centuries of interim perception Man has been taught incorrectly. Things such as the Kingdom will come and "it is already here" are a bit of a contradiction. The prophecy of world's end and Kingdom of Heaven relates to a cosmic event. It relates to the world but it is the event by which the world ceases to be, in intervention in history, whereby history is broken off. The Kingdom of God is neither world nor history, nor is it this world's hereafter. It is something entirely different.

The Kingdom will come and it is already here! What the future will fulfill is already at work in the world. This thought is expressed in the image of the mustard seed, for the mustard seed is the smallest of seeds, but from it grows the largest of herbs. And so it is with the Kingdom. But above all, it is stated in my words: "For behold, the Kingdom of God is within you." That is to say, the signs of the Kingdom, my person, my acts, my message, are among you. Thus what is already present is not the Kingdom but the signs of the Kingdom, the signs of its imminence. It is to these signs that I referred. It was to these SIGNS that I referred when John asked me, "Art thou he that should come?" I said neither yes nor did I say no—I responded "The blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached." But I also said: "But if I cast out devils by the Spirit of God, then the Kingdom of God is come unto you." I believe it will become clear if you again

ponder it closely. For if God enters in, the evil adversary MUST depart.

I gave prediction of that which would happen but I did not speak merely to an idle crowd. My message was addressed to Man, who in that situation was confronted by a decision and so it is as now: "The time is fulfilled, and the Kingdom of God is at hand: repent ye, and believe the teachings." "Repent, do penance," therein lies the answer to your question of 'What shall we do; what can have meaning?'"

The Kingdom does not mean beatitude (a state of utmost bliss) for all. Each individual is faced with the question of what will become of him in the catastrophe. For the end of the world is also a judgment, in which man is either accepted or rejected by God. "Then shall two be in the field; the one shall be taken, and the other left"—remember?

The end of the world and the last judgment are not yet. But they may come at any moment. They will come suddenly like the lightning that flashes from east to west, or the thief in the night, or the master who returns home unbeknown to his servants—not even I, who will head the coming, will be given to KNOW THE MOMENT OF RETURN! Further, because of this very statement—you can KNOW that I AM NOT YET COME IN PHYSICAL FORM AMONG YOU ON YOUR GLOBE. "Of that day and hour knoweth no man, no, not the angels of heaven, but my Father only!"

This is why I bid those who are forewarned to live in readiness: "Watch ye therefore, for ye know not when the Master of the house comes...lest coming suddenly He find you sleeping." Watch and wait. For man can do nothing to bring the Kingdom. It will come of itself, by God's will alone. As the husbandman waits for the harvest, so Man for the Kingdom. And he bids them to divulge the tidings. In your preaching, announce the catastrophe and the glad news to all, that they might be attending and save of selves.

What of the ethos (the distinguishing character) of myself? In telling Man what to do, I did not promulgate a self-sufficient system of ethics for the fulfillment of mankind in the structure and order of worldly existence. On the contrary, ethical precepts are justified only **BY THE WILL OF GOD AND WITHIN THE NATURAL LAWS OF CREATION**, WHO HAS GIVEN THEM AS A SIGN OF THE KINGDOM AND PREPARATION FOR THE END. I had no NEW things to offer—only a reminder of those things which are decreed and put aside and forgotten by Man.

WORLDLY THINGS

Worldly things have lost all weight of their own. The world is only a bridge; cross it, but build not thine house upon it. The world is indeed God's Creation and as such should not be condemned. I loved Nature and I accept the human order and insist on the validity of its ordinances. The marriage bond is indissoluble and what God has joined together, let no man put asunder. Nor should men rebel against the authorities in that you are bounded by the laws of Caesar and to maintain freedom ye shall hold unto those laws which give freedom. But all worldly existence dwindles to nothingness in the radiance of the Kingdom of Heaven. Family ties, law, culture—have lost all their meaning. Mothers, fathers and brothers all wait in vain if they wait—for whosoever shall do the will of our Father which is in heaven, the same is my brother, sister and mother. Possessions are an encumbrance and cause attachment unto the things of flesh—ye must become balanced in the ability to use that which is given in abundance and yet part with it in blessings and joy at the next turn of the experience.

All worldly things are perishable and none of you can add one inch unto your stature once locked into the physical. Sufficient unto the day, my friends, is the evil thereof. But the world is not worthy of our concern. Take no thought for your life, what ye shall eat, or what

ye shall drink. Take no thought of tomorrow: for the morrow shall take thought for the things of itself and ye have no knowledge of that which may or may not be. Only that which has reality in the Kingdom of Heaven is important and you may as well not lay up treasures upon Earth where moth, rust and politicians can lay siege unto them and strip them from you—but rather, lay up for yourselves treasures in heaven and in the preparing for the transition of the return of the Kingdom that your rewards can be in abundance.

Obedience to God was my ethos as it had always been the ethos of my people. External, calculable obedience to definite laws is not enough, however. The essential is the obedience of Man's whole heart and being. God has written His law within the heart of Man and therefore it is only the remembering which is in contention. Man must cease lying unto self—that he remembers and knows not the law!

But what is God's will? Your thinking, accustoming as it is to the finite rules of the understanding, would like to have instructions, regulations to go by. Many ask God in defiance: "What is thy will?" When you hear the commandments as God's will, you are startled at their "extremism"; they demand something that is seemingly impossible in the world. But these commandments state what can become real in the Kingdom of Heaven and require actions of Man in the physical to attain the wholeness. Be ye therefore perfect, even as your Father which is in heaven is perfect. They were and are directly addressed to Man who knows only God and his neighbor and acts as though there were no world, as though the antinomies of worldly reality did not exist. The imperatives assume that Man no longer has any finite situation in the world, or mission to shape and fulfill the world; they are imperatives for "saints, for citizens of the Kingdom of Heaven"—I said, "...resist not evil: but whoever shall smite thee on thy right cheek, turn to him the other also. And if any Man will sue thee at the law, and take away thy coat, let him have thy cloak also... Give to him that asketh thee, and from him that would borrow of thee turn not thou away." These represent the response of love and reason within the heart-soul of Man/God which must be present to find lodge in the Mansion of God. It does not mean that while in mortal form that you be stupid. God is "wisdom", not "stupidity".

Above all, they are not imperatives of outward action, but imperatives that penetrate the innermost soul prior to all action. The soul must be pure. Even in the secret recesses of the soul the germ of evil is as reprehensible as the outward action. You will, many of you, be quite relieved and happy to hear that you are far more pure at the level of soul than on the surface of the human aspect! But, pointing up the contradiction is always the one that gets Man into the most trouble in the physical world of "sensing"—"Whosoever looketh on a woman to lust after her has committed adultery with her already in his heart."

What is demanded is a mode of being, not an outward action, which merely follows from the being. It is demanded what cannot be "willed" but is the source of "all willing". Where it is present, no power in the world can darken it. It is not that which goes into the mouth which defiles a man; but that which comes out of the mouth—this is what defiles Man.

God's will is the LIFE of the Kingdom of Heaven—live as though the Kingdom of Heaven were already with you; live that this life in the world will become a sign of the Kingdom of Heaven and indeed it is approaching reality.

My ethos should not be taken as a system of prescriptions for action in the world. The principle springs solely from the idea of the Kingdom of Heaven, and I uttered this principle—I ask not that you worship ME. I pleaded with you not to worship ME—but that you shall love the Lord thy God... and to love your neighbor as yourself (providing, of course, that you could love self). Remember the commandments: "Thou shalt love the Lord thy God with all thine heart, and with all thy

soul, and with all thy might." "Thou shalt love thy neighbor as thyself." "What doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?" I brought NOTHING NEW. I BRING nothing new! There is no prefatory "B-U-T" as when I would say "But I say unto you..." as when I was and am in disagreement with traditional faith of either day. I take the traditional commandments with me into the Kingdom of Heaven announced in the reality of love that is the sign of its coming.

TO LOVE THY NEIGHBOR

A mystical union with God, flight from the world to live alone among men, at one with God: that would be *loveless*. The individual for himself alone has no part in the Kingdom of Heaven. He must make his way thither with his neighbor. He who loves God loves his neighbor. Therefore, life in the world is fulfilled by a life of love, which is the sign of the Kingdom of Heaven.

God's love of Man and Man's love of his neighbor are inseparable. Only insofar as you love can you know God's love. God's love creates love within you. If you do not love, you are rejected.

Where love has become selfless and free from the world, it is the reality of the Kingdom of Heaven. Then it is unlimited, absolute. Thence I gave another commandment which is somehow separate unto Man's reception, and that: *...to love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you.* It was that Man forgot that his neighbor and enemy were one in the same. This is why in the *Manual* (Journal #27) we have given you clarification which in turn appears to be more than ten in counting. There are EXACTLY as many as are needed! In the Pleiades, for instance, there are far fewer than ten for the other problems of Man do not exist in their reality.

This love, then, is not a universal feeling without an object; it is a love of your neighbor. But who is your neighbor? Not your kinsman or one who is distinguished in some way, but everyone who is close to you in space and time and who needs you. This is made clear by the story of the Good Samaritan. A man of Jerusalem lies half dead by the wayside, having been set upon by robbers. A priest comes that way, then a Levite, and both pass him by. But then a Samaritan, of a people despised in Jerusalem, sees him and has compassion for him and cares for him. "Which now of these three, thinkest thou, was neighbor unto him that fell among the thieves?" This kind of love precludes all self-aggrandizement. He that is greatest among you shall be your servant, and whomsoever shall exalt himself shall be abased. And this implies wholehearted devotion to Christ and the Christ calling. He who loves father and mother more than ME is not worthy of me; ...and he that takes not his cross, and follows after me, is not worthy of me! What mean I? Except through the Christed path of Godness shall ye enter into the Father's Kingdom—and I represented that LIGHT. It mattered not what label I bore as Man—but the Truth within MY BEING which marked the passage—the Christed passage.

This perfect love that is a sign of the Kingdom is not satisfied by obedience to laws, by the pursuit of any plan or purpose. I reject legalism, not for the sake of lawlessness, but in order to seek the Source whence the law flows and whereby it is fulfilled beyond all legality. I accept the traditional law as self-evident. I do not oppose it in principle as one who claimed to follow my teachings, St. Paul, did. But that is between himself and God, for it is not of my business that which Paul came to corrupt. He was, by any label, my most devoted enemy and destroyed that which was established in the name of Christ—by any label of the day, then or now—that being was a deceiver and changed his name from Saul (of Tarsus) to Paul that he might fool the people

into believing his resurrection in Truth. He did great service unto Man for you must come into discernment now, so that you can KNOW Truth from the WORD—WHICH IS GOD.

Fulfillment of any defined law is far less in importance than a life of obedience unto God. For instance, how totally absurd is the manner in which you have handled the "Sabbath", for the sabbath was made for Man and not Man for the sabbath. Observance of rites cannot compensate for ethical offenses: therefore, if you bring your gift to the altar, and there remember that your brother has nothing against you; leave there your gift before the altar, and go your way; first be reconciled to your brother, and then come and offer your gift. Does this sound a bit different than that which your "Sunday preacher" hands you about collections in the Sunday basket?

Mere legality fosters hypocrisy. One who lives by the law alone masks the evil that is in him. Those who observe the law but have lost the inward faith, reject the commandment of God so they can keep their own tradition. I warn you people against the scribes who "love to go in long clothing, and love salutations in the market-places, and the chief seats in the synagogues and who 'devour' widows houses, and for a pretence make long prayers and demands for thine tithing."

Thus the freedom of my actions is an essential part of this ethos of the Kingdom, a freedom which is grounded not in "law" but in love. No true law is destroyed by love, for love will merely cushion it and keep it within bounds. This does not either refer to that which you classify as "making love" for love IS and requires no "making" thereof. This perhaps explains more clearly why I did so many things that offended those about me—then as well as now. I went wherein God would go and blessed those who were good within their hearts.

I put forward no new system of morality but purify the ethos and take it as seriously as if it were already fulfilled in God's Kingdom. I lived it then and I live it now, without regard for the consequence in the world, for the world will soon perish—in all transitions, that of the world is left to the physical plane in any instance.

Blessed chela, let us take rest. I wish to take up "faith" in God for it is, after all, indispensable for admission to the Kingdom of Heaven—it is the prerequisite of "salvation" and is itself salvation. The time is come when I am again speaking directly of these things so that Man may have reminding. We need a rest before we enter into that next portion. Thank you for your service—I wrap you beloved of me within my wings that none shall bring hurt upon you. May all of you who hunger and thirst—seek in truth and find, that you may petition and come within the Radiance of the Mighty Protection against which no Man can stand nor evil compel.

I AM.
